Dear Fellow Shareholder:

In January 2002, your Fund mailed to you a Proxy Statement in connection with your Fund's upcoming annual shareholders' meeting. This letter amends and supplements that Proxy Statement by providing you with additional information in light of developments since you received the Proxy Statement.

As you can see from the enclosed press release, your Board of Directors has announced its initial plans for implementation of the proposed in-kind share repurchase policy (see (3) below) once it receives the necessary approval from the Securities and Exchange Commission (the "SEC"). Considering the views of Fund shareholders, your Board has announced that it intends to offer to repurchase 20% of your Fund's outstanding shares in the first twelve months following approval by shareholders and the SEC of its proposed in-kind share repurchase policy.

Your Board anticipates making an initial repurchase offer under the proposed in-kind repurchase policy for 10% of your Fund's outstanding shares as soon as practicable following SEC and shareholder approval of the in-kind share repurchase policy. Your Fund intends to make a second 10% repurchase offer six months following completion of the first repurchase offer under the proposed in-kind repurchase policy, although the Fund can provide no assurance regarding the SEC's final decision and timing.

Your Board is pleased to make this announcement in conjunction with the recent filing of an amendment to your Fund's application for regulatory authority from the SEC to implement the proposed in-kind repurchase policy. Your Board believes this filing is indicative of the progress your Fund has made with the SEC in obtaining the necessary regulatory approval to implement the proposed in-kind share repurchase policy.

Your Fund's annual shareholders' meeting is scheduled to be held on March 7, 2002 at 2:00 P.M. New York City time at 30 Rockefeller Plaza, 23rd Floor, New York, New York, 10112. Your Board of Directors is seeking your vote

Edgar Filing: MEXICO FUND INC - Form DEFA14A

regarding the following four matters:

- (1) To elect two Directors;
- (2) To approve adding a performance fee component to the Fund's advisory fee;
- (3) To approve adoption of a share repurchase policy requiring the Fund, on a periodic basis, to offer to repurchase in-kind Fund shares at no less than 98% of net asset value;
- (4) To consider a shareholder proposal that the shareholders of the Fund recommend that the Board of Directors expedite the process to convert the Fund to an open-end investment management company; and
- (5) To transact such other business as may properly come before the Meeting or any adjournment thereof.

The Board of Directors recommends that you vote FOR Proposals 1, 2 and 3 and AGAINST Proposal 4.

Enclosed is additional information about your Board of Directors as well as the process for solicitation of votes for the shareholders' meeting.

We have enclosed with the accompanying Proxy Statement Supplement a duplicate WHITE proxy identical to the WHITE proxy you received with your Proxy Statement. IF YOU HAVE VOTED AND DO NOT WANT TO CHANGE YOUR VOTE, NO ACTION IS REQUIRED. If you have not already voted, whether or not you plan to attend the meeting, please complete, date, sign and promptly return the enclosed WHITE proxy or the WHITE proxy previously sent to you. We urge you NOT to return any GOLD proxy cards you may have recently received.

On behalf of your Board of Directors, I thank you for your continued support and investment in the Fund.

Sincerely,

Juan Gallardo T.
Chairman of the Board

FOR IMMEDIATE RELEASE

MEXICO FUND TO REPURCHASE 20% OF OUTSTANDING SHARES IN FIRST
12 MONTHS OF INTERVAL FUND PROGRAM
--Fund Responds to SEC Comments with Amended Application
and Awaits Final SEC Action--

Washington, D.C., February 26, 2002 -- The Mexico Fund, Inc. (NYSE: MXF), as part of its continuing efforts to increase shareholder value, announced today its intention to offer to repurchase 20% of the Fund's outstanding shares at no less than 98% of net asset value during the first twelve months of operation of its proposed in-kind repurchase policy. An in-kind share repurchase offer for 10% of the Fund's outstanding shares would commence as soon as practicable following the approval by shareholders and the Securities and Exchange Commission ("SEC") of the Fund's proposed in-kind repurchase policy. The Fund further intends to make a second in-kind repurchase offer for an additional 10% of the Fund's outstanding shares six months following the completion of the first in-kind repurchase offer. After the initial year of the program, the Fund's Board of Directors will effectively use the facilities allowed under the interval structure to generate increased value to the Fund's shareholders.

Mr. Juan Gallardo, Chairman of the Mexico Fund's Board of Directors commented, "We have personally visited and spoken with many of the Fund's shareholders regarding a number of the initiatives that have been put forth by the Fund. It has always been our intent to be responsive to all of our shareholders, adding value wherever possible. Therefore, we have decided that in the first twelve months after receiving our necessary approvals for the interval fund, we will offer to repurchase 20% of the Fund's outstanding shares at no less than 98% of net asset value."

Additionally, the Fund announced that it has filed with the SEC amendment number 1 to its exemptive application seeking regulatory authority to conduct the in-kind share repurchases that are the subject of the in-kind repurchase policy. It is the Fund's understanding that it has responded to comments received from the staff of the SEC. The Fund believes that this filing indicates significant progress in the review and consideration of the application by the SEC. However, the Fund can provide no assurance regarding the

SEC's final decision and the timing of that decision.

"The Fund has actively worked to enhance shareholder value, as well as align the interests of the Fund Manager with those of its shareholders. In order to realize the benefits of our initiatives, we encourage all of our investors to continue to support our efforts," concluded Mr. Gallardo.
