**EXECUTIVE COMPENSATION**

**COMPENSATION DISCUSSION AND ANALYSIS**

The Compensation Committee of the Board has the primary responsibility for establishing the compensation paid to the executive officers of the Company, including the named executive officers who are identified in the Summary Compensation Table below. This includes base salary, bonus awards, employment agreements and supplemental retirement plans. The full Board of Directors reviews and approves restricted share awards and stock option grants. The Compensation Committee consists of James Sumas, Chairman of the Board of Directors and Chief Executive Officer; John P. Sumas, Executive Vice President; Robert Sumas, President and Chief Operating Officer; John J. Sumas, Vice President General Counsel; Steven Crystal, David C. Judge and Peter R. Lavoy, independent directors.

The primary objective of the Company's executive compensation program is to attract, motivate and retain executive officers of outstanding ability and to align the interests of these executive officers with the interests of shareholders. Most of the named executive officers own a substantial amount of the Company's common stock and thus have a direct and substantial interest in the long-term growth of shareholder's wealth. In light of this ownership, there is less need to directly relate compensation for the named executive officers to long-term Company performance.

Neither management nor the Compensation Committee currently engages any consultant related to executive or director compensation matters. In setting compensation levels the Committee considers the overall level of responsibility and performance of the individual executive, compensation levels of executive officers obtained through commercially available survey data, compensation of executive officers obtained through reviews of annual proxy statements, compensation paid to corporate executives of Wakefern and other ShopRite members, the financial performance of the Company and other achievements during the most recently completed fiscal year, overall economic conditions, and competitive operating conditions. The Compensation Committee does not specifically benchmark to compensation data obtained, but rather subjectively utilizes the above factors in setting compensation for the named executive officers. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of departments under the executive's control, leadership, execution of strategic initiatives and decision making abilities. Although financial performance of the Company is a factor in setting executive compensation, financial and other performance targets are not utilized.

The Company's executive compensation for the named executive officers includes the following components: base salary, annual bonus plan, restricted stock awards, retirement benefits and other benefits.

**Salary**

Named executive officers are paid a base salary with annual increases at the discretion of the Compensation Committee. In addition to the competitive data outlined above and Company performance, individual factors are also considered in setting base salaries. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of departments under the executive's control, leadership, execution of strategic initiatives and decision making abilities. Based on subjective and qualitative considerations, the Compensation Committee granted raises to each of the named executive officers of approximately 5% in fiscal 2010.

**Annual Bonus**

The Company's executive compensation program includes an annual non-equity incentive cash bonus designed to reward executive officers for overall Company success and individual performance. The actual bonus amounts earned by the named executive officers are reflected in the Summary Compensation Table in the fiscal year earned, even though these bonus amounts are paid in the subsequent year. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of departments under the executive's control, leadership, execution of strategic initiatives and decision making abilities. The bonuses awarded in fiscal 2010 by the Committee, which represent a reduction from fiscal 2009, were based on the Company's 7% reduction in net income and 1% decrease

in EBITDA amid a very poor economic environment and a period of deflation in food prices. Although the annual bonus award is not targeted as a specific percentage of the named executive officer's base salary, the bonus awards in fiscal 2010 range from 38% to 45% of base salary. In addition, an employment agreement with Mr. Begley requires the Company to pay a retention bonus of a minimum of \$75,000 per year, payable one year after such bonus is earned, conditioned on Mr. Begley's continued employment with the Company.

## **Equity**

Awards based on the Company's common stock have been granted periodically to the named executive officers and approximately sixty other employees. No awards were granted to named executive officers in fiscal 2010. The Compensation Committee believes equity awards align the interest of employees with the interest of shareholders. The Company has utilized both restricted share grants and option grants. The last grant of stock options to named executive officers occurred in 1997. During fiscal 2008, the Company granted 26,000 restricted shares to each of the named executive officers. Additional information about these awards is included in the tables that follow. The Compensation Committee considers several factors in determining the amounts of stock based awards granted to the named executive officers, including the officer's level in the organization, individual performance and comparison to compensation levels at similar companies. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of departments under the executive's control, leadership, execution of strategic initiatives and decision making abilities.

The Company has historically set the exercise price for stock options as the closing price of the Company's Class A common stock on the date of grant. Options have generally been granted at the Board of Director's meeting held in December, which is shortly after the release of first quarter earnings.

The Company does not have specific equity ownership guidelines, although as noted above, most of the named executive officers own a substantial amount of the Company's common stock.

## **Retirement Benefits**

The Company maintains a defined benefit and a defined contribution plan for its non-union employees. The named executive officers participate in both of these plans, as well as a supplemental executive retirement plan. Additional details regarding retirement benefits available to the named executive officers can be found in the 2010 Pension Benefits Table and the accompanying narrative description that follows this discussion and analysis.

Village also maintains a deferred compensation plan in which the named executive officers, as well as other supervisory employees, are eligible to participate. One named executive officer has participated in this plan. This plan is a nonqualified plan under which participants may elect to defer the receipt of a portion of their salary or bonus otherwise payable to them. Compensation deferred bears interest at the actual rate of return earned on the contributed assets, which are invested in mutual funds and thus is not a preferential rate of interest. Deferred amounts are paid out only in cash, in accordance with deferral options selected by the participant at the time the deferral election is made.

## **Other Benefits**

The Company's group health, dental, vision and life insurance plans are available to eligible full-time and part-time employees. These plans do not discriminate in favor of the named executive officers. Non-employee directors of the Company's Board of Directors do not participate in these plans. The Company provides the named executive officers, as well as all supervisory personnel, a Company vehicle. The Company provides the named executive officers with long-term disability insurance. The Company pays golf club membership dues for one named executive officer, John P. Sumas. There are no other benefits provided to the named executive officers.

The Company believes the perquisites described above are necessary and appropriate in providing competitive compensation to our executive officers.

**Table of Contents**

**Employment Agreements**

The Company entered into an employment agreement with Mr. Begley dated January 1, 2004. The original agreement expired December 31, 2006, but has been extended through December 31, 2010. Under the agreement, the Company agreed to pay Mr. Begley a base salary and bonus at least equal to that existing on the date of the contract, with increases at least commensurate with the increases granted to the other executive officers of the Company. The Board of Directors may decrease Mr. Begley's compensation in proportion to decreases commensurate with the other executive officers of the Company. In addition, the Company agreed to pay Mr. Begley a retention bonus of a minimum of \$75,000 per year payable one year after such bonus is earned, conditioned on Mr. Begley's continued employment with the Company. This agreement contains a covenant not to compete with the Company. The agreement includes payments in the event of the termination of Mr. Begley within five years following a change in control. The change in control and termination payment due is calculated as five years of current base salary plus bonus using the previous five years average, less amounts paid subsequent to the change in control. If the change in control and termination had occurred on July 31, 2010, the amount due would be \$4,100,000. There are no other severance payments or change in control agreements with named executive officers.

The Company's equity plans described above provide for accelerated vesting of options and restricted share grants in the event of a change in control of the Company. This potential acceleration applies to all employees receiving grants and does not discriminate in favor of the named executive officers.

**Deductibility of Compensation**

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation paid to certain executive officers to \$1,000,000 annually. Compensation that is qualified performance-based compensation generally is not subject to this \$1,000,000 deduction limit. The Company's awards of restricted stock vest solely on the passage of time, are not performance based and, as a result, compensation expense for those awards are not deductible to the extent they exceed \$1,000,000.

**Financial Statement Restatement**

The Company does not have a policy relative to making retroactive adjustments to any incentive compensation paid to the named executive officers where payment was based on the achievement of results that were subsequently the subject of restatement. The Company has never restated its financial statements.

**Risk Assessment of Compensation Policies and Practices**

The Compensation Committee has assessed the compensation policies and practices for our employees and we have concluded that these policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company. In addition, the Compensation Committee believes that the mix and design of the elements of executive compensation do not encourage management to assume excessive risks.

**COMPENSATION COMMITTEE REPORT**

Based on its review and discussions with management, the Compensation Committee has recommended to the Company's Board of Directors that the Compensation Discussion and Analysis be included in the Company's proxy statement and incorporated by reference into its annual report on Form 10-K. The report is provided by the following directors, who comprise the committee.

- (1) These amounts represent the grant date fair value of restricted share awards granted to the named executive officer with respect to the fiscal year. The compensation for fiscal 2008 is calculated for each named executive officer as 26,000 Class A restricted shares granted on March 14, 2008 times the \$25.38 grant price, which was the market value on the date of grant. All share amounts have been adjusted to reflect the two-for-one stock split in fiscal 2009. Restrictions on these share lapse on March 14, 2011, the third anniversary of the grant, as long as the officer is employed by the Company at that time. Any dividends declared on the Company's Class A common stock are payable on the restricted shares.
- (2) This amount shows the change in pension value in fiscal 2010. Amounts from the Nonqualified Deferred Compensation Table were omitted since the aggregate earnings amount included no above-market or preferential earnings.
- (3) In accordance with SEC rules, this table omits information regarding group life and health plans that do not discriminate in favor of executive officers of the Company and that are generally available to all salaried employees. The amounts shown in this column include employer costs related to personal use of Company automobiles, which is added to the named executive officers taxable earnings in accordance with IRS rules, long-term disability insurance premiums, and the Company's matching contribution to our 401(k) Plan. In addition, the amount for John P. Sumas includes \$7,200 for annual golf club membership dues.

