**Section 8 Other Events**

**Item 8.01 Other Events**

The Board of Directors of SIFCO Industries, Inc. approved a stock repurchase program under which the Company is authorized to invest up to \$1.0 million to purchase its outstanding common shares. The shares, when purchased, will be used for corporate purposes. These purchases can be made in the open market or in negotiated transactions from time to time, depending upon market conditions.

The Board believes that the recent market price of the common stock does not reflect the true value of the Company and, therefore, the repurchase program represents an attractive investment opportunity for the Company.

The Company issued a press release announcing such repurchase program, which press release is attached as an exhibit to this Report.
