The Company has appointed Arctic Securities AS and Arctic Securities LLC as Bookrunner (the "Manager") in the Offering. The minimum subscription and allocation amount in the Offering will be USD equivalent of EUR 100,000, provided that the Company reserves the right to, at its sole discretion, allocate lower amounts to investors that qualify as "professional investors" pursuant to the Norwegian Securities Trading Act and ancillary regulations. The principal terms and conditions of the Offering are set out in the term sheet dated 8 December 2016 (the "Term Sheet"). This application agreement (including its Exhibit) (the "Application Agreement"), the Term Sheet and a prospectus and related prospectus supplements which form a part of the Company's effective Registration Statement on Form F-3 (Registration No. 333-204884) that has previously been filed with the United States Securities and Exchange Commission (jointly the "US Prospectus") shall constitute the "Investor Documentation". Copies of the US Prospectus may be obtained by contacting the Manager at telephone: +47 21 01 30 40 or e-mail: settlement@arctic.com. The applicant (the "Applicant") hereby acknowledges that the application and subscription is subject to the terms set out therein.

**Application procedure:** Applications will take place from and including 8 December 2016 at 22:00 hours CET to and including 9 December at 08:00 hours CET (the "Application Period"). The Company, in consultation with the Manager, reserves the right, at its own discretion, to close or extend the Application Period at any time on short notice. If the Application Period is shortened or extended, the other dates referred to herein may be amended accordingly.

By executing this Application Agreement, or by placing an application by taped phone as further described below, the Applicant irrevocably confirms the Applicant's request to subscribe for the number of Offer Shares at the amount(s) specified by such Applicant on the terms included in the Investor Documentation, and authorizes and instructs the Manager or its appointed representative, each acting alone, to subscribe for the number of Offer Shares allocated to the Applicant in the Offering (the "Allocated Shares") on behalf of the Applicant. This Application Agreement, duly signed, valid and binding on the part of the Applicant, must be in the possession of the Manager by the end of the Application Period. The Applicant bears the risk of any postal delays, unavailable internet lines or servers, unavailable fax lines and any other logistical or technical problems that may result in applications not being received in time or at all. The Applicant is further responsible for the correctness of the information inserted on the Application Agreement. In addition, the Manager may, in its sole discretion, accept applications placed by taped phone, e-mail or Bloomberg within the Application Period provided that the Applicant confirms that the Applicant accepts the terms of this Application Agreement. Any application made by taped phone will be binding for the Applicant in the same manner as an application made in writing. Without limiting the binding nature of applications made by taped phone, e-mail or Bloomberg, the Manager may require that an application placed by taped phone is subsequently confirmed by the execution of this Application Agreement in writing, and may, if the Applicant fails to satisfy such requirement, in its sole discretion, disregard the application, without any liability towards the Applicant. Any application placed by taped phone, e-mail or Bloomberg shall be deemed made on the terms and subject to the conditions set out in this

Application Agreement. Any application received by the Manager (whether in writing or by taped phone, e-mail or Bloomberg) becomes binding at the end of the Application Period and may not be withdrawn or amended after such time.

Allocation of Offer Shares: Notification of allotment and payment instruction (the "Notification") will be sent to the Applicant by the Manager on or about 9 December 2016, subject to any shortening or extensions of the Application Period. The Company and the Manager will in their sole discretion allocate the Offer Shares to the Applicants and may take into account such allocation principles as set out in the Term Sheet. The Company and the Manager may, at their sole discretion, set a maximum allocation to any Applicant as well as reject or reduce any application in whole or in part. The final allocation of Offer Shares will be resolved by the Company's board of directors. Allotment of Offer Shares totalling a lower amount than applied for does not affect the Applicant's obligation to subscribe and pay for the Offer Shares allotted.

Settlement and delivery of Allocated Shares: The date for settlement of the Offering is expected to be on or about 16 December 2016 (the "Settlement Date"). The Applicant shall pay the subscription amount (being the number of Allocated Shares multiplied with the Subscription Price) in accordance with the procedures set out herein and in the Notification. The Manager assumes no responsibility for the delivery and payment obligations of the Company and Applicant respectively. Beneficial interests in the Allocated Shares will be registered to the Applicant's VPS account as soon as practicable after full payment has been received and the Conditions (as defined below) have been met.

VPS registration: In order to facilitate registration of the beneficial interests in the Company's shares with the VPS, the Company has entered into a registrar agreement with the Nordea Bank Norge ASA (the "VPS Registrar"), who operates the Company's VPS share register. Pursuant to the registrar agreement, the VPS Registrar is indirectly registered as holder of the Company's shares in the register of members that the Company maintains pursuant to Bermuda law. The VPS Registrar will register the beneficial interests in the Allocated Shares in book-entry form with the VPS. Therefore, it is not the Company's shares in registered form issued in accordance with the Bermuda Companies Act, but the beneficial interests in such shares in book-entry form that are registered with the VPS. The beneficial interests in the Allocated Shares will be registered in book-entry form with VPS under the category of a "share" and it is such interest in the Allocated Shares that will be registered and traded on the Oslo Stock Exchange.

VPS account: Any allocation of Offer Shares in the Offering is conditional upon the Applicant holding a VPS account. The VPS account number must be stated in the Application Agreement. VPS accounts can be established with authorized VPS registrars, who can be Norwegian banks, authorized securities brokers in Norway and Norwegian branches of credit institutions established within the EEA. Establishment of a VPS account requires verification of identity to the VPS registrar in accordance with the Anti-Money Laundering Legislation. However, non-Norwegian investors may use nominee VPS accounts registered in the name of a nominee. The nominee must be authorized by the Financial Supervisory Authority of Norway.

Please note that Applicants must themselves notify changes in registered information on the VPS account directly to the Applicant's account manager, and that the Applicant is responsible for any consequences if correct information is not registered on the VPS account. Notices produced by the VPS (including inter alia notices of allotment) will be sent to the address registered on the VPS account.

Confidentiality: The offer to apply for and subscribe for Offer Shares in the Offering is personal and cannot be forwarded or made known to any third party. The Applicant hereby undertakes to keep the contents of this Application Agreement and any information made available pursuant to it confidential, including but not limited to the fact that any agreement has been entered into until the completion of the Offering has been resolved and publicly announced by the Company, with the exemption for disclosure to applicable authorities as required by law.
