PROXY STATEMENT

SPECIAL MEETING OF STOCKHOLDERS

July 22, 2003

SUMMARY TERM SHEET

The following is a summary of the terms of the proposed merger of KTTI Acquisition Company, Inc., a wholly-owned subsidiary of KTTI Holding Company, Inc., with and into Thousand Trails, Inc., with Thousand Trails surviving as a subsidiary of KTTI Holding, and other information relating to the special meeting of stockholders of Thousand Trails.

This summary may not contain all of the information that is important to you. For a more complete understanding of the merger and the other information contained in this proxy statement, you should read this entire proxy statement carefully, as well as the additional documents to which it refers. A copy of the Agreement and Plan of Merger, dated as of April 29, 2003, by and among Thousand Trails, KTTI Holding and KTTI Acquisition, is attached as Annex A to this proxy statement. For instructions on obtaining more information, see Additional Information Where You Can Find More Information.

THE PARTIES

Thousand Trails (see page 10)

Thousand Trails, Inc., a Delaware corporation, and its subsidiaries own and operate a system of 59 membership-based campgrounds located in 17 states and British Columbia, Canada, serving 112,000 members as of June 30, 2002. Through its subsidiaries, Thousand Trails also provides a reciprocal use program for members of approximately 280 recreational facilities and manages 240 public campgrounds for the United States Forest Service and other entities.

KTTI Holding and KTTI Acquisition (see page 11)

KTTI Holding Company, Inc. is a Delaware corporation formed solely for the purpose of holding 100% of the capital stock of KTTI Acquisition Company, Inc. and, after the merger, the surviving corporation. At the closing of the merger, investment funds affiliated with Kohlberg Management IV, L.L.C. (Kohlberg) will be the owners of all of the outstanding capital stock of KTTI Holding.

KTTI Acquisition Company, Inc. is a Delaware corporation and is a wholly-owned subsidiary of KTTI Holding and was formed solely for the purpose of merging with and into Thousand Trails, at which time the separate corporate existence of KTTI Acquisition will cease and Thousand Trails will continue in existence as the surviving corporation and a wholly-owned subsidiary of KTTI Holding. KTTI Acquisition has not engaged in any business except in furtherance of the merger.

THE SPECIAL MEETING

General (see page 7)

This proxy statement is being furnished to holders of shares of Thousand Trails common stock for use at the special meeting of stockholders in connection with the approval of the merger agreement. The meeting will be held at 10:00 a.m. local time on July 22,

Table of Contents

2003 at its headquarters at 3801 Parkwood Blvd., Suite 100, Frisco, Texas 75034.

Vote Required to Approve the Merger Agreement (see page 9) The holders of a majority of the outstanding shares of Thousand Trails common stock entitled to vote at the meeting must vote to approve the merger agreement. **If you do not vote your shares, the effect will be a vote against the approval and adoption of the merger agreement and the merger.**

Voting Agreements of Principal Stockholders (see page 9) Simultaneously with the execution of the merger agreement, William J. Shaw, the William J. Shaw Family Partnership, L.P. and Carl Marks Strategic Investments, L.P., entered into voting agreements with KTTI Holding and KTTI Acquisition, in which such stockholders agreed among other things to vote their shares of Thousand Trails common stock in favor of the merger and against any competing transaction at any meeting of Thousand Trails stockholders held to consider and vote upon the merger. These stockholders also granted KTTI Holding an irrevocable proxy to accomplish such actions. Mr. Shaw is the president, chief executive officer and a director of Thousand Trails; Carl Marks is the largest stockholder of Thousand Trails; and Andrew M. Boas, an affiliate of Carl Marks, is a director of Thousand Trails. The shares held by Mr. Shaw, the William J. Shaw Family Partnership and Carl Marks collectively represent approximately 57% of the shares of Thousand Trails common stock outstanding as of the record date for the special meeting. These shares will be sufficient to approve the merger agreement and the merger.

The voting agreements will terminate on the earlier of the effective time of the merger or the termination of the merger agreement according to its terms. The merger agreement provides Thousand Trails with specified termination rights, including the right to terminate in connection with the determination that it is required in order for the board of directors to comply with its fiduciary duties under applicable law. The voting agreements do not limit or restrict Mr. Shaw or Mr. Boas in their capacities as directors or as an officer of Thousand Trails.

Record Date and Quorum Requirement (see page 8) Thousand Trails has set June 19, 2003 as the record date for determining those stockholders who are entitled to notice of and to vote at the special meeting.

A majority of the shares of Thousand Trails common stock issued and outstanding and entitled to vote at the meeting must be present in person or represented by proxy to constitute a quorum for transacting business at the meeting.

Revocation of Proxies (see page 6) You have the unconditional right to revoke your proxy at any time prior to its use at the meeting by:

 delivering written notice that the proxy is revoked to the Corporate Secretary of Thousand Trails prior to the special meeting.

Table of Contents

submitting a subsequently dated proxy to the Corporate Secretary prior to the special meeting or to the inspector of elections at the special meeting, or

attending the special meeting, delivering written notice that the proxy is revoked to the inspector of elections, and voting in person.

THE MERGER

The Merger (see page 26)

KTTI Holding will acquire Thousand Trails through a merger of KTTI Acquisition with and into Thousand Trails. Following the merger, Thousand Trails will be a wholly-owned subsidiary of KTTI Holding.

What You Will Receive in the Merger (see page 27)

Upon the closing of the merger, you will be entitled to receive \$14.50 in cash, without interest, for each share of Thousand Trails common stock you hold. However, if Thousand Trails' working capital, as defined in the merger agreement, is less than \$26 million as of the last day of the month prior to the closing of the merger, then the per share merger consideration will be reduced by an amount equal to (i) the amount by which the working capital is less than \$26 million, divided by (ii) the fully-diluted number of shares of common stock outstanding as of the date of determination of working capital. It is a condition to closing that Thousand Trails working capital is at least \$24 million. Thousand Trails does not currently expect that any working capital adjustment will be required.

The Board of Directors Recommends That You Vote For the Merger Agreement (see page 17)

After careful consideration, the Thousand Trails board of directors has approved the merger agreement and has determined that the merger agreement and merger are advisable, fair to, and in the best interests of, Thousand Trails and its stockholders. **The Thousand Trails board of directors recommends that you vote FOR the adoption and approval of the merger agreement and the merger.**

Reasons for the Merger (see pages 16 to 17)

The Thousand Trails board of directors considered a number of factors in reaching its determination to approve the merger agreement. The factors are discussed in detail beginning on page 17 Reasons for the Merger and Recommendation of the Thousand Trails Board of Directors.

Interests of Directors and Executive Officers (see pages 34 to 36)

Some of the directors and executive officers of Thousand Trails have interests and arrangements that may be considered different from, or in addition to, your interests as Thousand Trails stockholders.

Opinion of Financial Advisor (see pages 18 to 21)

Stephens Inc., financial advisor to Thousand Trails, has provided an opinion to the Thousand Trails board of directors that, as of the date of that opinion, the cash price of \$14.50 per share provided in

Table of Contents

the merger agreement was fair, from a financial point of view, to holders of Thousand Trails common stock, other than Carl Marks and its affiliates. The full text of Stephens' written opinion, which sets forth the assumptions made, the matters considered, the scope and limitations of the review undertaken and the procedures followed by Stephens in rendering such opinion, is attached to this proxy statement as Annex B. Stephens' opinion was provided for the information and assistance of the Thousand Trails board of directors and is not a recommendation as to how Thousand Trails stockholders should vote at the special meeting. The stockholders are urged to read Stephens' opinion carefully and in its entirety.

Financing of the Merger (see pages 21 to 23)

The merger is subject to a financing contingency. KTTI Holding intends to fund the merger and Thousand Trails' working capital needs through a combination of an equity contribution, debt financing, a new revolving credit facility and Thousand Trails' available cash. Kohlberg, on behalf of its investment fund affiliates, has delivered a commitment letter to Thousand Trails to provide the equity and KTTI Holding has provided Thousand Trails with a copy of a commitment letter from iStar Financial Inc. to provide debt, in amounts, when taken together with the available cash of Thousand Trails, sufficient for the payment of the aggregate merger consideration and transaction expenses. KTTI Holding has also provided Thousand Trails with a copy of a commitment letter from a commercial bank to provide a new revolving credit facility for Thousand Trails after the merger. If the financings contemplated by the debt commitment letters are not completed, the merger agreement provides that KTTI Holding and KTTI Acquisition will use commercially reasonable efforts to obtain alternate financing on terms no less favorable to them than the financings contemplated by those debt commitment letters.

Thousand Trails common stock information (see page 38)

The closing price of a share of Thousand Trails common stock on April 29, 2003, which was the trading day immediately preceding Thousand Trails' announcement that it had signed the merger agreement, was \$9.35 per share. The average closing price for a share of Thousand Trails common stock for the four weeks preceding Thousand Trails' announcement that it had signed the merger agreement was \$9.32 per share. The closing price of a share of Thousand Trails common stock on June 19, 2003 was \$14.24 per share.

Appraisal Rights (see pages 23 to 25)

Under Delaware law, Thousand Trails stockholders are entitled to exercise appraisal rights by following the requirements of the Delaware General Corporation Law. A copy of Section 262 of the Delaware General Corporation Law is attached as Annex C to this proxy statement.

Federal Income Tax Consequences (see pages 25 to 26)

The receipt of cash by holders of Thousand Trails common stock will be a taxable transaction. All stockholders are urged to consult their own tax advisors to determine the effect of the merger on

Table of Contents

them under federal law and under their own state and local tax laws.

THE MERGER AGREEMENT

Conditions to the Merger (see pages 30 to 31)

The merger will be completed only if a number of conditions are satisfied or waived by Thousand Trails, KTTI Acquisition and KTTI Holding, as applicable. These conditions include:

Stockholder Approval. The merger agreement and the merger will have been approved by the stockholders of Thousand Trails. As noted above, Mr. Shaw, the William J. Shaw Family Partnership and Carl Marks, have entered into voting agreements with respect to approximately 57% of the Thousand Trails common stock.

Representations and Warranties. The representations and warranties of the parties shall be true and correct on and as of the closing date of the merger, except to the extent that any failure of such representations and warranties to be true and correct, individually or in the aggregate, would not have a material adverse effect on Thousand Trails.

Material Adverse Effect. Since April 29, 2003, no circumstances will have occurred that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on Thousand Trails.

Financing. The financing contemplated by the debt commitments letters described above will have been consummated.

Working Capital. Thousand Trails will have working capital, as defined in the merger agreement, of at least \$24 million.

Appraisal Shares. No more than 5% of the stockholders will have exercised their appraisal rights.

No Orders. The absence of any judgment, injunction or order prohibiting the merger.

No Solicitation of Transactions; Rights to Enter Into a Superior Proposal (see pages 31 to 32)

The merger agreement provides that Thousand Trails will not initiate, solicit, negotiate, encourage or provide nonpublic or confidential information to facilitate any proposal or offer from any person concerning an acquisition transaction, or enter into any agreement with respect to an acquisition transaction, except as necessary for its board of directors to comply with its fiduciary duties under applicable law in connection with unsolicited acquisition proposals that could constitute a superior proposal.

If Thousand Trails receives a superior proposal, the board of directors may withdraw or adversely modify its prior recommendation, recommend any alternative acquisition transaction, or enter into an agreement with respect to any alternative acquisition transaction if within five business days after receiving notice of the material terms of the superior proposal KTTI Holding and KTTI Acquisition do not offer adjustments to the merger agreement that

Table of Contents

permit the board of directors to determine that the merger will be at least as favorable as the superior proposal. In that event, upon payment of a termination fee and expense reimbursement, Thousand Trails may terminate the merger agreement. The Thousand Trails board of directors may cancel the special meeting if it determines it is required to do so to comply with its fiduciary duties under applicable law upon payment of a termination fee and expense reimbursement.

Termination (see pages 32 to 33)

The merger agreement can be terminated in specified circumstances prior to the effective time. These circumstances include:

By KTTI Acquisition if the Thousand Trails board of directors withdraws or adversely modifies its recommendation of the merger, recommends any alternative acquisition transaction, or, after receiving a proposal for an alternative acquisition transaction, fails to reconfirm the recommendation or publicly announce that it is not recommending the alternative acquisition transaction.

By Thousand Trails if the Thousand Trails board of directors receives a superior proposal to acquire Thousand Trails and the board of directors authorizes Thousand Trails to enter into a definitive agreement with respect to such superior proposal, the Thousand Trails board of directors notifies KTTI Holding of its intent to enter into such agreement and the material terms of the superior proposal, KTTI Holding and KTTI Acquisition have not made an offer that the Thousand Trails board of directors determines is at least as favorable as such superior proposal, and Thousand Trails pays KTTI Acquisition the termination fee and expense reimbursement.

By Thousand Trails if the board of directors has determined in good faith, after consultation with legal counsel, that not holding the special meeting is required for the board of directors to comply with its fiduciary duties and Thousand Trails pays KTTI Acquisition a termination fee and expense reimbursement.

By Thousand Trails or KTTI Acquisition if, as of the last day of the month preceding the closing of the merger, Thousand Trails working capital is less than \$24 million.

Termination under each of the circumstances listed above requires Thousand Trails to pay KTTI Acquisition a termination fee of \$4 million and reimburse its expenses up to a specified amount. However, there are other circumstances in which termination could require expense reimbursement or the payment of the termination fee.

Regulatory and Third-Party Approvals

Thousand Trails anticipates that no material governmental or third party approvals will be required in order to consummate the merger.

At the special meeting, holders of Thousand Trails common stock of record as of the close of business on the record date will be eligible to consider and vote on the following matters:

1. To consider and vote upon a proposal recommended by the Thousand Trails board of directors to approve the merger agreement, which is attached as Annex A to this proxy statement and summarized in this proxy statement under the heading "The Merger Agreement" and the merger contemplated thereby; and
2. To transact such other business as may properly come before the special meeting or any adjournment or postponement thereof.

The Thousand Trails board of directors recommends that you vote FOR approval of the merger agreement and the merger.

A proxy for the meeting is enclosed with this notice. You are requested to fill in and sign the proxy and mail it promptly in the enclosed postage prepaid envelope. Return of an executed proxy with no instructions indicated on this proxy will result in the shares represented by the proxy being voted FOR approval of the merger agreement. Failure to return a properly executed proxy card or to vote at the special meeting will have the effect of a vote against approval of the merger agreement.

Table of Contents

Voting Information

Shares of common stock, represented by a properly executed proxy, will be voted as indicated on the proxy. The form of proxy accompanying this proxy statement and the persons named as proxies have been approved by the board of directors. Any proxy given pursuant to this solicitation is revocable at any time prior to the voting at the special meeting by:

delivering written notice that the proxy is revoked to the Corporate Secretary of Thousand Trails prior to the special meeting,

submitting a subsequently dated proxy to the Corporate Secretary prior to the special meeting or to the inspector of elections at the special meeting, or

attending the special meeting, delivering written notice that the proxy is revoked to the inspector of elections, and voting in person.

Any written notice of revocation should be delivered to Corporate Secretary, Thousand Trails, Inc., 3801 Parkwood Blvd., Suite 100, P.O. Box 2529, Frisco, Texas 75034. Subject to proper revocation, all shares of Thousand Trails common stock entitled to vote at the special meeting and represented at the special meeting by properly executed proxies received by Thousand Trails will be voted in accordance with the instructions contained in such proxies.

It is proposed that, at the special meeting, action will be taken on the matter set forth in the accompanying notice of special meeting and described in this proxy statement. The board of directors knows of no other matters at this time that may properly be presented for action at the special meeting. If any other matters do properly come before the special meeting, the persons named on the enclosed proxy will have discretionary authority to vote thereon in accordance with their best judgment.

When proxies in the form accompanying this proxy statement are returned properly executed, the shares represented thereby will be voted as indicated thereon, and, where a choice has been specified by the stockholder on the proxy, the shares will be voted in accordance with the specification so made. The expense of soliciting proxies, including the cost of preparing, assembling and mailing the material submitted with this proxy statement, will be paid for by Thousand Trails. In addition to solicitations by mail, directors, officers and regular employees of Thousand Trails may solicit proxies personally or by telephone, mail or other means, for which no compensation will be paid other than their regular salary or other usual compensation. Arrangements also will be made as appropriate with banks and brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of common stock held of record by such persons, and Thousand Trails will, upon request, reimburse those persons for their reasonable expenses in so doing.

The Thousand Trails board of directors has fixed the close of business on June 19, 2003 as the record date for the determination of the stockholders entitled to notice of, and to vote, at the special meeting and any adjournments and postponements of the special meeting. At the close of business on June 19, 2003, the record date for the special meeting, there were outstanding and entitled to vote at the special meeting 6,973,943 shares of common stock. As of the record date, Thousand Trails directors and executive officers and their affiliates owned 4,083,598 shares of Thousand Trails common stock, entitling them to cast approximately 59% of the votes entitled to be cast at the special meeting. The directors and executive officers of Thousand Trails have advised that they intend to vote for the merger and the merger agreement. Shares of Thousand Trails common stock are the only authorized and outstanding voting securities of Thousand Trails.

The presence at the special meeting, in person or by proxy, of stockholders holding a majority of the voting power of Thousand Trails will constitute a quorum for the transaction of business at the special meeting. Abstentions and broker non-votes will be counted as shares that are present for purposes of determining the presence of a quorum.

Table of Contents

Voting Agreements

Simultaneously with the execution of the merger agreement, William J. Shaw, president and chief executive officer and chairman of the board of directors of Thousand Trails, the William J. Shaw Family Partnership, L.P. and Carl Marks Strategic Investments, L.P., entered into voting agreements with KTTI Holding and KTTI Acquisition, in which such stockholders agreed to vote their shares of common stock in favor of the merger and against any competing transaction at any meeting of Thousand Trails stockholders held to consider and vote upon the merger and also granted KTTI Holding an irrevocable proxy to accomplish such actions. The shares held by Mr. Shaw, the William J. Shaw Family Partnership and Carl Marks collectively represent approximately 57% of the shares of Thousand Trails common stock outstanding as of the record date for the special meeting. These shares will be sufficient to approve the merger agreement and the merger.

