QUESTIONS AND ANSWERS

Your vote is very important. Your shares can only be voted at the Annual Meeting if you are present or represented by proxy. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote by proxy to assure that your shares will be represented. You may revoke your proxy at any time before it is voted by written notice to the Secretary of the Company by submission of a proxy bearing a later date or by casting a ballot at the Annual Meeting. Properly executed proxies that are received before the Annual Meeting's adjournment will be voted in accordance with the directions provided. If no directions are given, your shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors. If you wish to give a proxy to someone other than those named on the proxy card, you should cross out those names and insert the name(s) of the person(s), not more than two, to whom you wish to give your proxy.

Q: WHO IS SOLICITING MY VOTE?

A: This proxy solicitation is being made on behalf of us and our Board of Directors. Proxies are being solicited by mail, and all expenses of preparing and soliciting such proxies will be paid by us. In addition to the use of mail, proxies may be solicited by our directors, officers and regular employees, without additional compensation, in person or by telephone or other electronic means. We will reimburse brokerage houses and other nominees for their expenses in forwarding proxy materials to beneficial owners of our Common Stock.

Q: WHO IS ENTITLED TO VOTE?

A: Stockholders as of the close of business on April 14, 2006 (the Record Date) are entitled to vote at the Annual Meeting. On that date, 14,381,286 shares of our Common Stock were outstanding and eligible to vote. Every holder of Common Stock is entitled to one vote for each share held. A list of stockholders eligible to vote will be available at our principal place of business, 572 Whitehead Road, Trenton, New Jersey, beginning April 20, 2006. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting.

Q: WHO WILL COUNT THE VOTE?

A: Representatives of our transfer agent, Zions Bank, will count the votes.

Q: IS MY VOTE CONFIDENTIAL?

A: Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to Zions Bank, and handled in a manner that protects your voting privacy. Your vote will not be disclosed except (1) as needed to permit Zions Bank to tabulate and certify the vote and (2) as required by law. Additionally, all comments written on the proxy card or elsewhere will be forwarded to management. Your identity will be kept confidential unless you ask that your name be disclosed.

Q: WHAT IS A QUORUM?

A: A quorum is a majority of the outstanding shares of our Common Stock entitled to vote on April 14, 2006. These shares must be present at the Annual Meeting, in person or by proxy, for the meeting to be held for the transaction of business.

Broker non-votes, votes withheld and abstentions will be counted for purposes of determining whether a quorum has been reached. A broker non-vote occurs when a nominee holding shares

for a beneficial owner does not vote on a particular proposal because the nominee does not have the discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Q: HOW MANY VOTES ARE REQUIRED FOR THE APPROVAL OF THE PROPOSALS?

A: Assuming a quorum is present, directors will be elected by a plurality of the votes cast at the Annual Meeting. Ratification of each of the appointment of our independent registered public accounting firm and the Company's 2006 Stock-Based Incentive Compensation Plan requires the affirmative vote of a majority of shares present and entitled to vote at the Annual Meeting and voting thereon. Because abstentions will be included in tabulations of the votes entitled to vote for purposes of determining whether a proposal has been approved, abstentions have the same effect as negative votes. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matters which the broker has not expressly voted. Broker non-votes are not counted in determining whether the affirmative vote required for the approval of Items 1, 2, 3 and 4 has been cast.

Q: WHO CAN ATTEND THE ANNUAL MEETING:

A: All stockholders as of April 14, 2006, the record date, can attend. If your shares are held through a broker and you'd like to attend, please bring a copy of your brokerage account statement or an omnibus proxy (which you can obtain from your broker) to gain entrance to the Annual Meeting.

Q: HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?

A: We do not know of any business to be considered at the Annual Meeting other than the proposals described in this proxy statement. If any other business is presented at the Annual Meeting, your signed proxy card gives authority to Dinesh R. Desai, our Chairman and Chief Executive Officer, and Stephen C. Donnelly, our Chief Financial Officer, to vote on such matters at their discretion.

Q: WHO ARE THE LARGEST PRINCIPAL STOCKHOLDERS?

A: As of April 14, 2006, 2006, Mr. Desai owned 7,622,488 shares of our Common Stock (53.0%) and Mary Margaret Gabel, spouse of Keith Gabel, President of Westwood Operations, owned 1,905,622 shares (13.3%).

CHANGE OF CONTROL OF THE COMPANY

On August 5, 2005, we completed our merger under the Agreement and Plan of Merger dated as of July 14, 2005, by and among us, Emtec Viasub LLC, a Delaware limited liability company and our wholly-owned subsidiary (MergerCo), and Darr Westwood Technology Corporation, a Delaware corporation (Darr). Pursuant to the terms of the Merger Agreement, Darr merged with and into MergerCo, with MergerCo remaining as the surviving company and a wholly-owned subsidiary of Emtec (the Merger).

Upon completion of the Merger, all shares of Darr common stock issued and outstanding immediately prior to the merger were exchanged for 9,528,110 shares of our Common Stock, and the former Darr stockholders were issued warrants to purchase an additional 10% of our Common Stock calculated on a fully diluted basis for an aggregate exercise price of \$3,695,752, measured on a post exercise price. The issuance of our Common Stock in connection with the Merger gave the former Darr stockholders shares equal to approximately 55.7% of our total outstanding Common Stock post-merger and resulted in a change of control for us.

Also upon completion of the Merger, each of John P. Howlett, Ronald A. Seitz, George Raymond and R. Frank Jerd resigned as our directors. Effective as of August 5, 2005, Dinesh Desai, Keith Gabel, Brian McAdams and Gregory Chandler were appointed as our directors. Mr. Desai, Mr. McAdams and Mr. Chandler are each a Class A director, and Mr. Gabel is a Class B director.

CORPORATE GOVERNANCE

In accordance with the General Corporation Law of the State of Delaware and our Certificate of Incorporation and Bylaws, our business, property and affairs are managed under the direction of the Board of Directors. The Board delegates the conduct of business to the Company's senior management team. Although our directors are not involved in our day-to-day operating details, they are kept informed of our business through written reports and documents provided to them regularly, as well as by operating, financial and other reports presented by our officers at meetings of the Board of Directors and committees of the Board of Directors.

Board and Committee Meetings

Our Board usually meets four times a year in regularly scheduled meetings. It may meet more often if necessary. Our current Board was elected August 5, 2005 in connection with the completion of the Merger and held one meeting in fiscal 2005. Each current director attended all of the meetings. The Chairman usually determines the agenda for the meetings. Board members receive the agenda and supporting information in advance of the meetings. Board members may also raise other matters at the meetings.

Since we are not a listed company, we are not required to establish an audit committee. Our Board of Directors believes it can conduct all of the functions of an audit committee without unduly burdening the duties and responsibilities of the individual Board members. Our Board has determined that Mr. Gregory Chandler, an independent member of our Board of Directors, meets the Securities Exchange Commission's (the SEC) definition of an audit committee financial expert.

We have a Code of Ethics, which was adopted in its current form in July 2004, applicable to all of its employees, including its Principal Executive Officer, Principal Financial Officer and Principal Accounting Officer, as well as the members of its Board. The Code of Ethics seeks to ensure compliance with all applicable laws and to maintain the highest standards of ethical conduct. The Code of Ethics sets out basic principles and methodology to help guide all of our officers, directors and employees in the attainment of this common goal.

Currently, we do not have a compensation committee. The members of the entire Board deliberate and decide compensation. Mr. Chandler is not and has not been an employee or an officer of our company. Mr. McAdams is our Vice Chairman. Mr. Desai is our Chairman and Chief Executive Officer, and Mr. Gabel is the President of Westwood Operations.

We do not have a nominating committee as the Board has determined, given its relatively small size, to perform this function as a whole. We do not currently have a charter or written policy with regard to the nomination process. At this time, we do not have a formal policy with regard to the consideration of any director candidates recommended by our stockholders because historically we have not received recommendations from our stockholders.

Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition. However, in making its nominations, the Board of Directors considers, among other things, an individual's business experience, industry experience, breadth of knowledge about issues affecting our company, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

Any stockholder recommendation of a director candidate should include the candidate's name, biographical data and a detailed description of the candidate's qualifications for Board membership, and should be sent to Emtec, Inc., 572 Whitehead Road, Trenton, New Jersey 08619, Attention: Sam Bhatt. Any stockholder recommendations must be submitted in sufficient time for an appropriate evaluation by the Board.

Stockholder Communication with Board Members

We maintain contact information for stockholders, both telephone and email, on our website (www.emtecinc.com) under the heading "About Us Investor Relations." By following the link, a stockholder will be given access to our telephone number and mailing address as well as a link for providing email correspondence to Investor Relations. Communications sent to Investor Relations and specifically marked as a communication for our Board will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In addition, communications received via telephone or mail that are directed to the Board are forwarded to the Board by one of our officers.

Board Member Attendance at Annual Meetings

Our Board of Directors does not have a formal policy regarding attendance of directors at our annual stockholder meetings. Each of our current directors was not a member of the Board of Directors at the time of our 2005 Annual Meeting of Stockholders and, accordingly, did not attend the meeting. Of the directors who were members of the Board at the time of the 2005 Annual Meeting, Mr. Howlett and Mr. Seitz attended the meeting.

Director Independence

The Board of Directors has determined that Gregory Chandler is independent under the listing standards of the National Association of Securities Dealers.

Director Compensation

Our two former independent directors, George Raymond and R. Frank Jerd, each received \$15,000 and received 15,000 stock options for service to the Board during the period of April 1, 2005 through August 5, 2005. Each of Mr. Raymond and Mr. Jerd received options to purchase an aggregate of 45,000 shares of Common Stock for services performed during the three year period ended March 31, 2005. Mr. Chandler, as our current independent director, shall receive an annual fee of \$20,000, plus stock options at an amount to be determined by the Board. Independent directors receive reimbursement of out-of-pocket expenses incurred for each Board meeting or committee meeting attended and any other expenses incurred while working in his capacity as a Board member.

Directors who are employees of the Company do not receive additional compensation for serving on the Board or committees of the Board.

ELECTION OF DIRECTORS

ITEMS 1 AND 2 ON PROXY CARD

Our Certificate of Incorporation and Bylaws provide that our business will be managed by a Board of Directors. Our Board of Directors currently has four directors, divided into two classes. Three of the directors are Class A directors and one of the directors is a Class B director. Each of the Class A directors serves for a term of three years or until his successor is elected and qualified and the Class B director serves for a term of one year or until his successor is elected and qualified. Our current directors were appointed to our Board upon completion of the Merger and were not elected by our stockholders; therefore, the term of each of our Class A directors, Mr. Desai, Mr. McAdams and Mr. Chandler, and our one Class B director, Mr. Grabel, expires at our 2006 Annual Meeting.

Director candidates are nominated by the Board of Directors. The Board of Directors did not receive any stockholder recommendations of a director candidate to be considered for election at the Annual Meeting.

At the Annual Meeting, three Class A directors and one Class B director are to be elected. Mr. Desai, Mr. McAdams, Mr. Chandler and Mr. Grabel have consented to being named as nominees for director of the Company and have agreed to serve if elected. We do not anticipate that any of them will be unable to stand for election. If that occurred, the Board would designate a substitute. If a substitute were designated, the shares represented by proxy will be voted for the substituted candidate designated by the Board of Directors. You may vote for or withhold from voting on this matter. Assuming a quorum is present, director elections are determined by a plurality of the votes cast at the Annual Meeting.

RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

ITEM 3 ON PROXY CARD

Subject to stockholder ratification, the Audit Committee of the Board of Directors has appointed the firm of McGladrey & Pullen, LLP (McGladrey), as the independent registered public accounting firm, to audit and report on our consolidated financial statements for our fiscal year ended August 31, 2006.

As previously disclosed, as a result of the Merger, the stockholders of Darr became the majority stockholders of Emtec. The Merger with Darr is being treated as a reverse acquisition for accounting purposes. As such, the historical financial statements of the accounting acquirer, Darr, have become our historical financial statements. Because Darr's independent registered public accounting firm, Ernst & Young, LLP (E&Y), was different from our independent registered public accounting firm, Baratz and Associates, P.A. (Baratz), there was a change in our independent accounting firm as a result of the Merger. Our Board of Directors formally authorized a change in our independent registered accounting firm from Baratz to E&Y upon completion of the Merger.

