Item 1.01. Entry into a Material Definitive Agreement

On May 25, 2010, Goodrich Petroleum Corporation (the Company) entered into a participation agreement with Turnham Interests, Inc., a private company owned by Robert C. Turnham, Jr. (the Turnham Participation Agreement) on terms substantially identical to recent Company transactions, as described below. Mr. Turnham is the President and Chief Operating Officer of the Company and is a Director on the Board of Directors of the Company. Pursuant to the Turnham Participation Agreement, the Company purchased from Turnham Interests, Inc., at a cash price of \$1,250 per net acre, a 95% working interest in 812.83 net acres in the Eagle Ford Shale oil play in Frio County, Texas. In addition, the Company agreed to pay for and carry the costs associated with the drilling and completion of an initial well on the acreage, to the extent such costs are attributable to the 5% working interest in such acreage retained by Turnham Interests, Inc. The total cash consideration received by Turnham Interests, Inc. in connection with the Turnham Participation Agreement will be \$1,016,037.50. The term of the Turnham Participation Agreement is three years, or for so long as there is commercial production from the acreage.

The terms of the Turnham Participation Agreement are substantially identical to the terms of a previously announced participation agreement entered into between the Company and an unrelated third party, concerning approximately 6,000 net acres in the direct vicinity of the acreage covered by the Turnham Participation Agreement.
