## **PART II**

### **INFORMATION NOT REQUIRED IN THE PROSPECTUS**

#### **Indemnification of Directors and Officers**

Our articles of association provide in article 28 that we shall generally indemnify any person who is or was a director or one of our employees, officers or agents, or who at our request has become a director, officer or agent of another entity or a trust, and suffers any loss as a result of any action in connection with their service to us, provided they acted in good faith in carrying out their duties and in a manner they reasonably believed to be in our interest. This indemnification generally will not be available if the person seeking indemnification acted with gross negligence or willful misconduct in the performance of such person's duties to us. A court in which an action is brought may, however, determine that indemnification is appropriate nevertheless.

In addition, our articles of association provide that shareholders may approve a resolution at a general meeting of shareholders to fully discharge the members of our Managing Board, Supervisory Board and Joint Board from liability towards us in respect of the exercise of their duties during the financial year covered by the annual accounts subject to certain exceptions under Dutch law, including exceptions relating to the liability of members of our Managing Board, Supervisory Board and Joint Board upon bankruptcy or insolvency of a company. Under Dutch law, this discharge is not absolute and would not be effective as to any matters not disclosed in or apparent from our annual accounts or not otherwise disclosed to our shareholders, and is subject to general reasonableness and fairness. Our shareholders have not approved such a resolution at this time.

Following Stage 1, Dutch SE will retain the same indemnity provisions in its articles of association, however these will not apply to the Joint Board, which will be eliminated after completion of Stage 1 of the Proposal.

Following Stage 2, Irish SE's articles of association will provide for indemnification of any person who is or was a director, company secretary, employee or person deemed by Irish SE's board to be an agent of Irish SE, who suffers any cost, loss or expense as a result of any action in connection with the discharge of their duties to Irish SE, provided they acted in good faith in carrying out their duties and in a manner they reasonably believed to be in Irish SE's interest. This indemnification will generally not be available if the person seeking indemnification acted in a manner that could be characterised as negligent, default, breach of duty or breach of trust in performing their duties. However, under Irish company law, this indemnity only binds Irish SE to indemnify a current or former director or company secretary where judgment is given in any civil or criminal action in favour of such director or company secretary, or where a court grants relief because the director or company secretary acted honestly and reasonably and ought fairly to be excused. The articles of association of Irish SE apply the same limitations to other indemnitees who are not current or former directors or the company secretary of Irish SE.

#### ***Indemnity Agreements***

We have provided Deeds of Access, Insurance and Indemnity (which we refer to as an Indemnity Deed) governed by Dutch law to our directors and senior employees and our subsidiary, James Hardie Building Products Inc., has provided Indemnity Agreements governed by Nevada law (which we refer to as an Indemnity Agreement) to directors, officers and certain employees of us, James Hardie Building Products Inc. or their affiliates. These Indemnity Deeds and Indemnity Agreements are consistent with our articles of association and relevant laws.

The terms of the Indemnity Deeds require us, to the maximum extent permitted by law, to unconditionally and irrevocably indemnify a director in relation to the director serving or having served as a director of us or one of our subsidiaries or another entity at our request or the request of one of our subsidiaries to the extent permitted by Dutch law from and against all claims, liabilities (including liability for negligence), civil penalties being pecuniary penalties imposed by legislation, legal costs actually and reasonably incurred (not limited to taxed costs), net wage or withholding taxes, social security premiums or other Dutch or foreign taxes as a result of indemnification, as well as reasonable legal costs actually incurred in good faith by the director in obtaining legal advice regarding issues arising from an Indemnity Deed or making a claim or in relation to being a witness to any type of proceedings, mediation or other form of dispute resolution. This indemnity is limited to the extent that it is not available to a director where a Dutch court has established in a final, non-appealable decision that the director (1) acted with willful misconduct, (2) acted with intentional recklessness, (3) was seriously imputable or (4) did not act in good

II-1

faith, unless otherwise provided for by Dutch law or the boards provide otherwise based on standards of reasonableness and fairness.

The Indemnity Deeds require us, upon a request by a director, to make payment of amounts payable within 30 days of the incurrence of the liability or the date the amount is due and payable, whichever is shorter, and the director undertakes to repay the amounts paid to them if it is ultimately determined that he or she is not entitled to indemnification for such amounts or if such amounts exceed what we are permitted to pay under the Indemnity Deed or if he or she receives payment under an insurance contract in respect of those liabilities. To the extent that a director also receives payment under an indemnity from one of our subsidiaries, the director is not entitled to claim under the Dutch law Indemnity Deed.

Under the Indemnity Deeds a director has the right to access our company books and those of our subsidiaries in relation to any act or omission in relation to the director acting in that capacity for us, our subsidiaries or another entity at our request or at the request of our subsidiaries.

Following Stage 1, the Dutch law-governed Indemnity Deeds will continue to be in effect.