E&Y was retained as our independent auditors for our fiscal years ended August 31, 2005 and 2004. On March 29, 2006, we dismissed E&Y as the Company's independent auditor. Our Board of Directors, also functioning as the audit committee, unanimously approved the dismissal of E&Y. E&Y's reports on the Company's financial statements for each of our two fiscal years ended August 31, 2005 and 2004, respectively, contained no adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

There were no disagreements between the Company and E&Y during either (i) the fiscal years ended August 31, 2005 and 2004, or (ii) the period September 1, 2005 through March 29, 2006 on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference to the subject matter of such disagreements in connection with its reports for the prior fiscal years.

There were no reportable events, as such term is defined in Item 304(a)(1)(v) of Regulation S-K, during either (i) the fiscal years ended August 31, 2005 and 2004 or (ii) the period September 1, 2005 through March 29, 2006.

Pursuant to Item 304(a)(3) of Regulation S-K, we have provided E&Y and McGladrey with a copy of this proxy statement. If either of these accounting firms believes the statements made in this proxy statement is incorrect or incomplete, it is entitled to present its views in a brief statement to be included in this proxy statement.

Effective March 29, 2006, our Board, also functioning as the audit committee, approved McGladrey as the Company's independent registered public accounting firm. We did not consult with McGladrey during either the fiscal years ended August 31, 2005 and 2004 or the period September 1, 2005 through March 29, 2006 with respect to (i) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, or (ii) any matter that was either the subject of a disagreement or a reportable event.

One or more representatives of McGladrey are expected to attend the Annual Meeting. They will have the opportunity to speak at the meeting if they desire to do so and will also be available to respond to appropriate questions. Representatives of E&Y are not expected to attend the Annual Meeting.

Audit Fees; Audit-Related Fees; Tax Fees; All Other Fees

The following table sets forth the aggregate fees incurred by us to for the fiscal years ended August 31, 2005 and 2004 to E&Y, our principal accounting firm for these years:

	<u>2005</u>	<u>2004</u>
Audit Fees	\$450,000	\$115,000
Audit Related Fees	\$0	\$0
Tax Fees	\$0	\$15,000
All Other Fees	\$145,000	\$10,000
Total	\$595,000	\$140,000

Audit Fees: The Audit Fees billed by E&Y for the fiscal years ended August 31, 2005 and August 31, 2004, respectively, were for professional services rendered for the audits of the financial statements of the Company, quarterly reviews, and assistance with the review of documents filed with the Securities and Exchange Commission.

Audit Related Fees: The Audit Related Fees for the fiscal years ended August 31, 2005 and August 31, 2004, respectively, would, if applicable, include fees for attendance at the annual stockholders meeting.

Tax Fees: The Tax Fees billed by E&Y for the fiscal years ended August 31, 2005 and August 31, 2004, respectively, were for services performed in connection with income tax compliance.

All Other Fees: All Other Fees billed by E&Y for the fiscal years ended August 31, 2005 and August 31, 2004, respectively, were for professional services rendered relating to acquisitions and other technical services.

Our Board of Directors has adopted a policy that requires advance approval of all audit, audit-related, tax, and other services performed by our independent auditor. The policy provides for pre-approval by the Board of Directors of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Board of Directors must approve the permitted service before the independent auditor is engaged to perform it.

Your Board of Directors unanimously recommends a vote FOR the ratification of the selection of McGladrey & Pullen, LLP as the auditors of the Company.

APPROVAL OF THE EMTEC, INC. 2006 STOCK-BASED

INCENTIVE COMPENSATION PLAN

ITEM 4 ON PROXY CARD

On April 3, 2006, the Board of Directors unanimously adopted the 2006 Stock-Based Incentive Plan (the Plan), subject to approval by the stockholders. The number of shares of Company Common Stock available for awards under the terms of the Plan is 1,400,000 (subject to adjustments for stock splits, stock dividends and the like) which equals approximately 10% of the outstanding shares of Common Stock of the Company as of April 3, 2006.

Summary of the Plan

The following general description of certain features of the Plan is qualified in its entirety by reference to the Plan, which is attached to this Proxy Statement as Appendix A. Capitalized terms not otherwise defined in this summary have the meanings given to them in the Plan.

General. The Plan authorizes the grant of options, stock appreciation rights, restricted stock, and deferred stock (collectively called Awards). Options granted under the Plan may be either incentive stock options as defined in section 422 of the Internal Revenue Code (the Code), or nonqualified stock options, as determined by the Committee (defined below).

Eligibility. The Plan provides that Awards may be granted to any employee or non-employee director of the Company or its subsidiaries. Incentive stock options may be granted only to employees. The maximum number of shares that may be issued upon the exercise of incentive stock options shall not exceed 500,000 in the aggregate. The maximum number of shares that may be awarded to a participant pursuant to an Award that is intended to qualify as performance based compensation under section 162(m) of the Code (a Qualified Performance-Based Award) in any one performance period shall not exceed 500,000 in the aggregate.

Administration. A committee appointed by the Board of Directors consisting of two or more non-employee, outside directors (or in the absence of such committee, the Board of Directors) (the Committee) will administer the Plan. Subject to the other provisions of the Plan, the Committee has the authority to:

interpret the Plan;

establish and amend rules and regulations relating to the Plan;

select the participants and determine the type of Awards to be made to participants, the number of shares subject to Awards and the terms, conditions, restrictions and limitations of Awards; and

make all other determinations it deems necessary or advisable for the administration of the Plan.

Each Award granted under the Plan will be evidenced by a written award agreement between the participant and the Company, which will describe the Award and state the terms and conditions to which the Award is subject. The principal terms and conditions of each particular type of Award are described below.

