PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS

To be Held on Monday, June 12, 2017

GENERAL ANNUAL MEETING INFORMATION

This proxy statement contains information related to the annual meeting (the "Annual Meeting") of stockholders of GSE Systems, Inc. (the "Company" or "GSE Systems") to be held on Monday, June 12, 2017 at 9:00 a.m. local time at our headquarters located at 1332 Londontown Blvd., Suite 200, Sykesville, Maryland 21784. Proxies are hereby being solicited by the Board of Directors. The notice of the Annual Meeting will be mailed to stockholders on or about April 25, 2017, which will be the date electronic materials are first made available to the stockholders.

Electronic Document Delivery

Why didn't I receive paper copies of the proxy materials in the mail?

As permitted by the rules of the Securities and Exchange Commission ("SEC"), we are now primarily furnishing proxy materials and annual reports to our stockholders on the Internet, rather than mailing paper copies of the Proxy Statement and the Annual Report to each stockholder. If you received only an Important Notice Regarding the Availability of Proxy Materials (the "Notice") by mail, you will not receive a paper copy of these proxy materials unless you request one. Instead, the Notice will instruct you on how you may vote your shares. The Notice will also instruct you as to how you may access your proxy card to vote over the Internet. If you received a Notice by mail or electronic mail and would like to receive a paper copy of our proxy materials, free of charge, please follow the instructions included in the Notice.

Annual Meeting Business

What proposals will be addressed at the Annual Meeting?

Stockholders will be asked to vote on the following proposals at the Annual Meeting:

1. Election of two Class I directors to serve until the 2020 annual meeting of stockholders and until their successors are elected and qualified;
2. A non-binding resolution regarding the frequency for future advisory votes on the compensation of the Company's named executive officers;
3. A non-binding resolution to approve the Company's named executive officer compensation;
4. Ratification of the appointment of BDO USA, LLP, as the Company's independent registered public accounting firm for the year ending December 31, 2017; and
5. Any other matters properly brought before the meeting or any adjournment thereof.

Our Board unanimously recommends that the stockholders vote FOR the nominees for Class I directors, James H. Stanker and John D. Fuller, an annual frequency for proposal 2, and FOR proposals 3 and 4.

What vote is required to approve each proposal?

Conduct of business at the Annual Meeting, requires the presence of a quorum of stockholders. A quorum is achieved if stockholders holding at least a majority of our outstanding common stock as of the close of business on April 19, 2016 (the "Record Date") are present at the Annual Meeting, in person or by proxy. Abstentions and broker non-votes will be counted as present for purposes of determining whether we have a quorum for the conduct of business.

Proposal 1: Election of Directors. To be elected to the Board of Directors, a nominee for Director must receive the affirmative vote of a majority of the sum of (a) the total votes cast for and (b) the total votes affirmatively withheld as to such nominee. There are two Class I directors to be elected at the Annual Meeting and two individuals have been properly nominated. Abstentions and broker non-votes have no impact on the outcome of the election of directors. The nominees for Class I directors are James H. Stanker and John D. Fuller.

Proposal 2: A Non-Binding Resolution Setting the Frequency for Future Advisory Votes on the Compensation of the Company's Named Executive Officers. Proposal 2 presents three options for the frequency of future advisory votes on executive compensation. The option receiving the largest number of the votes cast will be considered as the recommendation of the stockholders. Abstentions and broker non-votes will not affect the outcome of the voting for this proposal. Although non-binding, the Board of Directors will carefully review and consider the voting results.

Proposal 3: A Non-binding Resolution to Approve the Company's Named Executive Officer Compensation. The approval of Proposal 3 requires the affirmative vote of a majority of the votes cast. Abstentions and broker non-votes are not votes cast and, therefore, will not affect the outcome of the voting for this proposal. This proposal is non-binding on the Board of Directors. Although non-binding, the Board of Directors and the Compensation Committee will carefully review and consider the voting results.

Proposal 4: Ratification of Appointment of Independent Registered Public Accounting Firm. The approval of Proposal 4 requires the affirmative vote of a majority of the votes cast. Abstentions and broker non-votes are not votes cast and, therefore, will not affect the outcome of the voting for this proposal.

The Company will continue its long-standing practice of holding the votes of all stockholders in confidence from directors, officers and employees except: (a) as necessary to meet applicable legal requirements and to assert and defend claims for or against the Company; (b) in case of a contested proxy solicitation; or (c) if a stockholder makes a written comment on the proxy card or otherwise communicates his/her vote to management.

Voting and Proxies

Who may vote at the Annual Meeting?

All stockholders of record of the Company's common stock, par value \$0.01 per share ("Common Stock"), on the Record Date will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the Company had 19,183,968 shares of Common Stock outstanding and entitled to vote.

How many votes do I have?

You are entitled to cast one vote for each share of Common Stock owned by you on the Record Date on all matters properly brought before the Annual Meeting.

How do I vote?

If you are a holder of record (that is, if your shares are registered in your name with Continental Stock Transfer & Trust Company, our transfer agent (the "Transfer Agent")), there are four ways to vote:

Telephone Voting: You may vote by telephone by calling the toll-free telephone number indicated in the Notice or if you received a proxy card, by following the instructions on the proxy card. Please follow the voice prompts that allow you to vote your shares and confirm that your instructions have been properly recorded.

5

Internet Voting: You may vote electronically over the Internet by logging on to the website indicated in the Notice, or if you received a proxy card, by following the instructions on the proxy card. Please follow the website prompts that allow you to vote your shares and confirm that your instructions have been properly recorded.

Return Your Proxy Card By Mail: If you received your proxy materials by mail, you may vote by completing, signing and returning the proxy card in the postage-paid envelope provided with this proxy statement. The proxy holders will vote your shares according to your directions. If you sign and return your proxy card without specifying choices, your shares will be voted by the persons named in the proxy in accordance with the recommendations of the Board of Directors as set forth in this proxy statement.

Vote at the Meeting: You may cast your vote in person at the Annual Meeting. Written ballots will be passed out to anyone who wants to vote in person at the meeting.

Telephone and Internet voting for shareholders of record will be available 24 hours a day and will close at 11:59 p.m. local time on June 11, 2017. Telephone and Internet voting is convenient, provides postage and mailing cost savings and is recorded immediately, minimizing the risk that postal delays may cause votes to arrive late and, therefore, not be counted.

