ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

CenterPoint Energy, Inc. Short Term Incentive Plan

On February 21, 2005, the Compensation Committee ("Compensation Committee") of the Board of Directors of CenterPoint Energy, Inc. (the "Company") approved certain matters in connection with the awards for the executive officers of the Company under the CenterPoint Energy, Inc. Short Term

Edgar Filing: CENTERPOINT ENERGY INC - Form 8-K

Incentive Plan (the "Plan") for fiscal year 2005. Additionally, on February 21, 2005, the Chief Executive Officer of the Company approved certain matters in connection with the awards for the other executive officers of the Company under the Plan for fiscal year 2005.

Cash bonuses are payable pursuant to the Plan based on the achievement of certain performance objectives approved in accordance with the terms of the Plan at the commencement of the year. In order for any amounts to be payable under the Plan with respect to 2005, the Company must pay a dividend of at least \$0.40 per share in the year. Target annual incentives for executive officers of the Company for 2005 range from 40% to 85% of base salary earned in 2005. The maximum payout for any executive officer is two times his target award. Plan funding is determined by measuring achievement of the performance criteria. Individual executive officer payouts are subject to discretionary adjustment by the Compensation Committee above or below the funding level, taking into account the Chief Executive Officer's assessment of certain individual performance measures. The payout to the Chief Executive Officer may be decreased below the level determined by measuring achievement but not increased.

The performance goals for the executive officers of the Company under the Plan for 2005 are based on the criteria summarized on Exhibit 10.1 hereof, which is incorporated by reference herein. As used in Exhibit 10.1, "Core Operating Income" is defined as total operating income of the Company excluding the operating income impacts of stranded cost recovery, restructuring and the proposed quasi-reorganization.

The Compensation Committee also approved the following payouts under the Plan pursuant to previously established performance criteria for fiscal year 2004 for the following executive officers: David M. McClanahan, \$738,281; Scott E. Rozzell, \$263,984; Gary L. Whitlock, \$267,159; Thomas R. Standish, \$178,884; Byron R. Kelley, \$202,335; and James S. Brian, \$152,505.

Long-Term Incentive Plan of CenterPoint Energy, Inc.

On February 21, 2005, the Compensation Committee approved performance objectives for and grants of (i) performance shares for the 2005-2007 performance cycle and (ii) restricted stock to the executive officers of the Company under the Long-Term Incentive Plan of the Company. Distributions pursuant to the performance share awards are based on a total shareholder return measure of the Company compared to companies in the S&P utility index, weighted at 70%, and improvement in the Company's ratio of equity to total capitalization, weighted at 30%. The restricted stock vests three years from the date of grant if a minimum of \$1.20 per share in cash dividends has been declared on the Company's common stock during the three-year period.

Target amounts for these awards range from 60% to 200% of base salary. Executive officers will receive 70% of their awards in performance shares and 30% in restricted stock. Payouts of the performance share awards range from 0% to 150% based on achievement of the applicable performance objectives.

A form of agreement for restricted stock awards with performance vesting under the Long-Term Incentive Plan of the Company is attached hereto as Exhibit 10.2 and is incorporated by reference herein. A form of agreement for performance shares under the Long-Term Incentive Plan of the Company was previously filed as Exhibit 10.3 to the Company's Current Report on Form 8-K filed with the SEC on January 26, 2005.

Executive Officer Base Salaries

On February 23, 2005, the Board of Directors of the Company approved the following base salaries for the following executive officers of the Company effective April 1, 2005: David M. McClanahan, \$880,000; Scott E. Rozzell,

ITEM 8.01 OTHER EVENTS.

As disclosed in the Current Report on Form 8-K of the Company filed with the SEC on December 30, 2004, the Board of Directors of the Company adopted a plan for an accounting reorganization of the Company, to be effective as of January 1, 2005, and the Manager for CenterPoint Energy Houston Electric, LLC ("CenterPoint Houston") adopted a similar plan. These plans were adopted to eliminate the accumulated retained earnings deficit that exists at both companies; as adopted in December 2004, the plans were subject to the satisfaction of certain conditions on or before February 28, 2005. The Company is continuing to work to finalize the accounting reorganization, and on February 23, 2005, the Board of Directors of the Company amended the plan to require that unless the Board of Directors makes a determination that the accounting reorganization is inconsistent with the Company's regulatory obligations on or before May 10, 2005, the accounting reorganization would be implemented effective January 1, 2005. The Manager for CenterPoint Houston adopted an identical amendment to its plan.
