Core Data Resources, Inc. and Concord EFS, Inc. have entered into a merger agreement dated as of March 4, 2002. Under that agreement, a newly formed subsidiary of Concord will be merged with and into Core Data, and Core Data will survive the merger as a direct wholly owned subsidiary of Concord. Your Board of Directors is giving this proxy statement and prospectus to you to solicit your proxy to vote for approval and adoption of the merger agreement.

If we complete the merger, each share of common stock of Core Data that you own will be converted into shares of Concord common stock. We will determine the number of shares of Concord common stock into which each share of common stock of Core Data will be converted immediately prior to completion of the merger according to a formula specified in the merger agreement and described in the attached materials. If the merger agreement is approved and all other conditions described in the merger agreement have been met or, where permissible, waived, the merger is expected to occur as soon as possible after the special meeting. Big Sky Merger Corp.

 (302) 791-8000

Big Sky Merger Corp. is a company formed by Concord on February 27, 2002 solely for use in the merger.

What You Will Receive in the Merger (page 13)

As a result of the merger each share of Core Data common stock that you own will be converted into the number of shares of Concord common stock determined in accordance with the merger agreement.

Holders of shares of Core Data common stock can generally expect to receive approximately 21.4247 shares of Concord common stock for each share of Core Data common stock held. In calculating the consideration payable to you, Concord will be entitled to rely on certain representations made by Core Data. If these representations prove inaccurate, Concord will have the

1

right to adjust the ratio at which shares of Core Data common stock are to be converted in the merger. The merger consideration is generally intended to provide to Core Data stockholders 1,985,000 shares of Concord common stock, subject to adjustment under certain circumstances. This amount is to be delivered by Concord at the closing. The above formula represents an aggregate value of approximately \$66 million, based on an assumed Concord share price of \$33.37.

The table below sets forth an example of the exchange of shares of Core Data common stock into shares of Concord common stock as a result of the merger. If the merger had closed on April 10, 2002 and you owned 1,000 shares of Core Data common stock, then you would receive the following:

Example of Exchange Values:

If you own 1,000 shares of Core Data common stock	You would receive this many shares of Concord common stock (excluding shares subject to the indemnity fund)	You would receive this amount of cash in lieu of fractional shares	The indemnity will receive many shares of Concord common stock
	19,282	\$21.52	2,142

The example above has been calculated on a fully-diluted basis based upon 92,650 shares of Core Data common stock being exchanged in the merger. This number reflects the number of shares of Core Data common stock outstanding as of the record date. If the total number of shares of Core Data common stock outstanding as of the merger is greater than 92,650, on a fully-diluted basis, or upon the occurrence of certain other events, the exchange ratio will be adjusted accordingly. For a description of the circumstances under which the exchange ratio may be adjusted, see "THE MERGER--Merger Consideration."

Edgar Filing: CONCORD EFS INC - Form S-4/A

The cash in lieu of fractional share amount listed in the previous table is only an example, as this number will be based on the per share Concord closing price on the last trading day before the date on which the merger occurs.

Escrow (page 13)

Under the merger agreement, Concord and its affiliates will be indemnified against any losses that may arise in the event of a breach by Core Data of its warranties, covenants or obligations in the merger agreement. To meet this obligation, the parties will establish an indemnity fund. After the merger, Concord will cause 10% of the whole shares of Concord common stock issuable to Core Data stockholders in connection with the merger, and 10% of any amount payable in respect of fractional shares, to be deposited with First Tennessee Bank National Association, as indemnity agent. The indemnity fund will be governed by a separate indemnity escrow agreement, which will be substantially in the form attached as Annex C.

A stockholder representative, who will initially be C. Campbell Burgess, will represent the former Core Data stockholders whose shares of Concord common stock are held in the indemnity fund. The person acting as the stockholder representative can be changed by Core Data prior to the merger or by the holders of a majority in interest of the shares in the indemnity fund at any time upon not less than ten days' prior written notice to Concord and the indemnity agent. The indemnity fund and indemnification obligations will end one year after the effective time of the merger, except with respect to any pending or outstanding indemnity claims. At that time, if no indemnity claim has been made, the shares of Concord common stock in the indemnity fund will be released to the former holders of shares of Core Data common stock in accordance with the indemnity agreement.

The Special Meeting (page 9)

At the special meeting, the holders of shares of Core Data common stock will be asked to approve and adopt the merger agreement. The close of business on April 10, 2002 is the record date for determining whether you are entitled to vote at the special meeting. At that date, there were 92,650 shares of Core Data common stock outstanding. Each share is entitled to one vote at the special meeting.

The vote of two-thirds of the outstanding shares of Core Data common stock is required to approve and adopt the merger agreement.

Voting Agreements (page 26)

As a condition to Concord's willingness to enter into the merger agreement, Concord has entered into separate voting agreements with certain of Core Data's stockholders. These stockholders have agreed, without any additional consideration being paid to them, to vote all of their shares in favor of the merger. Stockholders owning, as of the record date, 64,500 shares, representing approximately 70% of the shares of Core Data common stock then outstanding, have entered into such voting agreements with Concord.

2

APPROVAL AND ADOPTION OF THE MERGER AGREEMENT BY THE CORE DATA STOCKHOLDERS IS THEREFORE ASSURED. HOWEVER, BECAUSE THERE ARE OTHER CONDITIONS TO CLOSING THAT HAVE NOT YET BEEN FULFILLED, THE CLOSING OF THE MERGER IS NOT ASSURED.

Concord's Reasons for the Merger (page 11)

Edgar Filing: CONCORD EFS INC - Form S-4/A

Concord's purpose for engaging in the transactions contemplated by the merger agreement is to acquire control of, and the entire equity interest in, Core Data. Concord believes that the acquisition of Core Data will enhance Concord's existing business.

To review Concord's reasons for the merger in greater detail, see "THE MERGER--Concord's Reasons for the Merger."

Core Data's Reasons for the Merger (page 12)

The Core Data Board of Directors unanimously approved the merger agreement and the merger and recommends that you vote to approve and adopt the merger agreement. The Core Data Board of Directors believes that the merger is fair to and in the best interests of Core Data and its stockholders. In reaching its decision, the Core Data Board of Directors considered a number of factors, including the following:

- .. the historical financial performance, business operations, financial condition and prospects of Concord;
- .. the financial and other significant terms of the proposed merger, including the terms and conditions of the merger agreement;
- .. the combination of expertise and resources of the two companies; and
- .. the compatibility of management and business of Core Data and Concord.

To review Core Data's reasons for the merger in greater detail, see "THE MERGER--Core Data's Reasons for the Merger; Recommendation of the Core Data Board of Directors."

Interests of Certain Persons in the Merger (page 12)

In considering the recommendation of the Core Data Board of Directors regarding the merger, you should be aware of the interests that certain officers and directors of Core Data have in the merger that are different from your and their interests as stockholders.

The current officers and directors of Core Data will be indemnified by Concord with respect to acts or omissions occurring at or prior to the time of the merger, to the same extent as such persons are presently indemnified.

In connection with the merger agreement, Concord and Core Data entered into an employment agreement with each of C. Campbell Burgess, Keevin Clark and Todd Clark. It is a condition to Concord's obligation to consummate the merger that each of these agreements be in full force and effect and that each of these individuals be employed by Core Data at the effective time of the merger, except in the event of death or disability. Pursuant to these agreements, these individuals are entitled to various benefits, including the right to receive options to acquire shares of Concord Common Stock following the effective time of the merger.

In addition, under the merger agreement, Concord has agreed to reserve certain shares of its common stock for grants under its stock option plan to certain employees of Core Data who remain employees of Core Data. Such grants shall be determined by the Board of Directors of Concord in its sole discretion after consultation with the Chief Executive Officer of Core Data, and may include grants to individuals who are members of management of Core Data. These options shall be granted after the closing of the merger.

The Core Data Board of Directors recognized all the interests described above and concluded that these interests did not detract from the fairness of

Edgar Filing: CONCORD EFS INC - Form S-4/A

the merger to the Core Data stockholders. Please refer to page -- for more information concerning the interests of Core Data's directors and officers. See "THE MERGER--Interests of Certain Persons in the Merger; Conflicts of Interest."

Regulatory Approvals (page 26)

In order to consummate the merger, regulatory approval under the Bank Holding Company Act of 1956 must be obtained. Concord has filed the applicable notice with the Board of Governors of the Federal Reserve System and filed copies with the Department of Justice and Federal Trade Commission. In addition, the parties must comply with applicable Federal and state securities and corporate laws.

3

Conditions to the Merger (page 22)

Concord and Core Data are not obligated to complete the merger unless a number of conditions are satisfied or waived by them. These include the following:

- .. the holders of two-thirds of the outstanding shares of Core Data common stock must vote to approve and adopt the merger agreement;
- .. the shares of Concord common stock to be issued in the merger must be authorized for quotation on the Nasdaq National Market System (Nasdaq);
- .. the relevant governmental authorities and other third parties must approve the merger;
- .. there must be no law, injunction or order that makes the merger or any of the transactions contemplated by the merger agreement illegal;
- .. the registration statement on Form S-4 of which this proxy statement and prospectus is a part shall be declared effective;
- .. no governmental entity must have instituted any suit relating to the merger agreement or the transactions contemplated thereby;
- .. Core Data, Concord and Big Sky Merger Corp. must perform, in all material respects, all of their obligations under the merger agreement;
- .. with certain exceptions, Concord and Core Data must each certify to the other that its representations and warranties contained in the merger agreement are true and correct, in all material respects;
- .. Concord and Core Data must each receive an opinion from its respective tax counsel that, among other things, the merger will qualify for U.S. federal income tax purposes as a tax-free reorganization;
- .. Concord must receive a certificate from officers of Core Data as to Core Data's then current capital structure;
- .. each Core Data stockholder shall have executed a general release in favor of Core Data, Concord and Big Sky Merger Corp;
- .. the indemnity agreement must be executed by the indemnity agent and the stockholder representative and delivered to Concord;

Edgar Filing: CONCORD EFS INC - Form S-4/A

- .. Each of the divestiture transactions contemplated by the merger agreement must have been completed as provided in that agreement;
- .. C. Campbell Burgess, Todd Clark and Keevin Clark must be employed by Core Data at the closing;
- .. there must be no material adverse change in the business of Core Data since December 31, 2001; and
- .. other customary contractual conditions specified in the merger agreement must be satisfied.

The party entitled to the benefit of some of these conditions may waive these conditions. Neither Concord nor Core Data can make assurances that the conditions will be satisfied or waived or that the merger will occur. See "THE MERGER AGREEMENT--What is Needed to Complete the Merger."

Termination of the Merger Agreement (page 24)

Core Data and Concord can agree at any time to terminate the merger agreement without completing the merger, and the merger agreement may be terminated by either company if any of the following occurs:

- .. the other party materially breaches any of its representations, warranties or obligations under the merger agreement and does not cure such breach within 30 business days of receiving notice of it;
- .. the merger is not completed by September 4, 2002, subject to extension until December 4, 2002 to obtain certain governmental approvals; or

4

- .. a court or other governmental authority seeks to prohibit the merger or the ownership, operation or control by Core Data, Concord or any of their subsidiaries of any portion of their business or assets.
- .. Core Data may also terminate the merger agreement if, after all of the closing conditions have been satisfied or waived, Concord's average price over a specified period of time prior to the closing of the merger is less than \$24 and Concord's average price prior to the merger has declined to a greater extent than an index specified in the merger agreement which represents a discounted average of the stock prices of certain comparable publicly traded companies. If Core Data chooses to terminate the merger agreement under these circumstances, Concord may increase the number of Concord shares to be issued in exchange for each share of Core Data common stock, up to a total of 2,382,000 shares for all shares of Core Data common stock, in which case the merger agreement will remain in effect and, subject to the satisfaction of all other conditions, the merger will be completed.

In addition, Concord may terminate the merger agreement if any of the following occurs: o Core Data stockholders do not approve the merger agreement;

- .. the Core Data Board of Directors fails to recommend or modifies or withdraws its recommendation in favor of the merger or its declaration that the merger is fair to and in the best interest of Core Data and Core Data's stockholders;
- .. if any other person or entity becomes the beneficial owner of 20% or more

Edgar Filing: CONCORD EFS INC - Form S-4/A

of the shares of Core Data common stock; or

- .. if the Core Data Board of Directors recommends in favor of any takeover proposal other than the merger with Concord or resolves to do so.

No Solicitation of Competing Transactions (page 20)

The merger agreement restricts Core Data's ability to solicit, initiate, encourage or enter into any alternative acquisition transactions with third parties. Core Data must promptly notify Concord if it receives offers, proposals or expressions of interest for any such alternative transactions.

Appraisal Rights (page 14)

IF YOU OBJECT TO THE MERGER, TEXAS LAW PERMITS YOU TO SEEK RELIEF AS A DISSENTING STOCKHOLDER.

If you are a Core Data stockholder and wish to dissent, you must deliver to Core Data, prior to the taking of the vote on the merger at the special meeting, a written objection to the merger, setting out that your right to dissent will be exercised if the merger is effective and giving your address, to which notice of the merger shall be delivered or mailed in that event. Core Data will deliver notice to you in the event that the merger is approved, and you must, within ten (10) days from the delivery or mailing of the notice, make written demand on Core Data for payment of the fair value of your shares. A proxy or vote against the merger is not sufficient to make this demand. You also must not vote in favor of the merger agreement.

The provisions of Texas law relating to the exercise of appraisal rights are complicated and failure to strictly adhere to such provisions may terminate or waive your appraisal rights. Therefore, if you decide to exercise your appraisal rights to obtain an appraisal of the fair value of your shares, you may wish to consult with a qualified attorney.

A copy of Article 5.12 of the Texas Business Corporation Act, which governs this process, is attached as Annex D to this proxy statement and prospectus.

Certain United States Federal Income Tax Aspects (page 15)

It is a condition to complete the merger that Core Data and Concord each receive an opinion of its respective tax counsel. The opinion of tax counsel must conclude, among other things, based on certain assumptions and representations of the parties regarding the facts existing at the effective time of the merger, that the merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

Tax matters are very complicated and the tax consequences of the merger to you will depend on the facts of your own situation. You should consult your tax advisor to understand fully the tax consequences of the merger to you. See "THE MERGER--Certain United States Federal Income Tax Aspects." (page 15)

THE SPECIAL MEETING

General

This proxy statement and prospectus is being furnished in connection with

Edgar Filing: CONCORD EFS INC - Form S-4/A

the solicitation of proxies by the Core Data Board of Directors for use at the special meeting of holders of shares of Core Data common stock. This proxy statement and prospectus, the attached Notice of Special Meeting of Stockholders and the enclosed form of proxy are first being mailed to stockholders of Core Data on or about April 10, 2002.

Matters to Be Considered at the Special Meeting

At the Core Data special meeting, holders of shares of Core Data common stock will be asked to consider and vote on a proposal to approve and adopt the merger and the merger agreement.

After careful consideration, the Core Data Board of Directors has unanimously declared that the merger agreement and the merger are advisable and fair to and in the best interests of Core Data and its stockholders. THE CORE DATA BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE MERGER AGREEMENT AND UNANIMOUSLY RECOMMENDS THAT HOLDERS OF SHARES OF CORE DATA COMMON STOCK VOTE TO APPROVE AND ADOPT THE MERGER AGREEMENT.

Record Date

The record date for the determination of the stockholders entitled to notice of and to vote at the special meeting shall be fixed as the date on which notice of the meeting is mailed or delivered. As of the close of business on the record date, there were 92,650 shares of Core Data common stock outstanding. No other voting interests of Core Data are outstanding. Each holder of a share of Core Data common stock is entitled to one vote for each share of Core Data common stock held as of the record date. As of the record date, the directors and executive officers of Core Data beneficially owned 89,290 (approximately 96%) of the outstanding shares of Core Data common stock.

Quorum

The presence at the special meeting, in person or by proxy, of the holders of the majority of outstanding shares of Core Data common stock will constitute a quorum for the transaction of business at the special meeting. Abstentions and non-votes will be considered present at the special meeting for the purpose of determining the presence of a quorum. If a quorum is not present, the special meeting may be adjourned from time to time (not to exceed 60 days) until a quorum is obtained.

Required Vote

Assuming a quorum is present, the affirmative vote of stockholders holding at least two-thirds of the outstanding shares of Core Data common stock is required to approve and adopt the merger agreement. Abstentions and non-votes will have the same effect as a vote against the approval and adoption of the merger agreement.

As a condition of Concord's willingness to enter into the merger agreement, certain stockholders of Core Data have entered into voting agreements with Concord, each dated as of March 4, 2002. Under the voting agreements, each of these stockholders has agreed, without any additional consideration being paid to it, to vote all of the shares of Core Data common stock held by it in favor of approving and adopting the merger agreement. As of the record date, these stockholders in the aggregate beneficially held 64,500 (approximately 70%) of the outstanding shares of Core Data common stock.

APPROVAL AND ADOPTION OF THE MERGER AGREEMENT BY THE CORE DATA STOCKHOLDERS IS THEREFORE ASSURED. HOWEVER, BECAUSE THERE ARE OTHER CONDITIONS TO CLOSING THAT HAVE NOT YET BEEN FULFILLED, CLOSING OF THE MERGER IS NOT ASSURED.

Edgar Filing: CONCORD EFS INC - Form S-4/A

Proxies

This proxy statement and prospectus is accompanied by a form of proxy to be used at the Core Data special meeting. Core Data stockholders are requested to complete, sign and date the accompanying proxy and promptly return it in the enclosed envelope or otherwise mail it to Core Data.

Shares of Core Data common stock represented by properly executed proxies will, unless revoked, be voted in accordance with the instructions indicated or, if no instructions are indicated, will be voted for approval and adoption of the merger agreement, and in the best judgment of the individuals named in the proxy on any other matters which may properly come before the special meeting.

9

You may revoke any proxy you have given at any time prior to its being voted by filing a notice of revocation or a duly executed proxy bearing a later date with the Secretary of Core Data. You may also revoke your proxy by attending the special meeting and voting in person.

You may abstain from voting by properly marking the "ABSTAIN" box on the proposal from which you wish to abstain. Your abstention will be counted as present for the purpose of determining the existence of a quorum. Abstentions will have the same effect as a vote against the approval and adoption of the merger agreement.

It is estimated that less than \$10,000.00 will be spent in connection with the solicitation of the Core Data stockholders. Concord and Core Data will share equally all expenses related to printing this proxy statement and prospectus and all the SEC and other regulatory filing fees incurred in connection with this proxy statement and prospectus. See "THE MERGER AGREEMENT -- Fees and Expenses." In addition to soliciting proxies by mail, officers, directors, and employees of Core Data, without receiving additional compensation, may solicit proxies by telephone, in person or by other means.

THE MERGER

Background of the Merger

The past five years have been a period of substantial and rapid growth for Core Data. During this period, Core Data has significantly increased the number of ATM and POS transactions processed annually. The past several years have also been a time of considerable change in the electronic funds transfer industry, primarily characterized by intensified competition and increased consolidation.

Over the past six months, the Core Data Board of Directors reviewed Core Data's long-range goals and strategies in light of the trends and developments in the industry. In order to fulfill its long-term goals for growth, Core Data determined that it was necessary for Core Data to join with a strategic business partner, which could provide Core Data with the resources necessary to achieve its goals.

Edgar Filing: CONCORD EFS INC - Form S-4/A

During the first quarter of 2002, the Core Data Board of Directors began a series of discussions concerning strategic partnerships with payment processing companies. The Core Data Board of Directors established the following criteria for evaluating potential strategic partners:

- .. ATM processing experience;
- .. compatible business strategies;
- .. broad product base to allow cross-selling opportunities; and
- .. a publicly traded company with sufficient capital resources.

In January, Core Data contacted Concord and other potential candidates to discuss a variety of strategic options.

On January 24, 2002, Core Data and Concord entered into a Confidentiality Agreement and held a conference call to determine the potential benefits of a business combination.

On January 29, 2002, representatives of Core Data and Concord met in Memphis, Tennessee to discuss a possible business combination.

On February 7 and 8, 2002, Concord conducted legal and business due diligence in Amarillo, Texas.

On February 11, 2002, Concord's legal counsel distributed the form of proposed merger agreement to Core Data and its legal counsel.

On February 18 and 19, 2002, Core Data and Concord met in Memphis, Tennessee to further discuss the benefits of a merger.

On February 20, 2002, Concord received formal comments on the form of merger agreement from Core Data's legal counsel.

From February 20, 2002 through March 4, 2002, Core Data and Concord, as well as their legal counsel, held various discussions regarding the merger agreement and the other documents contemplated by the merger agreement. During this same period, management of Core Data and Concord continued to discuss the financial and business terms of the proposed merger.

On March 4, 2002, the Core Data Board of Directors unanimously determined that the form of merger agreement was fair and in the best interests of the Core Data shareholders and unanimously approved the merger agreement and the other documents contemplated by the merger agreement, allowing for such changes to form as the signing officer deemed appropriate.

Authorized officers of Core Data, Concord and Big Sky Merger Corp. executed the merger agreement and other documents contemplated by the merger agreement on March 4, 2002.

The execution of the merger agreement was publicly announced on March 5, 2002.

Concord's Reasons for the Merger

Concord's purpose for engaging in the transactions contemplated by the merger agreement is to acquire control of, and the entire equity interest in, Core Data. Concord believes that the acquisition of Core Data will enhance Concord's existing business.

Edgar Filing: CONCORD EFS INC - Form S-4/A

The structure of the merger was established to achieve the business objectives of Concord in light of relevant financial, legal, tax and other considerations.

Core Data's Reasons for the Merger; Recommendation of the Core Data Board of Directors

The Core Data Board of Directors believes the merger will be beneficial to Core Data and in the best interests of the shareholders and that its shareholders should vote FOR the merger.

The Core Data Board of Directors has recommended the merger in order to enable Core Data to achieve its long-range objectives and in response to the trends and developments in the electronic funds transfer industry. The Core Data Board of Directors believes that the environment for the processing of off-premises ATMs will require the resources of a large, well-established payment processor such as Concord.

The Core Data Board of Directors believes that the merger will provide Core Data with cross-selling opportunities. Furthermore, Core Data expects that the merger will allow Core Data to develop technological and product enhancements that will increase Core Data's competitiveness. Additionally, Core Data expects that the merger will create cost efficiencies in telecommunications and gateway expenses.

The Core Data Board of Directors also considered the following factors that it believes would contribute to the success of Core Data as a part of the Concord organization, all of which it deemed favorable, in reaching its decision to approve the merger and the merger agreement:

- .. the historical financial performance, business operations, financial condition and prospects of Concord;
- .. the financial and other significant terms of the proposed merger, including the terms and conditions of the merger agreement;
- .. the combination of expertise and resources of the two companies; and
- .. the compatibility of management and business of Core Data and Concord.

The Core Data Board of Directors also considered potentially negative factors that could arise in connection with the merger. These include:

- .. the substantial management time and effort required to effectuate the merger;
- .. the transaction costs associated with the merger;
- .. the loss or substantial reduction of control over Core Data's operations;
- .. the business risk of Concord's existing businesses; and
- .. the market risks of holding publicly traded stock.

If the merger is not completed, Core Data will continue to pursue its existing business strategy. In addition, Core Data may consider other business combination opportunities or financing alternatives if the merger is not completed.

Edgar Filing: CONCORD EFS INC - Form S-4/A

The foregoing discussion of information and factors considered and given weight by the Core Data Board of Directors is not intended to be exhaustive, but is believed to include all of the material factors considered by the Core Data Board of Directors. In view of the variety of factors considered in connection its evaluation of the merger, the Core Data Board of Directors did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its determination and recommendations. In addition, individual members of Core Data's Board of Directors may have given different weights to different factors.

The Core Data Board of Directors has unanimously approved the merger agreement and unanimously recommends that you vote to approve and adopt the merger agreement and approve the merger.

Interests of Certain Persons in the Merger; Conflicts of Interest

In considering the recommendation of the Core Data Board of Directors with respect to the merger, stockholders of Core Data should be aware that certain of Core Data's directors and members of Core Data's management have certain interests in the

12

merger. The Core Data Board of Directors was aware of these possible conflicts of interest and carefully considered them in reaching its determination that the merger was fair to the Core Data stockholders.

The current officers and directors of Core Data will be indemnified by Concord with respect to acts or omissions of these persons occurring at or prior to the completion of the merger, to the same extent as these persons presently are indemnified under the charter document of Core Data.

In connection with the merger agreement, Concord and Core Data entered into an employment agreement with each of C. Campbell Burgess, Keevin Clark and Todd Clark. It is a condition to Concord's obligation to consummate the merger that each of these agreements be in full force and effect and that each of these individuals be employed by Core Data at the effective time of the merger, except in the event of death or disability. Pursuant to these agreements, these individuals are entitled to various benefits, including the right to receive options to acquire shares of Concord Common Stock following the effective time of the merger.

In addition, under the merger agreement, Concord has agreed to reserve certain shares of its common stock for grants under its stock option plan to certain employees of Core Data who remain employees of Core Data. Such grants shall be determined by the Board of Directors of Concord in its sole discretion after consultation with the Chief Executive Officer of Core Data, and may include grants to individuals who are members of management of Core Data. These options shall be granted after the closing of the merger.

Form of the Merger

If the holders of shares of Core Data common stock approve and adopt the merger agreement and all other conditions to the merger are satisfied or waived, Big Sky Merger Corp. will be merged with and into Core Data. Core Data will be the surviving corporation after the merger and will be a direct wholly owned subsidiary of Concord. Concord and Core Data anticipate that the merger will occur as promptly as practicable after the special meeting, with the filing of articles of merger with the Texas Secretary of State.

Edgar Filing: CONCORD EFS INC - Form S-4/A

Merger Consideration

The merger agreement provides that, upon consummation of the merger, as consideration for the merger, each share of Core Data common stock will be converted into shares of Concord common stock according to the provisions of the merger agreement.

The merger consideration is generally intended to provide to the holders of shares of Core Data common stock 1,985,000 shares of Concord common stock. This amount is to be delivered by Concord at the closing. Based upon the number of outstanding shares of Core Data common stock as of the date of the merger agreement, on a fully-diluted basis, if the merger had closed on March 4, 2002, each share of Core Data common stock outstanding would be converted into the right to receive approximately 21.4247 shares of Concord common stock. A greater number of shares of Core Data common stock outstanding as of the merger will result in a lower exchange ratio.

In addition, Core Data may terminate the merger agreement if, after all of the closing conditions have been satisfied or waived, Concord's average price over a specified period of time prior to the closing of the merger is less than \$24 and Concord's average price prior to the merger has declined to a greater extent than an index specified in the merger agreement which represents a discounted average of the stock prices of certain comparable publicly traded companies. If Core Data chooses to terminate the merger agreement under these circumstances, Concord may increase the number of Concord shares to be issued in exchange for each share of Core Data common stock, up to a total of 2,382,000 shares for all shares of Core Data common stock, in which case the merger agreement will remain in effect and, subject to the satisfaction of all other conditions, the merger will be completed.

If between the date of the merger agreement and the effective time of the merger Concord changes the outstanding shares of Concord common stock into a different number of shares or a different class, by reason of any stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares, the merger agreement provides that the merger consideration paid to Core Data stockholders will be correspondingly adjusted to the extent appropriate to reflect these changes. In lieu of fractional shares of Concord common stock, Concord will pay to each holder who would otherwise be entitled to receive a fractional share an amount in cash equal to the product of (i) the last reported sale price per share of Concord common stock, as reported by Nasdaq, on the last trading day before the date of the effective time of the merger, and (ii) the fractional share interest to which such holder would otherwise be entitled.

Escrow

Under the merger agreement, Concord and its affiliates will be indemnified against any losses that may arise in the event of a breach by Core Data of its warranties, covenants or obligations in the merger agreement. To meet this obligation, the parties will

establish an indemnity fund. After the merger, Concord will cause 10% of the whole shares of Concord common stock issuable to Core Data stockholders in connection with the merger, and 10% of any amount payable in respect of fractional shares, to be deposited with First Tennessee Bank National Association, as indemnity agent. The indemnity fund will be governed by a separate indemnity escrow agreement, which will be substantially in the form attached as Annex C.

Edgar Filing: CONCORD EFS INC - Form S-4/A

A stockholder representative, who will initially be C. Campbell Burgess, will represent the former Core Data stockholders whose shares of Concord common stock are held in the indemnity fund. The person acting as the stockholder representative can be changed by Core Data prior to the merger or by the holders of a majority in interest of the shares in the indemnity fund at any time upon not less than ten days' prior written notice to Concord and the indemnity agent. The indemnity fund and indemnification obligations will end one year after the effective time of the merger, except with respect to any pending or outstanding indemnity claims. At that time, if no indemnity claim has been made, the shares of Concord common stock in the indemnity fund will be released to the former holders of shares of Core Data common stock in accordance with the indemnity agreement.

Procedures for Surrender of Shares of Core Data Common Stock

As soon as practicable after the effective time of the merger, the exchange agent designated by Concord will mail a letter of transmittal, together with instructions, to the holders of record of shares of Core Data common stock. After receiving the letter of transmittal the Core Data stockholders will be able to surrender their shares of Core Data common stock to the exchange agent utilizing the letter of transmittal, and will receive in exchange a certificate representing the number of whole shares of Concord common stock (and cash in lieu of any fractional shares) to which they are entitled, less any Concord shares (and cash in lieu of any fractional shares) deposited with the indemnity agent for deposit into the indemnity fund. The letter of transmittal will be accompanied by instructions specifying other details of the surrender. Core Data stockholders should not send anything to the exchange agent until they receive a letter of transmittal.

After the effective time of the merger and until surrendered, each share of Core Data common stock will represent only the right to receive upon surrender a certificate representing shares of Concord common stock and cash in lieu of fractional shares. No dividends or other distributions declared or made on Concord common stock with a record date after the effective time and no payment in lieu of fractional shares will be paid to the holder of any unsurrendered share of Core Data common stock until the holder of record surrenders all of its shares of Core Data common stock as provided in the letter of transmittal. Subject to the effect of applicable laws, after a Core Data stockholder surrenders all of its shares of Core Data common stock, it will be paid, without interest, (i) at the time of surrender or as promptly as practicable thereafter, the amount of any cash payable in lieu of fractional shares of Concord common stock to which it is entitled and the amount of dividends or other distributions with a record date on or after the effective time of the merger previously paid with respect to whole shares of its Concord common stock, and (ii) at the appropriate payment date or as promptly as practicable thereafter, the amount of dividends or other distributions with a record date on or after the effective time of the merger but prior to surrender and with a payment date on or after surrender payable with respect to whole shares of its Concord common stock.

Concord and the exchange agent are entitled to deduct and withhold from the consideration otherwise payable such amounts as they are required to deduct and withhold under the Internal Revenue Code of 1986 or any provision of state, local or foreign tax law. Concord and Core Data will treat any amounts so withheld as having been paid to the person in respect of whom such deduction and withholding was made.

Appraisal Rights

IF YOU OBJECT TO THE MERGER, TEXAS LAW PERMITS YOU TO SEEK RELIEF AS A DISSENTING STOCKHOLDER.

Edgar Filing: CONCORD EFS INC - Form S-4/A

If you are a Core Data stockholder and wish to dissent, you must deliver to Core Data, prior to the taking of the vote on the merger at the special meeting, a written objection to the merger, setting out that your right to dissent will be exercised if the merger is effective and giving your address, to which notice of the merger shall be delivered or mailed in that event. Core Data will deliver notice to you in the event that the merger is approved, and you must, within ten (10) days from the delivery or mailing of the notice, make written demand on Core Data for payment of the fair value of your shares. A proxy or vote against the merger is not sufficient to make this demand. You also must not vote in favor of the merger agreement.

The provisions of Texas law relating to the exercise of appraisal rights are complicated and failure to strictly adhere to such provisions may terminate or waive your appraisal rights. Therefore, if you decide to exercise your appraisal rights to obtain an appraisal of the fair value of your shares, you may wish to consult with a qualified attorney.

A copy of Article 5.12 of the Texas Business Corporation Act, which governs this process, is attached as Annex D to this proxy statement and prospectus.

Certain United States Federal Income Tax Consequences

Generally

The following discussion summarizes the material United States federal income tax consequences of the merger. The discussion that follows is based on and subject to the Internal Revenue Code, Treasury Regulations under the Internal Revenue Code, existing administrative interpretations and court decisions as of the date of this proxy statement and prospectus, all of which are subject to change (possibly with retroactive effect) and all of which are subject to differing interpretation. The following discussion does not address the effects of the merger under any state, local or foreign tax laws.

The tax treatment of a Core Data stockholder may vary depending upon the stockholder's particular situation, and certain Core Data stockholders (including financial institutions, persons that acquired Core Data shares pursuant to exercising options or otherwise as compensation for services) may be subject to special rules not discussed below. Each Core Data stockholder is urged to consult its tax advisor with respect to the specific tax consequences of the merger, including the effect of United States federal, state and local, and foreign and other tax rules, and the effect of possible changes in tax laws.

It is a condition to the obligation of Concord to effect the merger that Concord receive an opinion from its counsel, Sidley Austin Brown & Wood, and it is a condition to the obligation of Core Data to effect the merger that Core Data receive an opinion from its counsel, Gibson, Ochsner & Adkins, LLP, in each case substantially to the effect that for federal income tax purposes: (i) the merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, and Core Data, Big Sky Merger Corp. and Concord will each be a party to that reorganization within the meaning of Section 368(b) of the Internal Revenue Code; (ii) no gain or loss will be recognized by Concord, Big Sky Merger Corp. or Core Data as a result of the merger; (iii) no gain or loss will be recognized by the stockholders of Core Data upon the conversion of their shares of Core Data common stock into shares of Concord common stock pursuant to the merger, except with respect to cash, if any, received in lieu of fractional shares of Concord common stock; (iv) the aggregate tax basis of the shares of Concord common stock received in exchange for shares of Core Data common stock pursuant to the merger (including a fractional share of Concord

Edgar Filing: CONCORD EFS INC - Form S-4/A

common stock for which cash is received) will be the same as the aggregate tax basis of such shares of Core Data common stock; (v) the holding period for shares of Concord common stock received in exchange for shares of Core Data common stock pursuant to the merger will include the holder's holding period for such shares of Core Data common stock, provided such shares of Core Data common stock were held as capital assets by the holder at the effective time of the merger; and (vi) a stockholder of Core Data who receives cash in lieu of a fractional share of Concord common stock will recognize gain or loss equal to the difference, if any, between such stockholder's basis in the fractional share (determined under clause (iv) above) and the amount of cash received.

Each of these legal opinions will be based on certain assumptions, and both Sidley Austin Brown & Wood and Gibson, Ochsner & Adkins, LLP will receive and rely upon representations, unverified by counsel, contained in certificates of Concord, Core Data and possibly others. The inaccuracy of any of those assumptions or representations might jeopardize the validity of the opinions rendered.

The opinions of counsel described above will neither bind the Internal Revenue Service nor preclude the Internal Revenue Service from adopting positions contrary to those expressed above, and no assurance can be given that contrary positions will not be asserted successfully by the Internal Revenue Service or adopted by a court if the issues are litigated. Neither Concord nor Core Data intends to obtain a ruling from the Internal Revenue Service with respect to the tax consequences of the merger.

Indemnity Fund

Pursuant to the merger agreement, 10% of the whole shares of Concord common stock issuable to Core Data stockholders in connection with the merger and 10% of any amount payable in respect of fractional shares of Concord common stock (other than for dissenting stockholders) will be deposited into the indemnity fund. For federal income tax purposes, each Core Data stockholder will be treated as owning a pro-rata portion of the shares of Concord common stock and cash deposited into the indemnity fund. As the tax owner, the stockholder will be required to include in his or her gross income the stockholder's share of any dividends or interest earned on the Concord common stock, cash or other assets held in the indemnity fund, whether or not such amounts are currently distributed to the stockholder. Moreover, any shares of Concord common stock or cash that are surrendered to Concord pursuant to the indemnity agreement should relate back to the merger and be treated as a reduction in the number of shares of Concord common stock and amount of cash paid in lieu of fractional shares of Concord common stock that are received in the merger.

Dissenting Core Data Stockholders

15

A Core Data stockholder who receives cash upon valid exercise of dissenters' rights generally will recognize gain or loss, if any, equal to the difference between the amount of cash received and the dissenting stockholder's tax basis in the shares of Core Data stock exchanged therefor.

Federal Securities Law Consequences

Core Data stockholders who are not affiliates of Core Data before the merger will receive freely transferable shares of Concord common stock in the merger. However, shares of Concord common stock received by persons who are affiliates of Core Data before the merger may be resold by them only in transactions permitted by the resale provisions of Rule 145 under the Securities

Edgar Filing: CONCORD EFS INC - Form S-4/A

Act of 1933, as amended (the Securities Act) or Rule 144 under the Securities Act in the case of those persons who become affiliates of Concord after the merger, or as otherwise permitted by the Securities Act.

Certain Other Effects of the Merger

After the merger, Core Data stockholders will become stockholders of Concord. Upon consummation of the merger, the certificate of incorporation and by-laws of Concord, in addition to the applicable provisions of Delaware law, will govern the rights of all former Core Data stockholders. For a description of the differences between the rights of Concord stockholders and Core Data stockholders, see "COMPARISON OF RIGHTS OF CORE DATA STOCKHOLDERS AND CONCORD STOCKHOLDERS."

THE MERGER AGREEMENT

This section of the proxy statement and prospectus describes certain aspects of the merger, including the material provisions of the merger agreement. The following summary of the material terms and provisions of the

Edgar Filing: CONCORD EFS INC - Form S-4/A

merger agreement is qualified in its entirety by reference to the merger agreement and the indemnity escrow agreement. The merger agreement is attached as Annex A to this proxy statement and prospectus and the indemnity escrow agreement will be substantially in the form attached as Annex C and both are incorporated herein by reference. You are encouraged to read the merger agreement and the indemnity escrow agreement in their entirety for a fuller description of the merger and the escrow.

