This proxy statement is first being mailed to shareholders on approximately March 23, 2007.

VOTING INFORMATION

Outstanding Securities and Voting Rights

The record date for determining shareholders entitled to notice of, and to vote at, the meeting is March 12, 2007. Only shareholders of record as of the record date will be entitled to notice of, and to vote at, the meeting.

On the record date 8,273,335 shares of Peapack-Gladstone's common stock, no par value, were outstanding and eligible to be voted at the meeting. Each share of Peapack-Gladstone's common stock is entitled to one vote.

Required Vote

The election of directors requires the affirmative vote of a plurality of Peapack-Gladstone's common stock voted at the meeting, whether voted in person or by proxy. At the meeting, inspectors of election will tabulate both ballots cast by shareholders present and voting in person, and votes cast by proxy. Under applicable New Jersey law and Peapack-Gladstone's certificate of incorporation and by-laws, abstentions and broker non-votes are counted for purpose of establishing a quorum but otherwise do not count.

All shares represented by valid proxies received pursuant to this solicitation will be voted FOR the election of the 11 nominees for director who are named in this proxy statement, unless the shareholder specifies a different choice by means of the proxy or revokes the proxy prior to the time it is exercised. Should any other matter properly come before the meeting, the persons named as proxies will vote upon such matters according to their discretion.

Revocability of Proxy

Any shareholder giving a proxy has the right to attend and to vote at the meeting in person. A proxy may be revoked prior to the meeting by filing a later-dated proxy or a written revocation if it is sent to the Secretary of

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

Peapack-Gladstone, Antoinette Rosell, at 158 Route 206 North, Gladstone, New Jersey, 07934, and is received by Peapack-Gladstone in advance of the meeting. A proxy may be revoked at the meeting by filing a later-dated proxy or a written revocation with the Secretary of the meeting prior to the voting of such proxy.

Solicitation of Proxies

This proxy solicitation is being made by the Board of Peapack-Gladstone and the costs of the solicitation will be borne by Peapack-Gladstone. In addition to the use of the mails, proxies may be solicited personally or by telephone, e-mail or facsimile transmission by directors, officers and employees of Peapack-Gladstone and its subsidiaries who will not be specially compensated for such solicitation activities. Peapack-Gladstone will also make arrangements with brokers, dealers, nominees, custodians and fiduciaries to forward proxy soliciting materials to the beneficial owners of shares held of record by such persons, and Peapack-Gladstone may reimburse them for their reasonable expenses incurred in forwarding the materials.

PROPOSAL 1 - ELECTION OF DIRECTORS

DIRECTOR INFORMATION

Peapack-Gladstone's certificate of incorporation and by-laws authorize a minimum of 5 and a maximum of 25 directors, but leave the exact number to be fixed by resolution of Peapack-Gladstone's Board of Directors. The Board has currently fixed the number of directors at 11 and the Board is presently comprised of 11 members. Directors are elected annually by the shareholders for one-year terms. Peapack-Gladstone's Nominating Committee has recommended to the Board the 11 current directors for reelection to serve for one-year terms expiring at Peapack-Gladstone's 2008 Annual Meeting of Shareholders and until their successors shall have been duly elected and qualified. If, for any reason, any of the nominees become unavailable for election, the proxy solicited by the Board will be voted for a substitute nominee selected by the Board. The Board has no reason to believe that any of the named nominees is not available or will not serve if elected.

Unless a shareholder indicates otherwise on the proxy, the proxy will be voted for the persons named in the table below to serve until the expiration of their terms, and thereafter until their successors have been duly elected and qualified.

The following table sets forth the names and ages of the Board's nominees for election, the nominees' position with Peapack-Gladstone (if any), the principal occupation or employment of each nominee for the past five years and the period during which each nominee has served as a director of Peapack-Gladstone. The nominee's prior service as a director includes prior service as a director of Peapack-Gladstone Bank (the "Bank") prior to the formation of the holding company.

RECOMMENDATION AND VOTE REQUIRED ON PROPOSAL 1

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE 'FOR' THE NOMINATED SLATE OF DIRECTORS INCLUDED IN PROPOSAL 1. Directors will be elected by a plurality of the votes cast at the meeting.

CORPORATE GOVERNANCE

General

The business and affairs of Peapack-Gladstone are managed under the direction of the Board of Directors. Members of the Board are kept informed of Peapack-Gladstone's business through discussions with the Chairman and Peapack-Gladstone's other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. All members of the Board also served as directors of Peapack-Gladstone's subsidiary bank, Peapack-Gladstone Bank, during 2006. The Board of Directors of Peapack-Gladstone held 12 meetings during 2006. During 2006, all directors of Peapack-Gladstone attended no fewer than 75% of the total number of meetings of Peapack-Gladstone's Board and meetings of committees on which such director served. It is Peapack-Gladstone's policy to encourage director attendance at the Annual Meeting absent a compelling reason such as illness. Last year, all but one director attended the Annual Meeting.

Our Board of Directors believes that the purpose of corporate governance is to maximize shareholder value in a manner consistent with legal requirements. The Board has adopted corporate governance principles, which the Board and senior management believe promote this purpose. We periodically review

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

these governance principles, the rules and listing standards of the American Stock Exchange (the "AMEX") and Securities and Exchange Commission (the "SEC") regulations.

Director Independence

The Board has determined that a majority of the directors and all current members of the Nominating, Compensation, and Audit Committees are "independent" for purposes of Section 121 of the American Stock Exchange Company Guide, and that the members of the Audit Committee are also "independent" for purposes of Section 10A-3 of the Securities Exchange Act of 1934 and Section 803 of the American Stock Exchange Company Guide. The Board based these determinations primarily on a review of the responses of the directors and executive officers to questions regarding employment and transaction history, affiliations and family and other relationships and on discussions with the directors. The independent directors are Anthony J. Consi, II, Pamela Hill, James R. Lamb, Edward A. Merton, F. Duffield Meyercord, John R. Mulcahy, and Philip W. Smith, III.

