PROXY STATEMENT

**FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD FEBRUARY 27, 2007**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of MACC Private Equities Inc., a Delaware corporation (the "Corporation"), of proxies to be voted at the Annual Meeting of Shareholders to be held on February 27, 2007, or any adjournment thereof (the "2007 Annual Meeting"). The date on which this Proxy Statement and the enclosed form of proxy are first being sent or given to shareholders of the Corporation is on or about January 12, 2007.

PURPOSES OF THE MEETING

The 2007 Annual Meeting is to be held for the purposes of:

- (1) electing five persons to serve as Directors of the Corporation to serve until the 2008 Annual Shareholders Meeting or until their respective successors shall be elected and qualified;
- (2) ratifying the appointment by the Board of Directors of KPMG LLP as independent auditors of the Corporation for fiscal year 2007; and
- (3) transacting such other business as may properly come before the meeting or any adjournment thereof.

The Board of Directors unanimously recommends that the shareholders vote FOR the election as Directors of the persons named under ELECTION OF DIRECTORS, and FOR the ratification of the appointment of KPMG LLP as independent auditors.

VOTING AT THE MEETING

The record date for holders of Common Stock entitled to notice of, and to vote at, the 2007 Annual Meeting is the close of business on December 29, 2006 (the "Record Date"). As of the Record Date, the Corporation had outstanding and entitled to vote at the 2007 Annual Meeting 2,464,621 shares of Common Stock.

The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding and entitled to vote at the 2007 Annual Meeting is necessary to constitute a quorum. Abstentions and shares held by brokers, banks, other institutions and nominees that are voted on any matter at the 2007 Annual Meeting are included in determining the presence of a quorum for the transaction of business at the commencement of the 2007 Annual Meeting and on those matters for which the broker, nominee or fiduciary has authority to vote. In deciding all questions, a shareholder shall be entitled to one vote, in person or by proxy, for each share of Common Stock held in the shareholder's name at the close of business on the record date.

To be elected a Director, each nominee under **PROPOSAL 1** must receive the favorable vote of the holders of a plurality of the shares of Common Stock entitled to vote and represented at the 2007 Annual Meeting.

In order to ratify the appointment of KPMG LLP as independent auditors for the Corporation for the fiscal year ending September 30, 2007 under **PROPOSAL 2**, this proposal must receive the favorable vote of a majority of the outstanding shares of Common Stock entitled to vote at the 2007 Annual Meeting.

Each proxy delivered to the Corporation, unless the shareholder otherwise specifies therein, will be voted:

- >> **FOR** the election as Directors of the persons named under **ELECTION OF DIRECTORS--NOMINEES**, and
- >> **FOR** the ratification of the appointment by the Board of Directors of KPMG LLP as independent auditors.

In each case where the shareholder has appropriately specified how the proxy is to be voted, it will be voted in accordance with this specification. As to any other matter or business which may be brought before the meeting, a vote may be cast pursuant to the accompanying proxy in accordance with the judgment of the person or persons voting the same, but neither the Corporation's management nor the Board of Directors knows of any such other matter or business. Any shareholder has the power to revoke his proxy at any time insofar as it is then not exercised by giving notice of such revocation, either personally at the meeting or in writing, to the Secretary of the Corporation or by the execution and delivery to the Corporation of a new proxy dated subsequent to the original proxy.

PROPOSAL 1
ELECTION OF DIRECTORS

All Director nominees elected at the 2007 Annual Meeting will serve until the 2008 Annual Meeting of shareholders or until their respective successors shall be elected and qualified. The persons named in the accompanying form of proxy intend to vote such proxy for the election of the nominees named below as Directors of the Corporation to serve until the next Annual Meeting of shareholders or until their respective successors shall be elected and qualified, unless otherwise properly indicated on such proxy. If any nominee shall become unavailable for any reason, the persons named in the accompanying form of proxy are expected to consult with the Board of Directors in voting the shares represented by them at the 2007 Annual Meeting. The Board of Directors has no reason to doubt the availability of any of the nominees and no reason to believe that any of the nominees will be unable or unwilling to serve the entire term for which election is sought.

Proxies may not be voted for more than the five Director nominees set forth below. To be elected a Director, each nominee must receive the favorable vote of the holders of a plurality of the shares of Common Stock entitled to vote and represented at the 2007 Annual Meeting. The names of the nominees, along with certain information concerning them, are set forth below.

(1) Information with respect to Atlas Management Partners, LLC ("Atlas"), Bridgewater International Group, LLC ("BIG") and Mr. Bridgewater is based upon Amendment No. 1 to Schedule 13D, dated September 30, 2003, as subsequently amended February 13, 2004, April 28, 2005 and April 30, 2005, filed by Atlas, BIG and others with the SEC (collectively, the "Atlas Group 13D"). The Atlas Group 13D disclosed that control over 804,689 shares of Common Stock owned by BIG (the "BIG Shares") is governed by a Shareholder and Voting Agreement dated September 29, 2003 among Atlas, BIG and Kent Madsen (the "Shareholder Agreement"). The term of the Shareholder Agreement extends to March 1, 2010 and may be extended in certain circumstances; however, the Shareholder Agreement may also be terminated at any time by any party.

Under the Shareholder Agreement, BIG appointed Atlas as its limited proxy to vote the BIG Shares, but BIG retains all other incidents of ownership of the stock, including beneficial ownership and dispositive power. The Shareholder Agreement also provides Atlas with certain rights of first refusal respecting the BIG Shares and limits BIG's ability to otherwise dispose of the BIG Shares. Pursuant to a Mutual Release and Waiver of Claims and Termination of Shareholder

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

and Voting Agreements among Atlas, BIG and the former managers of Atlas dated April 28, 2005 and filed as part of the Atlas Group 13D, the former managers of Atlas, including Geoffrey Woolley and Kent Madsen, no longer have any interests in Atlas and have no voting rights respecting the BIG Shares.

As a voting Managing Director of Atlas, Mr. Bridgewater has shared control over the voting power granted to Atlas under the Shareholder Agreement respecting the BIG Shares, subject to the parties' rights under the Shareholder Agreement. Mr. Bridgewater also individually owns 5,000 shares of Common Stock.

(2) Information with respect to Mr. Jiaravanon is based upon the Atlas Group 13D. As the sole manager of BIG, Mr. Jiaravanon has shared control over the voting power granted to Atlas under the Shareholder Agreement respecting the BIG Shares, subject to the parties' rights under the Shareholder Agreement. To the extent that BIG may be deemed to be in control of the Corporation as a result of beneficial ownership of the Company's

7

Common Stock, Mr. Jiaravanon, as the sole manager of BIG, may be an "interested person" of the Company, as that term is defined in Section 2(a)(19) of the Investment Company Act.

(3) As principals, officers and directors of InvestAmerica Investment Advisors, Inc. ("InvestAmerica"), the investment advisor for the Corporation and MorAmerica, and as officers of the Corporation and of MorAmerica, Messrs. Schroder, Mullane and Comey are "interested persons" of the Corporation, as that term is defined in Section 2(a)(19) of the Investment Company Act.

(4) As an officer of the Corporation and of MorAmerica, and as an officer or director of several companies affiliated with InvestAmerica, Mr. Reynoldson is an "interested person" of the Corporation, as that term is defined in Section 2(a)(19) of the Investment Company Act.

Investment Adviser & Certain Business Relationships

InvestAmerica is the investment advisor to the Corporation pursuant to an Investment Advisory Agreement between the Corporation and InvestAmerica dated July 21, 2005, which was approved by the Corporation's shareholders at its 2005 Annual Shareholders Meeting held on July 19, 2005 (the "MACC Advisory Agreement"). The address of InvestAmerica is 101 Second Street S.E., Suite 800, Cedar Rapids IA 52401.

The MACC Advisory Agreement provides that InvestAmerica is entitled to receive a management fee equal to an annual rate of 1.5% of the Assets Under Management (as defined in the MACC Advisory Agreement), payable monthly in arrears. In addition to the annual management fee of 1.5% of the Assets Under Management, InvestAmerica is entitled to receive an incentive fee (the "MACC Incentive fee") in an amount equal to 13.4% of the Corporation's realized capital gains in excess of realized capital losses of the Corporation after allowance for any unrealized capital losses on the portfolio investments of the Corporation. The MACC Incentive fee is calculated, accrued, and paid on a quarterly basis, subject to adjustment at the end of each fiscal year. Total management fees under the MACC Advisory Agreement amounted to \$726 for the year ended September 30, 2006. There were no MACC Incentive Fees accrued or paid under the MACC Advisory Agreement in 2006.

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

MorAmerica has a separate investment advisory agreement (the "MorAmerica Advisory Agreement") with InvestAmerica dated July 21, 2005. MorAmerica pays InvestAmerica, monthly in arrears, a management fee equal to the lesser of 1.5% per annum of the (i) Combined Capital (as defined under the SBA Regulations) or (ii) Assets Under Management (as defined in the MorAmerica Advisory Agreement). These fees are not based upon any of the Corporation's assets managed by InvestAmerica under the MACC Advisory Agreement. In addition, the MorAmerica Advisory Agreement provides that MorAmerica will pay InvestAmerica an incentive fee in an amount equal to 13.4% of the net capital gains, before taxes (the "MorAmerica Incentive Fee"). Net capital gains, as defined in the MorAmerica Advisory Agreement, are calculated as gross realized gains, minus the sum of capital losses, less any unrealized depreciation, including reversals of previously recorded unrealized depreciation, recorded during the year, and net investment losses, if any. Capital losses and realized capital gains are not cumulative under the computation of the MorAmerica Incentive Fee. Payments for MorAmerica Incentive Fee resulting from noncash gains are deferred until the assets are sold. Total management fees (net of management fees waived) under the MorAmerica Advisory Agreement amounted to \$427,034 for the year ended September 30, 2006. The MorAmerica Incentive Fee earned and paid for the year ended September 30, 2006 amounted to \$108,399 and \$0, respectively. Included in the MorAmerica Incentive Fee earned of \$108,399 are approximately \$99,429 of MorAmerica Incentive Fees related to noncash gains which are being deferred.

As a condition to the approval by the United States Small Business Administration (the "SBA") of the MorAmerica Advisory Agreement, the SBA required, and MorAmerica has entered into, a subordination agreement among it, the SBA and InvestAmerica (the "Subordination Agreement") effective July 21, 2005 providing that MorAmerica's payment to InvestAmerica, and InvestAmerica's receipt of, the MorAmerica Incentive Fees be subordinated to MorAmerica's repayment of all obligations owing to the SBA. Those obligations include the repayment of all outstanding SBA debentures and MorAmerica's agreement, along with certain other SBA licensees, to reimburse the SBA for any losses the SBA may incur in connection with the settlement of an arbitration proceeding which was concluded in late 2004 (collectively, the "Obligations"). The Subordination Agreement

8

provides that: (i) MorAmerica may not pay InvestAmerica the MorAmerica Incentive Fees unless and until MorAmerica's Obligations to the SBA are satisfied, and (ii) to the extent (A) MorAmerica Incentive Fees have been escrowed under the MorAmerica Advisory Agreement because MorAmerica's capital has been impaired as provided in Section 5.2(c)(ii) of the MorAmerica Advisory Agreement, and (B) MorAmerica is delinquent in repaying the SBA any amounts respecting SBA debentures, the SBA may require MorAmerica to pay any so escrowed funds to the SBA to satisfy any arrearage respecting SBA debentures. The Subordination Agreement does not, however, affect: (i) InvestAmerica's ability to earn the MorAmerica Incentive Fees, (ii) MorAmerica's payment to InvestAmerica of management fees under the MorAmerica Advisory Agreement, or (iii) any other terms of the MorAmerica Advisory Agreement.

Mr. David Schroder, President and Secretary of the Corporation and MorAmerica, is a shareholder of, Director, President and Secretary of InvestAmerica. Mr. Robert A. Comey, Executive Vice President, Chief Financial Officer, Treasurer, Chief Compliance Officer and Assistant Secretary of the Corporation and of MorAmerica, is a Director of and the Executive Vice President, Treasurer and Assistant Secretary of InvestAmerica. Meetings and Committees of the Board of Directors

The Audit Committee, the Corporate Governance/Nominating Committee and the Valuation Committee operated during Fiscal Year 2006 to assist the Board of Directors in carrying out its duties. During Fiscal Year 2006, six meetings of the Board of Directors were held. In addition, five meetings of the Audit Committee, two meetings of the Corporate Governance/Nominating Committee, and one meeting of the Valuation Committee were held. Each of the Directors who are nominated for election at the 2007 Annual Meeting attended at least 75% of the aggregate meetings of the Board of Directors and the meetings held by the committees of the Board of Directors on which each Director served during fiscal year 2006.

The Corporation strongly encourages its Directors to attend all annual meetings, and all Director nominees attended the Corporation's 2006 Annual Meeting of shareholders.

Audit Committee

The Audit Committee makes recommendations to the Board of Directors

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

regarding the engagement of the independent auditors for audit and non-audit services; evaluates the independence of the auditors and reviews with the independent auditors the fee, scope and timing of audit and non-audit services. The Audit Committee also is charged with monitoring the Corporation's Policy Against Insider Trading and Prohibited Transactions and its Code of Conduct. The Audit Committee presently consists of Michael W. Dunn (Chair), Jasja Kotterman and Gordon J. Roth. Each member of the Audit Committee is considered "independent" under applicable NASDAQ listing standards and as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act. The Board of Directors has determined that Gordon J. Roth is an Audit Committee financial expert.

Corporate Governance/Nominating Committee

The Corporate Governance/Nominating Committee was appointed by the Board of Directors to identify and recommend approval of all Director nominees to be voted on at the Annual Shareholders' Meetings, to recommend corporate governance guidelines for the Corporation, to lead the Board of Directors in its annual review of the Board's performance, and to recommend to the Board of Directors nominees for each committee of the Board. On December 22, 2003, the Board of Directors approved the Corporate Governance/Nominating Committee Charter, which was subsequently revised on February 28, 2006 and is attached as Appendix A to this Proxy Statement.

The Corporate Governance/Nominating Committee may seek input from other Directors or senior management in identifying candidates. Shareholders may propose nominees for Director by following the procedures set forth in the section of this Proxy Statement entitled "**SHAREHOLDER PROPOSALS FOR 2008 ANNUAL MEETING.**"

The qualifications used in evaluating Director candidates include but are not limited to: independence, time commitments, attendance, business judgment, management, accounting, finance, industry and technology knowledge, as well as, personal and professional ethics, integrity and values. In addition, as set forth in its Charter, the Corporate Governance/Nominating Committee believes that having directors with relevant experience in business and industry, government, finance and other areas is beneficial to the Board of Directors as a whole. The Corporate Governance/Nominating Committee further reviews the qualifications of any candidate in the context of the current composition of the Board of Directors and the needs of the Corporation. The same identifying and evaluating procedures apply to all candidates for director nomination, whether nominated by shareholders or by the Corporate Governance/Nominating Committee. The Corporate Governance/Nominating Committee has approved all of the nominees for Director identified above.

The Corporate Governance/Nominating Committee also: (i) oversees the formulation of, and recommends for adoption to the Board of Directors, a set of corporate governance guidelines; (ii) periodically reviews and reassesses the corporate governance guidelines and recommends appropriate changes to the Board of Directors for approval; (iii) reviews and approves annually the Corporation's compensation program for service on the Board of Directors or any of its committees; (iv) performs an annual assessment of the Board's performance and periodically reports its Board assessments to the Board; (v) annually reviews and assesses its Charter and makes recommendations of appropriate changes to the Board; (vi) performs periodic reviews of all Board committee structure and governance charters; (vii) recommends appropriate changes to Board committee composition and responsibility to the Board; and (viii) reviews any conflicts of interest.

The Corporate Governance/Nominating Committee consists of Jasja Kotterman (Chair), Gordon Roth and Michael Dunn. All members of the Corporate Governance/Nominating Committee are considered "independent" under applicable

NASDAQ listing standards.

11

Investment Committee

The Investment Committee assists the full Board of Directors with oversight of the Corporation's investment portfolio and evaluates any proposed revisions to the Corporation's investment policy. The Investment Committee also assures compliance with the Corporation's policies regarding investments made in participation with other funds managed by InvestAmerica, with entities controlling, controlled by or under common control with InvestAmerica, and with other affiliates. The voting members of the Investment Committee presently include Michael W. Dunn, Gordon J. Roth, and Jasja Kotterman. All voting members are independent under NASDAQ listing standards. The nonvoting ex officio members are Benjamin Jiaravanon and Geoffrey T. Woolley. The Investment Committee did not hold any meetings in fiscal year 2006.

Valuation Committee

At its meeting following the 2006 Annual Shareholders Meeting, the Board of Directors determined that in light of the decrease in the Board's size and other matters, it would discontinue the Valuation Committee's service to the Board. Prior to the 2006 Annual Shareholders Meeting, the Valuation Committee did meet once in fiscal year 2006 for the purpose of assisting the full Board of Directors in valuing the Corporation's portfolio investments.

Audit Committee Report

The Audit Committee of the Board of Directors of the Corporation was established as a separately designated committee in accordance with section 3(a)(58)(A) of the Exchange Act and is composed of three directors. It operates under a written charter which was approved by the Board of Directors and subsequently amended by the Audit Committee on February 25, 2003, and is attached as Appendix B to this Proxy Statement. The current members of the Audit Committee are Michael W. Dunn (Chair), Jasja Kotterman and Gordon J. Roth. Under the terms of the charter and the listing standards applicable to companies listed on the Nasdaq Capital Market, all of the Audit Committee members are considered to be independent. Gordon Roth is considered the Audit Committee's financial expert.

