Clal Information is a holding company whose principal holdings are in the information and technology sectors. As of June 27, 2004, IDB Development owned all the outstanding shares of Clal Information (see Item 3 below).

As of July 25, 2004:

Nochi Dankner (together with a private company controlled by him) and Shelly Bergman owned approximately 45% and 13% respectively of the outstanding shares of, and control, Ganden Holdings. Pursuant to an Investment and Shareholders Agreement dated February 9, 2000, as amended, among Ganden Holdings and all its shareholders, Nochi Dankner has an option exercisable from time to time until February 15, 2005 to acquire from Ganden Holdings shares constituting in the aggregate up to 9% of the outstanding shares of such corporation at the time this option will be exercised for the last time. Also, Nochi Dankner granted to three of Ganden Holdings' other shareholders, owning approximately 12% in the aggregate, a tag along right to participate in certain sales of Ganden Holdings' shares by Nochi Dankner, and one of such shareholders agreed to vote all its shares of Ganden Holdings, constituting approximately 2% of Ganden Holdings' outstanding shares, in accordance with Nochi Dankner's instructions.

In addition to approximately 31.02% of the outstanding shares of IDB Holding owned by Ganden, which is controlled by Nochi Dankner and Shelly Bergman through Ganden Holdings, another private Israeli corporation which is controlled by them through Ganden Holdings owned approximately 0.17% of the outstanding shares of IDB Holding,

and a private Israeli corporation which is wholly owned by Shelly Bergman owned approximately 4.92% of the outstanding shares of IDB Holding.

In addition to approximately 10.34% of the outstanding shares of IDB Holding owned by Livnat, which is controlled by Avraham Livnat, another private Israeli corporation which is controlled by him owned approximately 0.04% of the outstanding shares of IDB Holding.

In addition to approximately 10.34% of the outstanding shares of IDB Holding owned by Manor, which is controlled by Ruth Manor, another private Israeli corporation which is controlled by her owned approximately 0.04% of the outstanding shares of IDB Holding.

The name, citizenship, residence or business address and present principal occupation of the directors and executive officers of (i) Clal Industries, (ii) Clal Technologies, (iii) IDB Holding and (iv) IDB Development are set forth in Exhibits A, B, C and D attached hereto, respectively, and incorporated herein by reference.

(d) None of the Reporting Persons or, to the knowledge of the Reporting Persons, any director or executive officer named in Exhibits A, B, C and D to this Amendment, has, during the last five years, been convicted in any criminal proceeding, excluding traffic violations and similar misdemeanors.

(e) None of the Reporting Persons or, to the knowledge of the Reporting Persons, any director or executive officer named in Exhibits A, B, C and D to this Amendment, has, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction which as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, Federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

(1) On November 30, 2003, Clal Technologies sold 134,971 Ordinary Shares of the Issuer, constituting all the Ordinary Shares of the Issuer owned by it, to Clal Industries at price of \$0.28 per share in a privately negotiated transaction. Clal Industries used its own funds to pay for such Ordinary Shares. As of November 30, 2003, Clal Technologies no longer held beneficially or of record, Ordinary Shares of the Issuer. As a result of such sale, Clal Technologies ceased to be a Reporting Person.

Clal Information acquired such Ordinary Shares and the Warrant as a result of the closing of a Share Exchange Agreement dated April 25, 2004 among the Issuer and the shareholders of Pointer (Eden Telecom Group) Ltd. ("Pointer"), including Clal Information, pursuant to which the Issuer purchased 100% of the issued share capital of Pointer in exchange for shares and warrants of the Issuer. IDB Development was the direct owner of 17,970,144 Ordinary Shares of the Issuer (which number of shares includes 5,909,419 additional shares of the Issuer which IDB Development may purchase pursuant to a Warrant). Ltd., a private company incorporated under the laws of the State of Israel whose registration number with the Registrar of Companies is 51-176783-2 (the "**Company**"), as listed in **Annex A** (collectively the "**Sellers**"). All references to the term "Sellers" shall include each of the Sellers, severally and not jointly.

