### PROXY STATEMENT

Genesis Health Ventures, Inc. ("Genesis," "we," "our" or "us") will hold a Meeting of Shareholders at 101 East State Street, Kennett Square, Pennsylvania 19348 at 8:30 a.m. (local time) on Wednesday, May 22, 2002 (the "Meeting") to review our operations and to answer shareholder questions. No directors will be elected and we are presently unaware of any other matters that will be brought before the Meeting. This proxy statement, which together with the accompanying proxy card, is first being mailed to our shareholders on or about April 22, 2002, and is furnished to our shareholders in connection with the solicitation of proxies by our Board of Directors for use in voting at the Meeting, including any adjournment or postponement thereof, in the event that any proposals are presented at the Meeting.

The enclosed proxy confers discretionary authority to vote with respect to any and all of the following matters that may come before the meeting: (i) matters that our Board of Directors did not have notice of at least 45 days before the date on which we first mailed the proxy materials for the Meeting; (ii) approval of the minutes of a prior meeting of shareholders, if such approval does not amount to ratification of the action taken at the meeting; (iii) any proposal omitted from this proxy statement and the form of proxy pursuant to Rule 14a-8 or Rule 14a-9 under the Securities Exchange Act of 1934; and (iv) matters incidental to the conduct of the Meeting. If any such matters are brought before the Meeting, the persons named in the enclosed proxy will act or vote in accordance with their best judgment.

Proxies in the form enclosed, if properly executed and received in time for voting, and not revoked, will be voted as directed in accordance with the instructions thereon. Sending in a signed proxy will not affect a shareholder's right to attend the meeting and vote in person since the proxy is revocable. Any shareholder giving a proxy may revoke it at any time before it is voted at the meeting by delivering a later dated proxy or by giving written notice to the Secretary of Genesis at any time before the proxy is exercised.

The cost of this solicitation will be borne by Genesis. In addition to solicitation by mail, proxies may be solicited in person or by telephone, telegraph or facsimile, by directors, officers or employees of Genesis and its

Each share of common stock, par value \$0.02 per share ("Common Stock"), is entitled to one vote on each matter which may be brought before the Meeting. Holders of shares of series A convertible preferred stock ("Series A Preferred") are entitled to vote on all matters voted on by the holders of Common Stock. Each share of Series A Preferred is entitled to the number of votes equal to the number of votes that could be cast by a holder of the number of shares of Common Stock into which such share of Series A Preferred is convertible on the Record

Date. The presence, in person or represented by proxy, of the shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast on a particular matter to be acted upon at a meeting of the shareholders will constitute a quorum for the purpose of consideration and action on the matter. To the extent that a quorum is present with respect to consideration of and action on a particular matter or matters but a quorum is not present as to another matter or matters, consideration of and action on the matter or matters for which a quorum is present may occur and, after such consideration and action, the meeting may be adjourned for purposes of the consideration of and action on the matter or matters for which a quorum is not present. All shares of Common Stock present in person or represented by proxy and entitled to vote at the Meeting, no matter how they are voted or whether they abstain from voting, will be counted in determining the presence of a quorum.

The Board of Directors has set April 1, 2002 as the record date for the determination of shareholders entitled to notice of, and to attend and vote at the Meeting or any adjournments or postponements thereof (the "Record Date"). ### PRINCIPAL SHAREHOLDERS

The following table sets forth information with respect to the beneficial ownership of our Common Stock as of March 31, 2002 for: each person who we know owns beneficially more than 5% of our Common Stock; each of our most highly compensated executive officers; each of our directors; and all of our executive officers and directors as a group.

Unless otherwise noted below, and subject to applicable community property laws, to our knowledge, each person has sole voting and investment power over the shares shown as beneficially owned, except to the extent authority is shared by spouses under applicable law and except as set forth in the footnotes to the table.

The number of shares beneficially owned by each shareholder is determined under rules promulgated by the SEC. The information does not necessarily indicate beneficial ownership for any other purpose. Beneficial ownership, as set forth in the regulations of the SEC, includes securities owned by or for the spouse, children or certain other relatives of such person as well as other securities as to which the person has or shares voting or investment power or has the right to acquire within 60 days after March 31, 2002. The same shares may be beneficially owned by more than one person. Beneficial ownership may be disclaimed as to certain of the securities. For purposes of calculating each person's or group's percentage ownership, stock options and warrants exercisable within 60 days after March 31, 2002 are included for that person or group but not the stock options and warrants of any other person or group.