- (1) The present value of the accumulated benefit for each named executive officer reflects pension benefits payable at the earliest age the named executive officer may retire without significant benefit reductions, or current age, if later. The same assumptions used in Note 8 to the Village Super Market, Inc. audited financial statements in the 2010 Annual Report and the Management's Discussion and Analysis included therein are used in calculating the present value of accumulated pension benefits.

The Company maintains a defined benefit pension plan (the Village Super Market Employees Retirement Plan, or VSMERP) for employees not covered by a collective bargaining agreement who have been employed with the Company for more than six months and who are over the age of twenty-one. For purposes of determining plan benefits, compensation is the regular base pay of the participant plus bonuses. Effective January 1, 1989, the plan benefit formula was amended. Retirement benefits are equal to the pension accrued to December 31, 1988 plus 1% of average compensation times each year of post-1988 service plus .75% of average compensation in excess of Table II of the 1989 Covered Compensation Table times each year of post-1988 service. Average compensation for post-1988 service is based on the five highest consecutive years' compensation. Normal retirement date is age 65. Employees are eligible for early retirement upon the attainment of age 55 and the completion of at least 15 years of vested service. Benefits are reduced by 1/15 for each of the first five years the early retirement date precedes normal retirement date and 1/30 for each of the succeeding five years. The Company has never granted any extra years of credited service.

In addition to the defined benefit pension plan described above, the Company adopted the Supplemental Executive Retirement Plan of Village Super Market, Inc. (the SERP) effective January 1, 2004 for the named executive officers to compensate for limitations on benefits available through the VSMERP. Participants vest in the SERP benefit at a rate of 20% per year of service beginning in calendar 2004. The retirement benefit at normal retirement date for the SERP is calculated as 50% of the individual's average compensation during his or her highest sixty consecutive months in the last ten years before retirement, reduced by both the benefit the participant is entitled to receive under the VSMERP and the amount of the participant's social security benefits. Normal retirement is defined as the later of

age 65 or five years of participation in the SERP. Early retirement is permitted upon the attainment of age 55 and the completion of at least five years of vesting service. Early retirement benefits are subject to a reduction of 1/15 for each of the first five years the early retirement date precedes the normal retirement date and 1/30 for each of the succeeding five years. Covered compensation under the SERP includes all salary and bonuses, whether paid in cash or deferred.

The named executive officers are eligible to participate in a nonqualified deferred compensation plan under which certain employees may elect to defer the receipt of up to 25% of their salary or 100% of their bonus otherwise payable to them, and thereby defer taxation of the deferred amount until actual payment in future years. Participants may elect to defer payment for a specified number of years or until retirement or termination of employment. Earnings on deferred amounts are allocated to individuals based on the actual performance of the invested funds, which is not a preferential rate.

5.2 Exercise Period. Options may be exercisable within the times or upon the events determined by the Committee as set forth in the Stock Option Agreement governing such Option; provided, however, that no Option will be exercisable after the expiration of ten (10) years from the date the Option is granted; and provided further that no ISO granted to a person who directly or by attribution owns more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or of any Parent or Subsidiary of the Company ( Ten Percent Stockholder ) will be exercisable after the expiration of five (5) years from the date the ISO is granted. The Committee also may provide for Options to become exercisable at one time or from time to time, periodically or otherwise, in such number of Shares or percentage of Shares as the Committee determines.

5.3 Exercise Price. The Exercise Price of an Option will be determined by the Committee when the Option is granted; provided that: (i) the Exercise Price of an ISO will not be less than 100% of the Fair Market Value of the Shares on the date of grant; and (ii) the Exercise Price of any ISO granted to a Ten Percent Stockholder will not be less than 110% of the Fair Market Value of the Shares on the date of grant. Payment for the Shares purchased may be made in accordance with Section 8 of this Plan.