The voting agreements will terminate on the earlier of the effective time of the merger or termination of the merger agreement according to its terms. The merger agreement provides Thousand Trails with specified termination rights, including the right to terminate in connection with the determination that it is required in order for the board of directors to comply with its fiduciary duties under applicable law upon payment of a termination fee and expense reimbursement. The voting agreements do not limit or restrict Mr. Shaw or Mr. Boas in their capacities as directors or as an officer of Thousand Trails.

Required Vote

Each holder of Thousand Trails common stock as of the record date is entitled to cast one vote per share, in person or by proxy, upon each matter properly submitted for the vote of the stockholders at the special meeting. Votes at the special meeting will be tabulated by an inspector of elections appointed by Thousand Trails. Approval of the merger agreement requires the affirmative vote of holders of a majority of the outstanding shares of Thousand Trails common stock entitled to vote at the special meeting. A failure to vote, an abstention from voting, or a broker non-vote will have the same legal effect as a vote cast against approval of the merger agreement. Executed but unmarked proxies will be voted FOR approval of the merger agreement. Brokers, and in many cases nominees, will not have discretionary power to vote on the proposals to be presented at the special meeting. Accordingly, beneficial owners of shares must instruct their brokers or nominees how to vote their shares with respect to the merger proposal at the special meeting. Stockholders are urged to read and carefully consider the information presented in this proxy statement and to complete, date and sign the accompanying proxy card and return it promptly to Thousand Trails in the enclosed postage-prepaid envelope.

Postponement or Adjournment

Although it is not expected, the special meeting may be postponed or adjourned to a date not later than 30 days after the date of the special meeting without fixing a new record date. Such postponement or adjournment may be made by the Thousand Trails board of directors prior to the special meeting or by approval of the holders of a majority of the shares of Thousand Trails common stock present in person or represented by proxy at the special meeting, whether or not a quorum exists. Thousand Trails will announce the postponement of the special meeting by press release if made prior to the special meeting and will announce any adjournment at the special meeting. Notice of the time and place of any such postponement or adjournment need not be given unless the meeting is postponed or adjourned for more than 30 days, or a new record date is set. Any postponement or adjournment of the special meeting will allow Thousand Trails stockholders who have already sent in their proxies to revoke them at any time prior to their use.

Surrender of Share Certificates

Prior to the effective time, KTTI Holding will select a bank or trust company, reasonably acceptable to Thousand Trails, to act as paying agent for the benefit of holders of shares of Thousand Trails common stock in connection with the merger. It is expected that KTTI Holding will deposit with the paying agent funds

Table of Contents

sufficient to make the payments to Thousand Trails stockholders and option holders required under the merger agreement.

Promptly after the date on which the transactions contemplated by the merger agreement are consummated, the paying agent will send to each holder of shares of Thousand Trails common stock a letter of transmittal and instructions for use in effecting the surrender of stock certificates. The merger agreement provides that holders of more than 5% of the outstanding shares of Thousand Trails common stock, directors and executive officers may obtain letters of transmittal prior to the closing of the merger so that such persons will have an opportunity to surrender their stock certificates and receive the merger consideration on the day of closing. The letter of transmittal will specify that the delivery will be effected, and risk of loss and title will pass, only upon delivery of the stock certificates representing shares of Thousand Trails common stock to the paying agent. The paying agent will receive a customary fee as compensation for its services, plus reimbursement of its out-of-pocket expenses in connection with such services. Thousand Trails will also agree to indemnify the paying agent against specified liabilities arising in connection with its engagement.

Each holder of a share of Thousand Trails common stock that has been converted into the right to receive the cash payment of \$14.50 per share, less any adjustment for working capital, upon surrender to the paying agent of a stock certificate or certificates representing such shares, together with a properly completed letter of transmittal covering such shares, will receive a cash payment of such consideration. Until surrendered in this manner, each such stock certificate will, after the effective time of the merger, represent for all purposes only the right to receive the merger consideration. No interest will be paid or will accrue on the cash payment.

If any portion of the cash payment is to be paid to a person other than the registered holder of the stock certificate surrendered in exchange therefor, the stock certificate being surrendered must be properly endorsed or otherwise be in proper form for transfer. In addition, the person requesting such payment must pay to the paying agent any transfer or other taxes required as a result of such payment, or establish that such tax has been paid or is not applicable. Beginning six months after the closing date, holders of Thousand Trails common stock who have not surrendered their stock certificates will be entitled to look to the surviving corporation only as general creditors for payment of their claim for cash. Any amounts remaining unclaimed by holders of common stock five years after the effective time of the merger, or earlier if such amounts would otherwise escheat to or become the property of any governmental entity, will become the property of the surviving corporation, to the extent permitted by applicable law. Neither the paying agent nor any party to the merger agreement will be liable to any holder of certificates formerly representing shares for any amount paid to a public official pursuant to any abandoned property, escheat or similar laws.

At and after the effective time of the merger, there will be no further registration of transfers of Thousand Trails common stock on the records of Thousand Trails or its transfer agent. From and after the effective time, the holders of Thousand Trails common stock will cease to have any rights with respect to such shares except as provided in the merger agreement or under applicable law.

Background of the Merger

In early November 2002, Andrew M. Boas, a director of Thousand Trails and a managing partner of the general partner of Carl Marks Strategic Investments, L.P., Thousand Trails largest stockholder, received an unsolicited telephone call from John S. Eastburn, Jr., a principal of Kohlberg & Company, LLC, requesting a meeting with Mr. Boas to discuss a possible acquisition of Thousand Trails. Mr. Boas subsequently telephoned William J. Shaw, Thousand Trails president and chief executive officer, to inform him of the contact.

On November 13, 2002, Mr. Boas and Mr. Eastburn met in New York City. At the meeting Mr. Eastburn expressed an interest in Thousand Trails at a price of from \$11.00 to \$12.00 per share. Mr. Boas informed Mr. Eastburn that Thousand Trails would be interested in a transaction only at a significantly higher price. At the meeting, Mr. Eastburn signed a confidentiality agreement on behalf of Kohlberg that had been prepared and requested by Thousand Trails. Mr. Boas suggested that Mr. Eastburn follow up on their conversations by contacting Mr. Shaw.

On November 14, 2002, the board of directors of Thousand Trails held its regularly scheduled meeting at Thousand Trails offices in Frisco, Texas. At the meeting, Mr. Boas informed the board that Kohlberg had expressed interest in possibly acquiring Thousand Trails and signed a confidentiality agreement and intended to conduct due diligence regarding Thousand Trails. Mr. Shaw informed the board that two other private equity firms had signed confidentiality agreements with Thousand Trails and were conducting due diligence on Thousand Trails. Mr. Shaw told the board that, in his opinion, the likelihood of a transaction occurring was remote because these firms typically invest in companies that are growing at a faster rate than Thousand Trails.

On November 18, 2002, Mr. Eastburn telephoned Mr. Shaw to discuss Kohlberg s interest in Thousand Trails and to gather more information about the operating results and financial condition of Thousand Trails. After the conversation, Mr. Shaw sent diligence materials to Mr. Eastburn, including financial and marketing information. On November 21, 2002, Mr. Eastburn telephoned Bryan D. Reed, Thousand Trails chief financial officer, and they discussed the financial information included in the materials.

On November 25, 2002, Mr. Eastburn telephoned Mr. Shaw to arrange a diligence meeting and followed up by sending Messrs. Shaw and Reed questions to be addressed in the meeting.

On December 4, 2002, Mr. Eastburn and another representative of Kohlberg, met with Messrs. Shaw and Reed at Thousand Trails executive offices in Frisco, Texas, to conduct diligence. After the meeting, Mr. Reed provided Mr. Eastburn with additional information that he had requested.

On December 5, 2002, Messrs. Boas and Shaw discussed approaches to valuation of Thousand Trails that reflected its cash flow as well as its excess cash and assets available for sale. Later that day, Mr. Boas telephoned Mr. Eastburn to advise him that he and Mr. Shaw would recommend to the board of directors of Thousand Trails the pursuit of a possible combination with affiliates of Kohlberg at a price of \$18.50 per share, subject to possible adjustment based on Thousand Trails' cash position at closing. Mr. Eastburn responded that affiliates of Kohlberg would be willing to pay \$15.75 per share, plus up to an additional \$1.80 per share based on Thousand Trails' cash position at closing. He also advised Mr. Boas that a transaction would be subject to a financing contingency. Mr. Boas rejected Mr. Eastburn's price.

On December 6, 2002, Messrs. Boas and Eastburn spoke again and Mr. Eastburn proposed a price of \$18.50 per share in cash, subject to possible adjustment for Thousand Trails' cash position, as a basis for proceeding further. Mr. Boas reported the results of his conversation with Mr. Eastburn to Mr. Shaw and Walter B. Jaccard, Thousand Trails' general counsel.

On December 13, 2002, the Board of Directors of Thousand Trails held a special meeting by conference telephone. At the meeting, Mr. Boas reviewed for the board the discussions he and Mr. Shaw had had with representatives of Kohlberg. Mr. Shaw also reviewed for the board generally the unsolicited expressions of interest that Thousand Trails had previously received from others. He noted that past interest had generally been withdrawn at an early stage because of concerns with Thousand Trails' rate of growth and an inability to obtain financing. He also noted that Kohlberg was a substantially capitalized potential acquirer that appeared to have the resources and strategic interest required to consummate a transaction at a value substantially in excess of the interests previously received by Thousand Trails. He also noted that the price proposed by representatives of Kohlberg was substantially beyond the highest market price at which Thousand Trails' shares had historically traded. At the meeting, counsel from Gibson, Dunn & Crutcher LLP reviewed for the board its fiduciary duties and responsibilities when considering the possible sale of Thousand Trails. After discussion, it was the consensus of the board that the Kohlberg proposal should be pursued. The board also authorized Mr. Shaw to retain a financial advisor to render a fairness opinion concerning the proposed transaction in the event Thousand Trails was able to negotiate a definitive agreement with affiliates of Kohlberg. After the meeting, Mr. Shaw telephoned Mr. Eastburn to advise him of the sense of the board in the meeting.

On December 16, 2002, Mr. Eastburn sent to Mr. Shaw a draft letter proposing a business combination in which Thousand Trails would be acquired by a newly formed affiliate of Kohlberg for \$18.50 per share in cash, subject to reduction if Thousand Trails' cash was below a minimum level. The letter advised that affiliates of Kohlberg would provide significant equity financing and that it was confident that the required debt financing could be arranged. The letter invited, but did not require, participation in the transaction by management and certain stockholders. The letter stated that the transaction would be subject to the satisfactory completion of diligence, the receipt of commitment letters for the financing and the agreement of Thousand Trails' principal stockholders to vote in favor of the transaction. In the letter, Kohlberg requested an exclusivity period and expense reimbursement if affiliates of Kohlberg provided a financed transaction at the indicated price which Thousand Trails did not accept, and a fee in the event a competing transaction were consummated.

On December 16, 2002, Thousand Trails retained Stephens Inc. to render an opinion as to the fairness of the transaction to the Board of Directors of Thousand Trails.

On December 17, 2002, Mr. Eastburn telephoned Mr. Shaw to schedule additional diligence meetings at Thousand Trails' offices.

On December 18 and 19, 2002, Messrs. Shaw and Boas, together with Mr. Jaccard, discussed the contents of the Kohlberg letter and the appropriate response. On December 19, 2002, Mr. Shaw telephoned Mr. Eastburn to advise him of Thousand Trails' response. During this call, Mr. Shaw informed Mr. Eastburn that management and Thousand Trails' stockholder affiliates did not desire to participate in the transaction. After the call, Mr. Jaccard sent Mr. Eastburn and Kohlberg's counsel, Ropes & Gray LLP, a revised draft proposal letter. The revised draft provided for a potential increase to the purchase price based on Thousand Trails' cash position, eliminated any financing contingency in the event a definitive agreement was reached,

Table of Contents

shortened the exclusivity period to end on February 10, 2003, and eliminated the payment of any fee on account of any competing transaction arising prior to a definitive agreement.

On December 20, 2002, Messrs. Shaw and Jaccard, along with counsel, participated in a conference call with Mr. Eastburn and Kohlberg's counsel to negotiate the open points of the proposal letter. On December 23, 2002, negotiations continued in a conference call among the same participants. Later that day Thousand Trails and Kohlberg signed the proposal letter. The letter provided for a price per share of \$18.50 in cash, subject to adjustment upward or downward to reflect Thousand Trails' cash position at the time of closing, a limited financing contingency and an exclusivity period with limited potential expense reimbursement and no associated fee. The letter also confirmed that the agreement of Carl Marks and Mr. Shaw to vote in favor of the transaction would be subject to Thousand Trails' not exercising its termination rights in any definitive agreement for a superior offer.

During January and early February 2003, representatives of Kohlberg conducted diligence on Thousand Trails and sought to obtain financing commitments for the transaction, and representatives of Thousand Trails provided representatives of Kohlberg with requested information. At Mr. Eastburn's request, on January 6, 2003, Messrs. Shaw, Reed and Jaccard, together with R. Gerald Gelin, Thousand Trails vice president of sales and marketing, had a telephone conference with Kohlberg's marketing consultants to discuss marketing and other diligence matters. On January 8 and 9, 2003, Mr. Jaccard worked with Kohlberg's counsel on legal and other diligence items. On January 10, 2003, Mr. Reed met with Kohlberg's accounting and tax consultants.

On January 16, 2003, at the request of Mr. Eastburn, Messrs. Shaw, Reed, Gelin and Jaccard made a presentation about Thousand Trails to potential lenders at a conference facility at the Dallas/ Ft. Worth airport. Mr. Eastburn and other representatives of Kohlberg also attended the presentation. Between January 16 and 24, 2003, Kohlberg representatives made site visits to several Thousand Trails campgrounds. On January 24, 2003, Mr. Shaw spoke with Kohlberg's environmental consultant.

On January 30, 2003, Messrs. Shaw, Reed, Gelin and Jaccard made a video conference presentation to some of the principals of Kohlberg & Company, LLC concerning Thousand Trails.

On January 31, 2003, Mr. Eastburn telephoned Mr. Shaw to discuss the state of Kohlberg's diligence and arrange a diligence meeting at Thousand Trails' Frisco, Texas offices. In anticipation of the meeting, Kohlberg sent Thousand Trails a supplemental diligence request list that addressed its main questions. On February 4, 2003, Mr. Eastburn telephoned Mr. Shaw to ask for an extension of its exclusivity period.

On February 5 and 6, 2003, Mr. Eastburn, together with other representatives of Kohlberg, met with Messrs. Shaw, Reed and Gelin to discuss diligence matters. On February 5, 2003, Thousand Trails and Kohlberg executed an amendment to the proposal letter extending the exclusivity period to February 24, 2003.

On February 7, 2003, the board of directors of Thousand Trails held its regularly scheduled meeting at Thousand Trails' offices in Frisco, Texas. In addition to its other business, the board discussed the status of Kohlberg's diligence review. Mr. Shaw advised the board that Kohlberg had raised issues about Thousand Trails' growth, the ongoing member attrition and certain tax and other matters. Mr. Shaw also advised the board that Kohlberg had encountered difficulties in obtaining debt financing for the transaction at the price specified in its proposal, but that it believed that debt financing might be available at a lower purchase price than assumed by its proposal. A representative of Stephens reported to the board concerning the ongoing financial analyses addressing the fairness of the proposed price and possibly lower prices. After discussion, it was the board's consensus that Thousand Trails should continue to pursue a transaction with Kohlberg.

On February 18, 2003, Mr. Eastburn telephoned Mr. Shaw and requested a conference to discuss the implications of Kohlberg's diligence review and efforts to obtain debt financing.

On February 21, 2003, Messrs. Shaw and Boas, together with a representative of Stephens, participated in a telephone conversation with Mr. Eastburn. Mr. Eastburn advised that in view of the results of its diligence and the limitations on available financing, Kohlberg would only be willing to proceed with the transaction at a price of \$13.75 per share. He also requested that Carl Marks and Mr. Shaw, as large stockholders of Thousand

Table of Contents

Trails, agree to a post-closing indemnity with respect to certain tax matters. Later that day, Mr. Eastburn delivered a letter to Mr. Shaw detailing Kohlberg's concerns as to business, financial, tax, real estate and other matters. The letter also addressed the implications of the financing Kohlberg believed to be available for a transaction with Thousand Trails.

On February 24, 2003, Messrs. Shaw, Boas and Jaccard discussed the revised Kohlberg proposal. A representative of Stephens joined the discussion, and the participants addressed possible prices at which Thousand Trails might make a counter-proposal to Kohlberg. Later that day, Messrs. Shaw and Jaccard telephoned each of Thousand Trails' independent directors to inform them of the Kohlberg letter and the possible Company response. Mr. Jaccard provided each director with a copy of the Kohlberg letter. That day, the exclusivity period in Kohlberg's original proposal letter expired.

On February 25, 2003, Mr. Shaw and a representative of Stephens telephoned Mr. Eastburn and suggested a price of \$15.00 per share in cash, plus \$20 million aggregate face amount of subordinated pay-in-kind debt. Mr. Eastburn did not respond to the proposal.

On February 26, 2003, Mr. Boas telephoned Mr. Eastburn to discuss Thousand Trails' proposal. Mr. Eastburn responded with alternatives as to price: either \$14.50 per share in cash, or \$13.75 per share in cash plus \$11 million aggregate face amount of subordinated pay-in-kind debt. Mr. Boas did not respond to the proposal.

On February 26, 2003, Messrs. Shaw and Boas discussed the revised Kohlberg proposal. Mr. Shaw telephoned a representative of Stephens to review the alternatives proposed.

