Item 1.01 Entry into a Material Definitive Agreement.

On August 2, 2006, First Community Bank, NA (the "Bank"), the wholly-owned operating subsidiary of First Community Corporation, entered into the First Community Bank, NA Salary Continuation Agreement with executive officers Robin Brown, Michael Crapps, James Leventis, J. Ted Nissen, David Proctor, and Joseph Sawyer. The salary continuation agreements provide for an annual supplemental retirement benefit to be paid to each of the executives, commencing at the specified normal retirement age and payable in monthly installments for a prescribed number of years. Each executive will also receive this benefit if his or her employment is terminated following a change in control (as defined in each executive's employment agreement). The following table sets forth the payment terms for each executive.

<u>Name</u>	<u>Normal Retirement Age</u>	<u>Annual Benefit</u>	<u>Years of Annual Benefit</u>
Robin Brown	62	\$45,900	15
Michael Crapps	65	\$137,300	15
James Leventis	72	\$30,100	10

Edgar Filing: FIRST COMMUNITY CORP /SC/ - Form 8-K

<u>Name</u>	<u>Normal Retirement Age</u>	<u>Annual Benefit</u>	<u>Years of Annual Benefit</u>
J. Ted Nissen	65	\$47,800	15
David Proctor	65	\$62,900	15
Joseph Sawyer	65	\$55,500	15

If the executive dies after separation of service but before his annual supplemental benefit commences, the executive's benefit will be paid to his or her beneficiaries, beginning with the month following the Bank's receipt of a copy of the executive's death certificate. If the executive dies after his or her benefit has commenced, the remaining benefits will be paid to the executive's beneficiaries at the same time and in the same amounts that would have been distributed to the executive had he or she survived. If the executive dies during active service, 100% of his or her accrual balance (as defined in the salary continuation agreement) will be paid in a lump sum to his or her beneficiaries.

If the executive experiences a disability that results in separation of service prior to the normal retirement age, the executive will be entitled to 100% of his or her accrual balance determined as of the end of the plan year preceding termination.

If the executive is terminated without cause (as defined in each executive's employment agreement), the executive is entitled to the 100% of his or her accrual balance determined as of the end of the plan year preceding such termination. For Mr. Leventis, this benefit is determined by vesting him in 33 1/3% of the accrual balance at the end of the first plan year, and an additional 33 1/3% of said amount at the end of each succeeding year thereafter until he becomes 100% vested in the accrual balance. For Messrs. Crapps, Nissen, Proctor, and Sawyer and Ms. Brown, this benefit is determined by vesting the executive in 10% of the accrual balance at the end of the first plan year, and an additional 10% of said amount at the end of each succeeding year thereafter until the executive becomes 100% vested in the accrual balance.

To offset the annual expense accruals for the benefits payable to the executives under the salary continuation agreements, the Bank acquired bank-owned life insurance (BOLI). It is anticipated that the BOLI will provide full cost recovery of the benefits paid to the executives under the salary continuation agreements upon their deaths.

The foregoing summary of the material features of the salary continuation agreements are qualified in its entirety by reference to the provisions of the agreements, the form of which is attached as Exhibit 10.1 to this report, and incorporated herein by reference.