WITNESSETH:

WHEREAS, the Sellers own the shares of the Company as set forth on **Annex A** attached hereto (the "**Shares**"), constituting 100% of the issued share capital of the Company, including the Company shares held by the Buyer; and

WHEREAS, the parties hereto desire that the Shares be exchanged for such number of ordinary shares of the Buyer, par value NIS 0.03, as detailed in **Annex A** ("**Buyer Shares**") and warrants to purchase shares of the Buyer ("**Warrants**"), on the terms and conditions set forth herein; and

WHEREAS, certain of the Sellers wish to assign to the Buyer loans provided to the Company by such relevant Sellers and the Buyer wishes to have such loans assigned to it, on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained herein, and upon the terms and subject to the conditions hereinafter set forth, the parties do hereby agree as follows:

ARTICLE I

TERMS OF EXCHANGE

1.1 Exchange of Shares. On the Closing Date, (i) each of the Sellers shall sell, transfer, assign and deliver to Buyer all of its respective number of shares out of the Shares; (ii) As full and complete consideration for the Shares, the Buyer shall issue and sell to the Sellers number of Buyer Shares and Warrants as set forth beside each of the Sellers names on **Annex A** attached hereto. A form of the warrant to be granted to each of the Sellers is attached hereto as **Annex B**. At the Closing, each of the Sellers shall deliver to Buyer duly executed share transfer deeds, and Buyer shall issue to each of the Sellers the number of shares of the Buyer Shares and Warrants as set forth on **Annex A**. Share certificates in respect of the Buyer Shares will be distributed to the Sellers within fourteen days from the date of the Closing.

The options to be granted to the Company's employees shall be fully vested at an exercise price per share as detailed in **Annex F**.

Transfer and exchange of the Options shall be pre-conditioned upon receipt from the Income Tax Authorities of a pre-ruling that such exchange of Options to purchase Shares is not subject to immediate payment of taxes and that the Buyer's Options of the employees shall be considered as if granted under the amended section 102 to the Income Tax Ordinance.

REGISTRATION RIGHTS

6.1. Definitions. As used in this Agreement, the term (A) "Registrable Securities" means (i) the Buyer Shares and Loan Shares issued hereunder; (ii) the shares resulting from the exercise of the Warrants and (iii) any securities which may be issued with respect to shares acquired or exercised by the Sellers hereunder by way of bonus shares, share

splits or share conversions on account of the Buyer Shares, Loan Shares and shares resulting from the exercise of the Warrants; the term "Securities Act" means the U.S. Securities Act of 1933, as amended; the term "registration" means registration under the Securities Act; and the term "Commission" means the U.S. Securities and Exchange Commission; and (B) "Underwritten Offering" means a registration in connection with which securities are sold to an underwriter for re-offering to the public pursuant to an effective Registration Statement.

6.2. Registrable Securities. As to any particular Registrable Securities, such securities will cease to be Registrable Securities when they have been effectively registered under the Securities Act and/or any other applicable securities law, although they will again become Registrable Securities if later deregistered.

6.3. Registration. No later than two weeks from the Closing the Buyer shall start to prepare a Registration Statement on Form F-3 with respect to all of the Registrable Securities (the "Registration Statement"). The Buyer will file the Registration Statement with the Commission within four months after the Closing and shall make its best efforts to have such registration Statement declared effective by the Commission as soon as practicable thereafter. The Buyer agrees to use its best efforts to keep the Registration Statement continuously effective for a period of 36 months following the date on which the Registration Statement is initially declared effective or such shorter period as will terminate when all of the shares covered by the Registration Statement have been sold pursuant to the Registration Statement. The Buyer further agrees, if necessary, to supplement or amend the Registration Statement, if required by the rules, regulations or instructions applicable to the registration form used by the Buyer for such Registration Statement or by the Securities Act or by any other rules and regulations there under for registration.

The Buyer shall not be required to keep the Registration Statement effective between March 15 and June 30 of each year. The Buyer shall (i) notify each Seller in writing at least 30 business days in advance, if the Registration Statement's effectiveness is to be suspended and (ii) immediately notify each Seller upon the Registration Statement becoming effective again.

4. No Seller may participate in any Underwritten Offering hereunder unless such Seller (i) agrees to sell its Registrable Securities on the basis provided in any underwriting agreements entered into in connection therewith and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other customary documents required under the terms of such agreements.

5. Registration Expenses

. The Buyer shall bear and be responsible for all registration expenses incurred in connection with the transactions described herein. Registration expenses include all expenses incident to the Buyer's performance of or compliance with this Agreement, including without limitation expenses incurred in connection with the preparation of a prospectus. Notwithstanding the foregoing, however, all underwriters' discounts and commissions in respect of the sale of Registrable Securities shall be paid by the Sellers, pro rata in accordance with the number of shares sold in the offering, and the Sellers shall bear the expense of their legal counsel, if separate from the Buyer's legal counsel.

