Explanation of Responses:

Stock units (Units) under the Company s deferred compensation plan resulting from deferral of meeting fees and/or compensable stock (1)grants and/or dividends (in shares) on such Units.

Units were acquired at various dates at market prices ranging from \$32.49 to \$34.97 per Unit. The number in column nine has been adjusted to include a dividend of 24 Units at a market

price of \$29.71 which were omitted from the shares beneficially owned calculation in the December 31, 2001 Form 5 (prepared based on information received and available at that time).

Fractional shares will be paid in cash and are not reflected.