Even if you plan to attend the Annual Meeting, you are encouraged to vote your shares by proxy. You may still vote your shares in person at the Annual Meeting even if you have previously voted by proxy. If you are present at the Annual Meeting and desire to vote in person, your vote by proxy will not be counted.

How do I vote if I hold my shares in "street name?"

If you hold shares in "street name," you should follow the voting directions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by telephone or the Internet to your broker or nominee. If you provide specific voting instructions by mail, telephone or the Internet, your broker or nominee will vote your shares as you have directed.

Will my shares be voted if I do not provide my proxy?

If you are the stockholder of record and you do not vote or provide a proxy, your shares will not be voted.

If your shares are held in street name, your broker can only cast a vote on your behalf on "routine" matters under applicable NYSE MKT rules. Your broker may not vote your shares on non-routine matters unless they have received voting instructions from you. Shares for which a broker submits a proxy card without vote are referred to as a "broker non-vote".

The Election of Directors, the non-binding resolution regarding the frequency of for future advisory votes on executive compensation, and the non-binding resolution to approve the Company's executive compensation are not considered to be "routine" matters, and your broker may not vote your shares with respect to these proposals without receiving voting instructions from you. The proposal to ratify the appointment of BDO USA, LLP, as our independent registered public accounting firm for fiscal year 2017 is considered a "routine" matter, and your broker may vote your shares even if you do not provide them with voting instructions on that proposal.

Can I change my mind after I vote?

Yes. If you are a stockholder of record, you may change your vote or revoke your proxy at any time before it is voted at the Annual Meeting by:

submitting a new proxy by telephone or via the Internet after the date of the earlier voted proxy and prior to the deadline for submitting a vote by telephone or Internet;

6

- signing another proxy card with a later date and returning it to us prior to the Annual Meeting; or
- attending the Annual Meeting and voting in person after giving notice to the Secretary of the Annual Meeting.

If you hold your shares in street name, you may submit new voting instructions by contacting your broker, bank or other nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy from your broker, bank or other nominee.

Other Meeting Information

Could the Annual Meeting be postponed?

If a quorum is not present or represented at the Annual Meeting, the Chair of the meeting or the stockholders entitled to vote at the meeting have the power to postpone the meeting. The presence, in person or by proxy, of at least a majority of the shares of Common Stock outstanding as of the Record Date will constitute a quorum and is required to transact business at the Annual Meeting.

Who bears the cost of soliciting proxies?

The Company will bear the cost of preparing, assembling and mailing the Notice and requested proxy materials and of reimbursing brokers, nominees, fiduciaries and other custodians for out-of-pocket and clerical expenses of transmitting the Notice and requested copies of the proxy materials to the beneficial owners of our shares. In addition to use of the mail, proxies may be solicited by directors, officers and other employees of the Company, without additional compensation, in person or by telephone. The Company does not plan to employ a professional solicitation firm with respect to items to be presented at the Annual Meeting.

Where are the Company's principal executive offices?

The principal executive offices of the Company are located at 1332 Londontown Blvd., Suite 200, Sykesville, MD 21784, and our telephone number is (410) 970-7800.

How can I obtain additional information about the Company?

The Company will, upon written request of any stockholder, furnish without charge a copy of its Annual Report on Form 10-K for the fiscal year ended December 31, 2016 (the "2016 Form 10-K"), as filed with the SEC, including financial statements and financial statement schedules required to be filed with the SEC pursuant to Rule 13a-1 under the Act, but without exhibits. Do any of the officers or directors have a material interest in the matters to be acted upon?

To the best of our knowledge, no directors, officers, or any of their associates have a material interest, direct or indirect, in any matters to be acted upon at the Annual Meeting, other than with respect to the executive compensation proposal.

CORPORATE GOVERNANCE

The Board of Directors

The Board oversees the business affairs of the Company, monitors the performance of management and elects the executive officers of the Company. The Board has the responsibility for establishing broad corporate policies and for the overall performance of the Company, although it is not involved in day-to-day operations. Members of the Board are kept informed of the Company's business by various reports and documents sent to them as well as by operating and financial reports made at Board and Committee meetings.

The Company's Certificate of Incorporation provides that the Board is divided into three classes, as nearly equal in number as possible, that serve staggered three-year terms. The stockholders elect at least one class of directors annually.

One of the current Class I directors (James H. Stanker) is standing for re-election for a three-year term at the Annual Meeting, and one new Class I director will be elected to a three-year term at the Annual Meeting. The other Class I director, Roger Hagengruber, has advised the Board that he plans to retire at the end of his term. Class II directors (Joseph W. Lewis and Jane Bryant Quinn) serve until the 2018 Annual Meeting and their successors are duly elected and qualified. Class III directors (Suresh Sundaram, Kyle Loudermilk, and Christopher Sorrells) serve until the 2019 Annual Meeting and their successors are duly elected and qualified.

Independence

The Board reviews the independence of its members on an annual basis. No directors will be deemed to be independent unless the Board affirmatively determines that the director in question has no material relationship with the Company, directly or as an officer, stockholder, member or partner of an organization that has a material relationship with the Company. The Board is subject to the standards of independence of the NYSE MKT rules. As a result of its annual review of independence of the Board, the Board determined that Joseph W. Lewis, Jane Bryant Quinn, James H. Stanker, and Suresh Sundaram meet the NYSE MKT independence standards and that all of the members of the Audit Committee meet the applicable NYSE MKT heightened standards for audit committee independence. The Board also determined that Mr. John D. Fuller meets the NYSE MKT independence standards.

Board Leadership Structure

Dr. Hagengruber currently serves as Chair of the Board of Directors. Mr. Loudermilk currently serves as Chief Executive Officer of the Company. The Company believes it is the Chair's responsibility to lead the Board of Directors and the Chief Executive Officer's responsibility to lead the day-to-day operations of the Company. As directors continue to have more oversight responsibility than ever before, we believe it is beneficial to have a Chair who is responsible for leading the Board, which allows the Chief Executive Officer to focus on running the Company. This separation of responsibilities ensures that there is no duplication of effort between the Chair and Chief Executive Officer. We believe this separation of leadership provides strong leadership for our Board, while also positioning our Chief Executive Officer as the leader of the Company in the eyes of our customers, employees and stockholders.