6. The Buyer undertakes not to register for trade, prior to the registration of the Registrable Securities, any shares to be issued after the date of this Agreement.

7. The Buyer will keep each Seller advised in writing as to the initiation of such registration and as to the completion thereof. At its expense, the Buyer will:

1. Furnish to the Sellers such numbers of copies of the Registration Statement in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned by them.
2. Notify each Seller of Registrable Securities covered by the Registration Statement at any time when a prospectus relating thereto is required to be delivered under the Securities Act or the happening of any event as a result of which the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing.

8. Indemnification.

9. The Buyer will indemnify each Seller, each of such Seller's officers, directors and partners, and each person controlling such Seller, and each underwriter, if any, and each person who controls any underwriter, against all claims, losses, damages and liabilities (or actions in respect thereof) arising out of or based on any untrue statement of a material fact contained in any prospectus, offering circular or other document (including any related Registration Statement, notification or the like) incident to any such registration, qualification or compliance, or based on any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation by the Buyer of the Securities Act including any rule or regulation thereunder applicable to the Buyer relating to action or inaction required of the Buyer in connection with any such registration, qualification or compliance, and will reimburse each such Seller, each of its officers, directors and partners, and each person controlling such Seller, each such underwriter and each person who controls any such underwriter, for any legal and any other expenses reasonably incurred in connection with investigating and defending any such claim, loss, damage, liability or action, provided that the Buyer will not be liable in any such case to the extent that any such claim, loss, damage, liability or expense arises out of or is based on any untrue statement or omission so made in strict conformity with written information furnished to the Buyer by such Seller or underwriter, if any, and stated to be specifically for use therein, and provided further that the Buyer will not be liable in any such case if a settlement was effected without the prior written consent of the Buyer, which consent shall not be unreasonably withheld. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Sellers, the underwriter, or any controlling person of the Sellers or the underwriter, and regardless of any sale in connection with such offering by the Sellers. Such indemnity shall survive the transfer of the securities by a Seller.
10. Sellers Indemnity. The Sellers shall indemnify and hold harmless the Buyer, any underwriter for the Buyer and each person, if any, who controls the Buyer or such underwriter, from and against any and all losses, damages, claims, liabilities, costs or expenses (including any amounts paid in any settlement effected with the selling shareholder's consent) to which the Buyer, any such underwriter or any such controlling person may become subject under applicable law or otherwise, insofar as such losses, damages, claims, liabilities (or actions or proceedings in respect thereof), costs or expenses arise out of or are based on (i) any untrue statement of any material fact contained in the Registration Statement or included in the prospectus, as amended or supplemented, or (ii) the omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading, and the Sellers will reimburse the Buyer, any such underwriter and each such controlling person of the Buyer or any such underwriter, promptly upon demand, for any reasonable legal or other expenses incurred by them in connection with investigating, preparing to defend or defending against or appearing as a third-party witness in connection with such loss, claim, damage, liability, action or proceeding; in each case to the extent,

that such untrue statement or omission is contained in any information so furnished in writing by such Sellers to the Buyer specifically for inclusion in the Registration Statement or prospectus and that such information was reasonably relied upon by the Buyer for use in the Registration Statement, prospectus or to the extent that such information related to the Sellers or the Sellers' proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by the Sellers expressly for use in the Registration Statement, form of prospectus (it is hereby clarified that the indemnification liability detailed herein shall only apply to such Seller/s who provided such untrue statements or omitted to include certain information as detailed in subsection (i) and (ii) above); provided, however, that the indemnity shall not apply to amounts paid in settlement of any losses if such settlement is effected without the prior written consent of the Sellers. In no event shall the liability of any Seller hereunder be greater in amount than the dollar amount of the net proceeds received by the Sellers upon the sale of the Registrable Securities giving rise to such indemnification obligation; and in case that no sale of Registrable Securities occurred, then the liability shall not exceed the average value of the securities within the first three months after the registration.

4. Information by Seller

. Each Seller shall furnish to the Buyer such information regarding such Seller, the Registrable Securities held by it and the distribution proposed by such Seller as the Buyer may reasonably request in writing and as shall be required in connection with any registration, qualification or compliance referred to in this Agreement.

