The Supplemental Indenture supplements the Indenture, dated April 8, 2004, among Mission, The Bank of New York, as trustee, and the subsidiary guarantors named therein, which governs the terms of Mission's 9 7/8% senior notes due 2011 (the Mission Notes), which Mission issued in April 2004.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

Effective July 28, 2005, Petrohawk Acquisition Corporation, our wholly owned subsidiary, merged with and into Mission, and Mission was subsequently merged with and into the Company (the two mergers, collectively the Merger), pursuant to an Agreement and Plan of Merger dated April 3, 2005, as amended through June 8, 2005 (the Merger Agreement). A copy of the Merger Agreement, which has been filed as Annex A to the Company's Registration Statement on Form S-4/A, filed with the Securities and Exchange Commission on June 22, 2005, is incorporated into this Item 2.01 by reference.

As a result of the Merger, the Company issued approximately 19.565 million shares of common stock and paid an aggregate of approximately \$137.7 million to the former stockholders of Mission.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

In connection with the Merger described in Section 2.01 above, the Company entered into the Senior Credit Agreement, which amends and restates our \$400 million senior revolving credit agreement dated November 23, 2004. The Senior Credit Agreement provides for an increased borrowing base of \$280 million that will be redetermined on a semi-annual basis, with us and the

lenders each having the right to one annual interim unscheduled redetermination, and adjusted based on our oil and gas properties, reserves, other indebtedness and other relevant factors. Amounts outstanding under the Senior Credit Agreement will bear interest at specified margins over the London Interbank Offered Rate ( LIBOR ) of 1.25% to 2.00% for Eurodollar loans or at specified margins over the Alternate Base Rate of 0.00% to 0.50% for ABR loans. Such margins will fluctuate based on the utilization of the facility. Borrowings under the Senior Credit Agreement will be secured by first priority liens on substantially all of our assets, including equity interests in our subsidiaries. Amounts drawn down on the facility will mature on July 28, 2009.

The Senior Credit Agreement contains customary financial and other covenants, including minimum working capital levels, minimum coverage of interest expenses, and a maximum leverage ratio. In addition, we are subject to covenants limiting dividends and other restricted payments, transactions with affiliates, incurrence of debt, changes of control, asset sales, and liens on properties.

The Term Loan has been amended to increase the amount that the Company is permitted to Borrow thereunder from \$50 million to \$75 million, with an option by the Company, exercisable for 45 days after the Effective Date of the Term Loan, to borrow up to an additional \$75 million. Amounts repaid under the Term Loan may not be reborrowed. Borrowings under the Term Loan bear interest at a rate of at least 3.50% for Adjustable Base Rate loans and 4.50% for Eurodollar Loans. Borrowings under the term loan are secured by second priority liens on all of the assets (including equity interests) that secure the loans under the Senior Credit Agreement. We are subject to certain financial covenants pertaining to a minimum asset coverage ratio and a maximum leverage ratio. In addition, we are subject to covenants limiting dividends and other restricted payments, transactions with affiliates, incurrence of debt, changes of control, asset sales, and liens on properties. We are obligated to repay 1% per annum of the original principal balance beginning on July 28, 2006, with the remaining 96% of the original principal balance due and payable on July 28, 2010.

The foregoing summary of the terms of the Senior Credit Agreement, the Term Loan and the security interests and liens granted in connection therewith is qualified in its entirety by reference to the Senior Credit Agreement, the Term Loan Agreement, the Senior Credit Agreement Guarantee and the Term Loan Guarantee, attached hereto as Exhibits 10.1, 10.2, 10.3 and 10.4, respectively.

Following the effectiveness of the Merger, the Company assumed, and subsidiaries of the Company guaranteed, all the obligations of Mission under the Mission Notes. The Mission Notes are guaranteed on an unsubordinated, unsecured basis by all of the Company's current subsidiaries, including the subsidiaries of Mission that the Company acquired pursuant to the Merger. Interest on the Mission Notes is payable semi-annually, on each April 1 and October 1. At any time on or after April 9, 2005 and prior to April 9, 2008, the Company may redeem up to 35% of the aggregate original principal amount of the Mission Notes, using the net proceeds of equity offerings, at a redemption price equal to 109.875% of the principal amount of the Mission Notes, plus accrued and unpaid interest. On or after April 9, 2008, the Company may redeem all or a portion of the Mission Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if redeemed during the twelve-month period beginning on April 9 of the years indicated below:
