PROXY STATEMENT
OF
NORWOOD FINANCIAL CORP.
717 MAIN STREET
HONESDALE, PENNSYLVANIA 18431

ANNUAL MEETING OF STOCKHOLDERS
APRIL 25, 2017

GENERAL

This proxy statement and the accompanying proxy card are first being distributed to stockholders of Norwood Financial Corp. on or about March 24, 2017, in connection with the solicitation by our Board of Directors of proxies for use at our 2017 Annual Meeting of Stockholders (the "Annual Meeting") which will be held at the administrative office of Wayne Bank, 717 Main Street, Honesdale, Pennsylvania on Tuesday, April 25, 2017, at 11:00 a.m., local time.

VOTING AND PROXY PROCEDURES

Who Can Vote at the Annual Meeting

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, \$.10 par value (the "Common Stock"), as of the close of business on March 13, 2017 (the "Record Date"). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder of your shares (or their designee). For directions to the Annual Meeting, please visit our website at www.waynebank.com/honesdale-map. As of the Record Date, a total of 4,162,414 shares of Common Stock were outstanding. Each share of Common Stock has one vote in each matter presented.

Voting by Proxy

The Board of Directors is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Common Stock to be represented at the Annual Meeting by the persons named in the Board of Directors' form of proxy. Stockholders of record may vote by proxy in any of three different ways:

Voting by Telephone. Call the toll-free number on the enclosed proxy card and follow the instructions in the recorded message. You will need to have your proxy card with you when you call.

Voting on the Internet. Go to www.investorvote.com/nwfl and follow the instructions. You will need to have your proxy card with you when you link to the internet voting site.

Voting by Mail. Complete, sign, date and return the enclosed proxy card in the envelope provided.

All shares of Common Stock represented at the Annual Meeting by properly executed or authenticated and dated proxies will be voted according to the instructions indicated on the form of proxy. If you return a proxy without giving voting instructions, your shares will be voted as recommended by the

Company's Board of Directors. The Board of Directors recommends a vote "FOR" each of its nominees for director, a vote "FOR" the ratification of the appointment of S.R. Snodgrass, P.C. as our independent auditors, a vote "FOR" approval of the non-binding resolution on executive compensation, and a vote for having advisory votes on executive compensation every "THREE YEARS."

If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the persons named in the Board of Directors' form of proxy will vote your shares as determined by a majority of the Board of Directors. If the Annual Meeting is postponed or adjourned, your Common Stock may be voted by the persons named in the Board of Directors' form of proxy on the new Annual Meeting dates as well, unless you have revoked your proxy or the Board of Directors sets a new record date. The Company does not know of any other matters to be presented at the Annual Meeting.

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. To revoke your proxy you must either advise the Company's Secretary in writing before your Common Stock has been voted at the Annual Meeting, deliver a later-dated proxy, or attend the Annual Meeting and vote your shares in person. Attendance at the Annual Meeting will not in itself revoke your proxy.

If you hold your Common Stock in "street name," you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement.

Internet Access to Proxy Materials

Copies of this Proxy Statement and the 2016 Annual Report to Stockholders are available on the Stockholder Services page of the Company's website at www.waynebank.com/stockholder-services. Stockholders can elect to receive future proxy statements and annual reports over the internet rather than in printed form. Stockholders of record can make this election by calling toll-free to 1 (800) 598-5002, sending an email to info@waynebank.com, or by following the instructions on the Stockholder Services page at www.waynebank.com/stockholder-services. If you hold your shares in street name, please refer to the information provided by your broker, bank or other nominee for instructions on how to elect to access future proxy materials over the internet.

Participants in the Wayne Bank Employee Stock Ownership Plan

The enclosed proxy card also serves as a voting instruction form for participants in the Wayne Bank Employee Stock Ownership Plan (the "ESOP"), and reflects all shares you may vote under the ESOP. ESOP participants may also give voting instructions by telephone or by internet as provided in the form. Under the terms of the ESOP, all shares held by the ESOP are voted by the ESOP trustees, but each participant in the ESOP may direct the trustees on how to vote the shares of Common Stock allocated to his or her ESOP account. Unallocated shares and allocated shares for which no timely voting instructions are received will be voted by the ESOP trustees in the same proportion as the shares for which the trustees have received timely voting instructions, provided that in the absence of any voting directions as to allocated stock, the Board of Directors of the Bank will direct the ESOP trustees as to the voting of all shares of stock in the ESOP. The deadline for returning your voting instruction form to the ESOP trustees by mail is April 14, 2017.

Vote Required

The Annual Meeting can only transact business if a majority of the outstanding shares of Common Stock entitled to vote are represented at the Annual Meeting. If you return valid proxy instructions or attend the Annual Meeting in person, your shares will be counted for purposes of determining whether there is a quorum even if you abstain or withhold your vote or do not vote your shares at the Annual Meeting. Under Pennsylvania law, if a proxy casts a vote for a matter on the agenda, the stockholder represented by that proxy is considered present for purposes of a quorum. Broker non-votes will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the agenda item and has not received voting instructions from the beneficial owner.

In voting on the election of directors, you may vote in favor of a nominee or withhold your vote from a nominee.

There is no cumulative voting in the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of S.R. Snodgrass, P.C. as our independent auditors, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on this proposal.

In voting to approve the non-binding advisory vote on executive compensation, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on this proposal.

In the advisory vote on the frequency of advisory votes on executive compensation, you may vote to have a non-binding advisory vote on executive compensation every one, two or three years or abstain from voting. The number of years which receives a plurality of the votes cast will be considered the option approved by stockholders. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the outcome of the voting on this proposal.

