PROXY STATEMENT FOR THE 2004 ANNUAL MEETING OF STOCKHOLDERS

To be Held on September 10, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of JAKKS Pacific, Inc. (the Company) for use at the 2004 Annual Meeting of Stockholders to be held on September 10, 2004, and at any adjournment of that meeting (the Annual Meeting). Throughout this Proxy Statement, we, us and our are used to refer to the Company.

The shares of our common stock represented by each proxy will be voted in accordance with the stockholder's instructions as to each matter specified thereon, unless no instruction is given, in which case, the proxy will be voted in favor of such matter. Any proxy may be revoked by a stockholder at any time before it is exercised by delivery of written revocation or a subsequently dated proxy to our corporate Secretary or by voting in person at the Annual Meeting.

We are mailing this Proxy Statement to our stockholders on or about August 9, 2004, accompanied by our Annual Report to Stockholders for our fiscal year ended December 31, 2003.

VOTING SECURITIES AND VOTES REQUIRED

At the close of business on July 28, 2004, the record date for the determination of stockholders entitled to vote at the Annual Meeting, there were outstanding and entitled to vote an aggregate of 26,117,506 shares of our common stock, par value \$.001 per share. All holders of our common stock are entitled to one vote per share.

The affirmative vote of the holders of a plurality of the shares of our common stock present or represented by proxy at the Annual Meeting is required for election of directors. The affirmative vote of the holders of a majority of the shares of our common stock present or represented by proxy at the Annual Meeting is required for the ratification of the appointment by the Board of Directors of PKF, Certified Public Accountants, A Professional Corporation, as our independent auditors for the current fiscal year, all as hereinafter described. A majority of the outstanding shares of our common stock represented in person or by proxy at the Annual Meeting will constitute a quorum at the meeting. All shares of our common stock represented in person or by proxy (including shares which abstain or do not vote for any reason with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum is present at the Annual Meeting. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the number of shares present and entitled to vote with respect to any particular matter, but will not be counted as a vote in favor of such matter. Accordingly, an abstention from voting on a matter has the same legal effect as a vote against the matter. If a broker or nominee holding stock in street name indicates on the proxy that it does not have discretionary authority to vote as to a particular matter (broker non-votes), those shares will not be considered as present and entitled to vote with respect to such matter. Accordingly, a broker non-vote on a matter has no effect on the voting on such matter.

Committees of the Board of Directors

We have an Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Audit Committee. The primary functions of the Audit Committee are to select or to recommend to our Board the selection of outside auditors; to monitor our relationships with our outside auditors and their interaction with our management in order to ensure their independence and objectivity; to review, and to assess the scope and quality of, our outside auditor's services, including the audit of our annual financial statements; to review our financial management and accounting procedures; to review our financial statements with our management and outside auditors; and to review the adequacy of our system of internal accounting controls. Messrs. Blatte, Glick and Miller are the current members of the Audit Committee and the Board has determined that they are each independent (as that term is defined under the applicable rules of the Nasdaq Stock Market), and are each able to read and understand fundamental financial statements. Mr. Blatte is the Chairman of the Audit Committee and possesses the financial expertise required under Rule 401(h) of Regulation SK of the Act and NASD Rule 4350(d)(2). He is further independent, as that term is defined under Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act. We will, in the future, continue to have (i) an Audit Committee of at least three members comprised solely of independent directors, each of whom will be able to read and understand fundamental financial statements (or will become able to do so within a reasonable period of time after his or her appointment); and (ii) at least one member of the Audit Committee

Table of Contents

that will possess the financial expertise required under the applicable rules of the Nasdaq Stock Market. Our Board has adopted a written charter for the Audit Committee (which was filed as an Appendix to our Proxy Statement for our 2001 Annual Meeting) and the Audit Committee reviews and reassesses the adequacy of that charter on an annual basis.

