**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS**

The Board of Directors (referred to as the Board) of A.C. Moore Arts & Crafts, Inc. (referred to as A.C. Moore) is soliciting proxies for use at the 2009 Annual Meeting of Shareholders (referred to as the 2009 Annual Meeting) and any adjournment or postponement of the 2009 Annual Meeting. QUESTIONS AND ANSWERS ABOUT THE 2009 ANNUAL MEETING AND VOTING

When is the 2009 Annual Meeting and where will it be held?

The 2009 Annual Meeting will be held on Thursday, August 20, 2009, at 9:30 a.m., prevailing time, at A.C. Moore s corporate offices, located at 130 A.C. Moore Drive, Berlin, New Jersey 08009.

What is the purpose of the 2009 Annual Meeting?

At the 2009 Annual Meeting, shareholders will consider and act upon the matters outlined in the Notice of the 2009 Annual Meeting, including:

- election of two Class A directors;
- ratification of the appointment of PricewaterhouseCoopers LLP (referred to as PricewaterhouseCoopers) as the independent registered public accounting firm of A.C. Moore for the fiscal year ending January 2, 2010;
- approval of an amendment to A.C. Moore s 2007 Stock Incentive Plan to increase the authorized number of shares; and
- such other business as may properly come before the 2009 Annual Meeting or any adjournment or postponement of the 2009 Annual Meeting.

The nominees for director are Joseph F. Coradino and Thomas S. Rittenhouse. All nominees currently serve as directors of A.C. Moore.

Who is entitled to vote at the 2009 Annual Meeting?

The Board has set July 17, 2009 as the record date for the 2009 Annual Meeting (referred to as the Record Date). If you were a shareholder of record, as shown on the stock transfer books of A.C. Moore, at the close of business on the Record Date, you are entitled to receive the notice of, and to vote at, the 2009 Annual Meeting or any adjournment or postponement of the 2009 Annual Meeting. Each share of A.C. Moore common stock, no par value per share (referred to as Common Stock), is entitled to one vote on each matter which may be brought before the 2009 Annual Meeting.

On the Record Date, there were 24,719,952 shares of Common Stock issued and outstanding and, therefore, eligible to vote at the 2009 Annual Meeting.

How many shares must be present to hold the 2009 Annual Meeting?

The holders of a majority of the outstanding shares of Common Stock as of the Record Date must be present, in person or represented by proxy, at the 2009 Annual Meeting in order to hold the 2009 Annual Meeting and conduct business. This is called a quorum. If you submit a properly executed proxy card, vote by telephone or electronically through the Internet, then your shares will be counted as part of the quorum. All shares of A.C. Moore's Common Stock present in person or represented by proxy (including broker non-votes) and entitled to vote at the 2009 Annual Meeting, no matter how they are voted or whether they abstain from voting, will be counted in determining the presence of a quorum.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

If the 2009 Annual Meeting is adjourned because of the absence of a quorum, those shareholders entitled to vote who attend the adjourned meeting, although constituting less than a quorum as provided herein, shall nevertheless constitute a quorum for the purpose of electing directors. If the 2009 Annual Meeting is adjourned for one or more periods aggregating at least 15 days because of the absence of a quorum, those shareholders entitled to vote who attend the reconvened 2009 Annual Meeting, if less than a quorum as determined under applicable law, shall nevertheless constitute a quorum for the purpose of acting upon any matter set forth in the Notice of the 2009 Annual Meeting.

What vote is required for the election of directors or for a proposal to be approved?

The election of directors will be determined by a plurality vote and the two nominees receiving the most for votes will be elected. Approval of any other proposal will require the affirmative vote of a majority of the votes cast on the proposal.

How do I vote my shares?

In order to vote your shares, you may attend the 2009 Annual Meeting and vote in person, or vote by proxy. If your shares are held in street name (that is, if your stock is registered in the name of your broker, bank or other nominee) and you wish to vote at the 2009 Annual Meeting, you will need to contact your broker, bank or other nominee regarding how to vote at the 2009 Annual Meeting.

If you are a shareholder of record (that is, if your stock is registered in your name), you may vote by proxy, by telephone, electronically through the Internet, or by mail by following the instructions included with your proxy card. The deadline for shareholders of record to vote telephonically or electronically through the Internet is 11:59 p.m., prevailing time, on August 19, 2009.

A.C. Moore encourages you to take advantage of these ways to vote your shares for matters to be covered at the 2009 Annual Meeting. Set forth below is a summary of the three voting methods which shareholders of record may utilize to submit their votes by proxy.

Vote by Telephone 1-866-578-5350. Use any touch-tone telephone to vote your proxy 24 hours a day, 7 days a week. Have your proxy card in hand when you call. You will be prompted to enter your control number(s) which are located on your proxy card and then follow the directions given.

Vote Electronically through the Internet <http://www.votestock.com>. Use the Internet to vote your proxy 24 hours a day, 7 days a week. Have your proxy card in hand when you access the web site. You will be prompted to enter your control number(s) which are located on your proxy card to create and submit an electronic ballot.

Vote by Mail. Mark, sign and date your proxy card and return the card in the postage-paid envelope A.C. Moore has provided you.

IF YOU VOTE BY TELEPHONE OR ELECTRONICALLY THROUGH THE INTERNET, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.

Please note that although there is no charge to you for voting by telephone or electronically through the Internet, there may be costs associated with electronic access such as usage charges for Internet service providers and telephone companies. A.C. Moore does not cover these costs; they are solely your responsibility. The telephone and Internet voting procedures being made available to you are valid forms of granting proxies under the Pennsylvania Business Corporation Law of 1988, as amended.

If you hold your shares through a broker, bank or other nominee, that institution will send you separate instructions describing the procedure for voting your shares.

What if I do not specify how I want my shares voted?

If you submit a signed proxy card or submit your proxy by telephone or electronically through the Internet but do not indicate how you want your shares voted, the persons named in the enclosed proxy will vote your shares of Common Stock for :

- the election of each of the persons identified below in Proposal 1: Election of Directors as nominees for election as directors;
- the approval of an amendment to A.C. Moore's 2007 Stock Incentive Plan to increase the authorized number of shares; and
- the ratification of the appointment of PricewaterhouseCoopers as the independent registered public accounting firm of A.C. Moore for the fiscal year ending January 2, 2010.

With respect to any other matter that properly comes before the 2009 Annual Meeting, the persons named in the enclosed proxy will vote your shares of Common Stock in their discretion in accordance with their best judgment and in the manner they believe to be in the best interest of A.C. Moore.

If I abstain from voting or withhold authority to vote for any proposal, will my shares be counted in the vote?

Under the Pennsylvania Business Corporation Law of 1988, as amended, an abstention, withholding of authority to vote or broker non-vote is not considered a vote cast and therefore will have no effect on the vote and will not be counted in determining whether any proposal has received the required shareholder vote.

Can I change my vote after submitting my proxy?

Yes. You can change your vote at any time before your proxy is voted at the 2009 Annual Meeting. If you are a shareholder of record, you may revoke your proxy by:

- submitting a later-dated proxy by telephone, Internet or mail; or
 - attending the 2009 Annual Meeting and voting in person. Your attendance alone will not revoke your proxy.
- You must also vote in person at the 2009 Annual Meeting.

The last vote received chronologically will supersede any prior vote. The deadline for changing your vote telephonically or electronically through the Internet is 11:59 p.m., prevailing time, on August 19, 2009.

If you hold your shares in street name, you must contact your broker, bank or other nominee regarding how to change your vote.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means that you hold shares that are registered in more than one account.

To ensure that all of your shares are counted in the vote at the 2009 Annual Meeting, you will need to vote the shares associated with each proxy card by telephone, Internet or mail.

Who pays for the cost of the solicitation of proxies?

A.C. Moore will bear the cost of this solicitation. In addition to solicitation by mail, officers, directors or employees of A.C. Moore may also solicit proxies in person or by telephone or facsimile without additional compensation. Upon request, A.C. Moore will pay the reasonable expenses incurred by record holders of Common Stock who are brokers, dealers, banks or voting trustees, or their nominees, for mailing proxy materials and annual shareholder reports to the beneficial owners of the shares they hold of record.

PROPOSAL 1**ELECTION OF DIRECTORS**

Moore during the past term, including, but not limited to, the number of Board and committee meetings attended, as applicable, quality of participation and whether the candidate continues to meet the general qualifications for a director outlined above, including the director's independence, as well as any special qualifications required for membership on any committees on which such director serves.

In the case of a new director candidate, the selection process for director candidates includes the following steps:

- identification of director candidates by the Nominating and Corporate Governance Committee based upon suggestions from current directors and executives and recommendations received from shareholders, and possible engagement of a director search firm;
- interviews of candidates by the Nominating and Corporate Governance Committee;
- reports to the Board by the Nominating and Corporate Governance Committee on the selection process;
- recommendations by the Nominating and Corporate Governance Committee; and
- formal nominations by the Board for inclusion in the slate of directors at the annual meeting.

The Nominating and Corporate Governance Committee will consider nominating properly submitted shareholder recommendations for director candidates. Director candidates recommended by shareholders are given the same consideration by the Nominating and Corporate Governance Committee as candidates suggested by directors and executive officers.

Consideration of Director Candidates Recommended by Shareholders. A shareholder who wishes to recommend a prospective director nominee should submit the shareholder's recommendation to the Chair of the Nominating and Corporate Governance Committee in writing c/o A.C. - the name and address of the shareholder making the recommendation and each recommended nominee;
- a representation that the shareholder is a holder of record of capital stock of A.C. Moore entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to vote for the person or persons recommended for nomination;
- a description of all arrangements and understandings between the shareholder and each recommended nominee and any other person or persons (naming such person or persons) pursuant to which the recommendation was made by the shareholder;
- such other information regarding each recommended nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC if the nominee were to be nominated by the Board;
- and
- the consent of each recommended nominee to serve as a director of A.C. Moore if so nominated and elected.

The deadline for submitting shareholder recommendations pursuant to the foregoing procedures for the 2010 annual meeting of shareholders is March 26, 2010. All shareholder recommendations which are late or non-conforming will be rejected by A.C. Moore.

In addition, under A.C. Moore's bylaws, shareholders are permitted to nominate directors to be elected at a meeting of shareholders by providing notice and the other required information specified in the bylaws. A.C. Moore's bylaws are available, at no cost, on A.C. Moore's website at www.acmoore.com, under About Us, Corporate Profile, or upon the shareholder's written request to Amy Rhoades, Vice President and General Counsel, A.C. Moore Arts & Crafts, Inc., 130 A.C. Moore Drive, Berlin, New Jersey 08009. Nominations with respect to the 2009 annual meeting of shareholders must be received on or prior to March 26, 2010. All late or non-conforming nominations will be rejected.

AUDIT COMMITTEE REPORT

On March 11, 2009, the Audit Committee met with management to review and discuss the audited financial statements as well as management's assessment of the effectiveness of internal control over financial reporting. Management represented to the Audit Committee that A.C. Moore's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee also conducted discussions with A.C. Moore's independent registered public accounting firm, PricewaterhouseCoopers, regarding the matters required by the Statement on Auditing Standards No. 61, as amended (AICPA Professional Standards, Vol. 1, AU Section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. As required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, the Audit Committee has discussed with and received the required written disclosures and confirming letter from PricewaterhouseCoopers and has discussed with PricewaterhouseCoopers its independence. Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements as well as management's assessment of the effectiveness of internal control over financial reporting be included in A.C. Moore's Annual Report on Form 10-K for the year ended January 3, 2009.

This Audit Committee Report shall not be deemed incorporated by reference in any document previously or subsequently filed with the SEC that incorporates by reference all or any portion of this proxy statement, except to the extent that A.C. Moore specifically requests that the report be specifically incorporated by reference.

Process and Procedures for Determining Director Compensation

In January 2008, the responsibility for reviewing and recommending non-employee director compensation transferred to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee solicits input from the Compensation Committee, as well as from independent outside consultants engaged by the Board, from time to time. The full Board, upon the recommendation of the Nominating and Corporate Governance Committee, approves director compensation.

