PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD APRIL 23, 2015

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Unity Bancorp, Inc. (the “Company”) of proxies to be voted at the Company’s 2015 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on April 23, 2015, and at any postponement or adjournment of the Annual Meeting.

You are cordially invited to attend the Annual Meeting, which will begin at 9:30 a.m. local time. The Annual Meeting will be held at the Grand Colonial Restaurant, 86 Route 173 West, Perryville (Hampton), New Jersey, (908-735-7889). Shareholders will be admitted beginning at 9:15 a.m. local time. (Directions: Route 78 West to Exit 12 to end of ramp, turn left onto Route 173 West and proceed to restaurant on right; or Route 78 East to Exit 11 to end of ramp, turn left on Route 614, turn right onto Route 173 East and proceed to restaurant.)

The Company is first mailing this proxy statement and proxy card (including voting instructions) on or before March 24, 2015, to persons who were Unity Bancorp, Inc. shareholders at the close of business on March 4, 2015, the record date for the Annual Meeting.

PROXIES AND VOTING PROCEDURES

Who Can Vote?

You are entitled to vote at the Annual Meeting all shares of the Company’s Common Stock, no par value per share (the “Common Stock”), that you held as of the close of business on the record date. Each share of Common Stock is entitled to one vote with respect to each matter properly brought before the Annual Meeting.

On March 4, 2015, there were 8,416,965 shares of Common Stock outstanding.

In accordance with New Jersey law, a list of shareholders entitled to vote at the meeting will be available at the Annual Meeting.

Who Is a Record Holder?

You may own Common Stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

If your shares of Common Stock are registered directly in your name, the Company is sending these proxy materials directly to you. If the record holder of your shares of Common Stock is a nominee, you will receive proxy materials from such record holder.

How Do I Vote?

Record Holders:

By Mail. If you choose to vote by mail, mark your proxy, date and sign it, and return it in the postage-paid envelope provided. Your vote by mail must be received by the close of voting at the Annual Meeting on April 23, 2015.

By Attending the Annual Meeting. If you attend the Annual Meeting, you can vote your shares of Common Stock in person.

Stock Held by Brokers, Banks and Nominees:

If your Common Stock is held by a broker, bank or other nominee, you will receive instructions from them that you must follow in order to have your shares voted.

If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of Common Stock on March 4, 2015.

The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person.

3

How Many Votes Are Required?

A quorum is required to transact business at the Annual Meeting. The Company will have a quorum and be able to conduct the business of the Annual Meeting if the holders of a majority of the shares of Common Stock entitled to vote are present at the Annual Meeting, either in person or by proxy.

If a quorum is present, Directors will be elected by a plurality of votes cast at the Annual Meeting. Thus, a Director may be elected even if the Director receives less than a majority of the shares of Common Stock represented at the Annual Meeting. Approval of each of the other proposals requires the vote of a majority of those shares voting at the Annual Meeting.

How Are Votes Counted?

All shares that have been properly voted, and not revoked, will be voted at the Annual Meeting in accordance with the instructions given. If you sign and return your proxy card, but do not specify how you wish your shares to be voted, your shares represented by that proxy will be voted "FOR" each of the proposals listed in the notice of meeting and as recommended by the Board of Directors on any other business to be conducted at the Annual Meeting. The Board is not aware of any other business to be conducted at the Annual Meeting.

Proxies marked as abstaining, and any proxies returned by brokers as "non-votes" on behalf of shares held in street name because beneficial owners' discretion has been withheld as to one or more matters to be acted upon at the Annual Meeting, will be treated as present for purposes of determining whether a quorum is present at the Annual Meeting. However, any shares not voted as a result of a marked abstention or a broker non-vote will not be counted as votes for or against a particular matter. Accordingly, marked abstentions and broker non-votes will have no effect on the outcome of a vote.

How Does the Board Recommend that I Vote My Shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

FOR the election of nominees for Director to serve on the Board of Directors;

FOR ratification of McGladrey LLP as the Company's independent external auditors;

FOR approval of the proposed 2015 Stock Option Plan;

FOR approval of the Company's executive compensation; and

FOR the Company holding an advisory vote on executive compensation once every three years.

How Can I Revoke My Proxy or Change My Vote?

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy or by voting in person at the Annual Meeting.

Who Will Pay the Expenses of Proxy Distribution?

The Company will pay the expenses of the preparation of proxy materials and the solicitation of proxies. Proxies may be solicited on behalf of the Company by Directors, officers or employees of the Company, who will receive no additional compensation for soliciting, in person or by telephone, e-mail, facsimile or other electronic means. In accordance with the regulations of the Securities and Exchange Commission ("SEC") and the Financial Industry Regulatory Authority ("FINRA"), the Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of Common Stock.

PROPOSAL 1 - ELECTION OF DIRECTORS

In accordance with the Certificate of Incorporation and the Bylaws of the Company, the Board of Directors must consist of not less than one (1) and not more than fifteen (15) Directors. The Board of Directors of the Company currently has eleven (11) members. The Board of Directors is divided into three classes.

Four (4) Directors will be elected at this Annual Meeting to serve for three-year terms expiring at the Company's Annual Meeting in 2018 and until their successors are duly elected and qualified. All nominees are current members of the Company's Board of Directors.

The persons named in the enclosed proxy card will vote such proxy "FOR" the election of each of the nominees named below unless you indicate that your vote should be withheld. If elected, each nominee will continue in office until his successor has been duly elected and qualified, or until the earliest of his death, resignation, retirement or removal. Each of the nominees has indicated to the Company that he or she will serve if elected. The Company does not anticipate that any of the nominees will be unable to stand for election, but if that happens, your proxy will be voted in favor of another person nominated by the Board.

The Board of Directors has nominated and recommends a vote "FOR" the election of Dr. Mark S. Brody, Dr. Austin H. Kutscher, Jr., Raj Patel and Donald E. Souders, Jr.

Diversity

Diversity in knowledge, skills and experience is considered by the Board of Directors when evaluating nominees. From time to time, the Board of Directors may develop specific additional selection criteria for Board membership, taking into consideration current Board composition and ensuring that the appropriate knowledge, skills and experience are represented.

