### Item 3. Source and Amount of Funds or Other Consideration

## Edgar Filing: MEDTRONIC INC - Form SC 13D

On December 18, 2001, pursuant to the terms of a Bridge Loan Agreement (the "Loan Agreement") entered into on December 13, 2001 between Restoragen, MIL and various other lenders, MIL loaned \$10,000,000 to Restoragen and the other lenders loaned an aggregate \$8,000,000 to Restoragen. The funds for the MIL's loan were provided out of the working capital of MIL following a capital contribution in like amount made by Medtronic, which owns all the issued and outstanding shares of MIL.

Each loan is evidenced by a Secured Convertible Promissory Note (a "Note") that automatically converts into Restoragen stock upon (i) the occurrence of an initial public offering of common stock that results in gross proceeds to Restoragen of at least \$50 million, (ii) the completion of a qualified additional financing (as defined in the Loan Agreement) in an amount equal to \$17 million, (iii) the election of the holders of at least 60% of the aggregate principal amount of Notes outstanding at any time or (iv) the proposed prepayment by Restoragen of some or all of the outstanding principal amount of the Notes. The conversion price applicable upon the occurrence of each of the foregoing events is set forth in the Notes, but is generally the lower of \$12.50 per share or the lowest per share price at which Restoragen sells equity after the date of the Notes. The Notes bear interest at a rate of prime plus 3% per annum and mature on the second anniversary of the date of issuance.

6

---

The Notes are secured by a first priority security interest in (i) the proceeds arising out of the grant of any license rights in any of Restoragen's intellectual property or other general intangibles and (ii) Restoragen's intellectual property. Notwithstanding this first priority security interest, Restoragen may grant licenses to and enter into collaborative agreements with respect to its intellectual property in the ordinary course of business.

The Loan Agreement also gives Medtronic a first refusal right with respect to certain distributions of one of Restoragen's products, and provides that so long as Medtronic and its affiliates own at least an aggregate of 5% of the outstanding shares of Restoragen's Common Stock (assuming conversion of the Notes and conversion of all outstanding preferred stock) Medtronic will have the right to designate one member of Restoragen's Board of Directors.

As additional consideration for the Loans, MIL and the other lenders received a Warrant (the "Warrants") to purchase shares of common stock of Restoragen at a per share exercise price equal to the lower of \$9.00 or the lowest per common equivalent share price at which Restoragen sells equity after the date of the Warrant (the "Warrant Exercise Price"). The number of shares which may be purchased pursuant to each Warrant is equal to the principal amount of such lenders loan, divided by the warrant exercise price, multiplied by a percentage which is initially 50% but, commencing with the 90th day after the date of issuance of the Warrant, will increase by an additional 10% for each 30-day period in which such Loan continues to remain outstanding and not converted, up to maximum percentage of 100%. Therefore, MIL's Warrant is currently exercisable for 555,555 shares of Restoragen common stock.

### Item 4. Purpose of Transaction

MAMI has previously acquired shares of Restoragen Common Stock and MIL has acquired its Note and Warrant solely for investment purposes. Based upon their evaluation of Restoragen's financial condition, market conditions and other factors they may deem material, the reporting persons may seek to acquire additional shares of Restoragen Common Stock in the open market or in private transactions, or may dispose of all or any portion of the shares currently owned or which may be acquired upon conversion of preferred stock or the Note or exercise of the Warrant. Except as set forth in the preceding sentence, the reporting persons presently do not have any definitive plans or proposals that relate to or would result in transactions of the kind described in paragraphs (a) through (j) of Item 4 of Schedule 13D, but may, at any time and from time to time, review, reconsider and discuss with Restoragen or others the reporting persons' positions with respect to Restoragen which could thereafter result in the adoption of such plans or proposals.

### Item 5. Interest in Securities of the Issuer

- (a) Medtronic, through MAMI and MIL, is the beneficial owner of 1,402,073 shares of Common Stock of Restoragen, Inc. (including 645,161 shares which are not outstanding but which may be acquired upon conversion of preferred stock, and 555,555 shares which are not outstanding but may be acquired upon exercise of MIL's Warrant), which represents approximately 16.3% of the outstanding Common Stock of Restoragen (assuming conversion of the preferred stock and exercise of MIL's Warrant). To the knowledge of the reporting persons, no other person named in Item 2 beneficially owns any Restoragen shares.
- (b) Medtronic, through MAMI and MIL, has the sole power to vote and the sole power to dispose of all shares of Restoragen Common Stock beneficially owned by it.

(c)

Edgar Filing: MEDTRONIC INC - Form SC 13D

The only transaction in the Common Stock of Restoragen that was effected by any person named in paragraph (a) above during the past 60 days is the receipt of a Note and a Warrant by MIL as described in Item 3 above.

7

- 
- (d) No other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds of the sale of, the subject securities.
- (e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer**

Pursuant to the Loan Agreement, Restoragen has issued to MIL a Warrant to purchase 555,555 shares of Common Stock (subject to increase) and a Note convertible into Common Stock or Preferred Stock of Restoragen. See Item 3.