Prior to January 2008, the Compensation Committee was responsible for determining director compensation. In February 2007, the Compensation Committee asked Hay Group, the independent outside compensation consultant retained to assist the Compensation Committee in its analysis of A.C. Moore's executive compensation programs, to perform an analysis of A.C. Moore's non-employee director compensation and make recommendations to the Compensation Committee regarding any changes to director compensation, including the implementation of director stock ownership guidelines. Hay Group presented data on director compensation at comparable companies in A.C. Moore's market to the Compensation Committee. Hay Group worked directly with the Compensation Committee, receiving assignments and direction from the Compensation Committee Chair.

Director Compensation

Fees. Based on recommendations by Hay Group, in April 2007 the Board approved the following new compensation structure for non-employee directors:

an annual cash retainer of \$35,000;

an additional annual cash retainer of \$50,000 for the Chairman of the Board;

an additional annual cash retainer of \$15,000 for the chair of the Audit Committee and \$10,000 for each other member of the Audit Committee;

an additional annual cash retainer of \$10,000 for the chair of the Compensation Committee and \$5,000 for each other member of the Compensation Committee;

an additional annual cash retainer of \$7,500 for the chair of the Nominating and Corporate Governance Committee and \$5,000 for each other member of the Nominating and Corporate Governance Committee; and

an annual grant of restricted stock with a market value of approximately \$50,000 on the date of grant.

Stock Ownership Guidelines for Directors. Based on Hay Group's recommendations, the Board has approved the implementation of stock ownership guidelines for the non-employee directors. Requiring minimum levels of stock ownership by non-employee directors is consistent with the Board's objective of aligning director and shareholder interests.

Directors Subject to Guidelines

All Non-Employee Directors

Non-employee directors are expected to comply with these ownership requirements by the end of a five-year period beginning in 2007. Shares that are counted for purposes of satisfying ownership requirements are shares directly or indirectly owned and grants and awards under equity incentive plans (such as vested and unvested restricted stock). Stock options and stock appreciation rights (SARs) do not count towards satisfaction of the ownership requirements.

Stock Grant to Non-Employee Directors. Consistent with the compensation structure set forth above, on June 19, 2008, the non-employee directors were granted restricted stock with a market value of approximately \$50,000 on the date of grant, or 6,024 shares. The shares vest equally over three years from the date of grant.

On June 18, 2009, the non-employee directors were granted restricted stock with a market value of approximately \$50,000 on the date of grant, or 13,928 shares. The shares vest equally over three years from the date of grant.

COMPENSATION DISCUSSION AND ANALYSIS

Our Philosophy

Our compensation program is based on the principles and objectives set forth below.

We structure our compensation program to target the median of the market in which we compete for executive talent.

We develop compensation programs that emphasize pay-for-performance.

We seek to retain and motivate a talented management team to continually maximize shareholder value.

We strive to ensure the compensation programs maintain an appropriate balance between base salary, annual and long-term stock-based incentive compensation.

We motivate our executives to achieve financial and operational goals by providing them with opportunities to earn annual incentive payments, at market amounts, based on above-market performance.

We strive to align the earnings prospects and interests of executives with those of our shareholders.

We believe our executives should have meaningful levels of ownership of A.C. Moore Common Stock.

Compensation Committee Process

The Compensation Committee of our Board determines our overall compensation philosophy. The Compensation Committee is also responsible for reviewing and recommending to the Board the elements of our executive officers compensation.

The Compensation Committee recommends to the full Board the Chief Executive Officer's overall compensation. The Compensation Committee and the other independent members of the Board discuss the Chief Executive Officer's compensation during an executive session based on their assessment of his individual performance and the financial and operating performance of A.C. Moore. Compensation for the other named executive officers is based on recommendations to the Compensation Committee from the Chief Executive Officer and other members of management, as appropriate. The Compensation Committee considers these recommendations based on individual responsibility, experience and overall performance. Generally, the full Board, upon the Compensation Committee's recommendation, approves the compensation and employment agreements of A.C. Moore's principal executive, financial and operating officers; and the Board has delegated to the Compensation Committee the authority to approve the compensation for all other executive officers.

During 2008, the Board and the Compensation Committee approved an amendment to the employment agreement with Rick A. Lepley, our President and Chief Executive Officer, and the letter agreement with Joseph A. Jeffries, our Executive Vice President and Chief Operating Officer. Also during 2008, the Board and the Compensation Committee approved entry into an amended and restated letter agreement with Michael G. Zawoysky, our Executive Vice President and Chief Financial Officer through April 24, 2009, in connection with his appointment to this position in September 2008. The Board also approved entry into employment letters with David Abelman, our Executive Vice President and Chief Marketing and Merchandising Officer who joined us in May 2009, and David Stern, our Executive Vice President and Chief Financial Officer who joined us June 2009. The terms of these agreements are discussed below under Agreements with Named Executive Officers. The Board and the Compensation Committee believe the terms of the compensation for the current executive officers and agreements with such executive officers are consistent with the practices of other similarly situated retailers.

In 2007, to assist the Compensation Committee in evaluating and developing a new executive compensation plan for A.C. Moore, including, but not limited to, developing the Annual Incentive Plan (referred to as the Annual Incentive Plan) and Stock Incentive Plan, the Compensation Committee approved the retention of the Hay Group, an independent outside compensation consultant. The consultant worked with the Compensation Committee in 2007 to develop information and guidance concerning best practices and trends in executive compensation and to provide analysis of A.C. Moore's compensation programs based on retail market data. The Compensation Committee will consider retaining an independent compensation consultant again in the future as needed from time to time. Except for consulting Hay Group for retail market data from time to time in 2008, no such consultant was retained during 2008. Generally, the Compensation Committee reviews and adjusts targeted compensation levels annually at its first meeting of the year. The Compensation Committee will also meet periodically during the year to consider compensation programs and to gain relevant information and context for determining compensation for executives.

A.C. Moore believes that to attract and retain qualified management, pay levels (including base salary, incentive compensation and benefits) should be targeted at the 50th percentile or median of pay levels of comparable positions at comparable companies in the market. Actual compensation may vary from these targets based on several factors, including individual performance, experience, roles and responsibilities and A.C. Moore performance. In 2007, the Committee used survey data of pay levels provided by the outside consultant from the following retail companies selected by the consultant as comparable to A.C. Moore to enable the Committee to conduct benchmarking: 99 Cents Only Stores, Books-A-Million, Build-A-Bear Workshop, Cato Corp., Cost Plus, Deb Shops, Golfsmith International, Gymboree, Hancock Fabrics, Hibbett Sporting Goods, Jo-Ann Stores, Inc., Kirkland's, Mother's Work, Pier 1 Imports, Shoe Carnival, Tuesday Morning and United Retail Group. The consultant selected such companies as comparable to A.C. Moore based on their annual revenue and if they were specialty retailers that could compete with A.C. Moore for either customers or executive talent. In 2008, to further analyze the base salaries of A.C. Moore's management relative to executives in the retail industry, the Committee used the consultant's retail market data, which encompasses the consultant's retail industry report of one hundred retailers of all types for which the consultant receives survey information. The retail industry data was adjusted for company revenue size and executive responsibilities for comparison to A.C. Moore.

Retail market data is used, in part, to set compensation for the executive officers, but it is not the sole point of reference. Total compensation of executive officers, including the Chief Executive Officer, is determined after reviewing the executive's performance, long-term potential, responsibilities and experience within the context of the market data. In addition to these factors, A.C. Moore also considers internal pay equity within the executive group. In this regard, we rely on information generated by our Human Resources department as well as information prepared from time to time by outside consultants.

The Compensation Committee takes into account the estimated accounting (pro forma expense) and the tax impact of all material changes to the executive compensation program and discusses such matters periodically during the year. In general, the policy of A.C. Moore and the Compensation Committee is to optimize the tax deductibility of executive compensation so long as deductibility is consistent with the objectives of executive compensation. The Compensation Committee has been advised that, based on current interpretations, awards under the 1997 Employee, Director and Consultant Stock Option Plan (referred to as the 1997 Plan), the 2002 Plan, the Stock Incentive Plan and the Annual Incentive Plan, should satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (referred to as the Code). The Compensation Committee has also been advised that restricted stock awards which vest based on continued employment with A.C. Moore do not qualify as performance-based compensation, and so may not be tax-deductible under Code Section 162(m), unless the number of the restricted stock awards to be granted is based on the satisfaction of performance criteria.

Components of Compensation

In line with our philosophy, A.C. Moore provides a compensation program with both fixed and variable components. Fixed compensation, which consists of base salary, is designed to attract and retain executive talent. Variable compensation, which consists of annual and long-term incentive programs, delivers potential awards to executives which are designed to motivate performance. In addition, A.C. Moore offers a limited number of benefits programs.

Base Salary. Base salaries are an important element of compensation and provide executives with a base level of income. In determining base pay, the Compensation Committee considers multiple factors, including the executive's responsibilities, individual performance against pre-determined objectives, base salary competitiveness as compared to the external market, internal equity and A.C. Moore's financial and operating performance. The Compensation Committee does not use a specific formula for evaluating the executive. Instead, executives are assessed primarily by the Chief Executive Officer based upon how they contributed to A.C. Moore's business in their areas of responsibility. In fiscal 2008, Mr. Lepley, Mr. Jeffries, Mr. Katz, our Chief Financial Officer who resigned in June 2008, and Ms. Rhoades received base salary increases of 4.5%, 9.9%, 9.9% and 8.6%, respectively, as part of the annual review required under their agreements. Increases were determined based on individual performance and retail market data supplied by Hay Group in 2008. Mr. Zawoysky was appointed Acting Chief Financial Officer upon the resignation of Mr. Katz in June 2008 and we entered into an amended and restated employment letter with Mr. Zawoysky in connection with his appointment to Chief Financial Officer in September 2008. The base salary received in conjunction with his appointment to this position is discussed below under Agreements with Named Executive Officers. Based on retail market data supplied by the Hay Group, both before and after these increases, the base salaries of Messrs. Lepley, Jeffries and Zawoysky were below the 25th percentile. The base salaries of Mr. Katz and Ms. Rhoades, both before and after their increases, were below the 50th percentile.

As a result of A.C. Moore's overall performance in fiscal 2008 and the current economic recession, A.C. Moore has determined for fiscal 2009 to not increase base salaries for any corporate office associates, including the executive officers.

Annual Incentives. Annual cash bonuses under the Annual Incentive Plan, which was previously approved by shareholders, are intended to reward performance during the year, and therefore, can be highly variable from year to year. Hay Group, the outside compensation consultant retained in 2007, assisted the Committee and management in evaluating and developing the Annual Incentive Plan. The Annual Incentive Plan performance goals are based on A.C. Moore's budget and operating plan approved by the Board. The plan has a minimum level of achievement below which no bonuses may be paid as well as a maximum level that limits annual bonus payouts. Award levels at target generally reflect the median of the competitive market with the opportunity to earn more or less depending on actual financial performance of A.C. Moore and individual performance.

The Compensation Committee may make negative adjustments to reduce a potential award in whole or in part based on the Compensation Committee's assessment of individual performance by an executive against the established individual objectives. However, the Compensation Committee cannot use its discretion to increase the award.

The Compensation Committee and the Board also have the authority to award discretionary cash bonuses in addition to annual incentive awards, if in their judgment, there has been exceptional performance by an executive officer which has contributed to the overall operating results of A.C. Moore. The Board believes that the potential for such awards will help to motivate and retain more talented executive officers. In fiscal 2008, no executive officer received a discretionary cash bonus award.

Fiscal 2008

In March 2008, the Compensation Committee and the Board approved the Annual Incentive Plan for performance in 2008. For performance in fiscal 2008, except for the Chief Executive Officer, participants were eligible to receive a cash payment depending on both A.C. Moore's performance relative to Company metrics and the individual's achievement of pre-determined, measurable performance goals. Each metric or goal had an identified threshold, target and maximum level. Each of the Company metrics was weighted based on the overall significance to the business and operating plan. Bonuses for 2008 performance were to be paid in the event that A.C. Moore or the individual achieved one of the metrics, with the payment amount proportionate to the weight assigned to the specific metric achieved. Payouts were interpolated between threshold, target and maximum. In addition, the bonus opportunity is pro-rated based on time in position.