To assist it in making determinations of independence, the Board has concluded that the following relationships are immaterial and that a director whose only relationships with Peapack-Gladstone fall within these categories is independent:

- o A loan made by the Bank to a director, his or her immediate family member or an entity affiliated with a director or his or her immediate family member, or a loan personally guaranteed by such persons if such loan (i) complies with state and federal regulations on insider loans, where applicable; and (ii) is not classified by the Bank's credit committee or by any bank regulatory agency which supervised the Bank as substandard, doubtful or loss.
- o A deposit, trust, insurance brokerage, securities brokerage or similar customer relationship between Peapack-Gladstone or its subsidiaries and a director, his or her immediate family member or an affiliate of his or her immediate family member if such relationship is on customary and usual market terms and conditions.
- o The employment by Peapack-Gladstone or its subsidiaries of any immediate family member of the director if the employee serves below the level of a senior vice president.
- o Annual contributions by Peapack-Gladstone or its subsidiaries to any charity or non-profit corporation with which a director is affiliated if the contributions do not exceed an aggregate of \$20,000 in any calendar year and the contribution is made in the name of Peapack-Gladstone.
- o Purchases of goods or services by Peapack-Gladstone or any of its subsidiaries from a business in which a director or his or her immediate family member is a partner, shareholder or officer, if the director or his or her immediate family member owns five percent or less of the equity interests of that business and does not serve as an executive officer of the business.
- o Purchases of goods or services by Peapack-Gladstone, or any of its subsidiaries, from a director or a business in which the director or his or her immediate family member is a partner, shareholder or officer if the annual aggregate purchases of goods or services from the director, his or her immediate family member or such business in the last calendar year does not exceed the greater of \$60,000 or two percent of the gross revenues of the business.

- o Fixed retirement benefits paid or payable to a director either currently or on retirement.

The following categories or types of transactions, relationships or arrangements were considered by the Board in determining that each listed director is independent in accordance with the AMEX listing standards and Peapack-Gladstone's Corporate Governance Principles.

Independent Director	Category or Type
Mr. Consi	Deposits
Ms. Hill	Deposits, Trust
Mr. Lamb	Loans, Deposits, Trust, Legal Services
Mr. Merton	Loans, Deposits, Trust, Paving Services
Mr. Meyercord	Loans, Deposits, Trust
Mr. Mulcahy	Loans, Deposits, Trust
Mr. Smith	Loans, Deposits, Trust, Employment of Immediate Family Member below level of Senior Vice President

Executive Sessions of Non-Management Directors

Our Corporate Governance Principles require the Board to provide for at least semi-annual executive sessions to include non-management directors. At least once a year, the Board holds an executive session including only independent directors. Peapack-Gladstone's Board has chosen to rotate the presiding director for each meeting among the Chairperson of the Audit, Compensation, and Nominating Committees.

Shareholder Communication with Directors

The Board of Directors has established the following procedures for shareholder communications with the Board of Directors:

- o Shareholders wishing to communicate with the Board of Directors should send any communication to the Board of Directors, Peapack-Gladstone Financial Corporation, c/o Secretary of Peapack-Gladstone, Antoinette Rosell, at 158 Route 206 North, Gladstone, New Jersey, 07934. Any such communication should state the number of shares owned by the shareholder.
- o The Corporate Secretary will forward such communication to the Board of Directors or as appropriate to the particular Committee Chairman, unless the communication is a personal or similar grievance, a shareholder proposal or related communication, an abusive or inappropriate communication, or a communication not related to the duties or responsibilities of the Board of Directors, in which case the Corporate Secretary has the authority to disregard the communication. All such communications will be kept confidential to the extent possible.
- o The Corporate Secretary will maintain a log of, and copies of, all

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

communications, for inspection and review by any Board member, and shall regularly review all such communications with the Board or the appropriate Committee Chairman.

The Board of Directors has also established the following procedures for shareholder communications with the rotating chairman of the executive sessions of the non-management directors of the Board:

- o Shareholders wishing to communicate with the presiding director of executive sessions should send any communication to the presiding director of executive sessions, Peapack-Gladstone Financial Corporation, c/o Corporate Secretary of Peapack-Gladstone, Antoinette Rosell, at 158 Route 206 North, P.O. Box 178, Gladstone, New Jersey, 07934. Any such communication should state the number of shares owned by the shareholder.

4

- o The Corporate Secretary will forward such communication to the then presiding director, unless the communication is a personal or similar grievance, a shareholder proposal or related communication, an abusive or inappropriate communication, or a communication not related to the duties or responsibilities of the non-management directors, in which case the Corporate Secretary has the authority to disregard the communication. All such communications will be kept confidential to the extent possible.
- o The Corporate Secretary will maintain a log of, and copies of, all communications, for inspection and review by the presiding director of executive sessions, and shall regularly review all such communications with the presiding director at the next meeting.

Committees of the Board of Directors

In 2006, the Board of Directors maintained an Audit Committee, a Nominating Committee and a Compensation Committee.

Audit Committee

Mr. Consi serves as Chair of the Audit Committee. Other members of the Audit Committee are Messrs. Mulcahy, Smith and, beginning in June of 2006, Ms. Hill. The Audit Committee met 11 times during 2006.

The Board of Directors has determined that at least one member of the Audit Committee meets the American Stock Exchange standard of being financially sophisticated. The Board of Directors has also determined that Mr. Consi meets the SEC criteria of an "audit committee financial expert."

The Audit Committee operates pursuant to a charter. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The charter gives the Audit Committee the authority and responsibility for the appointment, retention, compensation and oversight of our independent auditors, including pre-approval of all audit and non-audit services to be performed by our independent auditors. Other responsibilities of the Audit Committee pursuant to the charter include: reviewing the scope and results of the audit with our independent auditors; reviewing with management and our independent auditors Peapack-Gladstone's interim and year-end operating results including press releases; considering the appropriateness of the internal accounting and auditing procedures of Peapack-Gladstone; considering our outside auditors'

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

independence; reviewing examination reports by bank regulatory agencies; reviewing audit reports prepared by the accounting firm which conducts the internal audit functions for Peapack-Gladstone; and reviewing the response of management to those reports. The Audit Committee reports to the full Board concerning pertinent matters coming before it.

Nominating Committee

Peapack-Gladstone's Nominating Committee consists of Messrs. Smith (Chair), Consi, Lamb, Merton, Meyercord, Mulcahy and, beginning in June of 2006, Ms. Hill. The Nominating Committee met two times during 2006.

