Item 5.02 **Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements with Certain Officers.**

On December 31, 2008, The Southern Company (the Company) adopted The Southern Company Change in Control Benefits Protection Plan (the Amended Plan), which amended and restated The Southern Company Change in Control Benefit Plan Determination Policy. In addition, on December 31, 2008, the Company, Southern Company Services, Inc., Georgia Power Company and Gulf Power Company entered into an Amended Deferred Compensation Agreement (the Amended Agreement) with G. Edison Holland, Jr. The Company adopted the Amended Plan and entered into the Amended Agreement in connection with implementing the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (the Code). The effective date of the Amended Plan and the Amended Agreement is December 31, 2008.

The principal amendments included in the Amended Plan relate to the timing and form of payments of non-qualified pension benefits under The Southern Company Supplemental Benefit Plan and The Southern Company Supplemental Executive Retirement Plan (collectively, the Non-Qualified Pension Plans) if the employment of a participant in the Non-Qualified Pension Plans is terminated following a change in control. Prior to the adoption of the Amended Plan, if a participant s employment was terminated following a change in control, the participant would receive payment of benefits under the Non-Qualified Pension Plans Benefits in monthly payments over the course of the participant s life or, if the participant had elected spousal coverage, over the lives of the participant and the participant s spouse if he or she survived the participant (monthly annuity payments). Under the Amended Plan, if a participant s employment is terminated following a change in control, the participant will be paid the single-

sum value of his or her benefits under the Non-Qualified Pension Plans in 10 annual installments, rather than through the monthly annuity payments.

Under the Amended Agreement, Mr. Holland will be paid the single-sum value of his benefits under the Non-Qualified Pension Plans in 10 annual installments, rather than through monthly annuity payments.

In addition to the principal amendments described above, the Amended Plan and the Amended Agreement also contain further amendments that are designed to comply with the requirements of Section 409A of the Code.