The Chief Executive Officer was eligible to receive a cash payment denominated as a percentage of base salary depending solely on A.C. Moore's performance in fiscal 2008 relative to the Company metrics set forth below. For our Chief Operating Officer and Chief Financial Officer, the potential bonus amount depended 80% on the Company's performance relative to these metrics, with 20% relating to achievement of individual performance goals. For our Vice President and General Counsel, the ratio was 75% related to Company performance and 25% related to individual performance. Weighting of the Company metrics was adjusted proportionately downward to take into account the value of the individual performance component.

Target bonus amounts are specified as a percentage of a participant's base salary. Target amounts increase with job scope and complexity, thus increasing the potential bonus opportunity for positions likely to have a greater impact on our operating results. For fiscal 2008, the Chief Executive Officer was eligible to receive 100% of base salary at target. The 2008 potential bonuses at target for each of the Chief Operating Officer and Chief Financial Officer were 75% of base salary, and 35% of base salary for our Vice President and General Counsel.

The Board and the Compensation Committee set the performance metrics for the Annual Incentive Plan for 2008 based on the importance of these criteria to A.C. Moore's business and operating plan, but recognizing the increasing difficulty of attaining targets in light of the overall macro-economic conditions. The Company metrics at target and weightings approved by the Board and the Compensation Committee were pre-tax income of \$1.7 million (55%), gross margin of 42.5% (15%), comparable store sales decrease of 4.7% (15%) and cash at fiscal year end of \$51.9 million (15%).

The individual performance goals for Mr. Jeffries related to meeting certain timelines for the implementation of improvements to A.C. Moore's new store prototype, reducing the amount of aged inventory held in the distribution center and launching A.C. Moore's customer loyalty program. Mr. Zawoysky's individual performance goals related to reduction in inventory shortage and the implementation of corporate expense savings initiatives. The individual goal for Ms. Rhoades was to provide advice and counsel to the Board and members of senior management.

For fiscal 2008, A.C. Moore achieved the cash metric at maximum but did not meet the threshold requirement for payout for the pre-tax income, gross margin or comparable store sales metrics. In addition, Mr. Jeffries, Mr. Zawoysky and Ms. Rhoades each achieved certain of their individual performance goals. As indicated above, Mr. Lepley's eligibility for a payout under the Annual Incentive Plan was based solely on A.C. Moore's performance and did not include an individual component. Mr. Lepley, Mr. Jeffries, Mr. Zawoysky and Ms. Rhoades were entitled to receive payouts of \$144,375, \$101,064, \$62,349 and \$29,573, respectively, under the Annual Incentive Plan for 2008. However, because of A.C. Moore's overall performance in fiscal 2008, despite A.C. Moore achieving the cash metric and the executive officers achieving certain of their individual goals, no amounts were paid to the executive officers under the Annual Incentive Plan for 2008, with the exception of Ms. Rhoades. Ms. Rhoades received a cash payout of \$16,544 related to achievement of her individual performance goal for 2008.

Fiscal 2009

In February 2009, the Compensation Committee determined that, in light of the current economic environment, there would be no executive Annual Incentive Plan for performance in fiscal 2009. Accordingly, no provision has been made in A.C. Moore's 2009 financial plan for bonuses to senior management, including the executive officers. The Compensation Committee and the Board reserved the right to award discretionary bonuses for performance in 2009 if they determine that any such award has been earned.

Long-Term Equity Incentives. Long-term incentive equity awards are granted to executives under the Stock Incentive Plan previously approved by shareholders. The Chief Executive Officer and other members of management, as appropriate, recommend to the Compensation Committee the actual grants for approval based on performance potential and market data. The named executive officers and other members of management participate in this process in order to provide insight into performance of individuals over whom they have supervision and adjust the size of the grant accordingly. The Compensation Committee or the Board approves these grants. When approving the amount of the grants, the Compensation Committee takes into consideration individual and A.C. Moore performance, both within the context of market practices. As with other elements of compensation, A.C. Moore targets the median of the market with regard to the size of long-term equity grants.

Historically, A.C. Moore relied on stock options as its primary long-term equity vehicle through grants under the 1997 and 2002 Plans. Option exercise prices are at the fair market value of our Common Stock on the date of grant. A.C. Moore believes the Stock Incentive Plan, approved by A.C. Moore's shareholders in June 2007, provides flexibility in granting awards through a variety of equity vehicles. The Stock Incentive Plan permits grants of appreciation only vehicles (such as stock options or stock appreciation rights), full value vehicles (such as restricted stock or restricted stock units) and performance-based awards (such as performance shares or performance vested restricted stock). A.C. Moore intends that the types of equity awards granted, vesting schedules and the mix of equity vehicles used under the Stock Incentive Plan will directly support the objectives of A.C. Moore's compensation program. In addition, in reaching the decision as to what types of equity will be awarded under the Stock Incentive Plan, the Compensation Committee evaluates, among other considerations, industry long-term incentive practices and changes to the required accounting and tax treatment of equity awards. Awards may also be granted at the time of a special event, such as upon employment, or at the Compensation Committee's discretion.

Fiscal 2008

In March 2008, except for Mr. Lepley, the current executive officers received a grant of performance accelerated restricted stock (referred to as PARS) and stock-settled stock appreciation rights (referred to as SARs) as the 2008 long-term incentive opportunity. The PARS vest in four equal installments upon A.C. Moore's achievement of certain financial performance targets and vest in full on the date that is five years from the grant date, if not earlier vested. Mr. Lepley received a grant of time-vested restricted stock, which vests in three equal annual installments, and SARs. The SARs granted to the executive officers, including Mr. Lepley, vest in three equal annual installments, have a base price equal to the NASDAQ closing price per share on the grant date and have a seven-year term. The number of shares of the March 2008 grant to Mr. Lepley was provided for in his employment agreement. Mr. Lepley also received a grant of SARs in connection with the extension of his employment agreement entered into in December 2008. In September 2008, Mr. Zawoysky received a grant of PARS and SARs in connection with his appointment as Chief Financial Officer. The grant date fair value and terms of these grants are presented in the executive compensation tables below.

Fiscal 2009

In February 2009, the executive officers received a grant of PARS and SARs as the 2009 long-term incentive opportunity. The PARS vest in three equal annual installments or upon the Company's achievement of certain financial performance targets. The SARs vest in three equal annual installments, have a base price equal to the NASDAQ closing price per share on the grant date and have a seven-year term.

Retirement and Other Benefits. The Chief Executive Officer and other named executive officers are eligible to participate in the full range and scope of retirement and health and insurance and other benefits plans, as are all other employees of A.C. Moore. A.C. Moore targets these types of benefits to be competitive with the median of the market. A.C. Moore sponsors a 401(k) retirement plan for salaried and hourly employees. The 401(k) plan is a tax-qualified, defined contribution plan under which fixed contributions are made to the account of each participating employee each year. Under the 401(k) plan, a matching contribution is made in the amount of 25% of the first 6% of eligible compensation to a maximum of \$1,500 so long as an employee has reached 21 years of age and has three months of service. Participating employees may direct the investment of A.C. Moore matching and individual contributions into one or more of the investment options offered by the 401(k) plan. A.C. Moore believes that its employee benefit plans, including retirement plans and health and life insurance plans, are of the type commonly offered by other employers. These benefits form part of our compensation philosophy because A.C. Moore believes they are necessary in order to attract, motivate and retain talented executives.

In light of the current downturn in the economy, including forecasts that the economy will continue to be difficult in 2009, A.C. Moore determined to suspend the 401(k) plan matching contribution for the fiscal year ending January 2, 2010. A.C. Moore will reevaluate this determination at the end of fiscal 2009 to consider whether to reinstate the matching contribution.

Employment, Change-in-Control and Severance Agreements

The employment agreements or letters, which include change-in-control provisions, between A.C. Moore and the named executive officers are summarized in *Agreements with Named Executive Officers* below. A.C. Moore believes these agreements reflect market practice at the time they were signed or amended.

Special Retention Award Opportunity

On March 31, 2008, A.C. Moore's Board approved a special cash retention award for certain key employees. The purpose of the award is to maintain stability of A.C. Moore's leadership team by providing an incentive for these individuals to remain with A.C. Moore during the approximately 22-month period over which the award vests. A.C. Moore believes that the award is an important component of its compensation package at a time when A.C. Moore is seeking to successfully execute its business strategy.

The terms of each cash retention award are set forth in an award agreement between A.C. Moore and the employee. The total cash amount of the special retention award is equal to 100% of the employee's current base salary. The award vests on September 30, 2008 with respect to 25% of the total amount, on June 30, 2009 with respect to 25% of the total amount and on January 31, 2010 with respect to the remaining 50%. The right to receive any amount that has vested is contingent on continuous full-time employment with A.C. Moore and continuing to meet performance expectations under A.C. Moore's internal review process, each through the respective vesting date.

Any unvested amounts will be forfeited upon termination of full-time employment, except for termination due to death or permanent disability. For terminations for those reasons, the employee will receive an amount of the total award that varies depending on when the death or permanent disability occurs. The special retention award agreement also provides for automatic vesting of the awards on a change in control (as defined in the Stock Incentive Plan).

The total amounts of the special retention award, subject to the vesting requirements set forth above, for the following executive officers are: Rick A. Lepley \$550,000; Joseph A. Jeffries \$280,000; and Amy Rhoades \$179,580.

Messrs. Lepley and Jeffries and Ms. Rhoades each received 25% of their respective amounts upon vesting on September 30, 2008. The total amount of the special retention award Mr. Katz was entitled to receive was \$310,000.

Mr. Katz resigned in June 2008 prior to the first vesting date and did not receive any portion of the retention award.

The total amount of the special retention award Mr. Zawoysky was entitled to receive was \$175,000. Mr. Zawoysky received 25% of this amount upon vesting on September 30, 2008. Mr. Zawoysky resigned from A.C. Moore in April 2009 and will not receive any of the remaining balance of his special retention award. These amounts received are reflected in the Summary Compensation Table below.

Stock Ownership Guidelines

Consistent with its executive compensation philosophy and the principle of aligning executive and shareholder interests, A.C. Moore believes officers should retain minimum ownership levels of A.C. Moore's Common Stock. Upon recommendation of Hay Group, the following stock ownership guidelines were established by the Board in April 2007.

Executive	Ownership Multiple of Base Salary
Chief Executive Officer	Three (3) times
All Other Officers at the Vice President level and above	One (1) times

The Chief Executive Officer is expected to comply with these ownership requirements by the end of a five-year period beginning in 2007. A five-year compliance period for all other officers at the Vice President level and above began in 2008. Shares that are counted for purposes of satisfying ownership requirements are shares directly and indirectly owned, grants and awards under equity incentive plans (such as vested and unvested restricted stock), and shares held in the officer's account under A.C. Moore's 401(k) plan. Stock options and SARs do not count towards satisfaction of the ownership requirements.

Option/SARs Exercises and Stock Awards Vested in Fiscal 2008

The Named Executive Officers did not exercise any stock options or SARs and no stock amounts vested in fiscal 2008.

Equity Incentive Plans

Old Plans

A.C. Moore's stock option plans consist of the 2002 Plan and the 1997 Plan (referred to together as the *Old Plans*). The purpose of the Old Plans was to encourage ownership of A.C. Moore's Common Stock by employees and directors of A.C. Moore (and by certain consultants in the case of the 1997 Plan) in order to attract such persons, induce them to work for the benefit of A.C. Moore and provide additional incentive for them to promote the success of A.C. Moore. Options granted under each plan were either incentive stock options intended to qualify under Section 422 of the Code, or options not intended to so qualify, except that incentive stock options could only be granted to employees. The maximum total number of shares of A.C. Moore's Common Stock for which awards could be granted under the 2002 Plan and 1997 Plan is 1,500,000 and 2,000,000 shares, respectively, subject to adjustment in a manner determined by the Compensation Committee of the Board to reflect changes in A.C. Moore's Common Stock. Payment of the exercise price for options granted under the Old Plans may be made in cash, shares of Common Stock or a combination of both. All options granted pursuant to the Plans are exercisable in accordance with a vesting schedule and prior to an expiration date, each of which were set at the time of the issuance of the option.

