This Amendment No. 2 (this Amendment) amends and supplements the Schedule 13D filed on May 17, 2010, as amended by Amendment No. 1 filed on June 8, 2010 (as amended and supplemented, the Schedule 13D), by the Reporting Person relating to the common stock, par value \$0.001 per share (Common Stock) of Biolase Technology, Inc., a Delaware corporation (the Issuer). Information reported in the Schedule 13D remains in effect except to the extent that it is amended, supplemented, restated or superseded by information contained in this Amendment.

Capitalized terms used but not defined in this Amendment have the respective meanings set forth in the Schedule 13D.

Item 1. Security and Issuer.

Item 1 is hereby amended and restated as follows:

This Amendment, which relates to the Reporting Person's beneficial ownership of the Issuer's Common Stock, is being filed to supplement the disclosure in Item 4 and amend and restate Item 7 of the Schedule 13D. The principal executive offices of the Issuer are located at 4 Cromwell, Irvine, California 92618.

Item 4. Purpose of Transaction.

Item 4 of the Schedule 13D is hereby supplemented as follows:

On June 10, 2010, the Reporting Person received a letter (the Response Letter) from a special committee of the Board of Directors (the Special Committee) of the Issuer contesting his authority to call a special meeting of stockholders of the Issuer on August 6, 2010 and terminating him as President of the Issuer, effective immediately. The Reporting Person takes strong exception to the Special Committee's grounds for contesting his authority to call this special meeting of stockholders and resulting termination as President of the Issuer. Contrary to the Special Committee's assertion, (1) the Reporting Person did not need authorization from the Board of Directors to call this meeting and (2) his actions were authorized by the Issuer's governing documents. Section 2.3(a) of the Issuer's Bylaws provides that: Special meetings of stockholders for any purposes, unless otherwise prescribed by the General Corporation Law of the State of Delaware, the Certificate of Incorporation or these Bylaws, may be called by the Board, the Chairman, the Chief Executive Officer (CEO) **or the President** (emphasis added). The Bylaws further provide the President with the authority to set the place, date and time of the special meeting. Thus, in his capacity as President of the Issuer, the Reporting Person had the unequivocal right to call this special stockholder meeting. The Reporting Person intends to initiate litigation and otherwise pursue his rights to call and hold this special meeting of the Issuer's stockholders. The Reporting Person also intends to challenge the Special Committee's decision to remove him as President and the appointment of David Mulder as Chairman of the Board of Directors. Additionally, the Reporting Person takes exception to the Special Committee's characterization of his call for the special stockholder meeting as a hostile takeover. The Reporting Person was the only director who received approximately 96% of the votes cast for the election of directors at the 2010 Annual Meeting of Stockholders. All other directors, but the Reporting Person, barely received a majority, receiving only approximately 53% of the votes cast. The Reporting Person views the recent actions by the Special Committee as further evidence of the current directors' attempts (other than him) to entrench themselves and intends to pursue his rights as a stockholder of the Issuer to effect a change in the composition of the Board of Directors of the Issuer.

The Response Letter is incorporated herein by reference as Exhibit 2.

Item 7. Material to Be Filed as Exhibits.