CORPORATE GOVERNANCE

Director Independence

The Board of Directors has determined that Directors Davis, Phillips, Matergia, Adams, Campfield, Forte and Lamont are independent under the independence standards of The Nasdaq Global Market on which the Common Stock is currently listed. In determining the independence of directors, the Board of Directors considered the deposit and loan relationships which various directors have with Wayne Bank and certain business relationships between Wayne Bank and organizations in which certain directors have an interest. In determining whether Mr. Matergia is independent, the Board of Directors considered work occasionally done by his law firm for the Bank but determined that due to the small volume of work done, his independence was not affected. There are no members of the Audit Committee who do not meet the independence standards of The Nasdaq Global Market for Audit Committee members, and no members of the Audit Committee are serving under any exceptions to these standards.

Code of Ethics

The Company has adopted a Code of Ethics, which applies to all directors, officers and employees of the Company and the Bank. The Code of Ethics is available on the Stockholder Services page of the Company's website at www.waynebank.com/stockholder-services. It is expected that all directors, officers and employees act, in all matters, in accordance with the highest standards of personal and professional conduct in all aspects of their employment and association with the Company and the Bank, to comply with all applicable laws, rules and regulations and to adhere to all policies and procedures adopted by the Company and the Bank.

Board Leadership Structure and Role in Risk Oversight

Under the Board of Directors' current leadership structure, the offices of Chairman of the Board and Chief Executive Officer are held by separate individuals. William W. Davis, Jr. serves as Chairman of the Board of Directors. Mr. Davis is an independent director and does not serve in any executive capacity with the Company. The Company's Chief Executive Officer is Mr. Lewis J. Critelli. Although the offices of Chairman of the Board and Chief Executive Officer are currently held by separate individuals, the Board of Directors has not made a determination that this is the appropriate leadership structure for the Board of Directors in all circumstances and reserves the right to combine these offices in the future if deemed appropriate under the circumstances.

The Board of Directors has general authority over the Company's risk oversight function with authority delegated to various board committees to review risk management policies and practices in specific areas of the Company's business. The Audit Committee is primarily responsible for overseeing the Company's risk management. The Audit Committee works closely with officers involved in the risk management function including the internal audit staff who report directly to the Audit Committee.

Meetings and Committees of the Board of Directors

The Board of Directors conducts its business through meetings of the Board and through activities of its committees. All committees act for both the Company and the Bank. Audit Committee. The Audit Committee is comprised of Directors Forte, Phillips, Matergia and Campfield. The Board of Directors has determined that each of the members of the Audit Committee is independent in accordance with the listing requirements for The Nasdaq Global Market. The Board of Directors has adopted a charter for the Audit Committee which is available on the Stockholder Services page of our website at www.waynebank.com/stockholder-services. The Audit Committee is a standing committee and, among other matters, is responsible for developing and maintaining the Company's audit program. The Audit Committee also meets with the Company's independent auditors to discuss the results of the annual audit and any related matters.

In addition to regularly scheduled meetings, the Audit Committee is available either as a group or individually to discuss any matters that might affect the financial statements, internal controls or other financial aspects of the operations of the Company. The Audit Committee met four times during the fiscal year ended December 31, 2016.

This standing committee met two times during the fiscal year ended December 31, 2016 to review the compensation of the chief executive officer and other executive officers. The members of the Compensation Committee are independent in accordance with the listing requirements of The Nasdaq Global Market. For a discussion of the committee's processes and procedures for determining director and executive officer compensation, see the "Compensation Discussion and Analysis" below. The Board of Directors has adopted a charter for the Compensation Committee which is available on the Stockholder Services page of our website at www.waynebank.com/stockholder-services.

Audit Committee Financial Expert

The Board of Directors has determined that Dr. Andrew A. Forte, a member of the Company's Audit Committee, is an "Audit Committee Financial Expert" as that term is defined in the Securities Exchange Act of 1934. The Board of Directors has also determined that Dr. Forte is independent as that term is used in the Securities Exchange Act of 1934.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consisted of Directors Lamont, Matergia and Davis at December 31, 2016. Director Lamont serves as Chairman of the Compensation Committee. Members of the Compensation Committee are non-employee directors of the Company and the Bank. The Nominating Committee consists of Directors Lamont, Matergia and Davis, each of whom is independent within the meaning of the rules of The Nasdaq Global Market. The Nominating Committee met once during the year ended December 31, 2016. The Board of Directors has adopted a charter for the Nominating Committee which is available on the Stockholder Services page of our website at www.waynebank.com/stockholder-services.

The Company does not currently pay fees to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. The Committee's process for identifying and evaluating potential nominees includes soliciting recommendations from directors and officers of the Company and its wholly owned subsidiary, Wayne Bank. Additionally, the Committee will consider persons recommended by stockholders of the Company in selecting the Committee's nominees for election. There is no difference in the manner in which the Committee evaluates persons recommended by directors or officers and persons recommended by stockholders in selecting Board nominees.

To be considered in the Committee's selection of Board nominees, recommendations from stockholders must be received by the Company in writing by at least 120 days prior to the anniversary of the date the proxy statement for the previous year's annual meeting was first distributed to stockholders. Recommendations should identify the submitting stockholder, the person recommended for consideration and the reasons the submitting stockholder believes such person should be considered. The Committee believes potential directors should be stockholders, should have the highest personal and professional integrity and should be knowledgeable about the business activities and market areas in which the Company and its subsidiaries engage. The Committee may consider diversity in market knowledge, background, experience, qualifications, and other factors as part of its evaluation of each candidate.

