Item 7.01. Regulation FD Disclosure

On February 16, 2011, The Williams Companies, Inc. (Williams) announced that its Board of Directors approved a reorganization plan to divide its business into two separate, publicly-traded corporations. The initial phase in Williams reorganization plan calls for the separation of its exploration and production business into a new, wholly owned subsidiary, WPX Energy, Inc. (WPX), and a public offering of WPX common stock. The second phase calls for a tax-free spin-off of Williams remaining interest in WPX to Williams shareholders. Williams retains the discretion to determine whether and when to complete these transactions. On April 29, 2011, pursuant to the first phase of the reorganization plan, WPX filed a Registration Statement on Form S-1 with the U.S. Securities and Exchange Commission (the SEC) with respect to an initial public offering of its equity securities.

On July 29, 2011, WPX filed Amendment No. 3 to its Registration Statement on Form S-1 (File No. 333-173808) with the SEC (the Amendment). For Regulation FD purposes, Williams wishes to disclose the information on pages F-8 to F-28 of the Amendment, which information is furnished herewith as Exhibit 99.1 and is incorporated herein by reference (the WPX S-1 Excerpt). The information in the WPX S-1 Excerpt will differ in certain respects from the results of Williams Exploration & Production segment due to differences associated with reporting WPX on a stand-alone basis.

This information is being furnished pursuant to Item 7.01, Regulation FD Disclosure. The information being furnished in the attached Exhibit 99.1 is not deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, is not subject to the liabilities of that section and is not deemed incorporated by reference in any filing under the Securities Act of 1933, as amended.