In addition, the non-management directors meet at the end of every Board meeting in executive session. The executive sessions of non-management directors are presided over by the Chair of the Board. Any director may request an executive session of non-management directors to discuss any matter of concern.

Board's Role in Oversight

While the Board oversees risk management, Company management is charged with managing risk. The Board and the Audit Committee monitor and evaluate the effectiveness of the internal controls at least annually. Management communicates with the Board, Board Committees and individual directors on the significant risks identified and how they are being managed. Directors are free to, and indeed often do, communicate directly with senior management. The Board implements its risk oversight function both as a whole and through Committees. The Audit Committee oversees risks related to the Company's financial statements, the financial reporting process, and accounting matters. The Audit Committee oversees the audit function and the Company's ethics programs. The Audit Committee members meet separately with representatives of the Company's independent registered public accounting firm. The Compensation Committee evaluates the risks and rewards associated with the Company's compensation philosophy and programs. The Nominating Committee selects and recommends to the full Board nominees for election as directors.

Meetings of the Board of Directors

The Board held eight meetings during the fiscal year ended December 31, 2016. During the 2016 fiscal year, no director attended less than seventy-five percent (75%) of the aggregate of (1) the total number of meetings of the Board (held during the period for which he or she was a director) and (2) the total number of meetings held by all committee(s) of the Board on which she or he served (during the periods that he/she served).

Board Member Attendance at Annual Meetings

The Company encourages, but does not require, all of its directors to attend the Annual Meeting of Stockholders, and four directors attended the Annual Meeting in 2016.

Committees of the Board of Directors

The Board has three standing committees: the Audit Committee, the Compensation Committee, and the Nominating Committee. As an NYSE MKT listed company, we are subject to the NYSE MKT listing standards. The Company is required under the NYSE MKT listing standards to have a majority of independent directors and all of the members of the audit committee are required to comply with additional, heightened independence standards applicable to service on such committee.

Audit Committee – The Audit Committee consists of Messrs. Hagengruber, Lewis, and Stanker (Chair), each of whom meets the general as well as the heightened independence standards set by applicable SEC rules and the NYSE MKT listing standards. In addition, the Board has determined that Mr. Stanker and Mr. Lewis are "audit committee financial experts" as defined by applicable SEC and NYSE MKT rules. The Audit Committee operates under a written charter adopted by the Board. Management is responsible for the Company's internal controls and preparing the Company's consolidated financial statements. The Company's independent registered public accounting firm is responsible for performing an independent audit of the consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board and issuing a report thereon and the Committee is responsible for overseeing the conduct of these activities. The Audit Committee makes recommendations to the full Board concerning the engagement of the independent registered public accounting firm, reviews with the independent registered public accounting firm the plans and results of the audit engagement, approves professional services provided by the independent registered public accounting firm, reviews the independence of the independent registered public accounting firm and reviews the adequacy of the Company's internal accounting controls. The Audit Committee met five times during fiscal year 2016. See "Audit Committee Report" below. The Audit Committee Charter is available on our website at www.gses.com.

Compensation Committee – The Compensation Committee consists of Mr. Lewis, Ms. Quinn (Chair), and Mr. Stanker. Mr. Lewis, Ms. Quinn, and Mr. Stanker are "independent" directors as that term is defined by applicable NYSE MKT listing standards. The Compensation Committee is responsible for recommending to the full Board the compensation for the Company's executive officers, including the granting of awards under the Company's Long-Term Incentive Plan. The Compensation Committee met four times during fiscal year 2016, and members of the Compensation Committee provided further advice and recommendations to the Board as a whole on Compensation Committee matters at Board meetings. The Compensation Committee operates pursuant to a written Charter which is available on our website at www.gses.com.

Nominating Committee – The Nominating Committee consists of Dr. Hagengruber, Ms. Quinn, and Dr. Sundaram (Chair). All three members are "independent" directors as that term is defined by applicable NYSE MKT listing standards. The Nominating Committee selects and recommends to the full Board nominees for election as directors. The Nominating Committee met three times during fiscal year 2016, and members of the Nominating Committee provided further advice and recommendations to the Board as a whole on Nominating Committee matters at Board meetings. The Nominating Committee operates pursuant to a written Charter which is available on our website at

A stockholder's notice to the Company must set forth, as to each matter the stockholder proposes to bring before an annual meeting, the information required by the Bylaws, which have been publicly filed with the SEC.

If a stockholder fails to give notice of a stockholder proposal as required by the Bylaws or other applicable requirements (including those attendant to the Exchange Act), then the proposal will not be included in the proxy statement for our 2018 annual meeting of stockholders and the proposal will not be presented to the stockholders for a vote at the 2018 annual meeting of stockholders.

Copies of the Company's Bylaws are available to stockholders without charge upon request to the Corporate Secretary at the Company's address set forth above.

Stockholder Nominations of Directors

The Nominating Committee will consider nominees for director who are submitted by stockholders. All nominations must be made in accordance with the Bylaws. A stockholder's

nomination of a director must set forth the information required by the Bylaws, which have been publicly filed with the SEC, including:

16

the name and address of the nominating stockholder as they appear on the Company's books and of the beneficial owner, if any, on whose behalf the nomination is being made,

The Company may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such nominee. The foregoing is qualified in its entirety by reference to Section 2.7 of the Bylaws, which have been publicly filed with the SEC.

The Nominating Committee will apply the same criteria when considering stockholder nominees as it does to Company nominated candidates.

Each director nominee will be evaluated considering the relevance to the Company of the director nominee's skills and experience, which must be complimentary to the skills and experience of the other members of the Board. Although the Nominating Committee does not have a formal policy regarding diversity, in considering director candidates, the Nominating Committee considers such factors as it deems appropriate to assist in developing a board and committees that are diverse in nature and comprised of members who have various types of experience (industry, professional, public service). Each director nominee is evaluated in the context of the Board's qualifications, as a whole, with the objective of establishing a Board that can best perpetuate our success and represent stockholder interests through the exercise of sound business judgment.

Certain Relationships and Related Party Transactions

It is the Company's policy that any transactions with related parties are to be reviewed and approved by the Company's Audit Committee, with the exception of officer compensation which is approved by the Compensation Committee.