Edgar Filing: EMTEC INC/NJ - Form DEF 14A

If any Award is forfeited, or if any option terminates, expires or lapses without being exercised, shares of Common Stock subject to such Award will again be available for future grant. If there is any change in the Company's corporate capitalization, the Committee in its sole discretion may cancel and make substitutions of Awards or may adjust the number of shares available for award under the Plan, the number and kind of shares covered by Awards then outstanding under the Plan and the exercise price of outstanding options and stock appreciation rights.

- 10 -

Options

An option is the right to purchase shares of Common Stock for a specified period of time at a fixed price (the exercise price). Each option agreement will specify the exercise price, the type of option, the term of the option, the date when the option will become exercisable and any applicable performance goals.

Exercise Price. The Committee will determine the exercise price of an option at the time the option is granted. The exercise price under an option will not be less than 100% of the fair market value of Common Stock on the date the option is granted. However, any participant who owns more than 10% of the combined voting power of all classes of the Company's outstanding Common Stock (a 10% Stockholder) will not be eligible for the grant of an incentive stock option unless the exercise price of the Option is at least 110% of the fair market value of the Common Stock on the date of grant.

Term of the Option. The term of an option granted under the Plan will be no longer than ten years from the date of grant. In the case of an incentive stock option granted to a 10% Stockholder, the term will be for no more than five years from the date of grant.

Consideration. The means of payment for shares issued upon exercise of an option will be specified in each option agreement and generally may be made in cash, through a broker or bank from the proceeds of the sale of the shares purchased through the exercise of the option (a cashless exercise), or with other shares of Common Stock owned by the optionee.

Stock Appreciation Rights

A stock appreciation right (SAR) entitles the recipient to receive, upon exercise of the SAR, the increase in the fair market value of a specified number of shares of Common Stock from the date of the grant of the SAR and the date of exercise. Any grant shall specify the time or times at which the SAR may become exercisable, the method of settlement (i.e., in cash or shares of Common Stock or a combination thereof) and any other terms and conditions applicable to the SAR. The term of SAR granted under the Plan will be no longer than ten years from the date of grant.

Restricted Stock and Deferred Stock

An Award of restricted stock is a grant to the recipient of a specified number of shares of Common Stock which are subject to forfeiture upon specified events during the restriction period. Each grant of restricted stock will specify the length of the restriction period and will include restrictions on transfer to third parties during the restriction period. Unless otherwise provided in the applicable Award agreement, during the restriction period, the recipient has the right to receive dividends on, and to vote, the shares of restricted stock. In the sole discretion of the Committee, the Award agreement may also provide for a cash payment to reimburse the recipient for his or her tax liability in connection with the grant or vesting of restricted stock.

An Award of deferred stock is an agreement by the Company to deliver to the recipient a specified number of shares of Common Stock at the end of a specified deferral period, subject to the fulfillment of conditions specified in the Award agreement.

General Provisions

Vesting. Each grant of deferred stock shall specify the deferral period and any other conditions to which future delivery of shares to the recipient is subject, including any applicable performance goals. Each grant of restricted stock shall specify the duration of the restriction period and any other conditions under which the restricted stock would be forfeitable to the Company, including any applicable performance goals. Each grant of options or SARs shall specify the length of service and/or any applicable performance goals that must be achieved before it becomes exercisable.

Performance-Based Awards. The Committee may condition the grant and vesting or exercise of options, stock appreciation rights, restricted stock and deferred stock on the achievement of performance goals established by the Committee. Performance goals may be established on a Company-wide basis; with respect to one or more subsidiaries, business units, divisions, departments, or functions; and in either absolute terms or relative to the performance of one or more comparable companies or an index covering multiple companies.

In the case of Qualified Performance-Based Awards, the applicable performance goals are limited to one or more of the following:

- specified levels of or increases in the Company's, a division's, or a subsidiary's return on capital, equity or assets;
- earnings measures/ratios (on a gross, net, pre-tax or post-tax basis), including diluted earnings per share, total earnings, operating earnings, earnings growth, earnings before interest and taxes (EBIT) and earnings before interest, taxes, depreciation and amortization (EBITDA);
- net economic profit (which is operating earnings minus a charge to capital);
- net income;
- sales;
- sales growth;
- gross margin;
- direct margin;
- share price (including but not limited to growth measures and total stockholder return);
- operating profit;
- per period or cumulative cash flow (including but not limited to operating cash flow and free cash flow) or cash flow return on investment (which equals net cash flow divided by total capital);
- inventory turns;
- financial return ratios;
- market share;
- balance sheet measurements such as receivable turnover;
- improvement in, or attainment of expense levels;
- improvement in, or attainment of working capital levels;
- debt reduction;
- strategic innovations;
- customer or employee satisfaction;
- individual objectives; and
- any other financial or other measurement deemed appropriate by the Committee as it relates to the results of operations or other measurable progress of the Company or a subsidiary (or other business unit).

Nontransferability of Awards. In general, during a participant's lifetime, his or her Awards shall be exercisable only by the participant and shall not be transferable other than by will or the laws of

descent and distribution. However, the Committee may provide for limited lifetime transfers of Awards, other than incentive stock options.

Effective Date, Amendments, and Termination of the Plan. The Plan shall be effective on the date it is approved by the Stockholders. The Board of Directors has the authority to amend or terminate the Plan at any time; provided, however, that Stockholder approval is required for any amendment which increases the number of shares of Common Stock subject to the Plan, decreases the price at which Awards may be granted or extends the maximum term of Awards. The Plan will continue until the tenth anniversary of its approval by the Stockholders unless earlier terminated by the Board of Directors.

Certain Federal Income Tax Considerations

The following discussion is a summary of certain federal income tax considerations that may be relevant to participants in the Plan. The discussion is for general informational purposes only and does not purport to address specific federal income tax considerations that may apply to a participant based on his or her particular circumstances, nor does it address state or local income tax or other tax considerations that may be relevant to a participant.

Non-Qualified Options. A participant realizes no taxable income and the Company is not entitled to a deduction when a non-qualified option is granted. Upon exercise of a non-qualified option, a participant will realize ordinary income equal to the excess of the fair market value of the shares received over the exercise price of the non-qualified option, and the Company will be entitled to a corresponding deduction. A participant's tax basis in the shares of Common Stock received upon exercise of a non-qualified option will be equal to the fair market value of such shares on the exercise date, and the participant's holding period for such shares will begin at that time. Upon sale of the shares of Common Stock received upon exercise of a non-qualified option, the participant will realize short-term or long-term capital gain or loss, depending upon whether the shares have been held for more than one year. The amount of such gain or loss will be equal to the difference between the amount realized in connection with the sale of the shares, and the participant's tax basis in such shares.

