Item 1.01 Entry into a Material Definitive Agreement.

On October 9, 2008, SandRidge Energy, Inc. (the Company) entered into a Purchase and Sale Agreement with its chief executive officer, Tom L. Ward, and certain of his affiliated entities, to acquire all of Mr. Ward's working interests and related reserves in all wells drilled by the Company since June 8, 2006. Mr. Ward and his affiliated entities participated in the drilling of these wells pursuant to the Riata Energy, Inc. Well Participation Plan dated effective June 8, 2006 (the Plan). The Company paid \$60.0 million in cash consideration for the interests, subject to post-closing adjustments. In connection with the acquisition, Mr. Ward and the Company agreed to terminate the Plan in its entirety.

The purchase of the interests from Mr. Ward and his affiliates was made effective as of September 30, 2008 and is subject to a post-closing adjustment based on excess investments made by Mr. Ward and the value of actual production in respect of the acquired interests during the third quarter 2008 as compared to projected amounts. At closing, the amount of the adjustment was estimated at \$7.1 million payable to affiliates of Mr. Ward, subject to final settlement in December 2008.

The Plan was adopted in June 2006 in connection with Mr. Ward becoming the largest stockholder and chief executive officer of the Company. The Plan provided that for as long as Mr. Ward was employed by the Company, he or his designated affiliates had a right to participate in and pay up to a 3% of 8/8ths working interest in all wells (subject to certain exceptions) drilled by the Company through December, 31 2016, after which the Company could elect to terminate. Termination of the Plan will permit the Company to retain a greater working interest in its future wells, thus increasing proved undeveloped reserves.