Compensation Committee. The functions of the Compensation Committee are to make recommendations to the Board regarding compensation of management employees and to administer plans and programs relating to employee benefits, incentives, compensation and awards under our Third Amended and Restated 1995 Stock Option Plan and our 2002 Stock Award and Incentive Plan (the 2002 Plan). Messrs. Glick (Chairman) and Miller are the current members of the Compensation Committee. The Board has determined that each of them are independent, as defined under the applicable rules of the Nasdaq Stock Market.

Nominating and Corporate Governance Committee. The functions of the Nominating and Corporate Governance Committee are to develop our corporate governance system and to review proposed new members of our board of directors, including those recommended by our stockholders. Messrs. Blatte (Chairman), Glick and Miller are the current members of our Nominating and Corporate Governance Committee. Mr. Almagor will replace Mr. Blatte as a member and the Chairman of this Committee upon his election to our Board. The Nominating and Corporate Governance Committee operates pursuant to a written charter adopted by the Board. The full text of the charter is available on our website at www.jakkspace.com. For instructions on how stockholders may submit recommendations for director nominees to our Nominating and Corporate Governance Committee, see Stockholder Communications, below. The Board has determined that each member of this Committee is independent, as defined under the applicable rules of the Nasdaq Stock Market.

The Nominating and Corporate Governance Committee will review, on an annual basis, the composition of our Board of Directors and the ability of its current members to continue effectively as directors for the upcoming fiscal year. In the ordinary course, absent special circumstances or a change in the criteria for Board membership, the Nominating and Corporate Governance Committee will renominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If that Committee thinks it in our best interests to nominate a new individual for director in connection with an annual meeting of stockholders, or if a vacancy on the Board occurs between annual stockholder meetings, the nominating committee will seek out potential candidates for Board appointment who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on input from members of the Board, our senior management and, if the Committee deems appropriate, a third-party search firm. The Nominating and Corporate Governance Committee will evaluate each candidate's qualifications and check relevant references and each candidate will be interviewed by at least one member of that Committee. Candidates meriting serious consideration will meet with all members of the Board. Based on this input, the Nominating and Corporate Governance Committee will evaluate whether a prospective candidate is qualified to serve as a director and whether the Committee should recommend to the Board that this candidate be appointed to fill a current vacancy on the Board, or presented for the approval of the stockholders, as appropriate.

Meetings of the Board of Directors and Board Member Attendance at Annual Stockholder Meeting

In 2003, our Board met and acted by unanimous consent 11 times; our Compensation Committee met and acted by unanimous consent 1 time; and our Audit Committee met and acted by unanimous consent 8 times. Our Nominating and Corporate Governance Committee was first formed in 2004.

We do not have a formal written policy with respect to Board members' attendance at annual stockholder meetings, although we do encourage each of them to attend. All of the directors then serving attended our 2003 Annual Stockholder Meeting.

Stockholder Communications

Stockholders interested in communicating with our Board may do so by writing to any or all directors, care of our Chief Financial Officer, at our principal executive offices. Our Chief Financial Officer will log in all

All appropriate matters pertaining to accounting or internal controls will be brought promptly to the attention of our Audit Committee Chair.

Stockholder recommendations for director nominees are welcome and should be sent to our Chief Financial Officer, who will forward such recommendations to our Nominating and Corporate Governance Committee, and should include the following information: (a) all information relating to each nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the names and addresses of the stockholders making the nomination and the number of shares of our common stock which are owned beneficially and of record by such stockholders; and (c) appropriate biographical information and a statement as to the qualification of each nominee, and must be submitted in the time frame described under the caption, *Stockholder Proposals for 2005 Annual Meeting*, below. The Nominating and Corporate Governance Committee will evaluate candidates recommended by stockholders in the same manner as candidates recommended by other sources, using criteria, if any, approved by the Board from time to time. Our stockholder communication policy may be amended at any time with the consent of our Corporate Governance and Nominating Committee.

