On March 15, 2017, Bonanza announced its results for the fiscal quarter and year ended December 31, 2017. A copy of the Company's press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

The information contained in Item 2.02 of this Current Report shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

Forward-Looking Statements

This Current Report on Form 8-K contains certain statements that are, or may be deemed to be, "forward-looking statements" within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. All statements, other than statements of historical facts, included in this Current Report on Form 8-K that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward looking statements. We have based these forward-looking statements largely on our current expectations and projections about future events and financial trends affecting the financial condition of our business. These forward-looking statements are subject to a number of risks, uncertainties and assumptions, including, among other things, the risk factors discussed in this Current Report and in our most recent Annual Report on Form 10-K as well as in other reports filed from time to time by the Company with the Securities and Exchange Commission, most of which are beyond our control. The words "believe," "may," "estimate," "continue," "anticipate," "intend," "plan," "expect," "indicate" and similar expressions are intended to identify forward-looking statements. All statements other than statements of current or historical fact contained in this Current Report are forward-looking statements. Although we believe that the forward-looking statements contained in this Current Report are based upon reasonable assumptions, the forward-looking events and circumstances discussed in this Current Report may not occur and actual results could differ materially from those anticipated or implied in the forward-looking statements.