Participant), stating the number of Shares being purchased, the restrictions imposed on the Shares purchased under such Exercise Agreement, if any, and such representations and agreements regarding Participant's investment intent and access to information and other matters, if any, as may be required or desirable by the Company to comply with applicable securities laws, together with payment in full of the Exercise Price for the number of Shares being purchased.

**Table of Contents**

5.6 *Termination*. Notwithstanding the exercise periods set forth in the Stock Option Agreement, exercise of an Option will always be subject to the following:

- a. If the Participant is Terminated for any reason except death or Disability, then the Participant may exercise such Participant's Options only to the extent that such Options would have been exercisable upon the Termination Date no later than three (3) months after the Termination Date (or such shorter or longer time period not exceeding five (5) years as may be determined by the Committee, with any exercise beyond three (3) months after the Termination Date deemed to be a NQSO), but in any event, no later than the expiration date of the Options.
- b. If the Participant is Terminated because of Participant's death or Disability (or the Participant dies within three (3) months after a Termination other than for Cause or because of Participant's Disability), then Participant's Options may be exercised only to the extent that such Options would have been exercisable by Participant on the Termination Date and must be exercised by Participant (or Participant's legal representative or authorized assignee) no later than twelve (12) months after the Termination Date (or such shorter or longer time period not exceeding five (5) years as may be determined by the Committee, with any such exercise beyond (a) three (3) months after the Termination Date when the Termination is for any reason other than the Participant's death or Disability, or (b) twelve (12) months after the Termination Date when the Termination is for Participant's death or Disability, deemed to be a NQSO), but in any event no later than the expiration date of the Options.
- c. Notwithstanding the provisions in paragraph 5.6(a) above, if a Participant is terminated for Cause, neither the Participant, the Participant's estate nor such other person who may then hold the Option shall be entitled to exercise any Option with respect to any Shares whatsoever, after termination of service, whether or not after termination of service the Participant may receive payment from the Company or Subsidiary for vacation pay, for services rendered prior to termination, for services rendered for the day on which termination occurs, for salary in lieu of notice, or for any other benefits. In making such determination, the Board shall give the Participant an opportunity to present to the Board evidence on his behalf. For the purpose of this paragraph, termination of service shall be deemed to occur on the date when the Company dispatches notice or advice to the Participant that his service is terminated.

5.7 *Limitations on ISO*. The aggregate Fair Market Value (determined as of the date of grant) of Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under this Plan or under any other incentive stock option plan of the Company, Parent or Subsidiary of the Company) will not exceed \$100,000. If the Fair Market Value of Shares on the date of grant with respect to which ISOs are exercisable for the first time by a Participant during any calendar year exceeds \$100,000, then the Options for the first \$100,000 worth of Shares to become exercisable in such calendar year will be ISOs and the Options for the amount in excess of \$100,000 that become exercisable in that calendar year will be NQSOs. In the event that the Code or the regulations promulgated thereunder are amended after the Effective Date of this Plan to provide for a different limit on the Fair Market Value of Shares permitted to be subject to ISO, such different limit will be automatically incorporated herein and will apply to any Options granted after the effective date of such amendment.

5.8 *Modification, Extension or Renewal*. The Committee may modify, extend or renew outstanding Options and authorize the grant of new Options in substitution therefor, provided that any such action may not, without the written consent of a Participant, impair any of such Participant's rights under any Option previously granted. Any outstanding ISO that is modified, extended, renewed or otherwise altered will be treated in accordance with Section 424(h) of the Code. The Committee may reduce the Exercise Price of outstanding Options without the consent of Participants affected by a written notice to them.

5.9 *Limitations on Exercise*. The Committee may specify a reasonable minimum number of Shares that may be purchased on any exercise of an Option, provided that such minimum number will not prevent Participant from exercising the Option for the full number of Shares for which it is then exercisable.

5.10 *No Disqualification.* Notwithstanding any other provision in this Plan, no term of this Plan relating to ISOs will be interpreted, amended or altered, nor will any discretion or authority granted under this

**Table of Contents**

Plan be exercised, so as to disqualify this Plan under Section 422 of the Code or, without the consent of the Participant affected, to disqualify any ISO under Section 422 of the Code.