Board Compensation

Directors currently receive an annual cash stipend of \$15,000 for serving on the Board, and are reimbursed for reasonable expenses incurred in attending meetings. In addition, the 2002 Plan provides for each newly elected non-employee director to receive at the commencement of his term an option to purchase 10,000 shares of our common stock at their then current fair market value, and for grants to our non-employee directors: (i) on January 1 and July 1 of each year of an option to purchase 7,500 shares of our common stock at their then current fair market value, and (ii) on January 1 of each year of 1,000 shares of restricted stock. Options granted to a non-employee director expire upon the termination of the director's services for cause, but may be exercised at any time during a one-year period after such person ceases to serve as a director for any other reason.

The Chairman of the Audit Committee further receives an annual cash stipend of \$5,000 for serving in such capacity (which our Board has recently increased to \$10,000 effective January 1, 2005).

Employment Agreements

In March 2003 we amended and restated our employment agreements with each of the Named Officers.

Mr. Friedman's amended and restated employment agreement, pursuant to which he serves as our Chairman and Chief Executive Officer, provides for an annual base salary in 2004 of \$990,000. Mr. Friedman's agreement expires December 31, 2010. His base salary is subject to annual increases determined by our Board of Directors, but in an amount not less than \$25,000 per annum. For our fiscal year ended December 31, 2003, Mr. Friedman received a bonus of \$1,327,140. For each fiscal year between 2004 through 2010, Mr. Friedman's bonus will depend on our achieving certain earnings per share growth targets.

Table of Contents

The earnings per share growth targets for 2004 have been set, but the earnings per share growth targets for subsequent fiscal years will be determined annually by the Compensation Committee of our Board of Directors. Depending on the levels of earnings per share growth that we achieve in each fiscal year, Mr. Friedman will receive an annual bonus from 0% to up to 200% of his base salary. In addition, in consideration for modifying and replacing the pre-tax income formula provided in his prior employment agreement for determining his annual bonus, and for entering into the amended employment agreement, Mr. Friedman was granted the right to be issued an aggregate of 1,080,000 shares of restricted stock. The first tranche of restricted stock, totaling 240,000 shares, was granted at the time the agreement became effective, and the second tranche of restricted stock, totaling 120,000 shares, was granted on January 1, 2004. In each subsequent year of the employment agreement term, Mr. Friedman will receive 120,000 shares of restricted stock. The grant of these shares is in accordance with our 2002 Stock Award and Incentive Plan, and the vesting of each tranche of restricted stock is subject to our achieving pre-tax income in excess of \$2,000,000 in the fiscal year that the grant is made. Each tranche of restricted stock granted or to be granted from January 1, 2004 through January 1, 2008 is subject to a two-year vesting period, which may be accelerated to one year if we achieve certain earnings per share growth targets. Each tranche of restricted stock to be granted thereafter through January 1, 2010, is subject to a one-year vesting period. Finally, the agreement provides Mr. Friedman with the opportunity, commencing at age 67, to retire and receive a single-life annuity retirement payment equal to \$975,000 a year for a period of 10 years, or in the event of his death during such retirement period, his estate will receive a death benefit equal to the difference between \$2,925,000 and any prior retirement benefits previously paid to him; provided, however, that Mr. Friedman must agree to serve as Chairman Emeritus of our Board of Directors, if requested to do so by such Board.