Stockholder Communications

The Board of Directors does not have a formal process for stockholders to send communications to the Board. In view of the infrequency of stockholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from stockholders are shared with the full Board no later than the next regularly scheduled Board meeting. In addition, directors are accessible to stockholders on an informal basis throughout the year and formally at the Annual Meeting. The Board encourages, but does not require, directors to attend the Annual Meeting of Stockholders. All then-serving directors attended the 2016 Annual Meeting of Stockholders.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary

The Company's operating results for 2016 indicate that our compensation programs continue to support our operating goals and our financial targets in our efforts to build long-term value for our shareholders. During 2016, the Company successfully completed the acquisition of Delaware Bancshares, Inc. and its subsidiary, NBDC Bank, expanding its franchise into the Southern Tier of New York. Despite a challenging economic environment, the Company maintained a net interest margin of 3.60% and capital levels above our peers. Our cash dividends declared for the year increased to \$1.25 per share in 2016 up from \$1.24 per share in 2015.

A summary of the actions taken by the Compensation Committee ("Committee") in 2016 related to our compensation programs applicable to our Named Executive Officers (NEOs) listed in the Summary Compensation Table include:

- The Committee engaged the services of Blanchard Consulting Group, a compensation consulting firm to review the market competitiveness of the Company's executive compensation programs;
- Restricted Stock was awarded to the NEOs in December, 2016;
- Cash bonuses were paid to our NEOs ranging from 16% of salary to 42% of salary; and
- Base salary increases for our NEOs were approved ranging from 2.9% of salary to 9.7% of salary.

Shareholder Advisory Votes on Executive Compensation

At the 2014 Annual Meeting of Shareholders, the shareholders approved the advisory vote on the Company's executive compensation policies and practices as disclosed in the Compensation Discussion and Analysis ("CD&A") and the proxy statement by more than 95% of the shares voting on the matter. In addition, in 2011, the shareholders approved an advisory vote recommending that such advisory vote on executive compensation be taken every three years by more than 69% of the shares voting on the matter. The Company is following this advisory vote on the three-year frequency of such shareholder advisory votes so that we are again taking an advisory vote at the 2017 Annual Meeting of Stockholders. In addition, shareholders are being asked to cast another advisory vote on the frequency of future advisory votes on executive compensation.

Philosophy and Objectives

The Company's compensation programs are designed to effectively attract, retain, motivate and reward the NEOs and all employees for their performance. The Company believes in maintaining a competitive compensation package to insure continuity of the management team with the goal of increasing shareholder value over the long-term.

The objectives of the compensation package include the following:

- Create an overall compensation package that is competitive with those offered by other financial institutions in our market area while providing appropriate incentives for the achievement of short and long term performance goals;
- Encourage achievement of short-term performance goals through cash incentive programs;
- Use stock incentive plans to encourage long-term corporate performance and align interests of management with stockholders;

- Encourage long-term management continuity and loyalty through the accrual of post-employment benefits; and
- Monitoring the incentive compensation applicable to NEOs and other officers and employees within acceptable parameters of risk to the Company.

Financial service is a competitive industry and the Company operates in a market area which is headquarters to many other community banks as well as much larger institutions. The NEO officer compensation packages are therefore structured to retain the current team. The Company believes this is important due to the following attributes of the NEOs:

- In depth knowledge of the local markets;
- Familiarity with Norwood's operations;
- Strong customer relationships; and
- Management succession planning.

The Company has a balanced package of short-term, cash-based compensation and longer-term, stock-based plans and retirement plans. The Company's Executive Compensation package includes the following key elements:

- Base Salary;
- Cash Incentive Bonus Plan;
- Long-Term Equity-Based Incentive Compensation;
- Employment and Change of Control Agreements;
- Post-Employment and Retirement Programs;
- Insurance and Other Benefits; and
- Perquisites and Other Personal Benefits.

Administration of Compensation Program

The Compensation Committee of the Company is responsible for the administration of the compensation program of the President and Chief Executive Officer, the Chief Financial Officer and the other Named Executive Officers.

The Committee meets in the fourth quarter of each year to determine annual salary adjustments, cash bonus, stock and stock option awards for NEOs. The Company does not have a formal policy addressing each specific type of compensation.

The Committee does consider a variety of factors as it evaluates compensation for each NEO, including:

- Overall company performance as compared to budget and prior year's performance;
- Bank regulatory compliance;
- Bank performance metrics compared to peers, including return on assets, return on equity, charge-offs, level of non-performing loans and efficiency ratio; and
- The individual achievements of each NEO in their respective areas of responsibility.

In establishing base salaries and increases, the committee has access to various compensation surveys to ensure a competitive salary level. These include:

- The Conference Board Salary increase survey;
- SNL Executive Compensation Review; and

A peer group of companies, as listed below. This peer group was revised in 2016 as part of the Blanchard Consulting Group's review of our executive compensation program.

The Committee has the sole authority to retain and terminate a compensation consultant and to approve the consultant's fees and all other terms of the engagement. In 2016, the Committee retained the services of Blanchard Consulting Group ("Blanchard Consulting"), an independent compensation consulting firm. Blanchard Consulting assisted the Committee during the fiscal year in preparing a review of the Company's peer group of companies and providing guidance with respect to the Company's market competitiveness to the selected peer group in terms of base salary, cash compensation, direct compensation (salary, annual cash incentives and the economic value of equity awards) and total compensation. A representative from Blanchard Consulting attends Committee meetings upon request for the purpose of reviewing compensation data with the Committee and participating in general discussions on compensation for the named executive officers. While the Committee considers input from Blanchard Consulting when making compensation decisions, the Committee's final decisions reflect many factors and considerations.