The Nominating Committee operates under a written charter setting out the functions and responsibilities of this committee. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The Nominating Committee reviews qualifications of and recommends to the Board candidates for election as director of Peapack-Gladstone and the Bank, considers the composition of the Board, recommends committee assignments, and discusses management succession for the Chairman and the CEO positions. The Nominating Committee develops corporate governance principles which include director qualifications and standards; director responsibilities; director orientation and continuing education; limitations concerning service on other boards; director access to management and records, criteria for annual self-assessment of the Board, its committees, management and the effectiveness of their functioning. The committee is also charged with reviewing the Board's adherence to the Corporate Governance Principles and the Code of Business Conduct and Ethics. The Nominating Committee reviews recommendations from shareholders regarding corporate governance and director candidates. The procedure for submitting recommendations of director candidates is set forth below under the caption "Nomination of Directors."

Compensation Committee

Peapack-Gladstone's Compensation Committee consists of Messrs. Meyercord (Chair), Merton and Consi. During 2006, the Compensation Committee met two times.

5

The Compensation Committee operates under a written charter setting out the functions and responsibilities of this committee. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The Compensation Committee determines CEO compensation, sets general compensation levels for all officers and employees and sets specific compensation for executive officers. It also administers our stock option plans and makes awards under those plans. The Board has approved its charter, which delegates to the Compensation Committee the responsibility to recommend Board compensation.

The Compensation Committee annually reviews, considers, and approves all compensation and awards to executive officers, including the CEO, the President, Executive Vice Presidents, Senior Vice Presidents and First Vice Presidents. Included in this process is a thorough analysis and consideration of overall Bank performance, individual job performance, the overall need of the Bank to attract, retain and incent executive talent, and the total cost of the compensation programs.

Nomination of Directors

Nominations for director may be made only by the Board of Directors or

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

a committee of the Board or by a shareholder of record entitled to vote. The Board of Directors has established minimum criteria for members of the Board.

These include:

- o Directors are encouraged to live and/or work in the communities served by Peapack-Gladstone's subsidiary bank.
- o Directors shall beneficially own or agree to acquire at least \$25,000 (market value) of Peapack-Gladstone stock.
- o Directors shall be experienced in business, shall be financially literate and shall be respected members of their communities.
- o Directors shall be of high ethical and moral standards and have sound personal finances.
- o A Director may not serve on the board of directors of any other bank that serves the same market area as Peapack-Gladstone and may only serve on the boards of three other publicly-traded companies.
- o If there is a vacancy, the Nominating Committee shall evaluate the qualifications of persons who may be recommended to it as potential candidates based on information the Committee may deem relevant.

The Nominating Committee has adopted a policy regarding consideration of director candidates recommended by shareholders. The Nominating Committee will consider nominations made by shareholders. In order for a shareholder to make a nomination, the shareholder must provide a notice along with the additional information and supporting materials to our Corporate Secretary not less than 120 days nor more than 150 days prior to the first anniversary of the date of the preceding year's annual meeting. The shareholder wishing to propose a candidate for consideration by the Nominating Committee must have significant stake in Peapack-Gladstone. To qualify for consideration by the Nominating Committee, the shareholder submitting the candidate must demonstrate that he or she has been the beneficial owner of at least one percent of Peapack-Gladstone's outstanding shares for a minimum of one year prior to the submission of the request. In addition, the Nominating Committee has the right to require any additional background or other information from any director candidate or the recommending shareholder, as it may deem appropriate. For our annual meeting in the year 2008, we must receive this notice on or after November 26, 2007, and on or before December 26, 2007. The following factors, at a minimum, are considered by the Nominating Committee as part of its review of all director candidates and in recommending potential director candidates to the Board:

- o appropriate mix of educational background, professional background and business experience to make a significant contribution to the overall composition of the Board;
- o if the Committee deems it applicable, whether the candidate would be able to read and understand fundamental financial statements and considered to be financially sophisticated as described in the AMEX rules, or considered to be an audit committee financial expert as defined pursuant to the Sarbanes-Oxley Act of 2002;
- o if the Committee deems it applicable, whether the candidate would be considered independent under the AMEX rules and the Board's additional independence guidelines set forth in Peapack-Gladstone's Corporate Governance Principles;
- o demonstrated character and reputation, both personal and professional, consistent with that required for a bank director;

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

- o willingness to apply sound and independent business judgment;
- o ability to work productively with the other members of the Board;
- o availability for the substantial duties and responsibilities of a Peapack-Gladstone director; and

6

- o meets the additional criteria set forth in the Peapack-Gladstone's Corporate Governance Principles.

You can obtain a copy of the full text of our policy regarding shareholder nominations by writing to Antoinette Rosell, Secretary, Peapack-Gladstone Financial Corporation, 158 Route 206 North, P.O. Box 178, Gladstone, New Jersey 07934.

Code of Business Conduct and Ethics and Corporate Governance Principles

The Code of Business Conduct and Ethics is available in the Investor Relations section of Peapack-Gladstone's website located at www.pgbank.com. The Code of Business Conduct and Ethics is also available in print to any shareholder who requests it. Peapack-Gladstone will disclose any substantive amendments to or waiver from provisions of the Code of Business Conduct and Ethics made with respect to a director or executive officer on our website and to the extent required by AMEX and SEC rules, in a Current Report on Form 8-K.

We have also adopted Corporate Governance Principles, which are intended to provide guidelines for the governance of Peapack-Gladstone by the Board and its committees. The Corporate Governance Principles are available at the Investor Relations section of Peapack-Gladstone's website located at www.pgbank.com.

Jack D. Stine	25,800	10,000	35,800

(1) Outstanding options held by each director at December 31, 2006 totaled: Consi 19,502 options; P. Hill 26,843; Kissel 20,014 options; Lamb 22,581 options; Merton 22,582 options; Meyercord 22,582 options; Mulcahy 16,952 options; Smith 16,375 options; and Stine 22,582 options.

(2) Peapack-Gladstone pays its directors an \$8,000 annual retainer for service on the Board, and \$500 for each regular Bank Board meeting they attend and \$400 for each committee meeting they attend. Committee Chairs and Audit Committee members receive an additional \$2,000 annual retainer. The Audit Committee Chair receives an additional \$16,000 annual retainer. The Compensation Committee Chair receives an additional \$10,000 annual retainer and the Compensation Committee members receive an additional \$1,000 annual retainer. Frank A. Kissel, Robert M. Rogers and Craig C. Spengeman, as full-time employees, were not compensated for services rendered as directors.