Board Leadership

Historically, the Company has separated the positions of CEO and Board Chairman, with the Board Chairman's position being filled by a non-employee member of the Board. The Board believes that this structure has been the most appropriate for the Company because it provides the Board with an additional diversity of views on managing the Company and provides the Board with greater independent leadership.

Risk Oversight

Risk is an inherent part of the business of banking. Risks faced by the Bank include credit risk relating to its loans and interest rate risk related to its entire balance sheet. The Board of Directors oversees these risks through the adoption of policies and by delegating oversight to certain Board committees, including the Executive Loan and Risk Management Committees.

Audit Committee

The Company maintains an Audit Committee of the Board of Directors, which consisted of Chairman Peter E. Maricondo, and Directors Mark S. Brody, Wayne Courtright and Mary E. Gross during the fiscal year ended December 31, 2014. The Audit Committee met five (5) times in 2014, and also held four (4) telephone conference calls with its external auditors. All Directors who serve on the Audit Committee are “independent” under the heightened NASDAQ listing standards and the SEC’s rules applicable to audit committees. The Board has determined that each of Messrs. Maricondo, Brody and Courtright and Ms. Gross, are considered “Audit Committee financial experts” as defined in Item 401(h) of the SEC’s Regulation S-K.

The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Board has adopted a written charter setting forth the functions of the Audit Committee. The functions of the Audit Committee are to: (i) monitor the integrity of the Company’s financial reporting process and systems of internal controls; (ii) monitor the independence and performance of the Company’s external audit and internal auditing functions and determine the engagement of the external and internal auditors; (iii) provide avenues of communication among the external and internal auditors and the Board of Directors; (iv) review and monitor compliance with the Company’s Bank Secrecy Act (“BSA”) policy, procedures and practices; and (v) review and monitor compliance with the Company’s policies, procedures and practices. The Audit Committee reviews this charter annually in order to assure compliance with current SEC and NASDAQ rule-making and to assure that the Audit Committee’s functions and procedures are appropriately defined and implemented. A copy of our Audit Committee charter is available on our website at www.unitybank.com.

The Audit Committee also reviews and evaluates the recommendations of the Company’s independent certified public accountant, receives all reports of examination of the Company and the Bank by regulatory agencies, analyzes such regulatory reports and informs the Board of the results of their analysis of the regulatory reports. In addition, the Audit Committee receives reports directly from the Company’s internal auditors and recommends any action to be taken in connection therewith.

Human Resources (“HR”)/Compensation Committee

The HR/Compensation Committee consisted of Chairman Mark S. Brody and Directors Mary E. Gross, Austin H. Kutscher, Jr, Peter E. Maricondo and Donald E. Souders, Jr. during the fiscal year ended December 31, 2014. The HR/Compensation Committee met four (4) times in 2014. As of the date hereof, Mark S. Brody, Mary E. Gross, Austin H. Kutscher, Jr., Peter E. Maricondo and Donald E. Souders, Jr. are considered to be “independent” for purposes of NASDAQ Compensation Committee standards.

The HR/Compensation Committee is appointed by the Board of Directors to assist the Board in fulfilling its responsibilities with respect to human resources issues, policies relating to human resources and compensation of employees, including executive compensation. The HR/Compensation Committee performs functions that include monitoring human resources and compensation issues and practices, both internally and in the marketplace, conducting surveys and studies as to these issues, keeping abreast of current developments in the relevant fields, developing compensation ranges/grades, human resources policies and employment manual updates. Based on the results of its activities, the HR/Compensation Committee sets the compensation for our executive officers and for the members of our Board. The HR/Compensation Committee does not delegate its authority regarding compensation. Currently, no consultants are engaged or used by the HR/Compensation Committee for purposes of determining or recommending compensation levels.

The Board of Directors has adopted a written charter for the HR/Compensation Committee which is available on our website at www.unitybank.com.

HR/Compensation Committee Interlocks and Insider Participation

There are no Compensation Committee “interlocks,” which generally means that no executive officer of the Company or the Bank served as a director or member of the Compensation Committee of another entity one of whose executive officers serves as a member of the HR/Compensation Committee.

Nomination Process

The Company does not maintain a separate Nominating Committee. The full Board of Directors, which is comprised of a majority of independent Directors within the meaning of the NASDAQ listing standards, performs the functions and fulfills the role of a nominating committee. In accordance with NASDAQ listing standards, each nominee selected by the Board must be approved by a majority of the independent Directors. The Company does not believe that a nominating committee is needed in light of the foregoing approval requirement and the fact that the Board consists largely of independent Directors. Although the Board has not adopted a formal written charter relating to its nominating procedures, it has adopted a resolution regarding the nomination process. The Board of Directors carefully considers all candidates for Director that are recommended by the Company's shareholders, and the Board does not and will not evaluate such candidate recommendations any differently from the way it evaluates candidates recommended by the Board. In its evaluation of each proposed candidate, the Board considers many factors including, without limitation, the individual's experience, character, demonstrations of judgment and ability, and financial and other special expertise. The Board is also authorized to obtain the assistance of an independent third party to complete the process of finding, evaluating and selecting suitable candidates for Director. Candidates must be at least 30 years old. Any shareholder who wishes to recommend an individual as a nominee for election to the Board of Directors should submit such recommendation in writing to the Corporate Secretary of the Company, together with information regarding the experience, education and general background of the individual and a statement as to why the shareholder believes such individual to be an appropriate candidate for Director of the Company. Such recommendation should be provided to the Company no later than the deadline for submission of shareholder proposals with respect to the annual meeting at which such candidate, if nominated by the Board, would be proposed for election.

Communications with the Board of Directors

The Company encourages shareholder communications with the Board of Directors, but does not have a formal process. All such communications should be directed to the Chief Executive Officer of the Company, who will circulate them to the other members of the Board. The Board does not screen shareholder communications through management.

Code of Ethics

The Company has adopted a Code of Ethics in accordance with SEC regulations, applicable to the Company's Chief Executive Officer, Chief Financial Officer, other senior officers and the Board of Directors. Our Code of ethics is available on our website at www.unitybank.com.

Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee generally pre-approves all audit and permissible non-audit services provided by the independent external auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent external auditors. Under the policy, pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. For each proposed service, the independent auditor is required to provide detailed back-up documentation at the time of approval. The Audit Committee has approved an exception to this pre-approval policy, allowing Management to engage the Company's independent auditor to provide permissible non-audit services, provided that the total cost of such services, in the aggregate, does not exceed \$10,000 in any year.

Management will then report the engagement to the Audit Committee at its next meeting. All audit and permissible non-audit services provided by McGladrey LLP to the Company for the fiscal years ended 2014 and 2013 were approved by the Audit Committee.

Report of the Audit Committee

The Audit Committee meets at least four (4) times per year to consider the adequacy of the Company's financial controls and the objectivity of its financial reporting. The Audit Committee meets with McGladrey LLP, the Company's independent registered public accounting firm and the Company's internal auditors, who have unrestricted access to the Audit Committee.

Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent registered public accounting firm audits the financial statements prepared by Management, expresses an opinion as to whether those financial statements fairly represent the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles and discusses with the Audit Committee any issues they believe should be raised with the Committee.

In connection with this year's financial statements, the Audit Committee has reviewed and discussed the Company's audited financial statements with the Company's officers and McGladrey LLP, the Company's independent registered

public accounting firm. The Audit Committee has discussed with McGladrey LLP the matters required to be discussed by PCAOB Auditing Standards No. 16, Communications with Audit Committees. The Audit Committee also received the written disclosures and letters from McGladrey LLP that are required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committee Concerning Independence and have discussed such independence with representatives of McGladrey LLP.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014, for filing with the U.S. Securities and Exchange Commission.

Potential Payments upon Termination or Change in Control

Mr. Hughes' employment may be terminated at any time for "cause" as defined in the Employment Agreement, or without "cause." In the event that Mr. Hughes is terminated without "cause" or resigns for "good cause" (as defined under the Employment Agreement and discussed below), he is entitled to receive a severance amount equal to 18 months of his then current base salary. Such amount shall be paid in one lump sum payment (within 30 days of the termination of Mr. Hughes' employment). Mr. Hughes will also continue to receive medical, life insurance and other benefits to which he had been entitled at the date of termination for such 18-month period, unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. "Good Cause" under the Employment Agreement includes a material reduction in Mr. Hughes' duties and responsibilities or any reduction in his base salary. If Mr. Hughes' employment were terminated without cause at December 31, 2014, or if he resigned for good cause at December 31, 2014, he would receive a severance payment equal to \$450,021.

In addition, if Mr. Hughes' employment with the Company or any successor terminates within 18 months after a "change in control" of the Company, as defined under the Employment Agreement (regardless of the reason for such termination), Mr. Hughes will be entitled to receive an amount equal to the greater of (i) 36 times Mr. Hughes' monthly base salary (pro-rated based upon his annual base salary at the date of termination), or (ii) three times the amount of Mr. Hughes' annual base salary at the date of termination, plus three times the aggregate amount of any cash bonuses paid to Mr. Hughes during the preceding fiscal year. Such amount shall be paid in one lump sum payment (within 30 days of the termination of Mr. Hughes subsequent to a "Change in Control"). The Company, or its successor, will be required to maintain Mr. Hughes' hospital, health, medical and life insurance coverage during the 36-month period following his termination, unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. All unvested stock options and stock awards previously granted to Mr. Hughes shall accelerate and immediately vest upon the occurrence of a change in control. If a change in control occurred at December 31, 2014, and Mr. Hughes' employment terminated, he would have been entitled to a payment of \$1,152,663.

Mr. Hughes' employment agreement defines a change in control as including: any event requiring the filing of a Current report on Form 8-K to announce a change in control; any person acquiring 25% or more of the Company's voting power; if persons who serve on the Board at the beginning of the period fail to make up a majority of the Board at the end of the period; if the Company fails to satisfy the listing criteria for any exchange on which its shares are traded due to the number of shareholders or the number of round lot holders; or if the Board of the Company approves any transaction after which the shareholders of the Company fail to control 51% of the voting power of the resulting entity.

Furthermore, if Mr. Hughes' employment with the Company terminates within 18 months after the Company consummates a "Significant Acquisition," as defined under the Employment Agreement (regardless of the reason for such termination), Mr. Hughes will be entitled to receive an amount equal to the greater of (a) 36 times Mr. Hughes' monthly base salary (pro-rated based upon his annual base salary at the date of termination), or (b) three times the amount of Mr. Hughes' annual base salary at the date of termination, plus three times the aggregate amount of any cash bonuses paid to Mr. Hughes during the preceding fiscal year. Such amount shall be paid, at the option of Mr. Hughes, in one lump sum payment (within 30 days of the termination of Mr. Hughes subsequent to a "Significant Acquisition")

or over a 36-month period. In the event Mr. Hughes elects to receive such amount over a 36-month period, the Company will be required to maintain Mr. Hughes' hospital, health, medical and life insurance benefits coverage during such 36-month period, unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. In the event Mr. Hughes becomes entitled to the foregoing amounts due to this termination within 18 months of a Significant Acquisition, all unvested stock options or stock awards previously granted to Mr. Hughes shall accelerate and immediately vest upon such termination. Had a Significant Acquisition occurred at December 31, 2014, and Mr. Hughes received a lump sum payment under these provisions, his severance payment would have equaled \$1,152,663.

“Significant Acquisition” under the Employment Agreement means an acquisition by the Company pursuant to which, as all or part of the consideration for such acquisition, the Company issues to the shareholders of the acquired entity such number of voting securities as shall equal 25% or more of the then outstanding voting securities of the Company. Mr. Hughes' Employment Agreement has a term of three (3) years; however, for each day elapsed during the term, a day will be added at the end of the term so that the term will be extended on a rolling basis to be three (3) years at any point in time, unless either party shall have provided written notice to the other of its desire to cease such extensions. In addition, the term of Mr. Hughes' Employment Agreement shall terminate immediately upon the occurrence of any of the following: (i) the Company's entering into a Memorandum of Understanding with the FDIC or the New Jersey Department of Banking and Insurance; (ii) a cease-and-desist order being issued with respect to the Company by the FDIC or the New Jersey Department of Banking and Insurance; or (iii) the receipt by the Company of any notice under a federal or state law which (in any way) restricts the payment of any amounts or benefits which may become due under Mr. Hughes' Employment Agreement.