All directors, officers and key employees (and certain consultants in the case of the 1997 Plan) were eligible to receive options under the Old Plans. The Old Plans are administered by the Compensation Committee or, at the option of the Board, the Board may administer the Old Plans. The Compensation Committee approved the optionees and determined the nature of the option granted, the number of shares subject to each option, the option vesting schedule and other terms and conditions of each option. The Compensation Committee could modify or amend each Plan, provided that without the consent of the participant, such action could not affect a participant's rights under previously granted options. With the consent of a participant, the Compensation Committee may amend outstanding options in a manner not inconsistent with the applicable Plan.

The Stock Incentive Plan described below effectively replaced the Old Plans and no further grants or awards are made under the Old Plans. All grants and awards are made under the shareholder-approved Stock Incentive Plan. The Old Plans will continue in effect until their respective expiration dates for the limited purpose of administering such plans.

Stock Incentive Plan

On June 7, 2007, A.C. Moore's shareholders approved the Stock Incentive Plan. The purpose of the Stock Incentive Plan is to provide incentives to attract, retain, motivate and reward non-employee directors, executive officers and other key employees of A.C. Moore by providing them opportunities to receive shares of Common Stock or to receive monetary payments based on the value of such shares. The Stock Incentive Plan is intended to assist in further aligning the interests of participants in the Stock Incentive Plan with those of A.C. Moore's shareholders.

For a summary of the material terms of A.C. Moore's Stock Incentive Plan, as well as the proposed amendment to the Stock Incentive Plan, see *Proposal 3: Approval of An Amendment to A.C. Moore's 2007 Stock Incentive Plan* below.

Annual Incentive Plan

The purpose of the Annual Incentive Plan is to provide an annual performance based incentive for employees who are in a position to contribute materially to the success of A.C. Moore. The Compensation Committee and the Board believe that A.C. Moore will significantly benefit from having A.C. Moore's employees receive cash bonus awards under the Annual Incentive Plan. A.C. Moore's success depends, in large measure, on its ability to attract and reward talented employees with outstanding abilities and experience. To achieve this objective, the Board adopted the Annual Incentive Plan as a tool to attract and provide additional motivation to key employees to use their best efforts in performing their respective duties and obligations at A.C. Moore.

All present and future employees, including executive officers, of A.C. Moore will be eligible to receive awards under the Annual Incentive Plan. A participant in the Annual Incentive Plan will be selected, from time to time, by the Compensation Committee among such employees. The Annual Incentive Plan generally is administered by the Compensation Committee comprised of not less than two members who each qualifies as an "outside director" within the meaning of Code Section 162(m) and the regulations thereunder. The Compensation Committee has general authority to impose any limitation or condition upon an award the Compensation Committee deems appropriate to achieve the objectives of the award and the Annual Incentive Plan.

The Compensation Committee has the power and complete discretion to determine which employees will receive an award and the nature of the award, (ii) the amount of each award, (iii) the time or times when an award will be granted, (iv) whether a disability exists, (v) the terms and conditions applicable to awards, and (vi) any additional requirements relating to awards that the Compensation Committee deems appropriate.

The Compensation Committee will be entitled to make non-uniform and selective determinations and to establish non-uniform and selective performance criteria, performance goals and the weightings thereof.

Agreements with Named Executive Officers

We have entered into agreements, which include change of control provisions, with our current executive officers. In fiscal 2008, we entered into amendments to agreements with Messrs. Lepley, Jeffries and Zawoysky. In fiscal 2009, we entered into employment letters with Messrs. Abelman and Stern. The material terms of these agreements, as amended, are described below.

The agreements with named executive officers provide enhanced payments and benefits in the event of a change of control. The basic rationale for this change of control protection is to diminish the potential distraction due to personal uncertainties and risks that inevitably arise when a change of control is threatened or pending. The termination benefits payable in connection with a change of control generally require a "double trigger," which means that after a change of control (the first "trigger") a covered executive's employment is either involuntarily terminated without "cause" or the executive resigns for "good reason" (as both terms are defined in the relevant agreement), either of which would constitute the second "trigger." A double trigger was selected to increase the likelihood that an executive would remain with A.C. Moore after a change of control. The agreements also have a single trigger approach with regard to equity grants held on the date of a change in control, which means that all grants held on such date immediately vest and become exercisable, as applicable, upon a change in control. In addition, the Stock Incentive Plan contains a single trigger approach with regard to vesting of awards. The Annual Incentive Plan permits the Board, in its discretion, to accelerate vesting and payouts in the event of a change in control. In addition, the special retention award agreements with Messrs. Lepley and Jeffries and Ms. Rhoades provide for automatic vesting upon a change in control.

Employment Agreement with Rick A. Lepley, President and Chief Executive Officer

On June 1, 2006, A.C. Moore entered into an employment agreement with Mr. Lepley to serve as A.C. Moore's Chief Executive Officer effective as of June 1, 2006. The employment agreement was amended on November 15, 2006 and November 19, 2007. Mr. Lepley's employment agreement had an initial term of three years to be extended automatically for successive one year terms, unless either party provides written notice of termination at least six months prior to the end of the term. In December 2008, A.C. Moore and Mr. Lepley entered into an amendment to Mr. Lepley's agreement pursuant to which Mr. Lepley's employment as Chief Executive Officer was extended through December 31, 2010. Mr. Lepley receives a base salary of \$550,000 per fiscal year (using a fiscal year starting on June 1), subject to annual review and adjustment.

Pursuant to the December 2008 amendment, Mr. Lepley was granted 150,000 SARs. Vesting, base price, term and grant date fair value of the SARs granted in December 2008 are disclosed above. The December 2008 amendment also provided that if Mr. Lepley's employment is terminated without cause or for good reason (as defined in his employment agreement), if termination occurs from January 1, 2009 through December 31, 2009, he will be entitled to his then current base salary from the date of termination for the remaining months of the employment term through December 31, 2010 plus his pro rata bonus (as defined in the employment agreement) and, if termination occurs during any other time during the employment term, his base salary through the twelfth month anniversary of termination plus his pro rata bonus.

Mr. Lepley's employment agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation. Mr. Lepley may not compete with, solicit employees from or interfere with business relationships of A.C. Moore for the same term during which he is entitled to receive base salary after termination, with a minimum of no less than 12 months in any circumstance. The non-competition provision prohibits Mr. Lepley from engaging in any business competing with A.C. Moore's business as such business exists or is in process on the date of the termination of Mr. Lepley's employment, within any geographical area in which A.C. Moore engages or actively plans to engage in such business. If Mr. Lepley violates these post-employment covenants, among other remedies, A.C. Moore is entitled to cease making post-employment payments to Mr. Lepley.

Upon a change of control (as defined in his employment agreement), Mr. Lepley receives an automatic two-year employment term from the date of the change of control, during which his base salary, annual bonus and other benefits are guaranteed to be at least at the level which he received in the 12 months prior to the change of control. If during this two-year term A.C. Moore terminates Mr. Lepley's employment other than for cause, death or disability or Mr. Lepley terminates for good reason, Mr. Lepley is entitled to receive a lump sum cash payment equal to the aggregate of his base salary through the date of termination, two times the pro rata portion of his annual bonus and two times the amount of his base salary. For termination due to death or disability following a change of control, he or his estate will receive a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and a pro rata bonus determined in the same manner as if there were no change of control. If A.C. Moore terminates for cause or Mr. Lepley terminates without good reason following a change of control, he is entitled to base salary through the date of termination. In addition, all options, SARs and restricted stock held by Mr. Lepley on the date of a change of control will immediately vest and remain exercisable for different periods of time depending upon continued employment. If Mr. Lepley's employment is terminated without cause following the change of control, he will have until the earlier of the end of the original option or SAR term and 18 months after the termination date to exercise the options and SARs. Upon a termination without cause following a change of control, all SARs and restricted stock to which Mr. Lepley would be entitled to receive will immediately be deemed granted and vested and Mr. Lepley will have 18 months after the termination date to exercise these SARs.

If any payments to Mr. Lepley upon a change in control as described above would constitute an excess payment under Code Section 280G and be subject to the excise tax imposed by Code Section 4999 on such excess payments, Mr. Lepley is entitled to a tax gross-up payment of such amount that would leave him in the same tax position as if no such excise tax (including related penalties or interest) was applicable.

Letter Agreement with Joseph A. Jeffries, Executive Vice President and Chief Operating Officer

On November 28, 2007, A.C. Moore entered into a letter agreement with Joseph A. Jeffries to serve as A.C. Moore's Executive Vice President of Operations effective as of November 28, 2007. Mr. Jeffries receives a base salary of \$280,000 per year, subject to annual review and adjustment.

If A.C. Moore terminates his employment without cause, Mr. Jeffries is entitled to receive base salary and insurance benefits through the sixth-month anniversary of the termination date. In the event Mr. Jeffries remains unemployed after six months from his termination date, he will receive an additional month of severance and insurance benefits for each month he remains unemployed, up to a maximum of six additional months.

On August 6, 2008, A.C. Moore and Mr. Jeffries entered into the first amendment to his employment letter. Pursuant to the amendment, Mr. Jeffries' title was changed from Executive Vice President of Operations to Executive Vice President and Chief Operating Officer. In addition, the amendment provides for an automatic one-year term from the date of a change of control (as defined in the amendment), during which Mr. Jeffries is guaranteed a base salary equal to 12 times his highest monthly base salary during the 12-months preceding the change of control, as well as an annual cash bonus at least equal to the amount received for the last full calendar year. If A.C. Moore terminates his employment other than for cause, death or disability or Mr. Jeffries terminates for good reason, Mr. Jeffries is entitled to receive a lump sum cash payment equal to the aggregate of base salary through the date of termination, pro rata bonus and twelve months of base salary. Mr. Jeffries will also receive insurance benefits during this period. For termination due to death or disability, he or his estate will receive a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and his pro rata bonus. If A.C. Moore terminates for cause or Mr. Jeffries terminates without good reason following a change of control, he is entitled to base salary through the date of termination. The amendment provides that Mr. Jeffries's options, SARs and restricted stock vest immediately upon a change of control. If Mr. Jeffries's employment is terminated without cause following a change in control, he will have until the earlier of the original option or SAR term or 18 months after the termination date to exercise the options or SARs.

Mr. Jeffries' letter agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition is for 12 months following the termination of his employment.

Letter Agreement with David Abelman, Executive Vice President and Chief Marketing and Merchandising Officer

On May 7, 2009, A.C. Moore entered into an employment letter (the "letter agreement") with David Abelman to serve as the Company's Executive Vice President and Chief Marketing and Merchandising Officer. His start date with the Company was May 7, 2009.

Pursuant to the letter agreement, Mr. Abelman receives a base salary of \$300,000 per year. On the start date, Mr. Abelman received a cash sign-on lump sum retention bonus of \$200,000 (the sign-on bonus). Mr. Abelman will earn one-twenty fourth of the sign-on bonus for each month after receipt that he remains employed by the Company. If A.C. Moore terminates his employment for cause (as defined in the letter agreement), Mr. Abelman must repay the unearned portions of the sign-on bonus. If Mr. Abelman terminates his employment for good reason (as defined in the letter agreement), he will be deemed to have earned one-hundred percent of the sign-on bonus. On his start date, Mr. Abelman was granted 35,000 PARS and 26,000 SARs under A.C. Moore's 2007 Stock Incentive Plan. Mr. Abelman will receive relocation benefits, including without limitation, reimbursement for commission costs on the sale of his house, closing costs in an amount not to exceed \$3,000 on the purchase of a home, payment for temporary housing for the 120-day period following his start date and bi-weekly round trip travel for him or his spouse in connection with his relocation for the 120-day period following his start date. Mr. Abelman earns one-twenty fourth of the amount of the relocation benefits for each month that he remains employed by A.C. Moore. If his employment is terminated by A.C. Moore for cause or by him without good reason, he must repay the unearned portion of the relocation benefits. In the event that Mr. Abelman's employment is terminated without cause (as defined below) or by him with good reason after the payment of the relocation benefits, he will be deemed to have earned one hundred percent of the relocation benefits.