The Merger

The merger agreement provides that Big Sky Merger Corp., a direct wholly owned subsidiary of Concord, will be merged with and into Core Data, at the effective time of the merger. Pursuant to the merger agreement, Core Data will be the surviving corporation in the merger and will be a direct wholly owned subsidiary of Concord. The Core Data Board of Directors unanimously approved the merger agreement and the merger.

Structure of the Merger

According to the terms and conditions of the merger agreement and the Texas Business Corporation Act, at the effective time of the merger, Big Sky Merger Corp. will merge with and into Core Data, which will continue to exist as the surviving corporation under the laws of the State of Texas. At the effective time of the merger, Big Sky Merger Corp. will no longer exist as a separate entity. At the effective time of the merger, the articles of incorporation of Core Data, and the by-laws of Big Sky Merger Corp. will become the articles of incorporation and by-laws, respectively, of the surviving corporation.

Conversion and Exchange of Common Stock

At the effective time of the merger, each issued and outstanding share of Big Sky Merger Corp. common stock will be converted into one share of common stock of the surviving corporation.

At the effective time of the merger, each issued and outstanding share of Core Data Common Stock unit will be converted into shares of Concord common stock according to the exchange ratio described under "THE MERGER--Merger Consideration" and cash, without interest, in lieu of fractional shares of Concord common stock.

Effective Time

The merger will occur after all of the conditions in Article VI of the merger agreement have been fulfilled or, if permissible, waived. No later than the second business day after the satisfaction or waiver of the conditions in Article VI of the merger agreement, or such other date as Concord and Core Data may agree, the parties will hold a scheduled closing. On the day the merger occurs, the articles of merger will be filed with the Secretary of State of the State of Texas. The effective time of the merger will be the date and time of the filing, unless both Big Sky Merger Corp. and Core Data mutually agree to designate a later date of effectiveness of the merger not more than 30 days after the date the statement of merger is filed, in which case the later date designated in the statement of merger will be the effective time.

Concord and Core Data each anticipate that, if the merger is approved at the special meeting of Core Data stockholders, it will be consummated shortly thereafter. However, if any of the conditions required to be met prior to consummation of the merger have not been so met, the closing may be delayed. There can be no assurance as to if or when the conditions required to consummate the merger will be met or that the merger will be consummated.

Escrow

Indemnification. Under the merger agreement, Concord and its affiliates will be indemnified against any losses that may arise in the event of a breach by Core Data of its warranties, covenants or obligations in the merger agreement. To meet this obligation, the parties will establish an indemnity fund. After the merger, Concord will cause 10% of the whole shares of Concord common stock issuable to Core Data stockholders in connection with the merger, and 10% of any amount payable in respect of fractional shares, to be deposited with First Tennessee Bank National Association, as indemnity agent. The indemnity fund will be governed by a separate indemnity escrow agreement, which will be substantially in the form attached as Annex C.

With respect to breaches of warranties or inaccuracies of representations of Core Data, Concord and its affiliates will be indemnified only in the event that the aggregate losses and expenses borne by Concord and its affiliates with respect to such breaches and inaccuracies exceeds \$450,000.00, except with

Edgar Filing: CONCORD EFS INC - Form S-4/A

respect to certain representations and warranties for which the limitation is not applicable.

Indemnity Fund. Concord and its affiliates will be indemnified from an indemnity fund. The indemnity fund will be governed by an indemnity escrow agreement and First Tennessee Bank National Association will act as indemnity agent. The indemnity escrow agreement will be substantially in the form of Annex C attached to this proxy statement and prospectus. The indemnity fund and indemnity obligations will end one year after the closing of the merger, except with respect to any pending or outstanding indemnity claims. At that time, if no indemnity claim has been made, the shares of Concord common stock in the indemnity fund will be released to the former holders of shares of Core Data common stock in accordance with the indemnity agreement. The stockholders will have no right of contribution from Core Data with respect to any losses or expenses claimed by Concord after the closing date. Nothing in the merger agreement limits the liability of Core Data for any breach of any representation, warranty or covenant if the merger is not consummated.

10% of the number of whole shares of Concord common stock (and any cash in lieu of fractional shares) issuable to stockholders as merger consideration (other than stockholders properly exercising appraisal rights) will be delivered to the indemnity agent and will comprise the indemnity fund. Any additional shares of Concord common stock resulting from a stock split affecting the Concord common stock in the indemnity fund will remain a part of the indemnity fund. All dividends or distributions (other than stock or similar dividends) will be distributed to Concord stockholders whose shares are held in the indemnity fund (formerly Core Data stockholders) by the indemnity agent in accordance with the indemnity agreement. Under the indemnity agreement, those stockholders may, under certain circumstances, sell the shares of Concord common stock credited to them in the indemnity fund, but the proceeds of the sale must be maintained in the indemnity fund until it expires.

Stockholder Representative. The merger agreement establishes C. Campbell Burgess as the initial stockholder representative. The stockholder representative is appointed to act as the agent and attorney-in-fact of the stockholders receiving consideration in the merger to take all actions the stockholders are entitled to take relating to the indemnity fund and the merger agreement. The actions of the stockholder representative will be considered the binding actions of the stockholders receiving consideration in the merger. The holders of a majority in interest of the shares of Concord common stock received as consideration in the merger may change the representatives upon ten days' prior written notice to Concord and the indemnity agent.

23

Maximum Payments and Remedies. Following the merger, the amount held in the indemnity fund will provide the sole and exclusive remedy for any and all damages Concord may suffer as the result of any breach of the merger agreement or any claim of misrepresentation against Core Data in connection with the merger agreement or the merger, other than in the case of fraud.

merger agreement and has not cured such failure within 30 business days of receiving notice of it;

- .. by either Concord or Core Data if the other party has materially breached any of its representations or warranties which has the effect of making such representation and warranty not true and correct in all material respects and has not cured such breach within 30 business days of receiving notice of it;
- .. by either Concord or Core Data if the merger has not been effected on or prior to September 4, 2002, or December 4, 2002, if required governmental approvals shall not have been obtained by the earlier date; provided that no party may terminate the merger agreement pursuant to this provision whose failure to fulfill any of its obligations contained in the merger agreement resulted in the failure of the merger to occur prior to such date;
- .. by Concord if the stockholders of Core Data do not approve the merger agreement;
- .. by Concord if the Core Data Board of Directors has not recommended or has qualified, modified or withdrawn its recommendation in favor of the merger or its declaration that the merger is advisable and fair to and in the best interests of Core Data and its stockholders, or has resolved to do so;
- .. by Concord if any person (other than Concord or its affiliates) becomes the beneficial owner of 20% or more of Core Data's outstanding stock;

- .. by Concord if any court or governmental entity (A) seeks to restrain or otherwise prohibit the transactions contemplated by the merger agreement, (B) seeks to prohibit the ownership, operation or control by Core Data, Concord or any of their subsidiaries of any portion of their business or assets, (C) seeks to limit or impose any conditions on the ownership, operation or control by Core Data, Concord or any of their subsidiaries of any portion of their business or assets or that otherwise, in Concord's good faith opinion, individually or in the aggregate would have a material adverse effect on Core Data, Concord, or any of their subsidiaries or would detract from the value of the merger to Concord in any material manner, or (D) seeks to compel or compels Core Data, Concord or their subsidiaries to dispose of, grant rights in respect of or hold separate any portion of the business or assets of Core Data, Concord or their subsidiaries; and
- .. Core Data may also terminate the merger agreement if, after all of the closing conditions have been satisfied or waived, Concord's average price over a specified period of time prior to the closing of the merger is less than \$24 and Concord's average price prior to the merger has declined to a greater extent than an index specified in the merger agreement which represents a discounted average of the stock prices of certain comparable publicly traded companies. If Core Data chooses to terminate the merger agreement under these circumstances, Concord may increase the number of Concord shares to be issued in exchange for each share of Core Data common stock, up to a total of 2,382,000 shares for all shares of Core Data common stock, in which case the merger agreement will remain in effect and, subject to the satisfaction of all other conditions, the merger will be completed.

In the event of a termination of the merger agreement by either Concord or Core Data, the merger agreement will become void and there will be no liability

Edgar Filing: CONCORD EFS INC - Form S-4/A

under the merger agreement on the part of Core Data, Concord or Big Sky Merger Corp. or their respective officers or directors, except that there would still be liability if there is a willful breach of a representation or warranty or the breach of any covenant.

Waiver and Amendment of the Merger Agreement

The merger agreement may be amended by the parties to the agreement at any time, but after the Core Data stockholders have approved any matters in connection with the merger agreement, no amendment may be made which by law requires further approval by such stockholders without such further approval.

24

At any time prior to the effective time of the merger, Concord, Core Data, and Big Sky Merger Corp. may agree in a writing signed by each party to:

- .. extend the time for the performance of any of the obligations or other acts of the other parties to the merger agreement;
- .. waive any inaccuracies in the representations and warranties contained in the merger agreement or any document delivered pursuant to the merger agreement; or
- .. waive compliance with any of the covenants, agreements or conditions contained in the merger agreement which may be legally waived.

- .. cooperate with Concord to support and to consummate and make effective, in the most expeditious manner practicable, the merger and the other transactions contemplated by the merger agreement;
- .. not to (i) sell or otherwise dispose of (including by gift), or enter into any contract or other arrangement with respect to the transfer of its share of Concord common stock to any person or (ii) enter into any voting arrangement, whether by proxy, voting agreement or otherwise, in relation to its share of Concord Common Stock; and
- .. to irrevocably grant to, and appoint any individual or individuals who shall be designated by Concord, its proxy and attorney-in-fact (with full power of substitution), for and in the name, place and stead of the stockholder, to vote, or cause to be voted, the shares of Concord common stock, or grant a consent or approval in respect of its share of Concord common stock, at every annual, special or other meeting of the stockholders of Core Data, or pursuant to any consent in lieu of a meeting consistent with the voting provisions of the voting agreement.

Any successor, assignee or transferee of the stockholder's Core Data shares will be bound by the terms of the voting agreement.

Each stockholder's obligations under the voting agreement will terminate upon the earlier of the termination of the merger agreement or the effective time of the merger. However, if the merger agreement is terminated by Concord because of a material willful breach by Core Data of any of its representations or warranties, because of a failure of Core Data to comply in any material respect with any of its covenants or agreements contained in the merger agreement, because of a failure of Core Data's stockholders to approve the merger agreement, because the Core Data Board of Directors did not recommend or qualified, modified or withdrew its recommendation of the merger or declaration that the merger is advisable and fair to and in the best interests of Core Data and its stockholders or resolves to do so, because another person becomes the owner of 20% or more of Core Data's outstanding shares of capital stock, or because the Core Data Board of Directors recommends a takeover proposal to the Core Data stockholders or resolves to do so, then the obligations of each stockholder under the voting agreement will not terminate until the first anniversary of such termination of the merger agreement.

REGULATORY MATTERS

In order to consummate the merger, regulatory approval under the Bank Holding Company Act of 1956 must be obtained. Concord has filed the applicable notice with the Board of Governors of the Federal Reserve System and filed copies with the Department of Justice and Federal Trade Commission. In addition, the parties must comply with applicable federal and state securities and corporate laws.

DESCRIPTION OF CONCORD CAPITAL STOCK

The following summary description of the capital stock of Concord does not purport to be complete and is qualified in its entirety by the provisions of Concord's restated certificate of incorporation, as amended (Concord Charter), and Concord's by-laws and by the applicable provisions of Delaware corporate law. For information on how to obtain copies of the Concord Charter and by-laws, see "WHERE YOU CAN FIND MORE INFORMATION."

Capital Stock

Under the Concord Charter, the Concord Board has the authority to issue a maximum of 750,000,000 shares of Concord common stock, par value 0.33 1/3 per share. As of February 25, 2002, there were issued and outstanding 508,378,475 shares of Concord common stock.

Dividend Rights

Holders of Concord common stock are entitled to receive such dividends as may be declared from time to time by the Board of Directors out of funds legally available therefor. Although the Concord Board may declare dividends on Concord common stock, Concord has never paid cash dividends and currently has no plans to pay cash dividends in the future. See "SUMMARY SELECTED FINANCIAL DATA--Comparative Market Price Data."

Voting Rights

Each holder of Concord common stock is entitled to one vote for each share held on any matter submitted to a vote of Concord stockholders, including the election of directors. Concord stockholders do not have cumulative voting rights for the election of directors. All elections and matters submitted to a vote of Concord stockholders are decided by the affirmative vote of a majority of the shares present (in person or by proxy) and entitled to vote, provided that a quorum is present, except as otherwise required by Delaware corporate law or the Concord Charter.

* C. Campbell Burgess, as the beneficiary of Burgess Trust No. 2, is also the beneficial owner of the 27,630 shares of Core Data common stock held by Burgess Trust No. 2.

28

Under Delaware law, a corporation's certificate of incorporation may be amended by the affirmative vote of a majority of its outstanding shares entitled to vote upon the amendment, unless the corporation's certificate of incorporation or by-laws specifies a higher percentage. The Concord Charter does not provide for an affirmative vote differing from the statutory requirements.

Change of Control

The Delaware corporation statute, the Concord Charter and the Concord by-laws contain provisions that could discourage or make more difficult a change of control of Concord.

Edgar Filing: CONCORD EFS INC - Form S-4/A

Concord Charter and By-laws. Under the Concord by-laws, special meetings of the stockholders may only be called by the Board, the Chairman of the Board, the President or any Vice President. Concord stockholders are not entitled to request a special meeting.

Delaware General Corporation Law. As a Delaware corporation, Concord is subject to the provisions of Section 203 of the Delaware corporation statute. Generally, this statute prohibits a publicly held Delaware corporation from engaging in a "business combination" (as defined in the statute) with an "interested stockholder" (as defined in the statute) for a period of three years after the time that such stockholder became an interested stockholder, unless:

- .. prior to that time the corporation's board of directors has approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder,
- .. upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction was commenced (excluding certain specified shares), or
- .. at or after the time the stockholder became an interested stockholder, the business combination is approved by the corporation's board of directors and authorized by the affirmative vote at an annual or special meeting and not by written consent, of at least 66 2/3% of the outstanding voting stock of the corporation (excluding the stock owned by the interested stockholder).

The statute generally defines a "business combination" to include a merger, asset sale or other transaction resulting in a financial benefit to the interested stockholder. The statute generally defines an "interested stockholder" as a person or entity, other than the corporation and any direct or indirect majority owned subsidiary of the corporation, who (i) owns 15% or more of a corporation's voting stock or (ii) is an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation at any time within the prior three-year period, and the affiliates or associates of such person. Section 203 expressly exempts from the requirements described above any business combination by a corporation with an interested stockholder who becomes an interested stockholder in a transaction approved by that corporation's board of directors.

Liquidation Rights

In the event of liquidation, dissolution or winding up of Concord, the holders of Concord common stock are entitled to share ratably in all assets of Concord available for distribution to such holders after the payment of all liabilities.

Preemption, Conversion and Redemption

The holders of Concord common stock have no preemptive rights to purchase additional securities issued by Concord or any conversion rights and the Concord common stock is not subject to calls or further assessments by Concord. The Concord stockholders have no rights to have their shares redeemed by Concord.

COMPARISON OF RIGHTS OF CORE DATA STOCKHOLDERS AND CONCORD STOCKHOLDERS

After consummation of the merger, the holders of shares of Core Data common stock who receive Concord common stock under the terms of the merger agreement will become stockholders of Concord. The rights of Core Data stockholders are presently governed by the Texas Business Corporation Act (Core Data Charter) and the Core Data by-laws. As stockholders of Concord, their rights following the consummation of the merger will instead be governed by the Delaware corporation statute, the Concord restated certificate of incorporation, as amended (Concord Charter), and the Concord by-laws. Certain differences between the rights of Concord stockholders and Core Data stockholders, under their respective governing statutes, charters and by-laws, are summarized below. This summary does not purport to be complete, and is qualified in its entirety by reference to the Concord Charter and by-laws, and the Delaware corporation statute, the Core Data Charter and Core Data by-laws, Core Data's Articles of Incorporation, and the Texas Business Corporation Act.

Size of the Board and Qualifications of Directors

Under the Core Data Charter, there are to be four directors. There are no stated restrictions on Board composition, or on Board member eligibility for either Core Data or Concord. However, see "--Quorum and Voting of Board Members" below.

Quorum and Voting of Board Members

Under both the Core Data by-laws and the Concord by-laws, a majority of the directors constitutes a quorum for the transaction of business and, unless otherwise specifically provided by law, by the applicable Charter or its by-laws, the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors.

Board Meetings

Under both the Core Data Charter and the Concord by-laws there are no location restrictions on any meetings of the Board, regular or special. Under the Core Data by-laws special meetings may be called by the Chairman of the Board, the President or any two directors, and require two days notice. Under the Concord by-laws, special meetings may be called by the Chairman or the President, or by the Secretary after receiving a written request from two or more Board members, and require two days notice.

Removal of Directors

Under the Core Data Charter, directors may be removed with or without cause by the holders of a majority of the Core Data shares of common stock. Under the Concord by-laws, a majority of the holders of Concord shares entitled to elect directors is required to remove directors.

Action by Committees

The Core Data by-laws do not make express provision for the designation of committees of the Core Data Board of Directors. Concord's by-laws provide, consistent with Delaware law, that no committee may have the power or authority

Edgar Filing: CONCORD EFS INC - Form S-4/A

to amend the corporation's certificate of incorporation, adopt an agreement of merger or consolidation, recommend to the stockholders the sale, lease or exchange of all or substantially all of the corporation's property and assets, recommend to the stockholders a dissolution of the corporation or a revocation of a dissolution or amend the by-laws of the corporation.

Amendments to the Core Data Charter and the Concord Charter

Neither the Core Data charter and by-laws nor the Concord Charter and by-laws provide for an affirmative vote differing from the applicable statutory requirements with respect to charter amendments. Texas law requires that a proposed charter amendment be approved by the affirmative vote of the holders of at least two-thirds of the outstanding shares entitled to vote thereon, and Delaware law require that a proposed charter amendment be approved by a majority of the outstanding stock entitled to vote upon the amendment and, under certain circumstances, a majority of the outstanding stock of each class entitled to vote thereon.

Amendments to the Core Data By-laws or the Concord By-laws

Under the Core Data by-laws and the Concord by-laws, any amendment to the by-laws may be made by a majority of either the Board or the stockholders entitled to vote thereon, except that the Core Data by-laws provide that the Board may not alter or repeal any provisions of the by-laws adopted by the stockholders.

Restrictions on Adoption of a Plan of Merger

Under Texas law, a vote of two-thirds of the outstanding shares of Core Data capital stock is required to adopt a plan of merger. The Concord Charter and by-laws do not contain a similar restriction.

Restrictions on Special Meetings of the Stockholders

Under the Core Data by-laws, stockholders holding at least 10% of the outstanding Core Data shares may call special meetings of the stockholders. Under the Concord by-laws, special meetings may only be called by the Board, the Chairman of the Board, the President or any Vice President. Core Data stockholders will thus lose their ability to call special meetings if they approve the merger.

30

Also, under the Core Data by-laws, a special meeting of the stockholders could occur at any place either within or outside the State of Texas. Unless otherwise determined by the Board of Directors of Concord, under the Concord by-laws all meetings must occur in the State of Tennessee.

Notice of Meetings

Under the Core Data by-laws, stockholders may receive notice of an annual meeting no fewer than 30 days in advance of such meeting and may receive notice of a special meeting no fewer than 10 days in advance of such meeting. Under the Concord by-laws, stockholders may receive notice no fewer than 10 days in advance of any meeting.

Preemptive Rights

The Core Data by-laws and the Concord by-laws do not grant stockholders a right of first refusal to purchase his pro-rata share of all or any part of any

Edgar Filing: CONCORD EFS INC - Form S-4/A

shares of capital stock Core Data or Concord may, from time to time propose to issue and sell.

Transfer Restrictions

The Core Data by-laws and the Concord by-laws contain no transfer restrictions. However, see "--Transactions with Interested Stockholders" below.

Transactions with Interested Stockholders

As a publicly held corporation, Concord is subject to Section 203 of the Delaware corporation statute. For more information on Section 203 of the Delaware Corporation Statute see "DESCRIPTION OF CONCORD CAPITAL STOCK--Change of Control." AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER, dated as of March 4, 2002 (this "Agreement"), among Concord EFS, Inc., a Delaware corporation ("Parent"), Big Sky Merger Corp., a Texas corporation and a direct wholly owned subsidiary of Parent ("Sub"), and Core Data Resources, Inc., a Texas corporation (the "Company") (Sub and the Company being hereinafter collectively referred to as the "Constituent Corporations").

W I T N E S S E T H:

WHEREAS, the respective Boards of Directors of Parent, Sub and the Company have approved and declared advisable the merger of Sub and the Company (the "Merger"), upon the terms and subject to the conditions set forth herein, whereby each issued and outstanding share of common stock, \$1.00 par value, of the Company ("Company Common Stock"), not owned directly or indirectly by Parent or the Company, will be converted into the right to receive shares of Common Stock, \$0.33 1/3 par value, of Parent ("Parent Common Stock");

WHEREAS, the respective Boards of Directors of Parent and the Company have determined that the Merger is in furtherance of and consistent with their respective long-term business strategies and is in the best interest of their respective stockholders;

Edgar Filing: CONCORD EFS INC - Form S-4/A

WHEREAS, in order to induce Parent and Sub to enter into this Agreement, concurrently herewith certain stockholders of the Company are entering into agreements with Parent dated as of the date hereof (the "Voting Agreements"), in the form of the attached Exhibit A, pursuant to which, among other things, each such stockholder has agreed to vote in favor of this Agreement and the Merger;

WHEREAS, in order to induce Parent and Sub to enter into this Agreement, before the Closing Parent, the Indemnity Agent (as hereinafter defined), and the Stockholder Representative (as hereinafter defined) shall enter into the Indemnity Escrow Agreement (the "Indemnity Agreement") substantially in the form of the attached Exhibit B; and

WHEREAS, for federal income tax purposes, it is intended that the Merger shall qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code").

NOW, THEREFORE, in consideration of the premises, representations, warranties and agreements herein contained, the parties agree as follows:

ARTICLE I
THE MERGER

Section 1.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the Texas Business Corporation Act (the "TBCA"), Sub shall be merged with and into the Company at the Effective Time (as hereinafter defined). Following the Merger, the separate corporate existence of Sub shall cease and the Company shall continue as the surviving corporation (the "Surviving Corporation") and shall succeed to and

A-1

assume all the rights and obligations of Sub in accordance with the TBCA. Notwithstanding anything to the contrary herein, at the election of Parent, any direct wholly owned Subsidiary (as hereinafter defined) of Parent may be substituted for Sub as a Constituent Corporation in the Merger; provided that

such substituted corporation is a Texas corporation which is formed solely for the purpose of engaging in the transactions contemplated by this Agreement and has engaged in no other business activities. In such event, the parties agree to execute an appropriate amendment to this Agreement, in form and substance reasonably satisfactory to Parent and the Company, in order to reflect such substitution.

Section 1.2 Effective Time. The Merger shall become effective when Articles of Merger (the "Articles of Merger"), executed in accordance with the relevant provisions of the TBCA, is filed with the Secretary of State of the State of Texas; provided, however, that, upon mutual consent of the Constituent Corporations, the Articles of Merger may provide for a later date of

Edgar Filing: CONCORD EFS INC - Form S-4/A

effectiveness of the Merger not more than 30 days after the date the Articles of Merger are filed. When used in this Agreement, the term "Effective Time" shall

mean the date and time at which the Articles of Merger are accepted for recording or such later time established by the Articles of Merger. The filing of the Articles of Merger shall be made on the date of the Closing (as hereinafter defined).

Section 1.3 Effects of the Merger. The Merger shall have the effects

set forth in Article 5.06 of the TBCA.

Section 1.4 Charter and Bylaws; Directors and Officers.

(a) At the Effective Time, the Articles of Incorporation, as amended, of the Company (the "Company Charter"), as in effect immediately prior to the

Effective Time, shall be amended so that Article Four reads in its entirety as follows: "The total number of shares of all classes of capital stock which the Corporation shall have authority to issue is 1,000 shares of Common Stock, \$0.01 par value." As so amended, the Company Charter shall be the Articles of Incorporation of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable law. At the Effective Time, the Bylaws of Sub, as in effect immediately prior to the Effective Time, shall be the Bylaws of the Surviving Corporation until thereafter changed or amended as provided therein or in the Articles of Incorporation of the Surviving Corporation.

(b) The directors and officers of Sub at the Effective Time shall be the directors and officers of the Surviving Corporation, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be.

Section 1.5 Conversion of Securities. As of the Effective Time, by

virtue of the Merger and without any action on the part of Sub, the Company or the holders of any securities of the Constituent Corporations:

(a) Each issued and outstanding share of common stock, \$.01 par value, of Sub shall be converted into one validly issued, fully paid and nonassessable share of common stock of the Surviving Corporation.

A-2

(b) All shares of Company Common Stock that are held in the treasury of the Company or by any wholly owned Subsidiary of the Company and any shares of Company Common Stock owned by Parent shall be canceled, and no capital stock of Parent or other consideration shall be delivered in exchange therefor.

(c) Subject to the provisions of Section 1.8 hereof, each share of

Company Common Stock issued and outstanding immediately prior to the Effective Time (other than Dissenting Shares (as hereinafter defined) and shares to be canceled in accordance with Section 1.5(b)) shall be converted into the right to

receive such number, rounded down to the nearest thousandth (the "Exchange

Ratio"), of validly issued, fully paid and nonassessable shares of Parent Common

Stock determined by dividing (x) 1,985,000 by (y) the Company Outstanding

Edgar Filing: CONCORD EFS INC - Form S-4/A

Number. Such shares of Company Common Stock, when so converted, shall no longer be outstanding and shall automatically be canceled and retired, and each holder of any such securities shall cease to have any rights with respect thereto, except the right to receive (i) subject to Section 1.6, certificates

representing the shares of Parent Common Stock into which such shares of Company Common Stock are converted, (ii) any dividends and other distributions in accordance with Section 1.7, and (iii) any cash, without interest, in lieu of

fractional shares to be issued or paid in consideration therefor in accordance with Section 1.8.

(d) For purposes of this Agreement, the "Company Outstanding Number"

means the number of shares of Company Common Stock issued and outstanding immediately prior to the Effective Time, in a fully diluted basis assuming the exercise of all options for and the conversion of all equity securities into shares of Company Common Stock.

(e) Notwithstanding anything in this Agreement to the contrary, shares of Company Common Stock issued and outstanding immediately prior to the Effective Time which are held of record by stockholders who shall not have voted such shares in favor of the Merger and who shall have demanded properly in writing appraisal of such shares in accordance with Article 5.12 of the TBCA ("Dissenting Shares") shall not be converted into the right to receive Parent

Common Stock as set forth in Section 1.5(c), and cash in lieu of fractional

shares as set forth in Section 1.8, but the holders thereof instead shall be

entitled to, and the Dissenting Shares shall only represent the right to receive, payment of the fair value of such shares in accordance with the provisions of Article 5.12 of the TBCA; provided, however, that (i) if such a

holder fails to exercise his or its right to dissent properly in writing from the Surviving Corporation in accordance with Article 5.12 of the TBCA or, after such exercise, subsequently delivers an effective written withdrawal of such exercise, or fails to establish his or its entitlement to rights of dissent as provided in Article 5.12 of the TBCA, if so required, or (ii) if a court shall determine that such holder is not entitled to receive payment for his or its shares or such holder shall otherwise lose his or its rights of dissent, then, in any such case, each share of Company Common Stock held of record by such holder or holders shall automatically be converted into and represent only the right to receive Parent Common Stock as set forth in Section 1.5(c), and cash in

lieu of fractional shares as set forth in Section 1.8, upon surrender of the

certificate or certificates representing such Dissenting Shares. Any cash paid in respect of Dissenting Shares shall be paid by the Company solely with its own funds, and the Company shall not be reimbursed therefor by Parent or any of its Subsidiaries, either directly or indirectly.

A-3

(f) In calculating the consideration payable under this Section 1.5,

Parent shall be entitled to rely on the representations and warranties contained in Section 3.2 and the certificate delivered pursuant to Section 6.3(g). If such

Edgar Filing: CONCORD EFS INC - Form S-4/A

representations, warranties and certificate are not correct, Parent shall have the right to adjust the Exchange Ratio accordingly, and notwithstanding anything else to the contrary contained in this Agreement, in no event shall the aggregate merger consideration (the "Merger Consideration") payable by Parent,

Sub or the Surviving Corporation to the holders of equity interests in the Company (including, without limitation, holders of options) in connection with the Merger or the transactions contemplated hereby exceed such consideration payable assuming such representations, warranties and certificate are correct.

Section 1.6 Delivery of Certificates and Payment of Cash. At or after

the Effective Time, each holder of record of a certificate or certificates (collectively, the "Certificates") representing shares of Company Common Stock

issued and outstanding immediately prior to the Effective Time (collectively, the "Company Stockholders") may surrender such Certificate or Certificates to

Parent's designee as the exchange agent (the "Exchange Agent"), together with a

letter of transmittal in the form prepared by Parent (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon actual delivery thereof to the Exchange Agent and shall contain instructions for use in effecting the surrender of such Certificates in exchange for the property described in the next sentence) (the "Transmittal Letter").

Parent shall promptly deliver or cause to be delivered upon surrender for cancellation to the Exchange Agent of all Certificates held by any Company Stockholder, together with the Transmittal Letter, duly executed, in exchange therefor (i) to such Company Stockholder, (x) one or more certificates representing ninety percent (90%) of the aggregate number of whole shares of Parent Common Stock into which the Company Common Stock represented by the Certificate or Certificates so surrendered shall have been converted pursuant to Section 1.5(c), and (y) ninety percent (90%) of the cash in lieu of any

fractional share in accordance with Section 1.8, and one hundred percent (100%)

of certain dividends and other distributions in accordance with Section 1.7; and

(ii) in accordance with Section 8.1, to the Indemnity Agent (as hereinafter

defined), for deposit in the Indemnity Fund (as defined in the Indemnity Agreement), (x) one or more certificates representing the remaining ten percent (10%) of such number of whole shares of Parent Common Stock (all such shares held by the Indemnity Agent being collectively referred to as the "Indemnity

Shares") and (y) ten percent (10%) of the cash in lieu of any fractional share

in accordance with Section 1.8, and one hundred percent (100%) of certain

dividends and other distributions in accordance with Section 1.7, and any

Certificate so surrendered shall forthwith be canceled.

Section 1.7 Dividends; Transfer Taxes; Withholding. No dividends or

other distributions that are declared on or after the Effective Time on Parent Common Stock, or are payable to the holders of record thereof on or after the Effective Time, will be paid to any Person (as hereinafter defined) entitled by reason of the Merger to receive a certificate representing Parent Common Stock until such Person surrenders the related Certificate or Certificates, as provided in Section 1.6, and no cash payment in lieu of fractional shares will

Edgar Filing: CONCORD EFS INC - Form S-4/A

be paid to any such Person pursuant to Section 1.8 until such Person shall so

surrender the related Certificate or Certificates. Subject to the effect of
applicable law, there shall be paid to each record holder of a new certificate
representing such Parent Common Stock: (i) at the time of such surrender or as

A-4

promptly as practicable thereafter, one hundred percent (100%) of the amount of
any dividends or other distributions theretofore paid with respect to the shares
of Parent Common Stock represented by such new certificate and having a record
date on or after the Effective Time and a payment date prior to such surrender;
(ii) at the appropriate payment date or as promptly as practicable thereafter,
one hundred percent (100%) of the amount of any dividends or other distributions
payable with respect to such shares of Parent Common Stock and having a record
date on or after the Effective Time but prior to such surrender and a payment
date on or subsequent to such surrender; and (iii) at the time of such surrender
or as promptly as practicable thereafter, the amount of any cash payable with
respect to a fractional share of Parent Common Stock to which such holder is
entitled pursuant to Section 1.8; provided, that to the extent such dividends or

other distributions relate to stock splits or other similar events, one hundred
percent (100%) of such dividends or distributions with respect to the Indemnity
Shares shall be deposited by Parent with the Indemnity Agent and shall be
included in the Indemnity Fund in accordance with the Indemnity Agreement. In no
event shall the Person entitled to receive such dividends or other distributions
or cash in lieu of fractional shares be entitled to receive interest on such
dividends or other distributions or cash in lieu of fractional shares. If any
cash or certificate representing shares of Parent Common Stock is to be paid to
or issued in a name other than that in which the Certificate surrendered in
exchange therefor is registered, it shall be a condition of such exchange that
the Certificate so surrendered shall be properly endorsed and otherwise in
proper form for transfer and that the Person requesting such exchange shall pay
to Parent any transfer or other taxes required by reason of the issuance of
certificates for such shares of Parent Common Stock in a name other than that of
the registered holder of the Certificate surrendered or shall establish to the
satisfaction of Parent that such tax has been paid or is not applicable. Parent
shall be entitled to deduct and withhold from the consideration otherwise
payable pursuant to this Agreement to any Person such amounts as Parent is
required to deduct and withhold with respect to the making of such payment under
the Code or under any provision of state, local or foreign tax law. To the
extent that amounts are so withheld by Parent, such withheld amounts shall be
treated for all purposes of this Agreement as having been paid to the Person who
otherwise would have received the payment in respect of which such deduction and
withholding was made by Parent.

Section 1.8 No Fractional Securities. No certificates or scrip

representing fractional shares of Parent Common Stock shall be issued upon the
surrender for exchange of Certificates pursuant to this Article I, and no Parent

dividend or other distribution or stock split shall relate to any fractional
share, and no fractional share shall entitle the owner thereof to vote or to any
other rights of a securityholder of Parent. In lieu of any such fractional
share, (x) each holder of Company Common Stock who would otherwise have been
entitled to a fraction of a share of Parent Common Stock upon surrender of
Certificates for exchange pursuant to this Article I will be paid ninety percent

(90%) of an amount in cash (without interest), rounded down to the nearest cent,

Edgar Filing: CONCORD EFS INC - Form S-4/A

determined by multiplying (i) the last reported sale price per share of Parent Common Stock on the NASDAQ National Market System ("Nasdaq") on the date

immediately before the date of the Effective Time (or, if the shares of Parent Common Stock do not trade on Nasdaq on such date, the first date of trading of shares of Parent Common Stock on Nasdaq immediately before such date) by (ii) the fractional interest of a share of Parent Common Stock to which such holder would otherwise be entitled, and (y) the remaining ten percent (10%), rounded down to the nearest cent, will be paid to the Indemnity Agent for deposit in the

A-5

Indemnity Fund.

Section 1.9 Return of Exchange Fund. Any portion of the Exchange Fund

which remains undistributed to the Company Stockholders for 60 days after the Effective Time shall be delivered to Parent, upon demand of Parent, and any such Company Stockholders who have not theretofore complied with this Article I shall

hereafter look only to Parent for payment of their claim for Parent Common Stock, any cash in lieu of fractional shares of Parent Common Stock and any dividends or distributions with respect to Parent Common Stock. Neither Parent nor the Surviving Corporation shall be liable to any former holder of Company Common Stock for any consideration payable in accordance with this Article I

which is delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

Section 1.10 Adjustment of Exchange Ratio. In the event of any

reclassification, stock split or stock dividend with respect to Parent Common Stock or any change or conversion of Parent Common Stock into other securities (or if a record date with respect to any of the foregoing should occur) prior to the Effective Time, appropriate and proportionate adjustments, if any, shall be made to the Exchange Ratio, and all references to the Exchange Ratio in this Agreement shall be deemed to be to the Exchange Ratio, as so adjusted.

Section 1.11 No Further Ownership Rights in Company Common Stock. All

shares of Parent Common Stock issued upon the surrender for exchange of Certificates in accordance with the terms hereof (including any cash paid pursuant to Section 1.8) shall be deemed to have been issued in full satisfaction of all rights pertaining to the shares of Company Common Stock represented by such Certificates.

Section 1.12 Closing of Company Transfer Books. At the Effective Time,

the stock transfer books of the Company shall be closed, and no transfer of shares of Company Common Stock shall thereafter be made on the records of the Company. If, after the Effective Time, Certificates are presented to the Surviving Corporation or Parent, such Certificates shall be canceled and exchanged as provided in this Article I.

Section 1.13 Lost Certificates. If any Certificate shall have been

lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Exchange Agent, the posting by such Person of a bond,

Edgar Filing: CONCORD EFS INC - Form S-4/A

in such amount as Parent or the Exchange Agent may direct as indemnity against any claim that may be made against Parent, the Surviving Corporation or the Exchange Agent with respect to such Certificate, Parent will issue or cause to be issued in exchange for such lost, stolen or destroyed Certificate the shares of Parent Common Stock, any cash in lieu of fractional shares of Parent Common Stock to which the holders thereof are entitled pursuant to Section 1.8 and any

dividends or other distributions to which the holders thereof are entitled pursuant to Section 1.7.

Section 1.14 Further Assurances. If at any time after the Effective

Time the Surviving Corporation shall consider or be advised that any deeds, bills of sale, assignments or assurances or any other acts or things are necessary, desirable or proper (a) to vest, perfect or confirm, of record or otherwise, in the Surviving Corporation its right, title or interest in, to or

A-6

under any of the rights, privileges, powers, franchises, properties or assets of either of the Constituent Corporations, or (b) otherwise to carry out the purposes of this Agreement, the Surviving Corporation and its proper officers and directors or their designees shall be authorized to execute and deliver, in the name and on behalf of either of the Constituent Corporations, all such deeds, bills of sale, assignments and assurances and to do, in the name and on behalf of either Constituent Corporation, all such other acts and things as may be necessary, desirable or proper to vest, perfect or confirm the Surviving Corporation's right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of such Constituent Corporation and otherwise to carry out the purposes of this Agreement.

Section 2.1 Organization, Standing and Power. Each of Parent and Sub is a corporation duly organized, validly existing and in good standing under the laws of the state of its incorporation and has the requisite corporate power and authority to carry on its business as now being conducted.

Section 2.2 Capital Structure. As of the date hereof, the authorized capital stock of Parent consists of 750,000,000 shares of Parent Common Stock. At the close of business on February 25, 2002, (i) 508,378,475 shares of Parent Common Stock were issued and outstanding, (ii) no shares of Parent Common Stock were held in the treasury of Parent or by Subsidiaries of Parent, (iii) no shares of Parent preferred stock were issued or outstanding and (iv) 45,515,281 shares of Parent Common Stock were reserved for issuance pursuant to outstanding options, warrants or other rights to purchase or otherwise acquire shares of Parent Common Stock under Parent's plans or other arrangements or pursuant to any plans or arrangements assumed by Parent in connection with any acquisition, business combination or similar transaction (collectively, the "Parent Stock Plans"). As of the date of this Agreement, each outstanding share of capital stock (or other voting security or equity equivalent) of each Subsidiary of Parent is duly authorized, validly issued, fully paid and nonassessable, and each such share (or other voting security or equity equivalent) is owned by Parent or another Subsidiary of Parent free and clear of all security interests,

Edgar Filing: CONCORD EFS INC - Form S-4/A

liens, claims, pledges, options, rights of first refusal, agreements, limitations on voting rights, charges and other encumbrances of any nature whatsoever, except where any failure(s) to be so duly authorized, validly issued, fully paid and nonassessable or owned would not have, individually or in the aggregate, a Material Adverse Effect on Parent.

For purposes of this Agreement, "Subsidiary" means any corporation, -----
partnership, limited liability company, joint venture, trust, association or other entity of which Parent or the Company, as the case may be (either alone or through or together with any other Subsidiary), owns, directly or indirectly, 50% or more of the stock or other equity interests the holders of which are generally entitled to vote for the election of the Board of Directors or other governing body of such corporation, partnership, limited liability company, joint venture or other entity.

Section 2.3 Authority. The Boards of Directors of Parent and Sub have -----

entered into by it as contemplated hereby (such other agreements, the "Parent -----
Ancillary Agreements"). Parent has the requisite corporate power and authority -----
to enter into this Agreement and the Parent Ancillary Agreements, to consummate the transactions contemplated hereby and thereby and to effect the Share Issuance. Sub has all corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby. The

A-9

execution and delivery of this Agreement by Parent and Sub and the Parent Ancillary Agreements by Parent, and the consummation by Parent and Sub of the transactions contemplated hereby and thereby, have been duly authorized by all necessary corporate action on the part of Parent and Sub. This Agreement and the consummation of the transactions contemplated hereby have been approved by the sole stockholder of Sub. This Agreement has been duly executed and delivered by Parent and Sub. The Parent Ancillary Agreements executed as of the date hereof have been duly executed and delivered by Parent. Assuming the valid authorization, execution and delivery by the other parties thereto and the validity and binding effect hereof and thereof on the other parties thereto, this Agreement constitutes the valid and binding obligation of Parent and Sub enforceable against each of them in accordance with its terms, and each of the Parent Ancillary Agreements, upon execution and delivery thereof by Parent, will constitute the valid and binding obligation of Parent enforceable against it in accordance with its terms, except to the extent its enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by the effect of general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law). The Share Issuance and the filing of a registration statement on Form S-4 with the Securities Exchange Commission ("SEC") by Parent under the Securities Act of 1933, as amended

(together with the rules and regulations promulgated thereunder, the "Securities -----
Act"), for the purpose of registering shares of Parent Common Stock to be issued

Edgar Filing: CONCORD EFS INC - Form S-4/A

in the Merger (together with any amendments or supplements thereto, whether prior to or after the effective date thereof, the "Registration Statement") have

been duly authorized by Parent's Board of Directors.

Section 2.4 Consents and Approvals; No Violation. Assuming that all

consents, approvals, authorizations and other actions described in this Section

2.4 have been obtained and all filings and obligations described in this Section

2.4 have been made, except as set forth in Section 2.4 of the letter dated the

date hereof and delivered on the date hereof by Parent to the Company, which
letter relates to this Agreement and is designated therein as the Parent Letter
(the "Parent Letter"), the execution and delivery of this Agreement by Parent

and Sub, and the Parent Ancillary Agreements by Parent, do not, and the
consummation of the transactions contemplated hereby and thereby and compliance
with the provisions hereof and thereof will not, result in any violation of, or
default (with or without notice or lapse of time, or both) under, or give to
others a right of termination, cancellation or acceleration of any obligation or
the loss of benefit under, or result in the creation of any lien, security
interest, charge or encumbrance upon any of the properties or assets of Parent
or any of its Subsidiaries under, any provision of (i) the Parent Charter or the
Bylaws of Parent (the "Parent Bylaws") or the Certificate of Incorporation or

Bylaws of Sub, (ii) the comparable charter or organizational documents of any of
Parent's Subsidiaries, (iii) any loan or credit agreement, note, bond, mortgage,
indenture, lease or other agreement, instrument, permit, concession, franchise
or license applicable to Parent or any of its Subsidiaries or any of their
respective properties or assets or (iv) any judgment, order, decree, injunction,
statute, law, ordinance, rule or regulation applicable to Parent or any of its
Subsidiaries or any of their respective properties or assets, other than, in the
case of clauses (ii), (iii) or (iv), any such violations, defaults, rights,
liens, security interests, charges or encumbrances that, individually or in the
aggregate, would not have a Material Adverse Effect on Parent, materially impair
the ability of Parent or Sub to perform their respective obligations hereunder
or, in the case of Parent, under the Parent Ancillary

A-10

Agreements, or prevent the consummation of any of the transactions contemplated
hereby or thereby by Parent or Sub. No filing or registration with, or
authorization, consent or approval of, any domestic (federal and state), foreign
or supranational court, commission, governmental body, regulatory agency,
authority or tribunal (a "Governmental Entity") is required by or with respect

to Parent or any of its Subsidiaries in connection with the execution and
delivery of this Agreement by Parent or Sub or the Parent Ancillary Agreements
by Parent or is necessary for the consummation by Parent or Sub of the Merger
and the other transactions contemplated by this Agreement or the Parent
Ancillary Agreements, except for (i) in connection, or in compliance, with the
provisions of the Bank Holding Company Act of 1956, as amended (together with
the rules and regulations promulgated thereunder, the "Bank Act"), the

Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (together with
the rules and regulations promulgated thereunder, the "HSR Act"), the Securities

Edgar Filing: CONCORD EFS INC - Form S-4/A

Act and the Securities Exchange Act of 1934, as amended (together with the rules and regulations promulgated thereunder, the "Exchange Act"), (ii) the filing of

the Articles of Merger with the Secretary of State of the State of Texas and appropriate documents with the relevant authorities of other states in which the Company or any of its Subsidiaries is qualified to do business, (iii) such filings, authorizations, orders and approvals as may be required by state takeover laws (the "State Takeover Approvals"), (iv) such filings as may be

required in connection with the taxes described in Section 5.8; (v) applicable requirements, if any, of state securities or "blue sky" laws ("Blue Sky Laws")

and Nasdaq, (vi) applicable requirements, if any, under foreign laws and (vii) such other consents, orders, authorizations, registrations, declarations and filings the failure of which to be obtained or made would not, individually or in the aggregate, have a Material Adverse Effect on Parent, materially impair the ability of Parent or Sub to perform its obligations hereunder or, in the case of Parent, under the Parent Ancillary Agreements, or prevent the consummation of any of the transactions contemplated hereby or thereby by Parent or Sub.

For purposes of this Agreement, "Material Adverse Change" or "Material Adverse Effect" means, when used with respect to Parent or the Company, as the

case may be, any event, change or effect that individually or when taken together with all other such events, changes or effects is or could reasonably be expected to be materially adverse to the business, prospects, assets, liabilities, financial condition or results of operations of Parent and its Subsidiaries, taken as a whole, or the Company and its Subsidiaries, taken as a whole, as the case may be. None of the following shall be deemed, by itself or by themselves, to constitute a Material Adverse Change or Material Adverse Effect: (i) conditions affecting the industry in which the Company and its Subsidiaries or Parent and its Subsidiaries, as the case may be, operates or (ii) conditions affecting the U.S. economy as a whole.

Section 2.5 SEC Documents and Other Reports. Parent has filed all

required documents with the SEC between January 1, 2002 and the date hereof (the "Parent SEC Documents"). As of their respective dates or, if amended, as of the date of the last amendment, the Parent SEC Documents complied in all material respects with the requirements of the Securities Act or the Exchange Act, as the case may be, and, at the respective times they were filed, none of the Parent SEC Documents contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The consolidated financial statements (including, in each case, any notes thereto) of Parent included

A-11

in the Parent SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, were prepared in accordance with generally accepted accounting principles ("GAAP") (except, in the case of the unaudited statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods involved (except as may be indicated therein or in the notes thereto) and fairly presented in all material respects the consolidated

Edgar Filing: CONCORD EFS INC - Form S-4/A

financial position of Parent and its consolidated subsidiaries at the respective dates thereof and the consolidated results of their operations and their consolidated cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments and to any other adjustments described therein). Except as disclosed in the Parent SEC Documents or as required by GAAP or the SEC, Parent has not, since January 1, 2002, made any material change in the accounting practices or policies applied in the preparation of financial statements included in the Parent SEC Documents.

Section 2.6 Registration Statement and Proxy Statement. None of the

information to be supplied by Parent or Sub for inclusion or incorporation by reference in the Registration Statement or the proxy statement/prospectus included therein relating to the Stockholder Meeting (as hereinafter defined) (together with any amendments or supplements thereto, the "Proxy Statement")

will (i) in the case of the Registration Statement, at the time it becomes effective, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading or (ii) in the case of the Proxy Statement, at the time of the mailing of the Proxy Statement and at the time of the Stockholder Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. If at any time prior to the Stockholder Meeting any event with respect to Parent, its officers and directors or any of its Subsidiaries shall occur which is required to be described in the Proxy Statement or the Registration Statement, such event shall be so described, and an appropriate amendment or supplement shall be promptly filed with the SEC and, as required by law, disseminated to the stockholders of the Company. The Registration Statement will comply (with respect to Parent) as to form in all material respects with the provisions of the Securities Act.

Section 2.7 Actions and Proceedings. Except as set forth in the Parent

SEC Documents, as of the date hereof, there are no actions, suits, labor disputes or other litigation, legal or administrative proceedings or governmental investigations pending or, to the Knowledge of Parent, threatened against or affecting Parent or any of its Subsidiaries or, to the Knowledge of Parent, any of its or their present or former officers, directors, employees, or consultants, agents or stockholders, as such, or any of its or their properties, assets or business (i) relating to the transactions contemplated by this Agreement and the Parent Ancillary Agreements, or (ii) which, if not related to the transactions contemplated by this Agreement or the Parent Ancillary Agreements, would have a Material Adverse Effect on Parent. As of the date hereof, except as set forth in the Parent SEC Documents, there are no outstanding orders, judgments, injunctions, awards or decrees of any Governmental Entity against Parent or any of its Subsidiaries, or, to the Knowledge of Parent (as hereinafter defined), against any of the present or former directors or officers of Parent or any of its Subsidiaries, as such, or any of its or their properties, assets or businesses that, individually or in the aggregate, would have a Material Adverse Effect on

A-12

Parent. For purposes of this Agreement, "Knowledge of Parent" means the actual

knowledge of the individuals identified in Section 2.7 of the Parent Letter.

Section 2.8 Permits and Compliance; Defaults. Each of Parent and its

Edgar Filing: CONCORD EFS INC - Form S-4/A

Subsidiaries is in possession of all material licenses, franchises, permits, privileges, immunities, approvals and other authorizations from Governmental Entities which are necessary to entitle Parent or any of its Subsidiaries to own, lease or possess, and operate and use its assets and to carry on its business substantially as currently conducted (herein collectively called the "Parent Permits"), and each of the material Parent Permits are valid and in full force and effect, except where the failure to be in possession of any of the Parent Permits or the failure of any such Parent Permit to be valid or in full force and effect would not, individually or in the aggregate, have a Material Adverse Effect on Parent. Parent and its Subsidiaries are in compliance in all material respects with their respective obligations under the Parent Permits, with only such exceptions as, individually or in the aggregate, would not have a Material Adverse Effect on Parent.

Section 2.9 Required Vote of Parent Stockholders. No vote of the

securityholders of Parent is required by law, the Parent Charter, the Parent Bylaws or otherwise in order for Parent to consummate the Merger and the transactions contemplated hereby.

Section 2.10 Reorganization. To the Knowledge of Parent, neither

Parent nor any of its Subsidiaries has taken any action or failed to take any action which action or failure could reasonably be expected to cause the Merger to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code.

Section 2.11 Brokers. No broker, investment banker or other Person is

entitled to any broker's, finder's or other similar fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Parent.

Section 2.12 Operations of Sub. Sub is a direct, wholly owned

subsidiary of Parent, was formed solely for the purpose of engaging in the transactions contemplated hereby, has engaged in no other business activities and has conducted its operations only as contemplated hereby.

ARTICLE III
REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company represents and warrants to Parent and Sub as follows:

Section 3.1 Organization, Standing and Power. The Company is a

corporation duly organized, validly existing and in good standing under the laws of the State of Texas and has the requisite corporate power and authority to carry on its business as now being conducted. Each Subsidiary of the Company is duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is organized and has the requisite corporate (in the case of a Subsidiary that is a corporation) or other power and authority to carry on its business as now being conducted. The Company and each of its Subsidiaries are duly qualified to do business, and are in good standing, in each jurisdiction where the character of their properties owned or

held under lease or the nature of their activities makes such qualification or

Edgar Filing: CONCORD EFS INC - Form S-4/A

good standing necessary, except where the failure to be so qualified or licensed and in good standing would not have a Material Adverse Effect on the Company.

Section 3.2 Capital Structure.

(a) The authorized capital stock of the Company consists of 500,000 shares of Company Common Stock. As of the date hereof, (i) 92,650 shares of Company Common Stock were issued and outstanding, all of which were validly issued, fully paid and nonassessable and free of preemptive rights and (ii) 7,350 shares of Company Common Stock were held in the treasury of the Company or by Subsidiaries of the Company. There are no benefit plans of the Company or its Subsidiaries under which any securities of the Company or any of its Subsidiaries are issuable. Except as set forth above, no shares of capital stock or other voting securities of the Company are issued, reserved for issuance or outstanding. There are no options, warrants, calls, rights, puts or agreements to which the Company or any of its Subsidiaries is a party or by which any of them is bound obligating the Company or any of its Subsidiaries to issue, deliver, sell or redeem, or cause to be issued, delivered, sold or redeemed, any additional shares of capital stock (or other voting securities or equity equivalents) of the Company or any of its Subsidiaries or obligating the Company or any of its Subsidiaries to grant, extend or enter into any such option, warrant, call, right, put or agreement. Except as set forth in Section 3.2(a) of the Company Letter, the Company is not a party to, and to the Knowledge of the Company there does not currently exist, any stockholder agreement, voting trust agreement or any other similar contract, agreement, arrangement, commitment, plan or understanding relating to the voting, dividend, ownership or transfer rights of any shares of capital stock of the Company. True and complete copies of the Company Charter, Bylaws of the Company, as amended (the "Company

Bylaws"), and the agreements and other instruments referred to in Section 3.2(a) -----
of the Company Letter have been delivered to Parent.

(b) Except as set forth in Section 3.2 of the Company Letter, each outstanding share of capital stock (or other voting security or equity equivalent, as the case may be) of each Subsidiary of the Company is duly authorized, validly issued, fully paid and nonassessable, and each such share (or other voting security or equity equivalent, as the case may be) is owned by the Company or another Subsidiary of the Company, free and clear of all security interests, liens, claims, pledges, options, rights of first refusal, agreements, limitations on voting rights, charges and other encumbrances of any nature whatsoever. The Company does not have any outstanding bonds, debentures, notes or other obligations the holders of which have the right to vote (or convertible into or exercisable for securities having the right to vote) with the stockholders of the Company on any matter.

(c) Section 3.2(c) (i) of the letter dated the date hereof and delivered on the date hereof by the Company to Parent, which letter relates to this Agreement and is designated the Company Letter (the "Company Letter"), sets -----
forth the name and address of each holder of record of shares of capital stock of the Company outstanding on the date hereof, together, in each case, with the number of shares of Company Common Stock held by such holder.

(d) Section 3.2(d) of the Company Letter sets forth a list of all Subsidiaries

Edgar Filing: CONCORD EFS INC - Form S-4/A

and Joint Ventures of the Company and the jurisdiction in which such Subsidiary or Joint Venture is organized. Section 3.2(d) of the Company Letter also sets forth the nature and extent of the ownership and voting interests held by the Company in each such Joint Venture. The Company has no obligation to make any capital contributions, or otherwise provide assets or cash, to any Joint Venture. For purposes of this Agreement, "Joint Venture" means any corporation,

limited liability company, partnership, joint venture, trust, association or other entity which is not a Subsidiary of the Company, as the case may be, and in which (a) the Company, directly or indirectly, owns or controls any shares of any class of the outstanding voting securities or other equity interests or (b) the Company or one of its Subsidiaries is a general partner.

(e) All issued and outstanding shares of Company Common Stock have been issued in compliance with all appropriate securities laws and are subject to all appropriate restrictions on transfer in connection with such laws.

Section 3.3 Authority. (a) The Board of Directors of the Company has

declared the Merger advisable and fair to and in the best interest of the Company and its stockholders, approved and adopted this Agreement in accordance with the TBCA, approved the Voting Agreements and approved the other agreements to be entered into by it as contemplated hereby (such other agreements, the "Company Ancillary Agreements"), resolved to recommend the approval and adoption

of this Agreement by the Company's stockholders and directed that this Agreement be submitted to the Company's stockholders for approval and adoption. The Company has the requisite corporate power and authority to enter into this Agreement and the Company Ancillary Agreements, to consummate the transactions contemplated by the Company Ancillary Agreements and, subject to approval by the stockholders of the Company of this Agreement, to consummate the transactions contemplated hereby and thereby. The execution and delivery of this Agreement and the Company Ancillary Agreements by the Company and the consummation by the Company of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action on the part of the Company, subject, in the case of this Agreement, to approval of this Agreement by the stockholders of the Company. This Agreement has been duly executed and delivered by the Company. The Company Ancillary Agreements executed as of the date hereof have each been duly executed and delivered by the Company, and no other corporate action on the part of the Company is necessary in connection therewith. Assuming the valid authorization, execution and delivery by the other parties thereto and the validity and binding effect hereof and thereof on the other parties thereto, this Agreement constitutes the valid and binding obligation of the Company enforceable against it in accordance with its terms, and each of the Company Ancillary Agreements upon execution and delivery thereof by the Company will constitute the valid and binding obligation of the Company enforceable against it in accordance with its terms, except to the extent as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by the effect of general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

(b) Upon the execution and delivery by the Stockholder Representative (as hereinafter defined) of the Indemnity Agreement, the Indemnity Agreement will constitute the valid and binding obligation of the Company Stockholders and Stockholder Representative,

Edgar Filing: CONCORD EFS INC - Form S-4/A

enforceable against the Company Stockholders and Stockholder Representative, in accordance with its terms. The Stockholder Representative has the requisite power and authority to enter into the Indemnity Agreement and to fulfill the terms thereof contemplated thereby.

Section 3.4 Consents and Approvals; No Violation. Assuming that all

consents, approvals, authorizations and other actions described in this Section

3.4 have been obtained and all filings and obligations described in this Section

3.4 have been made, except as set forth in Section 3.4 of the Company Letter,

the execution and delivery of this Agreement and the Company Ancillary
Agreements by the Company do not, and the consummation of the transactions
contemplated hereby and thereby and compliance with the provisions hereof and
thereof will not, result in any violation of, or default (with or without notice
or lapse of time, or both) under, or give to others a right of termination,
cancellation or acceleration of any obligation or the loss of a material benefit
under, or result in the creation of any lien, security interest, charge or
encumbrance upon any of the properties or assets of the Company or any of its
Subsidiaries under, any provision of (i) the Company Charter or the Company
Bylaws, (ii) the comparable charter or organizational documents of any of the
Company's Subsidiaries, (iii) any material loan or credit agreement, note, bond,
mortgage, indenture, guaranty, lease or other agreement, instrument, permit,
concession, franchise or license applicable to the Company or any of its
Subsidiaries or any of their respective properties or assets, or (iv) any
judgment, order, decree, injunction, statute, law, ordinance, rule or regulation
applicable to the Company or any of its Subsidiaries or any of their respective
properties or assets, other than, in the case of clause (iv), any such
violations, defaults, rights, liens, security interests, changes or encumbrances
that, individually or in the aggregate, would not have a Material Adverse Effect
on the Company, materially impair the ability of the Company to perform its
obligations hereunder or under the Company Ancillary Agreements or prevent the
consummation of any of the transactions contemplated hereby or thereby. No
filing or registration with, or authorization, consent or approval of, any
Governmental Entity is required by or with respect to the Company or any of its
Subsidiaries in connection with the execution and delivery of this Agreement or
the Company Ancillary Agreements by the Company or is necessary for the
consummation of the Merger and the other transactions contemplated by this
Agreement or the Company Ancillary Agreements, except for (i) in connection, or
in compliance with, the provisions of the Bank Act and the HSR Act, (ii) the
filing of the Articles of Merger with the Secretary of State of the State of
Texas and appropriate documents with the relevant authorities of other states in
which the Company or any of its Subsidiaries is qualified to do business, (iii)
State Takeover Approvals, (iv) such filings as may be required in connection
with the taxes described in Section 5.8, (v) applicable requirements, if any, of

Blue Sky Laws and (vi) applicable requirements, if any, under foreign laws.

subsidiaries as of December 31, 2001 (the "Balance Sheet Date") and the related

statements of income, stockholders' equity and cash flows for the year then
ended, together with the appropriate notes to such financial statements,
accompanied by the report thereon of Johnson & Sheldon, P.C., independent public
accountants (the "Audited Financial Statements"). Except as disclosed in the

Without limiting the generality of the foregoing, since the Balance Sheet Date, except as set forth in Section 3.6(c) of the Company Letter, neither the Company nor any of its Subsidiaries has:

(iii) paid any material obligation or liability (absolute or contingent) other than current liabilities reflected on the Balance Sheet and current liabilities incurred since the Balance Sheet Date in the ordinary course of business consistent with past practice or liabilities and obligations not exceeding \$50,000 in the aggregate;

(iv) except in the ordinary course of business consistent with past practice, made or permitted any material amendment or termination of any Company Agreement (as hereinafter defined);

(v) undertaken or committed to undertake capital expenditures exceeding \$50,000 for any single project or related series of projects or \$150,000 in the aggregate;

(vi) made charitable donations in excess of \$10,000 in the aggregate;

(vii) sold, leased (as lessor), transferred or otherwise disposed of (including any transfers from the Company or any of its Subsidiaries to any of the stockholders of the Company or any of their respective Affiliates (as hereinafter defined)), or mortgaged or pledged, or imposed or suffered to be imposed any lien, claim, charge, security interest, mortgage, pledge, easement, conditional sale or other title retention agreement, defect in title, covenant or other restriction of any kind (an "Encumbrance"), on,

any of the assets reflected on the Balance Sheet or any assets acquired by the Company or any of its Subsidiaries after the Balance Sheet Date, except for inventory and minor amounts of personal property sold or otherwise disposed of for fair value in the ordinary course of its business consistent with past practice and except for (A) liens for taxes and other governmental charges and assessments which are not yet due and payable, (B) liens of landlords and liens of carriers, warehousemen, mechanics and materialmen and other like liens arising in the ordinary course of business for sums not yet due and payable and (C) other liens or imperfections on property which are not material in amount, do not interfere with, and are not violated by the consummation of the transactions contemplated by, this Agreement, and do not materially detract from the value or marketability of, or materially impair the existing use of, the property affected by such lien or imperfection (each, a "Permitted Encumbrance");

(viii) canceled any debts owed to or claims held by the Company or any of its Subsidiaries (including the settlement of any claims or litigation) other than in the ordinary course of its business consistent with past practice or claims not exceeding \$50,000 in the aggregate;

(x) accelerated or delayed collection of notes or accounts receivable in advance of or beyond their regular due dates or the dates when the same would have been collected in the ordinary course of its business consistent with past practice;

(xi) delayed or accelerated payment of any account payable or other liability beyond or in advance of its due date or the date when such liability would have been paid in the ordinary course of its business consistent with past practice;

(xii) instituted any increase in any compensation payable to any employee, director or consultant of the Company or any of its Subsidiaries or in any profit-sharing, bonus, incentive, deferred compensation, insurance, pension, retirement, medical, hospital, disability, welfare or other benefits made available to employees of the Company or any of its Subsidiaries except, in case of employees other than directors or officers, salary increases in connection with annual or periodic compensation reviews in the ordinary course of business consistent with the Company's past practice;

(xiii) made any tax election or settled or compromised any material federal,

Edgar Filing: CONCORD EFS INC - Form S-4/A

state, local or foreign income tax liability;

(xiv) prepared or filed any Tax Return (as hereinafter defined) inconsistent with past practice or, on any such Tax Return, taken any position, made any election or adopted any method that is materially inconsistent with positions taken, elections made or methods used in preparing or filing similar Tax Returns in prior periods;

(xv) made any change in the accounting principles and practices used by the Company from those applied in the preparation of the Audited Financial Statements; or

(xvi) entered into or become committed to enter into any other material transaction except in the ordinary course of business consistent with past practice.

(d) Except as set forth in Section 3.6(d) of the Company Letter, neither the Company nor any of its Subsidiaries is subject to any liability (including, without limitation, unasserted claims, whether known or unknown), whether absolute, contingent, accrued or otherwise, which is not shown or which is in excess of amounts shown or reserved for in the Balance Sheet, other than liabilities of the same nature as those set forth in the Balance Sheet and the notes thereto and reasonably incurred in the ordinary course of its business consistent with past practice after the Balance Sheet Date.

Section 3.7 Governmental Permits. Each of the Company and its

Subsidiaries owns, holds or possesses all licenses, franchises, permits, privileges, immunities, approvals and other authorizations from Governmental Entities which are necessary to entitle it to own or lease, operate and use its assets and to carry on and conduct its business substantially as currently conducted (herein collectively called "Company Permits"), except where the

failure to own, hold or possess any of the Company Permits would not, individually or in the aggregate, have a Material Adverse Effect on the Company. Complete and correct copies of all of the Company Permits have been delivered by the Company to Parent.

Each of the Company and its Subsidiaries has fulfilled and performed its obligations under each of the material Company Permits, and each of the Company Permits is valid, subsisting and in full force and effect and will continue in full force and effect after the Effective Time, in each case without (x) the occurrence of any breach, default or forfeiture of rights thereunder or (y) the consent, approval or act of, or the making of any filing with, any Governmental Entity.

Section 3.8 Registration Statement and Proxy Statement. None of the

information to be supplied by the Company for inclusion in the Registration Statement or the Proxy Statement will (i) in the case of the Registration Statement, at the time it becomes effective, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading or (ii) in the case of the Proxy Statement, at the time of the mailing of the Proxy Statement or at the time of the Stockholder Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. If, at any time prior to the Stockholder Meeting, any event with respect to the Company, its officers and

directors or any of its Subsidiaries shall occur which is required at that time to be described in the Proxy Statement or the Registration Statement, the Company shall deliver to Parent a description of such event in order to permit Parent promptly to file an appropriate amendment or supplement with the SEC and, as required by law, disseminate an appropriate amendment or supplement to the stockholders of the Company. The Proxy Statement will comply (with respect to the Company) as to form in all material respects with the provisions of the TBCA.

Section 3.9 Tax Matters.

(a) Promptly after the Effective Time, the Indemnity Shares shall be registered in the name of, and be deposited with, First Tennessee Bank National Association (or another institution selected by Parent with the reasonable consent of the Company) as Indemnity Fund and collateral agent (the "Indemnity Agent"). Such deposit shall constitute the initial Indemnity Fund and shall be governed by the terms set forth herein and in the Indemnity Agreement. All dividends and distributions in respect of the Indemnity Shares, whether in cash, additional Parent Common Stock or other property, received by the Indemnity Agent shall be distributed currently to the Company Stockholders in accordance with the Indemnity Agreement; provided, that stock dividends made to effect stock splits or similar events shall be retained by the Indemnity Agent as part of the Indemnity Fund. The Indemnity Fund shall be available to indemnify, hold harmless and reimburse any Parent Group Member from any Loss or Expense indemnifiable under this Article VIII and as provided in the Indemnity Agreement.

(b) Except as provided in Section 7.2, nothing in this Agreement shall limit the liability of the Company for any breach of any representation, warranty or covenant contained in this Agreement if it shall be terminated. Resort to the Indemnity Fund, pursuant to the indemnification provisions of this Article VIII, shall be the sole and exclusive remedy of the Parent Group Members for any such breaches and misrepresentations following the Effective Time other than for fraud.

(c) As used in this Agreement, (i) "Expense" means any and all expenses incurred in connection with investigating, defending or asserting any claim, action, suit or proceeding incident to any matter indemnified against hereunder (including, without limitation, court filing fees, court costs, arbitration fees or costs, witness fees and reasonable fees and disbursements of legal counsel, investigators, expert witnesses, consultants, accountants and other professionals), (ii) "Loss" means any and all losses, costs, obligations, liabilities, settlement payments, awards, judgments, fines, penalties, damages, expenses, deficiencies, Taxes or other charges, and (iii) "Parent Group Members" means Parent and its Affiliates and their respective successors and assigns, including, after the Effective Time, the Surviving Corporation.

(a) Subject to Section 8.1, from and after the Effective Time, each Parent Group Member shall be indemnified, held harmless and reimbursed from the

Edgar Filing: CONCORD EFS INC - Form S-4/A

Indemnity Fund from and against any and all Loss and Expense incurred by such Parent Group Member in connection with or arising from:

(i) any breach or failure to perform by the Company of any of its agreements, covenants or obligations in this Agreement; or

Company pursuant to this Agreement;

provided, however, that the Indemnity Fund shall be used to indemnify and hold harmless hereunder with respect to the matters set forth in clause (ii) of this Section 8.2(a) (other than Sections 3.1, 3.2, 3.3, 3.9, 3.20, 3.28, 3.29, the

Any payment pursuant to this Section 8.2 shall be made in the form of a transfer from the Indemnity Fund to

The Company further acknowledges that the information set forth in the certificate delivered pursuant to Section 6.3(g) will be used as the basis for determining the

Exchange Ratio. In the event of any inaccuracy in the certificate delivered pursuant to Section 6.3(g), Parent will be entitled (but not obligated) to

recalculate the Exchange Ratio and receive a sufficient number of shares of Parent Common Stock from the Indemnity Fund in order that the total number of shares of Parent Common Stock issued and outstanding by virtue of this Agreement would be as would have resulted if such certificate had been true and correct in all respects at the Effective Time.

(c) The indemnification provided for in this Article VIII shall

terminate one year after the Effective Time (and no claims shall be made by any Parent Group Member under this Section 8.2 thereafter), except that such

indemnification shall continue as to any Loss or Expense in connection with which a Claim Notice is given in accordance with the requirements of Section 8.4

on or prior to the date such indemnification obligation would otherwise terminate in accordance with this Section 8.2, as to which the indemnification

obligation hereunder shall continue until the liability to be satisfied from the Indemnity Fund shall have been determined pursuant to this Article VIII, and all

Edgar Filing: CONCORD EFS INC - Form S-4/A

Parent Group Members shall have been reimbursed out of the Indemnity Fund for such Loss or Expense in accordance with the terms hereof.

Section 8.3 Termination of Indemnity Fund. Upon termination of the -----
indemnification obligations under this Article VIII and reimbursement of the -----
Parent Group Members of Losses and Expenses payable in respect thereof hereunder, the Indemnity Fund shall terminate and shall be distributed in accordance with the Indemnity Agreement after payment of any amounts therefrom due to the Indemnity Agent.

Section 8.4 Notice and Determination of Claims.

(a) If any Parent Group Member wishes to make a claim for indemnification to be satisfied from the Indemnity Fund, such Parent Group Member (individually or collectively, the "Claiming Party") shall so notify the -----

The Claim Notice shall be accompanied by a certificate of the Claiming Party attesting to the Claiming Party's contemporaneous delivery of a duplicate copy of the Claim Notice to the Stockholder Representative (as hereinafter defined). Such Claim Notice shall describe in reasonable detail (to the extent then known) the Loss or Expense and the method of computation of such Loss or Expense and contain a reference to the provisions of this Agreement in respect of which such Loss or Expense shall have occurred. If the Claiming Party is not Parent, the Claim Notice must be accompanied by a certificate from Parent confirming that the Claiming Party is a Parent Group Member. At the time of delivery of any Claim Notice to the Indemnity Agent, a duplicate copy of such Claim Notice shall be delivered by the Claiming Party to the Stockholder Representative.

(b) Unless the Stockholder Representative shall have delivered an Objection in accordance with Section 8.4(c), the Indemnity Agent shall, on the -----
thirtieth day (or such earlier day as the Stockholder Representative shall authorize in writing to the Indemnity Agent) after receipt of a Claim Notice with respect to indemnification for a specified amount, deliver to Parent, for its account or for the account of each Parent Group Member named in the Claim Notice, such portion of the Indemnity Fund, valued in accordance with the Indemnity Agreement, with a value equal to the specified amount.

(c) Until the thirtieth day following delivery of a Claim Notice, the Stockholder Representative may deliver to the Indemnity Agent a written objection (an "Objection") to the claim made in such Claim Notice. At the time -----
of delivery of any Objection to the Indemnity Agent, a duplicate copy of such Objection shall be delivered to the Claiming Party.

(d) Upon receipt of an Objection properly made, the Indemnity Agent shall (i) deliver to Parent, for its account or for the account of each Parent Group Member named in the Claim Notice, such portion of the Indemnity Fund, valued in accordance with the Indemnity Agreement, with a value equal to that

Edgar Filing: CONCORD EFS INC - Form S-4/A

portion of the amount subject to the Claim Notice, if any, which is not disputed by the Stockholder Representative and (ii) designate and segregate out of the Indemnity Fund a portion thereof, valued in accordance with the Indemnity Agreement, with a value equal to the amount subject to the Claim Notice which is disputed by the Stockholder Representative. Thereafter, the Indemnity Agent shall not dispose of such segregated portion of the Indemnity Fund until the Indemnity Agent shall have received a certified copy of the final decision of the arbitrators as contemplated by Section 8.5, or the Indemnity Agent shall

have received a copy of the written agreement between the Claiming Party and the Stockholder Representative resolving such dispute and setting forth the amount, if any, which such Claiming Party is entitled to receive. The Indemnity Agent will deliver to Parent, for its account or for the account of each Parent Group Member entitled to payment, such portion of the Indemnity Fund, valued in accordance with the Indemnity Agreement, with a value equal to the amount that the Claiming Party is entitled to receive as set forth in the arbitration decision after the expiration of ten (10) business days from the receipt of such decision or, in the event that the amount to which the Claiming Party is entitled is established pursuant to an agreement between the Claiming Party and the Stockholder Representative, promptly after the Indemnity Agent's receipt of such agreement.

A-52

Section 8.5 Resolution of Conflicts; Arbitration.

(a) The Claiming Party shall deliver a written response to the Stockholder Representative in respect of any Objection properly delivered by the Stockholder Representative. If after twenty (20) days following delivery of such response there remains a dispute as to any claims, the Stockholder Representative and the Claiming Party shall attempt in good faith for sixty (60) days to agree upon the rights of the respective parties with respect to each of such claims. If the Stockholder Representative and the Claiming Party should so agree, a memorandum setting forth such agreement shall be prepared and signed by both and shall be furnished to the Indemnity Agent. The Indemnity Agent shall be entitled to rely on any such memorandum and shall distribute the Parent Common Stock or other property from the Indemnity Fund in accordance with the terms thereof.

(b) If no such agreement can be reached after good faith negotiation, either the Claiming Party or the Stockholder Representative may, by written notice to the other, demand arbitration of the matter unless the amount of the Loss or Expense is at issue in pending litigation with a third party, in which event arbitration shall not be commenced until such amount is ascertained or both parties agree to arbitration; and in either such event the matter shall be settled by arbitration conducted by three arbitrators. Within fifteen (15) days after such written notice is sent, Parent and the Stockholder Representative shall each select one arbitrator, and the two arbitrators so selected shall select a third arbitrator. The decision of the arbitrators as to the validity and amount of any claim in the related Claim Notice shall be binding, and conclusive, and notwithstanding anything in this Section 8.5, the Indemnity

Agent shall be entitled to act in accordance with such decision and make or withhold payments out of the Indemnity Fund in accordance therewith.

