PROXY STATEMENT

This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders are being furnished in connection with the solicitation of proxies by the Board of Directors of Clean Harbors, Inc., a Massachusetts corporation (the Company), for use at the Annual Meeting of Stockholders of the Company to be held at Le Meridien Hotel, 250 Franklin Street in Boston, Massachusetts, on May 15, 2003, commencing at 9:00 a.m., local time, and any adjournment thereof.

PROXY SOLICITATION

Proxies in the accompanying form properly executed and received prior to the meeting and not revoked, will be voted as specified or, if no instructions are given, will be voted in favor of the proposal described herein. Proxies may be revoked at any time prior to the meeting by written notice given to the Clerk of the Company. The cost of this solicitation shall be borne by the Company. Solicitations of proxies by telephone or in person may be made by the Company's directors, officers or other employees, but any such solicitation will be carried on during working hours and for no additional cost, other than the time expended and telephone charges in making such solicitation. This Proxy Statement and the accompanying proxy form are scheduled to be mailed to stockholders beginning on April 17, 2003.

INFORMATION AS TO VOTING SECURITIES

The holders of the Company's Common Stock, \$.01 par value (Common Stock), and Series B Convertible Preferred Stock, \$.01 par value (Series B Preferred Stock), vote as a single class with respect to the election of directors and most other matters. Each issued and outstanding share of the Company's Common Stock and Series B Preferred Stock is entitled to one vote. Only stockholders of record at the close of business on April 7, 2003 will be entitled to vote at the meeting. On April 7, 2003, there were 13,403,650 shares of Common Stock and 112,000 shares of Series B Preferred Stock outstanding and entitled to vote. Votes cast by proxy or in person at the Annual Meeting will be counted by persons appointed by the Company to act as election inspectors for the meeting.

The sole matter proposed to be considered at the Annual Meeting is the election of two Class II directors. The election of the Class II directors will require the affirmative vote of the holders of a plurality of the total shares of Common Stock and Series B Preferred Stock represented at the meeting. Votes withheld from any nominee for election as a director, abstentions, and broker non-votes are counted as present or represented for purposes of determining the presence of a quorum for the meeting. Therefore, votes withheld from any nominee for director will have the effect of against votes. Broker non-votes occur when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Edgar Filing: CLEAN HARBORS INC - Form DEF 14A

Usually, this would occur when brokers holding stock in street name have not received any instructions from clients, in which case the brokers (as holders of record) are permitted to vote on routine proposals but not on non-routine matters. The election of directors is considered a routine matter.

In addition to the shares of Common Stock and Series B Preferred Stock outstanding on April 7, 2003, there were then outstanding 25,000 shares of Series C Convertible Preferred Stock, \$.01 par value (Series C Preferred Stock). However, under the rules of The Nasdaq Stock Market (NASDAQ), the Series C Preferred Stock will not be voting at the Annual Meeting on the election of the two Class II directors, which is the sole matter proposed to be considered at the meeting.

ELECTION OF DIRECTORS

(Item 1 on Proxy Form)

The Board of Directors of the Company is currently composed of seven directors classified into three classes. There are three Class I Directors, and two Class II and Class III Directors. One class of directors is elected each year for a term of three years. The term of the Class II Directors, John T. Preston and Lorne R. Waxlax shall expire at the 2003 Annual Meeting. The Board of Directors has nominated Messrs. Preston and Waxlax to continue to serve as Class II Directors.

Unless otherwise specified therein, shares represented by the enclosed proxy will be voted at the Annual Meeting to elect John T. Preston and Lorne R. Waxlax as Class II directors of the Company for a three-year term, until the 2006 Annual Meeting of Stockholders and until their respective successors shall be duly elected. In the event that one or more of the nominees is unable to stand for election (which event is not now contemplated), the holders of the enclosed proxy will vote for the election of a nominee or nominees acceptable to the remaining members of the Company's Board of Directors.

The Board of Directors recommends that stockholders vote FOR the proposal to elect Messrs. Preston and Waxlax as directors.

Compensation of Directors

According to the Company's 2000 Stock Incentive Plan approved by stockholders at the 2000 Annual Meeting, each director who is not an employee of the Company receives upon election to the Board a grant of a five-year, non-qualified stock option to purchase that number of shares of the Company's Common Stock determined by multiplying 2,000 by the number of years or fraction thereof for which the director shall be elected, at the market price of the Common Stock on the date of election, vesting immediately as to the first 2,000 shares of any award and as to an additional 2,000 shares on each anniversary of the date of election. Awards to directors appointed to fill a vacancy on the Board for less than one year are prorated. During 2002, upon the election as directors to serve for a term of three years, Messrs. Kaslow and Shields, the only non-employees elected as a director during such year, received options for 6,000 shares at the market price of \$10.75 per share.

The Company's policy during 2002 was to pay each director who is not an employee an annual retainer fee of \$20,000 plus \$1,000 for each board meeting attended, \$750 for each committee meeting attended and \$500 for meetings conducted by telephone conference call. The Company also pays outside directors who are members of committees of the Board \$1,000 for membership on a committee and an additional \$2,500 for serving as chairman of a committee. Directors are reimbursed for expenses incurred in connection with service on the Board. Total fees paid to outside directors in 2002 were as follows: Mr. DeVillars \$38,250, Mr. Kaslow \$52,250, Mr. McCarthy \$50,750, Mr. Preston \$39,750, Mr. Shields \$39,750, and Mr. Waxlax \$48,500. In February 2003, the Board voted, upon the recommendation of the Corporate Governance Committee, to pay each of the members of the Audit Committee other than the Chairman, a one-time payment of \$5,000 and to pay the Chairman \$10,000 as compensation for the considerable amount of extra time and effort during 2002 involved in compliance with the provisions of the Sarbanes-Oxley Act and the new rules of NASDAQ.

Board Committees and Meetings

During 2002, the Board of Directors held 12 meetings, seven of which were held by conference call.

The Board of Directors has established an Audit Committee consisting of members of the Board of Directors who are not employed by the Company. During 2002, Messrs. DeVillars, Kaslow, Preston and Shields served on the Audit Committee. The primary functions of the Audit Committee are to recommend the selection of independent public accountants, to review the scope of and approach to audit work, and to meet with and review the activities of the Company's internal accountants and the independent public accountants. During 2002, there were eight meetings of the Audit Committee, of which four were held by conference call. The Board

of Directors has established a Compensation and Stock Option Committee. During 2002, the Compensation and Stock Option Committee consisted of three non-employee directors: Messrs. Kaslow, McCarthy and Waxlax. During 2002, there were six meetings of the Compensation and Stock Option Committee, none of which were held by conference call. The Board of Directors has also established a Corporate Governance Committee consisting of three directors: Messrs. Waxlax, McKim and McCarthy. The Corporate Governance Committee serves as the nominating committee of the Board. This committee met three times in 2002.

During 2002, all directors attended at least 75 percent of the meetings of the Board and the committees of which they were members.

Compensation Committee Report

The Compensation and Stock Option Committee of the Board of Directors (the Committee), consists of three outside directors whose responsibilities include the recommendation to the full Board of Directors of a compensation package for the Chief Executive Officer; review and approval of other senior executive officer compensation; review and approval of corporate management compensation policies; and management of the Company's stock option and equity incentive plans.

Executive Compensation

The fundamental philosophy of the Committee regarding executive compensation is to offer competitive compensation opportunities and to align individual compensation with the goals, values and priorities of the Company. Compensation for executive officers currently consists of three basic elements: base compensation and benefits, salary at-risk, and awards of long-term equity incentives through non-qualified stock options. In addition, in 1998 the Company instituted an Executive Retention Plan in order to help retain certain key employees.

Base compensation and benefits for 2002 were determined based upon a current analysis and previous studies of comparable industry groups. Bonuses for the Chief Executive Officer and the Chief Operating Officer were to be based on the attainment of specific objectives. For other senior managers, the Committee approved two incentive compensation plans for 2002. The Company's 2002 Management Incentive Program (MIP) covered 68 management positions. Under the MIP, an individual could earn a bonus based upon Company-wide success in meeting management's goals, based upon thresholds of achievements of earnings before interest, taxes, depreciation and amortization (EBITDA), and certain individuals were eligible to receive an additional bonus based on achieving specific personal goals and objectives. Bonuses were paid under the MIP for the first half of the year based upon EBITDA achieved by the Company. As a result of the Company's acquisition in September 2002 of the assets of the Chemical Services Division of Safety-Kleen Corp. (the CSD), the MIP targets had to be adjusted for the second half of the year. Although the Company failed to achieve its new minimum EBITDA target for the second half of the year, the Compensation Committee believed that the failure to meet the higher minimum target was largely the result of the extraordinary efforts involved in the acquisition process and authorized payment of certain second-half bonuses. Payments under the MIP and the second-half bonuses for 2002 totaled \$639,000, and payments to individual participants ranged from \$242 to \$25,000.

The final element of compensation for executives is long-term equity incentives through grants of non-qualified stock option awards. Awards are designed to align the interests of executives with those of stockholders of the Company and to encourage long-term retention of executives through periodic vesting. Awards were made during 2002 at current market prices, and most options vest as to 20% at the end of each successive year of service. During 2002, options were awarded to 13 employees of the Company and to one advisor to the Company. Individual awards ranged from 1,800 to 30,000 shares based upon the individual's position and ability to positively impact Company results, adjusted according to his or her performance rating. The Chief Executive Officer, Alan S. McKim, did not receive any options during 2002, nor during any previous year.

In 1998, the Company instituted an Executive Retention Plan (the "Retention Plan"), which currently covers 15 members of senior management. The Retention Plan provides for severance payments for terminations other than for cause in exchange for one-year non-competition agreements. For terminations other than for cause and not related to a change in control, the Retention Plan calls for the payment of up to one year of base salary at the rate in effect at the time of termination of employment, payable periodically in accordance with the Company's normal executive salary payment policies, plus up to one year of continued medical, dental, life insurance and other benefits, if any, available to the executive at the time of his or her termination of employment.

Under the Retention Plan, in the event of a Change in Control (as defined in the Plan), the executive will receive severance benefits equal to one year's base salary and benefits if his or her employment with the Company is terminated for any reason within 30 days after a Change in Control. Also, an executive shall be entitled to receive the same severance benefits if the executive does not receive a position equal to the position that the executive held prior to the Change in Control or if the primary work location is not within 30 miles of such location prior to the Change in Control. If the executive accepts a position with the successor corporation after the Change in Control, and, within two years of the Change in Control, the executive's position changes so as not to be equal to his or her position prior to the Change in Control, then the executive shall be entitled to the same severance benefits. Under the Retention Plan, one year's base salary is payable within 30 days after termination of employment relating to a Change in Control.

Chief Executive Officer Compensation

During 2002, base compensation of the Chief Executive Officer, Alan S. McKim, was \$450,000. Mr. McKim's incentive compensation for 2002 was to be based upon the Company's achievement of a base line EBITDA goal, improvement of health and safety, reduction of debt, completion of a management information system project, improvement of the collection of receivables, and completion of the CSD acquisition on terms in the best interests of the Company. Although most of these goals were either met or exceeded, Mr. McKim recommended to the Committee that it not award a bonus to him for 2002 because of the low payments to management under the MIP and the Committee therefore did not award any such bonus to Mr. McKim for 2002.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to publicly held companies for compensation paid to certain executive officers, to the extent that annual compensation paid to any officer exceeds \$1 million. Compensation paid to the Company's executive officers during the 2002 fiscal year did not exceed the \$1 million individual limit. Should the individual compensation of any executive officer approach the \$1 million level, the Compensation Committee would attempt to minimize the impact of Code Section 162(m) on the Company.

Stock Option/SAR Grants

During 2002, there were no stock options or stock appreciation rights (SARs) granted to individuals named in the Summary Compensation Table. Under the terms of the Company s Stock Option and Equity Incentive Plans, the Compensation and Stock Option Committee retains discretion, subject to plan limits, to modify the terms of outstanding options and to reprice the options. During 2002, no stock options were repriced.

Option Exercises and Year-End Option Values

The following table shows for the individuals named in the Summary Compensation Table the aggregate number of any options exercised, the value realized (market value of underlying shares on exercise minus the exercise price), the number of unexercised options held by each individual at year-end, and the value of unexercised in-the-money options at year-end. The high and low sales prices of the Company's Common Stock in 2002 were \$17.82 and \$3.02. The last sale price at year-end was \$15.56. No stock appreciation rights were exercised during 2002 or held by such individuals at year-end.

Termination of Employment and Change of Control Agreements

The Company provides change of control protection under stock option agreements awarded to executive officers. Some of those agreements provide that options will automatically fully vest upon a change of control, while others provide that if an employee is involuntarily terminated or experiences a change of position and a reduction in salary or relocation within twelve months of a change of control, the employee's options become fully vested.

As discussed more fully in the Compensation Committee Report, the Company has an Executive Retention Plan (Retention Plan) that covers 15 members of executive and senior management. The Retention Plan provides for severance payments equal to one year's base salary for terminations that are due to a Change in Control of the Company as that term is defined in the Retention Plan. In addition to severance, the Retention Plan provides for up to one year of continued employee benefits, if any, available to the executive at the time of his or her termination of employment.

Independent Auditors Fees

Edgar Filing: CLEAN HARBORS INC - Form DEF 14A

In addition to retaining PricewaterhouseCoopers LLP (PwC) to audit the consolidated financial statements, the Company and its subsidiaries retained PwC to provide tax and certain other services for 2002 and 2001. The aggregate fees and expenses billed by PwC for 2002 and 2001 for these services were:

	For the Year	
	2002	2001
Audit Fees	\$ 1,550,000	\$ 315,000
Audit-Related Fees	21,000	
Tax Fees	810,000	152,000
All Other Fees		
	\$ 2,381,000	\$ 467,000

Audit Fees (\$1,550,000 for 2002 and \$315,000 for 2001) include fees and expenses for services rendered in connection with the audits of the Company's consolidated annual financial statements, reviews of quarterly financial statements included in the Company's Form 10-Q reports, and services that are normally provided by independent auditors in connection with statutory and regulatory filings or engagements for those fiscal years. This category also includes advice on audit and accounting matters that arose during, or as a result of, the audit or review of the financial statements, and the preparation of an annual management letter on internal control matters.

Audit-Related Fees (\$21,000 for 2002 and \$0 for 2001) include fees and expenses for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported above under "Audit Fees". The services for the fees disclosed under this category normally would include benefit plan audits, other accounting consulting, and vendor and customer compliance audits. For 2002, Audit-Related Fees include consultation with PwC regarding a request for a "no-action" letter from the SEC.

Tax Fees (\$810,000 for 2002 and \$152,000 for 2001) include fees and expenses for tax compliance, tax planning, and tax advice (including tax return preparation), refund claims, assistance with tax audits and appeals, and advice related to acquisitions. Tax Fees for 2002 include review of net operating loss carrybacks applied for in 2002, assistance with an appeal to the taxing authorities, tax planning related to the acquisition of the CSD, and review of the Company's tax returns. Tax Fees for 2001 include \$131,000 for tax services related largely to resolving a \$3,000,000 assessment for state income taxes for one of the states in which the Company operates and for general tax services, and \$21,000 for tax compliance services for the tax year 2001 returns, which were filed in 2002.

All Other Fees (\$0 for each of 2002 and 2001) include fees and expenses for services which do not fall within the categories described above.

The Audit Committee of the Board of Directors will follow procedures designed to ensure that all audit and permitted non-audit services provided after January 1, 2003 by PwC are pre-approved by the Audit Committee. The Audit Committee has discussed these matters with PwC and the Company's management and will monitor the Company's compliance with any new restrictions put in place to continue to ensure that the services provided by PwC are consistent with the maintenance of that firm's independence in the conduct of its auditing functions.

Audit Committee Report

The Audit Committee of the Board of Directors (the "Committee") is comprised of the four directors named below. Each member of the Committee is an independent director (as independence is defined in NASDAQ listing standards). The Committee has adopted a written charter, which has been approved by the Board of Directors. A copy of the charter, as revised by the Board of Directors on February 21, 2003, is attached as Appendix A to this Proxy Statement. The Committee has reviewed and discussed the Company's audited financial statements with management, which has primary responsibility for the financial statements, and with the Company's auditors, PricewaterhouseCoopers LLP ("PwC"). The Company's independent auditor for 2002, PwC, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles. The Committee has discussed with PwC the matters that are required to be discussed by Statement on Auditing Standards No. 61 "Communication With Audit Committees." PwC has provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 "Independence Discussions with Audit Committees," and the Committee discussed with PwC that firm's independence. The Committee also considered whether PwC's provision of non-audit services, which consisted primarily of tax services and services with respect to the acquisition of the CSD, is compatible with PwC's independence.

Based on the considerations referred to above, the Committee recommended to the Board of Directors that the financial statements audited by PwC be included in the Company's Annual Report on Form 10-K for 2002 and that PwC be appointed independent auditors for the Company for 2003. The foregoing report is provided by the following independent directors, who constitute the Audit Committee:

John F. Kaslow, Chairman

John T. Preston

Thomas J. Shields

John P. DeVillars

Appointment of Independent Accountants

The Company's independent public accountants will be selected by the Board of Directors at its meeting following the Annual Meeting of Stockholders. The Board of Directors anticipates that it will select

PricewaterhouseCoopers LLP to serve as the Company's independent public accountants for the year ending December 31, 2003. PricewaterhouseCoopers LLP or its predecessor has served as the Company's independent public accountants since the fiscal year ended February 28, 1990. Representatives of PricewaterhouseCoopers are expected to be present at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if they so desire.

