Series A Preferred Stock

(Title of class)

This Amendment No. 1 is being filed to amend and restate Item 1 to the Registration Statement on Form 8-A, filed July 9, 1999, by Craftmade International, Inc. (the Company), and to include as an exhibit to this Registration Statement the Amendment No. 1 to the Rights Agreement, dated June 9, 2009 by and between the Company and Computershare Trust Company, N.A., as successor to Harris Trust and Savings Bank, as Rights Agent (the Rights Agent). Except as amended hereby, there are no other changes to this Registration Statement.

The Rights Agreement was amended to, among other things, (i) extend the term of the Rights Agreement to June 23, 2014, (ii) delete the definition of Exempt Person, (iii) appoint Computershare Trust Company, N.A. as the successor rights agent and (iv) update the addresses for notices sent pursuant to the Rights Agreement.

Item 1. Description of Securities To Be Registered

On June 23, 1999, the Board of Directors of Craftmade International, Inc. (the Company) declared a dividend distribution of one Right for each outstanding share of the Company's common stock, \$0.01 par value (the Common Stock), to stockholders of record at the close of business on July 14, 1999. Each Right entitles the registered holder to purchase from the Company one one-thousandth (1/1,000) of a share of Series A Preferred Stock, par value \$1.00 per share (the Preferred Stock), at a Purchase Price of \$48.00 per one one-thousandth (1/1,000) of a share, subject to adjustment. The description and terms of the Rights are set forth in a Rights Agreement dated June 23, 1999 between the Company and Harris Trust and Savings Bank, as Rights Agent, as amended by Amendment No. 1 to Rights Agreement dated June 9, 2009 between the Company and Computershare Trust Company, N.A., as successor to Harris Trust and Savings Bank (as amended, the Rights Agreement).

Initially, the Rights will be attached to all Common Stock certificates representing shares then outstanding, and no separate Rights Certificates will be distributed. The Rights will separate from the Common Stock upon the earlier of (i) ten (10) business days following a public announcement that a person or group of affiliated or associated persons (an Acquiring Person) has acquired, or obtained the right to acquire, beneficial ownership of fifteen percent (15%) or more of the outstanding shares of Common Stock (the Stock Acquisition Date), or (ii) ten (10) business days (or such later date as the Board of Directors shall determine) following the commencement of a tender or exchange offer that would result in a person or group beneficially owning fifteen percent (15%) or more of such outstanding shares of Common Stock. The date the Rights separate is referred to as the Distribution Date.

Until the Distribution Date, (i) the Rights will be evidenced by the Common Stock certificates and will be transferred with and only with such Common Stock certificates, (ii) new Common Stock certificates issued after July 19, 1999 will contain a notation incorporating the Rights Agreement by reference, and (iii) the surrender for transfer of any certificates for Common Stock outstanding will also constitute the transfer of the Rights associated with the Common Stock represented by such certificates. Pursuant to the Rights Agreement, the Company reserves the right to require prior to the occurrence of a Triggering Event (as defined below) that, upon any exercise of Rights, a number of Rights be exercised so that only whole shares of Preferred Stock will be issued.

The Rights are not exercisable until the Distribution Date and will expire at the close of business on June 23, 2014, unless earlier redeemed by the Company as described below.

As soon as practicable after the Distribution Date, Rights Certificates will be mailed to holders of record of the Common Stock as of the close of business on the Distribution Date and, thereafter, the separate Rights Certificates will represent the Rights. Except in connection with shares of Common Stock issued or sold pursuant to the exercise of stock options under any employee plan or arrangements, or upon the exercise, conversion or exchange of securities hereafter issued by the Company, or as otherwise determined by the Board of Directors, only shares of Common Stock issued prior to the Distribution Date will be issued with Rights.

In the event that (i) the Company is the surviving corporation in a merger or other business combination with an Acquiring Person (or any associate or affiliate thereof) and its Common Stock remains outstanding and unchanged, (ii) any person shall acquire beneficial ownership of more than fifteen percent (15%) of the outstanding shares of Common Stock (except pursuant to (A) certain consolidations or mergers involving the Company or sales or transfers of the combined assets, cash flow or earning power of the Company and its subsidiaries or (B) an offer for all outstanding shares of Common Stock at a price and upon terms and conditions which the Board of Directors determines to be in the best interests of the Company and its stockholders), or (iii) there occurs a reclassification of securities, a recapitalization of the Company or any of certain business combinations or other transactions (other than certain consolidations and mergers involving the Company and sales or transfers of the combined assets, cash flow or earning power of the Company and its subsidiaries) involving the Company or any of its subsidiaries which has the effect of increasing by more than one percent (1%) the proportionate share of any class of the outstanding equity securities of the Company or any of its subsidiaries beneficially owned by an Acquiring Person (or any associate or affiliate thereof), each holder of a Right (other than the Acquiring Person and certain related parties) will thereafter have the right to receive, upon exercise, Common Stock (or, in certain circumstances, cash, property or other securities of the Company) having a value equal to two times the Purchase Price of the Right. Notwithstanding any of the foregoing, following the occurrence of any of the events described in this paragraph, all Rights that are, or (under certain circumstances specified in the Rights Agreement) were, beneficially owned by any Acquiring Person will be null and void. The events described in this paragraph are referred to as Flip-in Events.

For example, at a Purchase Price of \$48.00 per Right, each Right not owned by an Acquiring Person (or by certain related parties or transferees) following an event set forth in the preceding paragraph would entitle its holder to purchase \$96.00 worth of Common Stock (or other consideration, as noted above) for \$48.00. Assuming that the Common Stock had a per share market price of \$12.00 at such time, the holder of each valid Right would be entitled to purchase eight shares of Common Stock for \$48.00.

In the event that, at any time following the Stock Acquisition Date, (i) the Company shall enter into a merger or other business combination transaction in which the Company is not the surviving corporation, (ii) the Company is the surviving corporation in a consolidation, merger or similar transaction pursuant to which all or part of the outstanding shares of Common Stock are changed into or exchanged for stock or other securities of any other person or cash or any other property or (iii) more than 50% of the combined assets, cash flow or earning power of the Company and its subsidiaries is sold or transferred (in each case other than certain consolidations with, mergers with and into, or sales of assets, cash flow or earning power by or to subsidiaries of the Company as specified in the Rights Agreement), each holder of a Right (except Rights which previously have been voided as set forth above) shall thereafter have the right to receive, upon exercise, common stock of the acquiring company having a value equal to two times the Purchase Price of the Right. The events described in this paragraph are referred to

as Flip-over Events. Flip-in Events and Flip-over Events are referred to collectively as Triggering Events.

The Purchase Price payable, the number and kind of shares covered by each Right and the number of Rights outstanding are subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Preferred Stock, (ii) if holders of the Preferred Stock are granted certain rights, options or warrants to subscribe for Preferred Stock or securities convertible into Preferred Stock at less than the current market price of the Preferred Stock, or (iii) upon the distribution to holders of the Preferred Stock of evidences of indebtedness, cash (excluding regular quarterly cash dividends), assets (other than dividends payable in Preferred Stock) or subscription rights or warrants (other than those referred to in (ii) immediately above).

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments amount to at least one percent (1%) of the Purchase Price. No fractional shares of Preferred Stock are required to be issued (other than fractions which are integral multiples of one one-thousandth (1/1,000) of a share of Preferred Stock) and, in lieu thereof, the Company may make an adjustment in cash based on the market price of the Preferred Stock on the trading date immediately prior to the date of exercise.

At any time after any person or group becomes an Acquiring Person and prior to the acquisition by such person or group of fifty percent (50%) or more of the outstanding shares of Common Stock, the Board of Directors of the Company may, without payment of the Purchase Price by the holder, exchange the Rights (other than Rights owned by such person or group, which will become void), in whole or in part, for shares of Common Stock at an exchange ratio of one-half (1/2) the number of shares of Common Stock (or in certain circumstances Preferred Stock) for which a Right is exercisable immediately prior to the time of the Company's decision to exchange the Rights (subject to adjustment).

At any time until the Stock Acquisition Date, the Company may redeem the Rights in whole, but not in part, at a price of \$0.001 per Right (payable in cash, shares of Common Stock or other consideration deemed appropriate by the Board of Directors). Immediately upon the action of the Board of Directors ordering redemption of the Rights, the Rights will terminate and the only right of the holders of Rights will be to receive the \$0.001 redemption price.

Until a Right is exercised, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends. While the distribution of the Rights will not be taxable to stockholders or to the Company, stockholders may, depending upon the circumstances, recognize taxable income in the event that the Rights become exercisable for Common Stock (or other consideration) of the Company or for common stock of an acquiring company as set forth above or in the event that the Rights are redeemed.

Other than those provisions relating to the principal economic terms of the Rights, any of the provisions of the Rights Agreement may be amended by the Board of Directors of the Company at any time during the period in which the Rights are redeemable. At any time when the Rights are no longer redeemable, the provisions of the Rights Agreement may be amended by the Board only if such amendment does not adversely affect the interest of holders of Rights (excluding the interest of any Acquiring Person); provided, however, that no amendment may cause the Rights again to become redeemable.

A copy of the Rights Agreement specifying the terms of the Rights, the form of Certificate of Designation, Preferences and Rights of Series A Preferred Stock and the form of Rights Certificate are filed herewith as Exhibits and are incorporated herein by reference. Copies of the Rights Agreement are also available free of charge from the Rights Agent. The foregoing description of the Rights does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement.