6. Transfer or Assignment of Registration Rights

. Any of the Sellers may assign its rights to register Registrable Securities pursuant to this Agreement to a transferee of all or any part of its Registrable Securities, on condition that such transferee shall fully undertake and comply with all limitations and obligations set herein. The transfer shall be effective only if (i) within twenty (20) days after such transfer, the transferor or transferee furnishes the Buyer with written notice of the name and address of such transferee and the securities with respect to which such registration rights are being assigned, and (ii) the transferee provides the Buyer with its written agreement to be bound by this Agreement.

THIS WARRANT AND THE SECURITIES ISSUABLE UPON EXERCISE OF THIS WARRANT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT") OR QUALIFIED UNDER ANY STATE OR FOREIGN SECURITIES LAW, AND MAY NOT BE SOLD, TRANSFERRED, ASSIGNED OR HYPOTHECATED UNLESS THERE IS AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT COVERING THIS WARRANT AND/OR SUCH SECURITIES, OR THE HOLDER RECEIVES AN OPINION OF COUNSEL FOR THE HOLDER OF THE WARRANT AND/OR SUCH SECURITIES SATISFACTORY TO THE COMPANY STATING THAT SUCH SALE, TRANSFER, ASSIGNMENT OR HYPOTHECATION IS EXEMPT FROM THE REGISTRATION AND PROSPECTUS DELIVERY REQUIREMENTS OF THE SECURITIES ACT AND THE QUALIFICATION REQUIREMENTS UNDER APPLICABLE STATE OR FOREIGN LAW.

WARRANT TO PURCHASE ORDINARY SHARES

Nexus Telocation Systems Ltd., an Israeli Company (the "**Company**"), hereby grants to Clal Information Technologies Ltd. (the "**Holder**"), the right to purchase from the Company 5,909,419 Ordinary Shares of the Company, nominal value NIS 0.03 (the "**Ordinary Shares**"), subject to the terms and conditions set forth below, effective as of June 27, 2004 (the "**Effective Date**").

1. Number of Ordinary Shares Available for Purchase

This Warrant may be exercised to purchase up to 5,909,419 Ordinary Shares having an aggregate exercise price in the amount of two hundred sixty thousand fourteen U.S. Dollars and forty four Cents (\$260,014.44) (the "Exercise Amount"), at an exercise price per each Ordinary Share as set forth in Section 2 below, subject

to adjustments under Section 7 of this Warrant (the "Warrant Shares").

2. Exercise Price

The exercise price for each Warrant Share purchasable hereunder shall be equal to 4.4 US Cents (\$0.044), subject to adjustments under Section 7 of this Warrant (the "Warrant Price").

3. Term

This Warrant may be exercised, in whole or in part, at any time during the period beginning on the Effective Date and until the earlier of (i) April 6, 2006; or (ii) a merger or consolidation of the Company into any other corporation or corporations where the Company is not the surviving entity, or the sale of substantially all of the assets of the Company, in which the shareholders of the Company hold less than thirty-three percent (33%) of the outstanding voting power of the successor or surviving corporation immediately following such consolidation, merger, sale of assets or reorganization (an "M&A Transaction") (the "Exercise Period").

4. Exercise of Warrant

This Warrant may be exercised in whole or in part on one or more occasions during the Exercise Period. The Warrant may be exercised by the surrender of the Warrant to the Company at its principal office together with the Notice of Exercise annexed hereto duly completed and executed on behalf of the Holder.

a. **Exercise**

To exercise this Warrant, the Notice of Exercise must be accompanied by payment in full of the amount of the aggregate Exercise Amount of the Warrant Shares being purchased upon such exercise in immediately available funds.

b. **Issuance of Shares on Exercise**

The Company agrees that the Warrant Shares so purchased shall be issued as soon as possible after receipt of the Notice of Exercise and payment of the exercise price and the Holder shall be deemed the record owner of such Warrant Shares as of and from the close of business on the date on which this Warrant shall be surrendered, together with payment in full as required above. In the event of a partial exercise, in accordance with Section 4 above, the Company shall concurrently issue to the Holder a replacement Warrant on the same terms and conditions as this Warrant, but representing the number of Warrant Shares remaining after such partial exercise.

