NEWS RELEASE

ASHFORD HOSPITALITY TRUST RESPONDS TO FELCOR LODGING TRUST'S ACCEPTANCE OF AN ALTERNATIVE MERGER PROPOSAL

DALLAS, April 25, 2017 - Ashford Hospitality Trust (NYSE: AHT) ("Ashford Trust" or "We") today responded to the announcement that the Board of Directors of FelCor Lodging Trust Incorporated (NYSE: FCH) ("FelCor") had entered into a merger agreement with RLJ Lodging Trust (NYSE: RLJ) providing for all-stock consideration for FelCor stockholders valued at \$8.01 per share based on the April 24, 2017 closing share price of \$22.12 per share. Ashford Trust announced that it had submitted a revised offer to FelCor's Board of Directors on April 20, 2017, comprised of 50% cash consideration and valued at \$8.22 per share based on the April 24, 2017 closing share price of AHT of \$6.43 per share. Despite the acceptance of RLJ's all-stock offer, FelCor pushed hard for a cash offer from Ashford Trust.

Ashford Trust believes its offer would have been more attractive to shareholders than the RLJ offer as it included 50% cash, would have provided a more certain path to future value creation through guaranteed synergies and operational enhancements and offered a higher dividend yield on the stock component of the bid. Ashford Trust is disappointed that the FelCor Board of Directors decided not to meaningfully engage on the recently revised offer.

A copy of the letter delivered to FelCor's Board of Directors on April 20, 2017 is included below:

Dear Members of the Board:

We remain committed to combining Ashford Hospitality Trust, Inc. ("Ashford Trust", "AHT" or "We") and FelCor Lodging Trust Incorporated ("FelCor") to create a leading lodging REIT for our collective shareholders. After receiving your feedback that our initial all-stock proposal needed to include a cash component, we analyzed numerous structures and submitted a revised proposal that included cash consideration in a letter to you dated March 25, 2017. Since then you have indicated that FelCor would like additional value, cash as well as certainty. To that end, we have continued to work alongside our investment banking and legal advisors to refine our analysis and the structure of our bid in order to be responsive to these requests and are pleased to provide you the following enhanced proposal.

Proposal

Our updated proposal includes a total consideration of \$8.25 per each FelCor share, based on a closing price of AHT as of April 20, 2017 and comprised of the following per share amounts:

\$4.13 per share in cash;
0.608 shares of Ashford Trust;
0.003 shares of Ashford Inc. ("AINC"); and
0.001 warrants to purchase AINC shares with a strike price of \$100 per share and an expiration date that is five years from the transaction closing date

This represents a transaction with merger consideration that is comprised of 50% cash compared to 21% in the prior proposal. It also reflects an increase to the exchange ratio of 4%. We are confident that your shareholders will find our enhanced proposal attractive. Our proposal provides a significant and immediate premium to the current FelCor share price, value certainty, and the substantial future upside in our combined company.

Our proposal represents premiums to FelCor's share price as follows (based on the noted assumed prices for Ashford Trust, AINC and FelCor stock):

Based on AHT and AINC unaffected stock prices as of February 17, 2017, a substantial 24% premium to the unaffected closing price of FelCor's stock on February 17, 2017; and

Based on AHT's and AINC's 5-trading day volume weighted average prices as of April 20, 2017, an 11% premium to the closing price of FelCor's stock on April 20, 2017, which we believe already reflects a takeover premium.

All other terms in our previous proposal including the synergy guaranty and governance enhancements remain the same, namely:

AINC reaffirms its belief that there are approximately \$18 million or more of operational and G&A synergies and is willing to provide a one (1) year guarantee of up to \$18 million commencing six (6) months following the completion of the transaction with the actual

payment of this guarantee, if needed, coming in the form of reduced advisory fees paid to AINC;
 We will adopt proxy access and are willing to work with you to provide other refinements to governance to be announced in conjunction with the shareholder vote to approve the combination;
 Three (3) FelCor directors will have the opportunity to join the board of AHT, and AINC has indicated that one (1) FelCor director will have the opportunity to join the board of AINC;
 As announced, we separated AHT's Chairman and CEO roles; and
 We will seek to negotiate and amend the advisory agreement between AHT and AINC within one year of combining our companies to reflect similar recent amendments made between Ashford Hospitality Prime and AINC, where applicable, with any such amendment subject to approval by independent committees of both AHT and AINC Boards.

Financing and Sources and Uses

We are sourcing cash in the transaction by incurring approximately \$1.8 billion in new CMBS on FelCor's properties and utilizing \$223 million from the Ashford Trust and FelCor balance sheets. We now expect to refinance FelCor's outstanding bonds in connection with the closing of the transaction. As you are well aware, in order to refinance FelCor's outstanding bonds we will be required to pay the "make-whole" which will result in a substantial additional cost. We believe the FelCor Board should consider this outlay by us - which is necessary to be responsive to your request for more cash - in evaluating the value of our bid. Our definitive agreement will not be subject to a financing contingency and, as you know, we have been working with UBS Investment Bank to obtain committed financing to refinance the existing bonds and fund a portion of the merger consideration.

The table below highlights indicative sources and uses contemplated in our proposal.

Sources	(\$mm)	Uses	(\$mm)
AHT Equity	523	Purchase of FelCor Equity	1,145
New CMBS	1,842	Illustrative Fees & Expenses	131
AHT-FCH Excess Balance Sheet Cash	223	Paydown FelCor Revolving Credit Facility	119
AINC Consideration	24	Other FelCor Debt Refinanced (including "make-whole" premium)	1,268
AHT Current Ownership of FelCor	51		
Total	\$2,663	Total	\$2,663

Our proposal contained in this letter is preliminary and non-binding, and does not create any legally enforceable obligation of AHT, AINC or FelCor unless and until a definitive agreement is signed, which would contain customary terms and conditions. Any final proposal is subject to the completion of a due diligence review, the final approval of our respective Boards and the negotiation and execution of mutually acceptable definitive transaction agreements.

We remain convinced of the strategic benefits of this transaction and strongly believe that a combination is in the best interests of both Ashford Trust's and FelCor's shareholders. We believe our proposal provides FelCor shareholders both immediate value and the opportunity to participate meaningfully in the future value creation of a leading lodging REIT. We are prepared to move quickly and look forward to your prompt reply.

Sincerely,

Douglas A. Kessler