7

(3) The 1998 and 2002 Stock Option Plans for Outside Directors provide for the award of non-qualified stock options to each non-employee director. The 2006 Long-Term Stock Incentive Plan provides for the award of non-qualified stock options, stock appreciation rights or restricted stock to each non-employee director. The plans provide that grants are made based upon recommendations from the Compensation Committee to the Board and a vote from the full Board. In 2006, there were no awards to the outside directors.

Under each of the plans, the exercise price for the option shares may not be less than the fair market value of the common stock on the date of grant of the option. The options granted under these plans are, in general, exercisable not earlier than one year after the date of grant, at a price equal to the fair market value of the common stock on the date of grant, and expire not more than ten years after the date of grant. On December 8, 2005, the Board of Directors accelerated the vesting of 79,200 of the unvested stock options awarded to outside directors under the Corporation's 1998 and 2002 Stock Option Plans for Outside Directors.

(4) Peapack-Gladstone has a retirement plan for eligible non-employee directors of Peapack-Gladstone and/or its Subsidiaries. The plan provides 5 years of annual benefits to directors with 10 or more years of service, which commence after a director has retired from the Board. The annual benefit is equal to 25 percent of the director's final compensation and increases by 5 percent for each year of service in excess of 10. The maximum benefit is limited to 50 percent of final compensation. No director was credited with more than 10 years of service when the plan became effective, regardless of how long the person had served as director as of the effective date. If a director with 10 years of service ceases to be a director as a result of death or disability, or a director with 5 years of service ceases to be a director following a change in control, the director will be credited with a total of 15 years of service for plan purposes. In the event that the director dies prior to receipt of all

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

benefits, the payments continue to the director's beneficiary or estate.

(5) Peapack-Gladstone has a nonqualified deferred compensation plan for non-employee directors covering retainer fees and the aggregate of all fees for service and attendance at Board and committee meetings. Participation is optional. As of January 1, 2005, the plan is frozen and no further contributions may be made. Interest is paid on the deferred fees equal to that which would have been credited if such deferred fees were invested in the Peapack-Gladstone Money Market Account, which yields 5.03 percent as of February 28, 2007. The provisions of the deferred compensation plan are designed to comply with certain rulings of the Internal Revenue Service under which the deferred amounts are not taxed until received. Under the deferred compensation plan, the directors who elect to defer their fees receive the fees either (i) in a lump sum on the first day of the calendar quarter following termination of service as director, or on the first day of a calendar quarter that is at least 5 years following the date of the original deferral election, or (ii) in substantially equal annual installments over a period of between 2 to 10 years, commencing in January of the calendar year following the calendar year during which the director ceases serving as director. In the event the director dies, within a reasonable period of time following his or her death, the amount credited to the director's deferred compensation account shall be paid in a lump sum to the director's beneficiary or estate.

(6) The amount in this column represents the change in pension value. There were no nonqualified deferred compensation earnings.

COMPENSATION DISCUSSION AND ANALYSIS

The fundamental objective of Peapack-Gladstone's named executive officer compensation program is to fairly compensate our named executive officers in a way that best advances the interests of the shareholders. Peapack-Gladstone feels that shareholder interests are best advanced through the retention of superior executive talent and the alignment of shareholder and executive interests.

Peapack-Gladstone compensates our named executive officers with a mix of base salary, bonus and equity compensation designed to be competitive with comparable employers and to align management's incentives with the interests of our shareholders.

The base salary we pay our named executives is determined by a combination of factors, including but not limited to an analysis of market comparables, skill set, level of responsibility, individual performance and Peapack-Gladstone's overall performance.

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

We design the incentive compensation (bonus and equity compensation) to align the interests of our named executive officers with the short and long-term interests of shareholders. We align named executive officer and shareholder short-term interests by linking bonus awards to individual performance and Peapack-Gladstone's overall performance over the prior year. We align named executive officer and shareholder long-term interests by awarding equity compensation to our named executive officers. Both bonus and equity compensation are awarded on a discretionary basis.

Peapack-Gladstone feels that our salary, bonus and equity compensation is both fair and reflective of market conditions within our business and geography.

The Decision Process

The Compensation Committee of the Board of Directors is responsible for establishing and overseeing policies governing annual and long-term compensation programs for the named executive officers, and for making recommendations to the Board of Directors on actual named executive officer compensation levels. The Chief Executive Officer provides advice to the Compensation Committee relative the compensation of the four other named executive officers.

After the Compensation Committee makes its recommendations to the Board of Directors, the Board of Directors (without the presence of the named executive officers) makes the final determination of compensation paid to Peapack-Gladstone's named executive officers.

Elements of Compensation

Peapack-Gladstone's direct compensation consists of base salary, an annual cash award (our bonus), and equity compensation. Our base salaries are linked to individual performance, level of responsibility, the competitive market and Peapack-Gladstone's overall performance.

We design our base salaries in significant part to attract and retain talented executives who can help drive long-term shareholder value. Because the markets in which we operate present current and potential executives with many other employment options, we believe we must keep our base salaries competitive, or risk losing executive talent. The Compensation Committee reviews competitive pay studies on an annual basis to ensure our base salaries align with the median of the competitive market. Our competitive market consists of banks of similar assets and lines of business operating in similar markets. While target salary is linked to the market median, actual salaries will vary to reflect individual responsibility and performance as well as Peapack-Gladstone's budget restraints and performance.

Our cash bonuses are linked to individual performance, level of responsibility, and Peapack-Gladstone's overall performance. The assessment of these factors is subjective and is made by the Compensation Committee. On the basis of this assessment, the Compensation Committee uses its discretion to determine the amount of the cash bonus. We feel that linking cash bonuses to individual performance and Peapack-Gladstone's overall performance places a portion of individual compensation at risk--thereby motivating individual performance while at the same time correlating Peapack-Gladstone's overall compensation to Peapack-Gladstone's overall performance.

Our equity compensation is linked to the degree to which the executive is in a position to influence Peapack-Gladstone's long-term performance. We feel the rationale behind equity compensation is straightforward: by allowing our

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

executives to participate in the long-term appreciation of our shares, these executives will work and make decisions to maximize Peapack-Gladstone's long-term performance. The Compensation Committee in its discretion determines the amount, type and timing of our equity compensation. In the past our equity compensation has consisted of stock options. From this year forward the Committee intends to make smaller stock option grants every year, as opposed to the recent practice of larger stock option grants once every two or three years.