c. **Mandatory Exercise**

A majority in interest of the Purchasers (the "**Majority Purchasers**") under the Share Purchase Agreement, dated March 13, 2003 between the Company and certain investors (the "**Agreement**") may submit as of May 1, 2005 and during the Exercise Period a notice to the Holder that the Majority Purchasers have elected to exercise within fourteen (14) days from the date of such notice all the Warrant Shares under the warrants granted to them in connection with the Agreement and to the Sellers under the Share Exchange Agreement dated April 25, 2004, or a certain portion of such Warrant Shares and that the Holder is required to exercise

equal portion of Warrant Shares under this Warrant (the "**Mandatory Exercise**"). If the Holder has failed to comply with the requirements of the Mandatory Exercise within the appointed time thereof, then this Warrant shall immediately terminate and expire with respect to that portion of Warrant Shares which is equal to the portion exercised by the Majority Purchasers under such Mandatory Exercise (i.e., if the Majority Purchasers elected to exercise fifty percent (50%) of their warrants, then upon failure to comply with the Mandatory Exercise fifty percent (50%) of the Warrant Shares shall terminate and expire). It is hereby agreed that the Mandatory Exercise provisions herein detailed shall apply only after registration for trade of the Warrant Shares.

5. Fractional Interest

No fractional shares will be issued in connection with any exercise hereunder, but in lieu of such fractional shares the Company shall make a cash payment therefor upon the basis of the current market price of such shares then in effect as determined in good faith by the Company's Board of Directors.

6. Warrant Confers No Rights of Shareholder

Except as otherwise set forth in this Warrant, the Holder shall not have any rights as a shareholder of the Company with regard to the Warrant Shares prior to actual exercise resulting in the purchase of any Warrant Shares.

7. Adjustment of Warrant Price and Number of Shares

The number and kind of securities purchasable initially upon the exercise of this Warrant and the Warrant Price shall be subject to adjustment from time to time upon the occurrence of certain events, as follows:

a. **Adjustment for Shares Splits and Combinations** If the Company at any time or from time to time effects a subdivision of the outstanding Ordinary Shares, the number of Ordinary Shares issuable upon exercise of this Warrant immediately before the subdivision shall be proportionately increased, and conversely, if the Company at any time or from time to time combines the outstanding Ordinary Shares, the number of Ordinary Shares issuable upon exercise of this Warrant immediately before the combination shall be proportionately decreased. Any adjustment under this Section 7(a) shall become effective at the close of business on the date the subdivision or combination becomes effective.

b. **Adjustment for Certain Dividends and Distributions** In the event the Company at any time, or from time to time makes, or fixes a record date for the determination of holders of Ordinary Shares entitled to receive a dividend or other distribution payable in additional shares of Ordinary Shares, then and in each such event the number of Ordinary Shares issuable upon exercise of this Warrant shall be increased as of the time of such issuance or, in the event such a record date is fixed, as of the close of business on such record date, by multiplying the number of Ordinary Shares issuable upon exercise of this Warrant by a fraction: (i) the numerator of which shall be the total number of Ordinary Shares issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of Ordinary Shares issuable in payment of such dividend or distribution, and (ii) the denominator of which is the total number of shares of Ordinary Shares issued and outstanding immediately prior to the time of such issuance or the close of business on such record date; provided, however, that if such record date is fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed thereof, the number of Ordinary Shares issuable upon exercise of this Warrant shall be recomputed accordingly as of the close of business on such record date and thereafter the number of shares of Ordinary Shares issuable upon exercise of this Warrant shall be adjusted pursuant to this Section 7(b) as of the time of actual payment of such dividends or distributions.

c. **Adjustments for Other Dividends and Distributions.** In the event the Company at any time or from time to time makes, or fixes a record date for the determination of holders of Ordinary Shares entitled to receive a dividend or other distribution payable in securities of the Company other than Ordinary Shares, then in each such event provision shall be made so that the Holder shall receive upon exercise of this Warrant, in addition to the number of Ordinary Shares receivable thereupon, the amount of securities of the Company that the Holder would have received had this Warrant been exercised for Ordinary Shares immediately prior to such event (or the record date for such event) and had the Holder thereafter, during the period from the date of such event to and including the date of exercise, retained such securities receivable by it as aforesaid during such period, subject to all other adjustments called for during such period under this Section and the Company's Articles of Association with respect to the rights of the Holder.