On February 27, 2003, Mr. Shaw telephoned Mr. Eastburn to discuss Kohlberg's latest proposal. Mr. Shaw advised that he and Mr. Boas would be prepared to support a price of \$14.50 per share in cash with a possible upward adjustment if Thousand Trails achieved an excess cash position before closing. Mr. Eastburn did not respond to the proposal.

On February 28, 2003, the Board of Directors of Thousand Trails met by conference telephone to review the negotiations with Kohlberg. Mr. Shaw reviewed the history of the negotiations and discussed the reasons provided by representatives of Kohlberg for the price decrease from its original proposal, including the difficulty in obtaining debt financing and issues concerning Thousand Trails' growth and member attrition. He also noted that Kohlberg continued to require an indemnity from Carl Marks and himself with respect to certain tax matters. He also reviewed with the board the terms of the draft commitment letter that Kohlberg had received from its prospective secured lender. He also reported to the board that a representative of Stephens had advised that he believed a price of \$14.50 per share would be supported by the financial analyses he was preparing for a possible fairness opinion from Stephens. The board concluded that Thousand Trails should continue its negotiations with Kohlberg.

On March 5, 2003, Mr. Eastburn sent Mr. Shaw a revised proposal letter. The letter provided for a price of \$14.50 per share, with an upward or downward adjustment for cash, and an expense reimbursement if an acceptable definitive agreement were not executed. Mr. Jaccard sent an email message to Mr. Eastburn that the original proposal letter had expired and transmitted a revised form of standstill that did not provide for any expense reimbursement. Mr. Eastburn later telephoned Mr. Shaw and told him that Kohlberg would not proceed without the requested expense reimbursement provision.

On March 9 and 10, 2003, Mr. Eastburn and Mr. Shaw discussed their respective proposals but did not reach any agreement.

On March 11, 2003, Mr. Jaccard sent Mr. Eastburn a revised proposal. The proposal provided for a price of \$14.75 per share, with no adjustment for Thousand Trails' cash position, and for expense reimbursement only if a definitive agreement were fully negotiated with committed financing and Thousand Trails declined to proceed. Later that day, Mr. Eastburn advised Mr. Shaw that Thousand Trails' position on expense reimbursement was not acceptable to Kohlberg.

On March 14, 2003, Mr. Shaw telephoned Mr. Eastburn and told him that Kohlberg's position on expense reimbursement was not acceptable. Mr. Shaw encouraged Mr. Eastburn to proceed directly to the

Table of Contents

negotiation of a merger agreement. Mr. Eastburn declined to do so. During this call, Mr. Shaw also advised Mr. Eastburn that he and Carl Marks were not willing to supply the requested indemnity.

On March 17, 2003, Messrs. Shaw and Jaccard telephoned Thousand Trails' directors to advise them of the impasse that had been reached with Kohlberg with respect to expense reimbursement. The directors were supportive of Thousand Trails' position.

On March 20, 2003, Mr. Eastburn telephoned Mr. Boas to discuss the state of the negotiations. Mr. Boas returned the call. In the conversation, Mr. Boas repeated to Mr. Eastburn that Carl Marks and Mr. Shaw were not willing to supply the requested indemnity. Mr. Eastburn advised that Kohlberg would be willing to proceed without the indemnity for a price of \$14.50 per share, with no adjustments for Thousand Trails' cash position.

On March 24, 2003, Mr. Eastburn sent Mr. Shaw a revised proposal letter. The letter provided for a price of \$14.50 per share, without adjustment, and expense reimbursement if Thousand Trails did not agree to the form of merger agreement to be attached to the proposal letter. Mr. Eastburn also sent a draft merger agreement and the latest draft of Kohlberg's secured debt financing commitment.

On March 25, 2003, Messrs. Shaw, Boas and Jaccard, together with Robert C. Ruocco and James F. Wilson, managing partners of the general partner of Carl Marks, had a telephone conference to discuss possible responses to Kohlberg's position. The group decided to respond to the draft merger agreement and not to the terms of the revised proposal letter.

On March 31, 2003, Mr. Jaccard sent Mr. Eastburn a revised draft of the merger agreement, together with a memorandum outlining the major points of disagreement reflected in the draft.

On April 2, 2003, Mr. Eastburn sent a letter to the Board of Directors of Thousand Trails stating that Thousand Trails' revisions to the draft merger agreement presented serious economic and legal points of disagreement. The letter addressed the merger consideration, the level of Thousand Trails' disclosures, the termination provisions in the event of Thousand Trails' receipt of a superior proposal, the financing and other conditions to the closing and the expense reimbursement and break-up fee provisions. Mr. Eastburn renewed his requirement for a standstill agreement with expense reimbursement provisions as a condition for proceeding further.

On April 3, 2003, Mr. Shaw telephoned Mr. Eastburn and discussed their disagreements, including how to proceed. That day and the next, Messrs. Shaw, Boas and Jaccard, together with a representative of Stephens, discussed the matters raised by Mr. Eastburn's letter. Mr. Shaw then attempted to reach Mr. Eastburn by telephone.

On April 7, 2003, Mr. Eastburn returned Mr. Shaw's call, and he and Mr. Shaw agreed to a one day meeting for the purpose of trying to negotiate a merger agreement.

On April 8, 2003, Kohlberg's counsel distributed a revised draft of the merger agreement.

On April 9, 2003, representatives of Thousand Trails and Kohlberg met in New York City to address the draft merger agreement. Messrs. Shaw, Boas and Jaccard, together with counsel and a representative of Stephens, attended for Thousand Trails. Mr. Eastburn and other Kohlberg representatives, together with counsel, attended for Kohlberg. In the meeting, the parties addressed the principal outstanding matters, including Kohlberg's requirement that Thousand Trails have minimum cash and working capital levels at closing and other closing conditions, the respective parties' termination rights, and the circumstances under which Kohlberg would be entitled to expense reimbursement or a break-up fee. At the meeting, it was resolved that there would be only a downward adjustment of the purchase price if the requisite cash and working capital level condition were not satisfied, and that each party would have the right to terminate if the cash and working capital were below a minimum level. Several issues remained unresolved, including whether Kohlberg would be entitled to expense reimbursement if Thousand Trails experienced a material adverse change prior to closing, and the parties undertook to address them in the next few days.

On April 10, 2003, after consultation with Messrs. Shaw and Boas, Mr. Jaccard and counsel telephoned Kohlberg's counsel to propose a compromise regarding the principal outstanding matters. The suggested

Table of Contents

compromise included reimbursement of Kohlberg for its expenses if Thousand Trails did not have the requisite cash and working capital, but no reimbursement of expenses should Thousand Trails experience a material adverse change.

On April 11, 2003, Mr. Eastburn informed Mr. Shaw that the absence of expense reimbursement for a material adverse change was still not acceptable. On April 13, 2003, Messrs. Shaw and Eastburn discussed the parties' differences but were unable to resolve them. On April 14, 2003, Messrs. Shaw, Boas and Jaccard discussed the differences. H. Sean Mathis, a director of Thousand Trails, telephoned Mr. Shaw for an update on the negotiations, and then telephoned an operating principal of Kohlberg & Company, LLC concerning the negotiations. Mr. Mathis then reported on the conversation to Mr. Shaw.

From April 15 to 27, 2003, representatives of and counsel for Thousand Trails and Kohlberg negotiated and resolved the outstanding issues concerning the merger agreement, including the contents of the disclosure schedule prepared by Thousand Trails for the merger agreement and expense reimbursement issues. During this period, these representatives also negotiated the terms of the voting agreements for Carl Marks and Mr. Shaw. On April 15, 2003, Mr. Jaccard and a representative of Kohlberg participated in a telephone call with Kohlberg's proposed secured lender to discuss diligence items. During this period, Kohlberg provided Thousand Trails with the commitment letters it had received for the debt and equity financings for the transaction, and Mr. Jaccard discussed the status of the financings with Mr. Eastburn by telephone.

On April 29, 2003, the Board of Directors of Thousand Trails held a special meeting at a conference facility at the Dallas/ Ft. Worth airport. Two of the directors, Mr. Boas and Donald R. Leopold, attended by telephone. Messrs. Reed and Jaccard, together with counsel and representatives of Stephens, were also in attendance. Counsel reviewed with the board the legal duties and responsibilities of the directors with respect to the merger. The Stephens representatives made a detailed financial presentation and discussed with the board its analysis, including the treatment of the net deferral of sales revenue and expense. Mr. Reed reviewed the most recent financial results of Thousand Trails and Thousand Trails' expected cash and working capital levels over the term of the merger agreement. Mr. Jaccard reported on the status of Kohlberg's financing. Counsel reviewed with the board the terms and conditions of the merger agreement and the voting agreements, copies of which had been previously distributed to the board. A representative of Stephens delivered the oral opinion of Stephens, subsequently confirmed in writing, to the effect that, based on and subject to the matters that are stated in the opinion letter, as of the date of the opinion, the consideration to be received by the stockholders of Thousand Trails, other than Carl Marks and its affiliates, is fair to them from a financial point of view. The directors, other than Messrs. Shaw and Boas, then met in executive session to discuss the merger. After the executive session, the discussions of the board continued. After further discussion and consideration, the board unanimously determined that the merger agreement and the merger are advisable, fair to and in the best interests of Thousand Trails and the stockholders of Thousand Trails and voted to recommend the adoption and approval of the merger agreement and the merger to the stockholders of Thousand Trails.

Later on April 29, 2003, Thousand Trails, KTTI Holding, KTTI Acquisition and Messrs. Shaw and Boas executed and delivered the merger agreement and the voting agreements. On April 30, 2003, prior to the opening of the markets, Thousand Trails announced that it had entered into the merger agreement.

Reasons for the Merger and Recommendation of the Thousand Trails Board of Directors

At the Thousand Trails board of directors meeting held on April 29, 2003, the Thousand Trails board of directors determined that the merger agreement and the merger are advisable, fair to, and in the best interests of, Thousand Trails and its stockholders and approved the merger agreement and the transactions contemplated thereby. In reaching its decision to approve the merger, the Thousand Trails board of directors, with the assistance of management and its financial and legal advisors, considered a number of factors. The following discussion includes all material factors considered by the board.

Table of Contents

Among the factors the Thousand Trails board of directors considered in deciding to approve the merger are the following:

the significant premium to historical market prices represented by the cash price being provided to Thousand Trails stockholders in the merger;

the relative lack of liquidity of Thousand Trails common stock due to its low trading volumes on the American Stock Exchange and the absence of research analyst coverage;

historical information regarding the financial performance and condition, operations, marketing, management and competitive position of the business;

the growth prospects for the business due to the aging and declining membership base of Thousand Trails and the marketing challenges presented to management;

the limited opportunities to achieve growth through acquisitions;

the terms and conditions of the merger agreement, including the representations, warranties and covenants, the termination provisions and the conditions to the parties' obligations;

the terms of the merger agreement regarding the right of Thousand Trails to consider and negotiate an alternative transaction, as well as the possible effects of the provisions regarding a termination fee and expense reimbursement;

management's assessment of Kohlberg's ability to obtain the financing to consummate the merger, including the significant equity investment to be made by affiliates of Kohlberg;

the experience of Kohlberg in consummating acquisition transactions;

the presentation and oral opinion of Stephens, which was later confirmed in writing;

the fact that Thousand Trails can terminate the merger agreement, with the reimbursement of Kohlberg's expenses, if the merger consideration would be less than \$14.26 per share on account of the working capital adjustment; and

the directors' fiduciary duties under Delaware law to the Thousand Trails stockholders.

In approving the merger agreement, the Thousand Trails board of directors also considered other factors, which they believed were outweighed by the foregoing. These include the following:

the anticipated increase in the number of recreational vehicle owners over the coming years and the possible increase in driving vacations due to changes in airport security measures;

Thousand Trails management has been generally successful in controlling costs; and

Thousand Trails has accumulated cash reserves and is not currently dependent on financing for its working capital.

The foregoing discussion of the factors considered by the Thousand Trails board of directors is not intended to be exhaustive. In view of the many factors considered in connection with its evaluation of the proposed merger, the Thousand Trails board of directors did not find it practical to, and did not, quantify or otherwise attempt to assign relative weights to the specific factors considered in reaching its determination. Instead, the board conducted an overall analysis of the factors described. Individual members of the Thousand Trails board of directors may have considered different factors and may have given differing weights to the factors considered.

Thousand Trails Board of Directors' Recommendation

The Thousand Trails board of directors has approved the merger agreement and the transactions contemplated by the merger agreement and recommends that the stockholders vote FOR approval of the merger agreement.

Opinion of Stephens Inc.

Stephens Inc. was retained to render a fairness opinion to the Thousand Trails board of directors in connection with the merger. Pursuant to Stephens' engagement letter with Thousand Trails, dated January 31, 2003, Stephens delivered a written opinion to the board of directors on April 29, 2003, that, based upon and subject to the assumptions, limitations and qualifications set forth in the opinion, its work described below and other factors it deemed relevant, as of that date, the consideration to be received by the shareholders of Thousand Trails, other than Carl Marks and its affiliates, under the merger agreement was fair, from a financial point of view.

The full text of Stephens' written opinion, dated April 29, 2003, which sets forth the assumptions made, general procedures followed, matters considered and limits on the review undertaken, is included as Annex B to this proxy statement. The summary of Stephens' opinion set forth below is qualified in its entirety by reference to the full text of the opinion. **Stockholders are urged to read Stephens' opinion carefully and in its entirety.**

In arriving at its opinion, Stephens:

analyzed certain publicly available financial statements regarding Thousand Trails;

analyzed certain internal financial statements and other financial and operating data (including financial projections) concerning Thousand Trails prepared by management of Thousand Trails;

reviewed the reported prices and trading activity for Thousand Trails common stock;

compared the financial performance of Thousand Trails and the prices and trading activity of the common stock of Thousand Trails with that of certain other publicly-traded companies engaged in similar or related lines of business and their securities;

reviewed the financial terms, to the extent publicly available, of certain transactions involving similar or related lines of business;

performed discounted cash flow analyses using financial projections prepared by the management of Thousand Trails;

reviewed the merger agreement and related documents;

discussed with the management of Thousand Trails the operations of and future business prospects for Thousand Trails and the anticipated financial consequences of the merger; and

performed such other analyses and provided such other services as it deemed appropriate.

In rendering its opinion, Stephens relied on the accuracy and completeness of the information and financial data provided to Stephens by Thousand Trails and Stephens' opinion is based upon such information. Stephens inquired into the reliability of such information and financial data only to the limited extent necessary to provide a reasonable basis for its opinion, recognizing that Stephens rendered only an informed opinion and not an appraisal or certification of value. With respect to the financial projections prepared by management of Thousand Trails, Stephens assumed that they were reasonably prepared on bases reflecting the then best currently available estimates and judgments of the management of Thousand Trails as to the future financial performance of Thousand Trails. Stephens did not make and was not provided with an independent evaluation or appraisal of the assets or liabilities, contingent or otherwise, of Thousand Trails nor did Stephens make any physical inspection of the properties or assets of Thousand Trails.

For purposes of rendering the fairness opinion, Stephens assumed, in all respects material to its analysis, that the representations and warranties of each party to the merger agreement and all related documents and instruments were true and correct, that each party to these documents would perform all of the covenants and agreements required to be performed by each party under these documents and that all conditions to the consummation of the merger would be satisfied without waiver. Stephens assumed that in the course of obtaining any necessary regulatory or other consents or approvals for the merger, no restrictions, including any

Table of Contents

divestiture requirements or amendments or modifications, would be imposed that would have a material adverse effect on the contemplated benefits of the merger.

Stephens' opinion was provided for the information of the board of directors of Thousand Trails in its evaluation of the merger, and did not constitute a recommendation of the merger to Thousand Trails or its stockholders, nor does it constitute a recommendation to any stockholder as to how such stockholder should vote on any matters relating to the merger. The consideration to be received in the merger was determined through negotiations between Thousand Trails and representatives of Kohlberg. Stephens advised Thousand Trails in connection with these negotiations but did not recommend any specific amount of consideration to Thousand Trails.

Presentation of Stephens Inc.

In connection with rendering its opinion, Stephens made a presentation to the board of directors of Thousand Trails on April 29, 2003, with respect to the material analyses performed by Stephens in evaluating the fairness of the consideration received. The following is a summary of that presentation. The summary includes information presented in tabular format. **In order to understand fully the financial analyses used by Stephens, these tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses.** The following quantitative information, to the extent it is based on market data, is, except as otherwise indicated, based on market data as it existed at or prior to April 29, 2003, and is not necessarily indicative of current or future market conditions.

Stock Price History

Stephens examined and presented the history of the trading prices for Thousand Trails common stock for the ten-year period ending April 28, 2003. Stephens reviewed the daily closing prices of Thousand Trails common stock and analyzed the implied premium represented in the merger relative to the ten-year high closing price of Thousand Trails common stock. This information was presented to the board of directors of Thousand Trails to provide contextual background information regarding the prices of Thousand Trails common stock over the periods indicated.

Comparable Company Analysis

Stephens compared certain publicly available financial and operating data of selected publicly traded companies engaged in similar or related lines of business to Thousand Trails. This comparison was based on the respective companies' annual reports on Form 10-K and quarterly reports on Form 10-Q as well as recent Wall Street analysts' research reports. The selected comparable companies considered by Stephens were:

Bluegreen Corporation;

ResortQuest International, Inc.;

Thor Industries, Inc.;

Fleetwood Enterprises, Inc.;

Winnebago Industries, Inc.; and

Monaco Coach Corporation.

Equity value of the selected comparable companies was calculated based on the closing price per share of each company's common stock on April 28, 2003. For the selected comparable companies, Stephens derived the ratio of each entity's market value of fully-diluted common equity plus outstanding debt less cash, cash equivalents and marketable securities (Enterprise Value) as of April 28, 2003, to the selected comparable companies' earnings before interest, taxes, depreciation and amortization (EBITDA) and operating income for the latest twelve month (LTM) period. Stephens also derived the ratio of each company's market price

Table of Contents

per share to the respective company's LTM earnings per share (P/E). The following table sets forth the results of this analysis.