Establishing 2006 Compensation

In establishing compensation for named executive officers, the Compensation Committee considers many factors including, but not limited to, Peapack-Gladstone's overall performance, individual performance and peer group compensation practices, all as more specifically set forth in the preceding section.

During 2006, Mr. Frank A. Kissel served as Chairman and Chief Executive Officer of the Bank and Chairman and Chief Executive Officer of Peapack-Gladstone. Mr. Kissel's base salary for 2006 of \$311,017 was set by the Compensation Committee based on his performance in executing his responsibilities in those positions in 2005 and the performance anticipated from him in 2006 and future years. The Committee also considered Mr. Kissel's ability to develop and motivate employees to meet Peapack-Gladstone's short and long-term objectives. The Committee also considered Peapack-Gladstone's overall performance. Mr. Kissel was awarded a bonus in 2006 equal to 12% of his base salary, based on his individual performance and Peapack-Gladstone's overall performance in 2006. This bonus level was significantly lower than Mr. Kissel's bonus level in 2005, which equaled 30% of his base salary. The Committee was pleased with Mr. Kissel's individual performance in 2006, but felt that named executive officer bonus levels should be reduced significantly to reflect Peapack-Gladstone's results in the current challenging business conditions. To further align Mr. Kissel's and the shareholders' long-term interests the Board voted in 2006 to award Mr. Kissel 5,000 stock options in 2007. This stock option award was significantly less than Mr. Kissel's prior stock option award, made in 2004, which consisted of 25,000 stock options. The Committee, in its discretion, felt that Mr. Kissel was in a strong position to positively influence the long-term performance of Peapack-Gladstone, but also felt that named executive officer equity compensation awards, including Mr. Kissel's award, should be reduced in light of currently challenging business conditions and in light of a change to an accounting rule which requires Peapack-Gladstone to account for the grant of such options as an expense. The Committee, in its discretion, felt that the timing of the award, coming three years after the last grant, was appropriate given Peapack-Gladstone's new practice of granting options each year, as opposed to the recent practice of larger stock option grants once every two or three years.

With respect to 2006 salaries for Mr. Robert M. Rogers, Mr. Craig C. Spengeman, Mr. Arthur F. Birmingham and Mr. Garrett P. Bromley, the Compensation Committee based its recommendations, and the full Board based its actions, on the duties and responsibilities of the officer in question, the overall performance of Peapack-Gladstone and of the performance of the particular officer in 2005, and the performance anticipated from the officer in 2006 and future years. Each of Mr. Rogers, Mr. Spengeman, Mr. Birmingham and Mr. Bromley was awarded a bonus in 2006 equal to 12% of his base salary, based on his individual performance and Peapack-Gladstone's overall performance in 2006. This bonus level was significantly lower than the bonus level awarded to these individuals in 2005, which in each case equaled 30% of base salary. The Committee was pleased with the individual performance of Mr. Rogers, Mr. Spengeman, Mr. Birmingham and Mr. Bromley in 2006, but felt that named executive officer bonus levels should be reduced significantly to reflect Peapack-Gladstone's results in the current challenging business conditions. To further align their and the shareholders' long-term interests, and because of

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

their ability to positively influence Peapack-Gladstone's long-term performance, the Board voted in 2006 to award Mr. Rogers, Mr. Spengeman, Mr. Birmingham and Mr. Bromley 4,000, 4,000, 3,500 and 3,500 stock options, respectively, in 2007. These stock option awards were significantly less than the prior stock option awards to Mr. Rogers, Mr. Spengeman, Mr. Birmingham and Mr. Bromley, made in 2004, which consisted of 20,000, 20,000, 17,500, and 17,500 stock options, respectively. The Committee, in its discretion, felt that Mr. Rogers, Mr. Spengeman, Mr. Birmingham and Mr. Bromley were each in meaningful positions to positively influence the long-term performance of Peapack-Gladstone, but also felt that named executive officer equity compensation awards, including awards to these individuals, should be reduced in light of currently challenging business conditions and in light of a change to an accounting rule which requires Peapack-Gladstone to account for the grant of such options as an expense. The Committee, in its discretion, felt that the timing of the award, coming three years after the last grant, was appropriate given Peapack-Gladstone's recent practice of awarding stock options every two or three years. From this year forward the Committee intends to make smaller stock option grants every year, as opposed to the recent practice of larger stock option grants once every two or three years.

Peapack-Gladstone Benefit Plans

Peapack-Gladstone provides bank-sponsored insurance, retirement and severance benefit plans to our named executive officers. The benefit packages are designed to assist named executive officers in providing for their own financial security in a way that recognizes individual needs and preferences. The basic insurance package includes health, dental, vision, disability and basic group life insurance. These benefits are available to all Peapack-Gladstone employees equally.

In addition to providing a term life insurance benefit to each of the named executive officers, Peapack-Gladstone has also purchased bank owned life insurance and entered into a split-dollar plan with the named executive officers and certain other employees to provide current and post-employment life insurance in an amount which ranges from a minimum benefit of \$25,000 to 2.5 times the executive's annual base salary. A life insurance benefit of 2.5 times a participant's annual base salary vests if prior to the termination of employment there is a change in control or the participant becomes disabled. A benefit of 2.5 times the participant's salary is paid if the participant dies while employed by Peapack-Gladstone. The participant also is entitled to a vested post-employment life insurance benefit based on years of service and the participant's age as of the date of termination of employment. This vested benefit ranges from a minimum of 1.0 times base annual salary at age 50 to a maximum of 2.5 times annual base salary at age 65, in each case after completion of 15 years of service. There is a minimum benefit of \$25,000 if the participant does not reach the vesting levels. Bank owned life insurance assists in offsetting the rising costs of employee benefits by providing current income prior to the death of an insured, and a lump-sum payment upon the death of an insured. Peapack-Gladstone owns the cash surrender value of the policies and records the increases in the cash surrender value as income. Upon the death of an insured, Peapack-Gladstone will receive cash equal to the cash surrender value of the policy and excess life insurance over the amount paid to the insured's beneficiary.

