Item 1.01 Entry into a Material Definitive Agreement.

On March 24, 2005, the Compensation Committee of the Board of Directors of ABM Industries Incorporated (the Company) adopted performance objectives for the Company s Chief Executive Officer for its 2005 fiscal year, which will end on October 31, 2005. The employment agreement for the Chief Executive Officer calls for a bonus based upon his performance measured against performance objectives adopted by the Compensation Committee. The performance objectives are attached as Exhibit 99.1 to this Form 8-K.

On March 24, 2005, the Compensation Committee also took a number of actions in furtherance of the Company s executive incentive program. These actions included an amendment to the Company s 2002 Price-Vested Performance Stock Option Plan to permit the Compensation Committee to make stock option grants with exercise prices at or above the fair market value of the Company s common stock on the day of grant. Prior to the amendment the 2002 Price-Vested Performance Stock Option Plan called for all grants to have exercise prices equal to fair market value of the Company s common stock on the day of grant.

At the same meeting, the Compensation Committee adopted a non-qualified stock option agreement for use under the Time-Vested Incentive Stock Option Plan. The Compensation Committee has authority to make both incentive stock option grants and non-qualified stock option grants under the Time-Vested Incentive Stock Option Plan. The new form of non-qualified stock option agreement is attached as Exhibit 99.2.

Under the current form of stock option agreement for the 2002 Price-Vested Performance Stock Option Plan, the Compensation Committee granted George B. Sundby, the Company s Executive Vice President and Chief Financial Officer, an option to purchase 23,000 shares of the Company s common stock at an exercise price of \$21.70 per share and under the new form of stock option agreement for the Time-Vested Incentive Stock Option Plan, the Compensation Committee granted Mr. Sundby an option to purchase 28,000 shares of the Company s common stock at an exercise price of \$21.81 per share. The Fair Market Value of a share of the Company s common stock at the time of grant for purposes of each of the plans was \$19.21.
