**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

(a) On November 14, 2007, Leap Wireless International, Inc. (the Company) received, as expected, a letter from The NASDAQ Stock Market, indicating that the Company was not in compliance with NASDAQ Marketplace Rule 4310(c)(14) since it has not yet filed its 2007 third quarter Form 10-Q with the Securities and Exchange Commission (the SEC).

The Company has not yet filed its Form 10-Q for the third quarter of 2007 due to certain errors which will require the Company to restate its financial statements for fiscal years 2004, 2005 and 2006 and for the first and second quarters of 2007. The Company is finalizing its third quarter 2007 financial and operational results and working with its independent registered public accounting firm to review and audit the results and restated financial information. The Company currently expects to finalize its third quarter financial statements and file its Form 10-Q on or before December 14, 2007. Upon the Company's filing of its Form 10-Q for the third quarter of 2007, the Company will again become compliant with NASDAQ Marketplace Rule 4310(c)(14).

As a result of its current non-compliance in filing its Form 10-Q, Leap has been notified that its common stock is subject to delisting in accordance with standard NASDAQ procedures. The Company intends to request a hearing before a NASDAQ Listing Qualifications Panel to review the determination, which will automatically stay any suspension of trading on The NASDAQ Stock Market in the Company's stock pending a decision by the panel, and the Company's stock will remain listed during this time period. Hearings before a Listing Qualifications Panel are typically held 30 to 45 days from a company's request, and the panel generally issues a written decision approximately 30 days after the hearing, although the Company could receive a written decision sooner.

The Company issued a press release on November 16, 2007 announcing its receipt of the letter from NASDAQ and confirming the recent filing of a shareholder derivative complaint. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
