Kenneth D. Peterson, Jr. ("Peterson") and Columbia Ventures Corporation ("Columbia") hereby file this Amendment No. 6 ("Amendment No. 6") to amend and supplement the Statement on Schedule 13D filed with the SEC on March 7, 2005 and amended on March 25, 2005, May 10, 2005, May 17, 2005, June 2, 2005, and June 11, 2007 relating to Common Stock, no par value per share ("Common Stock"), issued by Metro One Telecommunications, Inc., an Oregon corporation (the "Issuer"). This Amendment No. 6 is being filed to reflect the changes in beneficial ownership of the Reporting Persons since the date of Amendment No. 5 to the Schedule 13D. As provided in the Joint Filing Agreement filed as an Exhibit to the original Schedule 13D, the Reporting Persons have agreed, pursuant to Rule 13d-1(k) under the Securities Exchange Act of 1934, to file one statement on Schedule 13D (and amendments thereto) with respect to their ownership of Common Stock.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 is hereby amended to include the following:

On August 15, 2007, Columbia invested \$6,240,000 of its working capital to acquire 624 shares of Series A Convertible Preferred Stock (the "Preferred") which are immediately convertible into 3,495,617 shares of Common Stock, which number may be adjusted from time to time, and which currently votes with the Common Stock with respect to approximately 85% of the shares of Common Stock into which it is convertible. Under the terms of the Preferred, the shares of Preferred vote together with shares of Common Stock on all matters and will vote together with holders of Common Stock as a single class. In addition, approval of the holders of the Preferred, voting as a separate class, is required for the Company to undertake certain actions. The holders of Preferred, voting as a separate class, will, so long as at least 203 shares of Preferred are outstanding, have the right to appoint two directors to the Issuer's board of directors and will, so long as at least 540 shares of Preferred are outstanding, have the right to appoint a majority of the directors to the Issuer's board of directors. Peterson has been so appointed and currently is a member of the Issuer's board of directors. The conversion price of \$1.78 is subject to adjustment. Together with the Preferred, Columbia also acquired at no additional cost warrants (the "Warrants") to purchase an additional 218.4 shares of the Preferred at an exercise price of \$10,000 per share, which will be convertible into 1,226,966 shares of Common Stock at an initial price of \$1.78 per share, subject to closing conditions. Such additional Preferred are convertible into shares of Common Stock and such additional Warrants are exercisable for shares of Preferred, which are convertible into shares of Common Stock. In connection with the August 15, 2007 investment, those certain Senior Secured Convertible Revolver Bridge Notes of the Issuer previously acquired by the Reporting Persons were drawn down in full, constituting the \$6,240,000 investment by Columbia, and immediately converted in full into the 624 shares of Preferred, and are no longer outstanding.

Forms of the relevant documents have been filed by the Issuer as exhibits to its current Report on Form 8-K filed with the SEC on June 8, 2007.

Item 4. Purpose of Transaction.

The Preferred and the Warrants were acquired by Columbia for investment purposes.

The investments in the Issuer by the Reporting Persons (and their affiliates) are continuously reviewed and, at any time, the amount of such investments may be increased, through open market purchases or otherwise, or decreased. While the Reporting Persons (and their affiliates) do not have any plans or proposals which relate to or would result in any of the following, the Reporting Persons reserve the right at any time to pursue or support any one or more:

(a) The acquisition by any other person of additional securities of the Issuer, or the disposition of securities of the Issuer;

- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- (d) Any change in the present Board of Directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board;
- (e) Any material change in the present capitalization or dividend policy of the Issuer;
- (f) Any other material change in the Issuer's business or corporate structure;
- (g) Changes in the Issuer's Certificate of Incorporation, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- (h) Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or
- (j) Any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.

Item 5 is hereby amended and restated in its entirety to read as follows:

As of the date hereof, Columbia is the direct beneficial owner of 6,839,915 shares of Common Stock over which it has shared voting power and 772,500 shares of Common Stock over which it has shared dispositive power. The 6,839,915 shares represent 55.6% of the issued and