Blanchard Consulting reports directly to the Committee and does not provide any other services to the Company. The Committee has analyzed whether the work of Blanchard Consulting as a compensation consultant has raised any conflict of interest, taking into consideration the following factors, among others: (i) the provision of other services to the Company by Blanchard Consulting; (ii) the amount of fees from the Company paid to Blanchard Consulting as a percentage of Blanchard Consulting's total revenue; (iii) Blanchard Consulting's policies and procedures that are designed to prevent conflicts of interest; (iv) any business or personal relationship of Blanchard Consulting or the individual compensation advisors employed by Blanchard Consulting with an executive officer of the Company; (v) any business or personal relationship of the individual compensation advisors with any member of the Committee; and (vi) any stock of the Company owned by Blanchard Consulting or the individual compensation advisors employed by Blanchard Consulting. The Committee has determined, based on its analysis of the above factors, among others, that the work of Blanchard Consulting and the individual compensation advisors employed by Blanchard Consulting as compensation consultants to the Company has not created any conflict of interest.

The Company does not specifically benchmark compensation to any specific group of companies.

As a result of the Company's growth, in part, due to the 2016 acquisition of Delaware Bancshares, Inc. for 2016, the Company analyzed an expanded peer group of financial institutions consisting of the following banks with total assets between \$729 million and \$1.8 billion competing in the Pennsylvania market: Peoples Financial Services Corp. (PFIS), Codorus Valley Bancorp, Inc. (CVLY), Republic First Bancorp, Inc. (FRBK), Orrstown Financial Services, Inc. (ORRF), Citizens & Northern Corp. (CZNC), Citizens Financial Services, Inc. (CZFS), AmeriServ Financial Inc. (ASRV), ACNB Corp. (ACNB), First National Community Bancorp, Inc. (FNCB), Franklin Financial Services Corp. (FRAF), ENB Financial Corp. (ENBP), CB Financial Services, Inc. (CBFV), Royal Bancshares, Inc. (RBPAA), Harleysville Savings Financial Corporation (HARL), Fidelity D&D Bancorp, Inc. (FDBC), ESSA Bancorp, Inc. (ESSA), Embassy Bancorp, Inc. (EMYB), Mid Penn Bancorp, Inc. (MPB), Penns Woods Bancorp, Inc. (PWOD), First Keystone Corporation (FKYS), QNB Corp. (QNBC) and DNB Financial Corporation (DNBF).

In reviewing the available information, we review the overall information available, including salary, bonus, incentive compensation and other compensation. We do not have a pre-defined target level of compensation to which we set our compensation levels. A review of the 2016 peer group report provided by Blanchard Consulting, indicates that the Company's base salaries, annual discretionary cash bonuses and total compensation for each of its NEOs is below the median levels for comparable positions in the peer group.

Absent a material increase in duties or a significant change in the economic or competitive landscape, NEO salaries are not increased materially from year to year. At each Committee meeting, the Chief Executive Officer discusses with the Committee the performance evaluations of each of the NEOs, excluding himself, and presents his recommendations. The Chief Executive Officer is not present for any discussion involving his compensation.

Depending on the Company's performance for the year, the Committee establishes a cash incentive bonus pool based on a percentage of pre-tax earnings. Specific bonus amounts are awarded to each NEO based on performance as determined within the discretion of the Committee. The Company realizes that all employees contribute to its success, and therefore, cash bonuses are also distributed to employees at all levels based on merit. The Company has never been required to materially adjust or restate the pre-tax earnings on which the bonus pool has been calculated and does not have a policy regarding the adjustment or recovery of bonuses in such an event.

The Committee also may grant stock option awards under the Company's 2006 Stock Option Plan and stock option awards and restricted stock awards under the Company's 2014 Equity Incentive Plan. Such equity plans are designed to provide long-term incentives to NEOs, directors and other key employees that contribute to the success of the Company. The ten-year life of the options and five-year vesting of restricted stock awards are structured to retain the NEOs and promote the long-term success of the Company.

The Board of Directors believes that equity-based compensation is important in aligning the interests of management with those of shareholders and has established the Wayne Bank Employee Stock Ownership Plan, the 2006 Stock Option Plan and the 2014 Equity Incentive Plan to help it achieve this objective. Although each of the NEOs has a substantial personal investment in the Common Stock, the Board of Directors does not have formal equity ownership requirements or guidelines for executive officers.

Components of Compensation Program

The major components of compensation for 2016 are as follows:

Salary

As a result of the Company's ongoing success and the continuity of the management team, the average base salary increase of 3.3% was near the median of 3.0% as stated in the Conference Board Survey. The Committee approved an average 3.0% increase in staff salaries at the December meeting. This level was based on information from the Conference Board which indicated commercial banks would increase officer salaries by 3.0%. NEO salary increases ranged from 2.9% to 9.7% excluding increases related to any material changes in duties. The employment agreement in effect in 2016 with Mr. Critelli provided for a base salary of \$237,000 and a minimum annual increase of \$5,000.

Annually, the Committee reviews the salary levels of the CEOs in the peer group established (as detailed above). In 2016, the salary range paid to the CEOs in this peer group was \$242,542 to \$500,137 with a median of \$355,746. The base salary for Mr. Critelli will increase from \$237,000 to \$260,000, a 9.7% increase, effective January 1, 2017. Other salary increases approved for the NEOs, effective as of January 1, 2017, ranged from 2.9% to 6.4%.

Bonus

For 2016, the Board approved a bonus pool equal to \$435,000, or 5.1%, of pre-tax earnings to be distributed to all NEOs, other officers and employees. Historically, this bonus pool percentage has varied from 3.7% to 5.1% of pre-tax earnings. In establishing this bonus pool, the Committee reviewed the Company's overall performance which exceeded expectations after considering the impact of any non-recurring events. Awards under the bonus pool are made within the discretion of the Committee and are not based upon pre-established performance criteria. In addition, the Committee approved a \$50,000 special bonus pool to be awarded to certain executive officers reflecting the successful acquisition of Delaware Bancshares, Inc. and NBDC Bank. Cash Bonuses approved by the Committee in December 2016 for the NEOs ranged from \$22,000 to \$100,000 including special bonuses related to the successful completion of the acquisition.