The Company also entered into Retention Agreements with Messrs. Bedner and Kauchak. Each of the Retention Agreements provides that the executive may be terminated at any time for “cause” as defined in the applicable Retention Agreement or without “cause.” In the event that the executive is terminated without “cause” or resigns for “good cause” (as defined under the applicable Retention Agreement and discussed below), the executive is entitled to receive a severance amount equal to 12 months of the executive’s then current base salary. Such amount shall be paid in a lump sum payment (within 30 days of the termination of the executive). In addition, the executive will continue to receive medical, life insurance and other benefits to which the executive had been entitled at the date of termination for 12 months, unless and until the executive obtains new employment during such period and such new employment provides for such benefits to be provided to the executive. “Good Cause” under the Retention Agreements includes a material reduction in the executive’s duties and responsibilities or any reduction in the executive’s base salary.

In addition, if the executive’s employment with the Company or any successor terminates within 18 months after a “change in control” of the Company, as defined under the Retention Agreements (regardless of the reason for such termination), the executive will be entitled to receive an amount equal to twice the executive’s annual base salary at the date of termination, plus the aggregate amount of any cash bonuses paid to the executive during the preceding fiscal year. Such amount shall be paid in one lump sum payment (within 30 days of the executive’s termination subsequent to a “change in control”). The Company or its successor will be required to maintain the executive’s hospital, health, medical and life insurance coverage for such 24-month period. All unvested stock options and stock option grants previously granted to the executive shall accelerate and immediately vest upon the occurrence of a change in control.

Furthermore, if the executive’s employment with the Company terminates within 18 months after the Company consummates a “Significant Acquisition,” as defined under the Retention Agreements (regardless of the reason for such termination), the executive will be entitled to receive an amount equal to twice the amount of the executive’s annual base salary at the date of termination, plus the aggregate amount of any cash bonus paid to the executive during the preceding fiscal year. Such amount shall be paid, at the option of the executive, in one lump sum payment (within 30 days of the termination of the executive subsequent to a “Significant Acquisition.”) The Company is also required to maintain the executive’s hospital, health, medical and life insurance benefits coverage during such 24-month period, unless and until the executive obtains new employment during such period and such new employment provides for such benefits to be provided to the executive. In the event the executive becomes entitled to the foregoing amounts due to termination within 18 months of a Significant Acquisition, all unvested stock options and stock awards previously granted to the executive shall accelerate and immediately vest upon such termination. “Significant Acquisition” under the Retention Agreements means an acquisition by the Company pursuant to which, as all or part of the consideration for such acquisition, the Company issues to the shareholders of the acquired entity such number of voting securities as shall equal 25% or more of the then outstanding voting securities of the Company. Each Retention Agreement has a term of three years; however, in the event that the term of the Retention Agreement would terminate at any time after the Company has engaged in substantive negotiations regarding a transaction that would lead to a change in control, the Retention Agreement shall continue to remain in full force and effect until the earlier to occur of (i) the effectuation of the transaction leading to the change in control, or (ii) the termination of the negotiations for the proposed transaction, which would have resulted in the change in control. In addition, the term of each Retention Agreement shall terminate immediately upon the occurrence of any of the following: (i) the Company’s entering into a Memorandum of Understanding with the FDIC or the New Jersey Department of Banking and Insurance; (ii) a cease-and-desist order being issued with respect to the Company by the FDIC or the New Jersey Department of Banking and Insurance; or (iii) the receipt by the Company of any notice under a federal or state law which in any way restricts the payment of an award or benefits under the Retention Agreement.

The following table shows the payouts which would be made to each of Messrs. Bedner, and Kauchak in the event their employment is terminated without cause and in the event that their employment is terminated following a change in control or significant acquisition:

Directors of the Company do not receive per meeting fees for their service on the Company's Board of Directors. The Bank's Board of Directors received an \$8,000 retainer for service on the Board of Directors in 2014. Directors also receive cash compensation for their service on the Board of Directors of the Bank. Directors receive \$600 for attendance at each Bank Board of Directors' meeting, and between \$200 and \$600 for attendance at each Bank Committee meeting. The Chairman of the Board and the Chairman of each individual Committee receive an additional \$100 per meeting.

The Directors are eligible to participate in the Company's stock bonus and stock option plans. On January 2, 2015, the Company's non-employee Directors were each granted 2,400 shares of restricted stock for their service in 2014. The shares were granted at a fair value of \$9.32 per share, which vest in 600 share increments over four (4) years

commencing January 2, 2016.

Management and Director Deferred Fee Plan

Each of the Directors of the Company has the option to elect to defer up to 100% of his or her respective retainer and Board fees, while Executive Management may defer up to 100% of their bonuses. The crediting rate of the deferred account balance is equal to the prime rate plus 100 basis points with a minimum of 4% and a maximum of 10%, adjusted annually and compounded monthly. Each Director and Executive is 100% vested in his deferred account balance. The retirement age under the plan is 65, and the benefit payment is paid in annual installments for 10 years or as a lump sum. The death benefit under the plan is 100% of the account balance paid to the participant's beneficiary in annual installments for 10 years or a lump sum if death occurs prior to retirement. During the Company's fiscal year ended December 31, 2014, Director Mark S. Brody received interest of \$9,933.17 on his account balance; Director Austin H. Kutscher received interest of \$1,803.70 on his account balance. No other directors participated in the plan. During the Company's fiscal year ended December 31, 2014, Executive James A. Hughes received interest of \$8,187.55 on his account balance; Executive John J. Kauchak received interest of \$1,723.32 on his account balance. No other executives participated in the plan.

Interest of Management and Others in Certain Transactions; Review, Approval or Ratification of Transactions with Related Persons

The Bank has made in the past and, assuming continued satisfaction of generally applicable credit standards, expects to continue to make loans to Directors, executive officers and their associates (i.e., corporations or organizations for which they serve as officers or Directors, or in which they have beneficial ownership interest of ten percent or more). These loans have all been made in the ordinary course of the Bank's business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons not related to the Bank and do not involve more than the normal risk of collectability or represent other unfavorable features.