Management is responsible for the Corporation's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Corporation's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this regard, the Audit Committee has reviewed and discussed the audited financial statements for Fiscal Year 2006 with management and discussed other matters related to the audit with the independent auditors. Management represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee met with the independent auditors, with and without management present, and discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). The

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

independent auditors also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors the firm's independence.

The Corporation paid KPMG LLP ("KPMG"), the Corporation's independent auditors for fiscal year 2006, the following amounts during fiscal year 2006:

Audit Fees (including quarterly reviews, security counts, and audit of Form 468):
 Audit-related services
 Financial Information Systems Design and Implementation:
 Non-Audit Fees:

\$
\$

12

Preparation of federal and state income tax returns
 Other tax research, consultation, correspondence and advice

\$
\$

The Audit Committee has considered whether KPMG has maintained its independence during Fiscal Year 2006.

Based upon the Audit Committee's discussions with management and the independent auditors, and the Audit Committee's review of representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Corporation's Board of Directors include the audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the year ended September 30, 2006, filed with the SEC.

AUDIT COMMITTEE:
 Michael W. Dunn, Chair
 Jasja Kotterman
 Gordon J. Roth

Independent Auditor Fees and Services

The following table presents fees paid for professional services rendered by KPMG for the Fiscal Year 2006 and the fiscal year ending September 30, 2005 ("Fiscal Year 2005"):

Fee Category	Fiscal Year 2006 Fees	Fiscal Year 2005 Fees
Audit Fees	\$67,800	
Audit-Related Fees	-0-	
Tax Fees	\$25,900	
All Other Fees	-0-	
Total Fees	\$93,700	

Audit Fees were for professional services rendered for the audit of the Corporation's consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

that are normally provided by KPMG in connection with statutory and regulatory filings or engagements and include quarterly reviews, security counts and audit of SBA Form 468.

Audit-Related Fees were for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's consolidated financial statements and are not reported under "Audit Fees." These services include accounting consultations in connection with acquisitions, consultations concerning financial accounting and reporting standards.

Tax Fees were for professional services for federal, state and international tax compliance, tax advice and tax planning and include preparation of federal and state income tax returns, and other tax research, consultation, correspondence and advice.

All Other Fees are for services other than the services reported above. The Corporation did not pay any fees for such other services in Fiscal Year 2005 or Fiscal Year 2004.

13

The Audit Committee has concluded the provision of the non-audit services listed above is compatible with maintaining the independence of KPMG. KPMG did not bill the Corporation's investment advisor, InvestAmerica, for any non-audit services in either fiscal year 2006 or fiscal year 2005.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

Compensation of Directors and Executive Officers

Compensation Committee

The Corporation does not have a separate compensation committee utilized to determine the appropriate compensation payable to the Directors due to the size of the Corporation. The Corporate Governance/Nominating Committee, however, is responsible for, among other things, annually reviewing and approving the Corporation's compensation policies, and operates under a Charter attached to this Proxy Statement as Appendix A. The Charter provides that the Corporate Governance/Nominating Committee may form subcommittees and delegate its responsibilities to subcommittees where appropriate. The Corporation's executive officers do not participate in determining or recommending the compensation for the Directors or the executive officers; however, at the time the Compensation Policy discussed below was initially adopted by the Board of Directors, certain of the Corporation's officers did serve on the Board of Directors. Accordingly,

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

the Compensation Policy provided that no Director would be compensated by the Corporation if the Director also served as an officer of an investment adviser of the Corporation. The Corporate Governance/Nominating Committee has not engaged consultants to assist it in these determinations.

Compensation Committee Interlocks and Insider Participation

The members of the Corporate Governance/Nominating Committee for Fiscal Year 2006 were Jasja Kotterman (Chair), Gordon Roth and Michael Dunn. All members of the Corporate Governance/Nominating Committee are considered "independent" under applicable NASDAQ listing standards. No members of the Committee have ever served as officers or employees of the Corporation. However, at the time the Compensation Policy was adopted by the Board of Directors, certain of the Corporation's executive officers did serve on the Board of Directors. No executive officers of the Corporation served, during Fiscal Year 2006: (i) on a compensation committee of another entity which had an executive officer serving on the Corporate Governance/Nominating Committee; (ii) as a director of another entity which had an executive officer serving on the Corporate Governance/Nominating Committee; or (iii) as a member of a compensation committee of another entity which had an executive officer who served as a Director of the Corporation.

