NUVEEN CLOSED-END FUND PROPOSALS RECEIVE SUPPORT OF LEADING PROXY ADVISORY SERVICE

Fund Shareholders Recommended to Vote in Favor of Proposed Investment Policy Changes to Several National Municipal Bond Funds by Institutional Shareholder Services Inc.

CHICAGO, August 19, 2009 Nuveen Investments, a leading global provider of investment services to institutions and high-net-worth investors, today announced that Institutional Shareholder Services Inc. (ISS) has recommended that shareholders vote in favor of proposed changes to certain fundamental investment policies of a number of Nuveen national closed-end municipal bond funds. ISS is widely recognized as the leading independent proxy advisory firm in the nation. Its recommendations are relied upon by hundreds of major institutional investment firms, mutual funds, and other fiduciaries throughout the country.

ISS recommends that each fund's shareholders vote in favor of the proposed changes at its annual shareholders meeting held on Tuesday, July 28, 2009 and adjourned to Tuesday, September 1, 2009. The specific closed-end funds are:

enhanced ability to meet investment objectives while maintaining the quality orientation of fund's investment portfolio;

increased flexibility in diversifying portfolio risks and managing duration to help sustain and build net asset value;

improved secondary market competitiveness that may lead to a higher relative market price and/or stronger premium/discount performance; and

for the insured funds only, increased flexibility to respond to on-going developments in the bond insurance market.

Investors who have not mailed in their proxy and wish to vote via the Internet may download their fund's proxy statement and vote their proxy online. To vote over the internet, investors should go to www.proxyweb.com if they received their proxy materials directly from Nuveen.
