**Item 8.01 Other Events.**

As previously reported, on July 21, 2010, Advanced Energy Industries, Inc. entered into an Asset Purchase Agreement with Hitachi Metals, Ltd. Pursuant to the Asset Purchase Agreement, at closing Hitachi Metals will purchase Advanced Energy's mass flow control and related product lines for cash consideration of approximately \$44 million, subject to adjustment based on the inventory balance at closing.

Hitachi Metals and Advanced Energy have confirmed that all of the conditions to closing under the Agreement have been met (other than those conditions which by their nature are satisfied simultaneously with the closing), and Advanced Energy anticipates closing the sale of the mass flow control and related product lines to Hitachi Metals in October 2010.

**Special Note Regarding Forward Looking Statements**

Advanced Energy's statement regarding the anticipated closing of the sale of its mass flow control and related product lines to Hitachi Metals is a forward-looking statement within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934.

Forward-looking statements inherently involve risks, uncertainties and other factors, which may cause actual results, events or circumstances to be materially different from future results, events or circumstances expressed or implied by such forward-looking statements. In the case of the anticipated closing of the sale of the mass flow control and related product lines, such risks, uncertainties and other factors include but are not limited to Hitachi Metals' ability to finalize promptly operational matters with respect to certain customers and suppliers and to integrate these product lines in its information technology systems. We undertake no obligation to update our forward-looking statements.