Stock Based Awards

The Committee approved stock option awards under the Norwood Financial Corp 2006 Stock Option Plan and the 2014 Equity Incentive Plan, and restricted stock awards under the 2014 Equity Incentive Plan. The purpose of the plan is to provide incentives and rewards to officers, employees and directors that contribute to the success and growth of the Company. In 2016, a total of 16,000 options were granted to twenty key employees. Such options granted in 2016 represent 0.38% of total shares outstanding. The NEOs did not receive stock option awards in 2016.

At the 2014 Annual Meeting of Stockholders, the Stockholders approved a new stock-based incentive plan providing for a new program which may award up to an additional 250,000 shares of Common Stock in the form of stock options and restricted stock awards. In 2016, a total of 8,450 shares of restricted stock were awarded under this Plan to Executive Officers and Directors. NEOs received 6,000 stock awards in December 2016, as follows:

<u>Name</u>	<u>Stock Award</u>
Lewis J. Critelli	2,000 Shares
William S. Lance	1,000 Shares
James F. Burke	1,000 Shares
Robert J. Mancuso	1,000 Shares
John F. Carmody	1,000 Shares

Timing of Grants

Stock awards are typically granted annually as part of the individual performance review process. This takes place at the Compensation Committee Meeting in the fourth quarter. The full board ratifies the actions of the Committee in December and establishes the grant date. The exercise price of stock options is based upon the last sale price of the Company's stock at the closing on the effective date of grant or if there is no trading on such date then the last trading day prior to such date of grant. As described above, options for 8,450 shares were awarded in December, 2016.

Retirement and Severance Arrangements

The Company has a salary continuation plan agreement (SCP) with Mr. Critelli. The agreement provides that upon termination of employment on or after reaching age 62, or following a change-in-control, if earlier, such executive will be eligible to receive annual retirement benefits as detailed in the Pension Benefits Table below. The SCP was initially established in 1999. The benefit amount was calculated based on the amount of supplemental retirement income needed to allow the executive to retire on approximately 40%-75% of projected final salary when such supplemental benefit is added to the Company's qualified retirement plans and social security. The range of 40% to 75% of final salary is based on total years of service with the Company from inception date of the plan. The target supplemental salary level payable at normal retirement age as follows: up to 15 years of service – 40%, 15-25 years – 65% and 25 or more – 75%.

The NEOs participate in the Bank's defined contribution profit-sharing and 401(k) Plan which is open to all employees over the age of 21 who have met the eligibility requirements. The 401(k) Plan permits employees to make pre-tax contributions of between 2% and 10% of their compensation to their accounts in the 401(k) Plan and the Bank will match the first 3% of the contribution. In addition, in 2016, the Committee approved an additional corporate contribution equal to 6% of each eligible employee's compensation. The Committee considers the financial performance of the Company when it sets the Company's annual contribution under the plan. For each eligible NEO, the Company contributed a total of 9% of the NEO's base salary to the Plan, the same percentage as for all eligible employees who contributed at least 3% of their compensation to their account.

Each of the NEOs participate in the Employee Stock Ownership Plan (ESOP) which is open to all employees who have met the eligibility requirements. There have been no contributions to the Plan since 1996. The compensation reported for Messrs. Critelli and Carmody represents shares purchased with dividends received on previously allocated shares of common stock.

As part of the long-term compensation package, the Company and the Bank have entered into a three-year employment agreement with Mr. Critelli. If the Company terminates Mr. Critelli, without just cause and absent a Change in Control, he would be entitled to a payment of salary for amounts due under the agreement with a minimum severance payment of one year's salary. The agreement has a two step change-in-control trigger under which, in case of a voluntary termination within 30 days of a change-in control or an involuntary termination or voluntary termination for good reason during the six months before or within one year after a change-in-control, Mr. Critelli would be paid a lump sum amount equal to three times the five-year average of his annual compensation less \$1.00. We believe that the change-in-control provision is desirable in order to ensure that Mr. Critelli remains focused on the interests of the Company and its shareholders in the event of a pending change-in-control. In the event of a change in control, the Company will indemnify Mr. Critelli for any tax penalties that may be incurred by him for amounts received that exceed the limitations under Sections 280G and 4999 of the Internal Revenue Code of 1986 (the "Code"). A portion of such payments that could be made by the Company to Mr. Critelli as severance payments following a Change in Control transaction might be a non-deductible payment of the Company for federal income tax purposes. The Committee believes that it is in the best interests of the Company's shareholders that the Committee has the flexibility to make severance payments that might exceed deductibility limits under Section 280G of the Code.

The Company and the Bank have entered into a three-year change in control severance agreement with Mr. William S. Lance, Chief Financial Officer. The agreement has a two-step change-in-control trigger under which, in case of a voluntary termination within 30 days of a change-in-control or an involuntary termination or voluntary termination for good reason during the six months before or within one year after a change-in-control, Mr. Lance would be paid a lump sum amount equal to two times his then current base salary, and not to exceed the tax-deductible limits under Section 280G of the Code or

three times the five-year average of his total taxable annual compensation less \$1.00. We believe that the change-in-control provision is desirable in order to ensure that Mr. Lance remains focused on the interests of the Company and its shareholders in the event of a pending change-in-control.

