The Notes are unconditionally guaranteed as to the payment of the principal and interest in respect thereof and all other amounts payable under the Notes by the Company as evidenced by the Guarantees set forth in the Indenture. The Guarantees are the Company's direct, unconditional, unsubordinated and unsecured obligation and will rank pari passu with all of the Company's other unsecured and unsubordinated obligations (other than obligations preferred by applicable law) and senior in priority of payment and in all other respects to all the Company's other Indebtedness that is designated as subordinate or junior in right of payment to the Guarantee.

Events of Default

Each of the following shall constitute an "Event of Default" under the Indenture for each series of Notes:

- (i) failure to pay principal of any Note of that series within two business days after the date on which such amount is due and payable, upon optional redemption, acceleration or otherwise;
- (ii) failure to pay interest on any Note of that series within 30 days after the due date for such payment;
- (iii) failure to perform any other covenant or agreement of the Company or CNOOC Finance (2013) in the Indenture, and such failure continues for 60 days after there has been given, by registered or certified mail, to the Company or CNOOC Finance (2013), as the case may be, by the Trustee or by the holders of at least 25% in aggregate principal amount of the Notes of that series then outstanding (with a copy to the Trustee) a written notice specifying such failure and requiring it to be remedied and stating that such notice is a "Notice of Default" under the Indenture;
- (iv) the Guarantees shall cease to be in full force or effect or the Company shall deny or disaffirm its obligations under the Guarantees;
- (v)(a) failure to pay upon final maturity (after giving effect to the expiration of any applicable grace period therefor) the principal of any Indebtedness of the Company, CNOOC Finance (2013) or any Principal Subsidiary, (b) acceleration of the maturity of any Indebtedness of the Company, CNOOC Finance (2013) or any Principal Subsidiary following a default by the Company, CNOOC Finance (2013) or such Principal Subsidiary, if such Indebtedness is not discharged, or such acceleration is not annulled, within 10 days after receipt by the Trustee of the written notice from the Company or CNOOC Finance (2013) as provided in the Indenture, or (c) failure to pay any amount payable by the Company, CNOOC Finance (2013) or any Principal Subsidiary under any guarantee or indemnity in respect of any Indebtedness of any other Person if such obligation is not discharged or otherwise satisfied within 10 days after receipt of written notice as provided in the Indenture; provided, however, that no such event set forth in clause (a), (b) or (c) shall constitute an Event of Default unless the aggregate outstanding Indebtedness to which all such events relate exceeds US\$100,000,000 (or its equivalent in any other currency); and
- (vi) certain events in bankruptcy, insolvency or reorganization in respect of the Company, CNOOC Finance (2013) or any Principal Subsidiary as provided in the Indenture.

If an Event of Default (other than an Event of Default described in clause (vi) above) with respect to the Notes of that series shall occur and be continuing, either the Trustee or the holders of at least 25% in aggregate principal amount of the Notes of that series then outstanding by notice as provided in the Indenture may declare the principal amount of such Notes and any accrued and unpaid interest thereon to be due and payable immediately.

If an Event of Default in clause (vi) above with respect to the Notes of that series shall occur, the unpaid principal amount of all the Notes of that series and any accrued and unpaid interest thereon will automatically, and without any action by the Trustee or any holder of Notes of that series, become immediately due and payable.

After any such acceleration but before a judgment or decree based on acceleration has been obtained, the holders of at least a majority in aggregate principal amount of the Notes of that series then outstanding may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal, have been cured or waived as provided in the Indenture.

Covenants

The Company has covenanted in the Indenture, with certain exceptions, not to, and not permit CNOOC Finance (2013) or any Principal Subsidiary to, create, incur, assume or permit to exist certain liens upon any of its property or assets now owned or hereafter acquired, to secure any Indebtedness of the Company, CNOOC Finance (2013) or such Principal Subsidiary (or any guarantees or indemnity in respect thereof) unless certain conditions are satisfied. The Notes and the Indenture do not otherwise restrict or limit the Company's ability to incur additional indebtedness by itself or its subsidiaries or its ability to enter into transactions with, or to pay dividends or make other payments to, affiliates.

Redemption

At any time, CNOOC Finance (2013) as the issuer or the Company as the guarantor may at its option redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the applicable premium as of, and accrued and unpaid interest, if any, to the redemption date.

The Group is a dominant oil and gas producer in offshore China and, in terms of reserves and production, it is also one of the largest independent oil and natural gas exploration and production companies in the world.

The aggregate proceeds from the issuance of the Notes, after deducting underwriting commissions and estimated offering expenses payable by CNOOC Finance (2013) and the Company, are estimated to be approximately US\$3,942 million. The proceeds are intended to be used mainly to repay part of a US\$6.0 billion short-term credit facility that was entered into for the purpose of financing the Company's recent acquisition of Nexen Inc.

Listing

Application has been made to the Hong Kong Stock Exchange for listing of, and permission to deal in, the Notes by way of debt issue to professional investors only.