The Indemnity Agreements provide that James Hardie Building Products Inc. shall hold harmless and indemnify a director, officer or employee of us, James Hardie Building Products Inc., or their affiliates to the maximum extent allowed by Nevada law against any expenses, liabilities and losses (including, without limitation, investigation expenses, expert witnesses and attorneys fees and expenses, judgments, penalties, fines, amounts paid or to be paid in settlement, any interest, assessments, or other charges imposed thereon and any federal, state, local or foreign taxes imposed as a result of actual or deemed receipt of any payment) actually and reasonably incurred by the director, officer or employee (net of any insurance proceeds or other amounts received by the indemnitee as compensation for such expenses, liabilities or losses) in connection with any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative or in arbitration, to which the director, officer or employee is a party or participant or is threatened to be made a party or participant (a) based upon, arising from, relating to or by reason of the fact that the director, officer or employee was or is a director, officer or employee of us or of James Hardie Building Products Inc., or is or was serving at our request or the request of James Hardie Building Products Inc., as a director, officer, partner, member, manager, trustee, fiduciary, employee or agent of another corporation or entity, or (b) arising from or relating to any action or omission to act taken by the director, officer or employee in any of the capacities described above. However, the director, officer or employee will only be indemnified in connection with a proceeding initiated by him or her (other than a proceeding to enforce his or her rights under the indemnity agreement) if the proceeding was authorised by a two-thirds vote of the board of directors of James Hardie Building Products Inc.

By the terms of the Indemnity Agreements, its benefits are not available if there is a judgment or other final adjudication, after all appeals and all time for appeals has expired, which is adverse to the director, officer or employee and which establishes (a) his or her acts were committed in bad faith, or were the result of active and deliberate dishonesty or willful fraud or illegality, and were material to the cause of action so adjudicated; (b) that he or she in fact personally gained a financial profit or other advantage to which he or she was not legally entitled, (c) that indemnification of the director, officer or employee is prohibited by applicable law, (d) in respect of any remuneration paid to the director, officer or employee if such remuneration was in violation of law or (e) that such indemnification is not lawful and James Hardie Building Products Inc. and the director, officer or employee have been advised that the US Securities and Exchange Commission believes that the indemnification for liabilities arising under the US federal securities laws is against public policy and is, therefore, unenforceable and claims for indemnification should be submitted to the appropriate court for adjudication. In addition, the benefits are not available for any claim made against the director, officer or employee for an accounting of profits made from the purchase or sale by the director, officer or employee of our securities within the meaning of Section 16(b) of the US Securities Exchange Act of 1934 or analogous provisions of any applicable law.

The Indemnity Agreements require James Hardie Building Products Inc., upon request by the director, officer or employee, to make payment within 30 days of amounts payable under the Indemnity Agreements as expended or incurred in advance of indemnification, provided, however, that the director, officer or employee undertakes to repay the amounts if it is ultimately determined that he or she is not entitled to indemnification for such amounts.

II-2

---

The Indemnity Agreements will continue in effect following implementation of Stage 1 and Stage 2.

Following Stage 2, Irish SE will provide Indemnity Deeds to Irish SE directors, the company secretary and certain senior employees generally consistent with the existing Dutch law-governed Indemnity Deeds, but which will be subject to Irish law. The current Dutch law-governed Indemnity Deeds extend protection to directors beyond that permitted for Irish companies under Irish company law. Irish law contains a restriction on the indemnity that an Irish public company, and therefore an Irish SE, can give its current and former directors and company secretary. Irish law renders void any provision in an Irish company's articles of association or other contract that would exempt from liability or provide any current or former director or company secretary with an indemnity for negligence, default, breach of duty or breach of trust. In addition, under Irish company law, this indemnity only binds Irish SE to indemnify a current or former director or company secretary where judgment is given in any civil or criminal action in favour of such director or company secretary, or where a court grants relief because the director or company secretary acted honestly and reasonably and ought fairly to be excused. The articles of association of Irish SE apply the same limitations to other indemnitees who are not current or former directors or the company secretary of Irish SE. This limitation on the matters for which director may be indemnified is broader than is currently permitted under the Dutch law-governed Indemnity Deeds.

The directors will still be allowed to claim advances for costs as permitted under the Irish law-governed Indemnity Deeds. However, in the event a final determination is made against a current or former director or company secretary or, if no determination is made at all, an Irish Court would interpret the scope of the indemnity contained in the Indemnity Deed such that Irish SE could require the current or former director or company secretary to repay an advance in the circumstances required under Irish law outlined above.

As required by the terms of the Indemnity Deeds and the Indemnity Agreements, we and James Hardie Building Products Inc. maintain director and officers insurance policies under which such persons would be insured against liabilities resulting from their service to us.

### **Undertakings**

(a) In accordance with Item 512 of Regulation S-K, the undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§ 230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424 (17 CFR § 230.424);
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
  - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
  - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (6) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (7) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.
- (8) That every prospectus (i) that is filed pursuant to paragraph (a)(7) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (b) The undersigned registrant hereby undertakes: (i) to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means; and (ii) to arrange or provide for a facility in the US to respond to such requests.