Peapack-Gladstone provides retirement benefits to named executive officers through a combination of plans that qualify under the Internal Revenue Code. Peapack-Gladstone maintains a traditional defined benefit pension plan designed to provide financial security to substantially all salaried employees in retirement. Named executive officers who are age 21 or older and have

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

completed one year of service and worked at least 1,000 hours are eligible for the defined benefit plan. Participants are eligible for monthly benefit payments upon reaching age 65. The plan permits early retirement at age 50 with 15 years of service. If a participant terminates employment before he is eligible for normal or early retirement, he will be entitled to 100% of the accrued benefit, provided he has completed five or more years of service. Employees with less than five years of service receive no benefit. Monthly retirement benefits are equal to the sum of the following: (a) a participant's accrued pension benefit as of January 1, 1989; (b) 2.2% of the participant's average compensation, multiplied by his benefit years, on or after January 1, 1989, but not to exceed 25 benefit years; and (c) 0.75% (0.6875% effective January 1, 1994) of a participant's average excess compensation, multiplied by his benefit years on or after January 1, 1989, but not to exceed 25 benefit years. The plan also provides death and disability benefits to or on behalf of eligible participants. It is the policy of Peapack-Gladstone to fund not less than the minimum-funding amount required by the Employee Retirement Income Security Act.

Peapack-Gladstone has established a qualified defined contribution plan under Section 401(k) of the Internal Revenue Code of 1986, as amended, covering substantially all salaried employees over the age of twenty-one with at least twelve months of service and whose participation is not prohibited by the 401(k) plan. Under the savings portion of the 401(k) plan, employees may contribute up to 15 percent of their pay (up to a maximum of \$15,000 in 2006) to their elective account via payroll withholding. Annually, Peapack-Gladstone adds a matching contribution equal to fifty percent of the employee contribution, up to a maximum of \$250 per year. In addition, the Board may elect to make a discretionary contribution to the profit sharing portion of the 401(k) plan. The profit sharing portion is based on base salary with a cap (\$220,000 in 2006) and is non-contributory. Contributions to the profit sharing portion are invested in Peapack-Gladstone's common stock.

Change in Control Agreements

We believe it is important to protect our management team in the event of a change in control so they can devote their time and energy to the business of Peapack-Gladstone without being distracted by personal concerns. Peapack-Gladstone also feels these agreements are necessary to encourage our named executive officers to approach an advantageous acquisition transaction without regard to immediate loss of salary and benefits. Moreover, change in control agreements are common in the competitive market and Peapack-Gladstone feels it would be at a competitive disadvantage, in attracting and retaining management talent, if it failed to offer change in control agreements to its top executives.

13

Peapack-Gladstone has entered into change in control agreements with the named executive officers. Each of these agreements require Peapack-Gladstone or its successor to pay certain termination benefits if (a) there is a change in control and (b) a named executive officer either resigns for good reason (the term "good reason" means a change in job description, location, compensation or benefits) or is terminated without cause (the term "cause" means (i) willful and continued failure by a named executive officer to perform the officer's duties, (ii) willful misconduct by the named executive officer which causes material injury to the Corporation or its successor or (iii) the conviction of a crime, other than a traffic violation, drunkenness, drug abuse, or excessive absenteeism other than for illness). In these agreements, the term "change in control" means (i) the acquisition of the Corporation's securities representing 25% or more of the voting power of all its securities, (ii) the first purchase of the Corporation's common stock pursuant to a tender or exchange offer, (iii) the shareholder approval of (a) a merger or consolidation of the Corporation

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

into another corporation wherein the other corporation exercises control over the Corporation, (b) a sale or disposition of all or substantially all of the Corporation's assets or (c) a plan of liquidation or dissolution of the Corporation, (iv) a change in board membership such that over a two year period the directors constituting the Board at the beginning of such period do not constitute two thirds of the Board of the Corporation or a successor corporation at the end of such period, or (v) a sale of (a) the common stock of the Corporation following which a person or entity other than the Corporation or its affiliates owns a majority thereof or (b) all or substantially all of the Corporation's assets. Pursuant to the agreements, under these circumstances Peapack-Gladstone or its successor would be required to pay aggregate amounts equal to three times the highest annual salary and bonuses paid during any calendar year during the three years prior to the change in control plus continue certain health and other benefits. In the event that the severance payments and benefits under the agreements, together with any other parachute payments, would constitute an excess parachute payment under Section 280G of the Internal Revenue Code, the payments would be increased in an amount sufficient to pay the excise taxes and other income and payroll taxes necessary to allow the named executive officers to retain the same net amount, after such taxes, as each was otherwise entitled to receive.

Employment Contracts

Peapack-Gladstone has entered into employment agreements with each of the name executive officers, for a one-year term. Employment agreements with named executive officers are customary in the marketplace, and Peapack-Gladstone feels it would be at a competitive disadvantage if it did not enter into such agreements.

The employment agreements provide, among other things, for (i) participation during the employment term in all compensation and employee benefits plans for which any salaried employees of Peapack-Gladstone are eligible, (ii) an annual base salary, (iii) annual increases to base salary, and (iv) discretionary bonus payments with respect to each calendar year determined by the Board of Directors. If each executive's employment is terminated without cause, Peapack-Gladstone shall pay the executive's base salary for a period equal to the longer of (i) the remainder of the term, or (ii) one year from the effective date of such termination. In the event that Peapack-Gladstone terminates a named executive officer's employment for cause or pursuant to retirement, permanent disability or death, Peapack-Gladstone shall pay the named executive officer any earned but unpaid base salary as of the date of termination of employment. In these agreements, the term "cause" means (a) a material failure to perform duties, and such failure to perform constitutes self-dealing, willful misconduct or recklessness, (b) commission of an act of dishonesty in the performance of duties or conduct materially detrimental to the business of the Corporation, (c) conviction of a felony or a misdemeanor involving moral turpitude, (d) material failure to perform duties, which failure is not cured within 30 days of written demand by the Corporation, (e) knowing failure to follow lawful, written directives of the Board of Directors or (f) commission of a material act or practice, including but not limited to sexual harassment, forbidden by the Corporation's employment manual. The employment agreements also include certain non-compete and non-solicitation provisions, which extend for two years following the executive's termination of employment.

