Item 1.01 Entry into a Material Definitive Agreement

On October 31, 2007, Neurocrine Biosciences, Inc. (the Company) entered into an exclusive license agreement with Dainippon Sumitomo Pharma Co. Ltd. (DSP), under which the Company licensed rights to indiplon to DSP and agreed to collaborate with DSP on the development and commercialization of indiplon in Japan. Pursuant to the license agreement, among other things, the Company will receive an up-front license fee of \$20,000,000 and will be eligible to receive an additional \$10,000,000 payment upon U.S. Food and Drug Administration (FDA) approval of indiplon. The Company is also eligible to receive additional milestone payments upon specified future events related to the development and commercialization of indiplon in Japan. Should all milestones be achieved, then including the up-front license fee and the FDA approval milestone payment, the Company may be entitled to payments which total up to \$135,000,000. Additionally, the Company is entitled to royalties from DSP on future sales of indiplon in Japan.