Ratio of Enterprise Value to:	Range:	Mean:
LTM EBITDA	4.9x - 6.5x	5.9x
LTM operating income	5.9x - 9.5x	7.0x
Ratio of:	Range:	Mean:
LTM P/E	8.8x - 15.9x	11.4x

Based on this data, Stephens derived a range of implied trading value of Thousand Trails common stock of \$9.63 to \$13.31 per share based on the ratio of Enterprise Value to Thousand Trails LTM EBITDA; a range of \$9.24 to \$12.11 per share based on the ratio of Enterprise Value to Thousand Trails operating income; and a range of \$9.39 to \$13.14 per share based on the ratio of Thousand Trails LTM P/E.

Comparable Transactions Analysis

Stephens reviewed the financial terms, to the extent publicly available, for the following six transactions involving timeshare and vacation membership companies:

Closing Date	Acquirer	Target
September 24, 2002	USA Interactive, Inc.	Interval International, Inc.
June 3, 2002	Cendant Corporation	Trendwest Resorts
February 12, 2002	Cendant Corporation	Equivest Finance, Inc.
April 3, 2001	Cendant Corporation	Fairfield Communities Inc.
November 17, 1999	Equivest Finance, Inc.	Peppertree Resorts, LTD
October 1, 1999	Starwood Hotels & Resorts	Vistana Inc.

Stephens' analysis of the selected transactions yielded a ratio of the price paid for the common equity plus the assumed debt (Total Transaction Value) to the EBITDA of the target company for the LTM period preceding the announcement of the transaction and operating income of the target company for the LTM period preceding the announcement of the transaction. In deriving a range of values, Stephens utilized only precedent transactions in which the price paid for the common equity (Equity Value) was less than \$150 million (Cendant Corporation's acquisition of Equivest Finance, Inc. and Equivest Finance, Inc.'s acquisition of Peppertree Resorts, LTD).

The following table sets forth the results of this analysis:

Ratio of Total Transaction Value of Target Company to:	Range:	Mean:
LTM EBITDA	5.3x-7.6x	6.5x
LTM operating income	8.9x-8.9x	8.9x

Stephens derived a range of implied value of Thousand Trails common stock of \$11.47 to \$15.15 per share based on a ratio of Total Transaction Value to LTM EBITDA and a range of \$10.67 to \$13.54 per share based on a ratio of Total Transaction Value to LTM operating income.

Discounted Cash Flow Analysis

Stephens performed a discounted cash flow analysis of Thousand Trails based upon estimates of projected financial performance prepared by the management of Thousand Trails. Utilizing these projections, Stephens calculated a range of implied equity value per share based upon the

Edgar Filing: THOUSAND TRAILS INC /DE/ - Form DEFM14A

discounted net present value of the sum of the projected stream of unlevered free cash flows for the years ending June 30, 2003 to June 30, 2006 and a projected terminal value of both GAAP EBITDA and Adjusted EBITDA (defined as GAAP EBITDA plus net deferral of sales revenue and expense) at June 30, 2006 less net debt outstanding as of December 31, 2002 divided by the number of Thousand Trails fully-diluted shares outstanding. Stephens applied several discount rates (ranging from 18.0% to 22.0%) and multiples of both GAAP EBITDA and Adjusted EBITDA ranging

Table of Contents

from 4.5x to 6.5x to generate the terminal value. Utilizing this methodology, the implied value per share of Thousand Trails common stock ranged from \$11.14 to \$18.12 per share.

The summary set forth above does not purport to be a complete description of the analyses performed by Stephens but describes, in summary form, the principal elements of the presentation made by Stephens to the Thousand Trails board of directors on April 29, 2003. The preparation of a fairness opinion involves various determinations as to the most appropriate and relevant methods to the particular circumstances and, therefore, such an opinion is not readily susceptible to summary description. Each of the analyses conducted by Stephens was carried out in order to provide a different perspective on the transaction and to add to the total mix of information available. Stephens did not form a conclusion as to whether any individual analysis, considered in isolation, supported or failed to support an opinion as to the fairness of the merger from a financial point of view. Rather, in reaching its conclusion, Stephens considered the results of the analyses in light of each other and ultimately reached its opinion based on the analyses taken as a whole. Accordingly, notwithstanding the separate factors summarized above, Stephens has indicated to Thousand Trails that it believes that consideration of some of the analyses and factors considered, without considering all analyses and factors, could create an incomplete or inaccurate view of the evaluation process underlying the opinion. The analyses performed by Stephens are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by such analyses.

Fees

Stephens will receive a fee for its services to Thousand Trails. Under a letter agreement between Thousand Trails and Stephens, Thousand Trails agreed to pay Stephens, upon the rendering of a fairness opinion, a fee of \$200,000 for such services. Stephens will also be reimbursed for its out-of-pocket expenses, including reasonable fees and expenses for its legal counsel. In addition, Thousand Trails has agreed to indemnify Stephens for liabilities related to or arising out of the engagement.

As part of Stephens' investment banking business, it regularly issues fairness opinions and is continually engaged in the valuation of companies and their securities in connection with business reorganizations, private placements, negotiated underwritings, mergers and acquisitions and valuations for estate, corporate and other purposes. In the ordinary course of business, Stephens and its affiliates at any time may hold long or short positions and may trade or otherwise effect transactions as principal or for the accounts of customers, in debt or equity securities or options on securities of Thousand Trails and, accordingly, may at any time hold a long or short position in those securities. Stephens, and its affiliates, may maintain other relationships with Thousand Trails and its respective affiliates.

Financing of the Merger

The obligations of KTTI Holding to consummate the merger are subject to a financing contingency. It is expected that KTTI Holding will fund the merger through a combination of equity contributions and debt financing, which is expected to be sufficient to make the payments required under the merger agreement. Kohlberg has provided Thousand Trails with a commitment letter to provide equity, and KTTI Holding has provided Thousand Trails with a copy of a commitment letter from iStar Financial, Inc. to provide debt financing as further described below.

The merger agreement provides that KTTI Holding and KTTI Acquisition will use commercially reasonable efforts to complete the financings contemplated by the debt commitment letters and will use their best efforts to cause their affiliates to satisfy their obligations under the equity commitment letter. In the event that the financings contemplated by the debt commitment letters are not completed, the merger agreement provides that KTTI Holding and KTTI Acquisition will use commercially reasonable efforts to obtain alternate financing on terms no less favorable to them than the financings contemplated by the debt commitment letters.

Thousand Trails has been advised by KTTI Holding that it estimates that the total amount of funds necessary for KTTI Holding and KTTI Acquisition to consummate the merger and pay related fees and expenses is approximately \$121,000,000 (of which approximately \$113,000,000 is expected to be used to pay

Table of Contents

merger consideration and \$8,000,000 is expected to be used to pay transaction fees and expenses). KTTI Holding expects these funds to come from the following:

available cash balances of Thousand Trails;

a term loan in the amount of \$72,000,000 from iStar Financial; and

equity financing in the amount of \$35,000,000 to be provided by affiliates of Kohlberg.

In addition, KTTI Holding has advised Thousand Trails that pursuant to the terms of a binding commitment letter, subject to the execution of definitive loan agreements and the satisfaction of the conditions specified in the commitment letter, Union Bank of California, N.A. has committed to provide the surviving corporation with a \$10,000,000 revolving credit facility for working capital and general corporate purposes following the consummation of the merger.

Term Loan

KTTI Holding has advised Thousand Trails that iStar Financial has committed to make a term loan to KTTI Acquisition in the principal amount of \$72 million to finance a portion of the merger consideration. The term loan will be secured by first priority mortgage liens on the U.S. properties of Thousand Trails, a first priority pledge of all dues payments under its membership contracts, a first priority pledge of Thousand Trails' interest in all of its U.S. subsidiaries and a 65% interest in its Canadian subsidiary, a first priority pledge of all permits, licenses, reservation systems and all other tangible and intangible property of Thousand Trails. The loan will have a ten year term and will bear interest at 10% per annum. The term loan will amortize monthly on a 20-year amortization schedule with mandatory additional annual principal payments equal to 75% of net cash flow, after monthly debt service payments, for the prior calendar year. After the principal balance is reduced to \$50 million, the additional annual principal payments shall be made only if then required by iStar Financial.

Funding of the term loan will be subject to the following significant conditions and other closing conditions:

receipt of at least a \$35 million equity contribution to KTTI Acquisition;

the execution of loan documentation satisfactory to iStar Financial with respect to the term loan;

the satisfaction of the closing conditions to be set forth in such loan documentation, including without limitation opinions of counsel satisfactory to iStar Financial;

iStar Financial's satisfaction with the due diligence of Thousand Trails' properties, including:

physical inspections,

title,

survey,

environmental,

litigation,

permit status,

compliance with other laws, including all governmental requirements and compliance with public and private restrictions for all of the properties,

delivery of specified documents, and

establishment of any reserves or holdbacks as may be required by iStar Financial;

iStar Financial's review and approval of the documents evidencing the revolving credit facility described below and the execution of an intercreditor agreement related to such revolving credit facility;

Table of Contents

approval of the merger by the Thousand Trails stockholders; and

the absence of any material adverse change in Thousand Trails or Thousand Trails' business or assets since April 22, 2003.

Equity Financing

Thousand Trails has received a commitment letter from Kohlberg, on behalf of its investment fund affiliates, to provide the equity financing. The equity financing will consist of the purchase by investment funds affiliated with Kohlberg of shares of KTTI Holding common stock for total consideration of \$35,000,000.

The obligations of Kohlberg to provide and fund the equity financing are subject to receipt by KTTI Holding or KTTI Acquisition of the debt financing proceeds described above in accordance with the terms of the commitment letters with respect to the term loan and the revolving credit facility and the fulfillment of all of the other conditions to KTTI Holding's and KTTI Acquisition's obligations to consummate the merger and the related transactions under the merger agreement.

Revolving Credit Facility

KTTI Holding has advised Thousand Trails that Union Bank of California has committed to make a revolving credit facility available to the surviving corporation to fund working capital requirements following consummation of the merger. The revolving credit facility would permit the surviving corporation to borrow up to \$10 million and would bear interest at either the prime rate, minus 0.50% per annum, or at the London Interbank Offered Rate, plus 1.75% per annum. The revolving credit facility would mature two years after the closing date. Interest on any borrowings under the revolving credit facility would be paid monthly while principal amounts would only be due at maturity; however, the line must be reduced annually to zero for at least 60 consecutive days. Amounts repaid on the revolving credit facility before maturity may be reborrowed. The revolving credit facility would be secured by the surviving corporation's membership contract purchase price receivables.

Funding of the revolving credit facility will be subject to the following significant conditions and other closing conditions:

the absence of any material adverse change in Thousand Trails' financial condition, operations, assets, liabilities, business or prospects since April 27, 2003;

the consummation of the merger;

the negotiation, execution and delivery of loan documentation satisfactory to Union Bank of California with respect to the revolving credit facility; and

the satisfaction of the closing conditions to be set forth in such loan documentation.

If the conditions related to the debt and equity financings described herein are satisfied, it is expected that the proceeds of the debt and equity financings described above, together with Thousand Trails' available cash, will be sufficient to consummate and fund the merger, pay all fees and expenses related to the merger and provide working capital for the surviving corporation.

Because the only consideration in the merger is cash and the completion of the merger is subject to a financing condition in an amount sufficient for the payment of the aggregate merger consideration, Thousand Trails does not believe that the financial condition of KTTI Holding or KTTI Acquisition would be material to a stockholder's decision whether to vote to approve the merger.

Appraisal Rights

If the merger occurs, holders of Thousand Trails common stock who follow the procedures for asserting and perfecting appraisal rights specified in Section 262 of the Delaware General Corporation Law will be entitled to receive the appraised fair value of their shares instead of the merger consideration. The fair value could be greater than, less than or the same as the merger consideration. The following summary is

Table of Contents

qualified in its entirety by Section 262, a copy of which is attached as Annex C to this proxy statement and incorporated herein by this reference. Stockholders should carefully review Section 262 as well as the information discussed below.

A stockholders who wishes to exercise appraisal rights under Section 262 must do all of the following:

The stockholder must deliver a written demand for appraisal to Thousand Trails, which must reasonably inform Thousand Trails of the identity of the stockholder and that the stockholder is demanding appraisal. The demand must be delivered before the vote is taken at the special meeting and must be in addition to and separate from any proxy or vote against adopting the merger agreement. Neither voting against, abstaining from voting nor failing to vote on the adoption of the merger agreement will constitute a valid demand for appraisal within the meaning of Section 262.

The stockholder must not vote in favor of adopting the merger agreement. Failing to vote or abstaining from voting will satisfy this requirement. However, voting for adoption of the merger agreement, whether by proxy or in person, or returning a signed proxy that does not specify an abstention or a vote against adoption of the merger agreement, will constitute a vote in favor of the merger agreement, a waiver of appraisal rights, and will nullify any previously delivered written demand for appraisal.

The stockholder must continuously hold the shares of record until the completion of the merger.

All written demands for appraisal should be delivered to Thousand Trails, Inc., 3801 Parkwood Blvd., Suite 100, P.O. Box 2529, Frisco, Texas 75034, Attention: Corporate Secretary, before the vote is taken at the special meeting. The written demand must be executed by or for the record holder of shares as the holder's name appears on the certificate(s) for the shares. If the shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, the demand must be executed by the fiduciary in that capacity, and if the shares are owned of record by more than one person, such as in a joint tenancy or tenancy in common, the demand must be executed by or for all joint owners. An authorized agent, including one of two or more joint owners, may execute the demand for appraisal for a holder of record; however, the agent must identify the record owner(s) and expressly disclose the fact that, in executing the demand, the agent is acting as agent for the record owner(s).

A beneficial owner who desires appraisal of shares held in street name by a bank, broker or other nominee holder should take appropriate actions to ensure that the nominee holder makes a timely and proper demand for appraisal. Shares held through brokerage firms, banks and other financial institutions are frequently deposited with and held of record in the name of a nominee of a central security depository, such as Cede & Co. Beneficial owners who hold shares through a brokerage firm, bank or other nominee holder are responsible for ensuring that the demand for appraisal is timely made by the record holder. The beneficial holder of the shares should instruct the nominee holder that the demand for appraisal should be made by the record holder of the shares (which may be the nominee of a central security depository if the shares have been so deposited).

A record holder, such as a bank, broker, fiduciary, depository or other nominee, who holds shares of Thousand Trails common stock as a nominee for others, may exercise appraisal rights with respect to the shares held for all or less than all beneficial owners of the shares as to which the person is the record owner. In that case, the written demand must specify the number of shares covered by the demand. If the number of shares is not expressly stated, the demand will be presumed to cover all shares outstanding in the name of the record owner.

Within ten days after the merger, Thousand Trails will give written notice of the date of the merger to each stockholder who has properly demanded appraisal and satisfied the requirements of Section 262. These people are referred to as dissenting stockholders. Within 120 days after the merger, Thousand Trails or any dissenting stockholder may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares held by all dissenting stockholders. Thousand Trails has no obligation to, and does not presently intend, to file such a petition. Accordingly, it is the obligation of the dissenting stockholders to initiate all necessary actions to perfect appraisal rights within the time prescribed by Section 262.

Table of Contents

If a petition for appraisal is timely filed, the court will determine which stockholders are entitled to appraisal rights and will determine the fair value of the shares of Thousand Trails common stock held by dissenting stockholders, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, to be paid on the fair value. In determining fair value, the court will take into account all relevant factors. The Delaware Supreme Court has stated, among other things, that proof of value by any techniques or methods which are generally acceptable in the financial community and otherwise admissible in court should be considered in an appraisal proceeding. In addition, Delaware courts have decided that the statutory appraisal remedy may or may not be the stockholder's exclusive remedy in connection with transactions such as the merger, depending on the factual circumstances. The court may determine fair value to be more than, less than or equal to the consideration that the dissenting stockholder would otherwise be entitled to receive pursuant to the merger agreement. The costs of the appraisal proceeding shall be determined by the court and taxed against the parties as the court determines to be equitable under the circumstances. Upon application of a stockholder, the court may order all or a portion of the expenses incurred in connection with the appraisal proceeding, including reasonable attorneys' fees and the fees and expenses of experts, to be charged *pro rata* against the value of all shares subject to appraisal.

From and after the completion of the merger, no dissenting stockholder shall have any rights of a stockholder for any purpose, except the right to receive payment of the fair value determined by the court and to receive payment of dividends or other distributions on the holder's shares of Thousand Trails common stock, if any, payable to stockholders of record as of a time prior to the merger. If a dissenting stockholder delivers a written withdrawal of the demand for an appraisal within 60 days after the completion of the merger or subsequently with the written approval of the surviving company, or, if no petition for appraisal is filed within 120 days after the completion of the merger, then the right of that dissenting stockholder to an appraisal will cease and the dissenting stockholder will be entitled to receive only the merger consideration for his or her shares. Once a petition for appraisal is filed with the Delaware court, the appraisal proceeding may not be dismissed as to any stockholder without the approval of the court.

If you wish to exercise your appraisal rights, you must not vote in favor of the merger agreement and must strictly comply with the procedures set forth in Section 262 of the Delaware General Corporation Law. If you fail to take any required step in connection with the exercise of appraisal rights, it may result in the termination or waiver of these rights.