Employment Agreements – All of the Named Executive Officers have entered into employment agreements. The terms of all of such agreements are summarized below.

Loudermilk Employment Agreement – Mr. Loudermilk entered into an employment agreement with the Company, dated July 1, 2015, as amended July 1, 2016 (the "Loudermilk Employment Agreement"), which provides that he will serve as the Chief Executive Officer and President of the Company for a term ending on December 31, 2018. The term will automatically extend for an additional one year period on each December 31, starting December 31, 2017, unless either Mr. Loudermilk or the Company decides not to extend the term. Under the Loudermilk Employment Agreement, Mr. Loudermilk is entitled to a base salary of at least \$350,000, which may be increased (but not decreased) by the Compensation Committee. In addition, Mr. Loudermilk is entitled to a bonus of \$112,500, for 2015. \$25,000 of the bonus was paid to Mr. Loudermilk in August 2015, and the remainder was paid in February 2016. Thereafter, Mr. Loudermilk is eligible for a bonus of up to 50% of his base salary, subject to achievement of annual performance goals. Mr. Loudermilk is entitled to participate in all employee benefits available to senior executives or employees of the Company. Benefits include a 401(k) savings plan, which is a tax-qualified retirement savings plan pursuant to which all U.S. employees (excluding Hyperspring, LLC), including the Named Executive Officers, are able to contribute up to the limit prescribed by the Internal Revenue Code (a) on a before-tax basis for traditional 401(k) participants, and (b) on a post-tax basis for Roth 401(k) participants. The Company matches 50% of contributions up to 6% of eligible compensation to all 401(k) plan participants, subject to IRS compensation limits.

Mr. Loudermilk was also granted 850,000 performance-restricted stock units ("PRsUs") upon signing of the Loudermilk Employment Agreement, the terms of which are described in a Restricted Share Unit Agreement (the "Original Grant"). The Original Grant was amended on July 1, 2016, to cancel 450,000 PRsUs and reduce the measurement period for the performance goal from 90 to 30 consecutive trading days. The Original Grant, as amended, provides that the PRsUs are payable in shares of the Company's common stock, subject to vesting based on the volume weighted average price ("VWAP") of the Company's common stock, calculated to two decimal places, using all trades completed on a trading day as reported by the NYSE MKT, as follows:

If 30 Consecutive Day	
VWAP Is	The Following Number of Shares will Vest
\$ 2.50	200,000
\$ 3.25	200,000

To replace the 450,000 PRsUs cancelled from the Original Grant, the Company and Mr. Loudermilk entered into two new Restricted Share Unit Agreements. The Restricted Share Unit Agreement (Cash Award), dated July 1, 2016 (the "Replacement Cash Grant"), between the Company and Mr. Loudermilk awards him 180,000 PRsUs that will vest if the VWAP of the Company's common stock as quoted on the NYSE MKT exceeds \$6.00 for a 30-consecutive trading day period. Each PRsU granted under the Replacement Cash Grant represents the right to receive a cash payment in an amount equal to the fair market value of one share of the Company's common stock. The Restricted Share Unit Agreement (Common Stock Award), dated July 1, 2016 (the "Replacement Stock Grant"), between the Company and Mr. Loudermilk awards him 270,000 PRsUs, payable in shares of the Company's common stock, that will vest as follows:

If 30 Consecutive Day	
VWAP Is	The Following Number of Shares will Vest
\$ 4.25	200,000
\$ 6.00	70,000

Any PRsUs that have not vested on or before June 30, 2021 will expire. In addition, any unvested PRsUs will terminate upon termination of Mr. Loudermilk's employment except as follows:

If employment is terminated other than due to death, disability, Cause or Good Reason within the following dates...	the indicated percentage of then unvested RSUs will vest as stated below:
On or before June 30, 2016	75%
After June 30, 2016, but before June 30, 2017	65%
On or after June 30, 2017 but before June 30, 2018	If VWAP is greater than \$2.50 for the ten trading day period ending immediately prior to the date of termination, 50%

If the Company undergoes a Change of Control (defined below) either (i) by reason of a change in the majority ownership of the Company's voting stock following which Mr. Loudermilk terminates his employment for Good Reason, or (ii) by reason of the approval by the Company's stockholders of a liquidation, or fundamental transaction, then, in lieu of the vesting described in the paragraph immediately above, Mr. Loudermilk's unvested RSU's will vest as follows:

If the Change of Control occurs within the following dates...	the indicated percentage of then unvested options will vest as stated below:
On or before June 30, 2018	100%
On or after June 30, 2018	If VWAP is greater than \$2.50 for the ten trading day period ending immediately prior to the date of termination, 50%
On or after June 30, 2018	If VWAP is less than or equal to \$2.50 for the ten trading day period ending immediately prior to the date of termination, 0%

During each fiscal year of his employment, starting with fiscal year 2016, Mr. Loudermilk will have the potential to earn 75% of his salary in PRSUs, RSUs, non-qualified stock options or a combination thereof based upon established performance criteria.

The Loudermilk Employment Agreement will terminate prior to the end of its term if certain events occur. If the Loudermilk Employment Agreement terminates due to Mr. Loudermilk's death, disability or for "Cause", the Company will pay him through the date of termination. Termination for "Cause" includes: willful and continued failure by Mr. Loudermilk to perform his duties (other than as a result of disability) after 30 days' notice and opportunity to cure; his willful engaging in misconduct that materially adversely affects the Company's business or prospects; his felony conviction or plea of no contest to a crime of moral turpitude; abuse of alcohol or drugs affecting his performance; or material breach of a material term of the Loudermilk Employment Agreement.

If the Company terminates the Loudermilk Employment Agreement for any reason other than death, disability or Cause, or if Mr. Loudermilk terminates the Loudermilk Employment Agreement for "Good Reason", the Company will pay Mr. Loudermilk 12 months' salary, payable as and when salaries are generally paid to executive officers, and he will continue to be eligible to participate in all medical, dental, life insurance and 401(k) plan benefits for that 12 month period. He will also receive a prorated bonus to the extent he otherwise would have earned one had he remained employed through the end of the year of termination, payable within the first quarter of the following year. Mr. Loudermilk may terminate the Loudermilk Employment Agreement for "Good Reason" if: his duties, responsibilities or authority are materially reduced without his consent; his base salary and bonus are reduced; his benefits are discontinued or materially reduced, in the aggregate; his primary office is moved more than fifty (50) miles from his current office; or material breach of the Loudermilk Employment Agreement by the Company.