If A.C. Moore terminates his employment without cause, Mr. Abelman is entitled to receive base salary and insurance benefits through the sixth-month anniversary of the termination date plus pro rata bonus (as defined in the letter agreement). In the event Mr. Abelman remains unemployed after six months from his termination date, he will receive an additional month of severance and insurance benefits for each month he remains unemployed, up to a maximum of six additional months. Mr. Abelman is required to actively seek employment after the termination date in order to receive the additional monthly severance.

The letter agreement provides for an automatic one-year term from the date of a change of control (as defined in the letter agreement), during which Mr. Abelman is guaranteed a base salary equal to 12 times his highest monthly base salary during the 12 months preceding the change of control, as well as an annual cash bonus at least equal to the amount received for the last full calendar year. If A.C. Moore terminates his employment other than for cause, death or disability or Mr. Abelman terminates for good reason, Mr. Abelman is entitled to receive a lump sum cash payment equal to the aggregate of base salary through the date of termination, pro rata bonus and twelve months of base salary. Mr. Abelman will also receive insurance benefits during this period. For termination due to death or disability, he or his estate will receive a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and his pro rata bonus. If A.C. Moore terminates for cause or Mr. Abelman terminates without good reason following a change of control, he is entitled to base salary through the date of termination. The letter agreement provides that Mr. Abelman's options, stock appreciation rights and restricted stock vest immediately upon a change of control. If Mr. Abelman's employment is terminated without cause following a change in control, he will have until the earlier of the original option or stock appreciation right term or 18 months after the termination date to exercise the options or stock appreciation rights.

Mr. Abelman's letter agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition is for 12 months following the termination of his employment.

Letter Agreement with David Stern, Executive Vice President and Chief Financial Officer

On May 13, 2009, A.C. Moore entered into an employment letter (the "letter agreement") with David Stern to serve as the Company's Executive Vice President and Chief Financial Officer. His start date with the Company was June 8, 2009.

Pursuant to the letter agreement, Mr. Stern receives a base salary of \$275,000 per year. On the start date, Mr. Stern received a cash sign-on lump sum retention bonus of \$75,000 (the "sign-on bonus"). Mr. Stern will earn one-twenty fourth of the sign-on bonus for each month after receipt that he remains employed by the Company. If A.C. Moore terminates his employment for cause (as defined in the letter agreement), Mr. Stern must repay the unearned portions of the sign-on bonus. If Mr. Stern terminates his employment for good reason (as defined in the letter agreement), he will be deemed to have earned one-hundred percent of the sign-on bonus. On his start date, Mr. Stern was granted 35,000 PARS and 26,000 SARs under A.C. Moore's 2007 Stock Incentive Plan.

Mr. Stern will receive relocation benefits, including without limitation, reimbursement for commission costs on the sale of his house, closing costs in an amount not to exceed \$3,000 on the purchase of a home, payment for temporary housing for the 120-day period following his start date and bi-weekly round trip travel for him or his spouse in connection with his relocation for the 120-day period following his start date. Mr. Stern earns one-twenty fourth of the amount of the relocation benefits for each month that he remains employed by A.C. Moore. If his employment is terminated by A.C. Moore for cause or by him without good reason, he must repay the unearned portion of the relocation benefits. In the event that Mr. Stern's employment is terminated without cause (as defined below) or by him with good reason after the payment of the relocation benefits, he will be deemed to have earned one hundred percent of the relocation benefits.

If A.C. Moore terminates his employment without cause, Mr. Stern is entitled to receive base salary and insurance benefits through the sixth-month anniversary of the termination date plus pro rata bonus (as defined in the letter agreement). In the event Mr. Stern remains unemployed after six months from his termination date, he will receive an additional month of severance and insurance benefits for each month he remains unemployed, up to a maximum of six additional months. Mr. Stern is required to actively seek employment after the termination date in order to receive the additional monthly severance.

The letter agreement provides for an automatic one-year term from the date of a change of control (as defined in the letter agreement), during which Mr. Stern is guaranteed a base salary equal to 12 times his highest monthly base salary during the 12 months preceding the change of control, as well as an annual cash bonus at least equal to the amount received for the last full calendar year. If A.C. Moore terminates his employment other than for cause, death or disability or Mr. Stern terminates for good reason, Mr. Stern is entitled to receive a lump sum cash payment equal to the aggregate of base salary through the date of termination, pro rata bonus and twelve months of base salary.

Mr. Stern will also receive insurance benefits during this period. For termination due to death or disability, he or his estate will receive a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and his pro rata bonus. If A.C. Moore terminates for cause or Mr. Stern terminates without good reason following a change of control, he is entitled to base salary through the date of termination. The letter agreement provides that Mr. Stern's options, stock appreciation rights and restricted stock vest immediately upon a change of control. If Mr. Stern's employment is terminated without cause following a change in control, he will have until the earlier of the original option or stock appreciation right term or 18 months after the termination date to exercise the options or stock appreciation rights.

Mr. Stern's letter agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition is for 12 months following the termination of his employment.

Employment Agreement with Amy Rhoades, Vice President and General Counsel

On July 24, 2006, A.C. Moore entered into an employment agreement with Amy Rhoades to serve as A.C. Moore's Vice President and General Counsel effective July 24, 2006. Ms. Rhoades' employment agreement was amended on November 15, 2006 and November 19, 2007. Ms. Rhoades' employment agreement has an initial term of one year to be extended automatically for successive one year terms, unless either party provides written notice of termination at least 60 days prior to the end of the term. Ms. Rhoades receives a base salary of \$175,000 per year under her employment agreement, subject to annual review and adjustment.

If A.C. Moore terminates her employment without cause or Ms. Rhoades terminates for good reason or there is a non-renewal of the employment agreement, Ms. Rhoades is entitled to receive base salary, pro rata bonus, vested and earned but unpaid amounts under A.C. Moore's incentive plans through the twelfth-month anniversary of the termination date. If A.C. Moore terminates for cause or Ms. Rhoades terminates without good reason, Ms. Rhoades is entitled to receive base salary through the termination date but will not be entitled to payment of a pro rata bonus. If termination occurs due to death or disability, Ms. Rhoades or her estate will be entitled to receive the sum of her base salary through the termination date, her pro rata annual bonus and vested and earned but unpaid amounts under incentive plans and other programs.

Upon a change of control (as defined in her employment agreement), Ms. Rhoades' employment agreement provides for an automatic one-year term from the date of the change of control, during which Ms. Rhoades is guaranteed a base salary equal to 12 times her highest monthly base salary during the 12-months preceding the change of control, as well as an annual cash bonus at least equal to the amount received for the last full calendar year. If A.C. Moore terminates her employment other than for cause, death or disability or Ms. Rhoades terminates for good reason, Ms. Rhoades is entitled to receive a lump sum cash payment equal to the aggregate of base salary through the date of termination, pro rata bonus and twelve months of base salary. Ms. Rhoades will also receive insurance benefits during this period. For termination due to death or disability, she or her estate will receive a cash lump sum payment equal to the aggregate of her base salary through the date of death or disability and her pro rata bonus. If A.C. Moore terminates for cause or Ms. Rhoades terminates without good reason following a change of control, she is entitled to base salary through the date of termination. The employment agreement provides that Ms. Rhoades' options, SARs and restricted stock vest immediately upon a change of control. If Ms. Rhoades' employment is terminated without cause following a change in control, she will have until the earlier of the original option or SAR term or 18 months after the termination date to exercise the options or SARs.

Ms. Rhoades' employment agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition is for 12 months following the termination of her employment.

Letter Agreement with Michael G. Zawoysky, Former Chief Financial Officer

On September 24, 2008, A.C. Moore entered into an amended and restated employment letter (the "letter agreement") with Michael G. Zawoysky to serve as the Company's Executive Vice President and Chief Financial Officer.

Mr. Zawoysky resigned as A.C. Moore's Executive Vice President and Chief Financial Officer effective April 24, 2009 to pursue an opportunity in the private equity sector. Upon his resignation, pursuant to the terms of his employment letter, he did not qualify to receive any payments or benefits upon termination or change in control. Pursuant to the letter agreement, Mr. Zawoysky received a base salary of \$250,000 per year. On September 24, 2008, in connection with entry into the letter agreement, Mr. Zawoysky was granted 7,500 shares of performance accelerated restricted stock and 25,000 stock-settled stock appreciation rights under the Company's 2007 Stock Incentive Plan.

If A.C. Moore had terminated his employment without cause, Mr. Zawoysky would have been entitled to receive base salary and insurance benefits through the sixth-month anniversary of the termination date. In the event Mr. Zawoysky remained unemployed after six months from his termination date, he would have received an additional month of severance and insurance benefits for each month he remained unemployed, up to a maximum of six additional months. In this instance, Mr. Zawoysky was required to actively seek employment after the termination date in order to receive the additional monthly severance.

The letter agreement provided for an automatic one-year term from the date of a change of control (as defined in the letter agreement), during which Mr. Zawoysky was guaranteed a base salary equal to 12 times his highest monthly base salary during the 12 months preceding the change of control, as well as an annual cash bonus at least equal to the amount received for the last full calendar year. If A.C. Moore had terminated his employment other than for cause, death or disability or Mr. Zawoysky terminated for good reason, Mr. Zawoysky would have been entitled to receive a lump sum cash payment equal to the aggregate of base salary through the date of termination, pro rata bonus and twelve months of base salary. Mr. Zawoysky would have also received insurance benefits during this period. For termination due to death or disability, he or his estate would have received a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and his pro rata bonus. If A.C. Moore terminated for cause or Mr. Zawoysky terminated without good reason following a change of control, he would have been entitled to base salary through the date of termination. The amendment provided that Mr. Zawoysky's options, stock appreciation rights and restricted stock vested immediately upon a change of control. If Mr. Zawoysky's employment were terminated without cause following a change in control, he would have until the earlier of the original option or stock appreciation right term or 18 months after the termination date to exercise the options or stock appreciation rights.

Mr. Zawoysky's letter agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition is for 12 months following the termination of his employment.

Employment Agreement with Marc Katz, Former Chief Financial Officer

On September 6, 2006, and effective as of September 13, 2006, A.C. Moore entered into an employment agreement with Marc Katz to serve as our Executive Vice President and Chief Financial Officer. Mr. Katz resigned from A.C. Moore effective June 27, 2008 to pursue an opportunity in the private equity sector. Upon his resignation, pursuant to the terms of his employment agreement, he did not qualify to receive any payments or benefits upon termination or change in control.

Mr. Katz received a base salary of \$275,000 per year under his employment agreement, subject to annual review and adjustment. Mr. Katz's employment agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition was for 12 months following the termination of his employment.

Tabular Information Relating to Potential Payments or Benefits upon Termination and Change in Control

The following tables quantify the potential termination and change in control payment and benefit amounts for Messrs. Lepley, Jeffries and Zawoysky and Ms. Rhoades pursuant to their agreements, assuming a hypothetical triggering event had occurred as of January 3, 2009. The terms and conditions of the post-employment provisions for Messrs. Lepley, Jeffries and Zawoysky and Ms. Rhoades are described in detail above under Agreements with Named Executive Officers.

Tabular information for Mr. Katz is not included below, as he resigned effective June 27, 2008 and therefore was not employed by A.C. Moore as of the last day of fiscal 2008. Upon his resignation, pursuant to the terms of his employment agreement, he did not qualify to receive any payments or benefits. Likewise, tabular information for Messrs. Abelman and Stern is not included below, as neither of them were employed by A.C. Moore as of the last day of fiscal 2008.

Under the Stock Incentive Plan, all named executive officers may receive benefits in the event of death, disability and retirement. All unvested awards immediately vest in full upon the occurrence of a change in control under the Stock Incentive Plan. In addition, Mr. Lepley and Ms. Rhoades receive benefits under the Old Plans in the event of death or disability. The Stock Incentive Plan and the Old Plans do not discriminate in terms of scope, terms or operation in favor of executive officers and these benefits are available generally to all participants.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Compensation Committee Interlocks and Insider Participation

The following persons served as members of the Compensation Committee in fiscal 2008: Lori J. Schafer, Joseph F. Coradino, Michael J. Joyce and Neil A. McLachlan. No person who served as a member of the Compensation Committee during fiscal 2008 was a current or former officer or employee of A.C. Moore or engaged in certain transactions with A.C. Moore required to be disclosed by regulations of the SEC except as disclosed below under

Related Party Transactions. Additionally, there were no compensation committee interlocks during fiscal 2008, which generally means that no executive officer of A.C. Moore served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of A.C. Moore.