6. **Restricted Stock.** A Restricted Stock Award is an offer by the Company to sell to an eligible person Shares that are subject to restrictions. The Committee will determine to whom an offer will be made, the number of Shares the person may purchase, the price to be paid (the Purchase Price), the restrictions to which the Shares will be subject, and all other terms and conditions of the Restricted Stock Award, subject to the following:

6.1 **Form of Restricted Stock Award.** All purchases under a Restricted Stock Award made pursuant to this Plan will be evidenced by an Award Agreement ( Restricted Stock Purchase Agreement ) that will be in such form (which need not be the same for each Participant) as the Committee will from time to time approve, and will comply with and be subject to the terms and conditions of this Plan. The offer of Restricted Stock will be accepted by the Participant's execution and delivery of the Restricted Stock Purchase Agreement and full payment for the Shares to the Company within thirty (30) days from the date the Restricted Stock Purchase Agreement is delivered to the person. If such person does not execute and deliver the Restricted Stock Purchase Agreement along with full payment for the Shares to the Company within thirty (30) days, then the offer will terminate, unless otherwise determined by the Committee.

6.2 **Purchase Price.** The Purchase Price of Shares sold pursuant to a Restricted Stock Award will be determined by the Committee on the date the Restricted Stock Award is granted. Payment of the Purchase Price may be made in accordance with Section 8 of this Plan.

6.3 **Terms of Restricted Stock Awards.** Restricted Stock Awards shall be subject to such restrictions as the Committee may impose, which, in the case of such Award intended to qualify as performance-based compensation under Section 162(m) of the Code, shall be established no later than the 90th day after the applicable Performance Period begins (or such other date as may be required or permitted under Section 162(m) of the Code. These restrictions may be based upon completion of a specified number of years of service with the Company or upon completion of the performance goals as set out in advance in the Participant's individual Restricted Stock Purchase Agreement. Restricted Stock Awards may vary from Participant to Participant and between groups of Participants. Prior to the grant of a Restricted Stock Award, the Committee shall: (a) determine the nature, length and starting date of any Performance Period for the Restricted Stock Award; (b) select from among the Performance Factors to be used to measure performance goals, if any; and (c) determine the number of Shares that may be awarded to the Participant. Prior to the payment of any Restricted Stock Award, the Committee shall determine the extent to which such Restricted Stock Award has been earned. Performance Periods may overlap and Participants may participate simultaneously with respect to Restricted Stock Awards that are subject to different Performance Periods and having different performance goals and other criteria.

6.4 **Stock Restrictions.** Each certificate representing Restricted Stock awarded under the Plan shall bear the following legend until the lapse of all restrictions with respect to such Stock:

*7.2 Terms of Stock Bonuses.* The Committee will determine the number of Shares to be awarded to the Participant. If the Stock Bonus is being earned upon the satisfaction of performance goals pursuant to a Performance Stock Bonus Agreement, then the Committee will: (a) determine the nature, length and starting date of any Performance Period for each Stock Bonus; (b) select from among the Performance Factors to be used to measure the performance, if any; and (c) determine the number of Shares that may be awarded to the Participant. Whenever, under this Plan, payments in satisfaction of Awards are to be made in cash, such payment will be net of an amount sufficient to satisfy federal, state, and local withholding tax requirements.

9.2 Stock Withholding. When, under applicable tax laws, a Participant incurs tax liability in connection with the exercise or vesting of any Award that is subject to tax withholding and the Participant is obligated to pay the Company the amount required to be withheld, the Committee may in its sole discretion allow the Participant to satisfy the minimum withholding tax obligation by electing to have the Company withhold from the Shares to be issued that number of Shares having a Fair Market Value equal to the minimum amount required to be withheld, determined on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares withheld for this purpose will be made in accordance with the requirements established by the Committee and be in writing in a form acceptable to the Committee.

10. Privileges of Stock Ownership. No Participant will have any of the rights of a stockholder with respect to any Shares until the Shares are issued to the Participant. After Shares are issued to the Participant, the Participant will be a stockholder and have all the rights of a stockholder with respect to such Shares, including the right to vote and receive all dividends or other distributions made or paid with respect to such Shares; provided, that if such Shares are Restricted Stock, then any new, additional or different securities the Participant may become entitled to receive with respect to such Shares by virtue of a stock dividend, stock split or any other change in the corporate or capital structure of the Company will be subject to the same restrictions as the Restricted Stock; provided, further, that the Participant will have no right to retain such stock dividends or stock distributions with respect to Shares that are repurchased at the Participant's Purchase Price or Exercise Price pursuant to Section 12.

11. Transferability. Awards granted under this Plan, and any interest therein, will not be transferable or assignable by Participant, and may not be made subject to execution, attachment or similar process, otherwise than by will or by the laws of descent and distribution or as determined by the Committee and set forth in the Award Agreement with respect to Awards that are not ISOs. During the lifetime of the Participant an Award will be exercisable only by the Participant, and any elections with respect to an Award may be made only by the Participant unless otherwise determined by the Committee and set forth in the Award Agreement with respect to Awards that are not ISOs.