The Loudermilk Employment Agreement provides Mr. Loudermilk with benefits in the event of a Change in Control that are different from those described above. Those benefits are triggered if he terminates his employment for Good Reason (defined above) within one year following the effective date of a Change of Control (defined below). Those benefits are payable in lieu of any other termination benefits and consist of the following: Mr. Loudermilk will receive his base salary and benefits for a period of twelve (12) months from the date of termination of his employment, payable as and when salaries are generally paid to executive officers of the Company, and he will also receive, on the date of termination, a lump sum equal to the average of the bonus amounts paid to him for the two years prior to the year in which the Change of Control takes place. A "Change of Control" occurs if either of the following events occur: (1) Any person not in control of the Company as of the date of the Loudermilk Employment Agreement (other than an employee benefit plan of the Company, or a company owned directly or indirectly by the stockholders of the Company in substantially the same proportions as their ownership of voting securities of the Company) becomes the beneficial owner of a majority of the combined voting power of the Company; or (2) the stockholders of the Company approve: (x) a plan of complete liquidation of the Company; (y) an agreement for the sale or disposition of all or substantially all the Company's assets; or (z) a merger, consolidation, or reorganization of

the Company with or involving any other corporation, other than a merger, consolidation, or reorganization that would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least a majority of the combined voting power of the voting securities of the Company (or such surviving entity) outstanding immediately after such merger, consolidation, or reorganization.

Mr. Loudermilk agreed during the term of the Loudermilk Employment Agreement, and for a one year period following termination of the Loudermilk Employment Agreement, not to compete with Company or solicit employees or customers of the Company.

Sorrells Employment Agreement – Mr. Sorrells entered into an employment agreement with the Company, dated August 15, 2016 (the "Sorrells Employment Agreement"), which provides that he will serve as the Chief Operating Officer of the Company for a term ending on December 31, 2018. The term will automatically extend for an additional one year period on each December 31, starting December 31, 2018, unless either Mr. Sorrells or the Company decides not to extend the term. Under the Sorrells Employment Agreement, Mr. Sorrells is entitled to a base salary of at least \$290,000, which may be increased (but not decreased) by the Compensation Committee. In addition, Mr. Sorrells is eligible for a bonus of up to 50% of his base salary, subject to the achievement of certain performance goals. Mr. Sorrells is entitled to participate in all employee benefits available to senior executives or employees of the Company, as described above with respect to Mr. Loudermilk.

Mr. Sorrells was also granted 400,000 RSUs upon signing of the Sorrells Employment Agreement, the terms of which are described in two Restricted Share Unit Agreements, each dated August 15, 2016, one of which provides for vesting of up to 335,000 PRSUs based upon the Company's common stock price (the "Performance Vesting Grant") and the other of which provides for vesting of up to 65,000 RSUs in equal installments on a quarterly basis through June 30, 2018 (the "Time Vesting Grant"). In addition, Mr. Sorrells was granted 75,000 cash-settled PRSUs upon signing of the Sorrells Employment Agreement, the terms of which are described in a Restricted Share Unit Agreement (Cash Award), dated August 15, 2016, which provides for vesting of up to 75,000 cash-settled RSUs based upon the Company's common stock price (the "Cash Settled Performance Vesting Grant").

The Performance Vesting Grant provides that the PRSUs are payable in shares of the Company's common stock, subject to vesting based on the VWAP of the Company's common stock, calculated to two decimal places, using all trades completed on a trading day as reported by the NYSE MKT, as follows:

If 30 Consecutive Day

VWAP Is	The Following Number of Shares will Vest
\$ 3.25	125,000
\$ 4.25	125,000
\$ 6.00	85,000

The Time Vesting Grant provides that the RSUs are payable in shares of the Company's common stock, subject to vesting in equal installments of 8,125 RSUs per quarter at the end of each of the next eight calendar quarters beginning September 30, 2016, and continuing until June 30, 2018, and further subject to Mr. Sorrells's continued employment with the Company through June 30, 2018 (other than in the event of a Change in Control).

The Cash Settled Performance Vesting Grant provides that the RSUs are payable in an amount equal to the fair market value of shares of the Company's common stock, subject to vesting based upon satisfaction of all of the following conditions:

- (i) Mr. Sorrells continues to be employed by the Company (other than in the event of a Change in Control); and
- (ii) for all 75,000 of the cash-settled RSUs, the VWAP of the Company's common stock, calculated to two decimal places, using all trades completed on a trading day as reported by the NYSE MKT, exceeding \$6.00 for a 30 consecutive trading day period ending on or prior to August 15, 2021.

Any PRSUs (granted pursuant to the Performance Vesting Grant or the Cash Settled Performance Vesting Grant) that have not vested on or before August 15, 2021, will expire. In addition, any unvested PRSUs will terminate upon termination of Mr. Sorrells's employment except as follows:

If employment is terminated other than due to death, disability, Cause or Good Reason within the following dates...	the indicated percentage of then unvested PRSUs will vest as stated below:
On or before August 15, 2017	75%
After August 15, 2017, but before August 15, 2018	65%
On or after August 15, 2018 but before August 15, 2019	If VWAP is greater than \$2.50 for the ten trading day period ending immediately prior to the date of termination, 50%

Any time vesting RSUs (granted pursuant to the Time Vesting Grant) that have not vested on or before July 1, 2018, will expire, and any unvested time vesting RSUs will be forfeited upon the termination of Mr. Sorrells's employment for any reason, unless he continues to serve on the Company's Board of Directors.

For PRSUs (granted pursuant to the Performance Vesting Grant or the Cash Settled Performance Vesting Grant), if, prior to August 15, 2021, the Company undergoes a Change of Control either (i) by reason of a change in the majority ownership of the Company's voting stock following which Mr. Sorrells terminates his employment for Good Reason, or (ii) by reason of the approval by the Company's stockholders of a liquidation, or fundamental transaction, then, in lieu of the vesting described above, Mr. Sorrells's unvested PRSUs will vest as follows:

If the Change of Control occurs within the following dates...	the indicated percentage of then unvested options will vest as stated below:
On or before August 15, 2019	100%
On or after August 15, 2019	If VWAP is greater than \$2.50 for the ten trading day period ending immediately prior to the date of termination, 50%
On or after August 15, 2019	If VWAP is less than or equal to \$2.50 for the ten trading day period ending immediately prior to the date of termination, 0%

In the event of a Change in Control, the Time Vesting Grant provides that the RSUs will become 100% vested as of the effective date of the Change in Control.