Other than the ordinary course lending transactions described above, which must be approved by the Bank's Board under bank regulatory requirements, all related party transactions are reviewed and approved by our Audit Committee. This authority is provided to our Audit Committee under its written charter. In reviewing these transactions, our Audit Committee seeks to ensure that the transaction is no less favorable to the Company than a transaction with an unaffiliated third party. During 2014 and 2013, there were no transactions with related parties which would not have been required to be approved by our Audit Committee, and there were no related party transactions not approved by our Audit Committee.

The Company leases its Clinton, New Jersey, headquarters from a partnership in which Messrs. David D. Dallas and Robert H. Dallas, II are partners. Under the lease for such facility, such partnership received aggregate rental payments of \$400 thousand in 2014 and \$437 thousand in 2013. These rent payments reflect market rent, and the lease reflects terms that are comparable to those that could have been obtained in a lease with an unaffiliated third party.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS RATIFY THE COMPANY’S SELECTION OF McGladrey LLP.

PROPOSAL 3 – THE APPROVAL OF uNITY BANCORP, INC. 2015 STOCK OPTION PLAN

On January 29, 2015, the Board of Directors adopted the Unity Bancorp, Inc. 2015 Stock Option Plan (the “2015 Plan”) and directed that the 2015 Plan be submitted to the shareholders for approval at the 2015 Annual Meeting. The 2015 Plan will become effective if approved by a majority of the votes cast by holders of the shares of the Company’s Common Stock voting in person or by proxy at the Annual Meeting. The Company believes that the 2015 Plan will enable it to attract and continue to appoint and employ qualified directors, officers and employees, and, accordingly, the Company believes that it is in the best interests of the Company to adopt the 2015 Plan.

The purpose of the 2015 Plan is to provide directors, officers and employees of the Company, the Bank, and any subsidiaries the Company may acquire or form, with a proprietary interest in the Company as an incentive to encourage such persons to promote the growth and profitability of the Company and the Bank and remain in service with the Company and the Bank, and to reward such persons for the past performance of the Company and the Bank. The following summary of the material features of the 2015 Plan is qualified in its entirety by the full text of the 2015 Plan, a copy of which is attached to this Proxy Statement as Exhibit A.

Summary of the 2015 Plan

The 2015 Stock Option Plan authorizes the granting of incentive stock options (“ISOs”) and non-qualified options for a total of 200,000 shares of Common Stock to certain members of management of the Company and the Bank. Participants in the Option Plan will be chosen by the Board of Directors of the Company from among the executive officers and directors of the Company, the Bank and any other subsidiaries the Company may acquire or form.

The exercise price for options granted under the Option Plan will be determined by the Board of Directors at the time of grant, but may not be less than 100% of the fair market value of the Common Stock on the date of grant. The Board of Directors will have the right to determine the other terms of any option grants, including whether to impose a vesting period.

The Option Plan may be amended from time to time by the Board of Directors of the Company. The rights and obligations under any option granted before an amendment shall not be altered or impaired by any such amendment without the written consent of the optionee.

The options granted under the Option Plan may either be incentive stock options or non-qualified options. The grant of a non-qualified option which does not have a readily ascertainable fair market value at the time it is granted is not taxable to the recipient of the option for federal income tax purposes at the time the option is granted. The non-qualified options granted under the Option Plan should be considered as not having a readily ascertainable fair market value at the time of grant because they are not tradable on an established market.

The recipient of a non-qualified option realizes compensation taxable as ordinary income at the time the option is exercised or transferred. The amount of such compensation is equal to the amount by which the fair market value of the stock acquired upon exercise of the option exceeds the amount required to be paid for such stock. Upon exercise of the option, the Company is entitled to an income tax deduction in the amount of the compensation income, provided applicable rules pertaining to tax withholding are satisfied and the compensation represents an ordinary and necessary business expense of the Company. The stock acquired upon exercise of the option has an adjusted basis in the hands of the recipient equal to the amount paid for the stock plus the

amount taxed at exercise and a holding period commencing on the date the stock is acquired by the recipient. At the time the stock is subsequently sold or otherwise disposed of by the recipient, the recipient will recognize a taxable capital gain or loss measured by the difference between the adjusted basis of the stock at the time it is disposed of and the amount realized in connection with the transaction. The long term or short term nature of such gain or loss will depend upon the applicable holding period for such stock.

For federal income tax purposes, no taxable income results to the optionee upon the grant of an incentive stock option or upon the issuance of shares to the optionee upon the exercise of the option provided that the holding periods discussed below are complied with. Correspondingly, no deduction is allowed to the Company upon either the grant or the exercise of an incentive stock option.

If shares acquired upon the exercise of an incentive stock option are not disposed of within the two-year period following the date the option is granted and within the one year period following the date the shares are issued to the optionee pursuant to exercise of the option, the difference between the amount realized on any disposition thereafter and the option price will be treated as a long-term capital gain or loss to the optionee. If a disposition occurs before the expiration of the requisite periods described above, then the option will be treated as a non-statutory option. In such event, the Company will be entitled to a corresponding deduction from its income, provided that the deduction is reasonable and that the Company withholds and deducts as required by law. Any such increase in the income of the optionee or deduction from the income of the Company attributable to such disposition is treated as an increase in income or a deduction from income in the taxable year in which the disposition occurs. Any excess of the amount realized by the optionee on disposition of the shares over the fair market value of the shares at the time of exercise will be treated as capital gain.

Required Vote

IN ORDER FOR THE 2015 STOCK OPTION PLAN TO BE APPROVED, THE AFFIRMATIVE VOTE OF A MAJORITY OF THE SHARES OF COMMON STOCK VOTING AT THE ANNUAL MEETING IS REQUIRED.

UNLESS MARKED TO THE CONTRARY, THE SHARES REPRESENTED BY THE ENCLOSED PROXY CARD, IF EXECUTED AND RETURNED, WILL BE VOTED "FOR" THE APPROVAL OF THE 2015 STOCK OPTION PLAN.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE 2015 STOCK OPTION PLAN. SEE EXHIBIT A.

