Dear Fellow Stockholder:

I am extremely pleased that Institutional Shareholder Services (ISS) yesterday issued a proxy analysis of the proxy contest of Blockbuster Inc. and recommended that its member institutions NOT VOTE MANAGEMENT'S WHITE PROXY CARD and VOTE the Icahn GOLD PROXY CARD for Strauss Zelnick and Edward Bleier.

I hope that all stockholders follow ISS' recommendation to VOTE THE GOLD PROXY CARD for Mr. Zelnick and Mr. Bleier, whom they recognized as superior candidates. I am disappointed that ISS recommended that stockholders withhold

voting for my individual candidacy. I disagree with the ISS suggestion that I may be a disruptive force on the Board. In fact, if the Icahn slate is elected, I look forward to working together with Mr. Antioco to enhance stockholder value. In addition to the vast media industry expertise that Mr. Zelnick and Mr. Bleier would bring to the Board, I would bring financial acumen that I believe is unmatched by any of management's nominees.

I am heartened that Blockbuster's press release on Friday, April 29, 2005, indicates to us that we were correct that the Board may be able, subject to its fiduciary duties, to cure any default in Mr. Antioco's employment agreement that would be created if Mr. Antioco does not get reelected as a director, especially in light of the fact that I would support him being reinstated as the Chairman of the Board.

As the largest beneficial holder of Blockbuster stock, I intend to cooperate with management, and certainly hope that management's plans are successful. However, I remain concerned that management's initiatives will continue to be inadequate. If earnings and cash flow continue to decline, management should be held accountable.

In this regard, obviously, I have not at this time determined whether to nominate directors in 2006. The Company's Certificate of Incorporation requires that classes of a staggered board of directors be as nearly equal as possible and provides that the maximum size of the Board is 12 directors. Therefore, should the Company determine to add directors (up to the maximum possible of five additional directors), then, if I do determine to nominate a number of nominees in 2006 equal to the number of seats coming up for election, the only way to ensure that such nominees, together with my nominees elected in 2005, would constitute a majority of the Board, is to ELECT ALL THREE of my nominees in 2005.

Please follow ISS' recommendation and do NOT vote the white proxy card. Please vote the GOLD PROXY CARD for my two nominees and myself.

SECURITY HOLDERS ARE ADVISED TO READ THE DEFINITIVE PROXY STATEMENT AND OTHER DOCUMENTS RELATED TO SOLICITATION OF PROXIES BY MR. ICAHN AND HIS AFFILIATES FROM THE STOCKHOLDERS OF BLOCKBUSTER INC. FOR USE AT ITS ANNUAL MEETING. THE DEFINITIVE PROXY STATEMENT IS AVAILABLE AT NO CHARGE AT THE SECURITIES AND EXCHANGE COMMISSION'S WEBSITE AT [HTTP://WWW.SEC.GOV](http://www.sec.gov).

Very truly yours,

Carl Icahn