During each fiscal year of his employment, starting with fiscal year 2017, Mr. Sorrells will have the potential to earn 50% of his salary in RSUs, non-qualified stock options or a combination thereof based upon established performance criteria.

The Sorrells Employment Agreement will terminate prior to the end of its term if certain events occur. If the Sorrells Employment Agreement terminates due to Mr. Sorrells's death, disability or for "Cause", the Company will pay him through the date of termination. Termination for "Cause" includes: willful and continued failure by Mr. Sorrells to perform his duties (other than as a result of disability) after 30 days' notice and opportunity to cure; his willful engaging in misconduct that materially adversely affects the Company's business or prospects; his felony conviction or plea of no contest to a crime of moral turpitude; abuse of alcohol or drugs affecting his performance; or material breach of a material term of the Sorrells Employment Agreement.

If the Company terminates the Sorrells Employment Agreement for any reason other than death, disability or Cause, or if Mr. Sorrells terminates the Sorrells Employment Agreement for "Good Reason", the Company will pay Mr. Sorrells six months' salary, payable as and when salaries are generally paid to executive officers, and he will continue to be eligible to participate in all medical, dental, life insurance and 401(k) plan benefits for that six month period. He will also receive a prorated bonus to the extent he otherwise would have earned one had he remained employed through the end of the year of termination, payable within the first quarter of the following year. Mr. Sorrells may

terminate the Sorrells Employment Agreement for "Good Reason" if: his duties, responsibilities or authority are materially reduced without his consent; his base salary and bonus are reduced; his benefits are discontinued or materially reduced, in the aggregate; his primary office is moved more than fifty (50) miles from his current office; or material breach of the Sorrells Employment Agreement by the Company.

The Sorrells Employment Agreement provides Mr. Sorrells with benefits in the event of a Change in Control that are different from those described above. Those benefits are triggered if he terminates his employment for Good Reason (defined above) within one year following the effective date of a Change of Control. Those benefits are payable in lieu of any other termination benefits and consist of the following: Mr. Sorrells will receive his base salary and benefits for a period of twelve (12) months from the date of termination of his employment, payable as and when salaries are generally paid to executive officers of the Company, and he will also receive, on the date of termination, a lump sum equal to the average of the bonus amounts paid to him for the two years prior to the year in which the Change of Control takes place.

Mr. Sorrells agreed during the term of the Sorrells Employment Agreement, and for a one year period following termination of the Sorrells Employment Agreement, not to compete with Company or solicit employees or customers of the Company.

Before entering into the Sorrells Employment Agreement, Mr. Sorrells was granted 125,000 PRSUs, the terms of which are described in the Restricted Share Unit Agreement, dated August 25, 2015, which provides for vesting based upon the VWAP of the Company's common stock price. On July 1, 2016, the Company and Mr. Sorrells amended the Restricted Share Unit Agreement to reduce the measurement period for the performance goal from 90 to 30 consecutive trading days.

Meysami Employment Agreement – Mr. Meysami entered into an employment agreement with the Company, dated December 1, 2015 (the "Meysami Employment Agreement"), which provides that he will serve as the Chief Technology Officer of the Company for a term ending on December 31, 2017. The term will automatically extend for an additional one year period on each December 31, starting December 31, 2016, unless either Mr. Meysami or the Company decides not to extend the term. Under the Meysami Employment Agreement, Mr. Meysami is entitled to a base salary of at least \$225,000, which may be increased (but not decreased) by the Board of Directors. In addition, Mr. Meysami is eligible for a bonus of up to 25% of his base salary, subject to the achievement of certain performance goals. Mr. Meysami is entitled to participate in all employee benefits available to senior executives or employees of the Company, as described above with respect to Mr. Loudermilk.

Mr. Meysami was also granted 200,000 PRSUs upon signing of the Meysami Employment Agreement, the terms of which are described in a Restricted Share Unit Agreement, dated December 1, 2015. On July 1, 2016, the Company and Mr. Meysami amended the Restricted Share Unit Agreement to reduce the measurement period for the performance goal from 90 to 30 consecutive trading days. Accordingly, the PRSUs are payable in shares of the Company's common stock, subject to vesting based on VWAP of the Company's common stock, calculated to two decimal places, using all trades completed on a trading day as reported by the NYSE MKT, as follows:

If 30 Consecutive Day VWAP Is	The Following Number of Shares will Vest
\$ 2.50	48,000
\$ 3.25	48,000
\$ 4.25	48,000
\$ 6.00	56,000

Any PRSUs that have not vested on or before November 30, 2021 will expire. In addition, any unvested PRSUs will terminate upon termination of Mr. Meysami's employment except as follows:

If employment is terminated other than due to death, disability, Cause or Good Reason within the following dates...	the indicated percentage of then unvested RSUs will vest as stated below:
On or before November 30, 2016	75%
After November 30, 2016, but before November 30, 2017	65%

On or after November 30, 2017 but before November 30, 2018, If VWAP is greater than \$2.50 for the ten trading day period ending immediately prior to the date of termination, 50%

If the Company undergoes a Change of Control (defined below) either (i) by reason of a change in the majority ownership of the Company's voting stock following which Mr. Meyssami terminates his employment for Good Reason, or (ii) by reason of the approval by the Company's stockholders of a liquidation, or fundamental transaction, then, in lieu of the vesting described in the paragraph immediately above, Mr. Meyssami's unvested RSU's will vest as follows:

If the Change of Control occurs within the following dates...	the indicated percentage of then unvested options will vest as stated below:
On or before November 30, 2018	100%
On or after November 30, 2018	If VWAP is greater than \$2.50 for the ten trading day period ending immediately prior to the date of termination, 50%
On or after November 30, 2018	If VWAP is less than or equal to \$2.50 for the ten trading day period ending immediately prior to the date of termination, 0%

During each fiscal year of his employment, starting with fiscal year 2016, Mr. Meyssami will have the potential to earn 25% of his salary in RSUs, non-qualified stock options or a combination thereof based upon established performance criteria.

