**Item 2. Acquisition or Disposition of Assets.**

On February 4, 2004, U S Liquids Inc. completed the sale of (i) substantially all of the assets of its USL Detroit, USL Florida and USL First Source businesses, and (ii) substantially all of the assets of its Waste Research business other than a waste processing facility in Macon, Georgia, to EQ The Environmental Quality Company. USL Detroit, which operates a waste processing facility in Detroit, Michigan, processes and disposes of hazardous and nonhazardous wastes such as acids, flammable and reactive wastes and industrial wastewater. USL Florida, which operates a waste processing facility in Tampa, Florida, processes and disposes of hazardous and nonhazardous liquid wastes such as household hazardous waste and industrial wastewater. USL First Source owns and operates a number of mobile waste processing units. The portion of the Waste Research business sold to EQ includes a waste processing facility in Augusta, Georgia, which processes and disposes of nonhazardous liquid waste and industrial wastewater.

Gross proceeds from the sale, which are subject to certain post-closing adjustments, amounted to \$12.235 million. The purchase price was determined by arms-length negotiations between the parties.
