No director, officer, nominee for election as a director, associate of any director, officer or nominee or any other person has any substantial interest, direct or indirect, by securityholdings or otherwise, resulting from the matters described herein which is not shared by all other stockholders pro rata in accordance with their respective interest.

### **APPROVAL OF NAME CHANGE**

Pursuant to the requirements of NRS 78.2055, on January 4, 2005, the members of the Board of Directors of the Company proposed and recommended to the stockholders the Name Change. The proposal is an amendment to the Articles of Incorporation to change the name of the Company to CabelTel International Corporation. If the proposal had not been adopted by the Majority Stockholders, it would have been necessary for this action to have been considered by the Company's stockholders at a special or annual stockholders meeting convened for at least the purpose of approving the Name Change.

The elimination of the need for a meeting of the stockholders to approve the Name Change is authorized by NRS 78.320, which provides that the written consent of the holders of outstanding shares of voting capital stock having not less than the minimum number of votes which would be necessary to authorize or take the action at a meeting of which all shares entitled to vote on a matter were present and voted, may be substituted for the special meeting. According to NRS 78.390, a majority of the outstanding shares of voting capital stock entitled to vote on the matter is required in order to amend the Company's Articles of Incorporation. In order to eliminate the costs and management time involved in holding a special meeting, and in order to effectuate the Amendment as early as possible in order to accomplish the purposes of the Company, the Board of Directors of the Company decided to utilize the written consent of the Majority Stockholders of the Company.

The Company recently acquired the entire equity interest of two domestic U.S. corporations which in turn own a Netherlands company, which in turn directly and indirectly controls 74.8% of CableTel AD (formerly known as Cable Bulgaria AD), which is engaged in the telecommunications and information services industry in Europe doing business under the name CableTel, which now constitutes one of the principal businesses of the Company and as such, the Board of Directors believes that it is appropriate to reflect in the name of the Company a name similar to that of its principal indirect subsidiary.

**PRELIMINARY  
MATERIAL**

On January 5, 2005, the Majority Stockholders, by written consent in lieu of a meeting, approved a Certificate of Amendment to the Company's Articles of Incorporation. No further consents, votes or proxies are or were necessary to effect the approval of the Certificate of Amendment to the Company's Articles of Incorporation.

Under Nevada law, any dissenting stockholder is not entitled to appraisal rights with respect to the Certificate of Amendment covering the Name Change, and the Company will not independently provide stockholders with any such right.

### **OUTSTANDING SHARES AND VOTING RIGHTS**

As of January 5, 2005, the date of action by the Majority Stockholders, the Company's authorized capitalization consists of 100,000,000 shares of Common Stock, par value \$0.01 per share, of which 977,004 shares are issued and outstanding, and 10,000,000 shares of Preferred Stock, par value \$0.01 per share, of which 31,500 shares have been designated as the Series J 2% Cumulative Preferred Stock and are issued and outstanding.

Each share of Common Stock entitles its holder to one vote on each matter submitted to the stockholders. Each share of Series J 2% Cumulative Preferred Stock is entitled to five votes per share voting together with the holders of any other class of stock entitled to vote without regard to class on all matters to be voted on by stockholders of the Company, and such shares of stock are to be counted in determining the total outstanding shares to constitute a quorum at any meeting of stockholders. The holders of the Series J 2% Cumulative Preferred Stock are also entitled to vote separately as a class to effectuate or validate certain matters, including the amendment, alteration or repeal of any of the provisions of the Articles of Incorporation or Bylaws of the Company which adversely affects the rights or preferences of the Series J 2% Cumulative Preferred Stock or of the holders thereof.