12. Restrictions on Shares. At the discretion of the Committee, the Company may reserve to itself and/or its assignee(s) in the Award Agreement a right to repurchase a portion of or all Unvested Shares held by a Participant following such Participant's Termination at any time within ninety (90) days after the later of Participant's Termination Date and the date Participant purchases Shares under this Plan, for cash and/or cancellation of purchase money indebtedness, at the Participant's Exercise Price or Purchase Price, as the case may be.

13. Certificates. All certificates for Shares or other securities delivered under this Plan will be subject to such stock transfer orders, legends and other restrictions as the Committee may deem necessary or advisable, including restrictions under any applicable federal, state or foreign securities law, or any rules, regulations and other requirements of the SEC or any stock exchange or automated quotation system upon which the Shares may be listed or quoted.

14. Escrow; Pledge of Shares. To enforce any restrictions on a Participant's Shares, the Committee may require the Participant to deposit all certificates representing Shares, together with stock powers or other instruments of transfer approved by the Committee, appropriately endorsed in blank, with the Company or an agent designated by the Company to hold in escrow until such restrictions have lapsed or terminated, and the Committee may cause a legend or legends referencing such restrictions to be placed on the certificates.

15. Exchange And Buyout of Awards. The Committee may, at any time or from time to time, authorize the Company, with the consent of the respective Participants, to issue new Awards in exchange for the surrender and

**Table of Contents**

cancellation of any or all outstanding Awards. The Committee may at any time buy from a Participant an Award previously granted with payment in cash, Shares (including Restricted Stock) or other consideration, based on such terms and conditions as the Committee and the Participant may agree.

16. Securities Law And Other Regulatory Compliance. An Award will not be effective unless such Award is in compliance with all applicable federal and state securities laws, rules and regulations of any governmental body, and the requirements of any stock exchange or automated quotation system upon which the Shares may then be listed or quoted, as they are in effect on the date of grant of the Award and also on the date of exercise or other issuance. Notwithstanding any other provision in this Plan, the Company will have no obligation to issue or deliver certificates for Shares under this Plan prior to: (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and/or (b) completion of any registration or other qualification of such Shares under any state or federal law or ruling of any governmental body that the Company determines to be necessary or advisable. The Company will be under no obligation to register the Shares with the SEC or to effect compliance with the registration, qualification or listing requirements of any state securities laws, stock exchange or automated quotation system, and the Company will have no liability for any inability or failure to do so.

17. No Obligation to Employ. Nothing in this Plan or any Award granted under this Plan will confer or be deemed to confer on any Participant any right to continue in the employ of, or to continue any other relationship with, the Company or any Parent or Subsidiary of the Company or limit in any way the right of the Company or any Parent or Subsidiary of the Company to terminate Participant's employment or other relationship at any time, with or without cause.

18. Corporate Transactions.

18.1 Assumption or Replacement of Awards by Successor. In the event of (a) a dissolution or liquidation of the Company, (b) a merger or consolidation in which the Company is not the surviving corporation (other than a merger or consolidation with a wholly-owned subsidiary, a reincorporation of the Company in a different jurisdiction, or other transaction in which there is no substantial change in the stockholders of the Company or their relative stock holdings and the Awards granted under this Plan are assumed, converted or replaced by the successor corporation, which assumption will be binding on all Participants), (c) a merger in which the Company is the surviving corporation but after which the stockholders of the Company immediately prior to such merger (other than any stockholder that merges, or which owns or controls another corporation that merges, with the Company in such merger) cease to own their shares or other equity interest in the Company, (d) the sale of substantially all of the assets of the Company, or (e) the acquisition, sale, or transfer of more than 50% of the outstanding shares of the Company by tender offer or similar transaction, any or all outstanding Awards may be assumed, converted or replaced by the successor corporation (if any), which assumption, conversion or replacement will be binding on all Participants. In the alternative, the successor corporation may substitute equivalent Awards or provide substantially similar consideration to Participants as was provided to stockholders (after taking into account the existing provisions of the Awards). The successor corporation may also issue, in place of outstanding Shares of the Company held by the Participant, substantially similar shares or other property subject to repurchase restrictions no less favorable to the Participant. In the event such successor corporation (if any) refuses to assume or substitute Awards, as provided above, pursuant to a transaction described in this Subsection 18.1, such Awards will expire on such transaction at such time and on such conditions as the Committee will determine. Notwithstanding anything in this Plan to the contrary, the Committee may, in its sole discretion, provide that the vesting of any or all Awards granted pursuant to this Plan will accelerate upon a transaction described in this Section 18 or otherwise. If the Committee exercises such discretion with respect to Options, such Options will become exercisable in full prior to the consummation of such event at such time and on such conditions as the Committee determines, and if such Options are not exercised prior to the consummation of the corporate transaction, they shall terminate at such time as determined by the Committee.