Related Party Transactions Policy and Procedures

In April 2007, the Board adopted a written Related Party Transactions Policy and Procedures. This policy applies to transactions or arrangements in which A.C. Moore is a participant and a related party (namely directors, nominees for director, executive officers, 5% shareholders and their respective immediate family members) with a direct or indirect material interest in the transaction, including transactions requiring disclosure under Item 404(a) of Regulation S-K. Under this policy, no related party transaction can occur unless it is approved or ratified by the Audit Committee or approved by the disinterested members of the Board. The Audit Committee is primarily responsible for reviewing and approving related party transactions, and in doing so, will consider all matters it deems appropriate, including, but not limited to, the dollar value of the proposed transaction, the relative benefits to be obtained and obligations to be incurred by A.C. Moore, and whether the terms of the transaction are comparable to those available to third parties.

Related Party Transactions

Neil A. McLachlan, a member of A.C. Moore's Board, is President of the Consumer & Office Products Group of MeadWestvaco Corporation. A.C. Moore purchased \$322,233 of merchandise to sell in its stores from MeadWestvaco Corporation in the fiscal year ended January 3, 2009. Mr. McLachlan was not involved in these transactions and did not receive any compensation for these transactions.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires A.C. Moore's directors and executive officers, and persons who beneficially own more than ten percent of A.C. Moore's Common Stock, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of A.C. Moore. Executive officers, directors and greater than ten percent shareholders are required by regulation of the SEC to furnish A.C. Moore with copies of all Section 16(a) reports they file.

To A.C. Moore's knowledge, based solely on a review of the copies of such reports furnished to A.C. Moore and written representations that no other reports were required during 2007, all Section 16(a) filing requirements applicable to A.C. Moore's executive officers, directors and greater than ten percent beneficial owners were complied with during fiscal 2008.

PROPOSAL 2
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

A.C. Moore's independent registered public accounting firm for the fiscal year ended January 3, 2009 was the firm of PricewaterhouseCoopers. The Audit Committee of the Board has appointed PricewaterhouseCoopers, independent registered public accounting firm, to serve as A.C. Moore's independent registered public accounting firm for the fiscal year ending January 2, 2010. Shareholders will be asked to ratify this appointment. Although action by the shareholders on this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification of the appointment of the independent registered public accounting firm to provide a forum for shareholders to express their views with regard to the Audit Committee's appointment. If the shareholders do not ratify the appointment of PricewaterhouseCoopers, the selection of the independent registered public accounting firm may be reconsidered by the Audit Committee; provided, however, the Audit Committee retains the right to continue to engage PricewaterhouseCoopers. Notwithstanding the ratification of PricewaterhouseCoopers as A.C. Moore's independent registered public accounting firm for the fiscal year ending January 2, 2010, the Audit Committee retains the right to replace PricewaterhouseCoopers at any time without shareholder approval. A representative of PricewaterhouseCoopers is expected to be present at the 2009 Annual Meeting and to be available to respond to appropriate questions. The representative will have the opportunity to make a statement if he or she so desires.

Principal Accountant Fees and Services

Aggregate fees for professional services rendered for A.C. Moore by PricewaterhouseCoopers as of or for the fiscal years ended January 3, 2009 and December 31, 2007 were:

Services Rendered⁽¹⁾	01/03/2009	12/31/2007
Audit Fees	\$ 729,110	\$ 975,605
Audit Related Fees		
Tax Fees	8,000	2,500
All Other Fees		
Total	\$ 737,110	\$ 978,105

(1) The aggregate fees included are fees billed for the fiscal years.

Audit fees for the fiscal years ended January 3, 2009 and December 31, 2007 were for professional services rendered for the audits of the consolidated financial statements of A.C. Moore and for the audit of A.C. Moore's internal control over financial reporting as required by the Sarbanes-Oxley Act of 2002, quarterly reviews, issuance of consents, and assistance with review of documents filed with the SEC. The audit fee increase for the year ended December 31, 2007 reflects fees related to the inventory accounting review.

Tax fees consist of fees for tax compliance efforts.

The Audit Committee has considered and determined that the services provided by PricewaterhouseCoopers are compatible with PricewaterhouseCoopers maintaining its independence.

The Audit Committee has adopted a policy that requires advance approval of all audit, audit related, tax services and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the

independent registered public accounting firm is engaged to perform it. The Audit Committee pre-approved all of the audit and non-audit services provided to A.C. Moore by PricewaterhouseCoopers in fiscal 2008 and fiscal 2007.

THE BOARD RECOMMENDS THAT YOU VOTE FOR APPROVAL OF PROPOSAL 2.

PROPOSAL 3

APPROVAL OF AN AMENDMENT TO A.C. MOORE'S 2007 STOCK INCENTIVE PLAN

Shareholders are being asked to approve an amendment of A.C. Moore's 2007 Stock Incentive Plan (the "Stock Incentive Plan"). The Board approved the Stock Incentive Plan on April 27, 2007. Our shareholders approved the Stock Incentive Plan on June 7, 2007 at the 2007 Annual Meeting of Shareholders. The Amendment to the Stock Incentive Plan includes the following key modifications, effective on the date of the 2009 Annual Meeting if approved by our shareholders:

Increase the aggregate share reserve. The current aggregate share reserve of 1,000,000 shares of our common stock ("Common Stock") under the 2007 Stock Incentive Plan (of which 322,974 shares are available for grant as of July 17, 2009) will be increased by an additional 4,100,000 shares for a total share reserve of 5,100,000 shares. The Board believes that stock ownership by employees provides performance incentives and fosters long-term commitment to our benefit and the benefit of our shareholders. Further, the Board believes that the proposed increase in the share reserve is necessary to insure that a sufficient reserve of Common Stock remains available for issuance to allow us to continue to use equity incentives to attract and retain the services of key individuals essential to our long-term growth and operational success.

Corporate governance best practices. The Amendment adopts four key features that are designed to reflect corporate governance best practices, as follows:

Share counting. The total number of shares of Common Stock available for awards will now be reduced by the total number exercised of stock options, SARs or awards based on the appreciation in value of a share of Common Stock in excess of an amount equal to at least the fair market value of Common Stock on the date such awards are granted, regardless of whether any of the shares of Common Stock underlying such awards are not actually issued to the participant as the result of a net settlement or if any shares of Common Stock are used to pay any exercise price or for a tax withholding obligation.

Use of fungible share limit. Under the Stock Incentive Plan, shares of common stock granted as awards in any form other than stock options, SARs or awards based on the appreciation in value of a share of Common Stock in excess of an amount equal to at least the fair market value of Common Stock on the date such awards are granted shall be counted against the maximum number of shares of Common Stock authorized for issuance under the plan as 1.31 shares of Common Stock for each share of Common Stock granted.

Limited stock option/SAR term. We shortened the term of any stock option or SAR granted under the Stock Incentive Plan on or following the date of the Annual Meeting to no more than seven years after the date the award is granted. The Stock Incentive Plan currently provides for a term of up to 10 years for stock options and SARs.

Change in Control Consummation. We changed the Stock Incentive Plan to clarify that if a participant has an employment contract that contains a definition of Change in Control that supersedes the definition of Change in Control under the Stock Incentive Plan, in no event will the Change in Control be deemed to be triggered under the Stock Incentive Plan unless the Change in Control has been consummated.

Set forth below is (i) a summary of the principal features of the Stock Incentive Plan, (ii) information about securities subject to awards under the Company's equity compensation plans; and (iii) a summary of the federal income tax consequences of the Stock Incentive Plan. The proposed amendment to the Stock Incentive Plan, reflecting both deleted and inserted text, is attached to this Proxy Statement as Appendix A. Except for the proposed modifications described above, the Stock Incentive Plan will remain in effect as previously adopted by shareholders.

As of the Record Date, the closing price of Common Stock on NASDAQ was \$3.31 per share.

Summary of the Stock Incentive Plan

A summary of the material terms of the Stock Incentive Plan is set forth below. This summary is not intended to be complete and is qualified in its entirety by the detailed provisions of the Stock Incentive Plan attached to A.C. Moore's Proxy Statement relating to its 2007 Annual Meeting of Shareholders as Appendix A. Capitalized terms used in the summary but not defined in it will have the meanings assigned to them in the Stock Incentive Plan. The section below titled ***Shares Subject to Awards*** reflects provisions of the proposed Amendment. The remainder of the description below summarizes the material terms of the Stock Incentive Plan, which terms remain unchanged by the Amendment.

Purpose of the Stock Incentive Plan. The purpose of the Stock Incentive Plan is to provide incentives to attract, retain, motivate and reward non-employee directors, executive officers and other key employees of A.C. Moore or any of its Affiliates by providing them opportunities to receive shares of Common Stock or to receive monetary payments based on the value of such shares. A.C. Moore's success depends, in large measure, on its ability to attract and retain talented employees and outside directors with outstanding abilities and experience. The Compensation Committee and the Board of A.C. Moore believe that A.C. Moore will significantly benefit from having A.C. Moore's non-employee directors, executive officers and other key employees receive equity Awards, as defined below, under the Stock Incentive Plan. Providing an opportunity to non-employee directors, executive officers and other key employees in the Stock Incentive Plan to receive Common Stock or benefit from the appreciation of such Common Stock is valuable in attracting and retaining highly qualified employees and outside directors and in providing additional motivation to such persons to use their best efforts on behalf of A.C. Moore. The Stock Incentive Plan is also intended to assist in further aligning the interests of participants in the Stock Incentive Plan with those of A.C. Moore's shareholders. The Board also believes it is important for executive officers to own meaningful levels of A.C. Moore Common Stock.

Awards. The following types of awards or any combination of them may be granted under the Stock Incentive Plan:

- (i) Stock Options (both Incentive Stock Options and Non-Qualified Options) to receive shares of Common Stock; (ii) Stock Appreciation Rights, which entitle the grantee to receive an amount in cash, shares of Common Stock, or a combination of cash and shares of Common Stock, determined by reference to appreciation in Common Stock value;
- (iii) Stock Awards, which entitle the grantee to receive shares of Common Stock which may be subject to certain restrictions such as restrictions on transferability; (iv) Performance Awards, which entitle the grantee to receive, without payment, an award following the attainment of performance goals; and (v) Stock Units, which entitle the grantee to receive an amount in cash or, if the grantee and the Compensation Committee so agree, in shares of Common Stock or a combination of cash and shares of Common Stock, with or without other payments by the grantee, as may be determined by the Compensation Committee (each as described above is referred to as an Award and collectively, the Awards). In addition, other forms of awards valued in whole or in part by reference to A.C. Moore's Common Stock may be granted either alone or in addition to the foregoing Awards.

Awards are evidenced by Award agreements in such forms as the Compensation Committee approves from time to time. Each Award is subject to such terms and conditions consistent with the Stock Incentive Plan, as determined by the Compensation Committee and as set forth in the Award agreement. The Compensation Committee will have the authority to retract any Award granted under the Stock Incentive Plan in case of a material restatement of the financial statements of A.C. Moore or if it is otherwise determined by the Compensation Committee that the previously granted Award was not earned by the participant.

The terms and conditions applicable to any Award may be amended or modified by mutual agreement between A.C. Moore and the participant or any other persons as may then have an interest in the Award.

Administration. The Stock Incentive Plan will be administered by the Compensation Committee. The current members of the Compensation Committee are Lori J. Schafer (Chair), Joseph F. Coradino, Michael J. Joyce and Neil A. McLachlan. The Stock Incentive Plan requires that the Compensation Committee be composed of not less than two non-employee directors for the purpose of Rule 16b-3 under the Exchange Act and outside directors for the purpose of the performance-based compensation exception under Code Section 162(m).