The Meyssami Employment Agreement will terminate prior to the end of its term if certain events occur. If the Meyssami Employment Agreement terminates due to Mr. Meyssami's death, disability or for "Cause", the Company will pay him through the date of termination. Termination for "Cause" includes: willful and continued failure by Mr. Meyssami to perform his duties (other than as a result of disability) after 30 days' notice and opportunity to cure; his willful engaging in misconduct that materially adversely affects the Company's business or prospects; his felony conviction or plea of no contest to a crime of moral turpitude; abuse of alcohol or drugs affecting his performance; or material breach of a material term of the Meyssami Employment Agreement.

If the Company terminates the Meyssami Employment Agreement for any reason other than death, disability or Cause, or if Mr. Meyssami terminates the Meyssami Employment Agreement for "Good Reason", the Company will pay Mr. Meyssami six months' salary, payable as and when salaries are generally paid to executive officers, and he will continue to be eligible to participate in all medical, dental, life insurance and 401(k) plan benefits for that six month period. He will also receive a prorated bonus to the extent he otherwise would have earned one had he remained employed through the end of the year of termination, payable within the first quarter of the following year. Mr. Meyssami may terminate the Meyssami Employment Agreement for "Good Reason" if: his duties, responsibilities or authority are materially reduced without his consent; his base salary and bonus are reduced; his benefits are discontinued or materially reduced, in the aggregate; his primary office is moved more than fifty (50) miles from his current office; or material breach of the Meyssami Employment Agreement by the Company.

The Meyssami Employment Agreement provides Mr. Meyssami with benefits in the event of a Change in Control that are different from those described above. Those benefits are triggered if he terminates his employment for Good Reason (defined above) within one year following the effective date of a Change of Control. Those benefits are payable in lieu of any other termination benefits and consist of the following: Mr. Meyssami will receive his base salary and benefits for a period of six months from the date of termination of his employment, payable as and when salaries are generally paid to executive officers of the Company, and he will also receive, on the date of termination, a lump sum equal to 50% of the average of the bonus amounts paid to him for the two years prior to the year in which the Change of Control takes place.

Mr. Meyssami agreed during the term of the Meyssami Employment Agreement, and for a one year period following termination of the Meyssami Employment Agreement, not to compete with Company or solicit employees or customers of the Company.

COMPENSATION OF DIRECTORS

In 2016, the Company both (a) issued stock option awards or RSUs and (b) paid cash compensation to independent directors as described below.

Annual Retainer: An annual retainer of \$12,000 is paid to all directors who do not chair a committee or the Board and are classified as "independent directors" based upon the SEC and NYSE MKT criteria for independent directors. The Chair of the Compensation Committee, the Chair of the Audit Committee, and the Chair of the Board are each paid an annual retainer of \$25,000 per year.

Board and Committee Meeting Attendance Fees: Independent directors are paid \$1,500 for each Board meeting attended. Members of the Audit Committee and the Compensation Committee receive \$500 for each committee meeting attended.

Stock Options or RSUs: On an annual basis, each independent director historically has been awarded non-qualified Company stock options to purchase 10,000 shares of the Company's common stock, pursuant to the Company's Plan. For new independent directors Stanker and Sundaram, the Company awarded RSUs rather than stock options, pro-rated to reflect the portion of 2016 during which each served as directors.

The table below summarizes the compensation paid by the Company to independent directors, who are not included in the Executive Summary Compensation Table above.

	Fees Earned			
	or Paid in	Stock	Option	
	Cash	Awards (1)	Awards (1)	Total
Sheldon L. Glashow	\$ 20,000	\$	\$ 11,500	\$31,500
Roger L. Hagenruber	38,000		11,500	49,500
Joseph W. Lewis	37,500		11,500	49,000
Jane Bryant Quinn	36,500		11,500	48,000
James H. Stanker	13,917	18,252		32,169
Suresh Sundaram	9,833	14,492		24,325

The amounts in this column reflect the aggregate grant date fair value of each stock award and option award, as computed in accordance with generally accepted accounting principles, assuming no forfeitures, for awards granted pursuant to the Company's 1995 Long-Term Incentive Plan. Assumptions used in the calculation of these amounts are included in footnote 12 to the Company's audited financial statements for the fiscal year ended December 31, 2016, included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 28, 2017. The aggregate number of option awards outstanding at fiscal year-end for each independent director was as follows: for Dr. Glashow, 0 options; for Dr. Hagenruber, 70,000 options; for Mr. Lewis, 70,000 options; and for Ms. Quinn, 75,833 options.

On June 7, 2016, the Board terminated its existing policy of awarding non-employee directors non-qualified Company stock options to purchase 10,000 shares of the Company's common stock in March of each year. Instead, to align the award of equity compensation with the election of directors at the annual meeting of stockholders and to observe what were determined to be best practices, the Board resolved to award each of the non-employee directors an annual total number of restricted stock units pursuant to the Company's 1995 Long-Term Incentive Plan, which amount would be determined by dividing \$25,000 by the closing price per share of the Company's common stock on the last trading day prior to the grant (i.e., the annual meeting of stockholders), but in no event more than 10,000 restricted stock units. On December 8, 2016, the Board further resolved to revise the manner in which it pays cash compensation to its non-employee directors and adopted the following: an annual retainer of \$20,000 is paid to all directors who do not

chair a committee or the Board and are classified as "independent directors" based upon the SEC and NYSE MKT criteria for independent directors. The Chair of the Compensation Committee, the Chair of the Audit Committee, and the Chair of the Board are each paid an additional annual retainer of \$5,000 per year. The Chair of the Nominating Committee is paid an additional annual retainer of \$2,500 per year.

The Company intends to consider further modifications to the manner in which it compensates its non-employee directors in order to continue to attract high-quality individuals to serve on the Board and to align its compensation of non-employee directors with best practices observed by similar companies.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee is currently comprised of Mr. Lewis, Ms. Quinn (Chair), and Mr. Stanker. No member of the Compensation Committee has served as a Company officer or employee at any time. None of our executive officers serves as a member of the compensation committee of any other company that has an executive officer serving as a member of our Board. None of our executive officers serve as a member of the Board of Directors of any other company that has an executive officer serving as a member of our Compensation Committee.

