ANGLOGOLD ASHANTI ANNOUNCES LAUNCH OF CONCURRENT EQUITY OFFERING AND MANDATORY CONVERTIBLE SUBORDINATED BONDS OFFERING

AngloGold Ashanti announces the launch of a global offering (the Equity Offering) of 15,773,914 new ordinary shares (and up to an additional 2,366,086 new ordinary shares pursuant to an over-allotment option that is expected to be granted to the underwriters) and a concurrent global offering by its wholly-owned subsidiary, AngloGold Ashanti Holdings Finance plc, of mandatory convertible subordinated bonds due 2013 which will convert into a maximum of 15,773,914 American Depositary Shares (ADSs) of AngloGold Ashanti (and up to an additional principal amount of such bonds which will convert into a maximum of 2,366,086 ADSs pursuant to an over-allotment option that is expected to be granted to the underwriters) (the Mandatory Convertible Bonds) (the Mandatory Convertible Bonds Offering). The Mandatory Convertible Bonds will be fully and unconditionally guaranteed by AngloGold Ashanti on a subordinated basis. The Equity Offering will be in the form of AngloGold Ashanti ordinary shares and ADSs (each ADS currently represents one AngloGold Ashanti ordinary share). The Mandatory Convertible Bonds will be convertible into ADSs (or, in certain circumstances, the cash value thereof). Neither the completion of the Equity Offering nor of the Mandatory Convertible Bonds Offering will be contingent on the completion of the other.

The final price of the Equity Offering and the final terms of the Mandatory Convertible Bonds Offering will be announced after the completion of accelerated bookbuild processes. Once the terms of the Mandatory Convertible Bonds have been finalised, AngloGold Ashanti shareholders will be requested to grant specific authority for the directors to issue ordinary shares pursuant to the conversion of the Mandatory Convertible Bonds.

In connection with the Equity Offering and the Mandatory Convertible Bonds Offering, UBS AG (London Branch) and Morgan Stanley & Co. Incorporated, acting as stabilising managers on behalf of the underwriters, may over-allot or effect transactions which may support the market price of AngloGold Ashanti ordinary shares, ADSs and Mandatory Convertible Bonds at a level higher than that which might otherwise prevail for a limited period of time after the pricing date. However, there is no obligation of UBS AG (London Branch) or Morgan Stanley & Co. Incorporated to do so. Such stabilising action may under no circumstances continue beyond the 30th calendar day after the pricing date.

AngloGold Ashanti intends to use the net proceeds from the Equity Offering and the Mandatory Convertible Bonds Offering, together with funds drawn from its existing credit facilities and cash on hand, to effectively eliminate its gold hedging position while maintaining a strong balance sheet to fund its development projects and exploration initiatives. Pending their use for these purposes, the net proceeds of the Equity Offering and the Mandatory Convertible Bonds Offering may be used to reduce AngloGold Ashanti's short-term borrowings and the borrowings outstanding under its revolving credit facility, if any, or retained as cash in accordance with its cash management policies.

The preliminary prospectus supplements and the related prospectus relating to the Equity Offering and the Mandatory Convertible Bonds Offering may be obtained free of charge from the U.S. Securities and Exchange Commission's website at www.sec.gov. Copies of the preliminary prospectus supplements and the related prospectus may be obtained by calling UBS AG (London Branch), Attn: Equity Capital Markets, at +44 207 568 0046, its registered US broker-dealer affiliate, UBS Securities LLC at +1-888-827-7275, or Morgan Stanley & Co.