The Company and the Bank have entered into a three-year change in control severance agreement with Mr. James F. Burke, Chief Lending Officer. The agreement has a two-step change-in-control trigger under which, in case of a voluntary termination within 30 days of a change-in-control or an involuntary termination or voluntary termination for good reason during the six months before or within one year after a change-in-control, Mr. Burke would be paid a lump sum amount equal to two times his then current base salary, and not to exceed the tax-deductible limits under Section 280G of the Code or three times the five-year average of his total taxable annual compensation less \$1.00. We believe that the change-in-control provision is desirable in order to ensure that Mr. Burke remains focused on the interests of the Company and its shareholders in the event of a pending change-in-control.

The Company and the Bank have entered into a five-year change in control severance agreement with Mr. Robert J. Mancuso, Chief Information Officer. The agreement has a two-step change-in-control trigger under which, in case of a voluntary termination within 30 days of a change-in-control or an involuntary termination or voluntary termination for good reason during the six months before or within one year after a change-in-control, Mr. Mancuso would be paid a lump sum amount equal to his then current base salary, not to exceed three times the five-year average of his total taxable annual compensation less \$1.00. We believe that the change-in-control provision is desirable in order to ensure that Mr. Mancuso remains focused on the interests of the Company and its shareholders in the event of a pending change-in-control.

The Committee balances short-term and long-term compensation for the NEOs. Long term compensation includes stock option grants, stock awards, salary continuation plan and other benefits available to all employees which includes contributions to 401(k) Plan, ESOP and life insurance. For 2016, the target range for short-term compensation as a percentage of total compensation was 77% to 82% with long-term compensation at 13% to 23% of total compensation. We believe this formula is competitive within our market place and peer group.

Other Benefits and Perquisites

In accordance with the terms of Mr. Critelli's employment agreement, the Company provides him with use of an automobile, including insurance, maintenance, fuel, fees and other costs. The Company also pays the costs for use of a local country club to facilitate business activities by the NEOs.

Lewis J. Critelli has entered into a three-year employment agreement with the Company and the Bank. The employment agreement provides for annual one-year renewals on each anniversary date of the agreement unless either party provides prior written notice to the contrary. The agreement provides that the Board of Directors will review his salary not less often than annually and shall increase his base salary by no less than \$5,000 per year. The employment agreement provides that Mr. Critelli will participate equitably in discretionary bonuses that the Board of Directors may award to senior management from time to time. Mr. Critelli is also entitled to participate in specified benefit plans and in any fringe benefits made available to senior management.

In accordance with SEC regulations, the Summary Compensation Table reports the aggregate grant date value of option and restricted stock awards in the fiscal year in which the award was made. Stock options vest and become exercisable one year from the date of grant. Restricted stock awards are earned and become non-forfeitable in five equal installments beginning one year from the date of grant during periods of continued service as an employee, director or director emeritus. Stock option and restricted stock awards fully vest upon a change-in-control. Stock options vest upon a termination of employment due to death or disability. At the death or disability of the Named Executive Officer, restricted stock awards vest as if the Named Executive Officer had reached the next applicable vesting event. Recipients of restricted stock awards are entitled to receive dividends paid on the underlying Common Stock prior to vesting but have no voting rights until the award vests.

In accordance with SEC regulations, the Summary Compensation Table treats the increase in the present value of the Named Executive Officer's retirement benefit under the Salary Continuation Plan as an item of compensation. The Salary Continuation Plan provides that the Named Executive Officer will receive a fixed annual payment beginning at retirement at age 62 for a period of 15 years. The increase in present value is a function of the annual accrual to fully vest the Named Executive Officer at retirement age.

The Summary Compensation Table includes various miscellaneous income items under "All Other Compensation." Under the Company's 401(k) Plan, eligible employees may annually contribute between 2% and 10% of their compensation to their accounts in the 401(k) Plan. The Company generally matches employee contributions up to 3% of salary. In 2016, the Company made an additional contribution of 6% of salary. Since all eligible Named Executive Officers each contributed at least 3% of salary, a contribution of 9% was made to each of their accounts. The Company pays premiums on life insurance coverage for all eligible employees including the Named Executive

Officers with insurance coverage of three times base salary. Each Named Executive Officer also participates in the Wayne Bank

The Bank has entered into a salary continuation agreement as identified above. The purpose of the salary continuation plan is to provide the Named Executive Officer with an additional retirement benefit in excess of the maximum benefit payable under the tax-qualified 401(k) plan. The agreement provides that upon termination of employment on or after reaching the age of 62, Mr. Critelli will be entitled to an annual retirement benefit of \$61,000 payable over 15 years. The retirement benefit is fixed and not dependent on pre-retirement compensation. In the event of death during active service, the Named Executive Officer's beneficiary will be entitled to the normal retirement benefit commencing on the date of death. In the event of disability or early termination for a reason other than death, disability, cause or following a change-in-control, the Named Executive Officer is entitled to a reduced benefit payable beginning with 90 days of disability in the case of disability or at normal retirement age in the case of early termination. The amounts payable under early termination and disability are based upon the plan years in which the event occurred. If the Named Executive Officer works past age 62, he is eligible for an increased benefit of 4% per year, pro rated at 0.3274% per month compounded up to age 65. The Named Executive Officer is not entitled to benefits in the event he is terminated for cause. On a change of control of the Company, the Company will pay the normal retirement benefit to the Named Executive Officer in 12 equal monthly installments payable on the first day of each month commencing with the month following attaining age 62 and continuing for 179 additional months. The Named Executive Officer will not be entitled to any benefit if he violates certain non-compete provisions including becoming employed by or participating in the management of another bank or thrift following a termination of employment. These non-compete provisions, however, do not apply following a change-in-control.