Mr. Berman's amended and restated employment agreement, pursuant to which he serves as our President and Chief Operating Officer, provides for an annual base salary in 2004 of \$990,000. Mr. Berman's agreement expires December 31, 2010. His base salary is subject to annual increases determined by our Board of Directors, but in an amount not less than \$25,000 per annum. For our fiscal year ended December 31, 2003, Mr. Berman received a bonus of \$1,327,140. For each fiscal year between 2004 through 2010, Mr. Berman's bonus will depend on our achieving certain earnings per share growth targets. The earnings per share growth targets for 2004 have been set, but the earnings per share growth targets for subsequent fiscal years will be determined annually by the Compensation Committee of our Board of Directors. Depending on the levels of earnings per share growth that we achieve in each fiscal year, Mr. Berman will receive an annual bonus of from 0% to up to 200% of his base salary. In addition, in consideration for modifying and replacing the pre-tax income formula provided in his prior employment agreement for determining his annual bonus, and for entering into the amended employment agreement, Mr. Berman was granted the right to be issued an aggregate of 1,080,000 shares of restricted stock. The first tranche of restricted stock, totaling 240,000 shares, was granted at the time the agreement became effective, and the second tranche of restricted stock, totaling 120,000 shares, was granted on January 1, 2004. In each subsequent year of the employment agreement term, Mr. Berman will receive 120,000 shares of restricted stock. The grant of these shares is in accordance with our 2002 Stock Award and Incentive Plan, and the vesting of each tranche of restricted stock is subject to our achieving pre-tax income in excess of \$2,000,000 in the fiscal year that the grant is made. Each tranche of restricted stock granted or to be granted from January 1, 2004 through January 1, 2008 is subject to a two-year vesting period, which may be accelerated to one year if we achieve certain earnings per share growth targets. Each tranche of restricted stock to be granted thereafter through January 1, 2010, is subject to a one-year vesting period.

Mr. Bennett's amended and restated our employment agreement, pursuant to which Mr. Bennett serves as our Executive Vice President and Chief Financial Officer, expires December 31, 2006. Mr. Bennett's annual base salary in 2004 is \$320,000 and is subject to annual increases in an amount, not less than \$20,000, determined by our Board of Directors. In addition, as consideration for relinquishing the prior formula for determining his annual bonus, and for entering into the amended agreement, Mr. Bennett was awarded at the time his agreement became effective 120,000 shares of restricted stock, 60,000 of such shares vested on January 1, 2004 and the remaining 60,000 shares will vest on January 1, 2005, provided Mr. Bennett is then employed by us. This grant of restricted stock was in accordance with our 2002 Stock Award and Incentive Plan.

Mr. Bianco's amended and restated employment agreement, pursuant to which he serves as our Executive Vice President and Chief Merchandising Officer, provides for an annual base salary in 2004 of \$725,000. Mr. Bianco's agreement expires December 31, 2007. His base salary is subject to annual increases determined by our Board of Directors, but in an amount not less than \$25,000 per annum. For our fiscal year ended December 31, 2003, Mr. Bianco did not receive a bonus. For each fiscal year between 2004 through 2007, Mr. Bianco's bonus will depend on our achieving certain earnings per share growth targets. The earnings per share growth targets for 2004 will be determined annually by the Compensation Committee of our Board of Directors. Depending on the levels of earnings per share growth that we achieve in each fiscal year, Mr. Bianco will receive an annual bonus of from 0% to up to 200% of his base salary. In addition, in consideration for modifying and replacing the pre-tax income formula provided in his prior employment agreement for determining his annual bonus, and for entering into the amended employment agreement, Mr. Bianco was granted the right to be issued an aggregate of 480,000 shares of restricted stock. The first tranche of restricted stock, totaling 96,000 shares, was granted at the time the agreement became effective, and the second tranche of restricted stock, totaling 96,000 shares, was granted on January 1, 2004. In each subsequent year of the employment agreement term, Mr. Bianco will receive 96,000 shares of restricted stock. The grant of these shares is in accordance with our 2002 Stock Award and Incentive Plan, and the vesting of each tranche of restricted stock is subject to our achieving pre-tax income in excess of \$2,000,000 in the fiscal year that the grant is made. Each tranche of restricted stock granted or to be granted from January 1, 2004 through January 1, 2007 is subject to a two-year vesting period, which may be accelerated to one year if we achieve certain earnings per share growth targets.

If we terminate Mr. Friedman's, Mr. Berman's, Mr. Bianco's or Mr. Bennett's employment other than for cause or if a Named Officer resigns because of our material breach of the employment agreement or because we cause a material change in his employment, we are required to make a lump-sum severance payment in an amount equal to his base salary and bonus during the balance of the term of the employment agreement, based on his then applicable annual base salary and bonus. In the event of the termination of his employment under certain circumstances after a Change of Control (as defined in each employment agreement), we are required to make a one-time payment of an amount equal to 2.99 times of the base amount of such Named Officer determined in accordance with the applicable provisions of the Internal Revenue Code.