Under the Plan, non-qualified options may, if permitted under the applicable Award agreement, be exercised in whole or in part with shares of Common Stock held by the participant. Payment in Common Stock will be treated as a tax-free exchange of the shares surrendered for an equivalent number of shares of Common Stock received, and the equivalent number of shares received will have a tax basis equal to the tax basis of the surrendered shares. The fair market value of shares of Common Stock received in excess of the number of shares surrendered will be treated as ordinary income and such shares have a tax basis equal to their fair market value on the date of the exercise of the non-qualified option.

Incentive Stock Options. A participant realizes no taxable income and the Company is not entitled to a deduction when an incentive stock option is granted or exercised. Provided the participant meets the applicable holding period requirements for the shares received upon exercise of an incentive stock option (two years from the date of grant and one year from the date of exercise), gain or loss realized by a participant upon sale of the shares received upon exercise will be long-term capital gain or loss, and the Company will not be entitled to a deduction. If, however, the participant disposes of the shares before meeting the applicable holding period requirements (a disqualifying disposition), the participant will realize ordinary income at that time equal to the excess of the fair market value of the shares on the exercise date over the exercise price of the incentive stock option. Any amount realized upon a disqualifying disposition in excess of the fair market value of the shares on the exercise date of the incentive stock option will be treated as capital gain and will be treated as long-term capital gain if the shares have been held for more than one year. If the sales price is less than the sum of the exercise price of the incentive stock option and the amount included in ordinary income due to the disqualifying

disposition, this amount will be treated as a short-term or long-term capital loss, depending upon whether the shares have been held for more than one year.

Under the Plan, incentive stock options may, if permitted under the applicable Award agreement, be exercised in whole or in part with shares of Common Stock held by the participant. Such an exercise will be treated as a tax-free exchange of the shares of Common Stock surrendered (assuming the surrender of the previously-owned shares does not constitute a disqualifying disposition of those shares) for an equivalent number of shares of Common Stock received, and the equivalent number of shares received will have a tax basis equal to the tax basis of the surrendered shares. Shares of Common Stock received in excess of the number of shares surrendered will have a tax basis of zero.

SARs. A participant realizes no taxable income and the Company is not entitled to a deduction when a SAR is granted. Upon exercising a SAR, a participant will realize ordinary income in an amount equal to the cash or the fair market value of the shares received minus any amount paid for the shares, and the Company will be entitled to a corresponding deduction.

Restricted Stock. Restricted stock received pursuant to Awards will be considered subject to a substantial risk of forfeiture for federal income tax purposes. If a participant who receives such restricted stock does not make the election described below, the participant realizes no taxable income upon the receipt of restricted stock and the Company is not entitled to a deduction at such time. When the forfeiture restrictions with respect to the restricted stock lapse the participant will realize ordinary income equal to the fair market value of the shares at that time, and the Company will be entitled to a corresponding deduction. A participant's tax basis in restricted stock will be equal to their fair market value when the forfeiture restrictions lapse, and the participant's holding period for the shares will begin when the forfeiture restrictions lapse. Upon sale of the shares, the participant will realize short-term or long-term gain or loss, depending upon whether the shares have been held for more than one year at the time of sale. Such gain or loss will be equal to the difference between the amount realized upon the sale of the shares and the tax basis of the shares in the participant's hands.

Participants receiving restricted stock may make an election under Section 83(b) of the Code with respect to the shares. By making a Section 83(b) election, the participant elects to realize compensation income with respect to the shares when the shares are received rather than at the time the forfeiture restrictions lapse. The amount of such compensation income will be equal to the fair market value of the shares when the participant receives them (valued without taking the restrictions into account), and the Company will be entitled to a corresponding deduction at that time. By making a Section 83(b) election, the participant will realize no additional compensation income with respect to the shares when the forfeiture restrictions lapse, and will instead recognize gain or loss with respect to the shares when they are sold. The participant's tax basis in the shares with respect to which a Section 83(b) election is made will be equal to their fair market value when received by the participant, and the participant's holding period for such shares begins at that time. If, however, the shares are subsequently forfeited to the Company, the participant will not be entitled to claim a loss with respect to the shares to the extent of the income realized by the participant upon the making of the Section 83(b) election. To make a Section 83(b) election, a participant must file an appropriate form of election with the Internal Revenue Service and with the Company, each within 30 days after shares of restricted stock are received, and the participant must also attach a copy of his or her election to his or her federal income tax return for the year in which the shares are received.

Generally, during the restriction period, dividends and distributions paid with respect to restricted stock will be treated as compensation income (not dividend income) received by the participant. Dividend payments received with respect to shares of restricted stock for which a Section 83(b) election has been made generally will be treated as dividend income.

Deferred Stock. A participant realizes no taxable income and the Company is not entitled to a deduction when deferred stock is awarded. When the deferral period for the award ends and the participant receives shares of Common Stock, the participant will realize ordinary income equal to the fair market value of the shares at that time, and the Company will be entitled to a corresponding deduction. A participant's tax basis in shares of Common Stock received at the end of a deferral period will be equal to the fair market value of such shares when the participant receives them. Upon sale of the shares, the participant will realize short-term or long-term capital gain or loss, depending upon whether the shares have been held for more than one year at the time of sale. Such gain or loss will be equal to the difference between the amount realized upon the sale of the shares and the tax basis of the shares in the participant's hands.

Withholding. The Company is entitled to deduct from the payment of any Award (whether made in stock or in cash) all applicable income and employment taxes required by federal, state, local or foreign law to be withheld, or may require the participant to pay such withholding taxes to the Company as a condition of receiving payment of the Award. The Committee may allow a participant to satisfy his or her withholding obligations by directing the Company to retain the number of shares necessary to satisfy the withholding obligation, or by delivering shares held by the participant to the Company in an amount necessary to satisfy the withholding obligation.