18.2 *Other Treatment of Awards*. Subject to any greater rights granted to Participants under the foregoing provisions of this Section 18, in the event of the occurrence of any transaction described in Section 18.1, any outstanding Awards will be treated as provided in the applicable agreement or plan of merger, consolidation, dissolution, liquidation, or sale of assets.

**Table of Contents**

18.3 *Assumption of Awards by the Company.* The Company, from time to time, also may substitute or assume outstanding awards granted by another company, whether in connection with an acquisition of such other company or otherwise, by either; (a) granting an Award under this Plan in substitution of such other company's award; or (b) assuming such award as if it had been granted under this Plan if the terms of such assumed award could be applied to an Award granted under this Plan. Such substitution or assumption will be permissible if the holder of the substituted or assumed award would have been eligible to be granted an Award under this Plan if the other company had applied the rules of this Plan to such grant. In the event the Company assumes an award granted by another company, the terms and conditions of such award will remain unchanged (except that the exercise price and the number and nature of Shares issuable upon exercise of any such option will be adjusted appropriately pursuant to Section 424(a) of the Code). In the event the Company elects to grant a new Option rather than assuming an existing option, such new Option may be granted with a similarly adjusted Exercise Price.

18.4 *Adjustment of Shares.* In the event that the number of outstanding shares is changed by a stock dividend, recapitalization, stock split, reverse stock split, subdivision, combination, reclassification or similar change in the capital structure of the Company without consideration, then (a) the number of Shares reserved for issuance under this Plan, (b) the Exercise Prices of and number of Shares subject to outstanding Options, and (c) the number of Shares subject to other outstanding Awards will be proportionately adjusted, subject to any required action by the Board or the stockholders of the Company and compliance with applicable securities laws; provided, however, that fractions of a Share will not be issued but will either be replaced by a cash payment equal to the Fair Market Value of such fraction of a Share or will be rounded up to the nearest whole Share, as determined by the Committee.

18.5 *Prohibition Against Repricing.* Except to the extent that (i) approved in advance by a majority of the shares of the Company entitled to vote generally in the election of directors or (ii) as a result of any Adjustment Event, the Committee shall not have the power or authority to reduce, whether through amendment or otherwise, the exercise price of any outstanding Option or to grant any new Option in substitution for or upon the cancellation of Options previously granted.

19. *Section 409A Compliance.* The Plan is intended to be administered in a manner consistent with the requirements, where applicable, of Section 409A of the Code. Where reasonably possible and practicable, the Plan shall be administered in a manner to avoid the imposition on Participant of immediate tax recognition and additional taxes pursuant to Section 409A. Notwithstanding the foregoing, neither the Company nor the Committee shall have any liability to any person in the event Section 409A applies to any Award in a manner that results in adverse tax consequences for the Participant or any of his or her beneficiaries or transferees.

Solely for purposes of determining the time and form of payments due under any Award that is considered nonqualified deferred compensation under Section 409A of the Code and that is not otherwise exempt from Section 409A of the Code, a Participant shall not be deemed to have incurred a termination of employment unless and until he or she shall incur a separation from service within the meaning of Section 409A of the Code. Notwithstanding any other provision in this Plan, if, as of a Participant's separation from service, the Participant is a specified employee as determined by the Company, then to the extent any amount payable under any Award that is considered nonqualified deferred compensation under Section 409A of the Code and that is not otherwise exempt from Section 409A of the Code, for which payment is triggered by Participant's separation from service (other than on account of death), and that under the terms of the Award would be payable prior to the six-month anniversary of the Participant's separation from service, such payment shall be delayed until the earlier to occur of (i) the six-month anniversary of such separation from service or (ii) the date of the Participant's death.

20. *Section 83(b) Election.* The Company, its Affiliates and the Committee have no responsibility for any Participant's election, attempt to elect or failure to elect to include the value of any Award subject to Section 83 of the Code in the Participant's gross income for the year of payment pursuant to Section 83(b) of the Code. Any Participant who makes

an election pursuant to Section 83(b) of the Code will promptly provide the Committee with a copy of the election form.