Federal Income Tax Consequences

The following discussion is a summary of the material United States federal income tax consequences of the merger. This discussion is based upon the Internal Revenue Code of 1986, as amended, final and temporary regulations issued by the United States Treasury Department, judicial authorities, and rulings and administrative practice of the Internal Revenue Service, as currently in effect, all of which are subject to change at any time, possibly with retroactive effect. This discussion does not address all aspects of United States federal income taxation that could be relevant to particular holders of Thousand Trails common stock in light of their status or personal investment circumstances, such as foreign persons, dealers in securities, regulated investment companies, life insurance companies, other financial institutions, tax-exempt organizations, pass-through entities, persons who hold Thousand Trails common stock as part of a straddle, hedge or conversion transaction or who have a functional currency other than the United States dollar, persons who have received their Thousand Trails common stock as compensation or otherwise in connection with the performance of services or individuals subject to the alternate minimum tax. Further, this discussion does not address the state, local or foreign tax consequences of the merger. The discussion assumes that each stockholder holds its Thousand Trails common stock as a capital asset within the meaning of the Internal Revenue Code.

The receipt of cash for Thousand Trails common stock pursuant to the merger will be a taxable transaction for United States federal income tax purposes. Each holder will recognize gain or loss per share equal to the difference between the merger consideration and the holder's adjusted tax basis per share in Thousand Trails common stock.

Table of Contents

In general, a holder's gain or loss from the merger will be capital gain or loss, and will be long-term capital gain or loss if the holder's holding period for the shares exceeds twelve months. If a holder acquired Thousand Trails shares in different lots, the amount and type of gain or loss generally will be computed separately for each lot. Under current law, net long-term capital gains of individuals are subject to federal income tax at a rate of up to 15%, not taking into account any phase-out of tax benefits such as personal exemptions and certain itemized deductions. However, ordinary income and net short-term capital gains (i.e., gain on capital assets held for not more than twelve months) of individuals currently are subject to federal income tax at a rate of up to 35% (15% for qualified dividends), not taking into account any phase-out of tax benefits such as personal exemptions and certain itemized deductions. For corporations, capital gains and ordinary income are subject to tax at a federal rate of up to 35%. Capital losses are currently deductible only to the extent of capital gains plus, in the case of taxpayers other than corporations, \$3,000 of ordinary income or \$1,500 in the case of married individuals filing separate returns. In the case of individuals and other non-corporate taxpayers, capital losses that are not currently deductible may be carried forward to other years, subject to certain limitations, but may not be carried back. In the case of corporations, capital losses that are not currently deductible may generally be carried back to each of the three years preceding the loss year and forward to each of the five years following the loss year, subject to certain limitations.

A holder of Thousand Trails common stock may be subject to backup withholding at the rate of 28% with respect to payments of cash consideration received in the merger, unless the holder provides a correct taxpayer identification number in the manner required or is a corporation or other exempt recipient and, when required, demonstrates this fact. To prevent the possibility of backup federal income tax withholding, each holder must provide the paying agent with his or her correct taxpayer identification number by completing a Form W-9 or Substitute Form W-9. A holder of Thousand Trails common stock who does not provide the paying agent with his or her correct taxpayer identification number may be subject to penalties imposed by the IRS, as well as backup withholding. Any amount withheld will be creditable against the holder's federal income tax liability, with any excess refunded, provided a claim is properly filed with the IRS on a timely basis. Thousand Trails or its agent will report to the holders of Thousand Trails common stock and the IRS the amount of any reportable payments, as defined in Section 3406 of the Internal Revenue Code, and the amount of tax, if any, withheld from those payments.

The foregoing discussion is not a complete description of all of the potential tax consequences that may occur as a result of the merger. Each Thousand Trails stockholder should consult his, her or its tax advisor regarding the United States federal income and other tax consequences, as well as the tax consequences under the laws of any state, local or other jurisdiction, arising from the merger.

THE MERGER AGREEMENT

The following is a summary of the Merger Agreement, a copy of which is attached as Annex A to this proxy statement and is incorporated herein by reference. You are urged to review the Merger Agreement carefully in its entirety.

Effective Time

The merger agreement provides that the merger will become effective upon the filing of a certificate of merger with the Delaware Secretary of State or at such later time as may be specified in the certificate of merger. Subject to approval of the merger agreement at the special meeting, the filing of the certificate of merger is expected to occur promptly following the satisfaction or waiver of the conditions set forth in the merger agreement.

Certificate of Incorporation and By-Laws

The certificate of incorporation and by-laws of Thousand Trails will be amended and restated to be identical to those of KTTI Acquisition, except that the name of the surviving company will be Thousand Trails, Inc.

Table of Contents**Payment for Thousand Trails Common Stock and Options**

At the time of the merger:

each share of Thousand Trails common stock outstanding as of the effective time of the merger will be canceled and converted into the right to receive \$14.50 per share in cash, less any working capital adjustment described below;

all outstanding options to purchase Thousand Trails common stock, whether or not then vested or exercisable, will be canceled and thereafter the former holder thereof will be entitled to a payment from Thousand Trails, subject to any applicable withholding taxes, as the case may be, equal to the product of (a) the total number of shares of Thousand Trails common stock subject to such Thousand Trails stock option and (b) the excess of the per share merger consideration over the per share option exercise price for such Thousand Trails stock option, payable in cash; and

each share of KTTI Acquisition common stock will be canceled and converted into one share of common stock of Thousand Trails.

The per share merger consideration will be adjusted in the event that Thousand Trails' working capital, as defined in the merger agreement, is less than \$26 million as of the last day of the month immediately preceding the closing date of the merger. In such event, the per share merger consideration would be reduced by an amount equal to the amount by which working capital is less than \$26 million divided by the fully-diluted number of shares of common stock outstanding as of the date of determination of working capital. Thousand Trails will announce in a press release any adjustment in the merger consideration due to the working capital amount promptly after the determination is made. Either party may terminate the merger agreement if the amount of working capital is less than \$24 million. Based on the number of fully-diluted shares of common stock outstanding as of the date of this proxy statement, the following table shows the per share merger consideration that stockholders would receive in the event of a working capital adjustment:

Working Capital Amount	Adjusted Merger Consideration
\$26,000,000	\$ 14.50
\$25,500,000	\$ 14.44
\$25,000,000	\$ 14.38
\$24,500,000	\$ 14.32
\$24,000,000	\$ 14.26

If, on the last day of the month immediately preceding the closing date of the merger, working capital is less than \$24 million, each party has the right to terminate the merger agreement. Termination in such circumstances would require Thousand Trails to reimburse Kohlberg's expenses in connection with the merger. Thousand Trails is currently unable to determine whether it would exercise its right to terminate the merger agreement in that event. Thousand Trails believes that any decision to terminate the merger agreement should be based on the facts and circumstances existing at the time the decision is required. If the total amount of the merger consideration falls below \$14.26 per share as a result of the working capital adjustment, Thousand Trails will announce whether it will exercise its right to terminate the merger agreement in the press release announcing the determination of the adjusted merger consideration. Thousand Trails does not currently intend to resolicit proxies if it does not exercise its right to terminate. However, because the announcement will be made prior to the special meeting, stockholders may then submit or revoke their proxies in accordance with the procedures described in the section entitled "The Special Meeting - Voting Information." As of April 30, 2003, Thousand Trails had \$28.8 million of working capital as defined in the merger agreement. Thousand Trails management currently expects working capital to be in excess of \$26 million as of June 30, 2003 and July 31, 2003.

No Solicitation of Transactions

The merger agreement provides that, subject to exceptions described below, Thousand Trails:

will cease all activities, discussions or negotiations with any parties with respect to an acquisition proposal; and

will not initiate, solicit, negotiate, encourage or provide nonpublic or confidential information to facilitate any acquisition proposal.

An acquisition proposal means any written proposal or offer to acquire any part of the Thousand Trails business or properties constituting 25% or more of the net revenue, net income or assets of Thousand Trails and its subsidiaries, taken as a whole, or a significant equity interest in the capital stock of Thousand Trails or any of its subsidiaries, whether by merger, consolidation, recapitalization, purchase of assets, tender offer or otherwise. Thousand Trails is required to notify KTTI Holding of any acquisition proposal orally within 24 hours and in writing with 48 hours of receipt of such a proposal.

Notwithstanding the above, if Thousand Trails and its board of directors determine in good faith after consultation with its independent financial advisor and legal counsel that such acquisition proposal reasonably could constitute a superior proposal, as defined in the merger agreement, and the board of directors determines in good faith after consultation with legal counsel that such action is required to comply with its fiduciary duties under applicable law and such party enters into a confidentiality agreement with Thousand Trails on

terms no less favorable to Thousand Trails than its confidentiality agreement with Kohlberg, then Thousand Trails and its board of directors may respond to, furnish information to or engage in discussions or negotiations with any person in response to such superior proposal. The board of directors is also permitted to take and disclose to Thousand Trails stockholders a position with respect to any tender or exchange offer by a third party.

The merger agreement provides that the board of directors will not withdraw, amend, qualify or modify in any manner adverse to KTTI Holding or KTTI Acquisition the recommendation of the board of directors of the merger or the merger agreement, endorse, approve, recommend or submit to the stockholders any alternative acquisition transaction, or cause Thousand Trails to enter into any agreement with respect to an acquisition transaction, unless the board of directors:

determines in good faith, after it has received a superior proposal and after taking into account advice from independent outside legal counsel with respect to its fiduciary duties under applicable law, that such action is required to comply with such fiduciary duties,

delivers notice to KTTI Holding of its intent to take such action, and

allows five business days to elapse during which KTTI Holding and KTTI Acquisition may offer adjustments to the terms and conditions of the merger agreement that will permit the board of directors to determine that, with such adjustments, the merger is at least as favorable to the Thousand Trails stockholders as such superior proposal.

Termination

The merger agreement may be terminated at any time before the effective time, notwithstanding any approval of the merger agreement by the stockholders of Thousand Trails:

by mutual consent of the boards of directors of Thousand Trails and KTTI Acquisition;

by either Thousand Trails or KTTI Acquisition, if any governmental authority issues a final order or law preventing the consummation of the merger;

by either Thousand Trails or KTTI Acquisition if the merger has not been completed by August 29, 2003;

by KTTI Acquisition if:

the Thousand Trails board of directors has withdrawn, amended, qualified or modified in a manner adverse to KTTI Acquisition its recommendation to approve the merger and the merger agreement, has endorsed, approved, recommended or submitted to the stockholders an alternative acquisition proposal or has caused Thousand Trails to enter into any agreement with respect to an alternative acquisition proposal,

the board of directors, upon request of KTTI Acquisition, fails to reconfirm its recommendation within 15 business days after public announcement of an alternative acquisition proposal or fails to publicly announce that it is not recommending any alternative acquisition proposal, or

Thousand Trails has breached in any material respect its obligations under the merger agreement regarding non-solicitation of alternative acquisition proposals,

in which case Thousand Trails would be obligated to pay KTTI Holding the termination fee and expense reimbursement described below under Termination Fee; Expenses ;

by either Thousand Trails or KTTI Acquisition, if the merger agreement and the merger do not receive stockholder approval, in which case Thousand Trails would be obligated to pay KTTI Acquisition the expense reimbursement and, if Thousand Trails consummates, or enters into a definitive agreement with respect to, a business combination with a third party within 12 months of such termination of the merger agreement, the termination fee;

by KTTI Acquisition because of:

a breach of the representations and warranties made by Thousand Trails in the merger agreement at the time of its execution, other than with respect to the accuracy of reports delivered to KTTI Acquisition regarding Thousand Trails membership contracts, that would reasonably be expected to have a material adverse effect on Thousand Trails or

a material breach of any covenant or agreement of Thousand Trails,

in each such case where such breach, if capable of being cured, remains uncured 15 days after receipt of notice of such breach, and in either case, except with respect to the inability of Thousand Trails to make such representations and warranties at and as of the closing date, Thousand Trails would be obligated to pay KTTI Acquisition the expense reimbursement and, if Thousand Trails consummates, or enters into a definitive agreement with respect to, a business combination with a third party within 12 months of such termination of the merger agreement, the termination fee;

by Thousand Trails because of:

a breach of the representations and warranties made by KTTI Acquisition in the merger agreement at the time of its execution that would reasonably be expected to have a material adverse effect on KTTI Acquisition's ability to consummate the merger or

a material breach of any covenant or agreement of KTTI Acquisition,

in each case where such breach, if capable of being cured, remains uncured 15 days after receipt of notice of such breach;

by Thousand Trails if the Thousand Trails board of directors receives a superior proposal and the board of directors authorizes Thousand Trails to enter into a definitive agreement with respect to such superior proposal, the Thousand Trails board of directors notifies KTTI Holding of its intent to enter into such agreement, KTTI Holding and KTTI Acquisition have not made an offer that the Thousand Trails board of directors determines is at least as favorable as such superior proposal, and Thousand Trails pays KTTI Acquisition the termination fee and expense reimbursement;

by Thousand Trails if the board of directors has determined in good faith, after consultation with legal counsel, that not holding the stockholders meeting is required for the board of directors to comply with its fiduciary duties and Thousand Trails pays KTTI Acquisition the termination fee and expense reimbursement;

by Thousand Trails or KTTI Acquisition if, as of the last day of the month preceding the closing of the merger, Thousand Trails' working capital is less than \$24 million, in which case Thousand Trails would be obligated to pay KTTI Acquisition the expense reimbursement; and

by KTTI Acquisition because of a breach of the representations and warranties made by Thousand Trails with respect to the accuracy of reports previously delivered to KTTI Acquisition regarding Thousand Trails membership contracts.

If the merger agreement is terminated, no party will have any liability or obligation to the other party, other than for willful breaches, except as described above and under Termination Fee; Expenses.

Termination Fee; Expenses

Except as disclosed in this proxy statement and as set forth in the merger agreement, all fees and expenses incurred in connection with the merger, the merger agreement and any other transactions contemplated thereby will be paid by the party incurring such fees and expenses.

Under the merger agreement, Thousand Trails must reimburse KTTI Acquisition for up to \$3 million of its expenses if the merger agreement is terminated under the specified circumstances described above in Termination. Further, in addition to the expense reimbursement, in some of those specified circumstances, Thousand Trails must pay KTTI Acquisition a termination fee of \$4 million.

Table of Contents

Amendment and Waiver

The merger agreement may be amended by Thousand Trails and KTTI Holding in accordance with applicable law. Either party may waive compliance by the other party with respect to any of the agreements or conditions contained in the merger agreement.

Director and Officer Indemnification

Subject to limitations imposed under applicable law, all rights to indemnification available to the present and former officers and directors of Thousand Trails and its subsidiaries with regard to acts or omissions occurring on or before the merger will remain available to the maximum extent provided under Thousand Trails' certificate of incorporation and bylaws as in effect on the date of the merger agreement.

For five years after the merger, KTTI Acquisition and Thousand Trails will maintain officers' and directors' liability insurance for acts or omissions occurring on or before the merger covering each person currently covered by Thousand Trails' officers' and directors' liability insurance policy, and on terms substantially equivalent to those of the current policy; provided, however, that such coverage can be maintained at an annual cost not greater than 200% of Thousand Trails' current premium level. If the current level of coverage cannot be maintained, then KTTI Acquisition will provide as much insurance as can be maintained at a cost equal to 200% of the premium level for Thousand Trails' current insurance policy. KTTI Acquisition will also cause related deductible amounts payable by individual officers and directors to be reduced to zero, subject to a cost limitation.

Delaware's Anti-Takeover Statute

Thousand Trails is a Delaware corporation and is subject to Section 203 of the Delaware General Corporation Law. In general, Section 203 prevents an interested stockholder from engaging in a business combination with Thousand Trails for three years following the date that person became an interested stockholder unless:

before that person became an interested stockholder, Thousand Trails' board of directors approved the transaction in which the interested stockholder became an interested stockholder or approved the business combination;

upon completion of the transaction that resulted in the interested stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of Thousand Trails outstanding at the time the transaction commenced, excluding stock held by persons who are both directors and officers of Thousand Trails or by certain employee stock plans; or

on or following the date on which that person became an interested stockholder, the business combination is approved by Thousand Trails' board and authorized at a meeting of stockholders by the affirmative vote of the holders of at least 66 2/3% of the outstanding voting stock of Thousand Trails, excluding shares held by the interested stockholder.

An interested stockholder is defined generally as a person owning 15% or more of Thousand Trails' outstanding voting stock. A business combination includes mergers, asset sales and other transactions resulting in a financial benefit to the interested stockholder. Because the Thousand Trails board of directors approved the merger and the voting agreements, Section 203 by its terms would not apply to the merger.

INTERESTS OF CERTAIN PERSONS IN THE MERGER

In considering the merger, Thousand Trails stockholders should be aware that the directors and executive officers of Thousand Trails have interests in the merger that may be considered different from, or in addition to, their interests solely as stockholders of Thousand Trails. These are described below.

Table of Contents**Treatment of Options**

At the time of the merger, each Thousand Trails stock option outstanding immediately prior to the effective time, whether or not then vested or unvested, will be canceled and converted into the right to receive a payment from the surviving corporation in cash, subject to any applicable withholding taxes, as the case may be, equal to the product of (i) the total number of shares of Thousand Trails common stock subject to such stock option and (ii) the excess of the per share merger consideration over the per share option exercise price for such stock option. As a result, if the merger is consummated with a merger consideration of \$14.50 per share, the directors and the executive officers of Thousand Trails will receive an aggregate cash payment of \$10,429,534, less applicable withholding taxes, in respect of the 1,016,368 Thousand Trails stock options held by such directors and officers, as described below.

Director or Executive Officer	Options	Cash Amount
Andrew M. Boas	36,700	\$ 435,375
R. Gerald Gelinas	32,500	\$ 388,125
Walter B. Jaccard	72,500	\$ 941,900
William P. Kovacs	36,700	\$ 435,325

H. Sean Mathis	5,000	\$ 42,750
Bryan D. Reed	20,000	\$ 197,125
William J. Shaw	786,268	\$7,689,259

Arrangements with Continuing Management***CEO Employment Agreement***

Thousand Trails has an employment agreement with Mr. Shaw that provides for a payment of twice his annual base salary if a change in control occurs. The merger will constitute a change of control under this agreement. Under Mr. Shaw's employment agreement, if the merger is consummated this payment would be \$797,000. KTTI Holding has advised Thousand Trails of its intention to cause the surviving corporation to enter into a new employment agreement with Mr. Shaw upon consummation of the merger, which will provide for, among other things, a base salary of \$398,500 per year, the continuation of Mr. Shaw's bonus arrangement for so long as Mr. Shaw remains the chief executive officer of the surviving corporation, a bonus equal to 50% of Mr. Shaw's base salary if Mr. Shaw is employed by the surviving corporation on the one year anniversary of the closing of the merger and a bonus equal to 50% of Mr. Shaw's base salary if the surviving corporation consummates agreed upon acquisition transactions. In addition, KTTI Holding has advised Thousand Trails that Mr. Shaw's employment with the surviving corporation will be terminable by the surviving corporation at any time and that Mr. Shaw will not be entitled to severance upon such termination. KTTI Holding expects that Mr. Shaw will serve as the chief executive officer of the surviving corporation until such time as a new chief executive officer is hired and that the surviving corporation expects to hire a new chief executive officer within one year from the closing of the merger, at which time, Mr. Shaw is expected to become a consultant to the surviving corporation.

Other Continuing Executive Officers

KTTI Holding has advised that it desires that, in addition to Mr. Shaw, the current executive officers of Thousand Trails continue as executive officers of the surviving corporation following the merger. KTTI Holding has advised Thousand Trails that the existing employment agreements with such executive officers will not be terminated as a result of the merger. Each of these employment agreements provides for a payment to the executive officer in a lump sum equal to 12 months of base salary, if such executive officer's employment is terminated without cause or if the surviving corporation does not expressly assume the obligations under the employment agreement in the event of a change of control.

Table of Contents

KTTI Holding Option Plan

KTTI Holding has advised Thousand Trails of its intention to establish a stock option plan for the grant to members of the management of the surviving corporation of options to purchase common shares of KTTI Holding. KTTI Holding has also advised Thousand Trails that it does not intend to grant any such options to Mr. Shaw but does intend to grant options to purchase 0.5% of KTTI Holding's total number of authorized shares to each of Messrs. Gelinas, Jaccard and Reed, each exercisable at the price affiliates of Kohlberg will pay for their shares. These options to be granted to these persons would constitute approximately 1.7% of the total number of issued and outstanding shares of KTTI Holding on a fully-diluted basis immediately after the closing of the merger if no further options or shares were granted.

Indemnification and Insurance

The merger agreement provides that Thousand Trails' directors and officers will continue to have rights to indemnification for acts or omissions occurring through the effective time and that KTTI Acquisition will cause to be purchased five-year, premiums prepaid, tail-end coverage under the directors' and officers' insurance policy of Thousand Trails, subject to a cost limitation. KTTI Acquisition will also cause related deductible amounts payable by individual officers and directors to be reduced to zero, subject to a cost limitation. See The Merger Agreement Director and Officer Indemnification. The Securities and Exchange Commission advises that indemnification for securities law violations is against public policy and may be unenforceable.

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements contained in this Agreement and intending to be legally bound hereby, the parties hereto agree as follows:

ARTICLE I

THE MERGER

SECTION 1.01 *The Merger.* Upon the terms of this Agreement and subject to the conditions set forth in Article VII, and in accordance with the Delaware General Corporation Law (the DGCL), at the Effective Time (as defined below), Buyer will be merged with and into the Company. (d) *Appraisal Rights.* Notwithstanding any provisions of this Agreement to the contrary, shares of Company Common Stock which are issued and outstanding immediately prior to the Effective Time and which are held by any Person who has not voted such shares of Company Common Stock in favor of the Merger, who has delivered a written demand for appraisal of such shares of Company Common Stock in the manner provided by the DGCL and who, as of the Effective Time, has not effectively withdrawn or lost such right to appraisal (the Appraisal Shares) will not be converted into a right to receive the Merger Consideration. The holders thereof will be entitled only to such rights as are granted by Section 262 of the DGCL. Each holder of Appraisal Shares who becomes entitled to payment for such shares of Company Common Stock pursuant to Section 262 of the DGCL will receive payment therefor from the Surviving Corporation in accordance with the DGCL; provided, however, that (i) if any such holder of Appraisal Shares fails to establish its entitlement to appraisal rights as provided in Section 262 of the DGCL, (ii) if any such holder of Appraisal Shares effectively withdraws its demand for appraisal of such shares of Company Common Stock or loses its right to appraisal and payment for its shares of Company Common Stock under Section 262 of the DGCL, or (iii) if neither any holder of Appraisal Shares nor the Surviving Corporation files a petition demanding a determination of the value of all Appraisal Shares within the time provided in Section 262 of the DGCL, such holder will forfeit the right to appraisal of such shares of Company Common Stock and each such share of Company Common Stock will be treated as if such share of Company Common Stock had been converted, as of the Effective Time, into a right to receive the Merger Consideration, without interest thereon, from the Surviving Corporation as provided in Section 2.01(b). The Company will give Parent prompt notice of any demands received by the Company for appraisal of Company Common Stock, and, until the Effective Time, Buyer will have the right to participate in all negotiations and proceedings with respect to such demands. The Company will not, except with the prior written consent of Parent, make any payment with respect to, or settle or offer to settle, any such demands.

(e) *Company Stock Options.* As part of the Transactions, the Company and the Surviving Corporation will cause any outstanding options to purchase Company Common Stock (the Company Stock Options) granted pursuant to the Company's 1991 Employee Stock Incentive Plan, 1993 Stock Option and Restricted Stock Purchase Plan, 1993 Director Stock Option Plan, 1999 Stock Option and Restricted Stock Purchase Plan, 2001 Stock Option and Restricted Stock Purchase Plan and the Stock Option Agreement dated as of August 1, 1996 between the Company and William J. Shaw (collectively the Company Option Plans) to be treated as follows:

- (i) At the Effective Time, all then outstanding Company Stock Options will be canceled and in lieu thereof, each holder of a Company Stock Option will be entitled to receive from the Surviving Corporation, an amount in cash (if any) equal to the product of
- (i) the excess, if any, of the per share Merger Consideration over the per share exercise price of such Company Stock Option, and
- (ii) the number of shares of Company Common Stock subject to such Company Stock Option as of

the Effective Time, without interest, whether or not such Company Stock Option is then vested (the Option Consideration).

(ii) The Company will use its commercially reasonable efforts to obtain all necessary consents, waivers or releases from holders of Company Stock Options and will take such action as may be reasonably necessary to give effect to, and accomplish, the transactions contemplated by this Section 2.01(e), including without limitation obtaining an executed agreement from each holder of Company Stock Options confirming such holder's agreement to the foregoing treatment of such holder's Company Stock Options.

(iii) In accordance with Section 2.02(h), the Surviving Corporation will be entitled to deduct and withhold from the Option Consideration otherwise payable to any holder of Company Stock Options such amount that the Company is required to deduct and withhold with respect to the making of such payment under the Code, the rules and regulations promulgated thereunder, or any provision of state, local or foreign tax Law. The Company will promptly pay or cause to be paid any amounts withheld pursuant to this Section 2.01(e) for applicable foreign, federal, state and local taxes to the appropriate Governmental Entity on behalf of such holders of Company Stock Options.

(iv) Except as otherwise provided herein or agreed to by the parties, the Company Option Plans will terminate effective as of the Effective Time and the Company will use its best efforts to cause the provisions in any other plan, program or arrangement providing for the issuance or grant of any other interest in respect of the capital stock of the Company or any Company Subsidiary to be canceled as of the Effective Time.

SECTION 2.02 *Payment for Company Common Stock and Company Stock Options in the Merger.*

(a) *Paying Agent.* Prior to the Effective Time, Parent will select a bank or trust company in the United States, reasonably acceptable to the Company, to act as paying agent (the Paying Agent) for the payment of the Merger Consideration upon surrender of certificates formerly representing Company Common Stock and, at the option of the Surviving Corporation, of the Option Consideration. Parent shall provide to the Paying Agent at the Effective Time cash necessary to pay for the shares of Company Common Stock, and, if the Surviving Corporation elects to use the Paying Agent for such payments, for the Company Stock Options converted into the right to receive cash, pursuant to Section 2.01 (such cash being herein referred to as the Payment Fund). The Payment Fund will not be used for any purpose except as expressly provided in this Agreement. The Paying Agent will invest the Payment Fund, as directed by the Surviving Corporation on a daily basis, provided such investments shall be limited to direct obligations of the United States of America, obligations for which the full faith and credit of the United States of America is pledged to provide for the payment of principal and interest, commercial paper rated A-1 or P-1 by Moody's Investors Service, Inc. or Standard & Poor's Rating Group, respectively, or certificates of deposit issued by a commercial bank having at least \$25,000,000,000 in assets. Any net profit resulting from, or interest or income produced by, such investments will be paid to the Surviving Corporation.

(b) *Payment Procedures for Company Common Stock.* Promptly after the Effective Time and in any event within five (5) business days thereof, the Surviving Corporation or Parent will cause the Paying Agent to mail to each holder of record of a Certificate that immediately prior to the Effective Time represented outstanding shares of Company Common Stock, whose shares were converted into the right to receive Merger Consideration pursuant to Section 2.01, (i) a letter of transmittal (which will specify that delivery will be effected, and risk of loss and title to the Certificates will pass, only upon delivery of the Certificates to the Paying Agent, will contain provisions consistent with this Section 2.02(b) and will be in such form and have such other provisions as Buyer may reasonably specify), and (ii) instructions for use in effecting the surrender of the Certificates in exchange for Merger Consideration. Upon surrender of a Certificate for cancellation to the Paying Agent, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by Buyer and the Paying Agent, the holder of such Certificate will be entitled to receive in exchange therefor the amount of cash into which the shares of Company Common Stock previously represented by such Certificate were converted pursuant to Section 2.01, and the Certificate so surrendered will immediately thereafter be canceled. In the event of a transfer of ownership of Company Common Stock

that is not registered in the transfer records of the Company, payment may be made to a Person other than the Person in whose name the Certificate so surrendered is registered, if such Certificate is properly endorsed or otherwise is in proper form for transfer and the Person requesting such payment pays any transfer or other taxes required by reason of the payment to a Person other than the registered holder of such Certificate or establishes to the satisfaction of Buyer that such tax has been paid or is not applicable. If any holder of shares of Company Common Stock is unable to surrender such holder's Certificates because such Certificates have been lost, mutilated or destroyed, such holder may deliver in lieu thereof an affidavit and indemnity bond in form and substance and with surety reasonably satisfactory to the Surviving Corporation or Parent.

(c) *Procedures for Company Stock Options.* Promptly after the Effective Time and in any event within five (5) business days thereof, the Surviving Corporation or Parent will or will cause the Paying Agent to mail to each holder of an option agreement (Option Agreement) that immediately prior to the Effective Time represented Company Stock Options, whose Company Stock Options were converted into the right to receive Option Consideration pursuant to Sections 2.01(e), appropriate materials and instructions for use in effecting the surrender of such Option Agreement in exchange for Option Consideration. Upon surrender of an Option Agreement to the Paying Agent or the Surviving Corporation, as the case may be, together with such other documents as may reasonably be required by the Paying Agent or the Surviving Corporation, the holder of such Option Agreement will be entitled to receive in exchange therefor the amount of cash into which the Company Stock Options previously represented by such Option Agreement have been converted pursuant to Section 2.01(e). If any holder of Company Stock Options is unable to surrender such holder's Option Agreement because such Option Agreement has been lost, mutilated or destroyed, such holder may deliver in lieu thereof an affidavit and indemnity bond in form and substance and with surety reasonably satisfactory to the Surviving Corporation.

(d) *No Further Transfers of Company Common Stock or Exercises of Company Stock Options.* After the Effective Time there will be no further registration on the stock transfer books of the Surviving Corporation (i) of transfers of shares of Company Common Stock or (ii) of the exercise of Company Stock Options that were outstanding immediately prior to the Effective Time.

(e) *Payment Fund for Appraisal Shares.* Any portion of the Payment Fund made available to the Paying Agent pursuant to Section 2.02(a) to pay for shares of Company Common Stock that are Appraisal Shares will be returned to the Surviving Corporation upon demand.

(f) *Termination of Payment Fund.* Any portion of the Payment Fund that remains undistributed to the holders of Company Common Stock or Company Stock Options six months after the Effective Time will be delivered to the Surviving Corporation, upon demand, and any holder of Company Common Stock or Company Stock Options who has not previously complied with this Article II will thereafter look only to the Surviving Corporation for payment of its claim for Merger Consideration or Option Consideration as the case may be, without interest.

(g) *No Liability.* None of Buyer, the Company, the Surviving Corporation or the Paying Agent, nor any of their respective officers, directors, employees, agents or counsel, will be liable to any Person in respect of any cash from the Payment Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. If any Certificate or Option Agreement has not been surrendered prior to five years after the Effective Time (or immediately prior to such earlier date on which Merger Consideration or Option Consideration in respect of such Certificate or Option Agreement, as the case may be, would otherwise escheat to or become the property of any federal, state, local or foreign government or any court of competent jurisdiction, administrative agency or commission or other governmental authority or instrumentality, domestic or foreign (each, a Governmental Entity)), any such Merger Consideration or Option Consideration in respect of such Certificate or Company Stock Option will, to the extent permitted by applicable Law, become the property of the Surviving Corporation, free and clear of all claims or interest of any Person previously entitled thereto.

(h) *Withholdings.* The Company, the Surviving Corporation or the Paying Agent, as applicable, will deduct and withhold from the consideration otherwise payable to any holder of Company Common Stock or Company Stock Options such amounts as are required to be deducted and withheld with respect to the making

Table of Contents

of such payment under the Internal Revenue Code of 1986, as amended (the Code), or any other Law. To the extent that amounts are so withheld by the Company, the Surviving Corporation or the Paying Agent, as the case may be, such withheld amounts will be treated for all purposes of this Agreement as having been paid to the applicable holder of the shares of Company Common Stock or Company Stock Options.

(i) *Adjustments to Prevent Dilution.* In the event that prior to the Effective Time, as a result of a reclassification, stock split (including a reverse split), or stock dividend or stock distribution, made on a pro rata basis to all holders of any class of stock of the Company, there is a change in the number of shares of Company Common Stock outstanding or issuable upon the conversion, exchange or exercise of securities or rights convertible or exchangeable into or exercisable for shares of Company Common Stock then the Merger Consideration and Option Consideration will each be equitably adjusted to eliminate the effects of such event.

(j) *Payments at Closing.* Buyer will cause the Paying Agent to pay, immediately following the Effective Time (or as soon thereafter as is practicable), to each Company Stockholder by wire transfer of immediately available funds the Merger Consideration and Option Consideration (subject to any applicable withholding taxes) payable pursuant to Section 2.01 to such Company Stockholder if such Company Stockholder (i) together with its Affiliates owns greater than 5% of the aggregate issued and outstanding Company Common Stock (calculated on a fully-diluted basis assuming the exercise or conversion of all outstanding Company Stock Options) or is a director or executive officer of the Company, and (ii) has delivered to the Paying Agent properly executed letters of transmittal (in the form required by this Section 2.02), wire transfer instructions and the Certificates or other certificates representing such Company Stockholder's Company Common Stock and Company Stock Options together with such other documents as may reasonably be required by the Buyer or the Paying Agent. No later than two (2) business days prior to the Closing Date, Buyer will deliver to the Company a sufficient number of copies of the letter of transmittal (in the form required by Section 2.02) and such other documents (or requests for documents) required by Buyer or the Paying Agent so as to permit each applicable Company Stockholder to exercise its right to payment at Closing as provided in this Section 2.02(j).

SECTION 3.04 *Authority Relative to this Agreement.*

(b) Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect, each Company Material Contract is a legal, valid and binding agreement in full force and effect in accordance with its terms and neither the Company nor any Company Subsidiary is in violation or default, or has received notice that it is in violation or default, under any Company Material Contract and to the best of the Company's knowledge no other party is in default under any Company Material Contract. The Company has provided the Buyer with copies of all Company Material Contracts.

SECTION 3.14 *Environmental Matters.* Except as described in Section 3.14 of the Company Disclosure Schedule or in the Filed Company SEC Documents or as has not had and would not reasonably be expected to have a Material Adverse Effect: (a) the Company and the Company Subsidiaries have not been and are not in violation of any Environmental Law applicable to any of them; (b) none of the properties currently or formerly owned, leased or operated by the Company or the Company Subsidiaries are contaminated with any Hazardous Substance; (c) neither the Company nor any of the Company Subsidiaries are liable for any off-site contamination by Hazardous Substances; (d) the Company and the Company Subsidiaries have all permits, licenses and other authorizations required under any Environmental Law (Environmental Permits); (e) the Company and the Company Subsidiaries are in compliance in all material respects with their Environmental Permits; and (f) neither the execution of this Agreement nor the consummation of the Transactions will require any investigation, remediation or other action with respect to Hazardous Substances, or any notice to or consent of Governmental Entities or third parties, pursuant to any applicable Environmental Law or Environmental Permit. Except as described in Section 3.14 of the Company Disclosure Schedule, none of the Company or the Company Subsidiaries has received notice of a violation of, or any Liability under, any Environmental Law (whether with respect to properties presently or previously owned or used) that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Company and the Company Subsidiaries have made available to Buyer all environmental audits, reports and other material environmental documents relating to their properties, facilities or operations which have been prepared since June 30, 1995 and are in their possession or control. To the best of the Company's knowledge, neither the Company nor any Company Subsidiary has arranged for the disposal or treatment of any substance at any off-site location that has been included in any published U.S. federal, state or local superfund site list or any similar list of hazardous or toxic waste sites published by any Governmental Entity.