Employment and Severance Agreements. Under his Employment Agreement, the Company or the Bank may terminate Mr. Critelli's employment at any time for "just cause" as defined in the Agreement without further liability. If the Company or the Bank terminated Mr. Critelli without just cause, he would be entitled to a continuation of his salary for the remaining term of the Agreement with a minimum of one year from the date of termination as well as

the continuation of other benefits. In the event of an involuntary termination or voluntary termination with good reason during the period beginning six months prior and ending one year after a change in control, Mr. Critelli will be paid in a lump sum an amount equal to three times the five-year average of his annual compensation minus \$1.00. Under the Agreement, Mr. Critelli is prohibited from competing with the Bank for one year if his employment is terminated for just cause or he resigns for a reason other than good reason. The Company has entered into Change-in-Control Severance Agreements with William S. Lance, James F. Burke and Robert J. Mancuso, pursuant to which Messrs. Lance and Burke would be entitled to severance payments equal to two times their annual compensation, and Mr. Mancuso would be entitled to a severance payment equal to his annual compensation, in the event of an involuntary termination or a voluntary termination

with good reason during the period beginning six months prior and ending one year after a change in control.

Salary Continuation Plan. For a description of the termination provisions in the Salary Continuation Plan, see " – Pension Benefits" above.

Stock Option Plan and Equity Incentive Plan. The 2006 Stock Option Plan and 2014 Equity Incentive Plan provide that each outstanding stock option issued thereunder will become immediately vested in the event of the death or disability of the optionee or upon a change-in-control of the Company. The 2014 Equity Incentive Plan provides that outstanding restricted stock awards will be deemed fully earned and non-forfeitable upon a change in control. Upon the death or disability of the Executive, any unearned restricted stock awards would vest as if the Executive had reached the next applicable vesting event. Any portion of stock awards that remain unearned would be forfeited.

Directors who are not full-time employees receive a fee of \$400 for each meeting of the Company's board of directors attended. Each director of the Company is also a director of the Bank and receives fees accordingly. Lewis J. Critelli, President and Chief Executive Officer, does not receive board or committee fees for his participation thereon. Each non-employee member of the Bank's Board of Directors receives a retainer of \$2,350 per month. In addition, fees are paid for various committee meetings as follows: Trust Committee (\$400); Audit Committee (\$400); Compensation Committee (\$400); and Loan Committee (\$400). For the fiscal year ended December 31, 2016, fees paid to all directors totaled approximately \$280,650. The Company pays for life insurance coverage up to \$50,000 for each non-employee director.

Pursuant to the 2014 Equity Incentive Plan, 350 shares of restricted stock were awarded to each outside director on December 9, 2014, 300 shares of restricted stock were awarded to each outside director on December 8, 2015 and 350 shares of restricted stock were awarded to each outside director on December 13, 2016. The restricted awards stock vest and become non-forfeitable in five equal installments beginning one year from the date of grant during periods of continued service as an outside director or director emeritus. Restricted stock awards will vest immediately upon a change-in-control of the Company. Upon the death or disability of the director, the award will be deemed earned and non-forfeitable as if the director had attained the next applicable vesting event. Directors are entitled to receive all dividends paid on shares underlying restricted stock awards but have no voting rights with respect to these shares until vested.

Under the 2006 Stock Option Plan, stock options for 578 shares each were awarded to non-employee directors effective upon stockholder approval of the plan for 2005 and options for 550 shares were awarded on December 29, 2006. Options for 550 shares were awarded to each non-employee director effective as of the last business day of 2010, 2011 and 2012 and 500 options were awarded in 2013. The exercise price of these options was in each case equal to the fair market value of the underlying Common Stock on the effective date of grant. In each case, the options vested and became exercisable one year from the date of grant.

RELATED PARTY TRANSACTIONS

Certain directors and executive officers of the Bank, their families and their affiliates are customers of the Bank. Any transactions with such parties including loans and commitments are made on substantially the same terms and conditions, including interest rate and collateral, as those of comparable transactions prevailing at the time with other persons unrelated to the lender, and do not include more than the normal risk of collectability or present other unfavorable features. The Bank has adopted written policies and procedures for the approval of loans to directors and executive officers. All loans to directors and executive officers are approved by the entire Board of Directors in advance with the director or executive officer abstaining from participating directly or indirectly in the voting.

PROPOSAL II - RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

S.R. Snodgrass, P.C. was the Company's independent auditors for the 2016 fiscal year. The Board of Directors has appointed S.R. Snodgrass, P.C. to be its independent auditors for the fiscal year ending December 31, 2017, subject to ratification by the Company's stockholders. The engagement of S.R. Snodgrass, P.C. was approved in advance by the Audit Committee. A representative of S.R. Snodgrass, P.C. is expected to be available at the Annual Meeting to respond to stockholders' questions and will have the opportunity to make a statement if the representative so desires.

Audit Fees. The aggregate fees billed by the Company's principal accountant for professional services rendered for the audit of the Company's annual consolidated financial statements and for the review of the consolidated financial statements included in the Company's Quarterly Reports on Form 10 Q for the fiscal years ended December 31, 2016 and 2015 were \$210,186 and \$158,663, respectively.

Audit Related Fees. The aggregate fees billed by the Company's principal accountant for assurance and related services related to the performance of the employee benefit plan audit for the years ended December 31, 2016 and 2015 were \$19,433 and \$17,869, respectively.

Tax Fees. The aggregate fees billed by the Company's principal accountant for professional services rendered for preparation of state and federal tax returns and other tax matters for the years ended December 31, 2016 and 2015 were \$25,000 and \$20,300, respectively.