The foregoing is only a summary of the material terms of our employment agreements with the Named Officers. For a complete description, copies of such agreements are annexed herein in their entirety as exhibits or are otherwise incorporated herein by reference.

COMPENSATION COMMITTEE REPORT

Overview

Our approach to employee compensation is grounded in our belief that our most important resource is our people. While some companies may enjoy an exclusive or limited franchise or are able to exploit unique assets, proprietary technology or other special properties or rights, we depend fundamentally on the skills, energy and dedication of our employees to drive our business. It is only through their constant efforts that we are able to innovate through the creation of new products and the continual rejuvenation of our product lines, to maintain superior operating efficiencies, and to develop and exploit marketing channels. With this in mind, we have consistently sought to employ the most talented, accomplished and energetic people available in the industry.

One of our key management principles is to operate with a lean and effective executive staff. This allows for quick decision-making and efficient operation, but also stresses clearly delineated responsibilities and accountability for each area of business. We believe that we have assembled an outstanding management team and that this has been a primary factor in our success to date. Accordingly, we have determined that the paramount aim of our compensation policy should be to attract and retain the most promising people available to work for us and to motivate them so that they perform to their maximum potential.

The compensation of our executive officers is governed by the terms of their individual employment agreements. Mr. Friedman and Mr. Berman generally determine the compensation of other management employees, subject to oversight by the Board of Directors. Management compensation, excluding that covered by the employment agreements of our executive officers, is generally determined based on a subjective evaluation of an employee's efforts and achievements, our overall performance and the employee's contribution thereto. The role of our Board's Compensation Committee in this process is to review our Company's compensation policy for management employees, to recommend to the Board programs and policies related to employee compensation and benefits, and to administer programs and plans relating thereto, including our Third Amended and Restated 1995 Stock Option Plan and our 2002 Stock Award and Incentive Plan.

Executive Compensation

Our executive compensation consists of four components:

Base Salary

The base salaries of Mr. Friedman, Mr. Berman, Mr. Bennett and Mr. Bianco are determined in accordance with their respective employment agreements. We determine the base salary of each of our other management employees on an annual basis.

Incentive Bonus

Generally, we award a cash bonus to our management employees based on their personal performance in the past year and our overall performance. Messrs. Friedman, Berman and Bianco are entitled to receive a formula-based bonus under their respective employment agreements, and may also receive additional discretionary bonuses.

Stock Option Grants

We believe that an important element of our compensation policy is to align the interests of our management employees with the long-term interests of our stockholders. The most direct way to accomplish this is by giving our employees an equity stake in our Company, which we do by granting stock options to our employees as a non-cash component of incentive compensation. Options are granted to employees by the Board of Directors or our Compensation Committee, based on the recommendations of management (except that management does not participate in determining their own option grants). To date, the exercise price of each option granted under our Third Amended and Restated 1995 Stock Option Plan (the "1995 Plan") and the 2002 Plan (collectively with the 1995 Plan, the "Plans") was equal to the Nasdaq closing price of our

Table of Contents

common stock on the date of grant (except where a higher exercise price was required in order for the option to qualify as an incentive stock option under the Internal Revenue Code when the option is granted to a 10% stockholder), and we intend to continue this practice in general. Beginning in 1999, we have provided for all options granted under the Plans to employees to vest in increments of 15%, 15%, 15%, 25% and 30% over the five-year period beginning on the first anniversary of the date of grant, and to terminate six years after the date of grant. We believe that the relatively long and back-end weighted vesting period encourages a long-term commitment to us by the option grantee.

Employee Benefits

We provide customary employee benefits, such as medical and hospitalization insurance, paid vacation and a 401(k) retirement savings plan, to all our full-time employees. In addition, certain of our management employees are entitled to perquisites, such as an automobile allowance.