(c) Judgment upon any award rendered by the arbitrators may be entered in any court having jurisdiction. Any such arbitration shall be held in Chicago, Illinois under the commercial rules then in effect of the American Arbitration Association. The non-prevailing party to an arbitration shall pay its own

Edgar Filing: CONCORD EFS INC - Form S-4/A

(a) The "Stockholder Representative" shall be C. Campbell Burgess, who

may be replaced by the Company prior to the Effective Time. The Stockholder Representative shall be constituted and appointed as agent and attorney-in-fact for and on behalf of each of the Company Stockholders receiving consideration pursuant to Article I. The Stockholder Representative shall have full power and

authority to represent all of the Company Stockholders and their successors with respect to all matters arising under this Agreement and the Indemnity Agreement and all actions taken by the Stockholder Representative hereunder and thereunder shall be binding upon all such Company Stockholders and their successors as if expressly confirmed and ratified in writing by each of them. The Stockholder Representative shall take any and all actions which he believes are necessary or appropriate under this Agreement and the Indemnity Agreement for and on behalf of the Company Stockholders, as fully as if the

A-53

Company Stockholders were acting on their own behalf, including, without limitation, defending all indemnity claims pursuant to Section 8.2, consenting

to, compromising or settling all such indemnity claims, conducting negotiations with Parent and the Indemnity Agent under this Agreement and the Indemnity Agreement, taking any and all other actions specified in or contemplated by this Agreement and the Indemnity Agreement, and engaging counsel, or accountants in connection with the foregoing matters. Without limiting the generality of the foregoing, the Stockholder Representative shall have full power and authority to interpret all the terms and provisions of this Agreement and the Indemnity Agreement and to consent to any amendment hereof or thereof on behalf of all such Company Stockholders and such successors. The Person designated to serve as the Stockholder Representative may be changed by the holders of a majority in interest of the Indemnity Fund from time to time upon not less than 10 days' prior written notice to Parent. No bond shall be required of the Stockholder Representative, and the Stockholder Representative shall receive no compensation for services. Any expenses incurred by the Stockholder Representative in connection with his services hereunder shall be reimbursed from the Indemnity Fund upon presentation of appropriate expense documentation as and to the extent expressly provided in the Indemnity Agreement.

(b) The Stockholder Representative shall not be liable to the Company Stockholders for any act done or omitted hereunder or under the Indemnity Agreement as Stockholder Representative while acting in good faith and in the exercise of reasonable judgment, and any act done or omitted pursuant to the written advice of counsel shall be conclusive evidence of such good faith. The Company Stockholders shall severally indemnify the Stockholders Representative and hold him harmless from and against any loss, liability or expense incurred without gross negligence or bad faith on the part of the Stockholders Representative and arising out of or in connection with the acceptance and administration of his duties hereunder.

(c) The Stockholder Representative shall treat confidentially and not disclose any nonpublic information from or about the Company to anyone (except

Edgar Filing: CONCORD EFS INC - Form S-4/A

on a need to know basis to individuals who agree to treat such information confidentially).

Section 8.7 Actions of the Stockholder Representative. A decision,

act, consent or instruction of the Stockholder Representative shall constitute a decision of all Company Stockholders for whom shares of Parent Common Stock otherwise issuable to them are deposited in the Indemnity Fund and shall be final, binding and conclusive upon each such Company Stockholder, and the Indemnity Agent and Parent may rely upon any decision, act, consent or instruction of the Stockholder Representative as being the decision, act, consent or instruction of each and every such Company Stockholder. The Indemnity Agent and each Parent Group Member are hereby relieved from any liability to any Person for any acts done by them in accordance with such decision, act, consent or instruction of the Stockholder Representative. For purposes of this Agreement and the Indemnity Agreement any action by the then Stockholder Representative shall be deemed to be the action of and binding upon all Stockholder Representatives.

Section 8.8 Third-Party Claims. In the event Parent determines to make

a demand against the Indemnity Fund with respect to a third party claim, Parent shall notify the

A-54

Stockholder Representative of such claim, and the Stockholder Representative shall be entitled, at his expense, to participate in any defense of such claim. Parent shall have the right in its sole discretion to settle any such claim; provided, however, that Parent may not effect the settlement of any such claims without the consent of the Stockholder Representative, which consent shall not be unreasonably withheld. In the event that the Stockholder Representative has consented to any such settlement, the Stockholder Representative shall have no power or authority to object under Section 8.4 or any other provision of this

Article VIII to the amount paid in such settlement.

ANNEX B

VOTING AGREEMENT

VOTING AGREEMENT, dated as of March 4, 2002 (this "Agreement"), by the

undersigned stockholder (the "Stockholder") of Core Data Resources, Inc., a

Texas corporation (the "Company"), for the benefit of Concord EFS, Inc., a

Delaware corporation ("Parent").

RECITALS

WHEREAS, Parent, Big Sky Merger Corp., a Texas corporation and a
direct wholly owned subsidiary of Parent ("Sub"), and the Company are entering

into an Agreement and Plan of Merger, dated as of March 4, 2002 (the "Merger

Agreement"), whereby, upon the terms and subject to the conditions set forth in

the Merger Agreement, each issued and outstanding share of Common Stock, par
value \$0.01 per share, of the Company ("Company Common Stock") not owned

directly or indirectly by Parent or the Company, will be converted into shares
of common stock, par value \$0.33 1/3 per share, of Parent ("Parent Common

Stock");

WHEREAS, the Stockholder owns of record and/or holds stock options
and/or warrants to acquire (whether or not vested) that number of shares of
Company Common Stock appearing on the signature page hereof (such shares of
Company Common Stock, together with any other shares of capital stock of the

Edgar Filing: CONCORD EFS INC - Form S-4/A

Company acquired by such Stockholder after the date hereof and during the term of this Agreement, being collectively referred to herein as the "Subject

Shares"); and

WHEREAS, as a condition to its willingness to enter into the Merger Agreement, Parent has required that the Stockholder agree, and in order to induce Parent to enter into the Merger Agreement the Stockholder has agreed, to enter into this Agreement.

NOW, THEREFORE, in consideration of the promises and the mutual covenants and agreements set forth herein, the Stockholder agrees as follows:

1. Covenants of Stockholder. Until the termination of the

Stockholder's obligations in accordance with Section 4, Stockholder agrees as follows:

(a) At the Stockholder Meeting (or at any adjournment thereof) or in any other circumstances upon which a vote, consent or other approval with respect to the Merger or the Merger Agreement is sought, the Stockholder shall vote (or cause to be voted) the Subject Shares in favor of the Merger, the adoption of the Merger Agreement and the approval of the terms thereof and each of the other transactions contemplated by the Merger Agreement.

(b) At any meeting of stockholders of the Company (or at any adjournment thereof) or in any other circumstances upon which the Stockholder's vote, consent or other approval is sought, the Stockholder shall vote (or cause to be voted) the Subject Shares against (i) any merger agreement or merger (other than the Merger Agreement and the Merger), consolidation, combination, sale of

B-1

substantial assets, reorganization, recapitalization, dissolution, liquidation or winding up of or by the Company or any subsidiary thereof or any other Takeover Proposal or (ii) any amendment of the Company's Certificate of Incorporation or Bylaws or other proposal or transaction involving the Company or any of its subsidiaries, which amendment or other proposal or transaction would in any manner impede, frustrate, prevent or nullify the Merger, the Merger Agreement or any of the other transactions contemplated by the Merger Agreement or change in any manner the voting rights of any class of capital stock of the Company. The Stockholder further agrees not to commit or agree to take any action inconsistent with the foregoing.

(c) The Stockholder shall not, nor shall the Stockholder permit any affiliate, director, officer, employee or other representative of the Stockholder to, (i) directly or indirectly solicit, initiate or knowingly encourage the submission of, any Takeover Proposal or (ii) directly or indirectly participate in any discussions or negotiations regarding, or furnish to any person any information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes or may reasonably be expected to lead to, any Takeover Proposal.

(d) The Stockholder shall cooperate with Parent to support and to consummate and make effective, in the most expeditious manner practicable,

Edgar Filing: CONCORD EFS INC - Form S-4/A

the Merger and the other transactions contemplated by the Merger Agreement.

(e) The Stockholder hereby agrees not to (i) sell, transfer, pledge, assign or otherwise dispose of (including by gift) (collectively, "Transfer"), or enter into any contract, option or other arrangement

(including any profit-sharing arrangement) with respect to the Transfer of such Stockholder's Subject Shares to any person or (ii) enter into any voting arrangement, whether by proxy, voting agreement or otherwise, in relation to such Stockholder's Subject Shares, and agrees not to commit or agree to take any of the foregoing actions.

(f) The Stockholder hereby irrevocably grants to, and appoints any individual or individuals who shall hereafter be designated by Parent, and each of them, the Stockholder's proxy and attorney-in-fact (with full power of substitution), for and in the name, place and stead of the Stockholder, to vote, or cause to be voted, the Stockholder's Subject Shares, or grant a consent or approval in respect of such Subject Shares, at every annual, special or other meeting of the stockholders of the Company, and at any adjournment or adjournments thereof, or pursuant to any consent in lieu of a meeting or otherwise, in the manner specified in Section 1(a) and 1(b) hereof; provided, that the foregoing grant of a proxy shall terminate

immediately upon the termination of this Agreement in accordance with its terms, including with respect to matters as to which a record date has theretofore passed. This grant of proxy is coupled with an interest. This appointment of proxy shall survive the bankruptcy, merger, dissolution, liquidation, death or incapacity of the Stockholder.

B-2

2. Representations and Warranties. The Stockholder represents and

warrants to Parent as follows:

(a) The Stockholder is the record and beneficial owner of, and has good title to, the Subject Shares. The Stockholder does not own, of record or beneficially, any shares of capital stock of the Company other than the Subject Shares. The Stockholder has the sole right to vote, and the sole power of disposition with respect to, the Subject Shares, and none of the Subject Shares is subject to any voting trust, proxy or other agreement, arrangement or restriction with respect to the voting or disposition of such Subject Shares, except as contemplated by this Agreement.

(b) This Agreement has been duly executed and delivered by the Stockholder. Assuming the due authorization, execution and delivery of this Agreement by Parent, this Agreement constitutes the valid and binding agreement of the Stockholder enforceable against the Stockholder in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws of general application which may affect the enforcement of creditors' rights generally and by general equitable principles. The execution and delivery of this Agreement by the Stockholder does not and will not conflict with any agreement, order or other instrument binding upon the Stockholder, nor require the Stockholder to make or obtain any regulatory filing or approval.

3. Affiliate Letter. The Stockholder agrees to execute and deliver on

a timely basis an Affiliate Letter in the form of Exhibit C to the Merger

Edgar Filing: CONCORD EFS INC - Form S-4/A

Agreement, when and if requested by Parent.

4. Termination. The obligations of the Stockholder hereunder shall

terminate upon the earlier of the termination of the Merger Agreement pursuant
to Section 7.1 thereof or the Effective Time; provided that in the event the

Merger Agreement is terminated pursuant to Section 7.1(e) or 7.1(f) thereof or
by Parent pursuant to Section 7.1(b) or 7.1(c) thereof, and, if with respect to
termination under Section 7.1(c), the breach by the Company was willful, the
obligations of the Stockholder hereunder shall terminate on the first
anniversary of the termination of the Merger Agreement. No such termination
shall relieve the Stockholder from any liability in connection with this
Agreement incurred prior to such termination.

5. Further Assurances. The Stockholder will, from time to time,

execute and deliver, or cause to be executed and delivered, such additional or
further consents, documents and other instruments as Parent may reasonably
request for the purpose of effectively carrying out the transactions
contemplated by this Agreement.

6. Successors, Assigns and Transferees Bound. Any successor, assignee

or transferee (including a successor, assignee or transferee as a result of the
death of the Stockholder, such as an executor or heir) shall be bound by the
terms hereof, and the Stockholder shall take any and all actions necessary to
obtain the written confirmation from such successor, assignee or transferee that
it is bound by the terms hereof.

7. Remedies. The Stockholder acknowledges that money damages would be

both incalculable and an insufficient remedy for any breach of this Agreement by
it and that any

B-3

such breach would cause Parent irreparable harm. Accordingly, the Stockholder
agrees that in the event of any breach or threatened breach of this Agreement,
Parent, in addition to any other remedies at law or in equity it may have, shall
be entitled, without the requirement of posting a bond or other security, to
equitable relief, including injunctive relief and specific performance.

8. Severability. The invalidity or unenforceability of any provision

of this Agreement in any jurisdiction shall not affect the validity or
enforceability of any other provision of this Agreement in such jurisdiction, or
the validity or enforceability of any provision of this Agreement in any other
jurisdiction.

9. Amendment. This Agreement may be amended only by means of a written

instrument executed and delivered by both the Stockholder and Parent.

10. Governing Law. This Agreement shall be governed by, and construed

in accordance with, the laws of the State of Texas, regardless of the laws that
might otherwise govern under applicable principles of conflicts of laws thereof.

11. Capitalized Terms. Capitalized terms used in this Agreement that

Edgar Filing: CONCORD EFS INC - Form S-4/A

are not defined herein shall have such meanings as set forth in the Merger Agreement.

12. Counterparts. For the convenience of the parties, this Agreement

may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

13. No Limitation on Actions of the Stockholder as Director. In the

event the Stockholder is a director of the Company, notwithstanding anything to the contrary in this Agreement, nothing in this Agreement is intended or shall be construed to require the Stockholder to take or in any way limit any action that the Stockholder may take to discharge the Stockholder's fiduciary duties as a director of the Company.

In lieu of any such fractional share, each Company Stockholder who would otherwise have been entitled to a fraction of a share of Parent Common Stock or other security upon disbursement of the Distribution Amount will be paid an amount in cash (without interest), rounded to the nearest cent, determined by multiplying (i) the Current Market Value of such Parent Common Stock or such other securities (in the case of such other securities, as of the Distribution Date) by (ii) the fractional interest to which such holder would otherwise be entitled.

- b. Any amounts retained in escrow after the Distribution Date shall be held by the Indemnity Agent and shall first be used to indemnify the Parent Group Members, subject to the terms and conditions of this Indemnity Agreement, and upon resolution and payment out of the Indemnity Fund of all pending Claims, any remaining amounts in escrow shall be transferred to the Stockholder Representative with respect to out of pocket expenses incurred by him in connection with their activities hereunder (to the extent the Indemnity Agent shall then have received written notice from the Stockholder Representative to such effect in accordance with Section 9(b)), and any remaining shares shall be

C-5

distributed to the Exchange Agent (or, if the agreement appointing the Exchange Agent shall then have terminated, to Parent), who shall disburse such portion in the manner set forth in Section 6(a).

- c. Upon distribution of the entire amount of the Indemnity Fund, the Indemnity Agent shall give the Exchange Agent or Parent, as the case may be, notice to such effect. Such notice shall be given to the following address, or to such other address as Parent may designate:

Concord EFS, Inc.
1100 Carr Road
Wilmington, DE 19809
Attention: General Counsel
Facsimile No.: (302) 791-8762

Upon such distribution, this Indemnity Agreement shall be terminated.

- d. At any time prior to final termination of this Indemnity Agreement, the Indemnity Agent shall, if so instructed in a writing signed by Parent and the Stockholder Representative, release from the Indemnity Fund to Parent or the Exchange Agent, as directed, the portion of the Indemnity Fund specified in such writing.

Section 7. Permitted Investments; Interest.

The Indemnity Agent is hereby authorized and directed to hold the Indemnity Fund in a segregated escrow account and to disburse such Indemnity Fund only in accordance with the terms of this Indemnity Agreement. From the date hereof until the date of disbursement of the Indemnity Fund pursuant to Section 6 of

Edgar Filing: CONCORD EFS INC - Form S-4/A

this Indemnity Agreement, the Indemnity Agent is authorized and directed to invest and reinvest the cash portion, if any, of the Indemnity Fund in any of the following investments (each a "Permitted Investment") in each case pursuant

to joint instructions of the Parent and the Stockholder Representative: (i) readily marketable obligations maturing within six (6) months after the date of acquisition thereof issued by the United States of America or any agency or instrumentality thereof; (ii) readily marketable obligations maturing within six (6) months after the date of acquisition thereof issued by any state or municipality within the United States of America, or any political subdivision, agency or instrumentality thereof, rated "A" or better by either Standard & Poor's Corporation or Moody's Investors Service Inc.; (iii) readily marketable commercial paper maturing within one hundred eighty (180) days after the date of issuance thereof which has the highest credit rating of either Standard & Poor's Corporation or Moody's Investors Service, Inc.; or (iv) 6 month certificates of deposit issued by any bank incorporated and doing business pursuant to the laws of the United States of America or any state thereof having combined capital and surplus of at least \$500,000,000. In the event the Indemnity Agent does not receive joint instructions from Parent and the Stockholder Representative to invest or reinvest the cash portion of the Indemnity Fund, the Indemnity Agent agrees to invest and reinvest such funds in the First Funds U.S. Government Money Market Fund or the First Funds Treasury Money Market Fund, or a successor or similar fund agreed to by Parent and the Stockholder Representative in writing, which invests in direct obligations of, or obligations fully guaranteed as to principal and interest by the United States

C-6

Government and repurchase agreements with respect to such securities. Permitted Investments and interest accruing on, and any profit resulting from, such investments shall be added to, and become a part of, the Indemnity Fund pursuant to this Indemnity Agreement and shall be allocated among the Subaccounts of the Company Stockholders based on the Permitted Investments credited to the Subaccount of each. For purposes of this Indemnity Agreement, "interest" on the Indemnity Fund shall include all proceeds thereof and investment earnings with respect thereto. All Permitted Investments shall be registered in the name of the Indemnity Agent. The Indemnity Agent shall have full power and authority to sell any and all Permitted Investments held by it under this Indemnity Agreement as necessary to make disbursements under this Indemnity Agreement, and may use its Bond Department to effect such sales. The Indemnity Agent, Parent, the Surviving Corporation and the Stockholder Representative shall not be responsible for any unrealized profit or realized loss realized on such investments.

Section 8. Liability and Compensation of Indemnity Agent.

- a. The duties and obligations of the Indemnity Agent hereunder shall be determined solely by the express provisions of this Indemnity Agreement, and no implied duties or obligations shall be read into this Indemnity Agreement against the Indemnity Agent. The Indemnity Agent shall, in determining its duties hereunder, be under no obligation to refer to any other documents between or among the parties related in any way to this Indemnity Agreement (except to the extent that this Indemnity Agreement specifically refers to or incorporates by reference provisions of any other document), it being specifically understood that the following provisions are accepted by all of the parties hereto. Parent shall indemnify and hold the Indemnity Agent harmless from and against any and all liability and expense which may arise out of any action taken or omitted by the

Edgar Filing: CONCORD EFS INC - Form S-4/A

Indemnity Agent in accordance with this Indemnity Agreement, except such liability and expense as may result from the gross negligence or willful misconduct of the Indemnity Agent. The reasonable costs and expenses of the Indemnity Agent to enforce its indemnification rights under this Section 8(a) shall also be paid by Parent. Parent shall be entitled to be reimbursed out of the Indemnity Fund for fifty percent (50%) of any amount that Parent is required to pay to the Indemnity Agent pursuant to this Section 8(a), payable in the manner set forth in Section 5 hereof. This right to indemnification shall survive the termination of this Indemnity Agreement and removal or resignation of the Indemnity Agent. With respect to any claims or actions against the Indemnity Agent which are indemnified by Parent under this Section 8, Parent shall have the right to retain sole control over the defense, settlement, investigation and preparation related to such claims or actions; provided that (i) the Indemnity Agent may employ its own counsel to defend such a claim or action if it reasonably concludes, based on the advice of counsel, that there are defenses available to it which are different from or additional to those available to Parent and (ii) neither Parent nor the Indemnity Agent shall settle or compromise any such claim or action without the consent of the other, which consent shall not be unreasonably withheld or delayed.

C-7

- b. The Indemnity Agent shall not be liable to any person by reason of any error of judgment or for any act done or step taken or omitted by it, or for any mistake of fact or law or anything which it may do or refrain from doing in connection herewith unless caused by or arising out of its own gross negligence or willful misconduct.
- c. The Indemnity Agent shall be entitled to rely on, and shall be protected in acting in reliance upon, any instructions or directions furnished to it in writing signed by both Parent and the then Stockholder Representative pursuant to any provision of this Indemnity Agreement and shall be entitled to treat as genuine, and as the document it purports to be, any letter, paper or other document furnished to it by any Parent Group Member or the Stockholder Representative, and believed by the Indemnity Agent to be genuine and to have been signed and presented by the proper party or parties. In performing its obligations hereunder, the Indemnity Agent may consult with counsel to the Indemnity Agent and shall be entitled to rely on, and shall be protected in acting in reliance upon, the advice or opinion of such counsel.
- d. The Indemnity Agent shall be entitled to its customary fee for the performance of services by the Indemnity Agent hereunder for each year or portion thereof that any portion of the Indemnity Fund remains in escrow and shall be reimbursed for reasonable costs and expenses incurred by it in connection with the performance of such services (such fees, costs and expenses are hereinafter referred to as the "Indemnity Agent's Compensation"). The Indemnity Agent shall render ----- statements to Parent setting forth in detail the Indemnity Agent's Compensation and the basis upon which the Indemnity Agent's Compensation was computed. The Indemnity Agent's Compensation shall be paid by Parent. To the extent Indemnity Agent's Compensation is not paid by Parent, the foregoing shall be paid from the Indemnity Fund after written notice from the Indemnity Agent to Parent, and, in such event, Parent shall immediately remit fifty percent (50%) of such amount to the Indemnity Fund. Parent shall be entitled to be

Edgar Filing: CONCORD EFS INC - Form S-4/A

reimbursed out of the Indemnity Fund for fifty percent (50%) of any amount that Parent is required to pay to the Indemnity Agent pursuant to such reimbursement obligation, payable in the manner set forth in Section 5 hereof.

- e. The Indemnity Agent may resign at any time by giving sixty (60) days written notice to Parent and the Stockholder Representative; provided that such resignation shall not be effective unless and until a successor Indemnity Agent has been appointed and accepts such position pursuant to the terms of this Section 8. In such event, Parent and the Stockholder Representative shall appoint a successor Indemnity Agent or, if Parent and the Stockholder Representative are unable to agree upon a successor Indemnity Agent within sixty (60) days after such notice, the Indemnity Agent shall be entitled to (i) appoint its own successor, provided that such successor is a reputable national banking association or (ii) at the equal expense of Parent and the Stockholder Representative, petition any court of competent jurisdiction for the appointment of a successor Escrow Agent. Such appointment, whether by Parent and the Stockholder Representative, on the one

C-8

hand, or the Indemnity Agent, on the other hand, shall be effective on the effective date of the aforesaid resignation (the "Indemnity

Transfer Date"). On the Indemnity Transfer Date, all right title and

interest to the Indemnity Fund, including interest thereon, shall be transferred to the successor Indemnity Agent and this Indemnity Agreement shall be assigned by the Indemnity Agent to such successor Indemnity Agent, and thereafter, the resigning Indemnity Agent shall be released from any further obligations hereunder. The Indemnity Agent shall continue to serve until its successor is appointed, accepts the Indemnity Agreement and receives the transferred Indemnity Fund.

- f. The Indemnity Agent shall not have any right, claim or interest in any portion of the Indemnity Fund except in its capacity as Indemnity Agent hereunder.
- g. It is understood and agreed that in the event any disagreement among Parent and the Stockholder Representative results in adverse claims or demands being made in connection with the Indemnity Fund, or in the event the Indemnity Agent in good faith is in doubt as to what action it should take hereunder, the Indemnity Agent shall retain the Indemnity Fund until the Indemnity Agent shall have received (i) an enforceable final order of a court of competent jurisdiction which is not subject to further appeal directing delivery of the Indemnity Fund or (ii) a written agreement executed by Parent and the Stockholder Representative directing delivery of the Indemnity Fund, in which event Indemnity Agent shall disburse the Indemnity Fund in accordance with such order or agreement. Any court order referred to in clause (i) immediately above shall be accompanied by a legal opinion of counsel for the presenting party satisfactory to the Indemnity Agent to the effect that said court order or judgment is final and enforceable and is not subject to further appeal. The Indemnity Agent shall act on such court order and legal opinion without further question.

Edgar Filing: CONCORD EFS INC - Form S-4/A

- h. In no event shall the Indemnity Agent be liable in connection with this Indemnity Agreement for any special, indirect or consequential loss or damage of any kind whatsoever, even if the Indemnity Agent has been previously advised of such loss or damage.

Section 9. Stockholder Representative.

- a. Pursuant to the Merger Agreement, the Stockholder Representative shall act as agent and attorney-in-fact for and on behalf of each of the Company Stockholders receiving consideration pursuant to Article I of the Merger Agreement. The Stockholder Representative shall have full power and authority to represent all of the Company Stockholders and their successors with respect to all matters arising under this Agreement and the Merger Agreement and all actions taken by the Stockholder Representative hereunder and thereunder shall be binding upon all such Company Stockholders and their successors as if expressly confirmed and ratified in writing by each of them. The Stockholder Representative shall take any and all actions which he believes are necessary or appropriate under this Agreement and the Merger Agreement for and on behalf of the Company

C-9

Stockholders, as fully as if the Company Stockholders were acting on their own behalf, including, without limitation, defending all indemnity claims pursuant to Section 8.2 of the Merger Agreement, consenting to, compromising or settling all such indemnity claims, conducting negotiations with Parent and the Indemnity Agent under this Agreement and the Merger Agreement, taking any and all other actions specified in or contemplated by this Agreement and the Merger Agreement, and engaging counsel or accountants in connection with the foregoing matters. Without limiting the generality of the foregoing, the Stockholder Representative shall have full power and authority to interpret all the terms and provisions of this Agreement and the Merger Agreement and to consent to any amendment hereof or thereof on behalf of all such Company Stockholders and such successors. The person designated to be Stockholders Representative may be changed in accordance with the provisions set forth in the Merger Agreement.

- b. At least five (5) days prior to the Distribution Date, the Stockholder Representative shall deliver notice to the Indemnity Agent and Parent setting forth the amount of the reasonable expenses incurred by the Stockholder Representative in connection with their duties under the Merger Agreement and hereunder (the "Stockholder Representative's ----- Expenses"), which expenses shall be reimbursed from the Indemnity Fund ----- in accordance with the provision of Section 6(b) hereof.
- c. Neither Parent, any Parent Group Member nor the Indemnity Agent shall be responsible or liable for any acts or omissions of any Stockholder Representative in such Stockholder Representative's capacity as such, and each of them may rely on any action or writing of the then Stockholder Representative as being binding on all Stockholder Representatives for all purposes.
- d. A decision, act, consent or instruction of the Stockholder Representative shall constitute a decision of all Company Stockholders for whom shares of Parent Common Stock otherwise issuable to them are

Edgar Filing: CONCORD EFS INC - Form S-4/A

deposited in the Indemnity Fund and shall be final, binding and conclusive upon each such Company Stockholder, and the Indemnity Agent and Parent may rely upon any decision, act, consent or instruction of the Stockholder Representative as being the decision, act, consent or instruction of each and every such Company Stockholder. The Indemnity Agent and each Parent Group Member are hereby relieved from any liability to any person for any acts done by them in accordance with such decision, act, consent or instruction of the Stockholder Representative. For purposes of this Indemnity Agreement any action by the then Stockholder Representative shall be deemed to be the action of and binding upon all Stockholder Representatives.

Section 10. Taxes.

All dividends, distributions, interest and gains earned or realized on the Indemnity Fund ("Earnings") and credited to a Subaccount shall be accounted for

by the Indemnity Agent separately from the Indemnity Fund and, notwithstanding any provisions of this Agreement, shall be treated as having been received by the Company Stockholders to whose Subaccount the Earnings are credited for tax purposes. Annex A hereto sets forth a list of each Company

C-10

Stockholder's address and Taxpayer Identification Number. The Indemnity Agent annually shall file information returns with the United States Internal Revenue Service and payee statements with the Company Stockholders, documenting such Earnings. The Company Stockholders shall provide to the Indemnity Agent all forms and information necessary to complete such information returns and payee statements. In the event the Indemnity Agent becomes liable for the payment of taxes, including withholding taxes, relating to Earnings or any payment made hereunder, the Indemnity Agent may deduct such taxes from the Indemnity Fund.

Section 11. Representations and Warranties.

- a. Each of Parent and the Indemnity Agent represents and warrants to each of the other parties hereto that it is duly organized, validly existing and in good standing under the laws of its jurisdiction of formation; that it has the power and authority to execute and deliver this Indemnity Agreement and to perform its obligations hereunder; that the execution, delivery and performance of this Indemnity Agreement by it has been duly authorized and approved by all necessary action; that this Indemnity Agreement constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms; and that the execution, delivery and performance of this Indemnity Agreement by it will not result in a breach of or loss of rights under or constitute a default under or a violation of any trust (constructive or other), agreement, judgment, decree, order or other instrument to which it is a party or it or its properties or assets may be bound.
- b. The Stockholder Representative represents to each of the other parties hereto that he has the power and authority to execute and deliver this Indemnity Agreement and to perform his obligations hereunder; that this Indemnity Agreement constitutes his legal, valid and binding obligation, enforceable against him in accordance with its terms; and that the execution, delivery and performance of this Indemnity Agreement by him will not result in a breach of or loss of rights

Section 12. Benefit; Successor and Assigns.

This Indemnity Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns but shall not be assignable by any party hereto without the written consent of all of the other parties hereto; provided, however, that Parent may assign its rights and delegate its obligations hereunder to any successor corporation in the event of a merger, consolidation or transfer or sale of all or substantially all of Parent's stock or assets and that the Indemnity Agent may assign its rights hereunder to a successor Indemnity Agent appointed hereunder. Except for the persons specified in the preceding sentence, this Indemnity Agreement is not intended to confer on any person not a party hereto any rights or remedies hereunder.

ANNEX D

TEXAS BUSINESS CORPORATION ACT

Article 5.12. Procedure for Dissent by Shareholders as to Said Corporate Actions

A. Any shareholder of any domestic corporation who has the right to dissent from any of the corporate actions referred to in Article 5.11 of this Act may exercise that right to dissent only by complying with the following procedures:

(1) (a) With respect to proposed corporate action that is submitted to a vote of shareholders at a meeting, the shareholder shall file with the corporation, prior to the meeting, a written objection to the action, setting out that the shareholder's right to dissent will be exercised if the action is effective and giving the shareholder's address, to which notice thereof shall be delivered or mailed in that event. If the action is effected and the shareholder shall not have voted in favor of the action, the corporation, in the case of action other than a merger, or the surviving or new corporation (foreign or domestic) or other entity that is liable to discharge the shareholder's right of dissent, in the case of a merger, shall, within ten (10) days after the action is effected, deliver or mail to the shareholder written notice that the action has been effected, and the shareholder may, within ten (10) days from the delivery or mailing of the notice, make written demand on the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, for payment of the fair value of the shareholder's shares. The fair value of the shares shall be the value thereof as of the day immediately preceding the meeting, excluding any appreciation or depreciation in anticipation of the proposed action. The demand shall state the number and class of the shares owned by the shareholder and the fair value of the shares as estimated by the shareholder. Any shareholder failing to make demand within the ten (10) day period shall be bound by the action.

(b) With respect to proposed corporate action that is approved pursuant to Section A of Article 9.10 of this Act, the corporation, in the case of action other than a merger, and the surviving or new corporation (foreign or domestic) or other entity that is liable to discharge the shareholder's right of dissent, in the case of a merger, shall, within ten (10) days after the date the action is effected, mail to each shareholder of record as of the effective date of the action notice of the fact and date of the action

Edgar Filing: CONCORD EFS INC - Form S-4/A

and that the shareholder may exercise the shareholder's right to dissent from the action. The notice shall be accompanied by a copy of this Article and any articles or documents filed by the corporation with the Secretary of State to effect the action. If the shareholder shall not have consented to the taking of the action, the shareholder may, within twenty (20) days after the mailing of the notice, make written demand on the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, for payment of the fair value of the shareholder's shares. The fair value of the shares shall be the value thereof as of the date the written consent authorizing the action was delivered to the corporation pursuant to Section A of Article 9.10 of this Act, excluding any appreciation or depreciation in anticipation of the action. The demand shall state the number and class of shares owned by the dissenting shareholder and the fair value of the shares as estimated by the shareholder. Any shareholder failing to make demand within the twenty (20) day period shall be bound by the action.

D-1

(2) Within twenty (20) days after receipt by the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, of a demand for payment made by a dissenting shareholder in accordance with Subsection (1) of this Section, the corporation (foreign or domestic) or other entity shall deliver or mail to the shareholder a written notice that shall either set out that the corporation (foreign or domestic) or other entity accepts the amount claimed in the demand and agrees to pay that amount within ninety (90) days after the date on which the action was effected, and, in the case of shares represented by certificates, upon the surrender of the certificates duly endorsed, or shall contain an estimate by the corporation (foreign or domestic) or other entity of the fair value of the shares, together with an offer to pay the amount of that estimate within ninety (90) days after the date on which the action was effected, upon receipt of notice within sixty (60) days after that date from the shareholder that the shareholder agrees to accept that amount and, in the case of shares represented by certificates, upon the surrender of the certificates duly endorsed.

(3) If, within sixty (60) days after the date on which the corporate action was effected, the value of the shares is agreed upon between the shareholder and the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, payment for the shares shall be made within ninety (90) days after the date on which the action was effected and, in the case of shares represented by certificates, upon surrender of the certificates duly endorsed. Upon payment of the agreed value, the shareholder shall cease to have any interest in the shares or in the corporation.

B. If, within the period of sixty (60) days after the date on which the corporate action was effected, the shareholder and the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, do not so agree, then the shareholder or the corporation (foreign or domestic) or other entity may, within sixty (60) days after the expiration of the sixty (60) day period, file a petition in any court of competent jurisdiction in the county in which the principal office of the domestic corporation is located, asking for a finding and determination of the fair value of the shareholder's shares. Upon the filing of any such petition by the shareholder, service of a copy thereof shall be made upon the corporation (foreign or domestic) or other entity, which shall, within ten (10) days after service, file in the office of the clerk of the court in which the petition was filed a list containing the names and addresses of all shareholders of the domestic corporation who have demanded payment for their shares and with whom agreements as to the value of their

Edgar Filing: CONCORD EFS INC - Form S-4/A

shares have not been reached by the corporation (foreign or domestic) or other entity. If the petition shall be filed by the corporation (foreign or domestic) or other entity, the petition shall be accompanied by such a list. The clerk of the court shall give notice of the time and place fixed for the hearing of the petition by registered mail to the corporation (foreign or domestic) or other entity and to the shareholders named on the list at the addresses therein stated. The forms of the notices by mail shall be approved by the court. All shareholders thus notified and the corporation (foreign or domestic) or other entity shall thereafter be bound by the final judgment of the court.

C. After the hearing of the petition, the court shall determine the shareholders who have complied with the provisions of this Article and have become entitled to the valuation of and payment for their shares, and shall appoint one or more qualified appraisers to determine that value. The appraisers shall have power to examine any of the books and records of the

D-2

corporation the shares of which they are charged with the duty of valuing, and they shall make a determination of the fair value of the shares upon such investigation as to them may seem proper. The appraisers shall also afford a reasonable opportunity to the parties interested to submit to them pertinent evidence as to the value of the shares. The appraisers shall also have such power and authority as may be conferred on Masters in Chancery by the Rules of Civil Procedure or by the order of their appointment.

D. The appraisers shall determine the fair value of the shares of the shareholders adjudged by the court to be entitled to payment for their shares and shall file their report of that value in the office of the clerk of the court. Notice of the filing of the report shall be given by the clerk to the parties in interest. The report shall be subject to exceptions to be heard before the court both upon the law and the facts. The court shall by its judgment determine the fair value of the shares of the shareholders entitled to payment for their shares and shall direct the payment of that value by the existing, surviving, or new corporation (foreign or domestic) or other entity, together with interest thereon, beginning 91 days after the date on which the applicable corporate action from which the shareholder elected to dissent was effected to the date of such judgment, to the shareholders entitled to payment. The judgment shall be payable to the holders of uncertificated shares immediately but to the holders of shares represented by certificates only upon, and simultaneously with, the surrender to the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, of duly endorsed certificates for those shares. Upon payment of the judgment, the dissenting shareholders shall cease to have any interest in those shares or in the corporation. The court shall allow the appraisers a reasonable fee as court costs, and all court costs shall be allotted between the parties in the manner that the court determines to be fair and equitable.

E. Shares acquired by the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, pursuant to the payment of the agreed value of the shares or pursuant to payment of the judgment entered for the value of the shares, as in this Article provided, shall, in the case of a merger, be treated as provided in the plan of merger and, in all other cases, may be held and disposed of by the corporation as in the case of other treasury shares.

F. The provisions of this Article shall not apply to a merger if, on the date of the filing of the articles of merger, the surviving corporation is the owner of all the outstanding shares of the other corporations, domestic or

Edgar Filing: CONCORD EFS INC - Form S-4/A

foreign, that are parties to the merger.

G. In the absence of fraud in the transaction, the remedy provided by this Article to a shareholder objecting to any corporate action referred to in Article 5.11 of this Act is the exclusive remedy for the recovery of the value of his shares or money damages to the shareholder with respect to the action. If the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, complies with the requirements of this Article, any shareholder who fails to comply with the requirements of this Article shall not be entitled to bring suit for the recovery of the value of his shares or money damages to the shareholder with respect to the action.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (DGCL) empowers a Delaware corporation to indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person was an officer or director of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such officer or director acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests, and, for criminal proceedings, had no reasonable cause to believe his conduct was unlawful. A Delaware corporation may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation in the performance of his duty. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director actually and reasonably incurred.

In accordance with the DGCL, the registrant's Restated Certificate of Incorporation, as amended, contains a provision to limit the personal liability of the registrant's directors for violation of their fiduciary duty. This provision eliminates each director's liability to the registrant or its stockholders for monetary damages except to the extent provided by the DGCL (i) for any breach of the director's duty of loyalty to the registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under section 174 of the DGCL providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions, or (iv) for any transactions from which a director derived an improper personal benefit. The effect of this provision is to eliminate the personal liability of directors for monetary damages for actions involving a breach of their fiduciary duty of care, including any such actions involving gross negligence.

The registrant's by-laws provide for indemnification of the registrant's officers and directors to the fullest extent permitted by applicable law. In addition, the registrant maintains insurance policies which provide coverage for

its officers and directors in certain situations where the registrant cannot directly indemnify such officers or directors.

Item 22. Undertakings.

(a) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act), that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Exchange Act; and, where interim financial information required to be presented by Article 3 of

Edgar Filing: CONCORD EFS INC - Form S-4/A

Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(c) (1) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(2) The registrant undertakes that every prospectus (i) that is filed pursuant to the paragraph immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(d) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(e) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form S-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(f) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
