Item 2. Acquisitions and Dispositions of Assets.

On December 1, 2003, Golden Telecom, Inc. (the "Company" or "GTI") and wholly-owned subsidiaries of GTI finalized the acquisition of 100% of the outstanding shares of OAO Comincom ("Comincom") previously held by Nye Telenor East Invest AS ("Telenor"). Pursuant to the Share Exchange Agreement, GTI issued 7,007,794 shares of GTI's common stock to Telenor and Telenor appointed two representatives to GTI's Board of Directors. A special meeting of GTI's stockholders held on November 28, 2003 approved the issuance of the 7,007,794 shares of GTI's common stock to Telenor. GTI will begin to consolidate the financial position and results of operations of Comincom as of December 1, 2003. The purchase price of Comincom was determined through arms' length negotiation between the Company and Telenor. For purposes of this transaction, the 7,007,794 shares were valued at \$27.61 per share, resulting in total gross consideration of approximately \$193.5 million, excluding direct transaction costs. The Company was advised by JP Morgan PLC.

The acquisition of 100% of Comincom further strengthens the Company's position in the key Moscow and St. Petersburg communications markets, and positions the Company to realize operating and cost synergies. Comincom provides telecommunications services, principally to major hotels, business offices and mobile communication companies through its telecommunications network in Russia,