SECTION 3.15 *Title to Properties; Absence of Liens and Encumbrances.*

(a) Except as described in Section 3.15(a) of the Company Disclosure Schedule and except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, each of the Company and the Company Subsidiaries has good and valid title to, or, in the case of leased properties and assets, valid leasehold interests in, all of its tangible personal properties owned, used or held for use in its business. No such tangible personal property is subject to any Lien that can be discharged through the payment of a liquidated sum of money other than (i) Liens imposed by Law for Taxes that are not yet delinquent, (ii) as set forth in Section 3.15(a) of the Company Disclosure Schedule, or (iii) such Liens as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Section 3.15(b) of the Company Disclosure Schedule sets forth a true, correct and complete list of all real property and improvements (collectively, the Real Property) owned or leased (as tenant or subtenant) by the Company or any Company Subsidiary. Except for the Membership Contracts, the Company's extended vacation or stay programs, the Company's storage programs, and other ordinary course arrangements with members and other campground users, in each case entered into in the ordinary course of business, or as set forth in Section 3.15(b) of the Company Disclosure Schedule, there are no leases, subleases or other occupancy agreements, either written or oral, granting any Person the right of use or occupancy of any Real Property (or portion thereof). Except for such usual and customary easements, licenses, rights-of-way, and other customary encumbrances that do not materially interfere with the use and operation of the Real Property in the conduct of the Company's business, the Company (or such Company Subsidiary as the case may be) has good and insurable title to the Real Property and has furnished to Buyer true and complete copies of title insurance reports and title insurance policies with respect to the Real Property from and after 1996 as are in the Company's possession or control. No Real Property is subject to any Lien that can be discharged

through the payment of a liquidated sum of money other than (i) Liens imposed by Law for Taxes that are not yet delinquent, (ii) Liens in favor of materialmen, workmen, carriers, warehousepersons or laborers not in excess of \$100,000 in the aggregate, (iii) as reflected in the Filed Company SEC Documents, and (iv) as set forth in Section 3.15(b) of the Company Disclosure Schedule. All title to the Real Property located in the United States is insurable by Chicago Title Insurance Company or another nationally recognized title insurance company selected by Buyer and reasonably acceptable to the Company, pursuant to title insurance policies that are substantially in the same form (including endorsements) as the title insurance policies issued by Chicago Title Insurance Company to Foothill Capital Corporation (Foothill) in connection with the loan facility, as amended, that Foothill provided to the Company and previously furnished to Parent (the Foothill Policies), except for (i) non-monetary Liens set forth in the Foothill Policies, (ii) Liens specified in clauses (i), (ii) and (iv) of the preceding sentence, and (iii) non-monetary Liens incurred in the ordinary course of business since the date of the applicable Foothill Policy that do not, individually or in the aggregate, materially affect the value of one or more campgrounds included in the Real Property or the operation of the business of the Company and the Company Subsidiaries. Except as set forth on Section 3.15(b) of the Company Disclosure Schedule or as set forth in the Filed Company SEC Documents, neither the Company nor any Company Subsidiary leases (as tenant or subtenant) any real property. The real property listed in Section 3.15(b) of the Company Disclosure Schedule constitutes all of the real property used, leased or occupied by the Company or any Company Subsidiary as of the date hereof other than approximately 1,390 miscellaneous undeveloped lots that are reflected as having zero value on the Company Balance Sheet.

(c) The Real Property and all present uses and operations of the Real Property comply with all Laws, covenants, conditions, restrictions, easements, disposition agreements and similar matters affecting the Real Property, except for such failures to comply as have not and would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company and the Company Subsidiaries have obtained all approvals of Governmental Entities (including certificates of use and occupancy, licenses and permits) required in connection with the construction, ownership, use, occupation and operation of the Real Property, except for such approvals as would not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect. Except as set forth in Section 3.15(c) of the Company Disclosure Schedule, neither the Company nor any Company Subsidiary has received any notice of, nor does the Company or any Company Subsidiary have any knowledge of, any pending or proposed condemnation proceeding, taking, lawsuit or administrative matter that would reasonably be expected to materially affect any campground included in the Real Property or the Company's operation thereof.

(d) All structures, facilities and improvements owned by the Company or any Company Subsidiary and all structural, mechanical and other physical systems that constitute a part thereof are in sufficient condition to permit the business of the Company and the Company Subsidiaries to continue to operate in substantially the same manner as such business and operations have been historically conducted, assuming the continuance of capital expenditures as contemplated by the Company's current capital expenditure budget previously furnished to Buyer. No maintenance or repair to the Real Property or such structures, facilities and improvements (including any structural, mechanical or other physical system thereof) has been unreasonably deferred such that the Company or any Company Subsidiary is unable to conduct its business and continue its operations in substantially the same manner as such business and operations have been historically conducted, assuming the continuance of such capital expenditures.

SECTION 3.16 *Intellectual Property.*

(a) Except with respect to the items set forth in Section 3.16(a) of the Company Disclosure Schedule or as described in the Filed Company SEC Documents, the Company and the Company Subsidiaries own or possess adequate licenses or other valid enforceable rights to use all Intellectual Property used in the conduct of the business of the Company and the Company Subsidiaries, and the consummation of the Transactions will not conflict with, alter or impair the Company or any Company Subsidiary's rights to any such Intellectual Property, in each case except as would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect.

Table of Contents

(b) Section 3.16(b) of the Company Disclosure Schedule sets forth the following Intellectual Property owned by the Company or any Company Subsidiary and the following Intellectual Property licensed by the Company for which the failure to license such Intellectual Property would, individually or in the aggregate, have a Material Adverse Effect: patents and patent applications, inventions that have been identified as active patent matters but for which applications have not yet been filed, Trademark registrations and applications for Trademark registrations, trade names and registered copyrights. To the best of the Company's knowledge, all patents, Trademark registrations and copyright registrations set forth in Section 3.16(b) of the Company Disclosure Schedule are valid and in full force and effect. Neither the Company nor any Company Subsidiary has interfered with or infringed upon any Intellectual Property rights of third parties in connection with the business of the Company or any Company Subsidiary, except for such interferences or infringements as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and, except as set forth in Section 3.16(b) of the Company Disclosure Schedule, neither the Company nor any Company Subsidiary has received any charge, complaint, claim, demand, office action or notice (i) alleging any such interference or infringement, or (ii) challenging the legality, validity, enforceability, use or ownership of any Intellectual Property set forth in Section 3.16(b) of the Company Disclosure Schedule (Company Intellectual Property), except for any such charge, complaint, claim, demand, office action or notice that would not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect. Except as set forth in Section 3.16(b) of the Company Disclosure Schedule, no Person is infringing or otherwise violating the rights of the Company or any of the Company Subsidiaries with respect to any Company Intellectual Property, except for such infringements or violations as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(c) Except as set forth in Section 3.16(c) of the Company Disclosure Schedule, the Company has timely paid, or caused to be timely paid, all required maintenance, renewal and other similar fees, and has timely met any applicable legal requirements, with respect to all Intellectual Property that is listed in Section 3.16(b) of the Company Disclosure Schedule as owned by the Company or any Company Subsidiary, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. With respect to Intellectual Property licensed by the Company or any Company Subsidiary (Licensed Intellectual Property) that is listed in Section 3.16(b) of the Company Disclosure Schedule, the Company and each applicable Company Subsidiary is in compliance with any applicable license or similar agreement and each such license or agreement is legal, valid, binding and in full force and effect in accordance with its terms, except as would not have or would not reasonably be expected to have a Material Adverse Effect.

(d) Except as set forth in Section 3.16(d) of the Company Disclosure Schedule, neither the Company nor any Company Subsidiary has agreed to indemnify any Person for or against any interference, infringement, misappropriation, or any other conflict with respect to any Intellectual Property.

(e) All of the Company's information technology systems are adequate for the conduct of the Company's and the Company Subsidiaries' business as presently conducted. The Company owns or possesses adequate licenses for all computer software used in the conduct of the Company's and the Company Subsidiaries' business as presently conducted, except for such the failure of which to obtain would not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect.

SECTION 3.17 *Taxes.*

(a) Except as set forth in Section 3.17(a) of the Company Disclosure Schedule, each of the Company and the Company Subsidiaries has filed on a timely basis all Tax Returns required to be filed by it and all such Tax Returns were correct and complete except to the extent any failure to file or any inaccuracy in any filed Tax Return would not, individually or in the aggregate, have a Material Adverse Effect. All Taxes due and owing by the Company or any Company Subsidiary (whether or not shown on any Tax Return) other than Taxes not yet delinquent have been timely paid in full except to the extent any failure to pay would not, individually or in the aggregate, have a Material Adverse Effect. The Company and the Company Subsidiaries currently are not the beneficiary of any extension of time within which to file any Tax Return. No claim has been made by an authority in a jurisdiction where any of the Company and the Company Subsidiaries does not

Table of Contents

file Tax Returns that they may be subject to taxation by that jurisdiction, except for such claims relating to Taxes other than income or sales Taxes that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) Each of the Company and the Company Subsidiaries has complied with all reporting requirements and has withheld and paid all Taxes required to have been withheld and paid in connection with amounts paid or owing to any employee, independent contractor, creditor, stockholder, or other third party, except to the extent any failure to comply or withhold and pay would not, individually or in the aggregate, have a Material Adverse Effect.

(c) There is no pending or unresolved dispute, audit, investigation, proceeding or claim concerning any Liability with respect to Taxes of the Company or the Company Subsidiaries either (i) claimed or raised by any authority in writing or (ii) as to which the Company has knowledge based upon contact with any such authority, except for such as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Except as set forth in Section 3.17(c) of the Company Disclosure Schedule, none of the federal, state, local, and foreign income Tax Returns filed with respect to the Company and the Company Subsidiaries is currently the subject of audit. The Company delivered or made available to Buyer correct and complete copies of all federal, state, local and foreign income Tax Returns, examination reports and statements of deficiencies assessed against or agreed to by any of the Company and the Company Subsidiaries for the last three taxable years.

(d) Except as set forth in Section 3.17(d) of the Company Disclosure Schedule, none of the Company or any of the Company Subsidiaries has waived any statute of limitations in respect of Taxes or agreed to any extension of time with respect to a Tax assessment or deficiency.

(e) Except as set forth in Section 3.17(e) of the Company Disclosure Schedule, none of the Company or any of the Company Subsidiaries is or since June 30, 1993 has been a party to any Tax allocation or sharing agreement or a member of an affiliated group within the meaning of Code Section 1504(a) or any similar group defined under a similar provision of state, local, or foreign Law (an Affiliated Group) filing a consolidated federal income Tax Return (other than the Affiliated Group the common parent of which is the Company). Neither the Company nor any Company Subsidiary has any Liability for the Taxes of any Person other than the Company and the Company Subsidiaries under Treas. Reg. Section 1.1502-6 (or any similar provision of state, local or foreign Law), as a transferee or successor, by contract, or otherwise.

(f) None of the Company or any of the Company Subsidiaries has filed a consent under Code Section 341(f) concerning collapsible corporations. Except as set forth in Section 3.17(f) of the Company Disclosure Schedule, none of the Company and the Company Subsidiaries has made any payments, is obligated to make any payments, or is a party to any Contract (including this Agreement) that under certain circumstances could obligate it to make any payments that will not be deductible as a result of Code Sections 162 or 280G or that will be subject to an excise tax under Code Section 4999.

(g) The unpaid Taxes of the Company and the Company Subsidiaries (1) did not, except as set forth in Section 3.17(g) of the Company Disclosure Schedule, as of June 30, 2002, exceed the reserve for Tax Liability (excluding any reserve for deferred Taxes established to reflect timing differences between book and Tax income) set forth on the face of the Company Balance Sheet (rather than in any notes thereto) and (2) will not exceed that reserve as adjusted for operations and transactions through the Closing Date in accordance with the past custom and practice of the Company and the Company Subsidiaries in filing their Tax Returns, except to the extent an excess would not, individually or in the aggregate, have a Material Adverse Effect.

(h) Since July 1, 1993, the Company has not had an ownership change within the meaning of Section 382(g) of the Code.

SECTION 3.18 *Insurance.* Section 3.18 of the Company Disclosure Schedule sets forth a complete and accurate list of all insurance policies in force on the date hereof (the Insurance Policies) naming the Company, any Company Subsidiary or directors or employees thereof as a loss payee or for which the Company or any Company Subsidiary has paid or is obligated to pay all or part of the premiums. To the best

of the Company's knowledge, each of the Insurance Policies that expires on or before the Closing Date is renewable by the Company or Company Subsidiary, as applicable, on substantially similar terms but with increases in premiums, deductibles or retentions or reductions in scope of coverage that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Neither the Company nor any Company Subsidiary has received notice of any pending or threatened cancellation or premium increase (retroactive or otherwise) with respect to the Insurance Policies that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and each of the Company and the Company Subsidiaries is in compliance with all material conditions contained in the Insurance Policies.

SECTION 3.19 *Compliance with Applicable Laws.* Except as disclosed in the Filed Company SEC Documents or in Section 3.19 of the Company Disclosure Schedule, the Company and the Company Subsidiaries are, and since June 30, 1995 have been, in compliance with all applicable Laws, including those relating to membership campgrounds, time-shares, labor and employment, occupational health and safety and the environment, except for such failures to be in compliance as have not, individually or in the aggregate, had a Material Adverse Effect. Except as set forth in the Filed Company SEC Documents or in Section 3.19 of the Company Disclosure Schedule, neither the Company nor any Company Subsidiary has received any communication during the past two years from a Governmental Entity that alleges that the Company or a Company Subsidiary is not in compliance with any applicable Law, except for such allegations as have not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 3.20 *Membership Contracts.*

(a) Except as set forth in Section 3.20(a) of the Company Disclosure Schedule, no Membership Contract provides any Person with any ownership interest in or to any campground or other Real Property or facility (or portion thereof) owned or used by the Company or any Company Subsidiary. Each Membership Contract contains all of the terms and provisions required to be included therein by applicable Law, except for such as have not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Company and each Company Subsidiary is in compliance with all of the provisions of each Membership Contract applicable to it and has satisfied all of its material obligations thereunder required to be satisfied, except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) The reports attached to Section 3.20(b) of the Company Disclosure Schedule accurately present, in all material respects when considered as a whole, the information purported to be covered thereby.

SECTION 3.21 *Stockholder Rights Agreement.* Except as specifically provided in the Company Charter, neither the Company nor any Company Subsidiary has adopted a stockholder rights agreement or any similar plan or agreement which limits or impairs the ability to purchase, or become the direct or indirect beneficial owner of, shares of Company Common Stock or any other equity or debt securities of the Company or any Company Subsidiary, other than any stockholder rights plan or stockholder rights agreement that (a) is adopted after the date of this Agreement, (b) does not impair the ability of the parties to consummate the Merger in accordance with the terms of this Agreement, and (c) otherwise does not have an adverse effect on Parent or Buyer or on the rights of Parent or Buyer under this Agreement or any of the Voting Agreements. The Company has taken such action as is necessary under the Company Charter to permit (i) the Company to execute and deliver this Agreement and consummate the Transactions, and (ii) the Principal Stockholders to execute and deliver the Voting Agreements and perform their obligations thereunder. The Stockholder Agreement dated as of April 5, 1999 between the Company and Carl Marks Management Company, L.P., Carl Marks Strategic Investments, L.P., Carl Marks Strategic Investments II, L.P., Andrew M. Boas and Robert C. Ruocco has expired by its terms prior to the date hereof and is of no further force or effect.

SECTION 3.22 *Opinion of Financial Advisor.* The Company Board has received the written opinion of Stephens Inc. dated the date of this Agreement to the effect that, as of the date of this Agreement, the consideration to be received in the Merger by the Company Stockholders (other than Carl Marks Strategic Investments, L.P. and its Affiliates) is fair to such Company Stockholders from a financial point of view, and a copy of the signed opinion has been provided to Buyer.

SECTION 3.23 *Brokers.*

(a) No broker, investment banker, financial advisor or other Person, other than Stephens Inc., financial advisor to the Company, the fees and expenses of which will be paid by the Company, is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the Transactions based upon arrangements made by or on behalf of the Company. The Company has delivered to Buyer a complete and accurate copy of all agreements pursuant to which Stephens Inc. is entitled to any fees and expenses payable directly or indirectly by the Company or any Company Subsidiary in connection with any of the Transactions.

(b) Section 3.23 of the Company Disclosure Schedule sets forth a list of the fees and expenses, estimated in good faith as of the date of this Agreement, incurred and to be incurred by the Company or any Company Subsidiary in connection with the Transactions (including without limitation the fees and expenses of Stephens Inc. and of the Company's legal counsel and accountants) and noting which fees and expenses, if any, have been paid as of the date hereof or accrued as of the date hereof (the actual fees and expenses incurred and to be incurred by the Company or any Company Subsidiary in such connection being referred to as the Company Transaction Expenses).

SECTION 3.24 *Employees.* Except as set forth in Section 3.24 of the Company Disclosure Schedule or except as would not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect, to the best of the Company's knowledge, no executive, Key Employee, or group of employees has any plans to terminate employment with the Company or the Company Subsidiaries. The Company and the Company Subsidiaries have not experienced any material labor disputes or work stoppages due to labor disagreements. The Company and the Company Subsidiaries are in compliance with all applicable Laws respecting employment and employment practices and terms and conditions of employment, except for such the failure to be in compliance would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Company and the Company Subsidiaries are not, nor have any of them ever been, a party to any collective bargaining agreements and, to the knowledge of the Company, none of the Company or any of the Company Subsidiaries has been the subject of any organizational activity.

SECTION 3.25 *Transactions with Affiliates.* Except as set forth in Section 3.25 of the Company Disclosure Schedule or in the Filed Company SEC Documents, since the date of the Company's last proxy statement filed with the SEC, no event has occurred that would be required to be reported by the Company pursuant to Item 404 of Regulation S-K promulgated by the SEC. Such Person is duly qualified or licensed as a foreign corporation or organization to do business, and is in good standing, in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing

SECTION 4.02 *Ownership of Parent and Buyer; No Prior Activities.* Such Person was formed solely for the purpose of engaging in the Transactions. Such Person (i) has not conducted, and will not prior to the Effective Time conduct, any business and (ii) has no, and prior to the Effective Time will have no, assets or liabilities, except, in either case, in connection with the Transactions. The execution and delivery of this Agreement by such Person and the consummation by each such Person of the Transactions have been duly authorized by all necessary corporate action on the part of such Person. Such Person has duly executed and delivered this Agreement, and this Agreement constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except to the extent that its enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other Laws affecting the enforcement of creditors' rights generally or by general equitable or fiduciary principles.