PROPOSAL 4 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, companies with securities registered with the Securities and Exchange Commission are required to provide shareholders the opportunity to vote on a non-binding advisory proposal to approve the compensation of executives. The Company has determined to implement this requirement by providing shareholders a simple vote that indicates their position (by a yes or no vote) with respect to our executive compensation.

Our Board of Directors annually reviews and approves corporate and/or individual goals and objectives relevant to the compensation of our executive officers, evaluates performance in light of those goals and objectives, and determines compensation levels based on this evaluation. In determining any long-term incentive component of compensation, the Board will consider all such factors as it deems relevant, such as performance and relative shareholder return, the value of similar incentive awards at comparable companies and the awards granted in previous years. We also believe that both the Company and shareholders benefit from these compensation policies.

The Board recommends that shareholders approve, in an advisory vote, the following resolution:

“Resolved, that the shareholders approve the executive compensation of the Company, as described in this proxy statement, including the tabular disclosure regarding executive officers in this Proxy Statement.”

Because your vote is advisory, it will not be binding upon the Board. However, the Board will take into account the outcome of the vote when considering future executive compensation arrangements.

Recommendation

The Board of Directors of the Company recommends that the stockholders vote “FOR” the advisory proposal set forth above.

PROPOSAL 5 – ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE COMPENSATION

In addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, this year the Company is providing stockholders with an advisory vote on whether the advisory vote on executive compensation should be held every one, two or three years. This is commonly known as a “say-when-on-pay” or “say-on-frequency” proposal.

The Board, after review of the evolution and purposes of say-on-pay and say-when-on-pay proposals, is recommending the “every three years” option for this advisory vote. After carefully studying the alternatives, the Board has determined that this approach will best serve the Company and its stockholders. In reaching this determination, the Board considered that the Company’s compensation program includes components that are tied to long-term corporate performance and stockholder returns. The Board believes that having a “say-when-on-pay” proposal every three years will give stockholders the opportunity to assess the Board’s compensation program in light of three years of corporate performance. In addition, the three-year cycle will give the Board sufficient time to review stockholder views on executive compensation and to make changes if appropriate. Stockholders who have concerns about executive compensation during the interval between “say on pay” votes are welcome to bring their specific concerns to the attention of the Board. The enclosed proxy card provides stockholders with four options for voting on this item. Stockholders can choose whether the say-on-pay vote should occur every year, every two years, every three years or abstain. Stockholders will not be voting to approve or disapprove the Board’s recommendation.

Although this advisory vote on the frequency of the “say on pay” vote is nonbinding, the Board will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

Recommendation

The Board of Directors of the Company recommends that you vote for the option of “every three years” for future advisory votes on executive compensation.

OTHER MATTERS

The Board of Directors is not aware of any matters other than those set forth in this proxy statement that will be presented for action at the Annual Meeting. However, if any other matter should properly come before the Annual Meeting, the persons authorized by the accompanying proxy will vote and act with respect thereto in what, according to their judgment, is in the interests of the Company and its shareholders.

INCORPORATION BY REFERENCE

To the extent that this proxy statement has been or will be specifically incorporated by reference into any other filing of the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, the section of this proxy statement entitled "Report of the Audit Committee" (to the extent permitted by the rules of the SEC), shall not be deemed to be so incorporated, unless specifically otherwise provided in such filing.

COMPLIANCE WITH SECTION 16(a)

OF THE SECURITIES EXCHANGE ACT OF 1934

Reporting Persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms received or written representations from Reporting Persons, the Company believes that, with respect to the fiscal year ended December 31, 2014, the Reporting Persons timely complied with all applicable filing requirements.

The Board’s decision and interpretations shall be final and binding. Any action of the Board with respect to the administration of the Plan shall be taken pursuant to a majority vote or by the unanimous written consent of its members.

(c) The Board of Directors may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent.

Section 4. Eligibility and Participation

Officers, employees and members of the Board of Directors of the Corporation shall be eligible to participate in the Plan. The Participants under the Plan shall be selected from time to time by the Board of Directors, in its sole discretion, from among those eligible, and the Board shall determine in its sole discretion the numbers of shares to be covered by the Option or Options granted to each Participant. Options intended to qualify as Incentive Stock Options shall be granted only to persons who are eligible to receive such options under Section 422 of the Code.

Section 5. Shares of Stock Available for Options

(a) The maximum number of shares of Common Stock which may be issued and purchased pursuant to Options granted under the Plan is 200,000, subject to the adjustments as provided in Section 5 and Section 9, to the extent applicable. If an Option granted under this Plan expires or terminates before exercise or is forfeited for any reason, without a payment in the form of Common Stock being granted to the Participant, the shares of Common Stock subject to such Option, to the extent of such expiration, termination or forfeiture, shall again be available for subsequent Option grant under Plan. Shares of Common Stock issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares.

(b) In the event that the Board of Directors determines, in its sole discretion, that any stock dividend, stock split, reverse stock split or combination, extraordinary cash dividend, creation of a class of equity securities, recapitalization, reclassification, reorganization, merger, consolidation, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase Common Stock at a price substantially below Fair Market Value, or other similar transaction affects the Common Stock such that an adjustment is required in order to preserve the benefits or potential benefits intended to be granted or made available under the Plan to Participants, the Board shall have the right to proportionately and appropriately adjust equitably any or all of (i) the maximum number and kind of shares of Common Stock in respect of which Options may be granted under the Plan to Participants, (ii) the number and kind of shares of Common Stock subject to outstanding Options held by Participants, and (iii) the exercise price with respect to any Options held by Participants, without changing the aggregate purchase price as to which such Options remains exercisable, and if considered appropriate, the Board may make provision for a cash payment with respect to any outstanding Options held by a Participant, provided that no adjustment shall be made pursuant to this Section if such adjustment would cause the Plan to fail to comply with Section 422 of the Code with regard to any Incentive Stock Options granted hereunder. No fractional Shares shall be issued on account of any such adjustment.

27

(c) Any adjustments under this Section will be made by the Board of Directors, whose determination as to what adjustments, if any, will be made and the extent thereof will be final, binding and conclusive.

Section 6. Non-Qualified Stock Options

6.1 Grant of Non-Qualified Stock Options.

The Board of Directors may, from time to time, grant Non-Qualified Stock Options to Participants upon such terms and conditions as the Board of Directors may determine. Non-Qualified Stock Options granted under this Plan are subject to the following terms and conditions:

- (a) **Price.** The purchase price per share of Common Stock deliverable upon the exercise of each Non-Qualified Stock Option shall be determined by the Board of Directors on the date the option is granted. Such purchase price shall not be less than one hundred percent (100%) of the Fair Market Value of the Common Stock on the date of grant. Shares may be purchased only upon full payment of the purchase price. Payment of the purchase price may be made, in whole or in part, through the surrender of shares of the Common Stock at the Fair Market Value of such shares on the date of surrender, or through such other consideration as the Board of Directors shall determine is appropriate.
- (b) **Terms of Options.** The term during which each Non-Qualified Stock Option may be exercised shall be determined by the Board of Directors, but in no event shall a Non-Qualified Stock Option be exercisable in whole or in part more than ten (10) years from the date of grant. No Non-Qualified Stock Option granted under this Plan is transferable except by will or the laws of descent and distribution.
- (c) **Termination of Service.** Except as provided in Section 6.1(d) hereof, unless otherwise determined by the Board of Directors, upon the termination of a Participant's service as an employee or member of the Board of Directors for any reason other than Disability, death or Termination for Cause, the Participant's Non-Qualified Stock Options shall be exercisable only as to those shares which were immediately exercisable by the Participant at the date of termination and only for a period of three months following termination. Notwithstanding any provision set forth herein nor contained in any Agreement relating to the award of an Option, in the event of Termination for Cause, all rights under the Participant's Non-Qualified Stock Options shall expire upon termination. In the event of death or termination of service as a result of Disability of any Participant, all Non-Qualified Stock Options held by the Participant, whether or not exercisable at such time, shall be exercisable by the Participant or his legal representatives or beneficiaries of the Participant for one year or such longer period as determined by the Board following the date of the Participant's death or termination of service due to Disability, provided that in no event shall the period extend beyond the expiration of the Non-Qualified Stock Option term.
- (d) **Exception for Retirement.** Notwithstanding the general rule contained in Section 6.1(c) above, all options which are then currently exercisable held by a Participant whose employment with the Corporation terminates due to Retirement may be exercised for the lesser of (i) the remaining term of the option, or (ii) twelve (12) months.

Section 7. Incentive Stock Options

7.1 **Grant of Incentive Stock Options.** The Board of Directors may, from time to time, grant Incentive Stock Options to eligible employees. Incentive Stock Options granted pursuant to the Plan shall be subject to the following terms and conditions:

- (a) **Price.** The purchase price per share of Common Stock deliverable upon the exercise of each Incentive Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock on the date of grant. However, if a Participant owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of Common Stock, the purchase price per share of Common Stock deliverable upon the exercise of each Incentive Stock Option shall not be less than one hundred ten percent (110%) of the Fair Market Value of the

Common Stock on the date of grant. Shares may be purchased only upon payment of the full purchase price. Payment of the purchase price may be made, in whole or in part, through the surrender of shares of the Common Stock at the Fair Market Value of such shares on the date of surrender, or through such other consideration as the Board of Directors shall determine is appropriate.

(b) Amounts of Options. Incentive Stock Options may be granted to any eligible employee in such amounts as determined by the Board of Directors. In the case of an option intended to qualify as an Incentive Stock Option, the aggregate Fair Market Value (determined as of the time the option is granted) of the Common Stock with respect to which Incentive Stock Options granted are exercisable for the first time by the Participant during any calendar year shall not exceed \$100,000. The provisions of this Section 7.1(b) shall be construed and applied in accordance with Section 422(d) of the Code and the regulations, if any, promulgated thereunder. To the extent an award is in excess of such limit, it shall be deemed a Non-Qualified Stock Option. The Board shall have discretion to redesignate options granted as Incentive Stock Options as Non-Qualified options.

28

(c) Terms of Options. The term during which each Incentive Stock Option may be exercised shall be determined by the Board of Directors, but in no event shall an Incentive Stock Option be exercisable in whole or in part more than ten (10) years from the date of grant. If at the time an Incentive Stock Option is granted to an employee, the employee owns Common Stock representing more than ten percent (10%) of the total combined voting power of the Corporation (or, under Section 422(d) of the Code, is deemed to own Common Stock representing more than ten percent (10%) of the total combined voting power of all such classes of Common Stock, by reason of the ownership of such classes of Common Stock, directly or indirectly, by or for any brother, sister, spouse, ancestor or lineal descendent of such employee, or by or for any corporation, partnership, estate or trust of which such employee is a shareholder, partner or beneficiary), the Incentive Stock Option granted to such employee shall not be exercisable after the expiration of five years from the date of grant. No Incentive Stock Option granted under this Plan is transferable except by will or the laws of descent and distribution.

(d) Termination of Employment. Except as provided in Section 7.1(e) hereof, upon the termination of a Participant's service for any reason other than Disability, death or Termination for Cause, the Participant's Incentive Stock Options which are then exercisable at the date of termination may only be exercised by the Participant for a period of three months following termination, after which time they shall be void. Notwithstanding any provisions set forth herein nor contained in any Agreement relating to an award of an Option, in the event of Termination for Cause all rights under the Participant's Incentive Stock Options shall expire immediately upon termination.

Unless otherwise determined by the Board of Directors, in the event of death or termination of service as a result of Disability of any Participant, all Incentive Stock Options held by such Participant, whether or not exercisable at such time, shall be exercisable by the Participant or the Participant's legal representatives or the beneficiaries of the Participant for one year following the date of the Participant's death or termination of employment as a result of Disability. In no event shall the exercise period extend beyond the expiration of the Incentive Stock Option term.

(e) Exception for Retirement. Notwithstanding the general rule contained in Section 7.1(d) above, all options which are then exercisable held by a Participant whose employment with the Corporation terminates due to Retirement may be exercised for the lesser of (i) the remaining term of the option or (ii) three (3) months.