Chief Executive Officer Compensation

In 2003, Mr. Friedman, our Chairman and Chief Executive Officer, and Mr. Berman, our President and Chief Operating Officer, each earned a base salary of \$965,000 and a bonus of \$1,327,140. Mr. Friedman and Mr. Berman are subject to employment agreements which require us to increase their salary each year by an amount not less than \$25,000 and which provide for formula-based bonuses (see Employment Agreements).

We believe that our success to date has been to a significant extent attributable to the personal efforts of Mr. Friedman and Mr. Berman. They founded the Company, established our business philosophy and operating structure and were the driving force behind our central theme of focusing our business on evergreen products. In his nearly four-decade-long career in the toy industry, Mr. Friedman has established an important network of relationships that we have been able to exploit in product acquisition, production and sales. Both Mr. Berman and Mr. Friedman embody our management philosophy with a hands on approach in all areas of our business. In addition to their general supervisory functions, they are directly involved in license acquisition, product design and development, production, and sales and marketing, as well as our financing and acquisition efforts. Their efforts have resulted in our identifying and securing desirable licenses and properties, the rapid expansion of our product lines, our achieving significant production efficiencies and the development of a loyal and growing customer base.

Considerations with Respect to Tax Deductibility

The deductibility of compensation payments in excess of \$1,000,000 to each of our Chief Executive Officer or four other most highly compensated executive officers is subject to certain limitations under Section 162(m) of the Internal Revenue Code. The Board of Directors and the Compensation Committee take into account the effect of the loss of deductibility of executive compensation that exceeds \$1,000,000 as one factor in its consideration of the appropriate manner and level of compensation for our executives. While they seek to minimize any adverse impact of these limitations, they may not confine compensation to the \$1,000,000 limit in order to maintain flexibility to award greater compensation where appropriate.

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

(Proposal No. 2)

Upon the recommendation of our Audit Committee, our Board of Directors has appointed the firm of PKF, Certified Public Accountants, A Professional Corporation, as our principal independent auditors for the fiscal year ending December 31, 2004, subject to ratification by the stockholders. This firm has served as our independent auditors since our inception in 1995. If the appointment of this firm is not ratified or if it declines to act or their engagement is otherwise discontinued, the Board of Directors will appoint other independent auditors. Representatives of the firm are expected to be present at the Annual Meeting, will have the opportunity to make a statement at the Annual Meeting, if they so desire, and will be available to respond to appropriate questions from stockholders.

Before PKF is engaged by us to render audit or non-audit services, where required by the rules and regulations promulgated by the Securities and Exchange Commission and/or Nasdaq, such engagement is approved by the Audit Committee. The following are the fees billed us by PKF for services rendered thereby during 2003 and 2002 (all of which that were for 2003 having been pre-approved by the Audit Committee):

	<u>2003</u>	<u>2002</u>
Audit Fees	\$484,307	\$326,888
Audit Related Fees	11,603	0
Tax Fees	205,673	103,638
All Other Fees	56,811	29,510

Audit Fees consist of the aggregate fees billed for professional services rendered for the audit of our annual financial statements and the reviews of the financial statements included in our Forms 10-Q and for any other services that are normally provided by PKF in connection with our statutory and regulatory filings or engagements.

Audit Related Fees consist of the aggregate fees billed for professional services rendered for assurance and related services that were reasonably related to the performance of the audit or review of our financial statements and were not otherwise included in Audit Fees.

Tax Fees consist of the aggregate fees billed for professional services rendered for tax compliance, tax advice and tax planning. Included in such Tax Fees were fees for preparation of our tax returns, consultancy and advice on international and domestic tax structures and tax planning relating to our acquisition efforts.

Included in such Other Fees were fees for services rendered by PKF in connection with our private and public offerings conducted during such periods, as well as reviews related to our acquisition efforts.

Our Audit Committee has considered whether the provision of the non-audit services described above is compatible with maintaining PKF's independence and determined that such services are appropriate.
