## **Director Independence**

The Board of Directors has adopted standards for determining whether a director is independent from management. The Board reviews, consistent with the Company's corporate governance guidelines, whether a director has any material relationship with the Company that would impair the director's independent judgment.

To assist it in making independence determinations, the Board refers to the standards set forth at 303A.02(b) of the New York Stock Exchange Listed Company Manual. The Board of Directors has affirmatively determined, based on its standards, that the following directors are independent: Messrs. Raymond W. Boushie, James L. Gray, John D. Hendrick, Kraig H. Kayser, Brian J. Lipke, and Albert F. Myers. The Board has also determined that all Board standing committees, other than the Executive Committee, are composed entirely of independent directors.

## **Certain Relationships and Related Transactions**

## **Executive Sessions**

The Company's corporate governance guidelines provide that the non-management directors, which for the Company are all of the independent directors, meet without management at regularly scheduled executive sessions. Generally, these sessions take place prior to or following regularly scheduled Board meetings. Each executive session has a Presiding Director, who acts as chairperson for the executive session, with the role of Presiding Director rotating among the independent Directors.

The Audit Committee meets with the Company's independent auditors in regularly scheduled executive sessions, with the Audit Committee chairperson presiding over such sessions.

## **Section 16 Beneficial Ownership Reporting Compliance**

Except as noted, during the fiscal year ended September 24, 2005, the executive officers and directors of the Company timely filed with the Securities and Exchange Commission the required reports regarding their beneficial ownership of Company securities. One transaction related to the sale of Moog Class A shares by the Seneca Foods Foundation was reported two days late for Kraig H. Kayser, a Director who had an indirect beneficial interest in the shares.

**Table of Contents****Other Directorships**

**Board of Directors and Committee Meetings**

From September 26, 2004 to September 24, 2005, the Board of Directors held five meetings. The following are the standing committees of the Board of Directors and the number of meetings each committee held during the last fiscal year:

<b>Committees</b>	<b>Number of Meetings</b>	<b>Members</b>

For various reasons Board members may not be able to attend a Board meeting. All Board members are provided information related to each of the agenda items before each meeting, and, therefore, can provide counsel outside the confines of regularly scheduled meetings. Mr. Lipke attended less than 75% of Board of Directors and Committee meetings. It is the Company's policy that, to the extent reasonably practicable, Board members are expected to attend shareholder meetings. All but one of the directors attended the January 2005 shareholders meeting.

The Audit Committee oversees the integrity of the financial reporting process, the independent auditor and the internal audit function of the Company. The Executive Committee, between meetings of the Board of Directors and to the extent permitted by law, exercises all of the powers and authority of the Board in the management of the business of the Company. The Executive Compensation Committee determines the CEO's compensation and makes recommendations on non-CEO executive compensation plans. The Stock Option Committee is responsible for the administration of the stock option plans of the Company and recommends to the Board of Directors proposed recipients of stock options. The Nominating and Governance Committee evaluates and recommends candidates for the Board of Directors and oversees governance matters.

**Website Access to Information**

The Company's internet address is [www.moog.com](http://www.moog.com). The Company has posted to the investor information portion of its website its corporate governance guidelines, board committee charters (including the charters of its Audit, Executive Compensation, and Nominating and Governance Committees) and code of ethics. This information is available in print to any shareholder upon request. All requests for these documents should be made to the Company's Manager of Investor Relations by calling (716) 687-4225.

**Communications with Directors**

The Board of Directors has provided a process for which shareholders or other interested parties can communicate with the Board of Directors or with the non-management directors as a group. All such questions or inquiries should be directed to the Secretary of the Company, John B. Drenning, c/o Hodgson Russ, LLP, One M&T Plaza, Suite 2000, Buffalo, New York 14203. Mr. Drenning will review and communicate pertinent inquiries to the Board, or if requested, the non-management directors as a group.

**NOMINATING AND GOVERNANCE COMMITTEE REPORT**

The Nominating and Governance Committee is composed solely of independent non-employee directors in accordance with the standards of the New York Stock Exchange. The committee participates in the search for qualified directors. At a minimum, qualifications must include relevant experience in the operation of public companies, education and skills, and a high level of integrity. The candidate must be willing and available to serve and should represent the interests of all shareholders and not of any special interest group. After conducting an initial evaluation of a candidate, the Committee will interview that candidate if it believes the candidate might be suitable to be a director and may also ask the candidate to meet with other directors and management. If the Committee believes a candidate would be a valuable addition to the Board of Directors, it will recommend to the full board that candidate's election. A shareholder wishing to nominate a candidate should forward the candidate's name and a detailed background of the candidate's qualifications to the Secretary of the Company in accordance with the procedures outlined in the Company's by-laws. In making a nomination, shareholders should take into consideration the criteria set forth above and in the Company's corporate governance guidelines. The Board of Directors has adopted a written charter for the Nominating and Governance Committee. A copy of the charter is available on the Company's website. The Committee met on November 29, 2005 and nominated Messrs. Aubrecht, Gray, Hendrick and Lipke for election at the 2006 Annual Meeting.

**EXECUTIVE COMPENSATION COMMITTEE REPORT**

The Executive Compensation Committee is composed solely of independent, non-employee directors of the Company. The Executive Compensation Committee is responsible for all elements of executive compensation including base salary, management profit sharing and other benefit programs for key executives.

The goals of the Company's executive compensation program are to:

1. Pay competitively to attract, retain and motivate superior executives who must operate in a highly competitive and technologically specialized environment;
2. Relate total compensation for each executive to overall Company performance as well as individual performance, and
3. Align executives' performances and financial interests with shareholder value.

It is the Company's policy to consider the deductibility of executive compensation under applicable income tax rules, as one of many factors used to make specific compensation determinations consistent with the goals of the Company's executive compensation program. Presently, Section 162(m) of the Internal Revenue Code, relating to the nondeductibility of individual annual executive compensation payments in excess of \$1 million, will not cause any compensation to be paid by the Company to be nondeductible.

**Salaries**

Base salary ranges are developed after considering the recommendations of professional compensation consultants who conduct annual compensation surveys of similar companies. Base salaries within these ranges are targeted to be above average and competitive in relation to salaries paid for similar positions in comparable companies. On an annual basis, the Executive Compensation Committee reviews management recommendations for executives' salaries utilizing the results of survey data for comparable executive positions. Individual salary determinations within the established ranges are made based on position accountabilities, experience, sustained individual performance, overall Company performance, and peer comparisons inside and outside the Company, with each factor being weighed reasonably in relation to other factors.

## **Table of Contents**

### **Management Profit Sharing**

Under the discretionary Management Profit Sharing Program, an individual executive's annual profit share is determined by multiplying the base salary by the product of the Company's year-over-year percent improvement in diluted earnings per share and a multiple which varies with the executive's accountabilities. The Company uses percent improvement in earnings per share as the performance parameter because it is a principal financial performance measurement used by share investors and the general financial community.

The plan is intended to motivate executives toward the achievement of goals which are directly aligned with shareholder interests. Officers of the Company participate in this plan with all other key executives. There have been fiscal years when management has temporarily suspended payment under the Management Profit Sharing Program or paid only a portion of the amount calculated under the program. A management profit share was awarded to executives for fiscal year 2005. Such profit share, with the exception of officers providing an election to defer receipt, was paid to executive officers on December 2, 2005, the date the Executive Compensation Committee established for payment.

### **Stock Options**

Stock option plans are used to align the long-term financial interests of executives with those of shareholders.

The shareholders of the Company, on February 11, 1998, approved a Stock Option Plan ( 1998 Plan ) providing for the grant of options which may be Incentive Stock Options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, or non-qualified stock options, or a combination of both, as determined by the Stock Option Committee. The 1998 Plan, which will terminate on December 31, 2007, covers a total of 2,025,000 shares of the Company's Class A common stock, \$1.00 par value, reserved for the grant of options to directors, officers, and other key employees. The 1998 Plan provides that the option price shall be at least equal to the fair market value of the Company's Class A common stock at the time of the grant. The Plan is administered by the Stock Option Committee of the Board of Directors, which is comprised of at least three directors, each of whom is an independent Board member.

On February 5, 2003 the shareholders approved the 2003 Stock Option Plan ( 2003 Plan ). The 2003 Plan is the same in all material respects to the 1998 Plan described in the preceding paragraph, with the exception that the 2003 plan imposes a three year holding period requirement unless Moog stock is used in payment of options exercised. The 2003 Plan covers 1,350,000 Moog Class A shares and terminates November 26, 2012.

During fiscal year 2005, Mr. Brady received options for 27,000 shares, and Messrs. Green, Maskrey, Banta and Huckvale each received options for 20,250 shares, and all executive officers and directors as a group received options for a total of 270,222 shares. Of the options granted, options for 229,722 shares have an exercise price of \$28.01, options for 20,250 shares have an exercise price of \$28.89 and 20,250 shares have an exercise price of \$26.65, and are exercisable not less than one year and ending not more than ten years after the date upon which they were granted. See page 13 for table of Option Grants in Last Fiscal Year.

### **Other Compensation Plans**

In order that the total aggregated compensation package provided executives meets the Company's goals, executives receive certain additional benefits as discussed on pages 13 through 16. These plans are comparable to those provided to executives in companies surveyed by the Company's professional compensation consultants.

### **Compensation of the Chief Executive Officer**

The Executive Compensation Committee determines the Chief Executive Officer's salary and other compensation elements based on performance. The salary is established within a salary range recommended by an independent compensation consulting firm.

The Company continues to closely manage its business plans in response to changing demands in a very competitive global marketplace. The Company also continues to evaluate strategic acquisitions to strengthen its market position. Management has continued to improve overall financial performance.

#### **EMPLOYEES RETIREMENT PLAN**

Under the Company's Employees Retirement Plan, benefits are payable monthly upon retirement to participating employees of the Company based upon compensation and years of service and subject to limitations imposed by the Employee Retirement Income Security Act of 1974 ( ERISA ). The Employees Retirement Plan is administered by a Retirement Plan Committee and covers all employees with one year of service and a minimum of 1,000 hours of employment.

**Table of Contents**

Benefits payable under the Plan are determined on the basis of compensation and credited years of service. It is a career average plan. Effective January 1, 1998, Plan compensation for prior service as of October 1, 1990, is the base annual rate of pay, plus overtime pay and shift differential compensation for calendar year 1989, or the base annual rate of pay as of January 1, 1988, if higher.

Future service compensation is the basic annual rate of pay for the preceding plan year plus overtime and shift differential compensation, limited to \$200,000 (as indexed) from October 1, 2002 forward.

The prior service benefit is 1.15% of the first \$20,000 of prior service compensation, plus 1.75% of the excess, multiplied by prior service, but not less than the accrued benefit as of September 30, 1990, determined under the prior Plan.

The future service benefit for each year of credited service is 1.15% of the first \$20,000 of future service compensation for such year, plus 1.75% of the excess. Any participant with five years or more of service receives a minimum pension of \$2,400 per year, reduced pro rata for credited service of less than 15 years.

**SUPPLEMENTAL RETIREMENT PLAN**

The Company also has a Supplemental Retirement Plan applicable to eligible officers of the Company with at least 10 years of continuous service upon retirement at age 65 or older.

The Supplemental Retirement Plan provides benefits for an eligible officer who retires at age 65 with 25 years of service equal to 65% of the average of the highest consecutive three year base salary plus the highest annual profit share paid within three years of such officer's retirement, less any benefits payable under the Employees' Retirement Plan, and also less one-half the primary Social Security benefit of such officer at age 65. An officer 60 or more years of age, whose combined chronological age and years of service equal or exceed 90, may elect early retirement and receive reduced benefits. A reduced benefit is available for officers 65 years of age with between 10 and 25 years of service.

A participant's benefits are vested in the event of an involuntary termination of employment other than for cause, as defined in the Supplemental Retirement Plan. For purposes of the Supplemental Retirement Plan, a change in duties, responsibilities, status, pay or perquisites which follows a change of control of the Company, as defined therein, is deemed an involuntary termination.

The projected annual benefits, based on the last three years compensation, payable at normal age 65 retirement for each of the Named Executives under the Employees' Retirement Plan and the Supplemental Retirement Plan including one-half of the estimated primary Social Security benefit are:

<b>Name</b>	<b>Projected Annual Benefit Payable At Normal Retirement Age</b>
Robert T. Brady	\$ 529,301
Robert H. Maskrey	421,286
Joe C. Green	371,758
Robert R. Banta	359,928
Stephen A. Huckvale	302,981

**EMPLOYMENT TERMINATION BENEFITS AGREEMENTS**

Certain executive officers of the Company, including those named in the Summary Compensation Table, have entered into Employment Termination Benefits Agreements (the Termination Agreements ) with the Company.

The Termination Agreements provide that upon death, disability or retirement, the executive will receive those benefits provided to him by the Company under all its benefit plans. Where employment is terminated for cause, as defined in the Termination Agreements, the executive is entitled to the cash equivalent of any unutilized vacation, but is not entitled to participate in any profit share award or incentive compensation payable after the date of

**Table of Contents**

termination. In such circumstances, the right to exercise any stock options is also terminated. Upon a voluntary termination, the executive receives employment benefits up to the date of termination, as well as the cash value of any unutilized vacation benefits and stock options that may be exercised. In the event of a voluntary termination, the executive is not entitled to receive any profit share award or incentive compensation payable after termination.

Upon an involuntary termination other than for cause, the executive is immediately vested under the Supplemental Retirement Plan and is entitled to receive for one year, certain perquisites and insurance benefits. The executive also receives amounts otherwise payable under the Management Profit Sharing Program. Stock options may be exercised, or if not then exercisable, the executive is entitled to cash in an amount equal to the difference between the then current market value of the Company Common Stock underlying the option and the option's exercise price. The executive is entitled to the cash value of unutilized vacation benefits, as well as to the continuation of base compensation plus profit share and any bonus for between 12 and 36 months, based on years of service. Where involuntary termination occurs by reason of a change of control of the Company, as defined in the Termination Agreements, the executive receives the benefits otherwise provided for an involuntary termination, with accelerated vesting of compensation continuation.

During the term of the Termination Agreements, and in the event of involuntary termination upon a change of control, until the last payment to the executive is made under the Termination Agreements, the executive may not compete with the Company.

**DIRECTORS AND OFFICERS INDEMNIFICATION INSURANCE**

On November 1, 2005, the Company renewed an officers and directors indemnification insurance policy written by The Chubb Group. The renewal was for a one-year period at an annual premium of \$225,000. The policy provides indemnification benefits and the payment of expenses in actions instituted against any director or officer of the Company for claimed liability arising out of their conduct in such capacities. No payments or claims of indemnification or expenses have been made under any such insurance policies purchased by the Company at any time.

On November 30, 2004, the Board of Directors approved a new form of indemnification agreements for officers, directors and key employees, replacing a previous indemnification agreement for officers and directors established in 1987. The new indemnification agreement provides that officers, directors and key employees will be indemnified for expenses, investigative costs and judgments arising from threatened, pending or completed legal proceedings. The form of the new indemnification agreement was filed with the Securities and Exchange Commission on Form 8-K on December 1, 2004.

**PROPOSALS OF SHAREHOLDERS FOR 2007 ANNUAL MEETING**

To be considered for inclusion in the proxy materials for the 2007 Annual Meeting of Shareholders, shareholder proposals must be received by the Secretary of the Company prior to August 15, 2006. Under the Company's by-laws, if a shareholder wishes to nominate a director or bring other business before the shareholders at the 2007 Annual Meeting without having a proposal included in the proxy statement for that meeting, the shareholder must notify the Secretary of the Company in writing between September 16, 2006 and October 15, 2006, and the notice must contain the specific information required by the Company's by-laws. A copy of the Company's by-laws can be obtained without charge by writing Moog's Treasurer at the Company's East Aurora address.

Section 1.06 of the Company's by-laws provides that proposals may be properly brought before an annual meeting by a shareholder of record (both at the time notice of the proposal is given by the shareholder and as of the record date of the annual meeting in question) of any shares of the Company entitled to vote at the annual meeting if the shareholder provides timely notice of the proposal to the Secretary of the Company in accordance with the requirements of the by-laws. A shareholder making a proposal at an annual meeting must be present at such meeting in person, and the business brought before an annual meeting must also be a proper matter for shareholder action under the New York Business Corporation Law.

A shareholder's notice to the Secretary of the Company must set forth certain information regarding the shareholder and the proposal, including the name and address of the shareholder, a brief description of the business the shareholder desires to bring before the annual meeting and the reasons for conducting such business at such annual meeting, the class or series and number of shares beneficially owned by the shareholder, the names and addresses of other shareholders known to support such proposal and any material interest of the shareholder in such proposal.

Any shareholder who desires to make a nomination must be present in person at the annual meeting.

The notice must also provide a description of any arrangements or understandings between the nominating shareholder and each nominee and such other information concerning the nominee as required pursuant to the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended.

Further information regarding proposals or nominations by shareholders can be found in Section 1.06 of the Company's By-Laws.