PROPOSALS RECOMMENDED FOR CONSIDERATION BY STOCKHOLDERS

Proposal 1: Election of Directors

Currently there are seven directors serving on the Board and there is one vacant seat. The Board is divided into three classes that serve staggered three-year terms and are as nearly equal in number as possible. Each class generally serves for a period of three years, although a director may be elected for a shorter term in order to keep the number of directors in each class approximately equal. To be elected to the Board of Directors, a nominee for Director must receive the affirmative vote of a majority of the sum of (a) the total votes cast for and (b) the total votes affirmatively withheld as to such nominee.

The terms of Dr. Roger Hagengruber and Mr. James Stanker will expire at the 2016 Annual Meeting. Dr. Hagengruber has announced his retirement from the Board and, therefore, informed the Board that he would not stand for reelection. Mr. Stanker has been nominated to stand for reelection and Mr. Fuller has been nominated for election at the Annual Meeting. If elected, each of Mr. Stanker and Mr. Fuller would hold office until the 2020 Annual Meeting and until their successors are duly elected and qualified. Biographical information, including professional background and business-related experience, for each of the nominees and incumbent directors is contained in the section captioned "Information About Directors and Executive Officers."

The proxies solicited hereby, unless directed to the contrary, will be voted FOR election of the nominees. All of the nominees have consented to being named in this Proxy Statement and to serve if elected. The Board has no reason to believe that any of the nominees will not be a candidate or will be unable to serve, but if either occurs proxies may be voted for such substituted nominee or nominees as the Board, in its discretion, may designate.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
THE ELECTION OF JAMES H. STANKER AND JOHN D. FULLER

Proposal 2: Non-Binding Resolution Regarding the Frequency for Future Stockholder Advisory Votes on the Compensation of the Company's Named Executive Officers

At the 2011 Annual Meeting of Stockholders, the Company's stockholders recommended to the Board of Directors that the Company hold a "say on pay" vote every year, and the Company has done so. In accordance with applicable securities laws, the Board of Directors is now providing the stockholders another opportunity to consider the frequency of such advisory votes.

Recognizing that it has become common practice in recent years for public companies to offer their stockholders an opportunity to review named executive officer compensation on an annual basis, we recommend to our stockholders that the Company continue to follow an annual review cycle. We believe that holding an advisory vote on executive compensation annually will present stockholders the greatest opportunity to assess the appropriateness of the Company's compensation structure and to express their guiding views to the Board of Directors.

Stockholders will be able to specify one of four choices for this proposal on the proxy card: every one year, every two years, every three years, or abstain. Stockholders are not voting to approve or disapprove the Board's recommendation. This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Board of Directors. Notwithstanding the Board of Director's recommendation and the outcome of the stockholder vote, the Board of Directors may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

Of the four choices, the option receiving the largest number of the votes cast will be considered as the recommendation of the stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF HOLDING FUTURE STOCKHOLDER ADVISORY VOTES ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS EVERY ONE YEAR.

Proposal 3: Non-Binding Resolution to Approve Executive Compensation

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Securities Exchange Act of 1934, as amended, we are providing stockholders the chance to approve, in a non-binding vote, the Company's executive compensation as reported in this Proxy Statement. As described above, we are providing stockholders with this opportunity on an annual basis pursuant to the recommendation of stockholders at the 2011 Annual Meeting that the Company hold a "say on pay" vote every year.

Our executive compensation programs are designed to support the Company's long-term success. The Compensation Committee has structured our executive compensation program to achieve the following key objectives:

- to attract, retain, and reward talented and productive executive officers and other employees who can contribute (both short and long-term) to the success of the Company;
- provide incentives for executive officers for superior performance; and
- to align compensation and interests of the executive officers with those of the Company and reward executive officers according to their contribution to the Company's success.

We urge stockholders to read the "Executive Compensation" disclosure set forth in this Proxy Statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation philosophy and objectives, as well as the Summary Compensation Table and related compensation tables and narrative below which provide detailed information on the compensation of our Named Executive Officers. The Compensation Committee and the Board of Directors believe that the policies and procedures articulated in that disclosure are effective in achieving our goals and that the compensation of our Named Executive Officers reported in this Proxy Statement has supported and contributed to the Company's success.

We are asking stockholders to approve the following non-binding resolution at the Annual Meeting:

RESOLVED, that the stockholders of GSE Systems, Inc. (the "Company") approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in accordance with compensation disclosure rules of the Securities and Exchange Commission, including as set forth in the Summary Compensation Table and the related compensation tables and narrative in the Proxy Statement relating to the Company's Annual Meeting of Stockholders.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the Board of Directors. Although non-binding, the Board and the Compensation Committee will carefully review and consider the voting results when evaluating our executive compensation program.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ADVISORY RESOLUTION APPROVING THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS SET FORTH IN THE SUMMARY COMPENSATION TABLE AND THE RELATED COMPENSATION TABLES AND NARRATIVE IN THE PROXY STATEMENT, AND IT IS INTENDED THAT PROXIES NOT MARKED TO THE CONTRARY WILL BE SO VOTED.

Proposal 4: Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee of the Board has appointed the firm of BDO USA, LLP ("BDO") as the independent registered public accounting firm of the Company for 2017. BDO was also the Company's independent registered public accounting firm for fiscal years 2015 and 2016. Representatives of BDO are expected to attend the Annual Meeting and will have the opportunity to make a statement at the meeting if they desire to do so and will be available to respond to appropriate questions. The Board has been advised by BDO USA, LLP, that neither the firm nor any member of the firm has a direct or indirect financial interest in the Company or its subsidiaries.

For a description of the Audit Committee's pre-approval policies and procedures pursuant to 17 CFR 210.2-01(c)(7)(i), see the section captioned "Audit Committee Pre-Approval of Audit and Non-Audit Services."

Ratification of the appointment of the independent registered public accounting firm requires the affirmative vote of a majority of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting. The stockholders' ratification of the appointment of BDO USA, LLP, will not impact the Audit Committee's responsibility pursuant to its charter to appoint, replace and discharge the independent auditors. If the stockholders do not ratify the appointment of BDO USA, LLP, the Board of Directors may reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP, AS THE COMPANY'S INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM
