ANNUAL MEETING OF THE STOCKHOLDERS  
TO BE HELD NOVEMBER 15, 2002

The Board of Directors (the "Board") of Immtech International, Inc., a Delaware corporation ("Immtech," "we," "us," "our" or the "Company"), hereby solicits your proxy for use at the 2002 Annual Meeting of Stockholders to be held on Friday, November 15, 2002, at 10:00 A.M. at the Westin O'Hare, 6100 River Road, Rosemont, Illinois 60018, and at any adjournment or postponement thereof (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders ("Notice"). This Proxy Statement, Notice and Proxy Card are first being mailed to stockholders on or about October

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

18, 2002.

By completing the attached Proxy Card you appoint T. Stephen Thompson as your representative at the Annual Meeting. If you sign and return your Proxy Card, Mr. Thompson will vote your shares as you instruct on the Proxy Card. If you sign and return your Proxy Card, but fail to instruct how to vote your shares, Mr. Thompson will vote your shares in favor of the slate of directors nominated by the Board and "for" the proposals set forth on the Proxy Card. This way your shares will be voted whether or not you attend. We recommend you vote by proxy in advance of the Annual Meeting even if you plan to attend just in case your plans change and you are then unable to attend.

The Board does not know of any matters to be presented at the Annual Meeting other than those listed on the Notice and described in this Proxy Statement. If a matter comes up for vote that is not covered by your proxy, Mr. Thompson will vote your shares in accordance with his judgment if you have signed and returned your Proxy Card, and authorized him to do so.

The Board encourages you to attend the Annual Meeting in person. If you decide to change your vote, you may revoke your proxy any time before the voting begins at the Annual Meeting by (i) giving notice of revocation to the Secretary of Immtech, (ii) submitting a signed proxy bearing a date later than the date of the Proxy Card or (iii) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy.

This Proxy Statement and the accompanying Proxy Card are being mailed on or about October 18, 2002, to our stockholders of record as of October 2, 2002. Our principal executive offices are located at 150 Fairway Drive, Suite 150, Vernon Hills, Illinois 60061 and our telephone number is (847) 573-0033.

### VOTING RIGHTS

The Board has fixed the close of business on October 2, 2002, as the record date (the "Record Date") for determination of stockholders entitled to notice of and to vote at the Annual Meeting. Holders of record of our Common Stock, Series A Stock and Series B Stock at the close of business on the Record Date will be entitled to vote together as a single class on all matters that come before the meeting. At the close of business on the Record Date, there were 6,318,052 shares of Common Stock, 150,800 shares of Series A Stock and 75,725 shares of Series B Convertible Preferred Stock, \$0.01 par value ("Series B Stock") outstanding. Each share of Common Stock is entitled to one vote, each share of Series A Stock is entitled to 5.6561 votes and each share of Series B Stock is entitled to 6.25 votes. Each share of Series A Stock and Series B Stock is entitled to the number of votes equal to the number of shares of Common Stock into which such stock is convertible on the Record Date. The Series A Stock conversion rate is determined by dividing the Series A Stock stated value (\$25.00) plus accrued but unpaid dividends (\$0) as of the Record Date by the \$4.42 conversion rate set forth in the Company's Certificate of Designation of Series A Convertible Preferred Stock ("Series A Stock Certificate of Designation"). Under this formula, each share of Series A Stock is entitled to 5.6561 votes for a total number of votes of 852,940 for the Series A Stock. Holders of Series A Stock are entitled to the number of votes determined by multiplying the aggregate number of shares of Series A Stock held by 5.6561, rounded to the nearest whole number. The Series B Stock conversion rate is determined by dividing the Series B Stock stated value (\$25.00) plus accrued but unpaid dividends (\$0) as of the Record Date by the \$4.00 conversion rate set forth in the Company's Certificate of Designation of Series B Convertible Preferred Stock.

5

Under this formula, each share of Series B Stock is entitled to 6.25 votes for a total number of votes of 473,281 for the Series B Stock. Holders of Series B Stock are entitled to the number of votes determined by multiplying the aggregate number of shares of Series B Stock held by 6.25, rounded to the nearest whole number. A total of 7,644,273 votes representing Common Stock, Series A Stock and Series B Stock are entitled to vote at the Annual Meeting. The presence of holders of a majority of the outstanding shares of Common Stock, Series A Stock and Series B Stock entitled to vote, voting as a single class, represented in person or by proxy, constitute a quorum for the transaction of business at the Annual Meeting.

Assuming the presence of a quorum at the Annual Meeting, (i) those director nominees receiving the most votes (a "plurality") will be elected and (ii) the affirmative vote of the holders of at least a majority of the shares of Common Stock, Series A Stock and Series B Stock (each of the Series A Stock and Series B Stock voting on an as-if-converted basis as determined above) voting as a single class represented at the meeting is required to (a) approve Proposal No. 1, the adoption of the First Amended and Restated 2000 Plan (a copy of the First Amended and Restated 2000 Plan is attached hereto as Appendix A) to increase the number of shares reserved for issuance thereunder from 350,000 to 1,100,000 shares of Common Stock, (b) approve Proposal No. 2, the convertibility into Common Stock of Series A Stock held by certain of our officers and directors, (c) approve Proposal No. 3, the ratification of the Board's selection of Deloitte & Touche LLP as our independent auditors and (d) approve any other matters that may properly come before the Annual Meeting.

All properly completed Proxy Cards that are received by us, and not revoked, prior to the voting will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If you sign your Proxy Card

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

but fail to direct how to vote your shares, then your shares will be voted in favor of the slate of directors proposed by the Board listed herein, in favor of the proposals recommended by the Board, and any other matters properly brought before the Annual Meeting will be voted in accordance with the judgment of your proxy representative, Mr. T. Stephen Thompson. If you mark the appropriate box on the attached Proxy Card to abstain from voting, then your shares will be counted for purposes of obtaining a quorum but will not be voted in favor of any matter; abstentions therefor have the effect of a vote against any proposal other than the election of directors.

The term "broker non-votes" refers to shares held by a broker in street name that are present by proxy but are not voted on a matter pursuant to the rules prohibiting brokers from voting on non-routine matters without instruction from the beneficial owner of the shares. If a broker returns a "non-vote" proxy, then the shares represented by such proxy will be counted for the purpose of determining the presence of a quorum. Brokers who do not receive a stockholder's instructions are entitled to vote such stockholder's shares on the election of directors and for Proposal No. 3, ratification of the Board's selection of Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ending March 31, 2003. Broker "non-votes" will have no effect on the outcome of the election of directors because the five directors receiving the most "for" votes will be elected.

### ELECTION OF DIRECTORS

Your vote is requested in favor of five directors to serve until the next annual meeting of stockholders and until their successors are elected and qualified

6

or their earlier resignation, removal, disqualification or death. The Board has selected the following five persons as nominees: T. Stephen Thompson, Harvey R. Colten, M.D., Eric L. Sorokin, Cecilia Chan and Frederick W. Wackerle. If you sign and return your Proxy Card, your shares shall be voted for the director slate nominated by our Board except to the extent that you list the name or names of those nominees for whom you withhold authority.

Each of the nominees has indicated a willingness to serve. Should any of the nominees become unavailable prior to the Annual Meeting, your proxy representative will vote your shares for the person or persons recommended by the Board.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF THE BOARD'S NOMINEES FOR DIRECTOR.

### SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, DIRECTORS AND MANAGEMENT

The following table sets forth, as of September 27, 2002, certain information regarding the beneficial ownership (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) of our Common Stock based upon the most recent information available to us for (i) each person known by us to own beneficially more than five (5%) percent of the outstanding Common Stock, (ii) each director, (iii) each of our executive officers whose total annual salary and bonus compensation exceeded \$100,000 for the fiscal year ended March 31, 2002 and (iv) all executive officers and directors as a group. Except as otherwise indicated, each listed stockholder directly owned his or its shares and had sole voting and investment power.

### MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board held four meetings during the last fiscal year and took action by unanimous written consent on one occasion. Each director attended 75% or more of the aggregate number of Board meetings and Board committees on which he or she served that were held during such period. There are no arrangements between any director or executive officer and any other person pursuant to which the director or officer is to be selected as such. There is no family relationship between the directors, executive officers or persons nominated or appointed by the Board to become directors or executive officers.

All of our directors will serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified or their earlier resignation, removal, disqualification or death.

The Board currently has two standing committees: the Audit Committee and the Compensation Committee. The Audit Committee met on four occasions and the Compensation Committee met on one occasion during the fiscal year ended March 31, 2002.

The principal functions of the Audit Committee are to make recommendations to the Board concerning the engagement of independent public auditors, to monitor and review the quality and activities of the internal audit

functions and those of our independent auditors and to monitor the adequacy of the Company's operating and internal controls as reported by management and the independent auditors. The Audit Committee is composed of three independent directors and operates under a written charter adopted by the Board. The present members of the Audit Committee are Eric L. Sorokin, Chairman, Harvey R. Colten, M.D. and Frederick W. Wackerle, all of whom meet the independence requirements of Rule 4200(a)(14) of the Nasdaq Stock Market, Inc. ("Nasdaq") listing standards. ### REPORT OF THE AUDIT COMMITTEE

The members of the Audit Committee have been appointed by the board of directors. The Audit Committee is governed by a charter, which has been approved and adopted by the board of directors and which will be reviewed and reassessed annually by the Audit Committee. The Audit Committee is comprised of three independent directors.

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Audit Committee Report by reference therein.

The Audit Committee assists the board of directors in fulfilling its oversight responsibilities by reviewing (i) the financial reports and other financial information provided by the Company to any governmental body or to the public, (ii) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics and (iii) the Company's auditing, accounting and financial reporting processes.

The Audit Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The Audit Committee has received from and discussed with the independent auditors their written disclosure and letter regarding their independence from the Company as required by Independence Standards Board Standard No. 1.

Management is responsible for the preparation and integrity of the Company's financial statements and the independent auditors are responsible for the examination of those statements. The Audit Committee reviewed the Company's quarterly reports on Form 10-Q and audited financial statements for the year ended March 31, 2002, and met with both management and the Company's independent auditors to discuss those quarterly reports and financial statements.

Based upon these reviews and discussions, the Audit Committee has recommended to the board of directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 31, 2002.

Respectfully submitted,

#### EMPLOYMENT AGREEMENTS

Immtech entered into an employment agreement with Mr. Thompson in 1992 pursuant to which we retained Mr. Thompson as our President and Chief Executive Officer for an annual base salary of \$150,000 (subject to annual adjustment by the Board), plus certain fringe benefits and reimbursement for related business expenses. The agreement, which includes confidentiality and non-disclosure provisions, also grants to Mr. Thompson the right to receive an annual bonus to be established by the Board in an amount not to exceed 60% of Mr. Thompson's annual base salary for the year, which Mr. Thompson has declined for each year to date. Mr. Thompson may accept bonus awards in future years but will not be paid a bonus for years previously declined. If the Company breaches the agreement or Mr. Thompson is terminated without cause, he is entitled to all payments which he would otherwise accrue over the greater of nine months from the date of termination or the remaining term under the agreement. The original term of Mr. Thompson's agreement expired on May 11, 1999, and is subject to automatic successive one-year renewals unless terminated by either party upon 30 days' notice. In the event Mr. Thompson's employment with the Company is terminated for any reason, he is restricted from competing with the Company in

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

any business in which the Company (i) is engaged at that time (ii) is planning to become engaged and has made significant monetary investment in order to be engaged or (iii) was engaged at any time during his employment. The non-compete restriction period is 12 months from the date of Mr. Thompson's voluntary termination or an involuntary termination for cause, or for a period of nine months from the date of an involuntary termination, not for cause.

