Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's officers, directors and more than 10% shareholders to file reports regarding ownership of the Company's Common Stock with the SEC, and to furnish the Company with copies of all such filings. Based solely on a review of these filings, the Company believes that all Section 16(a) filings were timely made in fiscal 2009, except for 1 transaction reportable on Form 4 that was inadvertently filed late, and which was subsequently amended, by Maureen Richards.

Code of Ethics

The Company has adopted a code of business conduct and ethics which applies to the Company's chief executive officer, principal financial officer, principal accounting officer, all of the Company's directors, and all of its other officers and employees. The code of business conduct and ethics is available at the Corporate Governance section of the Company's website at www.footstar.com, under Code of Conduct and Compliance Program. A waiver from any provision of the code of business conduct and ethics in favor of a director or executive officer may only be granted by the Board and any such waiver will be publicly disclosed. The Company will disclose substantive amendments to, and any waivers from, the code of business conduct and ethics provided to the principal executive officer, principal financial officer or principal accounting officer or controller (or persons performing similar functions) on the Company's website at www.footstar.com.

Stockholder Nominations

There have been no material changes to the procedures by which stockholders may recommend nominees to the Company's Board of Directors.

Audit Committee

In order to provide flexibility in the winding down of the Company following its dissolution on May 5, 2009, the Company amended its bylaws on July 27, 2009 to make the establishment of a separate Audit Committee of the Board permissive. Therefore, subsequent to July 27, 2009, the entire Board of Directors served the function of the Audit Committee. The Board has adopted the independence criteria established by Nasdaq for determining director independence and has determined that a majority of the members of the Board (Messrs. Finerman and Davis) are independent in accordance with Nasdaq listing requirements. The Board also has determined that Mr. Davis qualifies as an "audit committee financial expert" in accordance with SEC rules. This designation is an SEC disclosure requirement related to Mr. Davis's experience and understanding of accounting and auditing matters and is not intended to impose any additional duty, obligation or liability on Mr. Davis.

ITEM 11.

EXECUTIVE COMPENSATION

Employment Agreements or Arrangements

None of our named executive officers were subject to employment agreements with the Company at fiscal 2009 year end.

Jonathan Couchman

As is typically the case with wind-downs, the Board recognized that the Company's wind-down would encompass many formal and informal activities. The Company's Board had previously directed management to identify all wind-down tasks and to begin the process of implementing as many of these tasks prior to December 31, 2008 as was practical. Beginning in September 2008, the Board asked its Chairman, Jonathan M. Couchman, to expand his duties to include assessing the Company's preparedness for the wind-down and to make recommendations to the Board and management about ways to improve recoveries for the Company's stakeholders and the manners in which the wind-down may be expedited. The Board asked Mr. Couchman to perform these duties in part due to his understanding of the Company and in order to allow management to focus as much as possible on driving business performance during the last quarters of its operations. In so deciding, the Board took note of the unprecedented consumer and financial environment in which the Company's management was currently operating.

For his services in this expanded capacity, the Compensation Committee authorized the payment to Mr. Couchman of \$60,000 for each of the months of September and October, 2008 and \$52,000 for the period from November 1, 2008 through December 8, 2008. Mr. Couchman received 169,492 shares of restricted stock that vest over time in December 2008.

On December 9, 2008, the Board formally appointed Mr. Couchman as its Chief Wind-Down Officer pursuant to an employment agreement dated December 9, 2008. In this capacity, Mr. Couchman was given the day-to-day responsibility of managing the wind-down, including, without limitation, the disposition of the Company's assets and any other administrative matters required in furtherance of the final dissolution of the Company. The employment agreement with Mr. Couchman gave the Company the discretion to appoint Mr. Couchman as its Chief Executive Officer and President as of January 1, 2009, which it did, at which time Mr. Couchman ceased to serve as the Company's Chief Wind Down Officer and performed such duties, responsibilities, and authorities as are specified by the Company and as are customary for a Chief Executive Officer and President of a publicly held corporation. This provided the Company with a transition period of executive leadership as the employment of the Company's current Chief Executive Officer, Jeffrey A. Shepard, terminated on December 31, 2008, contemporaneously with the cessation of the Company's footwear business operations.

Mr. Couchman's employment agreement expired in accordance with its terms on December 8, 2009, at which point Mr. Couchman continued his employment with the Company on an "at will" basis.

Mr. Couchman received a base salary of \$41,667 per month during 2009.

On March 15, 2010, the Company issued shares of common stock having an aggregate fair value of \$500,000 on the grant date, or 2,173,913 shares, to Jonathan M. Couchman, the Company's President, Chief Executive Officer and Chief Financial Officer, in lieu of any cash compensation for base salary for Mr. Couchman's services as President, Chief Executive Officer and Chief Financial Officer for the twelve months commencing March 1, 2010. The Company believes that compensating Mr. Couchman in the form of common stock in lieu of cash better aligns his interests with those of the Company.

On March 15, 2010, Mr. Couchman was also awarded a stock option to purchase up to 2,500,000 shares of common stock at an exercise price of \$0.40 per share. On the date of the grant, the closing stock price of the Company's stock was \$0.23. The stock option was fully vested at the time of the grant. The stock option expires upon the earlier of the tenth anniversary of the grant date and the payment of the final liquidation distribution to our shareholders. The Company believes that granting a stock option with an exercise price substantially above both the estimated liquidation value per share and market price per share at the time of the grant will further incentive Mr. Couchman to work to maximize distributions to its shareholders.

Maureen Richards and Michael Lynch

On December 16, 2005, the Company entered into employment agreements with Maureen Richards and Michael Lynch. Except as noted below, the material terms of the agreements were substantially similar. The term of each of these named executive officers' employment under the agreements commenced upon the effective date of the Company's Plan of Reorganization, which was February 7, 2006. On that date, Ms. Richards waived her rights under her former employment or change in control agreements with the Company.

The most recent annual base salaries for terminated named executive officers are: Ms. Richards – \$354,000 and Mr. Lynch – \$325,000. Each named executive officer was entitled to participate in the Company's semi-annual cash incentive program under which the executive was afforded the opportunity to earn not less than a set percentage of their base salary per year if certain targets were achieved. Ms. Richards was entitled to earn a 50% minimum percentage of base salary under the term of her employment agreement. Under the terms of his agreement, Mr. Lynch was entitled to earn not less than 45% of his base salary per year if the targets were achieved, but the Compensation Committee increased this amount to 50% (effective in 2007) to reflect his new responsibilities as the Company's Chief Financial Officer. Ms. Richards and Mr. Lynch received in July and December of 2006, 2007, and 2008 the retention payment indicated in the executive's individual agreement, except that in 2006 (effective in 2007), the Compensation Committee increased Mr. Lynch's semi-annual retention bonus from \$43,873 to \$50,000 to reflect his new responsibilities as the Company's Chief Financial Officer.

Ms. Richards received a restricted stock grant on February 7, 2006, which was the date of the Company's emergence from its bankruptcy proceedings pursuant to the Company's Plan of Reorganization. Ms. Richards received a 4,500 share restricted stock grant under the individual terms of her agreement.

The agreements obligate the Company to indemnify the named executive officers to the fullest extent permitted by law including the advancement of expenses in connection therewith.

On May 15, 2009, Ms. Richards's employment with the Company was terminated. Ms. Richards received a \$371,250 severance payment in connection with the termination of her employment determined in accordance with her employment agreement and related compensation plans and agreements. On May 5, 2009, the Company awarded Ms. Richards a lump sum payment of \$30,000, following her termination of employment, for assisting the Company with any claims or administrative matters after her employment terminated.

On May 15, 2009, Mr. Lynch's employment with the Company was terminated. Mr. Lynch received a \$400,000 severance payment in connection with the termination of his employment determined in accordance with his employment agreement and related compensation plans and agreements. On May 5, 2009, the Company awarded Mr. Lynch a lump sum payment of \$30,000, following his termination of employment, for assisting the Company with any claims or administrative matters after his employment terminated.

Compensation Committee

In order to provide flexibility in the winding down of the Company following its dissolution on May 5, 2009, the Company amended its bylaws on July 27, 2009 to make the establishment of a Compensation Committee of the Board permissive. Accordingly, at the end of fiscal 2009, the Company did not maintain a standing Compensation Committee. In lieu thereof, each of Messrs. Davis, Couchman and Finerman participated in the consideration of executive officer and director compensation, including establishing the policies that govern the implementation, administration and interpretation of all aspects of our compensation program, except that Mr. Couchman does not participate in the consideration of compensation for his services as an officer of the Company.

Director Compensation

Compensation Paid to Non-employee Directors

Non-employee directors receive a combination of cash and equity compensation. Mr. Couchman, currently the only employee serving on the Board, has not received any separate compensation for his services as a director since becoming an employee on December 9, 2008.