21. Right fo Offset. Notwithstanding any provision of the Plan to the contrary, and to the extent permitted by applicable law (including Section 409A of the Code), the Company may offset any amount to be paid to a

**Table of Contents**

Participant (or, in the event of the Participant's death, to his beneficiary or estate) under the Plan against any amounts that such Participant may owe to the Company or its Affiliates.

22. *Term of Plan.* Unless earlier terminated as provided herein, this Plan will terminate ten (10) years from the date this Plan is adopted by the Board.

23. *Amendment or Termination of Plan.* The Board may at any time terminate or amend this Plan in any respect, including without limitation amendment of any form of Award Agreement or instrument to be executed pursuant to this Plan; provided, however, that the Board will not, without the approval of the stockholders of the Company, amend this Plan in any manner that requires such stockholder approval.

24. *General.*

24.1 *Additional Provisions of an Award.* Awards under the Plan also may be subject to such other provisions (whether or not applicable to the benefit awarded to any other Participant) as the Committee determines appropriate including, without limitation, provisions for the forfeiture of or restrictions on resale or other disposition of shares of Stock acquired under any Award, provisions giving the Company the right to repurchase shares of Stock acquired under any Award in the event the Participant elects to dispose of such shares, and provisions to comply with Federal and state securities laws and Federal and state tax withholding requirements. Any such provisions shall be reflected in the applicable Award agreement.

24.2. *Claim to Awards and Employment Rights.* No employee or other person shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of the Company, a Subsidiary or an Affiliate.

24.3. *Designation and Change of Beneficiary.* Each Participant shall file with the Committee a written designation of one or more persons as the beneficiary who shall be entitled to receive the amounts payable with respect to an Award of Restricted Stock, if any, due under the Plan upon his death. A Participant may, from time to time, revoke or change his beneficiary designation without the consent of any prior beneficiary by filing a new designation with the Committee. The last such designation received by the Committee shall be controlling; provided, however, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt. If no beneficiary designation is filed by the Participant, the beneficiary shall be deemed to be his or her spouse or, if the Participant is unmarried at the time of death, his or her estate.

24.4. *Payments to Persons Other Than Participants.* If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for his affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his estate (unless a prior claim therefore has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his spouse, child, relative, an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

24.5. *No Liability of Committee Members.* No member of the Committee shall be personally liable by reason of any contract or other instrument executed by such member or on his behalf in his capacity as a member of the Committee nor for any mistake of judgment made in good faith. To the maximum extent provided by law and by the Company's Certificate of Incorporation and/or By-Laws, the Company shall indemnify and hold harmless each member of the Committee and each other employee, officer or director of the Company to whom any duty or power relating to the

administration or interpretation of the Plan may be allocated or delegated, against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan unless arising out of such person's own fraud or willful bad faith; provided, however, that (i) approval of the Board shall be required for the payment of any amount in settlement of a claim against any such person and (ii) such person shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her behalf.

24.6. Governing law. The Plan and all agreements hereunder shall be governed by and construed in accordance with the internal laws of the State of New Jersey without regard to the principles of conflicts of law thereof.

24.7. Funding. No provision of the Plan shall (i) require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes; or (ii) create a fiduciary relationship between the Company and a Participant or any other person. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees under general law.

24.8. Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in relying, acting or failing to act, and shall not be liable for having so relied, acted or failed to act in good faith, upon any report made by the independent public accountant of the Company and its Subsidiaries and Affiliates and upon any other information furnished in connection with the Plan by any person or persons other than himself.

24.9. Relationship to Other Benefits. 24.10. Expenses. The expenses of administering the Plan shall be borne by the Company and its Subsidiaries and Affiliates.

24.12. Titles and Headings. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings shall control.

24.13. Termination of Employment. For all purposes herein, a person who transfers from employment or service with the Company to employment or service with a Subsidiary or Affiliate or vice versa shall not be deemed to have terminated employment or service with the Company, a Subsidiary or Affiliate.

24.14. Nonexclusivity of The Plan. Neither the adoption of this Plan by the Board, the submission of this Plan to the stockholders of the Company for approval, nor any provision of this Plan will be construed as creating any limitations on the power of the Board to adopt such incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options and bonuses otherwise than under this Plan, and such arrangements may be either generally applicable or applicable only in specific cases.