d. **Adjustment for Reclassification, Exchange and Substitution** If the Ordinary Shares issuable upon the exercise of this Warrant are changed into the same or a different number of shares of any class or classes of shares, whether by recapitalization, reclassification or otherwise (other than a subdivision or combination of shares or shares dividend provided for elsewhere in this Section), then and in any such event the Holder shall have the right thereafter to exercise this Warrant into the kind and amount of shares and other securities receivable upon such recapitalization, reclassification or other change, by holders of the number of shares of Ordinary Shares for which this Warrant might have been exercised immediately prior to such recapitalization, reclassification or change, all subject to further adjustment as provided herein and under the Company's Articles of Association. Similar adjustments will be made in the event of a consolidation, merger or reorganization of the Company with or into, or a sale of all or substantially all of the Company's assets, or substantially all of the Company's issued and outstanding share capital, to, any other company, or any other entity or person.

e. **Adjustment of Warrant Price.** Upon each adjustment in the number of Ordinary Shares purchasable hereunder, the Warrant Price shall be proportionately increased or decreased, as the case may be, in a manner that is the inverse of the manner in which the number of Ordinary Shares purchasable hereunder shall be adjusted.

f. **General Protection.** The Company will not by amendment of its Articles of Association or through any reorganization, transfer of assets, consolidation, merger, dissolution, issuance or sale of its securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder, or impair the economic interest of the Holder, but will at all times in good faith assist in the carrying out of all provisions hereof and in taking of all such actions and making all such adjustments as may be necessary or appropriate in order to protect the rights and economic interest of the Holder against any impairment.

8. Representations and Covenants of the Company

. The Company represents and warrants as follows:

a. that all corporate actions on the part of the Company, its officers, directors and shareholders necessary for the sale and issuance of the Warrant and the Warrant Shares and the performance of the Company's obligations hereunder have been taken and are effective as of the date hereof.

b. All of the Warrants Shares issuable upon the exercise of this Warrant will, upon issuance, be fully paid and nonassessable, and free from all liens, charges, preemptive rights, rights of first refusal and similar rights with respect to the issue thereof.

9. Representations and Warranties by the Holder.

The Holder represents and warrants to the Company as follows:

a. The Holder understands that the Warrant and the Warrant Shares have not been registered under the Securities Act, or another comparable law, by reason of their issuance in a transaction exempt from registration **under the Securities Act** pursuant to Section 4(2) thereof, and that they must be held by the Holder indefinitely, and that the Holder must therefore bear the economic risk of such investment indefinitely, unless the Warrant Shares have been registered for resale under the Securities Act or such resale is exempted from such registration. The Holder is aware of the provisions of Rule 144 promulgated under the Securities Act and its requirements for the resale of the Warrant Shares which permits limited resale of shares purchased in a private placement subject to the satisfaction of certain conditions, including, among other things, the existence of a public market for the shares, the availability of certain current public information about the Company, the resale occurring not less than one year after a party has purchased and paid for the security to be sold, the sale being effected through a "broker's transaction" or in transactions directly with a "market maker" and the number of shares being sold during any three-month period not exceeding specified limitations.

b. The Holder has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the purchase of this Warrant and Warrant Shares purchasable pursuant to the terms of this Warrant and of protecting its interests in connection therewith. The Holder is able to bear the economic risk of the purchase of the Warrant Shares pursuant to the terms of this Warrant including an entire loss of the value of such investment.

c. The Holder understands that the Warrant and the Warrant Shares have not been registered under the Securities Act, in part, by reason of a specific exemption from the registration provisions of the Act, the availability of which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of the Holder's representations as expressed herein.

10. Restrictive Legend

The Holder consents to the placement of legend(s) on all securities hereunder as to the applicable restrictions on transferability in order to ensure compliance with the Securities Act.

11. Loss, Theft, Destruction or Mutilation of Warrant

Upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of any Warrant, and in case of loss, theft or destruction, of indemnity, or security reasonably satisfactory to it, and upon reimbursement to the Company of all reasonable expenses incidental thereto, and upon surrender and cancellation of such Warrant, if mutilated, the Company will make and deliver a new Warrant of like tenor and dated as of such cancellation, in lieu of such Warrant.

12. Applicable Law; Jurisdiction

This Warrant shall be governed by and construed in accordance with the laws of the State of Israel as applicable to contracts between two residents of the State of Israel entered into and to be performed entirely within the State of Israel. Any dispute arising under or in relation to this Warrant shall be resolved exclusively in the competent court for Tel Aviv-Jaffa district, and each of the parties hereby submits irrevocably to the exclusive jurisdiction of such court.