Section 162(m) Limitations. The Company's entitlement to a deduction with respect to any Award is subject to section 162(m) of the Code, which limits the deductibility of compensation paid to certain executive officers, unless such compensation is performance-based compensation and meets certain other requirements outlined in Code Section 162(m) and related regulations. Awards under the Plan that are Qualified Performance-Based Awards are intended to meet these requirements.

Your Board of Directors unanimously recommends a vote FOR the adoption of the 2006 Stock Based Incentive Compensation Plan.

Compensation Committee Interlocks and Insider Participation

Currently, there is no compensation committee. The members of the entire Board deliberate and decide compensation.

Report of the Board Regarding Executive Compensation

The Board as a whole meets to discuss executive compensation. For fiscal year 2006, the Board has determined as follows.

Executive Compensation Summary

Executive Compensation Program. The Company's executive compensation program is designed to attract and retain highly qualified executives and to motivate them to contribute to the Company's

goals and objectives and its overall financial success. Compensation for the Company's executives may consist of both cash and equity-based compensation. In determining executive compensation, the Board reviews and evaluates information supplied by management and bases decisions on management recommendations as well as on the Company's performance and on the individual's contribution and performance.

Salary. The Board reviews the salary of each executive officer in relation to previous salaries, personal performance, and salaries of executive officers in the industry and general economic conditions. The salaries are set at levels intended to motivate and retain highly qualified executives whom the Board believes are important to the continued success of the Company.

Bonuses. The Company has an annual incentive payment program for executive officers that is intended to encourage and reward excellent individual performances by managers who make significant contributions to the Company's financial success. An executive officer could earn bonus compensation based in part upon achievement by the Company of certain financial performance objectives and in part by achievement of individual operating objectives designed to enhance future performance by the Company. No performance bonuses were paid in 2005. However, bonuses were paid to Keith Grabel in accordance with the terms of his employment agreement and Mary Grabel pursuant to a letter agreement.

Non-Cash Incentives. The Company has the ability to grant stock options and restricted stock to provide long-term incentives for the executive officers. Although none of the named executive officers listed in the Summary Compensation Table were granted stock options during the fiscal year ended August 31, 2005, future option grants under the 2006 Stock Based Incentive Compensation Plan are designed to better align the interests of the executive officers with those of the stockholders and to provide each individual with a significant incentive to manage the Company from the perspective of an owner and to remain employed by the Company. The number of shares subject to each option grant is based on the officer's level of responsibility, relative position within the Company, and is approved by the Board of Directors.

2005 Compensation of Chairman and Chief Executive Officer

The Board determined the 2005 compensation for Mr. Desai's service as Chairman and Chief Executive Officer in accordance with the guidelines described above. Mr. Desai is currently paid a salary of \$285,000 on an annual basis. Based on the scope of services that he has and will be asked to perform from time to time, the Board determined that his salary and incentive compensation levels are reflective of the market place for senior executive level financial and business advisors and for the type of services that Mr. Desai performs.

Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally imposes a \$1 million limit on the deductibility of compensation paid to executive officers of public companies. The Board believes that all of the compensation awarded to the Company's executive officers during 2005 is fully deductible in accordance with this limit.

The members of the Board of Directors respectfully submit this report.

(b) During the Restriction Period, the transferability of Restricted Stock shall be prohibited or restricted in the manner and to the extent prescribed in the applicable Award Agreement. Such restrictions may include, without limitation, rights of repurchase or first refusal in the Company or provisions subjecting the Restricted Stock to a continuing substantial risk of forfeiture in the hands of any transferee.

(c) Upon determination of the number of shares of Restricted Stock to be granted to the Participant, the Committee shall direct that a certificate or certificates representing the number of shares of Common Stock be issued to the Participant with the Participant designated as the registered owner. The certificate(s) representing such shares shall

be legended as to sale, transfer, assignment, pledge or other encumbrances during the Restriction Period and deposited by the Participant, together with a stock power endorsed in blank, with the Company, to be held in escrow during the Restriction Period. At the end of the Restriction Period the restrictions imposed hereunder shall lapse with respect to the number of shares of Restricted Stock as provided in the Award Agreement, and the legend shall be removed and such number of shares delivered to the Participant (or, where appropriate, the Participant's legal representative).

(d) Unless otherwise provided in the applicable Award Agreement, during the Restriction Period the Participant shall have all the rights of a stockholder with respect to Restricted Stock, including, without limitation, the right to receive dividends thereon (whether in cash or shares of Common Stock) and to vote such shares of Restricted Stock.

(e) In the sole discretion of the Committee, an Award Agreement regarding Restricted Stock may provide for a tax reimbursement cash payment to be made by the Company to any Participant in connection with the tax consequences resulting from an Award of Restricted Stock, the lapse of restrictions on any Restricted Stock or the payment by a Participant of any taxes related thereto, subject to such conditions as the Committee may specify.

6.4. Deferred Stock. An Award of Deferred Stock is an agreement by the Company to deliver to the Participant a specified number of shares of Common Stock at the end of a specified Deferral Period. Such an Award shall be subject to the following terms and conditions.

(a) Upon determination of the number of shares of Deferred Stock to be awarded to a Participant, the Committee shall direct that the same be credited to the Participant's account on the books of the Company but that issuance and delivery of the same shall be deferred until the date or dates specified in the applicable Award Agreement.

(b) Unless otherwise provided in the applicable Award Agreement, prior to issuance and delivery of the Deferred Stock, the Participant shall have no rights as a stockholder with respect to any shares of Deferred Stock credited to the Participant's account.

(c) Amounts equal to any dividends declared during the Deferral Period with respect to the number of shares covered by a Deferred Stock Award will be paid to the Participant currently, or deferred and deemed to be reinvested in additional Deferred Stock, or otherwise reinvested on such terms as are determined at the time of the Award by the Committee, in its sole discretion, and specified in the Award Agreement.

(d) The Deferral Period may consist of one or more installments. At the end of the Deferral Period or any installment thereof the shares of Deferred Stock applicable to such installment credited to the account of a Participant shall be issued and delivered to the Participant (or, where appropriate, the Participant's legal representative) in accordance with the terms of the Award Agreement.

6.5. Other Stock-Based Awards. The Committee is authorized, subject to limitations under applicable law, to grant to Participants any type of Award other than an Award provided in Section 6.1, 6.2, 6.3 or 6.4 hereof that is payable in, or valued in whole or in part by

reference to, shares of Common Stock, and that is deemed by the Committee to be consistent with the purposes of the Plan. Such stock-based Awards may include Awards granted in substitution for any other right of a Participant to receive payment of compensation from the Corporation or a Subsidiary.

6.6. Performance-Based Awards.

- (a) In General: Any grant of an Award hereunder, and/or the vesting or exercise thereof, may be conditioned upon the attainment of Performance Goals established by the Committee.
- (b) Qualified Performance-Based Awards: In the case of a Qualified Performance-Based Award, the following provisions shall apply in addition to, and where necessary, in lieu of other provisions of the Plan:
 - (i) References to the Committee in this Section 6.6(b) shall refer to a committee appointed by the Board consisting of at least two members, each of whom shall be an outside director as defined in Section 162(m) of the Code and the regulations issued thereunder.
 - (ii) Only Employees who are Covered Employees within the meaning of Section 162(m) of the Code shall be eligible to receive Qualified Performance-Based Awards. The Committee shall designate in its sole discretion which Covered Employees will be Participants for a Performance Period within the earlier of the (x) first 90 days of a Performance Period and (y) the lapse of 25% of the Performance Period.
 - (iii) The Committee shall establish in writing within the earlier of the (x) first 90 days of a Performance Period and (y) the lapse of 25% of the Performance Period, and in any event, while the outcome is substantially uncertain, (A) Performance Goals for the Performance Period, and (B) in respect of such Performance Goals, a minimum acceptable level of achievement below which no payment will be made, and an objective formula or other method for determining the amount of any payment to be made if performance is at or above such minimum acceptable level but falls short of the maximum achievement of the specified Performance Goals.
 - (iv) Following the completion of a Performance Period, the Committee shall review and certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been achieved and, if so, to also calculate and certify in writing the amount of the Qualified Performance-Based Awards earned for the period based upon the Performance Goals and the related formulas or methods as determined pursuant to Section 6.5(iii). The Committee shall then determine the actual amount payable under each Participant's Award for the Performance Period, and, in doing so, may reduce or eliminate, unless otherwise and/or to the extent provided in the Award Agreement, the amount of the Award. In no event shall the Committee have the authority to increase Award amounts to any Covered Employee.

(v) Awards granted or vesting with respect to a Performance Period shall be paid to Participants within a reasonable time after completion of the certification described in Section 6.5(iv).

6.7. Additional Provisions Applicable to Awards. Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, or in substitution for, any other Award granted under the Plan or any award granted under any other plan of the Company or any Subsidiary or any business entity acquired by the Company or any Subsidiary, or any other right of a Participant to receive payment from the Company or any Subsidiary.

Section 7. Settlement of Awards. Subject to the terms of the Plan and any applicable Award Agreement, payments or transfers to be made pursuant to Awards under the Plan may be made in such forms as the Committee shall determine, including, without limitation, cash, shares of Common Stock, other Awards, or other property, and may be made in a single payment or transfer, or on an installment basis.

Section 8. Exchange and Buy Out Provisions: Limitation on Repricing. The Committee may at any time offer to exchange or buy out any previously granted Award for a payment in cash, shares of Common Stock, other Awards, or other property based on such terms and conditions as the Committee shall determine and communicate to a Participant at the time that such offer is made.

Section 9. Termination for Cause. A Participant who is terminated for Cause shall, unless otherwise determined by the Committee, immediately forfeit, effective as of the date the Participant engages in such conduct, all unexercised, unearned, and/or unpaid Awards, including, without limitation, Awards earned but not yet paid or exercised, all unpaid dividends and dividend equivalents, and all interest, if any, accrued on the foregoing.

Section 10. Adjustments upon Changes in Capitalization.

10.1. In the event of a stock dividend, recapitalization, forward split or reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase or share exchange, extraordinary or unusual cash distribution or other similar corporate transaction or event, the Committee may make such adjustments as it deems necessary or appropriate, including without limitation, adjustments to (i) the number and kind of shares of Common Stock which may thereafter be issued in connection with Awards, (ii) the number and kind of shares of Common Stock issuable in respect of outstanding Awards, (iii) the aggregate number and kind of shares of Common Stock available under the Plan, and (iv) the exercise or grant price relating to any Award; provided, however, in each case, that no adjustment shall be made that would (x) cause the Plan to violate Section 422(b)(1) of the Code with respect to Incentive Stock Options, (y) cause an Award to provide for the deferral of compensation under Section 409A of the Code, or (z) adversely affect the status of any Award that is a Qualified Performance-Based Award. Moreover, in the event of such transaction or event, the Committee may provide in substitution for any or all outstanding Awards under the Plan such alternative consideration as it may in good faith determine to be equitable under the circumstances and may require in connection therewith the surrender of all Awards so replaced.

10.2. The Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards, including any Performance Goals, in recognition of unusual or nonrecurring events (including, without limitation, events described in Section 10.1) affecting the Company or any Subsidiary, or in response to changes in applicable laws, regulations, or accounting principles. Notwithstanding the foregoing, no adjustment shall be made in any outstanding Awards to the extent that such adjustment would adversely affect the status of an Award as a Qualified Performance-Based Award.

Section 11. Termination and Amendment.

11.1. Changes to the Plan and Awards. The Board may amend, alter, suspend, discontinue, or terminate the Plan without the consent of the Company's stockholders or Participants, except that any such amendment, alteration, suspension, discontinuation, or termination shall be subject to the approval of the Company's stockholders if such action would (i) increase the aggregate number of shares subject to the Plan (other than increases pursuant to Section 10 hereof), (ii) decrease the price at which Awards may be granted (other than decreases pursuant to Section 10 hereof), (iii) extend the maximum term of Awards under the Plan or the Plan itself, or (iv) make any other change that would require such stockholder approval pursuant to the terms of the Plan or any federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Common Stock may then be listed or quoted, and the Board may otherwise in its discretion, determine to submit other such changes to the Plan to the stockholders for approval. The Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue, or terminate, any Award theretofore granted and any Award Agreement relating thereto.

11.2. The foregoing notwithstanding, any Performance Goal or other performance condition specified in connection with an Award shall not be deemed a fixed contractual term, but shall remain subject to adjustment by the Committee, in its discretion at any time in view of the Committee's assessment of the Company's strategy, performance of comparable companies, and other circumstances, except to the extent that any such adjustment to a performance condition would adversely affect the status of an Award as a Qualified Performance-Based Award.

Section 12. No Right to Award, Employment or Service. Neither the Plan nor any action taken hereunder shall be construed as giving any Employee any right to be retained in the employ of the Company or any Subsidiary. For purposes of this Plan, transfer of employment between the Company and its Subsidiaries shall not be deemed a termination of employment. Nothing contained herein or in any individual Award Agreement shall be construed to confer on any Non-Employee Director any right to continue as a director of the Company or reduce any right of the Company, the Board or the stockholders of the Company to remove such Non-Employee Director as a director of the Company, with or without cause.

Section 13. Taxes. The Company or any Subsidiary is authorized to withhold from any payment relating to an Award under the Plan, including from a distribution of Common Stock or any payroll or other payment to a Participant amounts of withholding and other taxes due in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company and Participants to satisfy obligations

for the payment of withholding taxes and other tax obligations relating to any Award. The preceding sentence shall include authority to withhold or receive Common Stock or other property and to make cash payments in respect thereof in satisfaction of a Participant's tax obligations. Withholding of taxes in the form of shares of Common Stock issued pursuant to an Award (including any net payments) shall not occur at a rate that exceeds the minimum required statutory federal and state withholding rates.

Section 14. Limits on Transferability; Beneficiaries. No Award or other right or interest of a Participant under the Plan shall be pledged, encumbered, or hypothecated to, or in favor of, or subject to any lien, obligation, or liability of such Participant to, any party, other than the Company or any Subsidiary or assigned or transferred by such Participant otherwise than by will or the laws of descent and distribution, and such Awards and rights shall be exercisable during the lifetime of the Participant only by the Participant or his or her guardian or legal representative. Notwithstanding the foregoing, the Committee may, in its discretion, provide that Awards or other rights or interests of a Participant granted pursuant to the Plan (other than an Incentive Stock Option) be transferable, without consideration, to immediate family members (i.e., children, grandchildren or spouse), to trusts for the benefit of such immediate family members and to partnerships in which such family members are the only partners. The Committee may attach to such transferability feature such terms and conditions as it deems advisable. In addition, a Participant may, in the manner established by the Committee, designate a beneficiary (which may be a person or a trust) to exercise the rights of the Participant, and to receive any distribution, with respect to any Award upon the death of the Participant. A beneficiary, guardian, legal representative or other person claiming any rights under the Plan from or through any Participant shall be subject to all terms and conditions of the Plan and any Award Agreement applicable to such Participant, except as otherwise determined by the Committee, and to any additional restrictions deemed necessary or appropriate by the Committee.

Section 15. No Rights to Awards; No Stockholder Rights. No Participant shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Participants. No Award shall confer on any Participant any of the rights of a stockholder of the Company unless and until Common Stock is duly issued or transferred to the Participant in accordance with the terms of the Award.

Section 16. Foreign Nationals. Without amending the Plan, Awards may be granted to Employees who are foreign nationals or employed outside the United States or both, on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to further the purpose of the Plan.

Section 17. Securities Law Requirements.

(a) No shares of Common Stock may be issued hereunder if the Company shall at any time determine that (i) the listing upon any securities exchange, registration or qualification under any state or federal law of any Common Stock otherwise issuable pursuant an Award granted hereunder, or (ii) the consent or approval of any regulatory body or the satisfaction of withholding tax or other withholding liabilities, is necessary or appropriate in connection with such issuance. In any of the events referred to in clause (i) or

clause (ii) above, the issuance of such shares shall be suspended and shall not be effective unless and until such withholding, listing, registration, qualifications or approval shall have been effected or obtained free of any conditions not acceptable to the Company in its sole discretion, notwithstanding any termination of any Award or any portion of any Award during the period when issuance has been suspended.

(b) The Committee may require, as a condition to the issuance of shares hereunder, representations, warranties and agreements to the effect that such shares are being purchased or acquired by the Participant for investment only and without any present intention to sell or otherwise distribute such shares and that the Participant will not dispose of such shares in transactions which, in the opinion of counsel to the Company, would violate the registration provisions of the Securities Act of 1933, as then amended, and the rules and regulations thereunder. The certificates issued to evidence such shares shall bear appropriate legends summarizing such restrictions on the disposition thereof.

Section 18. Termination. Unless the Plan shall theretofore have been terminated by the Board, the Plan shall terminate on the 10-year anniversary of the effective date, and no Awards under the Plan shall thereafter be granted. No Award may be granted hereunder after termination of the Plan, but such termination shall not affect the validity of any Award then outstanding.

Section 19. Fractional Shares. The Company will not be required to issue any fractional shares pursuant to the Plan. The Committee may provide for the elimination of fractions and for the settlement of fractions in cash.

Section 20. Discretion. In exercising, or declining to exercise, any grant of authority or discretion hereunder, the Committee may consider or ignore such factors or circumstances and may accord such weight to such factors and circumstances as the Committee alone and in its sole judgment deems appropriate and without regard to the effect such exercise, or declining to exercise such grant of authority or discretion, would have upon the affected Participant, any other Participant, any employee, the Company, any Subsidiary, any stockholder or any other person.

Section 21. Governing Law. The validity and construction of the Plan and any Award Agreements entered into thereunder shall be construed and enforced in accordance with the laws of the State of Delaware, but without giving effect to the choice of law principles thereof.

Section 22. Adoption of Plan; Effective Date. The Plan shall become effective upon its approval by the stockholders of the Company, and no Award shall become exercisable, realizable or vested prior to such approval.