Except for \$12,500 paid to Mr. Thompson during the fiscal year ended March 31, 1998, Mr. Thompson waived any right to receive salary due under his employment agreement prior to June 30, 1998. Beginning July 1, 1998, and continuing until April 30, 1999, Mr. Thompson accepted one-half of his annual salary as full satisfaction of the salary obligation under his employment agreement. Effective May 1, 1999, Mr. Thompson resumed his full salary rate of \$150,000 per annum under his employment agreement, but will not be paid amounts previously waived or declined.

### COMPENSATION COMMITTEE REPORT

The Compensation Committee is composed of three independent directors of the Board. The members of the Compensation Committee are Frederick W. Wackerle, Chairman, Harvey R. Colten, M.D., and Eric L. Sorkin.

17

### COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

The Compensation Committee is comprised of three independent, non-employee directors. It is the Compensation Committee's responsibility to:

- o Make recommendations and report to the board of directors concerning matters of executive compensation,
- o Administer the Company's 2000 Plan, as amended,
- o Review compensation plans, programs and policies, and
- o Monitor the performance and compensation of executive officers.

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive compensation and the creation of stockholder value, while at the same time attracting, motivating and retaining senior management. The Compensation Committee's informal executive compensation philosophy (which applies generally to all Company management, including the Chief Executive Officer) considers a number of factors, which may include:

- o Providing levels of compensation competitive with companies at a comparable stage of development and in the Company's geographic area,
- o Integrating management's compensation with the achievement of performance goals, and
- o Recognizing and providing incentive for individual initiative and achievement.

The compensation structure of the Company's executive officers, including its Chief Executive Officer, is based on competitive, market-based pay practices and performance evaluations, and generally includes a combination of base salary, discretionary bonuses and stock options. In setting compensation levels, the Compensation Committee considers data regarding compensation practices from a group of biotechnology and pharmaceutical companies that are believed to be generally comparable to the Company. The companies comprising this group are not necessarily included within the peer group index reflected in the performance graph illustrated in this Proxy Statement. In setting our Chief Executive Officer's salary, we applied the same policy as applied in setting the compensation of our other executive officers. Our Chief Executive Officer's base salary for the most recent fiscal year was \$150,000 and he received no bonuses or stock option awards in this fiscal year.

Base salary is not targeted at any particular level within the group of companies considered. Instead, total salary is determined based on a subjective assessment of the executive's performance and the Company's needs. Consistent with its belief that equity ownership by senior management is beneficial in aligning the interests of senior management with those of the stockholders, the Company provides potentially significant long-term incentive opportunities to its senior management through discretionary grants of stock options, thereby emphasizing the potential creation of long-term stockholder value. The Compensation Committee considers stock options effective long-term incentives because an executive can profit only if the value of the Common Stock increases. In making these grants, the Compensation Committee considers its subjective assessment of the Company's future prospects, an executive officer's current level of ownership of the Common Stock, the period during which an executive officer has been in a key position with the Company, individual performance and competitive practices within the comparative group of companies.

Section 162(m) of the Internal Revenue Code generally denies a

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

deduction to any publicly held corporation for compensation paid to its chief executive officer and its four other highest-paid executive officers to the extent that any such individual's compensation exceeds \$1 million, subject to certain exceptions. The Compensation Committee intends to take actions to minimize the Company's exposure to nondeductible compensation expense under Section 162(m). While

18

keeping this goal in mind, the Compensation Committee also will try to maintain the flexibility that the Committee believes to be an important element of the Company's executive compensation program.

Respectfully submitted,  
The Compensation Committee

PROPOSAL NO. 1 - AMENDMENT OF OUR 2000 STOCK INCENTIVE PLAN TO  
INCREASE THE NUMBER OF SHARES FOR WHICH AWARDS MAY BE GRANTED  
THEREUNDER FROM 350,000 TO 1,100,000 SHARES

In order to ensure that sufficient shares are available for options

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

over the next few years, the Board has voted to approve, and recommends the stockholders ratify, an amendment to the Company's 2000 Stock Incentive Plan ("2000 Plan") which increases the number of shares of Common Stock reserved for issuance thereunder from 350,000 to 1,100,000 shares, subject to adjustment for stock splits, stock dividends and certain other transactions affecting our capital stock. A copy of the First Amended and Restated 2000 Plan is included as Appendix A to this Proxy Statement.

The 2000 Plan enables us to offer competitive compensation to attract and retain top quality personnel, to provide an incentive to achieve long-range performance goals and to enable participation in our long-term growth. Stock options granted under the 2000 Plan are a significant element of compensation for our Company, as they are in the pharmaceutical industry generally. The Board believes that it is essential for our future strength to continue to offer competitive equity compensation to eligible persons.

The 2000 Plan permits the grant of incentive and nonqualified stock options and restricted stock award (collectively, "Awards") to our employees, directors, consultants, advisors and other eligible persons. No Awards other than stock options have been granted to date. The 2000 Plan is administered by the Compensation Committee of the Board, which determines the persons to whom, and the times at which, Awards are granted, the type of Award to be granted and all other related terms, conditions and provisions of each Award. The Compensation Committee may delegate to one or more officers the power to make Awards to employees who are not executive officers subject to the reporting requirements of Section 16 of the Exchange Act. The 2000 Plan may be amended or terminated at any time by the Board, subject to approval by the stockholders, when such approval is deemed to be necessary or advisable by the Board.

Although the Compensation Committee has discretion in granting Awards, the exercise price of any incentive stock option ("ISO") may not be less than 100% of the fair market value of our Common Stock on the date of the grant. No ISO granted under the 2000

20

Plan is transferable by the optionee other than by will or the laws of descent and distribution. Other Awards are transferable to the extent provided by the Compensation Committee. The term of any ISO granted under the 2000 Plan may not exceed ten years, and no ISO may be granted under the 2000 Plan more than ten years from the 2000 Plan's adoption.

Options are generally granted subject to forfeiture restrictions that lapse over time during the optionee's employment. Vested options are generally cancelled if not exercised within a specified time after termination of the optionee's employment.

### OPTIONS GRANTED TO DATE UNDER THE 2000 PLAN AND SHARES AVAILABLE FOR FUTURE GRANTS

As of June 30, 2002, we have granted options to purchase an aggregate of 318,250 shares of Common Stock, of which 42,000 grants were subsequently terminated and are again available for issuance pursuant to the terms of the 2000 Plan. As of June 30, 2002, options to purchase 276,250 shares were outstanding under the 2000 Plan, no shares have been issued upon exercise of options granted under the 2000 Plan and there remain 73,750 shares available for Award under the 2000 Plan. Awards and shares reserved under the 2000 Plan are subject to appropriate adjustment in the event of a stock split or other recapitalization.

The Board considers our ongoing program of granting stock options to be very important to our ability to compete for talent and a significant incentive to promote our success and, therefore, is in the best interests of our stockholders. If this proposal is not approved, the Board will reconsider its approval of the First Amended and Restated 2000 Plan.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THIS PROPOSAL NO. 1, WHICH IS TO RATIFY THE AMENDMENT OF THE 2000 PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK ISSUABLE THEREUNDER FROM 350,000 TO 1,100,000 SHARES.

PROPOSAL NO. 2 - CONVERSION OF SERIES A STOCK HELD BY OFFICERS AND DIRECTORS

Nasdaq Rule 4350(i)(1)(A) generally prohibits us, as a Nasdaq-listed company, from entering into transactions with our directors or officers (other than pursuant to warrants or rights issued generally to security holders of the issuer or broadly based plans or arrangements offered to all employees) that would result in any officer or director receiving more than 25,000 shares of Common Stock without obtaining stockholder approval.

In private placements occurring on February 14, 2002, certain officers and directors assisted us to raise capital to continue our operations and to comply with Nasdaq SmallCap Market maintenance standards by purchasing shares of Series A Stock and warrants to purchase Common Stock. Those officers and directors participated in the private placement offerings at the same price and on the same terms as unaffiliated investors after such price and terms were established in arms'-length negotiations with unaffiliated investors. Pursuant to Nasdaq rules, the participating officers and directors were required to waive their rights to convert their Series A Stock into Common Stock until such time as a majority of the shareholders approve or until they no longer hold such positions with the Company. The table below sets forth the names of and offices held by the officers and directors who participated, the number of shares of Series A Stock (and shares of Common Stock therefore convertible into) and warrants purchased, and the amounts paid therefore.

Stockholder and Company Affiliation	Shares of Series A Stock Purchased	Shares of Common Stock Upon Conversion	Warrants Purchased	Aggrega P
T. Stephen Thompson President, Chief Executive Officer and Director	8,000	45,249	20,000	
Eric L. Sorkin Director	3,600	20,362	9,000	
Frederick W. Wackerle Director	2,400	13,575	6,000	
Gary C. Parks Secretary, Treasurer and Chief Financial Officer	400	2,262	1,000	
Totals	14,400	81,448	36,000	

Key provisions of our Series A Stock are (i) a stated value of \$25.00, (ii) a \$25.00 (plus accrued but unpaid dividends) liquidation preference, (iii) an initial conversion rate of \$4.42, which initially equals 5.6561 shares of Common Stock per share and which is subject to adjustment for dilution protection, (iv) optional conversion rights into Common Stock on demand, (v) anti-dilution protection and (vi) rights of participation. The Series A Stock earns a 6% per annum dividend payable, at our option, in cash or shares of Common Stock on each of April 15th and October 15th so long as the Series A Stock remains outstanding. We have the right (i) to redeem some or all of the Series A Stock any time after 30 days' notice at the stated value plus accrued and unpaid dividends (holders of Series A Stock (other than the listed officers and directors, unless Proposal No. 2 is approved by the shareholders) have the right to convert their Series A Stock to Common Stock during the above-mentioned 30-day notice periods) or (ii) to convert some or all of the Series A Stock (other than shares held by the named officers and directors unless Proposal No. 2 is approved) into Common Stock upon 30 days' notice any time after February 13, 2003 (x) at the stated value plus accrued and unpaid dividends if the closing bid price for our Common Stock exceeds \$9.00 for 20 consecutive "trading days" (days the principal exchange on which the Common Stock is listed or traded is open for business or, if the Common Stock is no longer listed or traded on an exchange, business days) within 180 days prior to notice of conversion or (y), if the requirements of (x) are not met, at 110% of the stated value plus accrued and unpaid dividends. A complete description of the Series A Stock can be found in the Series A Stock Certificate of Designation and Form of Regulation D Subscription Agreement filed as exhibits to our Current Report on Form 8-K filed with the SEC via its Electronic Data Gathering And Retrieval service ("EDGAR") on February 14, 2002.

