The proxy statement was prepared under the direction of AptarGroup's Board of Directors to solicit your proxy for use at the annual meeting. It will be mailed to stockholders on or about April 8, 2002.

Who is entitled to vote? _____

Stockholders owning our common stock at the close of business on March 14, 2002 are entitled to vote at the annual meeting, or any postponement or adjournment of the meeting. Each stockholder has one vote per share on all matters to be voted on at the meeting. On March 14, 2002, there were 35,880,331 shares of common stock outstanding.

What am I voting on? _____

You are asked to vote on the election of three nominees to serve on our Board of Directors. The Board of Directors knows of no other business that will be presented at the meeting. If other matters properly come before the annual meeting, the persons named as proxies will vote on them in accordance with their best judgment.

How does the Board of Directors recommend I vote on the proposal?_____

The Board recommends a vote FOR the election of the three director nominees. Unless you give other instructions when voting your proxy, the persons named as proxies will vote in accordance with the recommendation of the Board.

1

How do I vote?_____

You can vote your proxy in any of the following ways:

- . By Mail: Sign, date and complete the enclosed proxy card and return it in the prepaid envelope.
- . By Telephone: You can vote by touch tone telephone by following the instructions on your proxy card.
- . By Internet: You can vote by internet by following the instructions on your proxy card.

Edgar Filing: APTARGROUP INC - Form DEF 14A

When voting to elect directors, you have three options:

- . Vote for all three nominees
- . Vote for only some of the nominees
- . Withhold authority to vote for all or some nominees

If you return your proxy with no votes marked, your shares will be voted as follows:

- . FOR the election of all three nominees for director

You can revoke your proxy at any time before it is exercised by one of the following methods:

- . Writing to AptarGroup's Corporate Secretary
- . Submitting another signed proxy card with a later date
- . Voting in person at the annual meeting
- . Entering a new vote by telephone or the internet

What is a quorum? _____

A "quorum" is the presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares of AptarGroup's common stock on March 14, 2002. There must be a quorum for the meeting to be held. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

How are shares in a 401(k) plan voted? _____

If you hold shares of AptarGroup through your 401(k) plan, you will be instructing the trustee how to vote your shares by completing and returning your proxy card, voting by phone or by the internet. If you do not return your proxy card, or if you return it with unclear voting instructions, or if you do not vote by phone or the internet, the trustee will vote the shares in your 401(k) account in the same proportion as the 401(k) shares for which voting instructions are received.

2

How are shares held in a broker account voted? _____

If you own shares through a broker, you should be contacted by your broker regarding a proxy card and whether telephone or internet voting options are available. If you do not instruct your broker on how to vote your shares, your broker, as the registered holder of your shares, may represent your shares at the annual meeting for purposes of determining a quorum, and may vote your shares on some or all proposals. Any unvoted shares, called "broker non-votes," will not affect the outcome of the matter put to a vote.

How many votes are required to elect each director? _____

The three persons receiving the greatest number of votes will be elected to serve as directors. As a result, withholding authority to vote for a director nominee and non-votes with respect to the election of directors will not affect

Edgar Filing: APTARGROUP INC - Form DEF 14A

the outcome of the election.

Who will count the votes? _____

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION _____

Compensation Policy _____

The compensation policy is designed to support AptarGroup's overall objective of increasing stockholder value by:

- . Attracting, motivating and retaining key executives who are critical to the long-term success of AptarGroup.
- . Awarding short-term incentives based upon respective unit performance and overall AptarGroup performance.
- . Aligning executive and stockholder interests through a stock-based long-term incentive program which will reward executives for increased stockholder value.

The Compensation Committee's general policy is to qualify long-term incentive compensation of U.S. based executive officers for deductibility under Section 162(m) of the Internal Revenue Code. The total compensation program consists of three components:

Base Salary _____

The salary ranges of executive officers are established in relation to competitive market data provided by outside executive compensation consultants and review of proxy statements of similar publicly-held companies in the packaging industry. Comparisons are made to positions with similar job responsibilities, positions in companies of comparable sales volume, and positions in similar companies in the same industry as AptarGroup. Five of the companies used in establishing salary ranges are included in the Value Line Packaging & Container Industry Group used in the performance graph below. Generally, salaries are established between the 50th and 75th quartiles of market rates. Salaries are reviewed and compared to market rates annually. Generally, management performance and accomplishment of goals and objectives also are important factors in determining base salary increases.

Short-term Incentives _____

Executives are eligible for annual bonuses based upon:

- . Profit growth
- . Return on capital
- . Achievement of other goals and objectives
- . General management performance

Edgar Filing: APTARGROUP INC - Form DEF 14A

Generally, profit growth and return on capital are weighted most important in determining annual cash bonuses. For 2001, no set bonus formula was used for Messrs. Siebel, Pfeiffer and Hagge.

Long-term Incentives

Executives are eligible for awards of stock options and restricted stock under AptarGroup's Stock Awards Plans. The awards to executives are made to provide an incentive for future performance to

10

increase stockholder value. The members of the Compensation Committee administer this Plan. In 2001, the total amount of options granted was approximately 1.5% of the total stock outstanding. As reflected in the table of option grants, stock options were granted on January 22, 2001 to all of the named executive officers. Awards were determined in relation to the individual's position and responsibility. The exercise price of the options equaled the market price of AptarGroup's Common Stock on the date of the grants.

Chief Executive Officer Compensation

Mr. Siebel's salary was increased 5% to \$630,000 on January 1, 2001, as compensation for Mr. Siebel's performance. The Committee set the CEO's compensation slightly above the 50th quartile of the comparable salary range. His 2001 bonus of \$374,000, \$204,000 of which was paid in restricted stock units, was established based upon AptarGroup's performance and strategic actions implemented in 2001. During 2001, Mr. Siebel was awarded an option to purchase 56,000 shares of Common Stock.

Option Grants

The following table shows all grants in 2001 of stock options to the named executive officers. The exercise price of all such options was the fair market value on the date of grant. No SARs were granted in 2001.

Employment Agreements

Mr. Siebel's employment agreement provides for employment through December 31, 2002 at a minimum salary of \$630,000 and provides for a payment of three months' salary to his survivors in the event of his death while employed. The agreement provides for an automatic extension for a period of one year, unless it is terminated by AptarGroup or Mr. Siebel by written notice seven months before the end of the then current contract period. A separate pension agreement provides Mr. Siebel with an annual pension compensation, subject to cost of living adjustments, of 60% of his 2000 salary for life, and in the event of his death, provides his surviving widow with annual payments of 60% of his then pension for life. Mr. Siebel began receiving benefits from this pension in February 2000, and pension benefits for the year 2001, which are denominated in Euros, are equivalent to approximately \$318,000. Benefits are not subject to reduction for Social Security benefits or other offset items.

Mr. Pfeiffer's employment agreement provides for employment through April 21, 2003 at a minimum salary of \$420,000 and provides for a payment of three months' salary to his survivors in the event of his death while employed. The agreement provides for an automatic extension for a period of five years, unless it is terminated by AptarGroup or Mr. Pfeiffer by written notice one year before the end of the then current contract period; however, the agreement automatically terminates on June 28, 2013. A separate pension agreement provides Mr. Pfeiffer with an annual pension compensation, subject to cost of living adjustments, of up to 60% of his final year's salary for life, and in the event of his death, provides his surviving widow with annual payments of 60% of his then pension for life and may provide any surviving child with annual payments of up to 30% of his then pension to as late as age 27. Pension benefits would normally commence at age 60, but reduced benefits are available after age 55 subject to a minimum annual payment of approximately \$123,000. Estimated annual pension benefits upon retirement at age 60 (assuming the current salary remains constant) are equivalent to \$252,000. Benefits are not subject to reduction for Social Security or other offset items.

Mr. Hagge's employment agreement provides for employment through February 1, 2005 at a minimum annual salary of \$315,000 and provides, in the event of disability, payment for a period of two years from termination due to disability of one-half of the amount Mr. Hagge would have received and, in the event of death, payment to his estate until the second anniversary of his death of one-half of the amount he would have received. Mr. Hagge is also entitled to additional term life insurance coverage and supplemental long-term disability

Edgar Filing: APTARGROUP INC - Form DEF 14A

coverage. The agreement provides for an automatic extension as of each February 1 for one additional year unless either AptarGroup or Mr. Hagge terminates the automatic extension provision by written notice at least 30 days prior to the automatic extension date; provided, however, that in no event shall the term extend beyond October 28, 2016. Mr. Hagge's employment agreement provides that if he is terminated without cause, Mr. Hagge will continue to receive his salary until the end of the employment period then in effect. In the event of a change in control of AptarGroup, Mr. Hagge may not be terminated unless he receives written notice of such termination at least six months prior to the date of termination. If Mr. Hagge is terminated within two years following a change in control or if he terminates his employment for good reason within such two-year period, Mr. Hagge will continue to receive his salary for 18 months following the date of termination.

Mr. Meshberg's employment agreement provides for employment through February 17, 2003 at a minimum annual salary of \$324,000. The agreement provides for an automatic extension for a period of one year, unless it is terminated by AptarGroup or Mr. Meshberg by written notice six months before the end of the then current contract period. Mr. Meshberg is also entitled to additional split-dollar life insurance coverage. Mr. Meshberg's employment agreement provides that if he is terminated without cause or if he terminates for good reason (which includes, among other things, a change in control of AptarGroup), Mr. Meshberg will continue to receive his salary until the later to occur of February 17, 2003 and 24 months following the date of termination of employment. Mr. Meshberg is also entitled to receive any accrued salary and bonus through the date of termination, as well as certain other benefits.

Mr. Schofield's employment agreement provides for employment through December 31, 2002 at a minimum annual salary of \$314,600. The agreement provides for an automatic extension for a period of one year, unless it is terminated by AptarGroup or Mr. Schofield by written notice six months before the end of the then current contract period. Mr. Schofield is also entitled to additional term life insurance coverage and supplemental long-term disability coverage. Mr. Schofield's employment agreement provides that if he is terminated without cause or if he terminates for good reason, Mr. Schofield will continue to receive his salary until the end of the employment period then in effect. Mr. Schofield is also entitled to receive any accrued salary and bonus through the date of termination, as well as certain other benefits.

Pension Plan

The majority of U.S. employees of AptarGroup and its subsidiaries are eligible to participate in the Pension Plan. Employees are eligible to participate after six months of credited service and become fully vested after five years of credited service. The annual benefit payable to an employee under the Pension Plan upon retirement computed as a straight life annuity equals the sum of the separate amounts the employee accrues for each of his years of credited service under the Plan. Such separate

amounts are determined as follows: for each year of credited service through 1988, 1.2% of such year's compensation up to the Social Security wage base for such year and 1.8% (2% for years after 1986) of such year's compensation above such wage base, plus certain increases put into effect prior to 1987; for each year after 1988 through the year in which the employee reaches 35 years of service, 1.2% of such year's "Covered Compensation" and 1.85% of such year's compensation above such "Covered Compensation"; and for each year thereafter, 1.2% of such year's compensation. The employee's compensation under the Pension Plan for any year includes all salary, commissions and overtime pay and,

Edgar Filing: APTARGROUP INC - Form DEF 14A

beginning in 1989, bonuses, subject to such year's limit applicable to tax-qualified retirement plans. The employee's "Covered Compensation" under the Pension Plan for any year is generally the average of the Social Security wage base for each of the 35 years preceding the employee's Social Security retirement age, assuming that such year's Social Security wage base will not change in the future. Normal retirement under the Pension Plan is age 65 and reduced benefits are available as early as age 55. Benefits are not subject to reduction for Social Security benefits or other offset items.

U.S. employees of AptarGroup and its subsidiaries participating in the Pension Plan are also eligible for AptarGroup's non-qualified supplemental retirement plan ("SERP"). The benefits payable under the SERP will generally be in the form of a single sum and will be computed as a single life annuity equal to the sum of the separate amounts the participant accrues for each year of credited service. Such separate amounts are determined as follows: for each year of credited service through the year in which the participant reaches 35 years of service, 1.85% of the participant's "Supplemental Earnings"; and for each year after 35 years of credited service, 1.2% of such year's "Supplemental Earnings." "Supplemental Earnings" is generally the difference between (i) the participant's earnings calculated as if the limitation of Section 401(a)(17) of the Internal Revenue Code were not in effect and (ii) the participant's recognized earnings under the Pension Plan. Participants who terminate service prior to being eligible for retirement (i.e., age 65 or age 55 with 10 years of credited service) will forfeit all accrued benefits under the SERP. The SERP provides for the vesting of all accrued benefits in the event of a change of control.