SECTION 4.04 *No Conflict; Required Filings and Consents.*

(a) The execution and delivery by such Person of this Agreement does not, and the consummation of the Transactions and compliance with the terms hereof will not, result in any violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation or to a loss of a material benefit under, or to increased, additional, accelerated or guaranteed rights or entitlements of any Person under, or result in the creation of any Lien upon any of the properties or assets of such Person under, any provision of (i) its charter, by-laws or other organizational documents, (ii) any Contract to which such Person is a party or by which any of its respective properties or assets is bound or (iii) subject to the filings and other matters referred to in Section 4.04(b), any Judgment or Law applicable to such Person or any of its subsidiaries or respective properties or assets, other than, in the case of clauses (ii) and (iii) above, any such items that, individually and in the aggregate, would not reasonably be expected to have a Buyer Material Adverse Effect.

(b) No Consent of, or registration, declaration or filing with, any Governmental Entity is required to be obtained or made by or with respect to such Person in connection with the execution, delivery and performance of this Agreement or the consummation of the Transactions, other than (i) if required, compliance with and filing of a pre-merger notification report under the HSR Act, (ii) the filing with the SEC of such reports under Section 13 of the Exchange Act as may be required in connection with this Agreement and the Transactions, (iii) the filing of the Certificate of Merger with the Secretary of State of the State of Delaware and appropriate documents with the relevant authorities of the other jurisdictions in which Buyer is qualified to do business, (iv) compliance with and filings under the Laws of any foreign jurisdictions, if and to the extent required, and (v) such other items that, individually and in the aggregate, would not reasonably be expected to have a Buyer Material Adverse Effect.

SECTION 4.05 *Information Supplied.* None of the information supplied or to be supplied in writing by Parent or Buyer specifically for inclusion or incorporation by reference in the Proxy Statement (including any amendment or supplement thereto) will, at the date it is first mailed to the Company's stockholders or at the time of the Company Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

SECTION 4.06 *Brokers.* No broker, investment banker, financial advisor or other Person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the Transactions based upon arrangements made by or on behalf of Parent or Buyer. Parent has previously provided to the Company a written list of the fees and expenses, estimated in good faith as of the date of this

Agreement, incurred and to be incurred by Parent and Buyer in connection with the Transactions (including without limitation the fees and expenses of Parent's and Buyer's legal counsel and accountants) and noting which fees and expenses, if any, have been paid as of the date hereof or accrued as of the date hereof.

Buyer has provided the Company with a commitment letter from Kohlberg Management IV, L.L.C., dated April 25, 2003, (the Equity Commitment Letter and together with the Debt Commitment Letters, the Commitment Letters). To the knowledge of Parent or Buyer, the Commitment Letters have been duly executed by all parties thereto and are in full force and effect as of the date hereof and have not been amended or modified in any material respect. Neither iStar Financial Inc. nor Union Bank of California, N.A. has notified Parent or Buyer of its intention to terminate such lender's Debt Commitment Letter or not to provide the financing contemplated thereby. As of the date hereof, there are no facts or circumstances known to Parent or Buyer that in Parent's or Buyer's good faith estimation would reasonably be expected to cause the Financing not to be consummated. All commitment and other fees required to be paid under the Commitment Letters on or prior to the date hereof have been paid. Assuming the satisfaction of the condition set forth in Section 7.02(i) of this Agreement, the aggregate proceeds of the financings contemplated by the Commitment Letters (the Financing), when taken together with the available cash of the Company and the Company Subsidiaries is sufficient to pay the aggregate Merger Consideration and Option Consideration and to pay the anticipated fees and expenses of Parent and Buyer related to the Merger and the Transactions and, to the knowledge of Parent or Buyer, to provide adequate liquidity for the continuation of the business of the Company and the Company Subsidiaries in a manner consistent with historical practice.

ARTICLE VI

ADDITIONAL AGREEMENTS

SECTION 6.01 *Preparation of Proxy Statement; Company Stockholders Meeting.*

(a) The Company will, as soon as practicable following the date of execution of this Agreement, prepare and file with the SEC the Proxy Statement in preliminary form (provided that Buyer and its counsel will be given reasonable opportunity to review and comment on the Proxy Statement and any amendments thereto prior to its filing with the SEC), and each of the Company and Buyer will use its best efforts to respond as promptly as practicable to any comments of the SEC with respect thereto. The Company will notify Buyer promptly of the receipt of any comments from the SEC or its staff and of any request by the SEC or its staff for amendments or supplements to the Proxy Statement or for additional information and will supply Buyer with copies of all correspondence between the Company or any of its representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to the Proxy Statement. If at any time prior to receipt of the Company Stockholder Approval there occurs any event that should be set forth in an amendment or supplement to the Proxy Statement, the Company will promptly prepare and mail to its stockholders such an amendment or supplement. The Company will use reasonable efforts to cause the Proxy Statement to be mailed to the Company's stockholders as promptly as practicable after filing with the SEC. Subject to Section 6.03(c), (i) the Proxy Statement will contain the recommendation of the Company Board that the Company Stockholders vote to adopt and approve this Agreement and the Merger and (ii) if requested to do so by Buyer at any time prior to the Company Stockholders Meeting and subject to compliance with applicable Laws, if there has been publicly announced an alternative Acquisition Proposal, the Company Board will within fifteen business days following such public announcement (but in any event prior to the Company Stockholders Meeting) publicly reaffirm such recommendation and/or will publicly announce that it is not recommending that the Company Stockholders accept an alternative Acquisition Proposal.

(b) Unless this Agreement has been terminated in accordance with its terms, the Company will, as soon as practicable following the date of execution of this Agreement (and without regard to the commencement, public proposal, public disclosure or communication to the Company of any Acquisition Proposal), duly call, give notice of, convene and hold a meeting of its stockholders (the "Company Stockholders Meeting") for the purpose of seeking the Company Stockholder Approval.

reasonably request. The Company hereby consents, and will cause each Company Subsidiary to consent, to Parent and Buyer and Parent's and Buyer's officers, employees, accountants, counsel, financial advisors, financing sources and other representatives contacting, in a reasonable fashion, members, employees, lenders and landlords of the Company and such Company Subsidiary and will, upon reasonable notice from Parent or Buyer, request such members, employees, lenders and landlords to cooperate during normal business hours during the period prior to the Effective Time with any reasonable requests made by or on behalf of Parent or Buyer. Parent will, prior to the Effective Time, respond promptly to reasonable requests by the Company for information concerning the status of the Financing. Any confidential information provided to Parent, Buyer or the Company hereunder will be subject to the terms of the Confidentiality Agreement between the Company and Kohlberg Management IV, L.L.C. dated November 12, 2002 (Confidentiality Agreement).

SECTION 6.03 *No Solicitation of Transactions.*

(a) After the date hereof and prior to the Effective Time or earlier termination of this Agreement, except as provided in clause (b) below, the Company will not, and will not permit any of the Company Subsidiaries to directly or indirectly, initiate, solicit, negotiate, encourage or provide nonpublic or confidential information to facilitate, and the Company will not, and will use its reasonable best efforts to cause any officer, director or employee of the Company, or any attorney, accountant, investment banker, financial advisor or other agent retained by it or any of the Company Subsidiaries not to, directly or indirectly initiate, solicit, negotiate, encourage or provide nonpublic or confidential information to facilitate, any proposal or offer to acquire any part of the business or properties of the Company or any Company Subsidiary constituting 25% or more of the net revenues, net income or the assets of the Company and the Company Subsidiaries, taken as a whole, or a significant equity interest in any class of capital stock of the Company or any Company Subsidiary, whether by merger, consolidation, recapitalization, purchase of assets, tender offer or otherwise and whether for cash, securities or any other consideration or combination thereof (any such transaction being referred to herein as an Acquisition Transaction). The Company immediately will cease and cause to be terminated all activities, discussions or negotiations with any parties with respect to any Acquisition Transaction, other than the Merger.

(b) Notwithstanding the provisions of clause (a) above, the Company Board may respond to, furnish information to or engage in discussions or negotiations with any Person in response to an unsolicited written offer or proposal with respect to an Acquisition Transaction (an Acquisition Proposal) if and only to the extent that (I) the Company Board determines, in good faith after consultation with its independent financial advisor and legal counsel, that such Acquisition Proposal would (or reasonably could) constitute a Superior Proposal, (II) the Company Board determines, in good faith after consultation with legal counsel, that such action is required in order to comply with its fiduciary duties to the Company Stockholders under applicable Law, and (III) the Company Board receives, prior to furnishing any such information or entering into any discussions or negotiations with such Person, an executed confidentiality agreement on terms no less favorable to the Company than the Confidentiality Agreement (including without limitation with respect to the standstill provisions thereof). For purposes of this Agreement, Superior Proposal means a bona fide Acquisition Proposal (A) made by a third party that the Company Board determines in its good faith judgment (after consultation with its financial advisor) to be more favorable to the Company Stockholders than the Merger, (B) that involves at least 51% of the outstanding shares of Company Common Stock or assets of the Company and the Company Subsidiaries, (C) that the Company Board determines in its good faith judgment is reasonably likely to be consummated, taking into account all legal and regulatory aspects of the proposal, and (D) for which financing, to the extent required, is then committed on terms as likely to be satisfied as the Commitment Letters. The Company Board may take and disclose to the Company Stockholders a position required by Rules 14d-9 and 14e-2 under the Exchange Act without violating this clause (b).

(c) Neither the Company Board nor any committee thereof will, except as expressly permitted by this Section 6.03(c), (i) withdraw, amend, qualify or modify in any manner adverse to Parent or Buyer, the approval or recommendation of the Company Board or such committee of the Merger or this Agreement, (ii) endorse, approve, recommend or submit to the Company Stockholders any Acquisition Transaction (other than the Merger), or (iii) cause the Company to enter into any agreement related to or with respect to

Table of Contents

any Acquisition Transaction (each an Acquisition Agreement); provided, that the Company may enter into a confidentiality agreement to the extent required, and containing only the terms contemplated, by Section 6.03(b)(III). Notwithstanding the foregoing, if the Company Board determines in good faith, after it has received a Superior Proposal in compliance with this Section 6.03 and after taking into account advice from independent outside legal counsel with respect to its fiduciary duties to Company Stockholders under applicable Law, that such action is required for the Company Board to comply with its fiduciary obligations to the Company Stockholders under applicable Law, the Company Board may (subject to this and the following sentences), take any of the actions described in clauses (i) through (iii) of this Section 6.03(c) (each a Subsequent Adverse Determination), but only at a time that is after the fifth business day following Parent's receipt of written notice advising Parent that the Company Board intends to make a Subsequent Adverse Determination. Such written notice will specify the material terms and conditions of such Superior Proposal (and include a copy thereof with all accompanying documentation), identify the Person making such Superior Proposal and state that the Company Board intends to make a Subsequent Adverse Determination. During such five business day period, Parent and Buyer may offer the Company adjustments to the terms and conditions of this Agreement that will permit the Company Board to determine that, with such adjustments, the Merger is at least as favorable to the Company Stockholders as such Superior Proposal.

(d) The Company will notify Parent orally within 24 hours and in writing within 48 hours after receipt of any Acquisition Proposal, indication of interest or request for nonpublic information relating to the Company or a Company Subsidiary in connection with an Acquisition Proposal or for access to the properties, books or records of the Company or any Company Subsidiary by any Person or group that informs the Company Board or the board of directors of any Company Subsidiary that it is considering making, or has made, an Acquisition Proposal. Such notice to Parent will indicate in reasonable detail the identity of the offeror and the terms and conditions of such proposal, inquiry or contact as well as the Company's intention to furnish information to, or enter into discussions or negotiations with, such Person or group.

The Company will use its reasonable efforts to keep Parent informed of the status and details (including any change to the material terms thereof) of any such Acquisition Proposal.

SECTION 6.04 *Directors and Officers Indemnification and Insurance.*

(a) Buyer will, to the fullest extent permitted by Law, cause the Surviving Corporation (from and after the Effective Time) to honor all of the Company's obligations to indemnify, defend and hold harmless (including any obligations to advance funds for expenses) the current and former directors and officers of the Company and the Company Subsidiaries against all losses, claims, damages or liabilities arising out of acts or omissions by any such directors and officers in their capacities as such for their service to the Company and the Company Subsidiaries at and prior to the Effective Time to the maximum extent that such obligations of the Company exist on the date of this Agreement. Without limiting the foregoing, the by-laws of the Surviving Corporation will contain the provisions that are set forth, as of the date of this Agreement, in Article XI of the Company By-Laws, which provisions will not be amended, repealed or otherwise modified in any manner that would affect adversely the rights thereunder of individuals who at or at any time prior to the Effective Time were directors, officers, employees or other agents of the Company with respect to actions taken or omissions to act in their capacities as such for their service to the Company and the Company Subsidiaries occurring at or prior to the Effective Time.

(b) The Company will maintain, through the Effective Time, the Company's existing directors' and officers' insurance in full force and effect without reduction of coverage. Not later than the Effective Time, Buyer (i) shall cause to be purchased (with all premiums prepaid) tail-end coverage under such insurance for a period of five years after the Effective Time, or substitute tail-end coverage with reputable and financially sound carriers having at least substantially the same coverage and amounts and containing terms and conditions which are in the aggregate substantially no less advantageous (provided the premium for such tail-end coverage does not exceed the Maximum Premium (as defined below)) with respect to claims arising from or related to acts or omissions by the current and former directors and officers of the Company and the Company Subsidiaries in their capacities as such for their service to the Company and the Company Subsidiaries at or before the Effective Time, and (ii) shall either cause the deductibles or retentions

thereunder directly or indirectly payable by individual directors and officers to be reduced to zero or, if practicable, cause to be established and funded an irrevocable trust so as to eliminate such deductible or retention on terms reasonably satisfactory to the Company; provided, however, that Buyer will not be obligated to make a premium payment for such insurance coverage to the extent such premium exceeds 200% of the annual premiums paid as of the date hereof by the Company for such insurance multiplied by the five years of coverage (such 200% amount, the Maximum Premium). If such insurance coverage cannot be obtained at all, or can only be obtained at a premium in excess of the Maximum Premium, not later than the Effective Time Buyer will cause to be purchased (with all premiums prepaid) the most advantageous five-year policy of directors and officers insurance obtainable for a premium equal to the Maximum Premium. The Company represents to Buyer that the last annual premium paid prior to the date of this Agreement for the Company's existing directors and officers insurance policy was \$70,000.

(c) If the Surviving Corporation (or any of its successors or assigns) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision will be made so that the successors and assigns of the Surviving Corporation assume the obligations set forth in this Section 6.04.

SECTION 6.05 Further Action; Consents. Upon the terms and subject to the conditions set forth in this Agreement, each of the parties will use all commercially reasonable efforts to take, or cause to be taken, all reasonable actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things reasonably necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the Transactions, including without limitation (i) the obtaining of all necessary actions or nonactions, waivers, consents and approvals from Governmental Entities and the making of all necessary registrations and filings (including filings with Governmental Entities, if any, and including without limitation such filings as are referred to in Section 3.05(b)(iv)) and the taking of all reasonable steps as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any Governmental Entity, (ii) the obtaining of all necessary consents, approvals or waivers from third parties, (iii) the defending of any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the Transactions, including, when reasonable, seeking to have any stay or temporary restraining order entered by any court or other Governmental Entity vacated or reversed and (iv) the execution and delivery of any additional instruments necessary to consummate the Transactions and to fully carry out the purposes of this Agreement. Without limiting the foregoing, the Company will give Buyer the opportunity to participate in (but not control) the defense of any stockholder litigation against the Company and/or its directors relating to this Agreement or the Transactions and no settlement will be agreed to without Buyer's consent, which consent will not be unreasonably withheld.

SECTION 6.06 Public Announcements. Parent and Buyer, on the one hand, and the Company, on the other hand, will consult with each other before issuing, and provide each other the opportunity to review and comment upon, any press release or other public statements (including any filings with any federal or state governmental or regulatory agency or with the American Stock Exchange) with respect to the Transactions and will not issue any such press release or make any such public statement prior to such consultation, except as may be required by applicable Law (including foreign regulations relating to competition), court process or by obligations pursuant to any listing agreement with any national securities exchange. Notwithstanding anything to the contrary herein or in the Confidentiality Agreement, any party to this Agreement (and each employee, representative, or other agent of such party) may disclose to any and all Persons, without limitation of any kind, the tax treatment and tax structure of the Transactions and all materials of any kind (including opinions or other tax analyses) that are provided to it relating to such tax treatment and tax structure; provided, however, that this sentence shall not permit any disclosure that otherwise is prohibited by this Agreement if such disclosure would result in a violation of applicable federal or state securities laws.

SECTION 6.07 Financing. Parent and Buyer will use their commercially reasonable efforts to complete the Financing contemplated by the Debt Commitment Letters and will use best efforts to cause their Affiliates to satisfy their obligations under the Equity Commitment Letter. In the event that the Financing contemplated by the Commitment Letters is not made available to Parent and Buyer so as to enable Parent and Buyer to proceed with the Merger in a timely manner, Parent and Buyer will use commercially reasonable efforts to obtain alternate financing on terms no less favorable to Parent and Buyer than the Financing contemplated by

ANNEX C

SECTION 262 OF THE DELAWARE GENERAL CORPORATION LAW

§ 262. Appraisal rights

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving company as provided in subsection (f) of § 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

Table of Contents

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise

entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

Table of Contents

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