All Other Fees. The aggregate fees billed by the Company's principal accountant for professional services rendered for services or products other than those listed under the captions "Audit Fees," "Audit Related Fees," and "Tax Fees" for the years ended December 31, 2016 and 2015 were \$0.

The Audit Committee has not adopted any pre-approval policies and procedures for audit and non-audit services to be performed by the independent auditors. Such services are approved in advance by the Audit Committee itself. No services were approved pursuant to the de minimus exception of the Sarbanes-Oxley Act of 2002.

Ratification of the appointment of the independent accountants requires the affirmative vote of a majority of the votes cast at the Annual Meeting. The Board of Directors recommends that stockholders vote "FOR" the ratification of the appointment of S.R. Snodgrass, P.C. as the Company's independent auditors for the 2017 fiscal year.

PROPOSAL III – APPROVAL OF A NON-BINDING ADVISORY
VOTE ON EXECUTIVE COMPENSATION

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") and the implementing regulations adopted by the SEC thereunder provide that, at the first annual meeting of shareholders on or after January 21, 2011 and not less than once every three years thereafter, the Company must include a separate resolution subject to shareholder vote to approve the compensation of the Company's named executive officers, as disclosed in its proxy statement pursuant to Item 402 of Regulation S-K of the Securities and Exchange Commission.

At the 2011 Annual Meeting of Stockholders, the Board of Directors recommended, and the shareholders approved, a non-binding vote in favor of having an advisory vote on executive compensation every three years. Accordingly, shareholders are being asked to vote on the compensation on the named executive officers at this year's Annual Meeting. This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to endorse or not endorse the Company's executive pay program and policies, as disclosed in this Proxy Statement, through the following resolution:

"Resolved, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to Section 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby approved."

As provided in the Dodd-Frank Act, this vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation. The Compensation Committee, however, may take into account the outcome of the vote when considering future executive compensation arrangements.

In voting to approve the above resolution, shareholders may vote for the resolution, against the resolution or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the Annual Meeting. On this matter, abstentions and broker non-votes will have no effect on the outcome of the voting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL IV – ADVISORY VOTE ON THE FREQUENCY
OF ADVISORY VOTES ON EXECUTIVE COMPENSATION

Section 951 of the Dodd-Frank Act and the implementing regulations adopted by the SEC thereunder require that, at the first annual meeting of shareholders held on or after January 21, 2011 and not less frequently than once every six years thereafter, the Company must include a separate resolution subject to shareholder vote to determine whether the non-binding shareholder vote on executive compensation that is the subject of Proposal III should occur every one, two or three years. At the 2011 Annual Meeting of Stockholders, the Board of Directors recommended, and the

shareholders approved, a non-binding vote in favor of having an advisory vote on executive compensation every three years and the Board of Directors is again recommending that shareholders vote in favor of holding non-binding shareholder votes on executive compensation every three years.

The Board of Directors welcomes the views of shareholders on executive compensation matters. The Board of Directors, however, does not believe that it is necessary to have the non-binding vote on executive compensation occur every year. The Board of Directors believes that a triennial vote will allow stockholders the time needed to properly assess the impact of changes made in the Company's executive compensation program in response to shareholder votes on executive compensation. Triennial votes will also reduce the Company's costs of proxy solicitations. Accordingly, the Board recommends that the non-binding vote on executive compensation occur only once every three years.

As provided in the Dodd-Frank Act, this vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

In voting on the frequency of the non-binding say-on-pay resolution, shareholders may vote to have the vote occur every one, two or three years or abstain from voting. The option which receives the most votes from shareholders will be deemed to be the option selected by shareholders. On this matter, abstentions and broker non-votes will have no effect on the outcome.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE TO HAVE THE NON-BINDING VOTE ON EXECUTIVE COMPENSATION OCCUR EVERY "THREE YEARS."

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers and beneficial owners of more than 10% of the Common Stock to file reports of ownership and changes in ownership of their equity securities of the Company with the SEC and to furnish us with copies of such reports. To the best of our knowledge, all of the filings by our directors and executive officers were made on a timely basis during the 2016 fiscal year except for Mr. Sanders who was untimely in reporting two indirect purchases of 125 shares each. These transactions were reported on a subsequently filed Form 5.

STOCKHOLDER PROPOSALS

In order to be considered for inclusion in the Company's proxy statement for the annual meeting of stockholders to be held in 2018, stockholder proposals must be submitted to the Secretary at the Company's office, 717 Main Street, Honesdale, Pennsylvania 18431, on or before November 24, 2017. Under the Articles of Incorporation, in order to be considered for possible action by stockholders at the 2018 annual meeting of stockholders, stockholder nominations for director and stockholder proposals not included in the Company's proxy statement must be submitted to the Secretary of the Company, at the address set forth above, no later than February 25, 2018.

OTHER MATTERS

The Board of Directors does not know of any other matters that are likely to be brought before the Annual Meeting. If any other matters, not now known, properly come before the Annual Meeting or any adjournments, the persons named in the enclosed proxy card, or their substitutes, will vote the proxy in accordance with their judgment on such matters.

MISCELLANEOUS

The Company will bear the cost of soliciting proxies. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses that they incur in forwarding proxy materials to the beneficial owners of Common Stock. In addition to soliciting proxies by mail, directors, officers, and regular employees of the Company may solicit proxies personally or by telephone without additional compensation.

The Company's 2016 Annual Report to Stockholders accompanies this proxy statement. Except to the extent specifically incorporated by reference, the Annual Report is not to be treated as part of the proxy solicitation material nor as having been incorporated by reference herein. A copy of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016 will be furnished without charge to stockholders as of the Record Date, upon written request to William S. Lance, Secretary, Norwood Financial Corp., 717 Main Street, Honesdale, Pennsylvania 18431.