Estimated annual benefits payable under the Pension Plan and the SERP upon retirement at normal retirement age for Messrs. Hagge, Meshberg and Schofield are approximately \$207,000, \$92,000 and \$116,000, respectively. Messrs. Siebel and Pfeiffer are not eligible to receive benefits under the Pension Plan but, as described above, Messrs. Siebel and Pfeiffer are entitled to certain pension benefits pursuant to their respective employment agreements.

PERFORMANCE GRAPH

The following graph shows a five year comparison of the cumulative total stockholder return on AptarGroup's Common Stock as compared to the cumulative total return of two other indexes: the Value Line Packaging & Container Industry Group ("Peer Group") and the Standard & Poor's 500 Composite Stock Price Index. The companies included in the Peer Group are: American Greetings Corporation, Inc., AptarGroup, Inc., Ball Corporation, Bemis Company, Inc., Caraustar Industries, Inc., Chesapeake Corporation, CLARCOR Inc., Crown Cork & Seal Company, Inc., Owen-Illinois, Inc., Packaging Corporation of America, Pactiv Corporation, Rock-Tenn Company, Sealed Air Corporation, Smurfit-Stone Container Corporation and Sonoco Products Company. Changes in the Peer Group from year to year result from companies being added to or deleted from the Value Line Packaging & Container Industry Group. These comparisons assume an initial investment of \$100 and the reinvestment of dividends.

CERTAIN TRANSACTIONS

On February 17, 1999, AptarGroup acquired the capital stock of privately held Emson Research Inc. and related companies ("Emsar", formerly known as Emson), for a purchase price of approximately \$122.8 million in cash and approximately \$4 million in Common Stock. Emil Meshberg, who prior to the Emsar acquisition was Chief Executive Officer of Emsar, entered into an employment agreement with AptarGroup and became an executive officer of AptarGroup immediately following the Emsar acquisition.

As a result of the Emsar acquisition, AptarGroup leases real estate from, purchases materials from and sells products to entities related to Mr. Meshberg or certain members of his family. In 2001, the transactions between AptarGroup and these entities amounted to lease payments of approximately \$612,000, purchases and license royalties of approximately \$57,000 and sales of approximately \$20,000.

As a courtesy to Messrs. Siebel and Pfeiffer, whose principal residences are in Europe, AptarGroup makes certain estimated income tax payments on their behalf. These balances are typically repaid at different times throughout the year. The largest amounts owed to AptarGroup for such payments at any time during 2001 were approximately \$84,000 and \$106,000 for Messrs. Siebel and Pfeiffer, respectively. Interest is not charged on outstanding balances. There were no outstanding balances from either Messrs. Siebel or Pfeiffer at December 31, 2001. As of March 14, 2002, Mr. Siebel's outstanding balance was approximately \$12,000 and Mr. Pfeiffer had no outstanding balance.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on AptarGroup records and other information, Dr. Joanne Smith and Mr. Patrick Doherty each filed one report late which included one transaction that had not been reported on a timely basis. AptarGroup believes that all SEC filing requirements applicable to its other Executive Officers and Directors were complied with for 2001.

AUDIT COMMITTEE REPORT

The Audit Committee of AptarGroup's Board of Directors is composed of three independent, non-employee directors as required by New York Stock Exchange listing standards. The Audit Committee operates under a written charter adopted by the Board.

Management is responsible for AptarGroup's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of AptarGroup's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee's responsibility is to assist the Board in fulfilling its responsibility for overseeing the quality and integrity of the

Edgar Filing: APTARGROUP INC - Form DEF 14A

accounting, auditing and financial reporting practices of AptarGroup.

The Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. Management has represented to the Committee that the

18

consolidated financial statements were prepared in accordance with generally accepted accounting principles. Also, the Committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

In addition, the Committee discussed with the independent accountants the accountants' independence from AptarGroup and its management, and the independent accountants provided the Committee the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). In considering the independence of AptarGroup's independent accountants, the Committee took into consideration the amount and nature of the fees paid to the independent accountants for non-audit services as described under "Other Matters" in this Proxy Statement.

Based on the review and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in AptarGroup's Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission.

A decision regarding the selection of the independent accountants to audit AptarGroup's consolidated financial statements for the year ending December 31, 2002 has not yet been made. It is expected that a representative of PricewaterhouseCoopers LLP will attend the annual meeting, with the opportunity to make a statement if he should so desire, and will be available to respond to appropriate questions.

The following fees were billed by PricewaterhouseCoopers LLP, AptarGroup's independent accountants, for services rendered in 2001:
