Item 7.01 Regulation FD Disclosure

As previously disclosed on December 14, 2009, Tronox Incorporated on behalf of its affiliated debtors and debtors in possession (collectively, "Tronox") is engaged in active discussions on a term sheet that would provide a framework for a Chapter 11 plan of reorganization. The negotiations are with the Official Committee of Unsecured Creditors, a group of holders of Tronox's 9.5% Unsecured Notes due December 1, 2012 (the "Ad Hoc Noteholders") and the United States Attorney for the Southern District of New York. The term sheet negotiations contemplate (i) debt financing currently under negotiation and (ii) an equity commitment of \$105 million by the Ad Hoc Noteholders. These funding sources would be used in part to provide \$115 million to fund certain environmental remediation trusts and a litigation trust that form part of a comprehensive settlement of Tronox's legacy environmental liabilities with the United States government.

Tronox continues to also pursue an auction to sell substantially all of its assets pursuant to Section 363 of the Bankruptcy Code. The auction is scheduled for December 21, 2009, with a hearing to approve the sale of Tronox's assets set for December 22, 2009.

The potential transactions described above are not evidenced by signed agreements. There is no assurance that any of the transactions mentioned above will be consummated or if consummated what the terms will be. Tronox continues to explore all options.

In connection with pursuing the debt financing described above, Tronox is providing the financial information attached as Exhibit 99.1 hereto.