(f) Compliance with Code. The options granted under this Section 7 of the Plan are intended to qualify as incentive stock options within the meaning of Section 422 of the Code, but the Corporation makes no warranty as to the qualification of any option as an incentive stock option within the meaning of Section 422 of the Code. A Participant shall notify the Board in writing in the event that he disposes of Common Stock acquired upon exercise of an Incentive Stock Option within the two-year period following the date the Incentive Stock Option was granted or within the one-year period following the date he received Common Stock upon the exercise of an Incentive Stock Option and shall comply with any other requirements imposed by the Corporation in order to enable the Corporation to secure the related income tax deduction to which it will be entitled in such event under the Code.

Section 8. Extension

The Board of Directors may, in its sole discretion, extend the dates during which all or any particular Option or Options granted under the Plan may be exercised; provided, however, that no such extension shall be permitted if it would cause Incentive Stock Options issued under the Plan to fail to comply with Section 422 of the Code.

Section 9. General Provisions Applicable to Options

(a) Each Option under the Plan shall be evidenced by a writing delivered to the Participant specifying the terms and conditions thereof and containing such other terms and conditions not inconsistent with the provisions of the Plan as the Board of Directors considers necessary or advisable to achieve the purposes of the Plan or comply with applicable tax and regulatory laws and accounting principles.

(b) Each Option may be granted alone, in addition to or in relation to any other Option. The terms of each Option need not be identical, and the Board of Directors need not treat Participants uniformly. Except as otherwise provided by the Plan or a particular Option, any determination with respect to an Option may be made by the Board at the time of grant or at any time thereafter.

(c) In the event of a consolidation, reorganization, merger or sale of all or substantially all of the assets of the Corporation in each case in which outstanding shares of Common Stock are exchanged for securities, cash or other property of any other corporation or business entity or in the event of a liquidation of the Corporation, the Board of Directors may, in its discretion, provide for any one or more of the following actions, as to outstanding options:

(i) provide that such options shall be assumed, or equivalent options shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof), provided that any such options substituted for Incentive Stock Options shall meet the requirements of Section 424(a) of the Code, (ii) upon written notice to the Participants, provide that all unexercised options will terminate immediately prior to the consummation of such transaction unless exercised (to the extent

then exercisable) by the Participant within a specified period following the date of such notice, (iii) in the event of a merger under the terms of which holders of the Common Stock of the Corporation will receive upon consummation thereof a cash payment for each share surrendered in the merger (the "Merger Price"), make or provide for a cash payment to the Participants equal to the difference between (A) the Merger Price times the number of shares of Common Stock subject to such outstanding Options (to the extent then exercisable at prices not in excess of the Merger Price) and (B) the aggregate exercise price of all such outstanding Options in exchange for the termination of such Options, and (iv) provide that all or any outstanding Options shall become exercisable in full immediately prior to such event.

(d) The Participant shall pay to the Corporation, or make provision satisfactory to the Board of Directors for payment of, any taxes required by law to be withheld in respect of Options under the Plan no later than the date of the event creating the tax liability. In the Board's sole discretion, a Participant (other than a Participant subject to Section 16 of the Act (a "Section 16 Participant"), who shall be subject to the following sentence) may elect to have such tax obligations paid, in whole or in part, in shares of Common Stock, including shares retained from the Option creating the tax obligation. With respect to Section 16 Participants, upon the issuance of shares of Common Stock in respect of an Option, such number of shares issuable shall be reduced by the number of shares necessary to satisfy such Section 16 Participant's federal, and where applicable, state withholding tax obligations. For withholding tax purposes, the value of the shares of Common Stock shall be the Fair Market Value on the date the withholding obligation is incurred. The Corporation may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to the Participant.

(e) For purposes of the Plan, the following events shall not be deemed a termination of employment of a Participant:

(i) a transfer to the employment of the Corporation from a subsidiary or from the Corporation to a subsidiary, or from one subsidiary to another, or

(ii) an approved leave of absence for military service or sickness, or for any other purpose approved by the Corporation, if the Participant's right to reemployment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Board of Directors otherwise so provides in writing.

(f) The Board of Directors may at any time, and from time to time, amend, modify or terminate the Plan or any outstanding Option held by a Participant, including substituting therefore another Option of the same or a different type or changing the date of exercise or realization, provided that the Participant's consent to each action shall be required unless the Board of Directors determines that the action, taking into account any related action, would not materially and adversely affect the Participant.

Section 10. Miscellaneous

(a) No person shall have any claim or right to be granted an Option, and the grant of an Option shall not be construed as giving a Participant the right to continued employment or service on the Corporation's Board of Directors. The Corporation expressly reserves the right at any time to dismiss a Participant free from any liability or claim under the Plan, except as expressly provided in the applicable Option.

(b) Nothing contained in the Plan shall prevent the Corporation from adopting other or additional compensation arrangements.

(c) Subject to the provisions of the applicable Option, no Participant shall have any rights as a shareholder (including, without limitation, any rights to receive dividends, or non cash distributions with respect to such shares) with respect to any shares of Common Stock to be distributed under the Plan until he or she becomes the holder thereof.

(d) Notwithstanding anything to the contrary expressed in this Plan, any provisions hereof that vary from or conflict with any applicable Federal or State securities laws (including any regulations promulgated thereunder) shall be deemed to be modified to conform to and comply with such laws.

(e) No member of the Board of Directors shall be liable for any action or determination taken or granted in good faith with respect to this Plan nor shall any member of the Board of Directors be liable for any agreement issued pursuant to this Plan or any grants under it. Each member of the Board of Directors shall be indemnified by the Corporation against any losses incurred in such administration of the Plan, unless his action constitutes serious and willful misconduct.

(f) Subject to the approval of the shareholders of the Corporation, the Plan shall be effective on the date of such approval. Prior to such approval, Options may be granted under the Plan expressly subject to shareholder approval.

(g) The Board may amend, suspend or terminate the Plan or any portion thereof at any time, provided that no amendment shall be granted without shareholder approval if such approval is necessary to comply with any applicable tax laws or regulatory requirement.

30

(h) Options may not be granted under the Plan after December 31, 2025, but then outstanding Options may extend beyond such date.

(i) To the extent that State laws shall not have been preempted by any laws of the United States, the Plan shall be construed, regulated, interpreted and administered according to the other laws of the State of New Jersey.