The warrants (i) have an exercise price of \$6.00 per share, (ii) expire five years from the date of grant, (iii) may not be exercised until all Series A Stock held by the initial holder is converted to Common Stock, (iv) may be redeemed by us at the price of \$0.10 per underlying share under certain conditions and (v) contain certain anti-dilution protections. A Form of Warrant containing the complete warrant terms is filed as an exhibit to our Current Report on Form 8-K filed with the SEC via EDGAR on February 14, 2002.

If stockholder approval is not obtained, then those officers and directors will continue to hold the Series A Stock and the Company will be prohibited from converting such Series A Stock into Common Stock when otherwise permitted under the Series A Stock Certificate of Designation, thereby preventing the Company from, among other things, terminating payment of dividends on those shares.

The Board believes that providing for the conversion of the outstanding Series A Stock into Common Stock is in the Company's best interest because, among other benefits listed above, it will permit us to terminate the payment of the 6% dividend and the Series A Stock liquidation preference, which could make it easier for us to raise additional capital from third parties.

#### INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The named directors and executive officers hold shares of Series A Stock. Approval of this proposal will permit those directors and executive

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

officers to convert their Series A Stock into Common Stock.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THIS PROPOSAL NO. 2, WHICH IS TO APPROVE THE ISSUANCE OF COMMON STOCK ISSUABLE UPON CONVERSION OF SERIES A STOCK HELD BY THE NAMED OFFICERS AND DIRECTORS.

### PROPOSAL NO. 3 - RATIFICATION OF AUDITORS

The Board has appointed the firm of Deloitte & Touche LLP, as independent accountants, to be our independent auditors for the fiscal year ending March 31, 2003, and recommends the stockholders vote for ratification of that appointment. Deloitte & Touche LLP served in this capacity for the fiscal year ended March 31, 2002.

The Board appoints our independent auditors annually and subsequently requests ratification of such appointment by the stockholders at the Company's annual meeting. The decision of the Board is based on the recommendation of the Audit Committee, which reviews and approves in advance the scope of the audit, the types of non-audit services that we will need and the estimated fees for the coming year. The Audit Committee also reviews and approves any non-audit services provided by our independent auditors to ensure that any such services will not impair the independence of the auditors.

Before making its recommendation to the Board for appointment of Deloitte & Touche LLP, the Audit Committee carefully considered that firm's qualifications as independent auditors, which included a review of Deloitte & Touche LLP's performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed its satisfaction with Deloitte & Touche LLP in these respects.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THIS PROPOSAL NO. 3, WHICH IS THE RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING MARCH 31, 2003.

24

### INDEPENDENT AUDITORS

Deloitte & Touche LLP acted as our independent auditors for the fiscal years ended March 31, 1999, 2000, 2001 and 2002, and is selected by the Board to continue for the current fiscal year. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting, with the opportunity to make a statement should they desire to do so, and be available to respond to appropriate questions.

### Audit Fees

The estimated aggregate fees billed by Deloitte & Touche LLP for professional services rendered for the audit of our annual financial statements for the fiscal year ended March 31, 2002 and for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for that fiscal year were \$103,258.

### Financial Information Systems Design and Implementation Fees

Deloitte & Touche LLP did not provide to us any services related to financial information systems design and implementation during the fiscal year ended March 31, 2002.

### All Other Audit Fees

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

The aggregate fees billed by Deloitte & Touche LLP for services rendered to us, other than the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees," for the fiscal year ended March 31, 2002, were \$45,583.

The Audit Committee has determined that the provision of such non-audit services is compatible with maintaining the independence of the independent auditors and has determined there is no conflict of interest.

#### FIRST AMENDED AND RESTATED IMMTECH INTERNATIONAL INC. 2000 STOCK INCENTIVE PLAN

##### ARTICLE I GENERAL

Section 1.01 Purpose. The purpose of the Plan is to enable the Company to attract, retain and reward employees, directors and other individuals who are providing significant services to the Company, by offering such individuals an opportunity to have a greater proprietary interest in and a closer identity with the Company and its financial success through the award of Incentive Stock Options, Nonqualified Stock Options and Stock Awards.

Section 1.02 Effective Date. The Plan is effective as of March 30, 2000 (the "Effective Date") and shall remain in effect until terminated in accordance with Article VIII; provided, however, in no event may an Incentive Stock Option be granted under the Plan on or after the tenth anniversary of the Effective Date.

Section 1.03 Participation. Subject to the terms and conditions of the Plan, the Committee shall determine and designate, from time to time, from among the employees, directors and other individuals providing material services to the Company, those persons who will be granted one or more Awards under the Plan, and thereby become Participants in the Plan.

In the discretion of the Committee, and subject to the terms of the Plan, a Participant may be granted any Award permitted under the provisions of the Plan, and more than one Award may be granted to a Participant. Except as otherwise agreed by the Company and the Participant, or except as otherwise provided in the Plan, an Award under the Plan shall not affect any previous Award under the Plan or an award under any other plan maintained by the Company or the Subsidiaries.

Section 1.04 Operation and Administration. The operation and administration of the Plan, including the Awards made under the Plan, shall be subject to the provisions of Article VI (relating to operation and administration). Capitalized terms in the Plan shall be defined as set forth in the Plan (including the definition provisions of Article II).

##### ARTICLE II DEFINITIONS

When used in the Plan and initially capitalized, the following words and phrases shall have the meanings indicated:

Section 2.03 "Cause" means, in the reasonable judgment of the Committee, a Participant's habitual intoxication, drug addiction, material theft, proven dishonesty, gross misconduct, embezzlement, fraud, conviction of a felony (whether or not connected with the employment relationship), disclosure of material trade secrets or business information of the Company or use of the facilities or premises of the Company for the conduct of unlawful or unauthorized activities or transactions. The Committee's determination as to whether Cause exists will be final and binding. For purposes of this Section 2.03, the term Company shall be deemed to include the Subsidiaries.

Section 2.04 "Code" means the Internal Revenue Code of 1986, as amended.

Section 2.05 "Committee" means a committee of two or more members of the Board appointed by the Board to administer the Plan. At any time the Board has not appointed such a Committee, the Board shall act as the Committee under the Plan.

For purposes of determining the post-termination exercise period applicable to an Incentive Stock Option, the term "Disability" shall mean permanent disability within the meaning of Code Section 22(e)(3). A Participant shall not be considered Disabled unless the Committee determines that the Disability arose prior to such Participant's Termination Date.

#### ARTICLE III OPTION AWARDS

Section 3.01 Eligibility. The Committee shall determine and designate from among the Eligible Individuals, those persons who shall be granted Options and become Participants under the Plan and the number of shares of Common Stock that shall be subject to each such Option.

Section 3.02 Terms and Conditions of Options. Options granted under the Plan may be Incentive Stock Options or Nonqualified Stock Options, as determined by the Committee in its sole discretion; provided, however, that no Incentive Stock Option shall be awarded to any individual who is not an employee of the Company. To the extent that an Option designated as an Incentive Stock Option does not satisfy the requirements of Section 422 of the Code, it shall be treated as a Nonqualified Stock Option. Each Option granted under the Plan shall be subject to the following terms and conditions, and such other terms and

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

conditions as the Committee deems appropriate.

(a) Exercise Price. The price of each share of Common Stock subject to an Option shall be determined by the Committee at the time the Option is granted and, in the case of an Incentive Stock Option, shall not be less than the Fair Market Value of a share of Common Stock on the date the Option is granted.

(b) Vesting of Options. The exercise of an Option is contingent on satisfaction of the vesting conditions, if any, established by the Committee with respect to such Option at the time of grant. Such conditions may include, but are not limited to, completion of a specified period of service or achievement of performance goals. If the Committee determines that a Participant has disclosed without the written consent of an authorized officer of the Company, to any person not employed by or engaged to render services to the Company or a Subsidiary, any material confidential information of the Company or a Subsidiary, or that the Participant has engaged in material competition with the Company or any Subsidiary or in any activities otherwise contrary to the best interests of the Company, the Committee may cancel such Participant's outstanding Options, whether or not vested.

(c) Expiration Date. Unless the Committee determines otherwise, Options awarded under the Plan shall expire and no longer be exercisable on the earliest to occur of:

(i) The ten-year anniversary of the date the Option was granted;

(ii) If the Participant's Termination Date occurs by reason of death, Disability or Retirement, the first anniversary of such Termination Date;

(iii) If the Participant's Termination Date occurs for reasons of Cause, such Termination Date; or

A-4

### APPENDIX A

(iv) If the Participant's Termination Date occurs for any reason other than death, Disability, Retirement or Cause, the three-month anniversary of the Termination Date.

Unless the Committee determines otherwise, any portion of an Option which is not exercisable on the Participant's Termination Date for any reason shall expire on such Termination Date and may not thereafter be exercised.

(d) Other Terms. Options granted under the Plan may also be subject to such other provisions (whether or not applicable to any other Options granted under the Plan) as the Committee determines appropriate, including without limitation, provisions to assist the Participant in financing the acquisition of Common Stock, provisions for the forfeiture of, or restrictions on resale or other disposition of Common Stock acquired under any Option, provisions for the acceleration of exercisability or vesting of Options, provisions relating to restrictions on competitive activity, or provisions to comply with Federal and state securities laws, or understandings or conditions as to the Participant's employment in addition to those specifically provided for under the Plan.

Section 3.03 Rules Applicable to Incentive Stock Options. In addition to the terms and conditions specified elsewhere in the Plan, the following rules shall be applicable to Incentive Stock Options.

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

(a) Grant Period. An Incentive Stock Option may not be granted more than ten years after the date the Plan is adopted by the Board of Directors of the Company or approved by stockholders of the Company, whichever is earlier.

(b) Ten Percent-Owner. If a Participant on the date that an Incentive Stock Option is granted owns, directly or indirectly, within the meaning of Section 424(d) of the Code, stock representing more than 10% of the voting power of all classes of stock of the Company, then the exercise price per share shall in no instance be less than 110% of the Fair Market Value per share of Common Stock at the time the Incentive Stock Option is granted, and no Incentive Stock Option shall be exercisable by such Participant after the expiration of five years from the date it is granted.

(c) Employee Status. To retain favorable Incentive Stock Option tax treatment, the Option holder must be an employee of the Company at all times from the date the Option is granted through a date that is no more than three months prior to the date such Option is exercised (or no more than one year prior to the date such Option is exercised if the Option holder terminates employment due to death or Disability). For this purpose, the first 90 days of an authorized leave of absence (or, if longer, the period the Participant's right to reemployment is guaranteed by statute or contract) shall not be deemed to sever the employment relationship.

(d) Limitations on Dispositions. To retain favorable Incentive Stock Option tax treatment, Common Stock received upon the exercise of an Incentive Stock Option may not be disposed of prior to the later of two years from the date the Incentive

### APPENDIX A

Stock Option is granted or one year from the date the shares of Common Stock are transferred to the Participant upon exercise of the Incentive Stock Option.

(e) Value of Shares. The aggregate Fair Market Value (determined at the date or dates of grant) of the Incentive Stock Options exercisable for the first time by a Participant during any calendar year shall not exceed \$100,000 or any other limit imposed by the Code.

Section 3.04 Exercise of Options. An Option may be exercised in whole or part, to the extent then exercisable, by filing a written notice with the Secretary of the Company at its corporate headquarters. Such notice shall specify the number of shares of Common Stock to be purchased and must be accompanied by payment of the exercise price and applicable withholding taxes. Such payment may be paid (1) in cash, (2) by check, (3) in the discretion of the Committee, by the delivery (or certification of ownership) of Common Stock that has been held by the Participant at least six months, or (4) in any other manner then permitted by the Committee; provided, however, that payment of the exercise price by delivery of Common Stock then owned by the Participant may be made, if permitted by the Committee, only if such payment does not result in a charge to earnings for financial accounting purposes as determined by the Committee.

Section 3.05 Conditional Exercise of Options Prior to Full Vesting. The Committee, in its sole discretion, may provide that an Option under the Plan shall be exercisable prior to the satisfaction of the vesting conditions. Any shares received in connection with the exercise of an Option prior to the satisfaction of the vesting conditions shall be subject to such restrictions and limitations, including limitations on transfer, as determined by the Committee

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

in its sole discretion. The Participant shall be required to execute a Restricted Stock Agreement agreeing to such terms as a condition of exercise. Upon change in control, options shall be immediately, fully vested.

### ARTICLE IV STOCK AWARDS; RESTRICTED STOCK

Section 4.01 Definition. Subject to the terms of this Article IV, a Stock Award under the Plan is a grant of shares of Common Stock to a Participant, the earning, vesting or distribution of which is subject to one or more conditions established by the Committee in its sole discretion. Such conditions may relate to events (such as performance or continued employment) occurring before or after the date the Stock Award is granted, or the date the Common Stock is earned by, vested in or delivered to the Participant. If the vesting of Stock Awards is subject to conditions occurring after the date of grant, the period beginning on the date of grant of a Stock Award and ending on the vesting or forfeiture of such Common Stock (as applicable) is referred to as the "Restricted Period." Such Stock Award may be referred to as "Restricted Stock" during the Restricted Period. Stock Awards may provide for delivery of the shares of Common Stock at the time of grant, or may provide for a deferred delivery date. A Stock Award may, but need not, be made in conjunction with a cash-based incentive compensation program maintained by the Company, and may, but need not, be in lieu of cash otherwise awardable under such program.

A-6

### APPENDIX A

Section 4.02 Eligibility. The Committee, in its sole discretion, shall designate the Participants to whom Stock Awards are to be granted, and the number of shares of Common Stock that are subject to each such Award.

Section 4.03 Terms and Conditions of Awards. Stock Awards granted to Participants under the Plan shall be subject to the following terms and conditions:

(a) Beginning on the date of grant (or, if later, the date of distribution) of shares of Common Stock comprising a Stock Award, and including any applicable Restricted Period, the Participant shall be treated as owner of such shares and shall have the right to vote such shares.

(b) Payment of dividends with respect to Stock Awards shall be subject to the following:

(i) On and after the date that a Participant has a fully earned and vested right to the shares comprising a Stock Award, and the shares have been distributed to the Participant, the Participant shall have all dividend rights and any other rights of a stockholder with respect to such shares.

(ii) Prior to the date that a Participant has a fully earned and vested right to the shares comprising a Stock Award, the Committee, in its sole discretion, may award Dividend Rights (as defined in subparagraph (iv) below) with respect to such shares.

(iii) On and after the date that a Participant has a fully earned and vested right to the shares comprising a Stock Award, but before the shares have been distributed to the Participant, the Participant shall be entitled to Dividend Rights (as defined in subparagraph (iv) below) with respect to such shares, at the time and in the form determined by the

## Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

Committee.

(iv) A "Dividend Right" with respect to shares comprising a Stock Award shall entitle the Participant, as of each dividend payment date, to an amount equal to the dividends payable with respect to a share of Common Stock multiplied by the number of such shares. Dividend Rights shall be settled in cash or in shares of Common Stock, as determined by the Committee, shall be payable at the time and in the form determined by the Committee, and shall be subject to such other terms and conditions as the Committee may determine.

### ARTICLE V ADMINISTRATION

Section 5.01 Authority of Committee. The Committee shall have the authority to approve Eligible Individuals for participation; to construe and interpret the Plan; to establish, amend or waive rules and regulations for its administration; and to accelerate the exercisability of any Option or the termination of any restriction under any Award. Awards may be subject to such provisions as the Committee shall deem

A-7

### APPENDIX A

advisable, and may be amended by the Committee from time to time; provided that no such amendment may adversely affect the rights of the holder of an Award without such Award holder's written consent.

Section 5.02 Powers of the Committee. The Committee may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent.

Section 5.03 Indemnification. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award made under it. To the maximum extent permitted by applicable law, each such member shall be indemnified and held harmless by the Company against any cost or expense (including legal fees) or liability (including any sum paid in settlement of a claim with the approval of the Company) arising out of any act or omission to act in connection with the Plan, unless arising out of such member's own fraud or bad faith. Such indemnification shall be in addition to any rights of indemnification the members may have as employees of the Company, as members of the Board or under the by-laws of the Company.