Peapack-Gladstone maintains a traditional defined benefit pension plan designed to provide financial security to substantially all salaried employees in retirement. Named executive officers who are age 21 or older and have completed one year of service and worked at least 1,000 hours are eligible for the defined benefit plan. Participants are eligible for monthly benefit payments upon reaching age 65. The plan permits early retirement at age 50 with 15 years of service. If a participant terminates employment before he is eligible for normal or early retirement, he will be entitled to 100% of the accrued benefit, provided he has completed five or more years of service. Employees with less than five years of service receive no benefit. Monthly retirement benefits are equal to the sum of the following: (a) a participant's accrued pension benefit as of January 1, 1989; (b) 2.2% of the participant's average compensation, multiplied by his benefit years, on or after January 1, 1989, but not to exceed 25 benefit years; and (c) 0.75% (0.6875% effective January 1, 1994) of a participant's average excess compensation, multiplied by his benefit years on or after January 1, 1989, but not to exceed 25 benefit years. The plan also provides death and disability benefits to or on behalf of eligible participants.

Change-In-Control Arrangements

Peapack-Gladstone and the Bank entered into Amended and Restated Change-in-Control Agreements with Frank A. Kissel, Craig C. Spengeman, Robert M. Rogers, Arthur F. Birmingham, and Garrett P. Bromley as of December 11, 2003, each of which provides for benefits in the event of a termination without "cause" or for "good reason" following a merger or acquisition of Peapack-Gladstone. The Change-in-Control Agreements also include certain non-disclosure provisions, which survive the termination of the Executives' employment and the expiration of the Agreements.

Each of these agreements require Peapack-Gladstone or its successor to pay certain termination benefits if (a) there is a change in control and (b) a named executive officer either resigns for good reason (the term "good reason" means a change in job description, location, compensation or benefits) or is terminated without cause (the term "cause" means (i) willful and continued failure by a named executive officer to perform the officer's duties, (ii) willful misconduct by the named executive officer which causes material injury to the Corporation or its successor or (iii) the conviction of a crime, other than a traffic violation, drunkenness, drug abuse, or excessive absenteeism other than for illness). In these agreements, the term "change in control" means (i) the acquisition of the Corporation's securities representing 25% or more of the voting power of all its securities, (ii) the first purchase of the Corporation's common stock pursuant to a tender or exchange offer, (iii) the shareholder approval of (a) a merger or consolidation of the Corporation into another corporation wherein the other corporation exercises control over the Corporation, (b) a sale or disposition of all or substantially all of the Corporation's assets or (c) a plan of liquidation or dissolution of the Corporation, (iv) a change in board membership such that over a two year period the directors constituting the Board at the beginning of such period do not constitute two thirds of the Board of the Corporation or a successor corporation at the end of such period, or (v) a sale of (a) the common stock of the Corporation following which a person or entity other than the Corporation or its affiliates owns a majority thereof or (b) all or substantially all of the Corporation's assets. Pursuant to the agreements, under these circumstances Peapack-Gladstone or its successor would be required to pay aggregate amounts equal to three times the highest annual salary and bonuses paid during any calendar year during the three years prior to the change in control plus continue certain health and other benefits.

In the event that the severance payments and benefits under the agreements, together with any other parachute payments, would constitute an excess parachute payment under Section 280G of the Code, the payments would be increased in an amount sufficient to pay the excise taxes and other income and payroll taxes necessary to allow Messrs. Kissel, Spengeman, Rogers, Birmingham, and Bromley to retain the same net amount, after such taxes, as each was otherwise entitled to receive. Section 280G limits payments generally to three times the last five-year average W-2 compensation. The estimate of Section 280G gross-up payments does not reflect mitigation for compensation attributable to non-competition agreements.

The following table shows the potential payments under each executive's change-in-control agreement at December 31, 2006.

Name	Potential Change-in-Control Payment	Excise Tax Gross-up	Total
Frank A. Kissel	\$ 1,350,255	\$ 442,188	\$ 1,792,443
Arthur F. Birmingham	689,457	227,127	916,584
Craig C. Spengeman	951,102	317,441	1,268,543
Robert M. Rogers	804,366	266,711	1,071,077
Garrett P. Bromley	602,889	201,318	804,207

Note: The excise tax gross-up was calculated using marginal tax rate of 57.15% (37.15% income and employment taxes, plus the 20% excise tax).

Under Peapack-Gladstone's various stock option plans, unvested stock options would immediately vest in the event of a change in control. Named executive officers would have three years from the date of termination following a change in control to exercise the vested options.

Employment Agreements

Peapack-Gladstone and the Bank entered into employment agreements (the "Employment Agreements") with each of Frank A. Kissel, Craig C. Spengeman, Robert M. Rogers, Arthur F. Birmingham and Garrett P. Bromley as of January 1, 2007 for a period of one year to expire on December 31, 2007.

Peapack-Gladstone has entered into employment agreements with each of the name executive officers, for a one-year term. Employment agreements with named executive officers are customary in the marketplace, and Peapack-Gladstone feels it would be at a competitive disadvantage if it did not enter into such agreements.

The employment agreements provide, among other things, for (i) participation during the employment term in all compensation and employee benefits plans for which any salaried employees of Peapack-Gladstone are eligible, (ii) an annual base salary, (iii) annual increases to base salary, and (iv) discretionary bonus payments with respect to each calendar year determined by the Board of Directors. If each executive's employment is terminated without cause, Peapack-Gladstone shall pay the executive's base salary for a period

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

equal to the longer of (i) the remainder of the term, or (ii) one year from the effective date of such termination. In the event that Peapack-Gladstone terminates a named executive officer's employment for cause or pursuant to retirement, permanent disability or death, Peapack-Gladstone shall pay the named executive officer any earned but unpaid base salary as of the date of termination of employment. In these agreements, the term "cause" means (a) a material failure to perform duties, and such failure to perform constitutes self-dealing, willful misconduct or recklessness, (b) commission of an act of dishonesty in the performance of duties or conduct materially detrimental to the business of the Corporation, (c) conviction of a felony or a misdemeanor involving moral turpitude, (d) material failure to perform duties, which failure is not cured within 30 days of written demand by the Corporation, (e) knowing failure to follow lawful, written directives of the Board of Directors or (f) commission of a material act or practice, including but not limited to sexual harassment, forbidden by the Corporation's employment manual. The employment agreements also include certain non-compete and non-solicitation provisions, which extend for two years following the executive's termination of employment.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that Peapack-Gladstone's executive officers, directors and persons who own more than ten percent of a registered class of Peapack-Gladstone's common stock, file reports of ownership and changes in ownership with the SEC. Based upon copies of reports furnished by insiders, all Section 16(a) reporting requirements applicable to insiders during 2006 were satisfied on a timely basis.

TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CERTAIN CONTROL PERSONS

The Bank may purchase an undetermined amount of mortgage loans from Weichert Mortgage Company ("Weichert Mortgage") during 2007. Weichert Mortgage is wholly owned by James M. Weichert, who beneficially owns 9.69 percent of Peapack-Gladstone's outstanding common stock. Anthony J. Consi is not a shareholder, officer, or director of Weichert Mortgage. Any purchases by the Bank from Weichert Mortgage will be on terms that are substantially the same, or at least as favorable to, the Bank as those offered by Weichert Mortgage to other unaffiliated entities. During 2006, the Bank purchased \$26.8 million from Weichert Mortgage. There are no guarantees that any purchases will be made in the future.

In addition to the matters discussed above and discussed under the caption "Compensation Committee Interlocks and Insider Participation," directors and officers and their associates were customers of and had transactions with the Bank during the year ended December 31, 2006, and it is expected that such persons will continue to have such transactions in the future. All deposit accounts, loans, and commitments comprising such transactions were made in the ordinary course of business of the Bank on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and, in the opinion of management of Peapack-Gladstone, did not involve more than normal risks of collectibility or present other unfavorable features.

advice, and tax planning.

(4) Comprised of fees for consents.

On November 10, 2006, the Audit Committee of the Board of Directors of Peapack-Gladstone dismissed KPMG LLP ("KPMG") as the principal accountants for Peapack-Gladstone upon completion of the audit of Peapack-Gladstone's consolidated financial statements as of and for the year ended December 31, 2006, and the issuance of their reports thereon. Concurrently, the Audit Committee appointed Crowe Chizek and Company LLC ("Crowe Chizek") as the principal accountants for Peapack-Gladstone for the year ending December 31, 2007. The dismissal of KPMG as the principal accountants for Peapack-Gladstone became effective on March 16, 2007.

The audit reports of KPMG on the consolidated financial statements of Peapack-Gladstone and subsidiary as of and for the years ended December 31, 2006 and 2005 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles, except that KPMG's report on the consolidated financial statements of Peapack-Gladstone and subsidiary as of and for the years ended December 31, 2006 and 2005, contained a separate paragraph stating that "as discussed in Note 14 to the consolidated financial statements, effective January 1, 2006, Peapack-Gladstone adopted SEC Staff Accounting Bulletin No. 108, Considering the Effects of Prior Year Misstatements when Quantifying Misstatements in Current Year Financial Statements." The audit reports of KPMG on management's assessment of the effectiveness of internal control over financial reporting and the effectiveness of internal control over financial reporting as of December 31, 2006 and 2005 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the two fiscal years ended December 31, 2006, and the subsequent interim period through March 16, 2007, there were no (1) disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to KPMG's satisfaction would have caused KPMG to make reference in connection with their opinion to the subject matter of the disagreements in its audit reports on the consolidated financial statements of Peapack-Gladstone or (2) "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal years ended December 31, 2006 and 2005, and from December 31, 2006 to the date of filing of this Form 8-K/A, Peapack-Gladstone has not consulted with Crowe Chizek regarding either (a) the application of accounting principles to any completed or contemplated transaction, or the type of audit opinion that might be rendered on Peapack-Gladstone's consolidated financial statements; or (b) any of the other matters specified in Item 304(a)(1)(iv) of Regulation S-K.

Peapack-Gladstone has requested and received from KPMG a letter, dated March 16, 2007, addressed to the Securities and Exchange Commission (the "Commission") stating whether or not KPMG agrees with the above statements. A copy of the KPMG letter will be attached to Peapack-Gladstone's Form 8-K/A to be filed.

22

Peapack-Gladstone has provided a copy of the disclosures in this report to Crowe Chizek and offered it the opportunity to furnish a letter to the Commission contemplated by Item 304(a)(2)(ii)(D) of Regulation S-K. Crowe Chizek has advised that it does not intend to furnish such a letter to the Commission.

AUDIT COMMITTEE PRE-APPROVAL PROCEDURES

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

The Audit Committee has adopted a formal policy concerning the pre-approval of audit and non-audit services to be provided by the independent registered public accounting firm to Peapack-Gladstone. The policy requires that all services to be performed by KPMG LLP, Peapack-Gladstone's independent registered public accounting firm, including audit services, audit-related services and permitted non-audit services, be pre-approved by the Audit Committee. Specific services being provided by the independent registered public accounting firm are regularly reviewed in accordance with the pre-approval policy. At subsequent Audit Committee meetings, the Committee receives updates on the services actually provided by the independent registered public accounting firm, and management may present additional services for approval. All services rendered by KPMG LLP are permissible under applicable laws and regulations. Each new engagement of KPMG LLP was approved in advance by the Audit Committee.

SHAREHOLDER PROPOSALS

New Jersey corporate law requires that the notice of shareholders' meeting (for either a regular or special meeting) specify the purpose or purposes of such meeting. Thus, any substantive proposals, including shareholder proposals, must be referred to in Peapack-Gladstone's notice of shareholders' meeting for such proposal to be properly considered at a meeting of Peapack-Gladstone.

Proposals of shareholders which are eligible under the rules of the SEC to be included in Peapack-Gladstone's year 2008 proxy materials must be received by the Secretary of Peapack-Gladstone no later than November 23, 2007.

If Peapack-Gladstone changes its 2008 Annual Meeting date to a date more than 30 days from the date of its 2007 Annual Meeting, then the deadline referred to in the preceding paragraph will be changed to a reasonable time before Peapack-Gladstone begins to print and mail its proxy materials. If Peapack-Gladstone changes the date of its 2008 Annual Meeting in a manner that alters the deadline, Peapack-Gladstone will so state under Item 5 of the first quarterly report on Form 10-Q it files with the SEC after the date change or notify its shareholders by another reasonable means.

OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING

The Board of Directors knows of no business that will be presented for consideration at the meeting other than that stated in this proxy statement. Should any other matter properly come before the meeting or any adjournment thereof, it is intended that proxies in the enclosed form will be voted in respect thereof in accordance with the judgment of the person or persons voting the proxies.

WHETHER YOU INTEND TO BE PRESENT AT THE MEETING OR NOT, YOU ARE URGED TO RETURN YOUR SIGNED PROXY PROMPTLY.