Jonathan Couchman, the Chairman of the Board previously received an additional annual cash retainer of \$40,000. However, effective January 1, 2009, his only compensation has been as President and Chief Executive Officer. The Board may request that certain directors perform additional services, from time to time, on behalf of the Board and may compensate those directors in the manner that the Board deems appropriate. In fiscal 2008, Mr. Couchman received an additional \$172,000 for the period from September through December 8, 2008 for his services, as a director, of assessing the Company's preparedness for the wind-down as mentioned above.

Each eligible director may elect, prior to the end of the Company's first fiscal quarter of the year, to receive in lieu of his or her cash director fees for that year, shares of fully vested Common Stock with a fair market value equal to the amount of those fees. However, with respect to elections made in 2009, shares of Common Stock issued pursuant to an eligible director's election to receive such shares in lieu of cash director fees for the 2009 calendar year were issued as restricted stock. This restricted stock vested upon stockholder approval of the Plan of Dissolution.

On March 15, 2010, the Company issued shares of common stock having an aggregate fair value of \$50,000 on the grant date, or 217,391 shares, to each of Adam Finerman and Eugene Davis, the Company's non-employee directors, in lieu of cash compensation for their service as directors in 2010 to which they would otherwise be entitled. The Company believes that compensating the non-employee directors in the form of common stock in lieu of cash better aligns the interests of the Company and the non-employee directors.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Company Policy and Procedure Regarding Transactions with Related Persons

The Board has determined the absence of any “related person transaction” since the beginning of 2009 involving any director, director nominee or executive officer of the Company, any known 5% stockholder of the Company or any immediate family member of any of the foregoing persons (together “related persons”). A “related person transaction” generally means a transaction in which the Company was or is to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of the Company’s total assets at fiscal year end for the last two completed fiscal years (determined without regard to the amount of profit or loss involved in the transaction) and in which a related person had or will have a direct or indirect material interest (as determined under SEC rules related to related person transactions).

Director Independence

The Company is not subject to the listing requirements of any securities exchange or Nasdaq because the Common Stock of the Company is quoted on the over-the-counter bulletin board. However, the Board has adopted the independence criteria established by Nasdaq for determining director independence. The Board has determined that of our current Board members each of Messrs. Davis and Finerman are independent as defined under the listing requirements of Nasdaq. In making its determinations regarding these directors, the Board assessed all of the information provided by each director in response to inquiries concerning his independence and concerning any business, family, employment, transactional, or other relationship or affiliation of such director with the Company. A copy of the Company’s Director Independence Standards is available at the Corporate Governance section of the Company’s website at www.footstar.com.

ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES

The fees paid or payable for services rendered by Amper, Politziner & Mattia, P.C. and its affiliates (collectively “Amper Politziner & Mattia”) for fiscal 2009 and 2008 were as follows:

	2009	2008
Audit Fees (1)	\$ 122,000	\$ 672,000
Audit-Related Fees (2)	\$ -	\$ 22,000
Total fees	\$ 122,000	\$ 694,000

(1) Audit Fees were for professional services rendered for audits of the Company's consolidated financial statements, consents and review of reports filed with the SEC. Audit Fees also included the fees associated with an annual audit of the Company's internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002, integrated with the audit of the Company's annual financial statements.

(2) Audit Related Fees consist of fees for audits of the financial statements of our employee benefit plans.

The services performed by our independent registered public accounting firm in fiscal 2009 were pre-approved in accordance with the pre-approval policy and procedures adopted by the Audit Committee in 2003. This policy describes the permitted audit, audit-related, tax and other services that the independent registered public accounting firm may perform. The policy also requires that requests or applications to provide services that require specific approval, in each of the specified categories, be presented to the Audit Committee for pre-approval together with a statement as to whether such request or application is consistent with application rules on auditor independence. Any pre-approval is detailed as to the particular service or category of services and generally is subject to a budget.

In order to provide flexibility in the winding down of the Company following its dissolution on May 5, 2009, the Company amended its bylaws on July 27, 2009 to make the establishment of a separate Audit Committee of the Board permissive. Therefore, subsequent to July 27, 2009, the entire Board of Directors served the function of the Audit Committee.

Any services for audit, audit-related, tax and other services not contemplated by those pre-approved services must be submitted to the Audit Committee for specific pre-approval. Normally, pre-approval is considered at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the Chairman of the Audit Committee where fees do not exceed \$50,000. The Chairman must update the Audit Committee at the next regularly scheduled meeting of any services that were granted specific pre-approval. Any proposed services exceeding the pre-approval fee levels require specific pre-approval by the Audit Committee. During fiscal 2009, the Audit Committee approved each new engagement of Amper, Politziner & Mattia, P.C. in advance.
