This document supplements, and should be read in conjunction with, the prospectus of Wells Real Estate Investment Trust, Inc. dated July 26, 2002, as supplemented and amended by Supplement No. 1 dated August 14, 2002. When we refer to the prospectus in this supplement, we are also referring to any and all supplements to the prospectus. Unless otherwise defined in this supplement, capitalized terms used in this supplement shall have the same meanings as set forth in the prospectus.

The purpose of this supplement is to describe the following:

- (1) Status of the offering of shares in Wells Real Estate Investment Trust, Inc. (Wells REIT);
- (2) The declaration of dividends for the fourth quarter of 2002;
- (3) Revisions to the Description of Real Estate Investments section of the prospectus to describe the following real property matters:
 - (A) Acquisition of three office buildings in Irving, Texas (Nokia Dallas Buildings);
 - (B) Acquisition of a seven-story office building in Austin, Texas (Harcourt Austin Building); and
 - (C) Execution of a lease with AmeriCredit Financial Services in connection with a build-to-suit three-story office building in Chandler, Arizona (AmeriCredit Arizona Building);

Status of the Offering

We commenced our initial public offering of common stock on January 30, 1998. Our initial public offering was terminated on December 19, 1999. We received approximately \$132,181,919 in gross offering proceeds from the sale of 13,218,192 shares in our initial public offering. We commenced our second offering of common stock on December 20, 1999. Our second public offering was terminated on December 19, 2000. We received approximately \$175,229,193 in gross offering proceeds from the sale of 17,522,919 shares in our second public offering. We commenced our third public offering of common stock on December 20, 2000. Our third public offering was terminated on July 26, 2002. We received approximately \$1,292,032,232 in gross offering proceeds from the sale of 129,203,223 shares in our third public offering.

Pursuant to the prospectus, we commenced our fourth public offering of common stock on July 26, 2002. As of August 25, 2002, we had received additional gross proceeds of approximately \$84,871,857 from the sale of approximately 8,487,186 shares in our fourth public offering.

Dividends

As we described in Supplement No. 1 to the prospectus, we acquire properties that meet our standards of quality both in terms of the real estate and the creditworthiness of the tenants. Creditworthy tenants of the type we target are becoming more and more highly valued in the marketplace and, accordingly, there is increased competition in acquiring properties with these creditworthy tenants. As a result, the purchase prices for such properties have increased with corresponding reductions in cap rates and returns on investment. In addition, changes in market conditions have caused us to add to our internal procedures for ensuring the creditworthiness of our tenants before any commitment to buy a property is made. We continue to remain steadfast in our commitment to invest in quality properties that will produce quality income for our stockholders. Accordingly, because the marketplace is now placing a higher value on our type of properties and because of the additional time it now takes in the acquisition process for us to assess tenant credit plus our commitment to adhere to purchasing properties with tenants that meet our investment criteria we were required to lower our dividend yield to investors.

As a result of the factors described in the preceding paragraph, on August 29, 2002, our board of directors declared dividends for the fourth quarter of 2002 in an amount equal to a 7.0% annualized percentage rate return on an investment of \$10 per share to be paid in December 2002. Our fourth quarter dividends are calculated on a daily record basis of \$0.001923 (0.1923 cents) per day per share on the outstanding shares of common stock payable to stockholders of record of such shares as shown on the books of the Wells REIT at the close of business on each day during the period, commencing on September 16, 2002, and continuing on each day thereafter through and including December 15, 2002.

Description of Properties

As of August 25, 2002, we had purchased interests in 59 real estate properties located in 19 states, each of which was 100% leased to tenants. Below are the descriptions of our recent real property acquisitions through August 25, 2002.

Nokia Dallas Buildings

On August 15, 2002, Wells Operating Partnership, L.P. (Wells OP), a Delaware limited partnership formed to acquire, own, lease and operate real properties on behalf of the Wells REIT, purchased three adjacent office buildings containing an aggregate of 604,234 rentable square feet located in Irving, Texas for an aggregate purchase price of \$119,550,000, plus closing costs (Nokia Dallas Buildings). The Nokia Dallas Buildings consist of (1) a nine-story office building located at 6031 Connection Drive (Nokia I Building), (2) a seven-story office building located at 6021 Connection Drive (Nokia II Building), and (3) a six-story office building located at 6011 Connection Drive (Nokia III Building). The Nokia I Building and Nokia III Building were built in 1999, and the Nokia II Building was built in 2000.

The Nokia Dallas Buildings are all leased entirely to Nokia, Inc., the U.S. operating subsidiary of Nokia Corporation (Nokia), under long-term net leases (i.e., operating costs and maintenance costs are paid by the tenant) for periods of 10 years, with approximately seven to eight years remaining on such leases. Nokia, the guarantor of the Nokia, Inc. leases, is a Finnish corporation whose shares are traded on the New York Stock Exchange. Nokia is a mobile communications company that supplies mobile phones and mobile, fixed broadband, and Internet protocol networks. Nokia sells its products in over 130 countries worldwide. Nokia reported a net worth, as of December 31, 2001, of approximately \$12 billion Euros.