Performance Graph

The following graph compares the five-year return from investing \$100 on January 1, 1997 in each of Clean Harbors, Inc. Common Stock, the NASDAQ Market Index of companies, and an index of environmental services companies, compiled by Media General Financial Services, Inc. The environmental services group used by Media General Financial Services, Inc. includes all companies whose listed line-of-business is SIC Code 4953 (refuse systems), and assumes reinvestment of dividends on the ex-dividend date. An index compares relative performance since a particular starting date. In this instance, the starting date is December 31, 1996, when the Company's Common Stock closed at \$2.25 per share.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who beneficially own more than 5% of a registered class of the Company's equity securities, to file reports of ownership and changes of ownership with the Securities and Exchange Commission. Copies of those reports are to be furnished to the Company. Based solely on its review of copies of the reports received by it, or written representations from certain reporting persons, the Company believes that during 2002 such filing requirements were satisfied on a timely basis, except that John P. DeVillars, Eric W. Gerstenberg, Joseph McNally and David M. Parry were each late in filing one report on Form 4 reflecting a change of ownership of their respective shares.

STOCKHOLDER PROPOSALS

Proposals, which qualified stockholders intend to present at the 2004 Annual Meeting, must be received by the Company for inclusion in the Company's proxy statement and form of proxy relating to that meeting no later than January 15, 2004.

Shareholders of record who do not submit proposals for inclusion in the Proxy Statement but who intend to submit a proposal at the 2004 Annual Meeting, and shareholders of record who intend to submit nominations for directors at the meeting, must provide written notice. Such notice should be addressed to the Clerk and received at the Company's principal executive offices not later than January 15, 2004. The written notice must satisfy certain requirements specified in the Company's By-Laws. A copy of the By-Laws will be sent to any shareholder upon written request to the Clerk.

OTHER MATTERS

THE COMPANY FILES AN ANNUAL REPORT WITH THE SECURITIES AND EXCHANGE COMMISSION ON FORM 10-K WHICH INCLUDES ADDITIONAL INFORMATION ABOUT THE COMPANY. A COPY OF THE FORM 10-K, INCLUDING THE FINANCIAL STATEMENTS AND FINANCIAL STATEMENT SCHEDULES, MAY BE OBTAINED WITHOUT CHARGE, AND COPIES OF THE EXHIBITS WHICH ARE LISTED THEREIN WILL BE FURNISHED UPON PAYMENT OF THE COMPANY'S COSTS OF REPRODUCTION AND MAILING OF SUCH EXHIBITS. ALL SUCH REQUESTS SHOULD BE DIRECTED TO STEPHEN H. MOYNIHAN, SENIOR VICE PRESIDENT PLANNING AND DEVELOPMENT, CLEAN HARBORS ENVIRONMENTAL SERVICES, INC., 1501 WASHINGTON STREET, BRAINTREE, MASSACHUSETTS 02184-7535, TELEPHONE (781) 849-1800, EXT. 4454.

Except for the matters set forth above, management knows of no other matter, which is to be brought before the meeting, but if any other matter shall properly come before the meeting, it is the intention of the persons named in the accompanying form of proxy to vote such proxy in accordance with their judgment on such matter.

By Order of the Board of Directors,

C. Michael Malm, Clerk

April 15, 2003

THE BOARD OF DIRECTORS HOPES THAT STOCKHOLDERS WILL ATTEND THE ANNUAL MEETING. REGARDLESS OF WHETHER YOU PLAN TO ATTEND, YOU ARE URGED TO COMPLETE, DATE, SIGN, AND RETURN THE ENCLOSED PROXY IN THE ACCOMPANYING ENVELOPE. A PROMPT RESPONSE WILL GREATLY FACILITATE ARRANGEMENTS FOR THE ANNUAL MEETING, AND YOUR COOPERATION WILL BE APPRECIATED. STOCKHOLDERS WHO ATTEND THE ANNUAL MEETING MAY VOTE THEIR STOCK PERSONALLY EVEN THOUGH THEY HAVE SENT IN THEIR PROXIES.
