Item 1.01 Entry into a Material Definitive Agreement.

On May 15, 2006, LSI Logic Corporation (LSI or the Company) consummated the sale of certain assets associated with LSI s semiconductor wafer fabrication facilities in Gresham, Oregon to Semiconductor Components Industries, LLC (SCI), a wholly-owned subsidiary of ON Semiconductor Corporation (ON). In connection with the sale, LSI entered into a wafer supply and test service agreement (the Agreement) with SCI pursuant to which SCI will manufacture and provide semiconductor wafer products to LSI and provide certain sort test, processing engineering, quality assurance and other similar and related services that LSI may from time to time request SCI to perform. Subject to the terms and conditions of the Agreement, and provided that SCI fulfills all material obligations set forth in the Agreement, LSI is obligated to purchase, and SCI is obligated to provide, \$198,800,000 of wafer products and related services (such as wafer testing and sorting services) from SCI during the first two years under the Agreement. Commencing the third year under the Agreement, pricing for the products and services the Company orders (which are not subject to any minimum purchase requirements or supply guarantees) will be renegotiated. The term of the Agreement is six years (the Initial Term), unless terminated by either party for breach or for a change of control. After the Initial Term (unless terminated earlier as set forth above), the Agreement will renew automatically for successive periods of two years, unless either party provides notice of non-renewal to the other party at least six months prior to the date of the expiration of the then-current term. The Agreement further provides that LSI will indemnify SCI and ON for certain intellectual property infringement claims and SCI will indemnify LSI for certain product liability and intellectual property infringement claims.

This description of the Agreement is qualified in its entirety by reference to its complete text, which form has been filed as Exhibit 2.1 to the Company s quarterly report on Form 10-Q for the quarter ended April 2, 2006 filed on May 12, 2006, and which amended and executed form will be filed as an exhibit to the Company s Form 10-Q for the quarter ended July 2, 2006. Portions of Exhibit 2.1 have been omitted pursuant to a request for confidential treatment.

Item 8.01 Other Events.

The Company s news release announcing the completion of the sale of certain assets associated with LSI s semiconductor wafer fabrication facility in Gresham, Oregon to SCI is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

Item 9.01 Financial Statements and Exhibits.