Under the Stock Incentive Plan, the Compensation Committee has the power to interpret the Stock Incentive Plan and to adopt such rules and regulations as it considers necessary for purposes of administering the Stock Incentive Plan. The Compensation Committee is authorized to grant Awards to the participants in the Stock Incentive Plan and to determine the number and types of such Awards and the terms, conditions and limitations applicable to each such Award. The Compensation Committee may delegate its powers and authority under the Stock Incentive Plan to designated officers or employees of A.C. Moore. In addition, the independent members of the full Board may exercise any of the powers and authority of the Compensation Committee under the Stock Incentive Plan. The selection of members of the Compensation Committee, and any delegation of power by the Compensation Committee to officers or employees of A.C. Moore, must comply with Section 16(b) of the Exchange Act, the performance-based provisions of Code Section 162(m), and any regulations promulgated under each of such statutory provisions, except to the extent that the Board determines that such compliance is not necessary or desirable.

Eligibility and Participation. All non-employee directors, executive officers and other key employees of A.C. Moore or any of its Affiliates who are significantly responsible for the success and future growth and profitability of A.C. Moore, as determined by the Compensation Committee, are eligible to be participants in the Stock Incentive Plan. As of the date of this proxy statement, five non-employee directors, four executive officers and approximately 40 key employees were eligible to be participants. A participant's right, if any, to continue to serve A.C. Moore as a director, executive officer, other key employee, or otherwise, will not be enlarged or otherwise affected by his or her designation as a participant under the Stock Incentive Plan. Participants may receive one or more Awards under the Stock Incentive Plan.

Shares Subject to Awards. The aggregate number of shares of Common Stock that may be subject to Awards to be granted under the Stock Incentive Plan is 5,100,000, subject to adjustments for stock splits, recapitalizations and other specified events.

The shares of Common Stock granted as Stock Options, Stock Appreciation Rights or Other Awards based on the appreciation in value of a share of Common Stock in excess of an amount equal to at least the Fair Market Value of the Common Stock on the date such Other Award is granted (Stock Options, Stock Appreciation Rights and such Other Awards collectively referred to as Appreciation Awards) shall be counted against the maximum number of shares of Common Stock authorized for issuance under the Stock Incentive Plan as one share of Common Stock for each one share of Common Stock granted. Shares of Common Stock granted as Awards in any form other than Appreciation Awards shall be counted against the maximum number of shares of Common Stock authorized for issuance under the Plan as 1.31 shares of Common Stock for each share of Common Stock granted.

If any Award granted under the Stock Incentive Plan expires, terminates, is forfeited or is canceled for any reason without having been exercised or settled, the number of shares of Common Stock underlying any unexercised or unsettled Award shall again be available for the purpose of Awards under the Stock Incentive Plan.

The maximum number of shares of Common Stock with respect to which Incentive Stock Options may be granted is 100,000 shares, subject to adjustments for stock splits, recapitalizations and other specified events.

The maximum number of shares of Common Stock with respect to which an Appreciation Award may be granted or measured to any participant under the Stock Incentive Plan during any calendar year, or part of such calendar year, shall not exceed 1,000,000 shares, subject to adjustments for stock splits, recapitalizations and other specified events.

The maximum number of shares of Common Stock with respect to which Awards other than Appreciation Awards may be granted under the Stock Incentive Plan during any calendar year or part thereof shall be 500,000 shares of Common Stock, subject to adjustments for stock splits, recapitalizations and other specified events.

Stock Options. Stock Options granted under the Stock Incentive Plan may be either Incentive Stock Options (within the meaning of Code Section 422) or Non-Qualified Stock Options which do not qualify as Incentive Stock Options.

The Compensation Committee determines the exercise price at which shares underlying a Stock Option may be purchased, whether an Incentive Stock Option or a Non-Qualified Stock Option. However, the exercise price may not be less than the Fair Market Value of the shares of Common Stock on the date the Stock Option is granted.

Incentive Stock Options may be granted only to executive officers and other key employees of A.C. Moore or any of its Affiliates, and Non-Qualified Stock Options may be granted to any participant in the Stock Incentive Plan.

A participant in the Stock Incentive Plan may pay the exercise price in cash or, in the discretion of the Compensation Committee, either in shares of Common Stock then owned by the participant for at least 6 months, by the withholding of shares of Common Stock for which a Stock Option is exercisable, or by a combination of these methods, or by any other appropriate method.

Incentive Stock Options are subject to certain limitations, including the following. The aggregate market value (determined as of the date of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by a participant during any calendar year may not exceed \$100,000. Furthermore, Incentive Stock Options may not be granted to any participant who, at the time of grant, owns stock possessing more than 10% of the total combined voting power of all outstanding classes of stock of A.C. Moore or any of its subsidiaries, unless the exercise price is fixed at not less than 110% of the Fair Market Value of a share of Common Stock on the date of grant and the Stock Option cannot be exercised more than five years after the date of grant.

Stock Appreciation Rights. A Stock Appreciation Right is a right to receive a payment in cash, shares of Common Stock or a combination of cash and shares of Common Stock, in an amount equal to the increase in the Fair Market Value, or other specified valuation, of a specified number of shares of Common Stock from the date the right is granted to the date the right is exercised.

Stock Awards. A Stock Award may include restrictions on the sale or other disposition of the shares covered by the Award, or A.C. Moore may have the right to reacquire such shares for no consideration upon termination of the participant's employment within specified periods. The Award agreement will specify whether the participant will have, with respect to the shares of Common Stock subject to a Stock Award, all of the rights of a holder of shares of Common Stock, including the right to receive dividends and to vote the shares.

Performance Awards. The Compensation Committee will set performance targets at its discretion which, depending on the extent to which they are met, will determine the number of shares of Common Stock or Stock Units that may be subject to each Performance Award and the number and/or value of Performance Awards that will be paid out to the participants. Performance targets may be based upon company-wide, divisional and/or individual performance. Payment of earned Performance Awards may be made in shares of Common Stock or in cash and will be made in accordance with the terms and conditions prescribed or authorized by the Compensation Committee. The Compensation Committee, in its sole discretion, may permit the deferral of the receipt of Performance Awards based upon a performance period of at least 12 months, provided that the participant performed services continuously from a date no later than the date upon which the performance criteria are established through a date no earlier than the date upon which the participant makes such deferral election. Such deferral election must comply with the Code Section 409A and Treasury regulations, rulings and notices of the Internal Revenue Services (referred to as "IRS") issued under Section 409A.

Stock Units. A Stock Unit is a notional account representing one share of Common Stock. The Compensation Committee determines the vesting criteria for Stock Units. Upon vesting, shares of Common Stock are distributed, subject to certain exceptions, to the participant unless the participant and the Compensation Committee agree to make payment in cash or partly in cash and partly in shares of Common Stock. The Compensation Committee may grant a participant the right to receive the amount of any dividend paid on the share of Common Stock underlying a Stock Unit (payable in cash or in additional Stock Units). The Compensation Committee, in its sole discretion, may permit a participant to elect to defer the receipt of any Stock Unit that is subject to a vesting period of at least 12 months, provided such election is made on or before the 30th day after the grant of the Stock Unit and at least 12 months in advance of the earliest date on which the vesting period could expire. Such deferral election must comply with the Code Section 409A and Treasury regulations, rulings and notices of the IRS issued under Section 409A.

Performance-Based Awards and Performance Measures. Certain Awards made under the Stock Incentive Plan may be granted so that they qualify as performance-based compensation (as this term is used in Code Section 162(m) and the regulations thereunder) and are exempt from the deduction limitation imposed by Code Section 162(m) (these Awards are referred to as "Performance-Based Awards"). Under Code Section 162(m), A.C. Moore's tax deduction may be limited to the extent total compensation paid to the Chief Executive Officer, or any of the four most highly compensated executive officers (other than the Chief Executive Officer) exceeds \$1 million in any one tax year. Among other criteria, Awards only qualify as Performance-Based Awards if at the time of grant the Compensation Committee is comprised solely of two or more "outside directors" (as this term is used in Code Section 162(m) and the regulations thereunder). In addition, A.C. Moore must obtain shareholder approval of material terms of the performance measures for such performance-based compensation.

All Stock Options and Stock Appreciation Rights granted under the Stock Incentive Plan and certain Stock Awards, Performance Awards, and Stock Units granted under the Stock Incentive Plan, and the compensation attributable to such Awards, are intended to (i) qualify as Performance-Based Awards or (ii) be otherwise exempt from the deduction limitation imposed by Code Section 162(m).

The Compensation Committee may use the following performance measures (either individually or in any combination) to set performance targets with respect to Awards intended to qualify as Performance-Based Awards: net sales; pretax income before allocation of corporate overhead and bonus; budget; earnings per share; net income; division, group or corporate financial goals; return on shareholders' equity; return on assets; return on net assets; return on investment capital; gross margin return on investment; gross margin dollars or percent; sales per square foot or per hour; payroll as a percentage of sales; inventory shrink; comparable store sales; inventory turnover; employee turnover; sales, general and administrative expense; attainment of strategic and operational initiatives; appreciation in and/or maintenance of the price of Common Stock or any other publicly-traded securities of A.C. Moore, if any; market share; gross profits; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; economic value-added models; comparisons with various stock market indices; and/or reductions in costs. The foregoing criteria will have any reasonable definitions that the Compensation Committee may specify, which may include or exclude any or all of the following items as the Compensation Committee may specify: extraordinary, unusual or non-recurring items; effects of accounting changes; effects of financing activities; expenses for restructuring or productivity initiatives; other non-operating items; spending for acquisitions; effects of divestitures; and effects of litigation activities and settlements. Any such performance criterion or combination of such criteria may apply to the participant's Award opportunity in its entirety or to any designated portion or portions of the Award opportunity, as the Compensation Committee may specify.

Adjustments to Awards Due to Changes in A.C. Moore's Capital Structure. In the event of any change in the shares of Common Stock by reason of a merger, consolidation, reorganization, recapitalization, stock split, stock dividend, exchange of shares, or other similar change in the corporate structure or distribution to shareholders, each outstanding Stock Option and Stock Appreciation Right will be adjusted. The adjustments will make each Award exercisable thereafter for the securities, cash and/or other property as would have been received in respect of Common Stock subject to such Award had the Stock Option or Stock Appreciation Right been exercised in full immediately prior to the change or distribution. Furthermore, in the event of any such change or distribution, in order to prevent dilution or enlargement of participants' rights under the Stock Incentive Plan, the Compensation Committee has the authority to make equitable adjustments to, among other things, the number and kind of shares and exercise price of outstanding Awards.

Effect of Change in Control. All unvested Awards granted under the Stock Incentive Plan will become fully vested immediately upon the occurrence of the Change in Control and such vested Awards will be paid out or settled, as applicable, within 60 days upon the occurrence of the Change in Control, subject to requirements of applicable laws and regulations. The Compensation Committee may determine that, upon the occurrence of a Change in Control, each outstanding Stock Option and Stock Appreciation Right will terminate and the holder will receive, within 60 days upon the occurrence of the Change in Control, an amount equal to the excess of the Fair Market Value of the shares underlying the Award immediately prior to the occurrence of such Change in Control over the exercise price per share of such Award. This cash out amount is payable in cash, in one or more kinds of property (including the property, if any, payable in the transaction) or in a combination thereof.

Termination of Employment. If a participant's employment is terminated due to death or disability, as defined in the Stock Incentive Plan, then the participant's unvested Stock Awards or Stock Units and unexercisable Stock Options or Stock Appreciation Rights become vested or exercisable, as applicable, immediately as of the date of the termination of the participant's employment. All Stock Options and Stock Appreciation Rights that were or became exercisable as of the date of the participant's termination of employment due to death or disability will remain exercisable until the earlier of (i) the end of the one-year period following the participant's termination of employment due to death or disability, as the case may be, or (ii) the date the Stock Option or Stock Appreciation Right would otherwise expire.

All unearned or unvested Performance Awards held by the participant on the date of the participant's termination of employment due to death or disability, as the case may be, will immediately become earned or vested as of such date and will be paid out and/or settled based on A.C. Moore's and/or the participant's performance immediately prior to the date of the participant's termination of employment due to death or disability on a pro-rated basis with a minimum of at least one year into a performance period.