Compensation Committee Report

The Corporate Governance/Nominating Committee has not reviewed or discussed with the Corporation's management the compensation indicated below under the caption of "Summary Compensation Table" because the Corporation's standing policy is to not compensate executive officers, and because compensation of the Board and its committees is determined only by the Board of Directors and the Corporate Governance/Nominating Committee.

14

The Corporate Governance/Nominating Committee did recommend to the Board of Directors that the information provided below under the caption "Summary Compensation Table" be included in this Proxy Statement.

Compensation of Directors

From February 2004 through July 18, 2006, the compensation of the Corporation's Directors was governed by a compensation policy adopted via resolution of the Board of Directors on February 24, 2004 (the "Compensation Policy"). The Compensation Policy provided that: (i) Directors of the Corporation and of MorAmerica who are also officers or directors of any investment advisor of either the Corporation or of MorAmerica receive no compensation for serving on the Boards of Directors of the Corporation and of MorAmerica, (except that this policy does not apply to the Chairman of the Board); (ii) the Chairman of the Board receives an annual retainer of \$21,600; (iii) all other outside Directors receive an annual retainer of \$7,200; (iv) the Chairman of the Board and all other outside Directors receive \$1,000 for each Board of Directors meeting attended (whether such attendance is in person or by

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

telephone) if the meeting is scheduled as an in-person meeting and \$250 for each Board of Directors meeting attended by telephone if the meeting is scheduled to be held by teleconference; (v) the Chairman of the Board and all other Directors receive \$250 for each committee meeting attended (whether such attendance is in person or by telephone) if the committee meeting is scheduled as an in-person meeting and \$100 for each committee meeting attended by telephone if the meeting is scheduled to be held by teleconference; (vi) the Directors do not receive separate compensation for serving on the Board of Directors of MorAmerica; and (vii) the Corporation reimburses all reasonable expenses of the Directors and the Chairman of the Board in attending Board of Directors and committee meetings. Directors' meetings are normally held on a quarterly basis, with additional meetings held as needed. All Director compensation is payable quarterly, in arrears.

On June 9, 2006, the Corporate Governance/Nominating Committee recommended to the full Board of Directors that, in light of the Board's smaller size and resulting increase in the time the Directors must devote to the Corporation's oversight, the Compensation Policy be amended as follows: (i) the annual retainer paid to the Chairman of the Board be increased from \$21,600 to \$24,000; (ii) the annual retainer paid to the outside Directors be increased from \$7,200 to \$8,000; (iii) the attendance fees payable to Directors for teleconference Board meetings be increased from \$250 to \$500 per meeting; and (iv) the attendance fees payable to Directors for teleconference committee meetings be increased from \$100 to \$250 per meeting (collectively, the "Compensation Policy Revisions"). The Corporate Governance/Nominating Committee also recommended that all other components of the Compensation Policy remain in effect. The full Board of Directors approved the Compensation Policy Revisions on July 18, 2006, which are effective for all Board and committee meetings beginning July 18, 2006.

Summary Compensation Table

The following table sets forth the details of the compensation paid to Directors during Fiscal Year 2006, which includes compensation for serving on the Boards of Directors of the Corporation and MorAmerica Capital (the only wholly owned subsidiary of the Corporation). The Corporation does not compensate its executive officers. For purposes of the following table, the Fund Complex (as that term is defined in Item 22(a)(1)(v) of Reg. ss.240.14a-101 adopted under the Exchange Act) consists solely of the Corporation and MorAmerica. The Corporation presently maintains no pension or retirement plans for its Directors.

Compensation of Executive Officers

The Corporation has no employees and does not pay any compensation to any of its officers. The Corporation has not compensated its executive officers in any of the last three fiscal years. The Corporation does not provide any of bonus, stock options, stock appreciation rights, non-equity incentive plans, non-qualified deferred compensation or pension benefits to its executive officers. Further, the Corporation has no agreements with any officer pertaining to change in control payments. All of the Corporation's officers and staff are employed by InvestAmerica Investment Advisors, Inc., which pays all of their cash compensation.

Performance Graph

The following graph compares the semi-annual percentage change in cumulative stockholder return on the Common Stock of the Corporation since September 30, 2001, with the cumulative total return over the same period of (i) the NASDAQ Stock Market Total Return Index (U.S. Companies), and (ii) the Corporation's peer group selected in good faith by the Corporation and which it composed of the following eleven business development companies or other funds known by the Corporation to have similar investment objectives to the Corporation: Ares Capital Corporation (ARCC), Brantley Capital Corporation (BBDC), Capital Southwest Corp (CSWC), Equus Total Return Inc. (EQS), Gladstone Investment Corporation (GAIN), Harris & Harris Group, Inc. (TINY), MVC Capital (MVC), NGP Capital Resources Company (NGPC), Rand Capital Corp (RAND), and Winfield Capital Corp (WCAP) (the "Peer Group").

In the graph, the comparison assumes \$100 was invested on October 1, 2001, in shares of the Corporation's Common Stock and in each of the indices. The comparison is based upon the closing market bid price for shares of the Corporation's Common Stock, and assumes the reinvestment of all dividends, if any. The returns of each of the companies in the Peer Group are weighted according to the respective company's stock market capitalization at the beginning of each period for which a return is indicated.

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

In addition, under the Corporation's Amended and Restated Bylaws, shareholders desiring to nominate persons for election as Directors or to propose other business for consideration at an annual meeting must notify the Secretary of the Corporation in writing not less than 60 days, nor more than 90 days, prior to the date on which the Corporation first mailed its proxy materials for the prior year's annual meeting. Accordingly, shareholders desiring to submit a proposal for consideration at the 2008 Annual Meeting of shareholders must give written notice of the proposal to the Secretary of the Corporation not earlier than October 15, 2007, and not later than November 14, 2007. Shareholders' notices must contain the specific information set forth in the Corporation's Amended and Restated Bylaws. A copy of the Corporation's Amended and Restated Bylaws will be furnished to shareholders without charge upon written request to the Secretary of the Corporation.

17

EXPENSES OF SOLICITATION OF PROXIES

In addition to the use of the mails, proxies may be solicited by personal interview and telephone by directors, officers and other employees of the Corporation, who will not receive additional compensation for such services. The Corporation has employed Mellon Investor Services, LLC ("Mellon") to aid in the solicitation of proxies at an estimated fee of \$5,000. The Corporation's agreement with Mellon to solicit proxies generally provides that Mellon will: (i) assist the Corporation in its planning and organization of proxy solicitation matters, (ii) establish communications with banks, brokers and other parties for purposes of the solicitation, (iii) disseminate all proxy materials in a timely manner, (iv) solicit and collect proxies according to Mellon's calling and reporting procedures.

The Corporation will also request brokerage houses, nominees, custodians and fiduciaries to forward soliciting materials to the beneficial owners of stock held of record by them and will reimburse such persons for forwarding materials. The cost of soliciting proxies will be borne by the Corporation.

MORAMERICA CAPITAL CORPORATION

CORPORATE GOVERNANCE/NOMINATING
COMMITTEE CHARTER

Purpose

The Corporate Governance/Nominating Committee (the "Committee") is appointed by the Board of Directors (the "Board") of MACC Private Equities Inc. (the "Company"): (1) to identify individuals qualified to become Board members, and to recommend to the Board persons to fill Board vacancies or to stand for

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

election by shareholders; (2) to recommend to the Board corporate governance guidelines applicable to the Company; (3) to lead the Board in its annual review of the Board's performance; and (4) to recommend to the Board nominees for each Board committee. Because the Board members also serve on the board of directors for the Company's wholly-owned subsidiary, MorAmerica Capital Corporation ("MorAmerica"), the Committee's actions will also apply to and be used by MorAmerica's board of directors to the extent applicable.

Committee Membership

The Committee shall consist of no fewer than two members who shall meet the independence requirements of the NASDAQ Stock Market and shall be persons who are not "interested persons" of the Company under applicable rules of the Securities and Exchange Commission.

The members of the Committee shall be appointed and may be replaced by the Board at any time. The Committee chairperson shall be designated by the Board, or if the Board chooses not to do so, by a majority vote of the Committee.

Meetings

The Committee shall meet at least once a year, and more frequently as circumstances dictate. A majority of the members of the Committee shall constitute a quorum for the transaction of business. The Committee will maintain written minutes of its meetings, which minutes will be filed with the Secretary of the Company.

The Committee will report to the Board regarding recommendations of the Committee submitted to the Board for action, and provide the Board copies of the minutes of its meetings.