Since the Dallas Nokia Buildings are leased to a single tenant on a long-term basis under net leases that transfer substantially all of the operating costs to the tenant, we believe that financial information about the guarantor of the leases, Nokia, is more relevant to investors than financial statements of the property acquired. Nokia is a public company which currently files its financial statements in reports filed with the Securities and Exchange Commission, and following is summary financial data regarding Nokia taken from its previously filed public reports:

The Nokia II Building is a seven-story building containing 223,470 rentable square feet. The Nokia II Building lease commenced in December 2000 and expires in December 2010. The current annual base rent payable under the Nokia II Building lease is \$4,547,614.

The Nokia III Building is a six-story building containing 152,086 rentable square feet. The Nokia III Building lease commenced in June 1999 and expires in July 2009. The current annual base rent payable under the Nokia III Building lease is \$3,024,990.

Nokia, Inc. has a right of first offer on the future sale of each of the Nokia Dallas Buildings.

Harcourt Austin Building

On August 15, 2002, Wells OP purchased a seven-story office building containing 195,230 rentable square feet located in Austin, Texas (Harcourt Austin Building) for a purchase price of \$39,000,000, plus closing costs. The Harcourt Austin Building was built in 2001 and is located at 10801 North Mopac Expressway, Austin, Texas.

The Harcourt Austin Building is leased entirely to Harcourt, Inc., a wholly owned subsidiary of Harcourt General, Inc. (Harcourt General), the guarantor of the Harcourt lease. Harcourt General is a Delaware corporation having its corporate headquarters in Newton, Massachusetts. Harcourt General is a worldwide education company that provides books, print, and electronic learning materials, assessments, and professional development programs to students and teachers in pre-kindergarten through 12th grade. Harcourt General was acquired in July 2001, by, and became a wholly owned subsidiary of, Reed Elsevier PLC, a privately held company.

The Harcourt lease commenced in July 2001 and expires in June 2016. The current annual base rent payable under the Harcourt lease is \$3,353,040.

Lease of AmeriCredit Arizona Building

On August 9, 2002, Wells OP entered into a 10-year lease with AmeriCredit Financial Services, Inc. (AmeriCredit) for a build-to-suit property on a 14-acre tract of land located in Chandler, Arizona (AmeriCredit Arizona Property). Wells OP expects to enter into a definitive agreement to acquire the AmeriCredit Arizona Property in the near future.

AmeriCredit is wholly-owned by, and serves as the primary operating subsidiary for, AmeriCredit Corp., a Texas corporation whose common stock is publicly traded on the NYSE. AmeriCredit Corp. is the guarantor of the lease. AmeriCredit is the world's largest independent middle-market automobile finance company. AmeriCredit purchases loans made by franchised and select independent dealers to consumers buying late model used and, to a lesser extent, new automobiles. AmeriCredit Corp. reported a net worth, as of December 31, 2001, of approximately \$1.2 billion.

The AmeriCredit Arizona lease will commence shortly after completion of construction of a three-story office building containing approximately 153,494 rentable square feet on the AmeriCredit Arizona Property, which we expect to occur in approximately March 2003 at a total estimated cost of \$24,700,000. The AmeriCredit Arizona lease expires 10 years and four months after lease commencement. AmeriCredit has the right to extend the initial term of this lease for two additional five-year terms at 95% of the then-current market rental rate. In addition, AmeriCredit may terminate the AmeriCredit Arizona lease at the end of the 88th month by paying a \$2,512,697 termination fee.

As an inducement for Wells OP to enter into the AmeriCredit Arizona lease, AmeriCredit has prepaid to Wells OP the first three years of base rent on the AmeriCredit Arizona Building at a discounted amount equal to \$4,827,945 rather than the amount of base rent that would otherwise have been payable ratably over the first three years of the lease term. Wells OP will be required to repay this prepaid rent or some portion thereof under certain circumstances described in the AmeriCredit Arizona lease such as failure of Wells OP to substantially complete construction of the building in accordance with specifications by August 1, 2003, damage or destruction of the building, eminent domain taking of the property and failure of Wells OP to make required repairs to the building. Wells OP has obtained and delivered an irrevocable stand-by letter of credit from Bank of America, N.A. to AmeriCredit in the amount of the prepaid rent to secure Wells OP's obligation to repay the prepaid rent under these conditions.

Property Management Fees

Wells Management Company, Inc. (Wells Management), an affiliate of the Wells REIT and our advisor, will be paid management and leasing fees in the amount of 4.5% of gross revenues from the Nokia Dallas Buildings, the Harcourt Austin Building and the AmeriCredit Arizona Building, subject to certain limitations. In addition, Wells Management will receive a one-time initial lease-up fee relating to the leasing of the AmeriCredit Arizona Building equal to one month's rent estimated to be approximately \$207,000.