### ARTICLE VI COMMON STOCK SUBJECT TO THE PLAN

Section 6.01 Common Stock Subject to Plan. The aggregate number of shares of Common Stock that may be issued under the Plan shall not exceed 1,100,000 shares, subject to adjustment in accordance with Section 6.02. In no event shall the number of shares of Common Stock underlying Options awarded to any one individual in any 12-month period exceed 75,000 shares. Shares issued under the Plan may be authorized but unissued shares or shares that are currently held or subsequently acquired by the Company as treasury shares. Any shares subject to an Award which for any reason expires or terminates without the issuance of Common Stock (including, if applicable, Common Stock that is not issued because it is withheld to satisfy tax withholding) shall again be available for issuance of Awards under the Plan.

Section 6.02 Adjustment to Shares. In the event of any merger, consolidation, reorganization, recapitalization, spin-off, stock dividend, stock split, reverse stock split, exchange or other distribution with respect to shares of Common Stock or other change in corporate structure or capitalization affecting the Common Stock, the type and number of shares of Common Stock which are or may be subject to Awards under the Plan and the terms of any outstanding Awards (including the number of shares subject to the Award and the price, if applicable, at which they may be purchased) shall be equitably adjusted by the Committee, in its sole discretion, to preserve the value of the benefits awarded or to be awarded to Participants under the Plan.

A-8

APPENDIX A

ARTICLE VII  
GENERAL PROVISIONS

Section 7.01 No Contract of Employment. The Plan does not constitute a contract of employment, and selection as a Participant will not give any individual the right to be retained in the employ of the Company as an employee, advisor or otherwise, nor any right or claim to any benefit under the Plan unless such right or claim has specifically accrued under the terms of the Plan.

Section 7.02 Shareholder Status. No Award under the Plan shall confer upon the holder thereof any right as a stockholder of the Company prior to the date on which shares of Common Stock are registered in his or her name.

Section 7.03 Limitations on Distributions. Notwithstanding any other provision of the Plan, the Company shall have no liability to deliver any shares of Common Stock under the Plan or make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity. Prior to the issuance of any share of Common Stock under the Plan, the Company may require a written statement that the recipient is acquiring the shares for investment and not for the purpose or with the intention of distributing the shares and will not dispose of them in violation of the registration requirements of the Securities Act.

Section 7.04 Withholding of Taxes. All distributions and payments under the Plan are subject to the withholding of all applicable taxes. To the extent permitted by the Committee, payment of the minimum tax withholding required by law on the exercise of a Nonqualified Stock Option may be made by withholding shares of Common Stock otherwise issuable upon such exercise having a Fair Market Value equal to such minimum withholding tax.

Section 7.05 Non-Transferability. Awards granted under the Plan are not transferable except as designated by the Participant by will or by the laws of descent and distribution. To the extent that a Participant who receives an Option under the Plan has the right to exercise such Option the Option may be exercised during the lifetime of the Participant only by the Participant or his or her guardian or legal representative. Notwithstanding the foregoing, the Committee, in its sole discretion, may permit a Participant to transfer Awards (other than Incentive Stock Options) granted under the Plan to a member of the Participant's immediate family or to a trust for the benefit of the Participant or members of the Participant's immediate family.

Section 7.06 Successors. All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any

Edgar Filing: IMMTECH INTERNATIONAL INC - Form PRE 14A

successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business and/or assets of the Company.

A-9

APPENDIX A

Section 7.07 Gender and Number. Where the context admits, words in any gender shall include any other gender, words in the singular shall include the plural and the plural shall include the singular.

Section 7.08 Agreement with Company. At the time an Award is granted to a Participant under the Plan, the Committee may require a Participant to enter into an agreement with the Company in a form specified by the Committee agreeing to the terms and conditions of the Plan and to such additional terms and conditions not inconsistent with the Plan as the Committee, in its sole discretion, may prescribe.

Section 7.09 Governing Law. The Plan, and all agreements under the Plan, shall be construed in accordance with and governed by the laws of the State of Delaware.

ARTICLE VIII  
AMENDMENT AND TERMINATION

The Board may at any time amend or terminate the Plan, provided that, subject to Section 6.02 (relating to adjustment of shares), no amendment or termination may materially adversely affect the rights of any Participant or beneficiary under any Award granted under the Plan prior to the date such amendment or termination is adopted by the Board without such individual's written consent.

4. Method of Exercise. An Option may be exercised in whole or part, to the extent then exercisable, by filing a written notice with the Secretary of the Company at its corporate headquarters. Such notice shall specify the number of shares of Common Stock to be purchased and must be accompanied by payment of the exercise price and applicable withholding taxes. Such payment may be paid (i) in cash, (ii) by check, (iii) in the discretion of the Committee, by delivery (or certification of ownership) of Common Stock that has been held by the Optionee at least six months, or (iv) in any other manner then permitted by the Committee. Such exercise shall be conditioned on the Optionee's execution of such documents or representations as the Committee may reasonably request (including a representation that the Optionee is acquiring the Common Stock for investment).
5. No Implied Rights. This Agreement does not constitute a contract of employment, and does not give any individual the right to be retained in the employ of the Company as an employee, advisor or otherwise, nor any right or claim to any benefit under the Plan unless such right or claim has specifically accrued under the terms of the Plan. This Agreement does not confer upon the Optionee any right as a stockholder of the Company prior to the date on which shares of Common Stock are registered in the Optionee's name.
6. Limitations on Distributions. Notwithstanding any other provision of this Agreement, the Company shall have no liability to deliver any shares of Common Stock under this Agreement or make any other distribution of benefits under the Agreement unless such delivery or distribution would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity.
7. Nontransferability. The Option granted under this Agreement is not transferable except as designated by the Optionee by will or by the laws of descent and distribution. To the extent that the Optionee has the right to exercise this Option, the Option may be exercised during the lifetime of the Optionee only by the Optionee or his or her guardian or legal representative.