A participant whose employment is terminated for cause, as defined in the Stock Incentive Plan, forfeits all Awards, whether or not vested, exercisable or earned, granted to the participant.

A participant whose employment is terminated for any reason, including, without limitation, retirement, other than for cause, death or disability, forfeits all unvested, unexercisable and unearned Awards granted to the participant. All exercisable Stock Options and all exercisable Stock Appreciation Rights held by the participant on the date of the termination of his or her employment for any reason other than for cause, death or disability will remain exercisable until the earlier of (i) the end of the 90-day period following the date of the termination of the participant's employment, or (ii) the date the Stock Option or Stock Appreciation Right would otherwise expire. The Stock Incentive Plan's provisions relating to termination of employment may be modified in the discretion of the Compensation Committee.

Transferability. Each Award granted under the Stock Incentive Plan is not transferable otherwise than by will or the laws of descent and distribution, and/or is exercisable, during the participant's lifetime, only by the participant. The Compensation Committee may allow a Stock Option or Stock Appreciation Right to be exercisable during a period after the death of the participant by the executor or administrator of the estate of the deceased participant or the person or persons to whom the deceased participant's rights under the Stock Option or Stock Appreciation Right will pass by will or the laws of descent and distribution. The Compensation Committee also may permit an Award (other than an Incentive Stock Option) to be transferred by a participant solely to members of the participant's immediate family or trusts or family partnerships for the benefit of such persons, subject to any restriction included in the Award agreement.

Term and Amendment. If the shareholders approve the Amendment to the Stock Incentive Plan at this 2009 Annual Meeting, the Amendment will be effective as of August 20, 2009 and no award will be granted more than ten years after June 7, 2007, the date on which shareholders originally approved the Stock Incentive Plan. The Board may amend, suspend or terminate the Stock Incentive Plan at any time and from time to time. Without shareholder approval, no amendment will (i) increase the total number of shares which may be issued under the Stock Incentive Plan or the maximum number of shares with respect to which Stock Options, Stock Appreciation Rights and other Awards that may be granted to any individual under the Stock Incentive Plan; (ii) modify the requirements as to eligibility for Awards under the Stock Incentive Plan; (iii) effect the repricing of Stock Options or Stock Appreciation Rights; or (iv) otherwise materially amend the Stock Incentive Plan as provided in the NASDAQ Marketplace Rules or the rules of another public trading market on which shares of Common Stock are then listed or quoted.

Summary of U.S. Federal Income Tax Consequences

The following information is not intended to be a complete discussion of the federal income tax consequences of participation in the Stock Incentive Plan and is qualified in its entirety by references to the Code and the regulations adopted under the Code. The provisions of the Code described in this section include current tax law only and do not reflect any proposals to revise current tax law. The federal income tax consequences applicable to officers, directors, and other persons who are subject to potential liability under Section 16(b) of the Exchange Act may be different than the federal income tax consequences applicable to persons who are not subject to Section 16(b). The federal income tax consequences applicable to all persons, whether or not subject to Section 16(b), are described below.

Incentive Stock Options. Generally, under the Code, an optionee will not realize taxable income by reason of the grant or exercise of an Incentive Stock Option granted pursuant to the Stock Incentive Plan (see, however, discussion of alternative minimum tax below). If an optionee exercises an Incentive Stock Option and does not dispose of the shares until the later of (i) two years from the date the option was granted and (ii) one year from the date of exercise, the entire gain, if any, realized upon disposition of such shares will be taxable to the optionee as long-term capital gain, and A.C. Moore will not be entitled to any deduction. If an optionee disposes of the shares within the period of two years from the date of grant or one year from the date of exercise (referred to as a *disqualifying disposition*), the optionee generally will realize ordinary income in the year of disposition and A.C. Moore will receive a corresponding deduction in an amount equal to the excess of (i) the lesser of (a) the amount, if any, realized on the disposition and (b) the fair market value of the shares on the date the option was exercised over (ii) the option price. Any additional gain realized on the disposition will be short-term or long-term capital gain and any loss will be long-term or short-term capital loss. The optionee will be considered to have disposed of a share if he or she sells, exchanges, makes a gift of or transfers legal title to the share (except transfers, among others, by pledge, on death or to a spouse). If the disposition is by sale or exchange, the optionee's tax basis will equal the amount paid for the shares plus any ordinary income realized as a result of the disqualifying disposition.

The exercise of an Incentive Stock Option may subject the optionee to the so-called *alternative minimum tax* (referred to as *AMT*). The amount by which the fair market value of the shares purchased at the time of the exercise exceeds the option exercise price is an adjustment for purposes of computing the AMT. In the event of a disqualifying disposition of the shares in the same taxable year as exercise of the Incentive Stock Option, no adjustment is then required for purposes of the AMT, but regular income tax, as described above, may result from such disqualifying disposition. An optionee who surrenders shares as payment of the exercise price of his or her Incentive Stock Option generally will not recognize gain or loss on his or her surrender of such shares. The surrender of shares previously acquired upon exercise of an Incentive Stock Option in payment of the exercise price of another Incentive Stock Option, is, however, a *disposition* of such stock. If the Incentive Stock Option holding period requirements described above have not been satisfied with respect to such stock, such disposition will be a disqualifying disposition that may cause the optionee to recognize ordinary income as discussed above.

Under the Code, all of the shares received by an optionee upon exercise of an Incentive Stock Option by surrendering shares will be subject to the Incentive Stock Option holding period requirements. Of those shares, a number of shares (referred to as the *Exchange Shares*) equal to the number of shares surrendered by the optionee will have the same tax basis for capital gains purposes (increased by any ordinary income recognized as a result of a disqualifying disposition of the surrendered shares if they were Incentive Stock Option shares) and the same capital gains holding period as the shares surrendered.

For purposes of determining ordinary income upon a subsequent disqualifying disposition of the Exchange Shares, the amount paid for such shares will be deemed to be the fair market value of the shares surrendered. The balance of the shares received by the optionee will have a tax basis (and a deemed purchase price) of zero and a capital gains holding period beginning on the date of exercise. The Incentive Stock Option holding period for all shares will be the same as if the option had been exercised for cash.

Non-Qualified Stock Options. Generally, there will be no federal income tax consequences to either the optionee or A.C. Moore on the grant of Non-Qualified Stock Options pursuant to the Stock Incentive Plan. On the exercise of a Non-Qualified Stock Option, the optionee has taxable ordinary income equal to the excess of the fair market value of the shares acquired on the exercise date over the option price of the shares. A.C. Moore will be entitled to a federal income tax deduction (subject to the limitations contained in Code Section 162(m)) in an amount equal to such excess, provided that A.C. Moore complies with applicable reporting rules.

Upon the sale of stock acquired by exercise of a Non-Qualified Stock Option, optionees will realize long-term or short-term capital gain or loss depending upon their holding period for such stock. For individuals, capital losses are deductible only to the extent of capital gains for the year plus \$3,000. An optionee who surrenders shares in payment of the exercise price of a Non-Qualified Stock Option will not recognize gain or loss with respect to the shares so delivered unless such shares were acquired pursuant to the exercise of an Incentive Stock Option and the delivery of such shares is a disqualifying disposition. See *Incentive Stock Options* above. The optionee will recognize ordinary income on the exercise of the Non-Qualified Stock Option as described above. Of the shares received in such an exchange, that number of shares equal to the number of shares surrendered have the same tax basis and capital gains holding period as the shares surrendered. The balance of shares received will have a tax basis equal to their fair market value on the date of exercise and the capital gains holding period will begin on the date of exercise.

Stock Appreciation Rights. A participant who is awarded a Stock Appreciation Right will not have taxable income upon the grant of such Stock Appreciation Right and A.C. Moore will not be entitled to a tax deduction by reason of such grant. Upon the exercise of a Stock Appreciation Right, a participant will recognize taxable ordinary income equal to the amount of cash and the fair market value of any shares of common stock received. A.C. Moore may generally claim a deduction at that time equal to the amount recognized as ordinary income by the participant.

Stock Awards. The taxability of a Stock Award to a participant is dependent upon the extent to which the award is restricted on the date of grant. If a Stock Award is either transferable or not subject to a substantial risk of forfeiture, a participant will recognize taxable ordinary income on the date of grant. If a Stock Award is both non-transferable and subject to a substantial risk of forfeiture on the date of grant, then unless an election is made as described below, a participant will not recognize taxable ordinary income on the date of grant, but will at such time or times as the Stock Award becomes either transferable or not subject to a substantial risk of forfeiture in an amount equal to the fair market value of such shares at that time. Within thirty days of receipt of a Stock Award that is not transferable and subject to a substantial risk of forfeiture, a participant may file an election with the Internal Revenue Service to include as taxable ordinary income in the year of receipt an amount equal to the fair market value of the shares subject to the award at the time of receipt. In such event, any subsequent appreciation in the value of such shares will not be taxable as compensation to a participant upon the vesting of shares subject to the award. However, if shares subject to the award are forfeited subsequent to such election, a participant will not be entitled to a tax deduction. For purposes of determining the amount of taxable gain or loss upon a subsequent disposition of shares issued pursuant to such an award, the amount recognized as ordinary income to a participant will be treated as the cost basis for such shares. Shares which are held for more than one year after vesting (or in the event of an election as described above, the date of receipt) generally will qualify for long-term capital gain treatment. A.C. Moore will be entitled to a deduction in such amount and at such time as ordinary income becomes taxable to the participant.

Performance Awards. The tax consequences of a performance award depend upon the nature of the underlying award and if and when the performance goals are achieved. If a performance award consists of a promise to deliver common stock at a future date based upon the satisfaction of certain targets, such awards will be subject to federal income taxation as ordinary income based upon the fair market value of the common stock on the date such performance awards are earned by a participant by satisfying the performance targets, provided such awards are not then subject to a substantial risk of forfeiture.

Stock Units. A participant will not be subject to federal income taxation upon the grant of a Stock Unit. A participant will be subject to tax as ordinary taxable income upon payout of a stock unit in an amount equal to the sum of the cash and the fair market value of common stock received.

Withholding of Tax; Company Deduction. Generally, whenever a participant realizes ordinary income under the Stock Incentive Plan, a corresponding deduction is available to A.C. Moore provided A.C. Moore complies with certain reporting requirements. Under Code Section 162(m), however, A.C. Moore will be denied a deduction for certain compensation exceeding \$1,000,000 paid to its Chief Executive Officer and the four other highest paid executive officers, excluding (among other things) certain performance-based compensation. The deduction limit does not apply to payments that qualify as performance-based provided certain requirements are met. See Summary of the Stock Incentive Plan Performance-Based Awards and Performance Measures and Proposal 3: Approval of the Annual Incentive Plan Summary of U.S. Federal Income Tax Consequences below for discussion of the requirements related to Code Section 162(m).

Amended and Restated Sections 5, 6(d), 7 and 13(b) to the 2007 Stock Incentive Plan

5. Common Stock Available Under the Plan

a. Shares Available. The aggregate number of shares of Common Stock that may be subject to Awards, ~~including shares of Common Stock underlying Stock Options, (which for purposes of the Plan shall include individually an Other Award and collectively Other Awards)~~ granted under this Plan shall be ~~1,000,000~~ 5,100,000 shares of Common Stock, which reflects an increase of 4,100,000 shares from the initial share reserve of 1,000,000, and which may be authorized and unissued or treasury shares, subject to any adjustments made in accordance with Section 12 below; provided, however, that such share reserve shall be increased from time to time by a number of shares of Common Stock equal to the number of shares of Common Stock that are issuable pursuant to option grants (Existing Options) outstanding under the Company's 1997 Employee, Director and Consultant Stock Option Plan and the 2002 Stock Option Plan (collectively, the Old Plans) as of the Effective Date that but for the suspension of the Old Plans, as described below, would otherwise have reverted to the share reserve of the Old Plans pursuant to the terms thereof as a result of the expiration, termination, cancellation or forfeiture of such Existing Options. ~~As of the Effective Date, there were 1,802,632 Existing Options outstanding. Starting from the Effective Date, no additional grants shall be made under each of the Company's Old Plans. Existing Options shall continue to be governed by their respective terms under the Old Plans.