Committee Authority and Responsibilities

1. The Committee shall have the sole authority to retain and terminate any search firm to identify director candidates and shall have sole authority to approve the search firm's fees and other retention terms. The Committee shall also have authority to access Company resources and to obtain advice and assistance from internal or external legal, accounting or other advisors.
2. Each year, the Committee shall implement and follow a process designed to seek individuals qualified to become board members for recommendation to the Board and shall consider the re-election of existing directors. The Committee believes that having directors with relevant experience in business and industry, government, finance and other areas is beneficial to the Board as a whole. Directors with such backgrounds can provide a useful perspective on significant risks and competitive advantages and an understanding of the challenges the Company faces. The Committee shall monitor the mix of skills and experience of its directors

20

and committee members in order to assess whether the Board has the appropriate tools to perform its oversight function effectively.

3. Taking this into account, for each year's nominations the Committee will take the following steps:

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

- a. With respect to nominating existing directors, the Committee will review relevant information available to it, including the latest Board evaluations for such persons, if any, and assess their continued ability and willingness to serve as a director. The Committee will also assess such persons' contributions in light of the mix of skills and experience the Committee has deemed appropriate for the Board.
- b. With respect to nominations of new directors, the Committee will conduct a thorough search to identify candidates based upon criteria the Committee deems appropriate and considering the mix of skills and experience necessary to complement existing Board members. The Committee will then review selected candidates and make a recommendation to the Board. The Committee may seek input from other Board members or senior management in identifying candidates.

The Committee will consider nominations for the Board by stockholders the same way it evaluates other individuals for nomination as a new director. Such nominations must be made in accordance with the Company's Bylaws to be considered.

4. The Committee shall perform an annual assessment of the Board's performance. In addition, the Committee shall solicit and receive comments from all directors, assess each director's performance and periodically, but not less often than every three (3) years, report to the Board with an assessment of the director's performance, to be discussed with the full Board at the first Board meeting following the completion of such assessment.
5. The Committee shall oversee the formulation of, and shall recommend for adoption to the Board, a set of Corporate Governance Guidelines. The Committee shall periodically review and reassess the Corporate Governance Guidelines of the Company and recommend appropriate changes to the Board for approval.
6. The Committee may form and delegate authority to subcommittees when appropriate.
7. The Committee shall review and approve annually the Company's compensation program for service on the Board or any of its committees.
8. The Committee shall review and reassess this Charter annually and recommend any appropriate changes to the Board for approval. The Committee shall annually review its own performance.
9. The Committee shall perform a periodic review of all Board committees' structure and governance charters to assess the need for any modifications or updates. In addition, the Committee shall make recommendations to the Board regarding the composition and responsibility of the Board committees.
10. The Committee shall review all conflicts of interest which may arise from time to time regarding members of the Board or executive officers and review and approve all related party transactions which would require disclosure in the Company's proxy statement.

AUDIT COMMITTEE CHARTER

I. ORGANIZATION

There shall be a committee of the Board of Directors to be known as the Audit Committee. The Audit Committee shall consist of three or more directors, as determined by the Board of Directors, each of whom shall not be an officer or employee of the MACC Private Equities Inc. (the "Company") or any of its affiliates, but shall be independent of the management of the Company and free of any relationship that, in the opinion of the Board of Directors, would interfere with his or her exercise of independent judgment as an Audit Committee member.(1)

All members of the Audit Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement, and at least one member of the Audit Committee shall be an "audit committee financial expert," as that term is defined in rules promulgated by the Securities and Exchange Commission ("SEC").

The members of the Audit Committee shall be elected by the Board of Directors at the annual meeting of the Board of Directors to serve a term of one year or until their successors shall be duly elected and qualified. The Board of Directors will appoint a Chair to preside at the Audit Committee meetings and schedule meetings as appropriate. The Board of Directors shall make the determination as to (a) the independence of each member of the Audit Committee; and (b) which member(s) of the Audit Committee qualify as an "audit committee financial expert."

A. Definition of Independence

The following persons are not considered independent:

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster compliance with, the Company's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are as follows:

To serve as an independent and objective party to monitor the Company's financial reporting process and internal control system.

of Directors.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

III. MEETINGS

(7) Under SEC proposed rules, it is imperative for the Audit Committee to cultivate open and effective channels of information about the Company's financial reporting process among not only management, but also employees. See Proposed Rule: Standards Relating to Listed Company Audit Committees, Exchange Act Release No. 34-47137 (Feb. 18, 2003) (rule to become effective by April 26, 2003 and new requirements to become operative no later than the first anniversary of the publication of the final rule in the Federal Register).

Non-committee members may be excused from attendance at any meeting or portion of any meeting by the Chair.

As part of its job to foster open communication, the Audit Committee should meet at least annually with management and the independent auditors in separate executive sessions to discuss any matter that the Audit Committee or each of these groups believes should be discussed privately.
